

# 《Sweet Marriage: Smart Cute Wife》

## Chapter 144

On the third day after the incident, Xia Jinsheng was out of strength and fainted at home. Suddenly, he was bleeding and frightened. He cried and called Lu Songhuo for help.

She was sent to the hospital. The doctor frowned after checking her condition. "What's the matter with you? You're so young that you don't care about your body. Are you anxious to see God?"

After he asked the reason, he suddenly couldn't say a word. Xia Jinsheng's case is not the first. There are several more patients like her in their hospital these days.

He understands the concern that the life and death of his relatives are uncertain, but the premise of everything is to take care of himself first, isn't it? Otherwise, when we find our relatives, our body will collapse. Isn't it very sad?

There was a knock on the door outside the ward. The little nurse went to open the door and saw a tall and embarrassed man panting and asking himself, "is Xia Jinsheng here?"

Even though his face was covered with sweat and his wet hair was close to his forehead, he could still see that the man in front of him was handsome and patronized the flower crazy little nurse, who suddenly forgot to answer.

Hearing the familiar voice, the little guy burst into tears and ran to the person who suddenly appeared. The person listening to the soft cry was heartbroken, "Daddy, you're back, sobbing..."

Gu Nanchen lovingly hugged the little guy. When he touched the wound on his body, his face twisted but still showed a giggle. It's good to see his family again.

"Fuck, you boy..." things were so sudden that Lu Songhuo was surprised and couldn't help holding a rude word. When he saw his familiar face, he couldn't find the direction just when he came to his mouth. Finally, there was only one left, "just come back safely."

Xia Jinsheng had a long dream. The time of the dream can be traced back to a long

time ago. At that time, she was still a child and had just been brought to Gu Nanchen. At that time, he was difficult to get along with and kept a face all day.

At that time, she was afraid of him, but she didn't know when she began to like him. She was ashamed in front of him. At the age of 18, their relationship changed. She thought she should be the happiest.

It didn't last long, but Ling Qiaoqiao suddenly appeared. Gu Jun said it was Gu Nanchen's fiancée, and then they got married. At this time, she found that she was pregnant, but Gu Nanchen didn't like the existence of the little guy and took her to the hospital in person. The child was gone.

Xia Jinsheng woke up and was completely frightened. She was in a cold sweat behind her back. She wiped her face and all her feelings gathered into:

Sleeping through, I had a nightmare! And, Gu Nanchen, that scum man abandoned her in his dream.

"Wake up." A voice suddenly sounded in the quiet ward, frightening her soul out of her body. When she looked at it, wasn't this the scum man who played with her in her dream?

"..." the memory of the fragment was connected to the normal track. Xia Jinsheng saw that Gu Nanchen should have cried. The dream just now made her feel very delicate.

The two hugged each other tightly for fear that the other would disappear from their face.

"Asshole." Xia Jinsheng scolded and inadvertently shed tears, "why did you come back so late? I'm worried about you. Don't contact me. "

She verified the sentence "hammer you in the chest with a small fist" with practical actions. Gu Nanchen has a hard time saying that she can come back safely from the big bang, which has experienced many twists and turns.

This is not a good memory. He has no intention to say it. He doesn't want Xia Jinsheng to be involved in this sad event again.

After returning home, he reported peace with the old man for the first time. Knowing that Chu Yu was hospitalized, he went to see her without saying a word. Only then did he find out how much trouble he had brought to his relatives when he disappeared.

Thousands of words finally became, "just come back safely."

Because of this, the old man specially wanted to give him a welcome dinner. The people who appeared were basically family people, saying they were going to bad luck.

They arrived at the meeting as promised. The old man still didn't like Xia Jinsheng very much, especially after knowing that she Gu Nanchen had advanced the meeting of the branch office.

Fortunately, Gu Nanchen and the little guy escorted her all the way, and no one dared to embarrass her.

No matter how long, Xia Jinsheng found that she still couldn't cope with the family banquet. She would lose her life in such an atmosphere for a long time.

After dinner, Xia Jinsheng took Gu Nanchen's hand and looked at the moon side by side in the back garden. Yesterday's worry was still fresh in her mind, and she sincerely sighed: "it's good to be born in a peaceful country. At least our country is not allowed to go

Private guns. "

Ordinary citizens cannot own guns, which greatly reduces the crime rate. I didn't know before, but now I suddenly found the value of this provision.

"It's all right. We'll be fine." Gu Nanchen held her and tightened her arms. Knowing that she was still afraid, he only hoped that he could give her strength.

Quietly, only the two of them snuggle up to each other. The time is fixed, and the long figure dragged on the ground. It seems good to be together for a lifetime. Xia Jinsheng thinks so.

In the moonlight, a figure came towards them. It was Chu nianwan.

"I'm a little worried about your injury, so..." Chu nianwan's explanation is a little pale, but the concern on his face is clear at a glance.

She likes Gu Nanchen. She doesn't know whether to put it down now. Xia Jinsheng can also understand the pain of love. She doesn't mind leaving for a while. Leave space for two people.

Gu Nanchen also seemed to notice something. He grabbed her wrist and didn't let her leave. No matter how she struggled, the shackles were just getting tighter and tighter.

His hard work of selflessness was destroyed by him. Xia Jinsheng was defeated first.

"It's all right. I just scratched the corner of my eye." He had explained to everyone before. Fortunately, he was only slightly injured in the explosion. The answer to Ling Qiaoqiao is still the same as before.

"People with good luck hate too much." Xia Jinsheng came forward and hugged Chu nianwan and seriously showed her the bandage on her head.

"What's going on?" Ling Qiaoqiao exclaimed. Her previous attention was all focused on Gu Nanchen. How can she be distracted.

When she asked this, Xia Jinsheng suddenly couldn't speak. The reason for her injury was really disgraceful. She suddenly fainted at home and didn't take any precautions. As a result, she broke the back of her head.

I still remember hearing the little guy's cry before I fainted.

"Isn't it serious?"

"It's not serious. I've practiced iron head skill." Xia Jinsheng's serious nonsense made Chu Nian very happy and relaxed the atmosphere.

After chatting for a while, Chu nianwan left wisely. Up to now, she still can't easily give up her feelings for Gu Nanchen, so she can't make friends with Xia Jinsheng from the bottom of her heart.

In the streets with red lights and green wine, some people are happy and others are sad. The noisy nightclub was full of money and demons.

Gu Ge on the bar was drunk. He looked at the bartender with obsessed eyes and picked up his chin. "Nanchen, is that you?"

The bartender has been used to her like this. During this period, she has asked this question more than ten times. He had been bored for a long time. It happened that the other party was the landlady of the bar. He could only bear it if he didn't want to.

Sure enough, soon Gu Ge let go and drank the cup. She drank a lot, but she was not really drunk. She was just sad.

The wine was more sad. She poured herself another glass of wine. She heard about Gu Nanchen's accident. It was impossible to see his situation in person. He also avoided blocking people in the company. As for the old house, it is even more impossible.

The old man wouldn't let her in long ago.

"What did I do wrong? Is it wrong to like him? " Tears overflowed from her eyes and were soon wiped away by her.

The bartender was surprised. Gu Ge was drunk and complained in front of him for the first time, but it was the first time to shed tears in front of others. Gu Ge's genes are good. Even if Gu Ge's means are hidden, he can cry now, which makes him feel pity for her:

"If you want revenge, it's not impossible."

"What do you mean by that?" Gu Ge's eyes burst out fierce light, as sharp as a knife.

"Win over your comrades in arms and kill with a knife." The bartender picked his eyebrows. He didn't know much about Gu's family, but he also knew a lot. Some people who like Gu Nanchen are here. If they can use one or two of them, they can harm Xia Jinsheng and protect themselves.

kill two birds with one stone.

"Ah Cheng." Gu Ge suddenly narrowed the distance between the two people. As long as he lowered his head, his lips could touch each other, and the gas exhaled from each other was clear and audible.

Her red lips looked enchanting in the colorful and ambiguous lights, like a spirit grabbing goblin at night. The man called ah Cheng rolled his Adam's Adam's Adam's apple, and his throat was suddenly thirsty.

"Landlady..."

"Are you satisfied with the salary I gave you? Why don't I ask Uncle Wu to add some more from this month. " Gu Ge tidied his collar and moved back.

It turned out that he was happy about the salary increase, but there was a little unknown loss at the bottom of his heart.

"What are you doing?"

A sudden voice came in, with anger.

Behind them, there was a thin man of about 1.76 meters. His clean short hair was pasted gently on his forehead. He looked childish and his face was younger. He is the husband arranged by the family for Gu Ge, Xu Wen.

Although the two have never had a substantive relationship since they got married.

Now he looked at them in a way of catching traitors in bed, because their behavior just now looked so much like kissing.

"What's none of your business?" Gu Ge squints at him coldly. She has always looked down on Xu Wen. This man is too weak. Without a bit of masculinity, she can't give her a sense of security.

Even without Gu Nanchen, he is the only man in the world, and Gu Ge absolutely despises him.

"I, I..." in front of the strong Gu Ge, he unconsciously was inferior. He couldn't say a word completely. His face turned red, "because I am, I am your husband."

The sound is as thin as a mosquito's foot, and it dissipates when the wind blows. It is precisely because of this that Gu Ge abandoned him like an old shoe.

Why can Xia Jinsheng find such a perfect person as Gu Nanchen, and she can only partner with this kind of goods? She is psychologically unbalanced. She sprinkles all her anger on Xu Wen and kisses him with the bartender's tie regardless.

The two people soon became entangled together. The scene was fragrant and beautiful. Someone around had whistled excitedly. In the excitement, Xu Wen's eyes were dim, and turned away silently.
