

《Sweet Marriage: Smart Cute Wife》

Chapter 149

When the mobile phone message prompted him that there were hundreds of more bank cards, Xia Jinsheng was stunned and didn't understand what was going on. After song yuezheng's message came back, she didn't understand and understood.

She was paying back the money because she said she would compensate the little guy for his clothes.

This is a headache. The little guy's clothes have been sent to dry cleaning, and it can't cost so much money at all. Seeing that she still has the intention to continue to pay for Cary, she took the little guy to the coffee shop without delay.

She was on duty today. Xia Jinsheng greeted song yuezheng with a smile and handed her an envelope after she brought coffee.

There was nothing else in the envelope. It was official that she had given Xia Jinsheng hundreds of pieces. After seeing the things, she returned them in fear.

"This is your stuff. Our washing powder really doesn't cost much. We don't need it."

Although Xia Jinsheng returned the money to song yuezheng again, she still couldn't accept it. In her heart, she has determined that she actually made up a lie to make her no longer feel guilty.

The two pushed and pushed, and no one would accept it. The little guy's eyes moved with the passage of the envelope, and soon fainted. He picked up the coffee on the table and accidentally poured it on song yuezheng's work clothes. He nervously took out a paper towel to wipe it for her. "I'm sorry, sister, I soiled your clothes and you soiled mine before. Now we're even, okay?"

Xia Jinsheng instantly understood the meaning of the child and immediately felt that she was extremely cute. It was her daughter who thought of such a good way, genetic inheritance.

She struck while the iron was hot and stuffed the envelope into song yuezheng's hand. "Xiaotuanzi is right. Take the money and it's even."

How could Song Yuezheng not know such an obvious intention? When she wanted to write something with the board, the landlady came and patted her on the shoulder, "take it."

Because of her physical disability, she is sensitive and cares about the views of the people around her. She is most afraid that someone will sympathize with her. Even the boss's wife can see that Xia Jinsheng doesn't sympathize with her, but doesn't want to take advantage of her.

What's more, she needs money when she's here. They have a heart, so why be polite.

Song Yuezheng finally accepted the money. In order to thank the little guy for his kindness, she gave two pieces of black forest cake for free. Xia Jinsheng was not polite at all and tasted it happily.

After eating the cake, Xia Jinsheng remembered that he had something to do and went to Gu's group in advance.

In the office, Chu Nianwan was in a daze at a document. He struggled in his heart. He put the document in his hand and put it down again. This action was done countless times. When she finally made up her mind to tear, Xia Jinsheng suddenly appeared in front of her.

There was no sign of her appearance. Chu Nianwan was very frightened. The document in her hand fell to the ground. Xia Jinsheng squatted down and picked up the document.

Clearly it was a simple action, but Chu Nianwan felt that there was something different, and her heartbeat was irregular. A state of unclear thoughts filled her mind. She only knew that she was a little afraid.

"Why tear the document for no reason?" Xia Jinsheng looked at her with a smile, but her heart was cold. Gu Ge didn't believe it when he told her about it.

Watch the change... Fuck him, watch the change. She's bursting with anger now. She trampled on her sincerity.

Can not love, but why hurt. My mind is full of thoughts, but my face is still calm. Chu Nianwan couldn't see what she was thinking. She had already figured out an excuse, "nothing, it's just an unimportant document. She's going to throw it away."

She wanted to take it from Xia Jinsheng's hand. The latter suddenly dodged. Chu Nianwan didn't react for a moment and stayed, while the person opposite had opened the document, breathed and stopped his heart beating.

In a hurry to grab the documents, she finally succeeded this time, but it was too late. Xia Jinsheng has seen the content inside, making her like a great enemy.

"The share transfer certificate given to you by the old man is also an irrelevant document?"

When it came to light, she bit her lower lip and didn't say a word. Silence is golden. She can bear it, but Xia Jinsheng can't bear it. He spits out what he has been depressed in his heart, "tear up the share transfer and frame it on me. No one will doubt that you did it yourself. Your abacus is very good. "

Chu nianwan's face was pale and his eyes were unbelievable. No, it's impossible. Why would she know? She only told... In a moment, she knew that she was betrayed by Gu Ge.

Having reached this point, Chu nianwan had already broken the jar, and his heart was like death, "so what? I deliberately pretended to be ill and asked you to make a report, and then secretly asked someone to switch, causing you to be scolded. I did all this. What can you do to me? "

"Not much." A few days ago, people who were deeply in love with sisters became enemies stabbing in the back today. Sure enough, it was just an extravagant hope to make friends with their enemies. "I just would tell the old man about it."

"You can go. Anyway, you have no evidence." Chu nianwan said the most honest idea in her heart. She didn't have to wear a hypocritical mask to get along with Xia Jinsheng. It was more like a relief for her.

"How do you know I have no evidence?" Xia Jinsheng made a light mockery of her. I don't know whether she was laughing at her or herself. "Did you forget the surveillance camera?"

Thanks to Gu Ge, she actually gave her a surveillance video. The video is divided into two sections. One is that Chu nianwan expected to hurt herself so much, and the other is how the report she made a few days ago was replaced by Chu nianwan's assistant. And even her so-called appendicitis is actually the result of buying doctors. Xia Jinsheng never knew that a person's city could be so deep. Careful calculation, if there is no gu Ge, no one will doubt her. "Then just go and tell the old man to kick me out. I've long hated this family. " Chu nianwan's current state has fallen into madness. His eyes are red and look scary. The gratitude to Gu's family has long been replaced by the resentment of the person who can't get it. Why is Xia Jinsheng also an adopted daughter? Xia Jinsheng can be liked by Gu Nanchen, but she can't? She can only be secretly murdered by seven aunts and eight aunts? As early as when she was

determined to harm Xia Jinsheng, she was ready to lose everything“ Don't you care even if Gu Nanchen knows? " Hit the snake and hit seven inches. Xia Jinsheng caught her seven inches at once, although it made her very uncomfortable. No, we can't let Gu Nanchen know and destroy her impression in his heart. Chu nianwan only has this idea in his mind now. She grabbed Xia Jinsheng's hand and squeezed out tears. "I'm sorry, I was wrong. I shouldn't have hurt you. Please don't tell Nan Chen. " Her address to Gu Nanchen made Xia Jinsheng more uncomfortable. She frowned and took out her hand, "it's late, it's not good." It doesn't make sense. If people can target her, she can't retaliate. She's not a saint. She can't take the initiative to offer her right face after being beaten on the left face. Xia Jinsheng quickly left the office, but she didn't find either Gu Nanchen or Gu Jun. even if she didn't want to admit it, she couldn't bear it. There is no way to be so ruthless. If you turn your face, you will turn your face. Your feelings are still there. How can it be broken? However, the old man knew about it. Someone handed the recording to him. The mailer's name was Xia Jinsheng. So they were all called to the old house. He went straight to the subject, fixed the computer in the picture of the assistant doing hands and feet on the report, and presented the parcel sender to them at the same time“ What's going on? " The voice is cold and heavy. People who can't rub sand in their eyes can't see the most is taking care of the family fight and... Someone dares to take the company. Chu nianwan didn't speak, but Xia Jinsheng was full of consternation. I'm your sender. Which one will be her? I still remember yesterday she went to school as if nothing had happened. Now she says that she sent the video. It's so obvious to plant the blame. Just think about it with your toes. You know who's behind the scenes. Gu Ge, she's the smartest one. She hides behind her back and watches the tiger fight. Finally, when they lose, is she going to make another profit“ I didn't send it. " She explained to the old man that this was even more for Chu nianwan. Originally, their relationship was not good, and she didn't want to continue to deteriorate“ You didn't send it, with your name on it? ““ This is a frame up. " She did not change her face and endured the observation of the old man's cold eyes. The Qing Dynasty was self-cleaning. Although she trembled, she was absolutely under the authority of Gu Jun. I don't know if he believes it. Chu nianwan, who had never spoken, stood up. "This has nothing to do with me. You can see that it's all done by assistants." Xia Jinsheng never expected that she would directly throw the pot to the assistant, and she succeeded. The old man finally decided to dismiss the assistant. Out of the old house, Chu nianwan walked forward as if she didn't exist. Like a stranger, Xia Jinsheng stopped her, "can you do anything to protect yourself?““ So what? Obviously now you have more doubts about the old man. " With a proud smile, she directly knocked away Xia Jinsheng and left. The figure of slim and winning the war is really strange. Xia Jinsheng doesn't understand why a person can become like this. As she said, she has more doubts about Gu Jun at present. Deliberately hurt Chu Nian late or something. A bitter smile overflowed from the corners of her mouth. Why did she become a stranger in the end? She didn't want to. Chu Nian came back to the company late, explained the situation to the assistant, and gave her a lot of money to leave at ease. Her face suddenly became cold, she directly found Gu Ge's place, and slapped the drunk sleeper“ What are you doing? You hit me. " Gu Ge jumped up from the sofa

and was about to take revenge. Before it could be implemented, Chu nianwan slapped her again, and her neck fell into her hand. Her close face was full of grimace, like an evil ghost from hell“ I warn you, next time you play tricks on me, I will take full revenge on you. Remember to wash your neck. " Gu Ge blacked out and fainted directly.
