

《Sweet Marriage: Smart Cute Wife》

Chapter 153

The voice was clearly Er Chun. Xia Jinsheng had only one idea in her mind. She came back.

As soon as I looked up, I saw the person I hadn't seen for many days. Because of the things at home, she had lost a lot of weight, and her mental state was still good. She was carrying a large bag of milk tea in her hand, obviously to buy someone a drink.

Followed by a little lover, their relationship is getting better and better.

One person took a cup, and she distributed the rest to other staff. She was about to catch up with the past, but Song Taose suddenly came out of the rest shed with a ruddy face and walked to them, "can I invite you to have a meal and apologize?"

When she came, Gu Nanchen subconsciously blocked Xia Jinsheng. Just now she wanted to do something.

Song Taose secretly looks at Gu Nanchen and is really shocked. If he can keep himself, who else dares to stop her in the performing arts circle. Her bad mind is active.

"It's not necessary. If it's because of the previous events, I can't accept the dress. Or you can talk to the screenwriter. "

At the critical moment, Xia Jinsheng pushed Er Chun out as a shield. Song Taose Leng didn't even look at her and was indifferent, "just decide this matter. I really want to invite you to dinner. Are you going? " The body also leaned towards him, and the fullness of his chest would rub against his arm. Gu Nanchen frowned and hid nearby.

The action was infinitely magnified in front of everyone, rendering the embarrassment in the air.

She looked at Gu Nanchen with eyes full of provocation. The green veins on Xia Jinsheng's temple jumped. It was clear that she was trying to seduce her man. Was she really blind?

"It's really not necessary. We have to catch up." Although Er Chun is still confused, Song Taose shows a strong interest in Gu Nanchen, which can be seen by people with eyes.

A friend's "wife" can't be bullied. Er Chun handed Xia Jinsheng's hand to Gu Nanchen, and then grabbed Xia Jinsheng's other hand, hugged the little guy and walked past without squinting. Without her greeting, the little lover had already taken Song Yuezheng's hand and followed them behind.

When she passed Song Taose, Song Yuezheng looked at her and had thousands of thoughts. Song Taose raised her eyes, and the two men's eyes just collided. Her pupils shrank and retreated several steps.

Fang Cun was in a mess. He forgot to stop Xia Jinsheng for a moment.

Out of the set, Er Chun released Xia Jinsheng and seriously patted her on the shoulder. "You have a good chat. I'll have a big meal with the baby."

Then he took the little guy and Song Yuezheng and left Xia Jinsheng and Gu Nanchen facing each other.

She held her arm. "OK, you accidentally hooked up another one."

"My Lord, I am innocent." Heaven and earth can learn. He didn't do anything, but someone came up and posted it upside down. And when Xia Jinsheng was present, was that damn woman too brave.

Xia Jinsheng looked up and down at his clothes, especially the sleeve on his left arm. His hot eyes could burn a hole.

Song Taose almost ran into her here. She has a big chest. Can she seduce a married man? It was not Gu Nanchen's fault, but seeing that scene made her very unhappy.

She's jealous.

And I don't seem to realize this problem,

In order to make her feel uneasy, Gu Nanchen specially went to the nearby shopping mall to change a suit of clothes. The shopping guide looked at his dress and looked at pink stars in his eyes.

She asked with a dark face, "bring me the most earthy man's suit in the store." My

husband is too handsome and has a sense of crisis. From time to time, there are wild flowers and weeds trying to get together.

According to her request, Gu Nanchen finally changed into a suit of fifty or sixty year old father level. Ordinary people put on the dirt and buried in the crowd in a second. But he just wore his own style and turned his clothes into a famous brand.

This man is definitely the public enemy of most men.

Xia Jinsheng was angry and looked at his face bitterly, "it's too long for people to commit a crime. It's good to disfigure." Then she began to look around for knives or sulfuric acid.

He has been dotting on looking at her, regardless of other people's views, directly hugged her waist and pecked her pink lips, "I only commit crimes against you."

"Hum." Xia Jinsheng's arrogant snort satisfied the unhappiness in his heart. Miss shopping guide wants to blind her eyes. Is it easy for a single dog these days? All kinds of forced to watch people show their love. Love is great? It's amazing.

She also wants a boyfriend

She came back from school with a sad face. She did badly in the monthly exam and counted down in the whole class in math. She was very afraid. I don't know how to tell Wencun.

Failing grades are like a disgrace to the whole family, especially in noble schools, which has been spread. She doesn't know how long she can hide it.

When she came home to write a novel, the editor in charge told her that her manuscript was deliberately gently stopped and let her concentrate on her study.

"It's impossible. I'll call and ask." She is making a video with the director. After learning the news, she is shocked. How can she not write a novel?

Just turned around and appeared behind her, "don't call, I'm right here. I mean to stop writing. I've already informed you. "“ Dad, how can you do this? You have no right to interfere in my affairs. "“ I have no right? Just because I'm your father! " In the gentle view, Wenya is now 17 years old and in a rebellious period. She thinks that writing something is arrogant and naive. The two soon quarreled. No one was willing to be soft. Finally, they alerted the nanny at home to come and persuade them to quarrel. Both of them were stubborn. They soon quarreled with each other. Wencun slapped Wenya, pointed to the door and said to her, "if you don't obey Lao Tzu's discipline, get out of here. It's embarrassing for the Wen family to get so many grades."“ Face, face,

you only know face, roll and roll. " It turned out that he had already known his achievements. He was gentle, blushing and embarrassed. He ran out on purpose. Not long after, dark clouds rolled, thunder roared, heavy rain fell suddenly, and it was dark. At that time, Xia Jinsheng and Gu Nanchen had just come out of the mall. They hid in the car and were ready to go home. The car was driving slowly on the road. It was raining rapidly. There was already a muddy river on the ground. When Xia Jinsheng inadvertently looked to the side of the road, the opposite side was gentle and shuttling in the torrential rain. I was going to stop her, but she ran too fast and disappeared at the corner. The car had started and it was impossible to drive in the opposite direction. She had to call her gentle family“ She had an argument with my brother and ran out in anger. " Gentle son said so. His words were all about her. "Give me the address and I'll find it." She sent the address and followed Gu Nanchen home. Before long, the little guy also came back. Er Chun protected her very well. The rain lasted for a long time. The thunder roared. The little guy was afraid of the thunder and came to sleep with them with his dolls. Until the next day, Xia Jinsheng in her sleep suddenly received a call from Wei Qing, "Jinsheng, can you contact your gentle parents? She's here with me now. " When he came back from outside in the middle of the night, he saw a wet figure squatting in front of his house. She was very frightened. When he found that it was gentle, she was delirious and blushed. When I touched it, the temperature on my head was really hot. After taking care of her all night, Wei Qing's voice now sounds a little tired and haggard. Without his parents' contact information, thinking of the relationship between the little guy and Qianlong Huangchao, he contacted Xia Jinsheng. When gentle son rushed to Wei Qing, gentle and elegant had awakened and resisted to go back with her. The two were deadlocked. Wei Qing couldn't see it, so she took the initiative to keep her“ Isn't that good? " Gentle son looked at him uneasily. It was strange that he ran away from home. Now he wants to stay, "I remember Mr. Wei is still single?" He laughs. He likes Xia Jinsheng wholeheartedly and forgets to avoid suspicion. It's really bad for a single man and a few women to live in one room, even though he is only an adolescent girl in his eyes“ Don't worry, Miss Wen. I have another speech tomorrow. I won't be at home next. My personal nanny will take good care of Wenya. " Gentle son always thought it was too troublesome for Wei Qing. He wanted to rent Wenya a house outside for a day, but the girl suddenly stayed at his house and refused to leave. There was no choice but to agree. Xia Jinsheng, who heard about this, felt that the gentle attitude was very suspicious, so he guessed, "does gentle like Wei Qing?"“ Are you jealous? " When she was cutting vegetables in the kitchen, she suddenly had a possessive hand on her waist. She bit her teeth, "don't move. What if I have everything?" The people behind him were really honest, but they were still very persistent about the problem just now, "you're jealous, aren't you? He likes you. Now someone likes him. You're jealous. "“ Well, I'm just jealous. What do you do with me? " Xia Jinsheng raised his small face. Gu Nanchen knew clearly what he thought at that moment in his heart, but he didn't know: this jealous is not that jealous. What's more, if Wei Qing has someone she likes, she can't treat her as well as before. Two people should learn to avoid suspicion. He would give his kindness to another woman thousands of times before. There was a gap in her heart, but Xia Jinsheng was

more blessed and gratified. It's different from Gu Nanchen's so-called jealousy. His eyes sank and his hand on her waist tightened. "We need to discuss this problem in depth." His eyes were ablaze with flames "I was wrong. " The person who knows the current affairs is a Junjie. Xia Jinsheng quickly softens up and annoys people. "I was joking just now. I hate being jealous most. I like to eat sweet. " "Hum, it's late. " Every time he provoked his anger, he ran away. This time he said nothing to let her slip away. No matter how Xia Jinsheng resisted, he pulled off her apron, put away the dangerous props and carried people upstairs. Seeing this, the little guy in the living room understood and skillfully picked up the landline and called for takeout.
