

《Sweet Marriage: Smart Cute Wife》

Chapter 156

"How are you, familiar?" Gu Nanchen asked him. His fingers lingered in front of the broken car. It was the cold iron weapon under his hand that almost killed Xia Jinsheng. Now she has to lie in the hospital.

"I don't know what you mean." The man struggled, but the bodyguard pressed him more firmly, and the whole arm seemed to be removed. The severe pain made his whole face twitch.

With a look in his eyes, the bodyguard took the man in front of him. He gave him a big round, but the drunkard man found that he was frightened by the man's aura in front of him.

Suddenly a hand clasped on the back of his head and made a loud noise. His head had hit the car body. The folds of his old face rubbed the uneven iron filings, red, swollen and broken skin, which was very uncomfortable.

But Gu Nanchen didn't mean to stop, but increased his strength, "are you sure you don't know?"

Most of his face seemed to be forced to peel off from his face. The pain made his gums tremble. When he woke up, his heart had shaken, "I..."

Gu Nanchen's action was more cruel. The drunkard man was sweating, "no, no, no, I said, someone hired me to do this."

"Who is that man?"

"I don't know."

Bang!

The next second, Gu Nanchen pinched his neck, lifted his head and smashed it hard. The man was in pain and cried. "Spare me, I'm wrong. I really don't know. "

Gu Nanchen let him go, and the people who got freedom ran away. He looked at the bodyguard. Without making a sound, those people had chased him back.

"Beat him to death and take him to the police station."

He doesn't need to worry about the rest. His men will help him solve it. Who is the real behind the scenes? We can't find the whereabouts yet. We must solve it as soon as possible.

On the other side, in a luxury hotel suite, coats and underwear were thrown everywhere. On the king size Simmons bed, a man and a woman were lingering.

The door of the hotel was suddenly opened. A bright old man came in and knocked on the two people on the bed with a crutch in his hand.

At the critical moment, he was so noisy that two people in bed ended in embarrassment. Song Taose awkwardly grabbed a thin blanket to cover his key parts.

"Damn woman." The old man waved his crutch and kept beating song Taose. Fang congshang around her blocked her, and her hand immediately turned green.

This action is tantamount to adding fuel to the fire, and the old man is even more angry, "you are a ghost, and the sperm goes to the brain to offend Gu Nanchen for a performer, aren't you! OK, if you want to find a dead man, don't take our Fang. "

"Dad, you're so nervous. My hands and feet are very clean. I don't have a tail."

The old man snorted coldly and looked down at them from top to bottom, "just continue to have your spring and autumn dream. The people who hit people have fallen into their hands. A confession will come sooner or later. "

Fang congshang and song Taose were sweating all over, especially the latter. She has no good life background. This time, she is likely to be pushed out by the Fang family to block the gun.

I knew that Xia Jinsheng would not be hurt at that time. She would go in with her if she didn't die.

In particular, the look in the eyes of master Fang's family may erase her at any time. Song Taose's hands and feet were cold, his soft boneless body gathered together from Fang congshang, and called softly, "president Fang..."

She is now Fang's heart treasure in business. Otherwise, she would not buy murders for her and hold her in her arms to appease, "don't worry, I will be fine with me. What is Gu Nanchen? "

Seeing this scene, the master of the Fang family blew his beard and stared angrily. Finally, he shook his head helplessly. His only son was always less worried than his adopted son Yunhao. The foundation of hundreds of years will be finished in his hands sooner or later.

When Gu Nanchen returned to the ward, the little guy was singing and dancing for Xia Jinsheng and Xia Liyue. The crisp child voice made him sweep away his previous depression.

"Daddy, here you are. Did you catch the bad guy? " She asked Erchun sister where daddy had gone before, and was told that he had gone to catch the bad guys. If she sees the bad guy who bullies Mommy, she should not only beat him up.

"Yes." He touched the little guy's head. "Got it." It's just that the person behind the scenes is not found. The other party hides it tightly and it's hard to start.

Xia Jinsheng looked at him anxiously. Gu Nanchen gave her a kiss, "don't worry, I'm here."

He would never allow such a thing to happen for the second time. So far, Xia Jinsheng and the little guy have more bodyguards around each time they travel. Xia Liyue has been silently watching the interaction of their family. She can see that Xia Jinsheng is well taken care of.

Several times the words came to my mouth but I couldn't say it. Her abnormality made Gu Nanchen notice that there seemed to be something hidden in Xia Liyue. And in that case, most people will protect themselves first. It is said that she is also very good to little guys in the crew.

After all, he was a life-saving benefactor. Gu Nanchen temporarily put down his doubts.

In the afternoon, Wenya came to visit the doctor with a fruit basket. Xia Jinsheng was moved, "you can actually take time out of your busy schedule to see me." The so-called busy refers to her chasing people.

Then she saw the late Wei Qing. Well, it wasn't just for her. Wei Qing finally came back from watching the show abroad. Elegance directly became the small tail behind her, and followed wherever she went. "Is it badly hurt? " Wei Qing heard about this more or less. After asking, he looked at Gu Nanchen discontentedly and handed Xia Jinsheng over to him. Is that how to "take care of" her. "Fortunately, you just came back and had a good rest. I have no big problem. " "Well, it's all right. " Gu Nanchen can't rely solely on this deliberate collision and murder. He also has to intervene in the investigation. Gu Nanchen's silent grinding teeth. The boy is deliberately provocative,

isn't he. If Xia Jinsheng hadn't been taken into account, he would have let the security guard drive people away. Looking at Wei Qing's concern, he bowed his head gracefully and felt sour in his heart. Comfort yourself that it's okay. Your rival is married. Because of the relationship of secret love, it indirectly affected her works. Recently, the style of writing has a strong sweet smell of girls. Fans have left messages one after another. Is she in love? Gentle and generous reply: Yes, but still in secret love, take the big designer sooner or later. Coincidentally, this book review was just seen by Lin Qianyun, the spicy editor in chief of Qianlong Huangchao entertainment company. He inadvertently saw it with his warm friend Tang Shanhai, and began to pay attention to it privately. It didn't take long to discover the existence of Wei Qing. The annual charity party of city A was held in the largest international hotel in the city center. Gu Nanchen and Xia Jinsheng attended as special guests. After getting off the bus, the camera lens of the media rushed to her face. Xia Jinsheng, who was in strong light, couldn't open his eyes and kept his big hands in front of her. Cold eyes swept to everyone present. They immediately put away their cameras like frosted eggplant. Gu Nanchen doesn't like taking pictures, let alone someone taking pictures of Xia Jinsheng. She is alone and can only be appreciated by herself“ You are so cold that they will scold you behind your back. ” Xia Jinsheng teased him, and the two walked into the meeting hand in hand“ They dare not. ” Xia Jinsheng turned a white eye in his heart. No matter when he was so honey confident, he didn't make people feel annoying. Charity Gala covers a wide range of circles, including business circle, entertainment circle, design circle, music circle and literature circle. Many successful people from all walks of life come to do business. Of course, the most eye-catching people are Gu Nanchen and Wei Qing. Xia Jinsheng and Gu Nanchen were together. Their every move naturally attracted a lot of attention. Many new women seemed very unconvinced to her. They whispered and deliberately let her hear, "what, Mr. Gu's eyes are really bad. How can that kind of woman stand beside him?"“ It's a good way to marry your son. ” Oh, it's sour. Xia Jinsheng suddenly touched Gu Nanchen's waist and looked at them proudly. His eyes seemed to say: see? I not only stood, but also touched! The women immediately stared out the line of sight of killing people, and Gu Nanchen glanced at them. They were honest and had all kinds of manners and manners, hoping that he could look at themselves more. But after helping Xia Jinsheng out, his eyes never moved away from her“ Many people like you. ”“ But you are the only one who loves me. ” It was a mockery, but the next second he turned it into love. Xia Jinsheng was satisfied and no longer tangled. He focused on dealing with the people who came up to talk with him. Lu Songhuo also came. His girlfriend surprised Xia Jinsheng. Unexpectedly, it was Song Yuezheng. When did they spend their time in secret? Wei Qing's girlfriend is even more surprising. It's Selena. When did she come to a city? So Wenya's obsession has failed. She hasn't seen Wenya yet. She didn't come today? In the corner, a man who poked his molars and made a gloomy and strange sound attracted her attention. The person who wanted to stare out was not the one she was looking for“ Who is that woman? ” The more in-depth, gentle and frustrated, he found that he knew very little about Wei Qing, and his friends and preferences knew very little. It may also be that Wei Qing deliberately kept it from

her“ HMM... "Xia Jinsheng doesn't want to attack her. International designers have a lot of charm. Wei Qing's suit pants are not only gentle, but also have more advantages than Selena“ His royal model. Every show of Wei Qing will have Selena try on. "“ Oh, isn't it just a model? I can too. " Wenya was unwilling. He begged him for so long that he asked a model to be his girlfriend“ You are insulting yourself. " Gu Nanchen looked at her from head to foot. She was about 1.6 meters tall and wanted to be a model. Xia Jinsheng looked at him calmly, "honey, how can you say that? Be euphemistic." You can't go anywhere, can you? Gentle heart roared, but his eyes brightened when he saw the next scene.
