

# 《Sweet Marriage: Smart Cute Wife》

## Chapter 162

"Shut up." Gu Nanchen interrupts her unhappily. The cold war between him and Xia Jinsheng is a matter between husband and wife, and there is no comment from others.

"You're cruel to me. You know I'm for you. I like you. Xia Jinsheng, what's good about her?" Ling Qiaoqiao suddenly becomes paranoid. Her noble birth is better than being an orphan.

At that time, everyone said that she and Gu Nanchen were a couple. As a result, his eyes never stopped on her. Xia Jinsheng's appearance changed everything about her.

"You said you were going to marry me, but you got the license from her. I don't care. You're divorced now. I'll forgive you, and then we'll be together, okay?"

Ling Qiaoqiao tried to grab his hand, but Gu Nanchen dodged him. He said, "dream. If you want to enter Gu's house, can Gu Wensheng?"

"But I only like you." Ling Qiaoqiao's tears flowed out. The family really pushed things back in those years. She meant to enter the Gu family and cooperate with the Gu group.

Gu Wensheng is a wood with only painting in her head. Gu Nanchen's cold temperament obviously makes her more excited. A heart secretly promises.

The falling flower is intentional and the flowing water is ruthless. Ling Qiaoqiao didn't think so. She felt that everything was taken away by Xia Jinsheng and became a joke in the upper class.

"I won't give up. Xia Jinsheng doesn't deserve you at all." Ling Qiaoqiao left her words and went out of the door. Gu Nanchen looked at Gu Ge who was still in a state of shock and snorted coldly, "your comrades in arms are gone. You still don't go. Don't forget that you are a married woman now."

"Married woman" is Gu Ge's pain. She doesn't like the marriage arranged at home. She knows what she likes best, but she can't say it now.

Said... She had a hunch that Gu Nanchen would never see her again in his life. Gu Ge

pretended to smile calmly. "Excuse me, I'll see you again next time."

"Gu Ge, that man is nice. Be nice to him." Gu Nanchen has heard of the man who married her. Although he is the son-in-law, his ability and talent are Chu Qiao.

It's just that Gu Ge is confused by the devil and can't see all this. She just thinks he's a useless receiver who listens to her parents.

"What do you know?" Gu Ge clenched his fist and squeezed his nails into the meat. He bowed his head and didn't know what he was thinking. In the end, he didn't say anything and left.

Both men left, and the room was much quieter. Gu Nanchen breathed a sigh of relief and finally was able to work quietly. The little guy blinked his big eyes up and down after eating.

What medicine does this little guy sell in the gourd?

"Tut Tut, daddy, you are a sinful man."

A girl as big as a little ghost coincides with Xia Jinsheng's ghost horse spirit who just came to him. Gu Nanchen is in a trance. Sure enough, it is biological, and the power of genetic inheritance is strong.

The next day, Ling Qiaoqiao and Gu Ge really came to the door again. They had already figured out how to sow discord, but Gu Nanchen didn't even let them in this time.

Xia Jinsheng came back in Wei Qing's car in the afternoon. He opened the door of the car gentlemanly. Gu Nanchen and the little guy stood on the balcony and just witnessed this scene. Because they were far away, they didn't know what they were talking about. The sudden drop in temperature on the balcony was as good as the air conditioner in the room.

"Daddy, I'm innocent." The little guy painfully stretched out his hand and poked him. Gu Nanchen hugged him too tightly. She couldn't breathe. "Put me down. I'm going to find Mommy."

After saying goodbye to Wei Qing, Xia Jinsheng dragged the box into the door. Gu Nanchen and the little guy were coming down the stairs. He said with a cold face, "don't miss Shu."

The tone was sour with a smell of old vinegar.

"Yes, but you must be happier. Embrace left and right."

The two people looked at each other for only a second, and then did their own thing as if nothing had happened. The little guy was tangled and even had a cold war. The awkward adult's mind was really complex. She didn't want to grow up.

Chu nianwan's private house. She handed a rich envelope bag to a woman with a frown. "This is really the last time. Next time, don't blame me for being rude to you."

"Yes, I know. I don't want to trouble you, but you know the situation in my family, my gambler father..." The voice sounds very light, weak and pathetic, which makes people easy to sympathize.

But Chu nianwan was already annoyed with such a poor face. The threat to her was a little assistant who worked under her before and helped her take the blame for being expelled from the company.

Her family is poor, and no one is willing to hire her. There is a frustrated gambler's father at home, so Chu nianwan has been helping her, but she has come more and more frequently recently.

After careful calculation, she lost nearly half of her savings over the years. I don't believe it. After seeing her off, Chu nianwan rubbed his swollen temples and prepared to go back.

Turning around, Gu Ge's face magnified several times in front of her. The light flowing in her eyes made her feel bad, and there was a kind of ominous premonition in her heart.

"I see." Gu Ge raised her lips, and the slender Eyeliner looked very charming. She looked at it and disappeared in the corner. The tone was more meaningful. "Is that your assistant?"

Unexpectedly, he was found. Chu nianwan turned pale. Pinching her fingernails into the meat, Gu Ge knew it would never be so simple. She quickly calmed down, "what do you want to do?"

"You don't know what I'm going to do?" Gu Ge smiled wantonly and wiped his red lips with his index finger. "You find someone to make Xia Jinsheng disappear in this world."

"What!" Her pupils condensed into a point, and a fine cold sweat came out behind her, "this is murder. Don't even think about it."

Encourage her to commit a crime and stay out of it. Gu Nanchen knows that he will hate her. At this time, Gu Ge will come back to reap profits.

Does she treat everyone as a fool? Chu nianwan ignored her crazy words and was about to enter the door, but Gu Ge suddenly said:

"You know Wu Lili."

The name changed her face. She came forward and grabbed Gu Ge's collar. "Where did you know that?" She smiled without saying anything. Chu nianwan soon understood, "you sent someone to follow me."

"If you want people to know, don't do it unless you don't do it yourself." Gu Ge clapped her hand and smiled at her collar. "Don't worry, we are comrades in arms. Of course I won't let you kill. You just need to bring Xia Jinsheng to you and cooperate with my people. "

Gu Ge has a sinister plan. She has lost her patience and wants to revenge Xia Jinsheng in the most extreme way. She wants Chu nianwan to bring people here and find a group of people to invade her.

When things are done, Xia Jinsheng is already unclean. At that time, even if Gu Nanchen doesn't mind, what about Gu Laozi? The family doesn't need an unfaithful daughter-in-law.

"You're crazy." After hearing her plan, Chu nianwan's whole body seemed to be washed away by ice water. It was terrible. How could a person's mind be vicious to that extent?

And once it is done, Gu Ge may not be found out, but the person she brought is absolutely inseparable from her. Anyway, Gu Ge will treat her as a desperate situation.

Seeing her struggle, Gu Ge sneered, "you can't do it, but I'll poke it out in detail about you and that Wu Lili woman."

Chu nianwan entered the door in a trance, closed the door powerlessly, and slipped onto the floor. The ground was cold, and her heart was even colder.

But one day, her way seemed to fall into a swamp. The more she struggled, the deeper she sank. The mobile phone kept ringing. It was a string of numbers with only digital remarks.

An old woman's voice came over the phone, "little evening, do you have time? He wants to see you. You know, the doctor said he couldn't be happy anymore... "

"All right, tell me how much it is. I'll call you." She looked at the ceiling in a trance and remembered how weak she had seen the man lying on the hospital bed.

I only remember a shiny head. All the hair on it fell off.

The other end of the phone was silent for a long time. Chu nianwan thought she was measuring the number. Unexpectedly, what she said was, "Xiao Wan, we don't want your money... Doodle"

Before she finished, Chu nianwan hung up directly. Curled up, hugged himself and cried silently.

The person who called her just now is her biological mother, Wu Lili. A long time ago, Chu nianwan found her. From then, he realized the family affection that Gu Jun didn't have. Blood is thicker than water.

Unfortunately, the good times did not last long. His biological father was found to be terminally ill. The daily treatment was a high expenditure. They could not afford to work all year round. Chu nianwan took the initiative to bear the expenditure.

She never dared to let Gu Jun know about it. When she took her back, Gu Jun said, "from now on, you are the one who cares about your family and forget your past. Don't get involved with the people you used to be. "

So she didn't dare let anyone know.

In the nightclub with various lights, Ling Qiaoqiao and Gu Ge sit in a hidden place in the corner and drink together.

"Are you sure Chu nianwan will do it?"

Gu Ge touched her with a glass of wine and couldn't hide his pride in his smile. "You can rest assured. I have evidence of her dealings with previous people."

"Oh, how did you find that man?"

She smiled but didn't speak. It had something to do with one of his cousins. If his girlfriend hadn't taken Chu Yu's necklace at that time, she wouldn't have found such a hidden thing.

At that time, Chu nianwan pawned a lot of jewelry, calligraphy and paintings in his hand, but he didn't spend money lavishly. He just remitted all the money into an account. She found Wu Lili by touching melons along the vine.

The two men smiled with their own thoughts and tacit understanding. At this time, it was less than business hours, but suddenly a man broke in, and the bartender looked at her apologetically.

"Let's divorce." The man took out a document from his briefcase, and the divorce agreement in capital Song typeface shocked everyone.

This absurd and hasty marriage will end in less than half a year, and it was put forward by the man. Gu Ge thinks it's incredible. She didn't want it at the beginning. It's him who keeps trying to plug in.

Now I dare to divorce myself.

"OK." She smiled and signed the agreement, then clapped her hands. Several big men from the bar surrounded the man who had been cut off.

Put down the divorce agreement, Gu Ge turned around, "give me a good lesson, this boy who doesn't know the greatness of heaven and earth."
