

《Sweet Marriage: Smart Cute Wife》

Chapter 169

He said he would do whatever he wanted. When it was time for lunch, he took the initiative to come out of the studio. Qiao qiuruo sure enough had prepared lunch. A full table was full of his favorite tastes.

"You're here. Are you hungry?" Qiao qiuruo looked at him flattered, opened the table and turned to serve him dinner again. The action is skilled and good-looking. It has been done countless times.

Gu Wensheng sat down, looked at her back and said, "qiuruo, go."

Bang hiss——

Suddenly there was a sound of crisp porcelain falling on the ground. Qiao qiuruo's bowl fell to the ground, which also awakened her stuck memory, "I'm sorry, I'm impatient."

He clapped the table angrily, "Qiao qiuruo, please face up to my problem. Don't avoid it. "

When I cleaned up the pieces, I was inadvertently punctured by the porcelain, and the red blood came out. Gu Wensheng tightened his hand and deliberately staggered his sight from looking at her.

"You just... What did that mean? Do you want to dismiss me? "

"Yes, to be honest, you're bothering me."

worry. Qiao qiuruo found that his company for so long was not a problem for him. It was silly of her not to know whether to cry or laugh for a moment.

Tears flowed out inadvertently. She tried to wipe them off, but the more they were wiped, the more they flowed. Gu Wensheng bit his teeth and turned over, holding his hand behind him. "In short, that's it."

Then he left and went back to the studio, where Ann Ruo Ying was painted. When the figure was about to disappear at the corner of the stairs, Qiao qiuruo's voice suddenly

came up:

"I'll leave soon. Don't bother. "

She's not guilty. She just likes that person. But what if he hates himself? Qiao qiuruo never thought about it. She thought it would be good as long as she could stay with him.

The next day, she packed up and went to the studio to say goodbye to him, but Gu Wensheng locked the door and didn't even want to see her at the last side. It was really cruel. Qiao qiuruo was unwilling to touch the cold door.

The door separated them.

Listening to the footsteps getting farther and farther away, Gu Wensheng breathed a sigh of relief, but his heart was a little empty. He didn't study deeply, but he was a little reluctant to leave such a capable assistant.

Suddenly a loud noise broke out in the living room and Qiao qiuruo's scream. Gu Wensheng's heart sank and his body opened the door and ran out in time to think.

"What's the matter?"

Qiao qiuruo smiled bitterly at him on the stairs, "I didn't look at my feet when I left. I fell accidentally."

It made people angry and helpless. Gu Wensheng went to check her situation. When he touched her feet, her whole face was distorted.

"It's over. I twisted my foot."

Because of a sprained foot, when the family doctor came to see him, he said he couldn't get out of bed within ten days and a half months, let alone move casually. So Gu Wensheng kept her.

"You can rest here. Tell me what you want to eat. I won't do it. I'll have the hotel deliver it. " The injury was an accident. It was already like this. Gu Wensheng didn't want to drive her away.

Qiao qiuruo shook her head nervously, "it's OK. I won't pick it. Thank you. " She likes everything Gu Wensheng does. And he made something for her to eat himself, which he didn't dare to think about before.

He let her have a good rest. The door was closed. Qiao qiuruo took back her eyes. She

grabbed the quilt tightly. She didn't tell Gu Wensheng. In fact, she fell down the stairs on purpose.

The secret will rot in her stomach.

At the weekend, Xia Jinsheng and Gu Nanchen were summoned back to the old house by master Gu. Looking at the lively little guy, his eyes were deep, "Yuxiu is four years old?"

"Yes. Next month is her birthday. "

"Well." The old man nodded. Xia Jinsheng sat more and more upright and dangerous. He always felt that he had something in his words. Sure enough, he said in a moment: "do you know any close women around Wensheng?"

Fortunately, she didn't drink water, otherwise she had to spray him on the face now. It was too treacherous. However, she finally understood that Gu Jun saw that the little guys were four years old, and Gu Wensheng was still alone.

To put it bluntly, I want to give him a blind date.

To say that the people close to him, in addition to Ann Ruoying, she knows that one is more than generally interesting to Gu Wensheng. If she can match them together, it will be a good couple.

"I remember Qiao qiuruo always with him."

"The assistant." The old man's face suddenly elongated, "as far as her identity is concerned, she still wants to enter the door of our family. She overestimates her strength."

Xia Jinsheng was unhappy. He thought the old man had changed. Now it seems that rivers and mountains are easy to change, but nature is difficult to change. It turned out that she was despised by Gu Nanchen because she was "unworthy". Now will this encounter fall on Qiao qiuruo again?

In Gu Jun's eyes, as long as his family background is good, it has nothing to do with love.

Her mood was also felt by Gu Nanchen. He held her hand. Gu Jun saw the small movements of the two people and angrily patted the table, "what do you mean? Shake your face with me. I let you here because of Yuxiu. Are you dissatisfied with me? "

Gu Nanchen's eyebrows wrinkled, and Xia Jinsheng's corners of his mouth made a

mocking arc, "yes, dissatisfied, very dissatisfied."

"Am I wrong? The identity of the little assistant also deserves to fly to the branches and become a Phoenix. tell some fantastic tales. A crow is a crow forever. "

The crow behind is not only talking about Qiao qiuruo, but also about her. Xia Jinsheng stood in the street as if she were naked and was pointed at by others. Humiliation filled her heart. From the old man's words, all revealed the contempt for her "mother by woman".

"Old feudal." Xia Jinsheng's anger was hard to calm and whispered.

She is not a clay figurine, but also has a temper. The most annoying thing is Gu Jun's superior attitude, as if everyone had to curry favor with Gu family and obey him.

Bang——

The tea table trembled violently, and the old man slapped it on it, and his eyes shot at Xia Jinsheng like a knife. " _ ea

Did you just say that I didn't hear you? "

I'm afraid you didn't hear me. Xia Jinsheng said silently. The price of being quick witted is to be scolded by the old man pointing at his nose, "get out."

Just go. He doesn't want to come yet. Xia Jinsheng left angrily. Gu Nanchen immediately chased out without delay. The little guy bit his lower lip and tears in his eyes, "I hate you."

The little grandson said he hated it. The old man's angry chest rose and fell back to the sofa. Chu Yu immediately threw his things to see his situation.

I'm just angry, but I'm healthy.

Chu Yu sighed helplessly, "why do you need it? Knowing that children care about their mother, they have been together for so long, don't you agree? "

Hearing the speech, Gu Jun, who was caught, angrily withdrew his eyes to the figure of xiaotuanzi and said nothing.

Xia Jinsheng was angry and walked quickly. Gu Nanchen quickly caught up with her with his long legs. He hugged the people who punched and kicked and shunmao in his arms, "well, it's not the first time you know that dad is that kind of temperament."

She really stopped, and her hands hung quietly on both sides. When the little guy came over, she saw this scene and walked quietly to hold their hands.

The family went home hand in hand. The old man arranged a blind date for Gu Wensheng. Gu Nanchen didn't want Xia Jinsheng to be wronged because of this matter. So I've been preventing her from helping.

In this regard, Xia Jinsheng complained more than once, "you are too overbearing. At the beginning, my eldest brother helped me a lot."

"Oh?" After a simple syllable is elongated, it has many deep and long meanings. It's OK not to mention the original thing. It reminds Gu Nanchen of the fact that Gu Wensheng helped her hide the existence of the little guy.

Even at the beginning, he even lied to him. I can still remember what Gu Wensheng was his own father. Thinking of this, Gu Nanchen's eyes became more and more "friendly".

Cough, Xia Jinsheng was guilty and didn't open his face. Obviously, he remembered his glorious deeds. Now it seems that it's impossible to expect him. I can only pray that Gu Wensheng only wants more blessings.

Just thinking so, Gu Wensheng called. The voice from the phone was very flustered, "Jinsheng, it's over. The old man seems to know the existence of Ruo Ying... "

Xia Jinsheng's cell phone fell to the ground, and his words kept circulating in his mind. Do you know that an Ruoying also means that he knows that the two people have been secretly married?

"Why are you sweating?"

While talking, Gu Nanchen put down the document and walked to her. He was about to wipe her sweat. Xia Jinsheng grabbed his hand.

"You have to help brother this time."

She just tore her face with the old man on impulse. Now returning to the old house is like adding fuel to the fire. At that time, he may be more angry. So only let Gu Nanchen help.

Anyway, Gu Nanchen's voice in Gu's family can't be ignored. The old man can't ignore his feelings.

"What's the advantage of asking me for help?"

The man's lazy voice was full of fun, and his eyes were full of bad smiles. He didn't know what bad ideas were hidden in his stomach. Xia Jinsheng almost spat old blood on his face.

Take advantage of the fire, this is absolutely forced to take advantage of the fire.

"Is it necessary for the family to distinguish so clearly?" Xia Jinsheng blinked at him, hoping that he could change his mind.

It's not easy to come up with conditions that move Gu Nanchen on the rich side.

"Brother, settle accounts."

Brother, he and Gu Wensheng are really brothers. But why should Gu Wensheng's account be charged to her? It's not fair.

People under the eaves have to bow their heads.

She quickly recognized the current situation, reluctantly nodded and squeezed out word by word from her teeth, "as long as you help, you can do whatever you want."

Gu Nanchen's face burst into a smile. In an instant, the world lost its color, "don't force yourself."

"Not reluctantly. Not at all. " That's weird! Xia Jinsheng's facial muscles are sore with a fake smile. What is cheap and good? That's Gu Nanchen now.

He soon set out to return to his old house. Xia Jinsheng continued to be busy in the company. It's time to prepare for the launch of new products in the next quarter. It's best to make a hit at fame.

The company is busy, she goes to school less and less, and her tutor has also communicated with her, hoping to focus on her studies. Xia Jinsheng knows that she has not a solid foundation and plans to concentrate on going to school after this busy period. In this situation, Lu Songhuo impolitely urged her to help pursue song yuezheng. Xia Jinsheng took Gu Nanchen's look and blackmailed him before taking action. During the lunch break, she came to the coffee shop. As soon as she got off the bus, she found an unexpected figure, song Taose. Although she denied that it had nothing to do with song yuezheng, Xia Jinsheng didn't see the two people in private for the first time. Suddenly she was in a little mood. Since she met, why did song yuezheng hide it from her? Have the two met in private? If so, does it mean that song yuezheng doesn't trust her at all and treats her as a friend? Song Taose seems to be leaving. Xia Jinsheng doesn't know what to think. He doesn't want to run into her. He

dodges first and enters the coffee shop after she leaves. Jingya's shop is no different from usual. The sun shines through the floor glass window, and song yuezheng is bathed in a layer of light golden light. Then she showed a warm smile to Xia Jinsheng, who soon released the little unhappiness in her heart. Everyone has his own little secret. She should respect it.
