

# 《Sweet Marriage: Smart Cute Wife》

## Chapter 175

The so-called good things don't go out, bad things spread thousands of miles.

Xia Jinsheng and Gu Nanchen soon learned what happened between Gu Wensheng and Chu nianwan. The two men fell into silence.

I can't help worrying, but they still took into account Gu Wensheng's face and didn't show up, and the relationship between the two people is a certainty.

When Gu Wensheng woke up, Chu nianwan curled up in the corner of the wall. Bei Chi bit his lower lip white, and his eyes were empty, like a helpless little beast. Her clothes were all ragged, and her exposed skin was blue and purple.

Now he is sober and remembers everything. Looking at his atrocities, Gu Wensheng went over and put his shirt over her.

She shrank in fear. Gu Wensheng put on her clothes and immediately stood far away. He was ready to go out.

At this time, Chu nianwan suddenly jumped up from the ground, grabbed his hand and was very afraid, "the old man is right below."

Then she let go of her hand and took a few steps back. She was too frightened. Gu Wensheng blamed himself, "don't worry, I'll solve the problem."

Before going out, he took a look at the studio full of portraits of ANN Ruo Ying. He was full of sarcasm and silently said sorry. He didn't have the courage to look at those innocent eyes anymore.

Chu nianwan bit her lip. She seemed to know what Gu Wensheng was going to do. For a moment, she didn't know what to think.

Downstairs, Gu Wensheng stood silently in front of Gu Jun. the old man blew his

beard and stared angrily, and hit him on the leg with his crutch.

"Evil son, kneel down."

He did. Without saying a word, Gu Jun was very angry. The old man beat him again and again. Chu Yu was sent to the hospital.

Now no one dares to stop him. He knocks on Gu Wensheng's back one by one. The latter refuses to beg for mercy. He snorts only when he is in severe pain.

"You said, how could you do such a rebellious thing? Where did you put my old face?"

The more he thought about it, the more angry Gu Jun became. Gu Wensheng was sweating on his forehead. He almost knew this was the case after he woke up. Qiao qiuruo, who fled, is the best proof. He couldn't believe she was so extreme.

But he can't say that Qiao qiuruo will never be better.

The old man finally got old. After a while, he was a little weak. He was unwilling to kick him. "Have you figured out how to solve it for me?"

"I know." Gu Wensheng bit his teeth. "I'll marry you later."

Such a thing has an inseparable relationship with him. Chu nianwan is an innocent victim involved in it.

Although the old man's heart is not slow, he can't do anything now. Fortunately, Chu Nian knows his roots late and is a candidate for a good daughter-in-law.

From an adopted daughter to a daughter-in-law, he didn't know what outsiders should think of their family. He thought of Gu Nanchen and couldn't help sighing.

Both of them are so inconvenient.

The news of Gu Wensheng's engagement to Chu nianwan spread like wildfire. The family was busy with their affairs. Only two parties were as indifferent as nobody.

Xia Jinsheng also received an invitation. The engagement banquet will be held on the 15th of next month. She was very upset for a moment. Gu Wensheng only knows about Ann Ruoying. I'm afraid it's more out of a sense of responsibility.

But why did Chu nianwan agree to this marriage? Doesn't she like Gu Nanchen? Will there really be no problem in the future when such two people don't like each other?

The more she thought about it, the more worried she was. She decided to go to Gu Wensheng. Just downstairs, he ran into Xiaojia and Gu Nanchen, "where are you going?"

"Big brother."

"No, I've just been there. Drunk and unconscious. "

In the final analysis, they are all brothers. How could Gu Wensheng not show concern when something like this happened, but the result was too disappointing.

Although the house was clean and tidy, the overwhelming smell of wine was unbearable. Gu Nanchen just looked at it and came back with the little guy in his arms.

Brought a man back, Qiao qiuruo.

"Qiu Ruo, don't you know what's going on?" Xia Jinsheng feels that she has been around Gu Wensheng and must know a lot, but now Qiao qiuruo doesn't say a word except tears.

Unable to find the focus, she looked like a broken doll. She looked at Gu Nanchen and had to let her rest in the guest room first.

When passing by, Xia Jinsheng's eyes stagnated. There is a red mark on Qiao qiuruo's neck. It looks like a kiss mark.

She felt more and more that something was wrong. As soon as Gu Nanchen came down, he couldn't help holding his hand and asked, "where did you meet her? From the beginning? "

Gu Nanchen nodded and said, "what I met outside the door, big brother won't let her in."

She stopped talking, but she had her own thoughts in her heart.

Early the next morning, Xia Jinsheng got up and made breakfast. Thinking that Qiao qiuruo didn't have dinner last night, she was going to call her up. There was only an empty room waiting for her.

Gu Nanchen came down in his pajamas, glanced at the room and explained to her, "I left last night." At that time, Qiao qiuruo took the initiative to knock on the door to say goodbye and told him the truth in tears.

At that time, Xia Jinsheng was sleeping soundly. Gu Nanchen didn't wake her up. Now he saw her looking for someone to remember. But now he doesn't intend to let Xia Jinsheng know.

"Where can she go alone?"

Worried that she would be wronged outside alone, Xia Jinsheng pulled her eyebrows together, and Gu Nanchen sat down at the table, "who knows?"

"Can't you be more friendly and care for the people around you?"

Gu Nanchen immediately stuffed her with a sandwich and told her, "eat quickly. It's bad for your stomach." In his eyes, he really wrote 'I care about you enough'.

I couldn't help rolling my eyes. In fact, Xia Jinsheng understood that Qiao qiuruo's heart was not here, and it was useless for Qiang to stay. This embarrassing situation at present may be the best time to leave.

She inevitably thought of herself. If Gu Nanchen hadn't threatened and lured her to get her license, would she be like Qiao qiuruo and watch the person she likes marry someone else.

"If I didn't marry you, would you marry someone else?" Xia Jinsheng suddenly tangled with this question. Although it was just an idea in her mind for a moment, she couldn't be at ease until she had a definite answer.

Gu Nanchen raised his eyes to see her and took back his eyes. He didn't say a word. Xia Jinsheng felt the play on her from inside. Does this guy really despise his IQ?

Before she got angry, the little guy jumped down, ran to the table and sniffed hard, smashed it and smashed it in the mouth, "it smells good. I'm hungry."

"Xiaotuan Zi, you haven't brushed your teeth and washed your face yet. Put it down and wash it before you eat. "

"Where?" Xia Yuxiu blinked innocently. Unexpectedly, Xia Jinsheng's attention was all on the small yellow grain in the corner of her eye. Without saying a word, he threw her collar into the bathroom, "wipe your eye droppings and lie to my mother."

The little guy made a face at her reluctantly. The weather turned cold in autumn, and she was more and more reluctant to touch the water.

Sometimes, you can't wash without washing.

"She inherited it from you." Gu Nanchen smiled in his eyes and suddenly remembered that Xia Jinsheng had just come to him.

Like a cat with its tail trampled on, Xia Jinsheng jumped angrily. Where would he admit that the little guy followed her, "nonsense, there must be something wrong with your gene. I'm so good, gene is first-class. "

Knowing that it made people angry, Gu Nanchen began to smooth their hair, "yes, your genes are the best."

"Hum, just know." Xia Jinsheng cocked up his small face and cocked his tail into the sky. He couldn't be proud.

On the other side, Qiao qiuruo knelt outside Gu Wensheng's villa after coming out of Gu Nanchen. He refused to see her, so he knelt until he was willing to see her.

The dew was heavy in the morning and she knelt all night. At this time, she only felt top heavy and light. Qiao qiuruo always shook her head and beat her spirit when she was teetering.

With the sound of opening the door, Gu Wensheng finally appeared with a dark face.

"What else are you doing here? You've been dismissed. Go as far as possible, or I'll call security. "

Qiao qiuruo almost knelt on the ground and "walked" in front of him. He didn't care that his knee was worn out with blood, "I'm sorry, I didn't mean it. I just like you very much. "

"Can I do whatever I like?" Gu Wensheng frowned and pushed her away. His eyes were blue. He forced himself not to look at her heartbreaking eyes, "Qiao qiuruo, you really let me down."

For a moment, it was like being drained of his soul. Qiao qiuruo was paralyzed on the ground, with tears gurgling and only a slight murmur left in his mouth:

"I'm sorry, I shouldn't have listened to the instigation to drug you. I just want to lose myself to you and think you will take responsibility. I didn't expect it to be like this. I'm sorry... "

"What are you talking about?" The third man's voice suddenly burst in. After listening to it for a while, Chu nianwan in the corner suddenly rushed out and grabbed her collar. "You just said you drugged him, didn't you? Bitch. "

Before the words fell, she slapped Qiao qiuruo in the face, slapping and slapping. Even if her palm was numb, she didn't intend to stop.

It was all her. It was her hidden evil intention that made her lose her life to Gu Wensheng and had to give up Gu Nanchen. Chu nianwan only wants to destroy her own people, and she won't make this person feel better.

Her eyes were fierce, and her hands had strangled her neck. I wish she would die immediately.

It's hard to die. Qiao qiuruo doesn't resist. It seems that he wants to die with all his heart. This idea made Gu Wensheng feel bored. His body had grabbed Chu nianwan's hand and scolded: "enough, let her go."

At this moment, Chu nianwan has been blocked by the devil. Where can he listen to his words, his men are working harder and harder. Qiao qiuruo's face looks like a cooked lobster and his body is red.

It would be more and more difficult, and her eyes began to turn out, revealing a terrible white. Seeing this, Gu Wensheng's heart hurt. Now he is really angry.

As soon as he tried his hand, Chu nianwan couldn't work hard because of the pain, and then he pushed him aside. In order to prevent her from pestering again, Gu Wensheng first hugged Qiao qiuruo in his arms.
