

《Sweet Marriage: Smart Cute Wife》

Chapter 178

The little guy doesn't understand the world of adults. She only knows that there are many delicious food. Xia Jinsheng noticed that her belly was full at that time.

"Gu Nanchen, your daughter has eaten too much again." Xia Jinsheng tried to restrain herself from getting angry with the little guy, or she would have to hit her little ass.

Hearing the speech, many people on the guest table glanced at the little guy's stomach, and the little Tuan felt shy. The tablecloth covered their sight.

"I didn't eat much."

The feeble excuse makes others want to laugh from their heart. The little guy is not happy. Let you laugh. I'll go and see who you laugh at.

She jumped out of her chair and began to walk out. Her parents were so bad that she was going to find food at her grandparents' table.

Seeing that the little guy went to Gu Jun's table, Xia Jinsheng didn't take it to heart and continued to chat with others.

Half an hour later, someone suddenly sent an anonymous text message on her mobile phone: you want your daughter to live and prepare a ransom of \$10 million for me.

She was so frightened that her mobile phone fell out of her hand. Her eyes were already in the adult world. The little guy didn't understand. She only knew that there were many delicious food. Xia Jinsheng noticed that her belly was full by the time she noticed.

Half an hour later, someone suddenly sent an anonymous text message on her mobile phone: you want your daughter to live and prepare a ransom of \$10 million for me.

She was so frightened that her mobile phone fell out of her hand that her eyes began to look for the figure of the little guy for the first time. Gu Jun was not around, and the other tables were not around.

The heart is half cold and anxious. The little guy won't really be kidnapped, will he? Some of the people who come here may fish in troubled waters with bad intentions.

She denounced her carelessness and couldn't sit down at all. She hurried to find the little guy. Gu Nanchen noticed her difference for the first time.

Including seeing the text message, the matter can not be extended for the time being. On the one hand, it will cause a sensation and destroy Gu Wensheng's engagement banquet. On the other hand, it is worried that the kidnappers will be forced to jump over the wall.

"What about that?" Xia Jinsheng is now in a state of unconsciousness, subconsciously taking Gu Nanchen as her spiritual pillar.

Gu Nanchen pursed his lips and thought for a while before saying, "don't worry, give me your cell phone." Xia Jinsheng's mobile phone was already in his hand before the voice fell.

"What's the matter?"

The couple's serious and eager appearance makes others curious. What happened to make them so flustered?

"Little guy, she was kidnapped." Shua, Xia Jinsheng's tears came out and scared the others. Just about to go out to help, Xia Jinsheng ran in with Mo Nanfeng's hand, "Mommy."

Now they were all covered. The geese at the table attracted special attention in the

banquet. Xia Jinsheng felt the dissatisfied sight of the old man and pulled the little guy out.

The cool night wind dissipated the restlessness at the bottom of my heart and hugged the lost baby tightly in her arms. Only then did she think of asking about the cause and effect.

"It was Mo Nanfeng who happened to bring the little guy back." Gu Nanchen and Mo Nanfeng came out together. It turned out that the little guy was really kidnapped. After the kidnapper hurriedly sent a text message, he wanted to leave ahead of time with a small group.

In the parking lot behind the hotel, Mo Nanfeng accidentally glanced at the picture of the kidnapper man dragging the little guy away. Knock people out from behind and call the security guard to take them to the police station.

When checking the little guy's body, Xia Jinsheng found cyan red marks on her wrist, which immediately distressed her.

Who is so cruel to such a small child for money? Gu Nanchen has sent Qin Wen to the public security bureau to deal with this matter. I believe there will be results soon.

"Dare to lay hands on our little ball and let him go." Lu Songhuo coaxed the little guy with a playful smile.

When everyone was relieved, the sound of kicking over the mineral water bottle suddenly sounded in the dark, like a frightened hedgehog. They were on guard.

"Who's there? Come out. "

Gu Nanchen recognized the sound at the corner of the stairs for the first time. When he ran after it, he only saw a flustered blue figure.

Several men in front of him catch up tacitly. Song Yuezheng doesn't know what he sees. The expression on his face is very strange. Xia Jinsheng thought she was frightened and cared for a few words, but she quickly shook her head to show that she was all right.

The involuntarily frowned eyebrows didn't seem to be all right, just because Xia Jinsheng was only a little guy and didn't find anything wrong with her.

It wasn't long before Gu Nanchen came back. The eavesdroppers ran too fast to hide and didn't catch up. Qin Wen also had results.

The identity of the person who wants to kidnap and blackmail is a little special. The surname is related to an Ruoying. Thinking of Gu Wensheng's engagement, Xia Jinsheng believes that this is a premeditated kidnapping.

The wind and grass soon spread to Gu Jun's ears. The old man was furious. He taught him a lesson in the Bureau and won't come out in the short term.

In terms of business, he also ordered the company to refuse to cooperate with the settlement, and even deliberately let Gu Nanchen suppress it. Gu Nanchen didn't agree for the time being. He had to consider his brother's opinion.

Gu Wensheng took the initiative to ask Gu Nanchen to let go and settle down. As a result, Xia Jinsheng had expected that the little guy was his own daughter. No parents in the world could tolerate this kind of thing.

"Brother, you have to think clearly." Xia Jinsheng knows the inside story, mostly because of an Ruoying's relationship. She really wanted to ask if it was worth it.

Even if she died that year, Ann Ruo Ying personally admitted in front of her that she had no feelings for him. Gu Wensheng's love is just a tragedy of family marriage for an Ruoying.

"The man who settled down came to you?"

Gu Nanchen is more rational than Xia Jinsheng. The old man deliberately kept Gu Wensheng from settling down. Their husband and wife didn't say anything, but the people who settled down begged him.

"Yes." Gu Wensheng bit his lip and confessed, "the little guy is all right. Can't you turn big things into small ones?"

There was a little more blame in his words. He liked Ann Ruo Ying, Aiwu and Wulian to indulge with the people who settled down. His tone immediately made Xia Jinsheng unhappy.

Why do you say they're messing around?

"It's all right. It's because Mo Nanfeng met by chance. What if there was no him?" Just imagine that there was no Mo Nanfeng the night before yesterday. Her blood was frozen and difficult to flow.

Gu Wensheng, who should have been closer to them, turned his elbow out. No matter how good his temper was, he couldn't bear the grievance.

Gu Nanchen is wholehearted with Xia Jinsheng. He also feels that he is too good to an ruojing and her family. "I will promise not to settle down, but the kidnappers must be held accountable."

Upon hearing this, Gu Wensheng was in a hurry. The appearance of his former mother-in-law crying for his help appeared in her mind, and her tone increased a lot. "No, he's not a kidnapper. He's Sakura's brother, that's my brother."

Hopeless, Gu Nanchen frowned and patted the table, and gave a cold drink:

"Gu Wensheng, Yuxiu is still your niece!"

The two people's eyes were facing each other, and the invisible current crackled in the air. Gu Wensheng was guilty in the end, and soon his eyes flashed away.

Being sulky, Xia Jinsheng was too lazy to persuade. She believed that Gu Nanchen would have a good sense of propriety. At this time, Chu nianwan walked into the living room and said, "do what you should do, don't listen to him."

Gu Wensheng's face was unimaginable. His nominally fiancée actually stood on his brother's side. He remembered that it was rumored that Chu nianwan liked Gu Nanchen, and his eyes were particularly dark.

"Why did you come here?"

"You can come. Why can't I come?" Chu nianwan lightly blocked his words, and Gu Wensheng left angrily.

After he left, Chu nianwan gave Gu Nanchen something. Xia Jinsheng was very curious about what was inside. Should it be a love letter or a token of love?

She couldn't help looking. Chu nianwan suddenly stared at her, "don't peek."

Asking for nothing, Xia Jinsheng touched his nose and tried to persuade himself not to think more. His heart was slightly sour. What the hell? Ferocious. It's like a different person after engagement.

Gu Nanchen looked at Chu nianwan and wanted to find something on her face. Unfortunately, there was nothing but her playful smile. She specially came to deliver things. After sending them, she was going to leave. When she saw the jealousy on Xia Jinsheng's face, she temporarily changed her mind.

After holding Xia Jinsheng, he lowered his voice and said to her, "he won't tell you after reading it, will he? You're not the only one he likes. "

"He loves me." Xia Jinsheng was eager to argue with her. Chu nianwan was stunned for a second and patted her on the shoulder, "isn't it? I hope you can always be so confident. "

The calm heart lake was stirred in a mess. What made Xia Jinsheng angry was that Chu nianwan left with a smile. After she left, Gu Nanchen went into the study with the door locked.

He watched a video in his room, more accurately, a surveillance camera. It was in the restaurant where Gu Wensheng was engaged. It recorded the scene that Xia Jinsheng took the little guy out for questioning. He remembered someone eavesdropping at this time.

When the incident happened that night, Xia Jinsheng was greatly frightened again. He remembered that there was a surveillance camera the next morning and asked Qin Wen to pick up the video, but he learned that someone had taken it long ago.

I didn't expect to be in Chu nianwan's hand. Does that mean she... Soon, Gu Nanchen's guess was rejected. The person standing at the corner of the stairs was song Taose.

Remembering her relationship with song yuezheng, Gu Wensheng called Lu Songhuo, "Song Taose went to the wedding banquet the day before yesterday?"

"Yes, I gave the invitation." Lu Songhuo answered honestly, vaguely aware of something wrong, and asked again, "what's the matter?"

"Why did you give her an invitation?" "She is yuezheng's sister. " And the invitation letter was also requested by song Taose at that time, and song yuezheng also asked him for help. In order to please his girlfriend, Lu Songhuo didn't think it was a big deal. Now it seems that it is not only something, but also a big thing. Otherwise, Gu Nanchen will not call him in person " Sister, isn't song Taose unwilling to recognize song yuezheng? " "Huh? What do you know? " Gu Nanchen didn't expect that Lu Songhuo didn't even know about it. He thought he was hidden from the drum. He simply hung up and asked Qin Wen to go to the police station to find someone to ask the truth. He didn't know. When Lu Songhuo answered the phone, song yuezheng was nearby. When he heard him ask song Taose, his face was pale.
