

《Sweet Marriage: Smart Cute Wife》

Chapter 179

"What's the matter with you? You look so ugly. " Lu Songhuo took care of herself and put her hand on song yuezheng's forehead. The mobile phone screen in her hand was still on, and her eyes had been focused on it.

Can't help but think of what Gu Nanchen said to himself. Lu Songhuo simply asked, "just now Gu Nanchen said that song Taose didn't recognize you. What's the matter?"

Pitifully, she was speechless, lowered her head and looked gloomy. From the moment she knew it was Gu Nanchen, she knew that she could not contain the fire in the end.

That night, only she recognized that the eavesdropper was song Taose. Her intuition told her that there was nothing good. Song yuezheng chose to hide it.

Xia Jinsheng is very kind to her. No matter how good she is, it's better than her longing for family affection. So she didn't say anything. She asked song Taose about it in private. As a result, she didn't get tired of it.

Song yuezheng couldn't stop thinking, why did she recognize herself at that time? I still remember that she had just been with Lu Songhuo and was caught by her.

Even if she knew that she was using herself, song yuezheng couldn't help being good to her. They were relatives. Dad's last wish is to find her relatives and be happy.

Lu Songhuo saw it in his eyes and was anxious in his heart. Gu Nanchen's words just made him dizzy. Now his girlfriend is not honest, which made him feel frustrated.

As if I had never known her, I didn't even know her family. A small hidden danger has been buried at this time.

On the other hand, Qin Wen soon got the news. The man who kidnapped the little guy was an Chen. He had no intention but to make a big wedding banquet to revenge Gu Wensheng.

But on the way, a woman suddenly found out that he was going to set fire, and gave him the idea to blackmail his family. That woman is song peach.

"I know about it. I'll teach someone a hard lesson and let him suffer." Gu Nanchen frowned. How to deal with Song Peach still needs to be considered.

No wonder Chu Nianwan didn't let Xia Jinsheng watch the video when he gave it to him. From the perspective of her relationship with Song Yuezheng, she must be merciful.

"Didn't Song Taose turn his face and don't recognize people before?"

In the end, he is a senior assistant with an annual salary of millions. As early as Gu Nanchen asked him to investigate, he checked all the information of Song Taose and responded freely, "because Song Yuezheng is with Mr. Lu..."

He didn't finish the following words, but Gu Nanchen already knew that after the two were together, she was somehow Song Yuezheng's cherished family, which was naturally profitable.

"Try to make her suffer. Don't let her know about it."

"Yes, I know what to do."

When Gu Nanchen opened the door, Xia Jinsheng was lying on the door and falling in. If he didn't hold her, she must fall to the ground.

"What are you doing?" Gu Nanchen looked at the blush on her face. Xia Jinsheng moved and stood still, "eavesdropping."

It's eavesdropping, or the kind that's especially reasonable. Chu Nianwan's words hovered in her mind like a magic sound. She admitted that she was a little jealous.

Even made all kinds of guesses about another person Gu Nanchen might like. Maybe it's the first love without end in college. What you can't get is always the best. It's hard to forget.

It's uncertain when the sky will drop dog blood. When the two meet again, she will be shaken out of the third inning. No, the more you think about it, the more dangerous it is. Xia Jinsheng, who was frightened by himself, decided to eavesdrop.

The mistake was that the sound insulation of the house was so good that she didn't hear anything.

"Do you want to revive your first love?"

"First love?" Gu Nanchen didn't understand what she said for a moment and a half. Xia

Jinsheng just thought he was deliberately pretending to be confused and became more angry, "go live with your little lover."

After that, without giving Gu Nanchen an opportunity to explain, he angrily ran out of the room. The little guy who had just come back from the outside was no wonder, "Daddy, did you make Mommy angry again?"

If so, it's good, but he doesn't know what's wrong with him now. Let people die and understand, okay?

When he chased out slowly, Xia Jinsheng had no figure for a long time, because Mo Nanfeng sent the little guy back. As a result, he took her with him.

Hearing the news from the housekeeper, Gu Nanchen was relieved at first, then frowned and thought about the whole thing.

Chu Nian should have said something to her when she left late that made her misunderstand. He can apologize. However, Xia Jinsheng refused to give him this opportunity and turned it off directly. He doesn't know where Mo Nanfeng lives.

Fortunately, Mo Nanfeng will not be interested in Xia Jinsheng.

"Are you sure you want to run away from home?" Mo Nanfeng sighed. When Xia Jinsheng came out, the first thing he said to him was to run away from home. The look on her face was very hesitant.

He was just asking at will. In Xia Jinsheng's view, it was like a fierce general. He pricked his whole body and said, "of course, who wants to go back and live with his half hearted man?"

be of two minds? Mo Nanfeng thought about this word carefully. It's very contrary to Gu Nanchen's use. Is there any misunderstanding?

In his early years, the media called him "friend of women", because the unified tone of all women who worked with him was, "Hey, Monan, isn't it? He is a very gentle person, just like my sister. "

Now he used Xia Jinsheng's skill of dealing with women. It didn't take much effort to know the whole context.

"Do you like your rival or your man?"

Xia Jinsheng's beautiful eyes opened angrily. Is there any comparability between the two? Of course, Gu Nanchen, okay? Ignoring Xia Jinsheng's idiotic gaze, Mo Nanfeng

shook his head and said:

"In that case, why would you rather believe in your rival than your lover?"

Speechless, the heart suddenly touched, the heart is full of mixed feelings.

Seeing that she had become loose, Mo Nanfeng proposed to send her back. Xia Jinsheng shook her head like a rattle, and it was she who wanted to come out, "now it's too shameless to go back."

She struggled to bite her lips. Although she realized that it was her own problem, face was a problem that could not be ignored.

Mo Nanfeng knew that her awkward temper was the same as that of her own family. Without thinking about it, he took her back as a stray cat.

Xia Jinsheng had guessed many times before what his house would be like for the rest of his life. When he arrived, he found that it was a good apartment in city A. They only buy one floor. The layout of the house is very warm.

She was surprised that the two men's home would be so home and enjoyable. Mo Nanfeng took off his coat and put it on the hanger at will. "At ordinary times, ah Sheng is cleaning up. I'm the one who is despised."

"Oh? I thought he would only hurt others. " Unexpectedly, there is a virtuous and virtuous side, which is in contrast to the image in the past.

"What do you mean I only hurt others?" Before Mo Nanfeng could close the door, the voice of the rest of his life appeared outside the door. Obviously, I listened to the conversation without missing a word.

He walked in a hurry, and fine beads of sweat came out on his forehead. Mo Nanfeng thoughtfully wiped it clean for him, and his tone was a little complaining, "how did you sweat so much?"

"..." he will tell the security guard that Mo Nanfeng brought back a beautiful fairy today. Is he in a hurry to catch the traitor?

After seeing Xia Jinsheng's eyes, he was eager to pay attention to every move here. He swallowed saliva for the rest of his life. He promised not to say anything about it.

"Why are you here? Have you been kicked out? "

For the rest of his life, his mouth was not ordinary poison. He poked every word into

Xia Jinsheng's heart. She was like a balloon full of air, and the needle burst with a bang. You're welcome, reverse lip Abas:

"Why can't I come? Let you be proud and charming. If you want to hold it high, I can't?"

She was talking about the period of the rest of her life with Mo Nanfeng, because should she make trouble? At that time, she hid in her for the rest of her life. Now on the contrary, I have to be "bullied" by him.

Liver fire is called a vigorous.

For the rest of her life, I also understood that she should be making trouble with Gu Nanchen and asking him to comfort people... It doesn't exist.

"Just can't. the chest is not as big as me and the ass is not as warped as me. What's your meaning?"

Xia Jinsheng almost spewed out a mouthful of old blood to say goodbye to the world. Unexpectedly, he was despised by a man. What's more depressing is that what he said for the rest of his life is reasonable.

She just didn't! He! Big!

The line of sight fell on Mo Nanfeng again. He turned his mouth and said in his heart: what about the warped ass? It's not the material to be pressed.

"What do you mean by your corny eyes?"

"Bah, you're a cockeye."

Mo Nanfeng looked spoiled and helpless. He watched them fighting. He had enough of a living treasure at home. Now there is one more, and it's turned upside down.

In the evening, one of the top entertainment magazines in city published a photo of Xia Jinsheng and Mo Nanfeng talking and laughing in the car.

There are more pictures on the Internet. Along the way, a reporter took pictures outside the private apartment community. The blogger gave an eye-catching title to this series of photos - singer Mo Nanfeng met his girlfriend privately, and Mo Nanfeng cried and fainted in the toilet.

There are many sorrows under the microblog. Fans can't believe the news is true. They denounce Xia Jinsheng one after another. In particular, some people deliberately incite

the flames by pretending to be CP powder and scold Xia Jinsheng's scheming bitch. At the same time, they step on Mo Nanfeng.

Among them, there are some people with weak will to follow suit. Xia Jinsheng also learned the news at dinner. He was worried, "won't this affect you?"

Mo Nanfeng just finished reporting to his agent and shook his head, "don't worry, it's just a small fight. If someone is black, it means you are red. "

He was really popular. Half an hour later, someone still held on to this matter, and even made up that Xia Jinsheng was Mo Nanfeng's underground girlfriend. Both of them had children.

At that time, the picture of the airport holding the little guy for the rest of his life was dug out again. Although the little guy's face is not clear, his face for the rest of his life is high-definition enough.

The little guy was identified as Mo Nanfeng and her children and handed over to the rest of his life during his business trip.

This illogical remark was still believed. The more Xia Jinsheng brushed his microblog, the more he was amazed. "Were the brains of those reporters eaten by dogs? I can write such a thing. "“ Your was eaten. Even if they know, they won't say it, just to rub the heat. The more dog blood, the more bonus. "
