

《Sweet Marriage: Smart Cute Wife》

Chapter 181

After waking up, it was almost an afternoon, and the sun sprinkled on the body. Gu Nanchen was not at home at this time, but considerate asked the nanny to prepare light porridge for her.

When she went downstairs, the frowning song yuezheng was led in by the housekeeper. She thought something unhappy had happened to her. She immediately couldn't even care about herself and walked over with her waist. "What's the matter with you?"

Which think song yuezheng suddenly flopped down on her knees, and the sound of kneecap knocking on the floor just hurt.

"What happened? Will you get up first?" Xia Jinsheng picked her up and song yuezheng gestured a sign language. The little guy is not here now. She can't understand it at all.

I had to ask the housekeeper to find a paper and pen to write for her. What she wrote was: please let song Taose go. I apologize for what she did. I'm sorry.

Xia Jinsheng looked at the clouds. When did she get involved with song Taose? She was patient with one problem after another. After communicating with song yuezheng clearly, she understood what had happened.

Think of Gu Nanchen's strangeness yesterday, maybe it is related to this matter. After I promised her, I only ate a bowl of porridge and hurried back to the company.

Of course, I didn't ask Gu Nanchen to question, but concentrate on work. After a period of low back injury, the workload accumulated was not light. Fortunately, Gu ya'er helped her share some.

As early as song yuezheng came home, Gu Nanchen learned the news and thought Xia Jinsheng would come and question. Unexpectedly, she quietly thought that nothing had happened.

At this time, it's over. Gu Nanchen plans to explain to Xia Jinsheng after work. Unexpectedly, she ignores him and goes straight to Mo Nanfeng's car to drill in.

It's over. I must be angry again. This is, but suddenly burst out from behind, "Xia Jinsheng, what are you doing?"

It's Chu Yu. Now the old man's face is full of anger and the rhythm of mountain rain is coming. Xia Jinsheng's heart cluttered and screamed. It's not good. This time, he really took off.

She didn't dare to take another step. She stood in front of the door to be trained. Gu Nanchen joked in her eyes and slowly moved in front of her.

Chu Yu was very angry, especially the picture of her daughter-in-law in the same frame with other men appeared in the evening paper yesterday. Gu Ge told her what happened on her microblog.

She came to the company to ask Gu Nanchen to discipline her daughter-in-law. As a result, she saw Xia Jinsheng walking in front and her second son chasing after her. Now she has to drill into another man's car.

The worry of dozens of days ago returned to her stomach. She couldn't help reprimanding people. People came and went in front of the company and didn't leave Xia Jinsheng any face.

"Is that how you are a daughter-in-law? You don't have any duty to pull and pull with other men. You've lost your face to take care of your family. "

"..." what did she do to be ridiculed like this? Remembering the appointment with Mo Nanfeng, she was full of grievances and bit her lower lip without saying a word.

"Mom, don't say..." Gu Nanchen saw several Xia Jinsheng's staff coming. Now her self-esteem should be beaten and the war between her mother-in-law and daughter-in-law should be stopped.

Before he finished, Chu Yu was even more reluctant, "why can't I say that I'm your elder, can't the elder teach the younger generation? Nan Chen, I'm your mother. "

"Mom, Jin Sheng is also your daughter-in-law."

"I don't have such a daughter-in-law." Chu Yu said what he thought for a moment. Gu Nanchen frowned and looked at her unhappily. Xia Jinsheng lowered his head.

Even if she was unjustified, she couldn't save face to apologize. She hardened her head and continued: "I'm like her. I don't have a sensible daughter-in-law. I don't let me see my granddaughter and hook up with other men. We can't afford to lose this person."

The staff who came and went couldn't help but cast their eyes and sighed in their hearts. It turned out that Xia Jinsheng was such an image at home, which was really pretended in the company.

One of the girls looked at Xia Jinsheng with an inquisitive eye. Xia Jinsheng was uncomfortable and had a burning pain on her face. She is very optimistic about that girl and even plans to train her in the company.

The girl has always admired her and should be very disappointed now.

More disappointed was Xia Jinsheng herself. She felt that it didn't matter what explanation she did now. Not only in the old man's heart, but also Chu Yu began to think that she instigated xiaotuanzi not to meet them.

She's also a fickle woman who seduces men everywhere.

Her back was as heavy as a five finger mountain. She sat in the car and said to Mo Nanfeng, "let's go."

Gu Nanchen wanted to stop her, but she was tripped by Chu Yu's voice "Nanchen, you want to kill me". The old lady has begun to cover her heart now. He doesn't doubt that as long as she takes another step forward, she will faint in front of him the next second.

He can't follow up, really or pretend. Can only watch her gradually disappear from sight.

The heart was pulled tightly by a big hand. Gu Nanchen turned back and looked at Chu Yu without saying a word. She was seen guilty. She had a daughter-in-law and forgot her mother. Her heart was sour.

"What's good about her? If you divorce, mom will find you a gentle and virtuous woman of the same age." Chu Yu wiped the corners of her eyes. There were no tears at all. She thought of a suitable candidate in her heart.

Gu Nanchen was covered with cold air. The staff around him dared to wonder about the president's family affairs, one by one.

"In that case, I don't want to hear it again."

Gu ya'er overheard people talking about the gossip downstairs. When she hurried down to see it, her brother walked forward without looking back. Chu Yu angrily threw her favorite bag in public.

What's all this called? She was about to leave quietly, when a cold line of sight

suddenly stuck behind her, like countless millipedes climbing on it.

It was Chu Yu who saw her. Remembering that she had a good relationship with Xia Jinsheng, she suddenly felt that it was better to marry this annoying girl earlier.

The car stopped at the shopping mall in city A. Mo Nanfeng looked at Xia Jinsheng's expressionless face and hesitated. Why not drive away?

"Come, come, don't go. Accompany me in to choose. "

He was stunned for a moment and quickly responded. He thought Xia Jinsheng was angry and didn't intend to buy a gift for Gu Nanchen, but he still wanted to buy it.

If for the rest of his life, let alone buy gifts, it would be good not to give him cold eyes.

What they want to buy is a watch. Xia Jinsheng didn't study this, but asked Mo Nanfeng to help. Finally, he chose a watch of Cartier blue balloon series.

She liked its appearance very much. It was simple and generous, so she bought two, one for Gu Nanchen and the other for herself.

When he got home, Gu Nanchen was coming out of it. When he saw her, he was in a trance. Xia Jinsheng raised his eyebrows, "why, don't you welcome me? Then I'll go. "

She had a stubborn hand on her hand and held her tightly for fear that she would run away.

"Are you not angry?" He was still worried about how to persuade Xia Jinsheng to come back. He knew that she had been wronged today and blamed herself in his heart.

"Angry." Xia Jinsheng nodded, put the bag in his arms and deliberately made a fierce look, "it's your Tanabata surprise."

Gu Nanchen hugged her fiercely, lowered his head and gasped between her neck, "it's enough to have you." Others thought Xia Jinsheng had climbed up to him, but in fact, only he knew he couldn't live without the people in front of him.

The satisfied mood is about to overflow. It turns out that she asked Mo Nanfeng to help buy him a gift. Gu Nanchen can't wait to take off his watch and put it on.

He found that it was actually a couple's money. He looked at Xia Jinsheng and smiled without saying anything. It turned out that he was not the only one who had this idea.

Xia Jinsheng took the one he took down to play. The blue one seemed to blend into the

stars. It was very nice, "what's this?"

"Belle Feida."

Hearing the name, Xia Jinsheng's expression stagnated, "what price is this?"

"Millions." This is a limited edition. At that time, he asked Qin Wen to settle it at random. He didn't think so much.

Xia Jinsheng's heart twitched. She suddenly felt that the things she sent were too cheap. Lying in his storage space, the watch was estimated to have low self-esteem.

"I like it very much. It's from you." Gu Nanchen understood her mind and kissed her gently. She didn't implicitly jump up and nibble at his lips. If she didn't like what she sent, she threw it into the sea to feed the fish.

Before long, the little guy came back and clamored for dinner. The nanny had already done it. Speaking of song Taose after dinner, she asked Gu Nanchen to teach people a lesson.

He promised.

But Rao is like this. The director, taking into account him, directly deleted all the scenes of song Taose and kicked people out of the crew. This incident caused waves in the circle. Many people didn't want to offend Gu Nanchen. Song Taose's appearance decreased a lot for a time.

The activities arranged by the company for her are decreasing day by day, and there are even no activities behind. Song Taose is unwilling to sit back and eat the mountain empty, and is about to be hidden in the snow.

She found her old face, a director who squeezed from the second line to the first line. She has been mixed up recently. The director was interested in her good figure and the two hooked up at once.

Seeing that she was about to turn over and make a comeback, a picture was burst out by the media. It was that she dated the director and was touched by him in public.

Song Taose was in a daze. She had a hunch that all her career would be destroyed. The broker's popularity jumped, "what moth are you doing? Now, wait to be hidden by the snow. "

"Brother Li, you can't abandon me. I didn't know there would be a reporter at that time." She was so frightened that she hugged the thigh of the person who was about to

leave. Being abandoned by her agent would undoubtedly accelerate her death.

"What can I do? You made your debut in the image of a jade girl. Now that the picture has been taken and the image has been destroyed, what can I do?"

"Let the PR handle it. Just say it's not me."

Agent Fang Li squinted at her and hugged her chest with both hands. "Do you think you still have the value of letting the company come forward?"

"Fang Li, how can you do this?" Seeing that the other party was iron hearted, Song Taose immediately put away her grievance and stood up, "I tell you, we are grasshoppers on a rope. I won't let you live if you don't help me."

"What do you mean?"

She sneered, "do you think the media pay more attention to the destruction of my jade girl image, or the famous gold medal agent? In fact, pimps get more attention." "You..." "Fang Li was so angry that he didn't expect to be threatened by his little artists. He took a deep breath and calmed down," what can you do now? " Song Taose didn't know what she thought of. Suddenly she smiled, "it's not the end of the mountain."
