

《Sweet Marriage: Smart Cute Wife》

Chapter 188

He remade several more, and song Taose was obviously out of shape. The director angrily cancelled all her filming today, "when you can play well, get back and shoot again. Next time it's the same, pack up your things and get out of here! "

We have to change the venue and set again. Others complained about song Taose, and she retaliated directly on her assistant. The fresh warm water was sprinkled on the little assistant. It was so cold that she didn't treat her as a person at all.

Xia Jinsheng silently recorded the scene with the camera. The director saw it and didn't stop it. It's time for some people to be too arrogant with their backs.

"How many days will Yuxiu get better?" Towards the end of the year, the shooting progress was in a hurry. He tried to make a New Year blockbuster.

"Well, I'm almost in good health. Psychologically, I will communicate with her and strive to return to the crew as soon as possible. " Xia Jinsheng replied. In fact, xiaotuanzi's body has been well for a long time, but he has no appetite and is unhappy recently.

She doesn't know how much the little guy knows about song yuezheng.

"Psychological problems?" The director is particularly sensitive to this word. He is worried that the little guy is too young to control the rhythm of the play and the play.

This is not a small problem that can be ignored. Some people have been affected for a lifetime because they have been in the play too deeply. He didn't want to see this happen to such a lovely child.

"No." Xia Jinsheng knew he had misunderstood and explained the whole thing clearly. After listening, the director fell into silence.

It turned out that the people in the crew had something to do with the murder. Xia Jinsheng didn't call the police directly. He was already very grateful. It would be very unkind to obstruct her from finding out the real murderer.

After a little thinking, the director had a conclusion in his heart, "who is the suspect in

your heart?"

I just hope it's not his man and woman, otherwise the play will be yellow.

"Song peach."

Hearing the name, the director breathed a sigh of relief. Song Taose's play is not heavy, but at least he is also a brilliant character.

Re cast or delete her part or even the whole character. In the end, the film is missing. As an excellent director, he will never allow such a thing to happen.

A blush appeared on the director's face. Embarrassed to look at Shang Xia Jinsheng, he hardened his head and begged, "no matter what you investigate? Can I finish the trick first? "

Xia Jinsheng is in a dilemma. She is anxious to explain to the innocent song yuezheng, but she has to consider that the little guy is still on the crew. The director's face can't be brushed.

As time went by, the director was also worried. He was trying to force people to face difficulties, but he couldn't help it.

"All right, I'll let you finish."

Xia Jinsheng reluctantly said this sentence. The director thanked again and again. He was even more angry with song Taose. Filming could not satisfy him, but also added a lot of trouble to him. Such people have been blacklisted with him.

She took a dry towel and gave it to the little assistant. The other party obviously didn't expect that someone would care about him, especially a beautiful woman. She blushed and said, "thank you, little."

Song Taose's face sank the moment she saw Xia Jinsheng coming, and she was almost marked with the big words "unhappy".

"What are you doing here? If you're looking for me, make an appointment. I don't have time now. "

Thinking that she might have seen the picture of being scolded by the director just now, song yuezheng was distressed. What's worse is not this. She believes Xia Jinsheng can't come to her casually.

never go to the temple for nothing.

"Yue Zheng is dead, you know."

"I know. So what?" Song Taose's pupils flickered slightly, and his feet leaned forward, a move that seemed to escape. Xia Jinsheng saw every word in his eyes and had a measurement in his heart.

Soon she calmed down, pretended to be nothing and said, "do you doubt that I killed her?"

"It's either suspicion or you. You are an indirect murderer." The sound of the last few words was bitten by Xia Jinsheng, and there was a panic in Song Taose's eyes.

She guessed right.

If she really killed someone, Song Taose couldn't sit here calmly and pretend to be nothing. No matter how strong an ordinary person's psychology is, he can't be so strong.

It's the devil to kill people and remain indifferent.

But in Xia Jinsheng's opinion, what's the difference between Song Taose and the devil? Even his own sister is a disaster. It's not worth Song Yuezheng's sincerity to her and her mother.

Song Taose has been in the entertainment circle for many years. She still has some brains. She soon calmed down. "Xia Jinsheng, it's better for you to show evidence before you doubt me, otherwise I don't mind suing you for slander."

"Just go, as long as you win."

Song Taose knew that she couldn't get her to justice because she didn't have evidence, but Xia Jinsheng also knew that she was just showing off.

A small star in the second and third tier dares to fight the whole Gu group, which is simply beating an egg against a stone.

The conversation broke up unhappily. No one has the upper hand. The only thing you can be sure of is that Xia Jinsheng has disturbed Song's peach heart lake. And now that it has been determined that it is related to her, follow this clue and there will always be results. The net of heaven is broad, but it is careless. If the bad guys go unpunished, the world is too cruel for the good people. In the crew, she also talked with the little lover and ER Chun. They are discussing the final colored eggs and thinking about how to repay the fans. Xia Jinsheng listened and gave them some small suggestions from

time to time. Her heart was not as calm as it seemed. Song Taose was even more uneasy because she was still on the crew. At this time, she received a phone call with a black face. The assistant next to her kept complaining when she saw this scene. It was often the time when she was in the worst mood. Someone will ask her to meet and don't know what to do. When she comes back, song Taose will always spread all her anger on him alone. Xia Jinsheng saw that she left in a hurry. She had a hunch that something was going to happen. She immediately said goodbye to ER Chun and left with them. All the way out of the set, song Taose looked around to make sure there were no paparazzi, and then got on a parked Chevrolet by the side of the road. Inside the car was a man in his fifties and sixties. He looked familiar. Then he wrapped his hands around Song peach and touched her ass hard. Song Taose smiled coyly and put his long arm around the man's neck to kiss. The window rose slowly, blocking the situation inside. Xia Jinsheng, who was hiding in the dark, only felt that she was going blind and saw a scene that was not suitable for children. Still in the street, song Taose was more open than she thought. The most bloody thing is that she recorded this scene with her mobile phone. She didn't even bother to look at the photos in the album again. She was afraid that she would vomit up every night. That man can be song Taose's father no matter what he thinks. He has a heavy appetite. Anyway, she put the photos in a document and sent them to Qin Wen. By the way, let him find out who the man is. That face looks familiar. Xia Jinsheng thought his action was fast enough.

Unexpectedly, someone was more worried and faster. The next day, a rumor about song Taose spread all over city a, with an endless stream of accusations, media paparazzi swarmed in and quickly occupied her home and company. There was a lot of abuse. It's also pornographic photos, runs on peers, and playing big cards to bully assistants according to hidden rules. In short, only what you can't think of, not what song Taose can't do. Netizens quickly opened everything about song Taose and found that she was also associated with a homicide. So the public security organ received the alarm and invited her to the police station to have tea and chat in the morning. It is said that when she was found, she was still doing some kind of harmonious movement with some upstart. The onlookers were stunned, but the reporters' eyes glowed green. The more outrageous things song Taose does, as long as they record it, it means that the bonus this month will be more generous. Who wants to be stuck in front of me? One by one, they squeezed their heads and rushed forward. They just wanted to take more photos of song peach. It was in full swing outside. Xia Jinsheng was still sleeping in her bedroom until a fiery phone call woke her up. The person calling was the director of xiaotuanzi studio“ Didn't you promise not to do it to her for the time being? Today, people were arrested in the police station. ”“ To whom? ” Xia Jinsheng just woke up, his brain was confused, and what he heard was very hazy. Even the ox head was not right for the horse's mouth“ Yes, song peach. ” The director almost yelled out these three words angrily, and Xia Jinsheng was stunned. A big hand with distinct bones took her cell phone at this time. Cold words floated in his ears. He said, "tell me something." The voice is cold and inhumane, containing a thin layer of anger. Who is sleeping next to Xia Jinsheng? How can the director not know. The anger just now cooled down in an instant and became angry with Gu Nanchen. He didn't have the

courage to give him life. Who let others control the life and death of his film. The director gently explained the whole story. Xia Jinsheng was also awakened at this moment. What he clarified was not to do it yourself, and then they began to filter the candidates who would do it to song Taose. Lu Songhuo. The couple got the answer in their minds almost at the same time. Thinking of the lonely and paranoid figure, he really could do such a thing. The director was sent away. Lu Songhuo couldn't get in touch for the time being. Xia Jinsheng went to the Internet to explore the news first. Seeing a series of black materials about song peach color, her fingertips couldn't help trembling. These reprisals are too angry for a woman, but so what? Everything is song Taose. She deserves to offend. There was no result from the police, and Lu Songhuo could not be contacted. Xia Jinsheng spent every day in anxiety. As soon as there was trouble, he was nervous and besieged on all sides.
