

《Sweet Marriage: Smart Cute Wife》

C24 This Steamed Bun Is so Fragrant

When Xia Jinsheng woke up, her surroundings were empty, there was no trace of Gu Nanchen. She heaved a sigh of relief, but at the same time, she couldn't help but feel a little disappointed. Last night, the two of them had simply slept in the same clothes.

For a moment, Xia Jinsheng couldn't tell whether she was happy or not.

The unexpected thing was that Lu Jun called her early. Xia Jinsheng smiled as he looked at the caller ID.

"What's the matter?" She imitated Gu Nanchen's calmness and was happy to make things difficult for him, in case he made a mistake again without remembering.

As the words reached the tip of Lu Jun's tongue, he was infuriated by her tone. He began to beat his drum weakly in his heart, "Hey, Xia Jinsheng. We won't beat around the bush, so give me your fifty thousand first, and we'll continue to cooperate. "

She also did not want to beat around the bush anymore, so she readily agreed to Lu Jun's conditions. After negotiating, and just as Lu Jun was about to hang up, Xia Jinsheng stopped him, "Wait a moment."

"What is it?" Maybe because Xia Jinsheng was too easygoing to talk, Lu Jun was actually a bit worried, she was worried that she would suddenly go back on her words, then all his money would be wasted and she would have to say goodbye.

His nervousness pleased Xia Jinsheng, as expected, she would sometimes punish him lightly in order to establish her prestige.

"Come to the Gu family tomorrow. Next, you must visit them more frequently. You must show how much we love each other before the old man can let us go out and live. Do you understand? "

Lu Jun agreed readily, "Of course there's no problem."

The two of them quickly ended the call. When Xia Jinsheng got up and went downstairs, the Old Master was already eating breakfast.

Seeing that Xia Jinsheng only raised his eyelids for a moment, then quickly lowered them, and was no longer as fervent as before, Xia Jinsheng knew that the old man did not like him in certain aspects, and did not take it to heart.

"Grandpa, grandma, I'm out."

Gu Jun still did not have any reaction, but Chu Yu was a little surprised, "Aren't you going to eat at home?"

Xia Jinsheng shook her head, a sweet smile on her face, and suddenly felt the uneasiness of love, "No need, Lu Jun will come over later, we will go out to eat. and then go to work. "

Chu Yu nodded her head. Coincidentally, on the stairs, Gu Nanchen walked down with elegant and steady steps. Hearing his words, Chu Yu's face darkened, and she frowned.

She subconsciously shrank back. Just as she was thinking what she should do if Gu Nanchen didn't let her go in a while, the sound of Lu Jun pressing the doorbell outside saved her.

"Darling, let's go." Lu Jun who was dressed in formal attire walked in, his smile was doting and he revealed an expression of tolerance towards love.

Xia Jinsheng secretly left a praise for him in her heart, as long as Lu Jun was serious, it would not be bad. This time, Xia Jinsheng really believed that he had a bit of professional ethics.

She naturally gave her hand to Lu Jun, and the two of them elegantly flew away.

Gu Nanchen, who was at the foot of the stairs, had a baffled expression.

Just as Gu Nanchen was about to eat breakfast, he saw Gu Jun staring at him without blinking his eyes.

Being ignored by his son like that made Gu Jun extremely angry. He wanted to scold this brat severely, but after careful consideration, he found that he could not find the reason for the scolding.

Even if Gu Jun was aware of what was going on between the two of them, he did not dare to easily impose any force on Gu Nan Feng. His son's personality was cold, but at

the same time, he was very stubborn.

"Eh ... " The more he thought, the more depressed he became. In the end, he couldn't help but sigh.

"Dad, you ... "

"Scram to the side, don't even think about it."

Gu Nanchen had long since gotten used to the old man objecting to his attitude, but the decision he had made could not be changed by any of them.

He put down his knife and fork and wiped his mouth. Without saying a word, he picked up the car keys and walked in the direction of the garage. Since he had returned, it was time for him to go to the company.

"... "

On the other hand, if Lu Jun brought Xia Jinsheng out to eat, it would be better to drag her to pay.

The two Lu Jun brought Xia Jinsheng to an exquisite breakfast shop. Every morning, there was a limited supply, and not only was the price very high, it was also much higher than the average breakfast shop. However, her cooking skills were quite good, so there was still an endless stream of people coming to this place.

A penny for a penny, that was true.

After taking a bite of the crystal bun, Xia Jinsheng could not help but close her eyes in enjoyment. The stuffing was fresh and the taste was excellent, it immediately dispelled the drowsy feeling in the morning.

It was like the first rays of sunlight that shone on a person after a long period of darkness. It was fresh and natural.

"How is it? Not bad, right? " The pride on his face was clearly an expression that only children would have when asking for praise. Unknowingly, Xia Jinsheng had suddenly thought of a loyal dog that was raised by the Gu family.

In order to satisfy her little bit of vanity, Xia Jinsheng generously gave Lu Jun a thumbs up. Although this guy was sometimes trash, his taste was indeed good.

"I'll send a package to the little guy later, so you don't have to send me to the company. Come and pick me up in the afternoon and we'll go back to dinner together. "

Lu Jun did not ask Xia Jinsheng who the "little fellow" was, nor did she know what she should or should not ask.

After bidding farewell to Lu Jun, Xia Jinsheng found the little apartment where the little guy lived. When Xia Jinsheng entered, the nanny was helping Xia Guanghan dress.

When she saw Xia Jinsheng, rolling unwillingness to part, she finally found her outlet and hugged Xia Jinsheng's leg in a spoiled manner, "Mommy, I don't want to go to kindergarten."

"Oh, no. "Sure."

Hearing Xia Jinsheng's straightforward reply, the little guy became suspicious. Did she agree so easily? No matter how she used to act coquettishly in the past, it was useless.

Xia Jinsheng took out a crystal bun and fed it to the little fellow. A bun might be small for an adult, but it was just right for the little fellow.

Chewing on the steamed bun, the little guy's eyes suddenly lit up. It only took him a while to finish eating it with a smack of its mouth. Unsatisfied, it licked its lips.

"Mommy, I want to eat." Xia Guanghui unhappily pouted. This was too despicable! When had Mommy ever eaten her fill ... Oh no, even Steamed Bun wasn't giving it to her?

Xia Jinsheng smiled and pretended to be confused: "lovely kid wants to eat? But what do we do? Little bun is only given to the well-behaved children who go to kindergarten. "

The little guy immediately didn't want to continue. Fine, no wonder she agreed so straightforwardly. So she had dug a pit here for her to jump into. He didn't want to go to kindergarten for a little bun. He crossed his arms in front of his chest and his small face turned to the side as well, saying in a particularly unyielding manner: "I don't want it, I want to be at home today. I would never go to a kindergarten just for a bag of buns. "

Xia Jinsheng was stunned, she had thought that the little guy would immediately compromise, and not be tempted by her delicious food. The little guy had already grown up, she did not know whether she should be happy or not.

Who knew that out of the corner of his eyes, Xia Gun Gun was secretly sizing up her movements. His sparkling little eyes were clearly filled with desire. Seeing all of this,

Jin Sheng suddenly burst out in laughter.

Alright, the little guy was still a glutton.

However, this made things more convenient for her. Xia Jinsheng grabbed another bun and waved it in front of him, purposely making exaggerated "tsk tsk" sounds. "Don't want me to eat it."

The little guy could no longer continue with his disguise and snatched the bun from Xia Jinsheng's hands. He gulped down the bun down in a single gulp, and the entire process happened in less than ten seconds.

Her heart skipped a beat as she slapped Xia Gun Gun, and said in a furious voice, "Stupid girl, who told you to eat that fast? What if you choke? "

Xia Guanghan immediately said with glistening teardrops of grievance, "It was clearly you who didn't give it to me to eat."

"..."

You have a point, and I have nothing to say.

Xia Jinsheng didn't know whether to laugh or cry as she looked at this unexpected girl. She resigned herself to handing over the steamed bun in her hands to Xia Guanghan, and in order to fulfill her promise of not letting her go to kindergarten today, Xia Jinsheng shamelessly followed the rolling class teacher to apply for a leave of absence.

Not only did she get the little bun, she didn't even need to go to kindergarten and rolled about happily. Looking at the little guy's joyous expression, Xia Jinsheng also didn't know if what she had done was right or wrong.

Forget it. I've already done it, so what's there to care about?

"Miss Xia, it's almost 8: 30. I wonder if you'll still be able to come to work?"

After being pulled for a while by Xia Gun, when Xia Jinsheng heard the nanny's reminder, her whole body became weak. She glanced at the clock on the table beside him;

She immediately started to pack her things, picked up her bag and ran, because when she went out, she was riding on Lu Jun's car, she let him go previously, but now she could only take a taxi.

Ten minutes later, Xia Jinsheng got into the taxi and called him. Opening his phone,

she was shocked to find that it was Gu Nanchen's.

Unknowingly, Xia Jinsheng's hand trembled and hung up Gu Nanchen's phone, when she came back to her senses, she wanted to use some noodles to hang herself.

Just as he was about to call Gu Nanchen, he received his second phone call. He couldn't hold back his guilt anymore and asked: "Hello, second uncle, what's the matter?"

"What is it?" You actually hung up on me. "

Gu Nanchen opened his mouth and said these two sentences. He didn't know if it was because of his imagination, but she felt that there was a hidden bitterness within these words. Just like those concubines in the imperial harem that were waiting for the old Emperor's favor.

A concubine of Ai Ai Hui's? Just Gu Nanchen? Xia Jinsheng was terrified by her own imagination.
