

《Sweet Marriage: Smart Cute Wife》

Chapter 26

Hearing that Lu Jun said she didn't cooperate, Xia Jinsheng was angry, but the next second she calmed down unexpectedly, with a calm tone, "why?"

Lu Jun didn't expect Xia Jinsheng's change, but felt calm and calm. She was particularly frightening, which made Lu Jun feel modest for no reason.

He hesitated. Xia Jinsheng didn't want to continue to waste time with him. He was about to press the red hang up button, and Lu Jun's eager voice came out.

"Xia Jinsheng, that money..."

The word "money" instantly darkened Xia Jinsheng's face. I've never seen such a brazen person. If she defaults, she still wants to get the money. Is she a fool?

She couldn't help but hang up the phone.

Gu Nanchen came over and held the little girl who had fallen asleep quietly in her arms. Xia Jinsheng wanted to hold the child, but Gu Nanchen didn't let her.

"Second uncle..." Xia Jinsheng subconsciously shouted Gu Nanchen.

Without blinking, he stared at Xia Jinsheng's eyes, as if to see the depths of her heart through his eyes. Xia Jinsheng was unnatural and moved his eyes to one side without trace.

"You haven't told me what's going on."

Xia Jinsheng was cluttering in his heart. There was no dew on his face. He shrugged innocently, "isn't that what uncle said?"

"Tell me yourself." Gu Nanchen is very persistent.

Xia Jinsheng didn't understand what she said was different from Gu Wensheng, but she didn't mind if it could make him give up his heart to her.

"Well, I'll tell you. Xia Gungun is Gu Wensheng's child. Are you satisfied now? "

Xia Jinsheng's attitude was cold and hard. She deliberately ignored the pain at the moment of her heart. For so many years, she thought she was used to it.

His expression finally changed, his thin lips pursed into a cold straight line, and the visible light of fire in his eyes, "Xia Jinsheng, don't deliberately annoy me."

She was speechless. What she wanted to say was clearly Gu Nanchen himself. Now she said she wanted to provoke him deliberately. Gu Nanchen didn't ask for guilt. What is it?

"Believe it or not, I've told the truth anyway. Can you give me back now? I'll take her back. "

He still refused to give rolling to Xia Jinsheng. With his height advantage, he easily dodged left and right. At the same time, he also paid attention to the movement of his hands so as not to wake up the lovely child in his arms.

Xia Jinsheng was so angry that no matter what she did, Gu Nanchen deliberately opposed her.

"Gu Nanchen, are you finished?" Xia Jinsheng was really angry. The second uncle had already thrown away and called her name directly.

She really doesn't understand. Why did she annoy this big bastard when she didn't know people so well?

It must have been young and ignorant. Now, lift a stone and hit yourself in the foot.

For Xia Jinsheng's anger, Gu Nanchen was very calm and solemnly answered two words, "it's not over."

I still remember that at the beginning, I was tired of the little girl who had been pestering me. Later, it was not easy for him to get rid of it, but the girl ran away.

But Gu Nanchen is angry. Although Gu's family are well-dressed, they are actually black. Therefore, if Gu Nanchen doesn't take revenge on his original grievances, he won't give up.

Even though their situation is completely reversed now, Gu Nanchen is confident to

bring the smelly girl back to her room for good discipline. This time, she must be obedient.

Where would she know Gu Nanchen's rich psychological activities at the moment? Just because of the insipid "never finished", she couldn't resist the impulse to break the work and smiled angrily.

"Second uncle, you can be more shameless." Xia Jinsheng grinded his teeth and threatened him severely.

I've long been used to Xia Jinsheng's jumping thinking. Gu Nanchen suddenly connected with her words, "I think so, too."

Evil eyes flowed on her, coupled with his words just now, Xia Jinsheng, who was not a little pure, suddenly poured into the picture of looking at the mosaic in his mind.

If it was normal, Xia Jinsheng would definitely be very excited. Yes, but now she is molested. She doesn't mean to be crooked at all. The corners of his mouth smoked and looked at Gu Nanchen speechless.

"Is the child really big brother's?" Around and around, Gu Nanchen still returned to the original problem, which made people can't help but have an illusion, as if the scene that he just jumped her angrily didn't exist at all.

Xia Jinsheng became more speechless and became more familiar with answering this question, "of course, or is it yours?" It was just a joke, but Xia Jinsheng couldn't help missing a few beats in his nervous heartbeat.

His eyes were rolling, and the sleeping little guy arched his body uneasily, which was very similar to Xia Jinsheng. Gu Nanchen's mouth was slightly raised, so he didn't notice Xia Jinsheng's abnormality just now.

"Of course I wish she were my daughter." I don't know which sentence of Xia Jinsheng's nonsense is true or false, so Gu Nanchen simply joked with her.

Of course, more than 90% of them are sincere. How good would it be if the little guy were his child? He really wants to be the daughter of him and Jinsheng. Xia Jinsheng also noticed his true feelings. Her nose was slightly sour. She didn't want to be seen by him. She tried hard to hold back the tears in her eyes. No, she can't be soft hearted. When she left that year, those painful memories were suddenly reproduced in her mind. The man's heartless words word by word cut off the possibility between her and Gu Nanchen. Remembering that it had been difficult for him for so many years, Xia Jinsheng suddenly calmed down and opened a sarcastic arc around the corner of his mouth, "second uncle, just think about it. The child has nothing to do with you." Her

feeling suddenly changed and was a little strange, but Gu Nanchen could still feel that she was deliberately opening the distance between the two people“ Give it to me. I'll take her back. " Xia Jinsheng said that and then went to rob rolling. Gu Nanchen was caught off guard by Xia Jinsheng, who suddenly launched a fierce attack, and looked at her blankly. He frowned unhappily, "Xia Jinsheng, what are you crazy about?" You know, just now her action didn't take any account of it. She was very cruel at all costs. That posture is not only not worried about whether the little guy will be woken up, but clearly wants to grab her back whether the little guy will fall to the ground or not. It's like he's a monster. Gu Nanchen's face was completely black, and the whole person was gloomy. Looking at Xia Jinsheng's rolling in his arms, he was slightly relieved. The little guy wasn't hurt and didn't wake up. Xia Jinsheng turned his eyes to Gu Nanchen and smiled, "second uncle, I'll take you back." Gu Nanchen likes little guys. She can still see this, so she took advantage of it to hold rolling back. But it also makes the other party helpless. Picked up his bag, Xia Jinsheng hurried to run outside. Gu Nanchen didn't like her. The ape arm waved lightly and blocked Xia Jinsheng's way. She appreciated the smile on her face“ Second uncle, what is this? I know you don't want me. " Xia Jinsheng smiled coyly, threw an eye at him and bowed his head affectionately. Just because she has a little roll in her arms, this action is particularly strange. He condescended, provoked Xia Jinsheng's chin and exhaled Ruolan, "good boy, of course I don't want you." She was undoubtedly defeated. Gu Nanchen had never been more shameless. Often at this time, Xia Jinsheng wants to say "where is integrity", but she also knows that it is impossible to ask at this time, otherwise the result must be "miserable"... The two are completely in a stalemate, big eyes to small eyes. Outside, Gu Wensheng came back and was changing shoes in the porch cabinet. When he saw the scene, he joked, "what about you two bastards and mung beans? What are you doing at the door? " But when he saw the little guy, he was silent. Xia Jinsheng showed him an expression of bewilderment. Gu Wensheng speechless pulled out the corners of his mouth, signaled with his eyes to go back and clean up her. Xia Jinsheng was timid when she saw Gu Wensheng's fierce eyes. She knew that she must have no good fruit for a while, but he helped her solve Gu Nanchen first. She must thank him and let you deal with it. You know, the old man who goes out at this time may appear at any time. She doesn't have any intention to expose the rolling in front of the old man Gu Jun. Gu Nanchen gave out a loud cough, which interrupted the "flirting" between the two people. Is it true that he doesn't exist“ Second brother, you... "Brother, stop talking." As soon as Gu Wensheng spoke, he was interrupted by Gu Nanchen, with an irresistible dignity. He touched his nose and saw Xia Jinsheng laughing heartlessly, but Gu Wensheng was angry. He hated to have to take care of the careless little broken child and go out to have fun by himself. But can he? I don't think so“ I didn't say anything, so you told me not to say anything. Is that really good? " After staying with Xia Jinsheng for a long time, Gu Wensheng unconsciously caught up with her unique tone. Gu Nanchen was dismissive, and the word "unhappy" was clearly capitalized on his face. Gu Wensheng was also interested. He took Xia gungungung from Xia Jinsheng's arms and told him, "I'll take her back first. Remember to call her, or it's time to wake up later." Nodding is like pounding garlic,

but Xia Jinsheng is secretly weeping in her heart. Uncle, buy one and get one free. Take her away. Aware of Xia Jinsheng's mood, Gu Nanchen's eyes just locked on her for a second, and Xia Jinsheng was honest immediately.
