

《Sweet Marriage: Smart Cute Wife》

Chapter 28

"Xia Jinsheng, do you still pay attention to me, an old man?" Gu Jun was angry. Although he was old, he was still very angry. He bluffed the rest of the Gu family.

A group of people looked at the old man for unknown reasons. They didn't understand why he was doing this time. The smart people had seen the clue, and their deep eyes focused on this strange dinner tonight.

Gu Wensheng wiped sweat for Xia Jinsheng. Her little tricks can't hide from his eyes, but it's OK to be naughty at ordinary times. Today, in front of the old man, isn't it pulling hair from the tiger's ass?

Gu Nanchen's breath was also dignified. After a while, he picked up his chopsticks and ate the pepper Xia Jinsheng had sandwiched for him. He was stunned that he didn't even frown.

On the contrary, Xia Jinsheng, the party concerned, made it look like nothing. She continued to laugh and pretend to be confused, "Grandpa, why are you so angry? Didn't you let me do that? "

"Fart." Rao was an old man with profound Taoism. He couldn't help but burst out a rude remark. People around him immediately looked at the old man as if they saw something strange.

The old man was also aware of his gaffe in front of the younger generation. After being absent-minded for a few minutes, he was not red and breathless, and then taught Xia Jinsheng, "nonsense, I clearly asked you to prepare something lighter."

"Light? Oh, I seem to have made a mistake. " Xia Jinsheng's mouth is big enough to fill an egg. The incredible look on her face made it impossible to tell whether she was really wrong or false.

But even if Xia Jinsheng was deliberately mistaken, no one would say anything about her in front of the old man.

Because she had hung her head in chagrin, pulled her clothes with guilt, and was unhappy. Without her usual vitality, "Grandpa, those who don't know are not guilty.

Don't you blame me? "

What she said is pathetic.

Gu Jun didn't buy it at all. "Don't you know? I said you didn't listen carefully. It's disrespect for your elders. You... "

Before the old man finished his words, Xia Jinsheng hurriedly grabbed a "sorry, I'm wrong" and blocked the old man. He even forgot what he had to say.

Gu Jun couldn't close his mouth for a long time. He wriggled his lips. He couldn't remember what to say. He pointed to Xia Jinsheng's hand and trembled with anger.

Xia Jinsheng's eyelids jumped for a moment. She was afraid to make the old man angry. She immediately understood and opened her chair and stepped back. "I did something wrong tonight, so I won't eat. I'll face the wall and think about it."

Her sudden move caught everyone unprepared. Gu Jun looked at Xia Jinsheng's serious "thinking" face. He really didn't know whether to say that she was considerate or that she knew herself.

"Wait a minute, Jin Sheng, will you come back first?" Ling Qiaoqiao smiled generously and said to Gu Jun, "well, actually, I can try it. So let Jin Sheng eat. "

She is pleading for Xia Jinsheng. Even if she knows that Xia Jinsheng is fixing her, she still has to break her teeth and swallow her pain. Now what she has to do is to take care of her family and win over people's hearts.

Gu ya'er, Gu Nanchen's sister, nodded and immediately rushed out to pull Xia Jinsheng back. She sat down on the chair and smiled at Ling Qiaoqiao. "Miss Ling is really angry. Don't take it to heart. Jin Sheng is confused. She must have made a mistake. "

Silently watching the two people play, Ling Qiaoqiao saw Xia Jinsheng's toothache with a fake smile on her face. After Gu Nanchen silently sandwiched a chopstick dish for her, she instantly felt that she was not just toothache.

She is suffering all over now.

As soon as he raised his eyes, he looked up at Gu Nanchen's teasing eyes. He opened his mouth and silently spit out a few syllables.

Xia Jinsheng, who understood his lips at once, turned black because he said:

"Stealing chicken can't eat rice."

Xia Jinsheng was so angry that she wanted to cry. Although she knew Gu ya'er meant well, there was another reason why she wanted to face the wall and think about it -- she didn't eat spicy food.

At that time, she only wanted to calculate Ling Qiaoqiao. Now she'd better compensate herself. Xia Jinsheng wanted to cry without tears. She really responded to Gu Nanchen's sentence "stealing chicken can't erode rice".

After a meal, Xia Jinsheng was sweating. On the contrary, Gu Nanchen was still as noble as before. The thin beads of sweat on the bridge of his nose and forehead not only didn't affect his original handsome, but also added a bit of male charm to him. His slightly red skin was full of hook flavor.

It seems that Xia Jinsheng is not the only one who enjoys his eyes. When he feels the sight from others, especially Ling Qiaoqiao's naked eyes, Xia Jinsheng immediately has four words in his mind - "beauty mistakes people".

The old man wiped his mouth after eating. His face was red. He looked at the people present and said calmly, "have you finished eating? I have something to announce to you."

He had something to announce. When Ling Qiaoqiao was there, some people who were a little lazy immediately came to the spirit.

"Next month, our family will be engaged to the Ling family and hold an engagement banquet."

A word startled thousands of waves, and someone immediately focused on Gu Nanchen and Ling Qiaoqiao. It has long been heard that the old man intended to match Gu Nanchen and Ling Qiaoqiao. Who else can they have?

Ling Qiaoqiao blushed and was very happy. Seeing Xia Jinsheng's dull eyes, she immediately raised her head high and complacent.

No matter how ambiguous Xia Jinsheng and Gu Nanchen are, the man still belongs to her.

But soon Gu Nanchen poured a basin of cold water on Ling Qiaoqiao's hot heart, "Dad, why don't I know I'm engaged?"

His disobedience had long been expected by Gu Jun, and his joy and anger were not in his face. "You know now."

The two men suddenly confronted each other, and the smell of war smoke filled the air.

Xia Jinsheng looked at Gu Nanchen's thin and angular profile of his side face. For a moment, he couldn't see what he wanted to do.

At that time, Gu Wensheng came in to Xia Jinsheng and whispered in her ear, "look at your grandpa. He's really old, so he'll get an arranged marriage. You can't learn from him in the future. "

He taught Xia Jinsheng a lesson. She looked at Gu Wensheng in amazement and became more confused. How could she have a good relationship with her again?

Gu Jun's ear power was different from that of ordinary people. Like the cold light of eagles, he immediately swept their direction, chased the cold voice and asked, "Gu Wensheng, what are you talking about?"

The restless beating of her heart and the strong restless sound made her worry that her heart would jump out of her chest in the next second.

Xia Jinsheng pushed Gu Wensheng. The latter was unmoved and was about to tell Gu Jun what he had just said. Xia Jinsheng immediately stood up and rushed to answer, "report to Grandpa. Uncle just said that grandpa made a wise decision. Second uncle and Miss Ling are very suitable. There is no need to be engaged next month. It's just the end of this month."

Her waist is very straight, just like the subordinates in the barracks are reporting regularly with the officers, but Xia Jinsheng is sure that ordinary soldiers are definitely luckier than her.

Because as soon as she finished the report, she received Gu Nanchen's sharp eyes, as if to delay her.

"Xia Jinsheng, what are you talking about?"

He was very angry. Gu Jun was going to get engaged to him. The girl acted like a nobody, even if it was none of her business. Now she dared to say that he was a good match with Ling Qiaoqiao.

Gu Nanchen hated having to take care of anyone, so he just taught the girl a lesson.

She smiled, "second uncle, Miss Ling is very good. You should cherish others. Congratulations. Remember to give me a big red envelope. "

"Big red envelope?" Gu Nanchen approached Xia Jinsheng step by step with a gloomy complexion and looked down at her. Even if those eyes were covered by falling bangs, Xia Jinsheng still felt the anger in them.

Xia Jinsheng nervously bit his lip flap and tried to open the distance between himself and Gu Nanchen, but he noticed his intention and grabbed his shoulder.

She was a little flustered. It seemed that she could feel what Gu Nanchen was going to do. She wanted to escape, but she was unable to move by the powerful deterrent force erupted by the man.

In everyone's shocked eyes, Gu Nanchen bent down and bit her lip flap. With a vicious posture, he wanted to tear people's bones into his stomach.

"Hiss!"

Xia Jinsheng's eyes burst into tears when she felt pain. Without this, is she human? Gu Nanchen actually bit her lips like this.

Although he had some beautiful thoughts in his heart, Gu Nanchen tasted it, raised his head and looked coldly at everyone present. His calm tone made people unable to ignore, "see? I'll only be engaged to her. "

"Nan Chen, are you kidding? How can it be Xia Jinsheng? She is clearly your niece. " Ling Qiaoqiao was very excited when she saw this scene. She shouted angrily at Gu Nanchen, completely losing the style of a noble celebrity.

"What's none of your business?" Gu Nanchen's lips are still stained with Xia Jinsheng's blood, which makes the whole person confused.

"Inverse son."

"Pa --"

Gu Jun trembled angrily and rushed over to slap Gu Nanchen's rare face in the world. Although the crisp slap did not hit their faces, the people around him were dizzy one after another.

Gu ya'er was even more coquettish. She quickly spread her arms and stopped between Gu Laozi and Gu Nanchen.

Chu Yu also reacted at this time. She was worried that Gu Jun would be rude to Gu ya'er regardless of Gu ya'er. She simply went out in person and stopped between Gu ya'er and Gu Jun.

No one noticed Xia Jinsheng's step forward but retracted back, except Gu Wensheng.

The old man was so angry that he wanted to teach Gu Nanchen a lesson. His daughter stopped him and his wife stopped him.

"Grandpa, calm down." Xia Jinsheng pulled the old man's clothes and begged in his tone. The old man immediately found a breakthrough and slapped Xia Sheng on the face. She knew it would be such a result and didn't escape.

"Don't be ashamed. I'll raise you for nothing."

The old man was angry and said everything.

"Jin Sheng." Gu Wensheng first took Gu Nanchen one step to protect Xia Jinsheng behind her. Xia Jinsheng's tears inadvertently made her feel distressed for a while, frowning and looking at Gu Jun, "Dad, how can you say such a thing?"
