

《Sweet Marriage: Smart Cute Wife》

Chapter 30

"Hey, I didn't say you. My sister-in-law's bad eyes are cured. Why did you smoke suddenly?" Xia Jinsheng thought carefully about when he would suddenly have eye convulsions.

As a result... No.

She just had a cramp in her calf. I still remember when I was young and not sensible. I was excited when I saw the water. As a result, I accidentally played with fire and got cramped. If Gu Nanchen hadn't arrived in time, it would have been over.

What do you smoke? Smoke your brother-in-law! Gu ya'er cried because of Xia Jinsheng's slowness and stupidity. "Xia Jinsheng, you idiot, my brother is behind you."

“.....”

Xia Jinsheng's brain immediately crashed.

"Hum." Gu Nanchen snorts to show her existence. Gu ya'er's body immediately shakes like chaff. Past experience tells her that such Gu Nanchen often cleans up people miserably.

"Brother, I suddenly found that I have something else to talk about. I'll go first." Gu ya'er smiled and ran away after wiping oil on the soles of her feet. Xia Jinsheng was called envy, jealousy and hatred.

Traitor, didn't take her.

Turning to Gu Nanchen, Xia Jinsheng showed what he thought was the most elegant and charming smile, "second uncle, when did you come?"

There was no movement at all. People who didn't know thought it was a ghost.

"Almost when you say you don't like me." Gu Nanchen looked directly at Xia Jinsheng and didn't move his eyes.

She was instantly embarrassed. What did the man say? If he had to tell her this, would

he still chat?

Just back from the old man, Xia Jinsheng was a little exhausted. He looked at Gu Nanchen lazily and inadvertently detoured, "second uncle, I'm a little tired. Can I go back and have a rest first?"

Xia Jinsheng's figure was reflected in his eyes. No matter where the woman was, Gu Nanchen was reluctant to move his eyes and wanted to touch the woman's soft hair as before

But Xia Jinsheng, like knowing his actions, consciously guarded against leaning to one side and just avoided his hand. In the end, Gu Nanchen only touched the dry air and couldn't help losing in his heart.

"Sorry, I'm tired. Go back first. "

She almost trotted away. In her current state, it is really difficult to deal with the wits and courage of Gu Nanchen.

As soon as she ran back to her room, Xia Jinsheng "clicked" to lock the door. Finally, she felt relieved and boldly lay down in bed. She didn't want to move. She really didn't have much strength now.

Said sleepy, in fact, she is not sleepy, that is, her brain is chaotic and noisy, but she doesn't know what she is thinking.

Xia Jinsheng widened his eyes and looked straight at the ceiling. At last, his eyes were sore and didn't see why. The phone on the bedside table suddenly rang.

Take it and have a look. Lu Jun's can guess what Lu Jun wants from her without picking her up. What else should he have besides money?

She was already upset and didn't want to talk to others. What's more, is she the one to talk to or Lu Jun?

As long as Lu Jun persevered in making a call, Xia Jinsheng immediately lost her eyes and hands. When she called again, she refused to answer the phone again and again.

Finally, Xia Jinsheng was so upset that he simply put people on the blacklist.

She just put her cell phone back in place, but suddenly a melodious bell rang again soon. Xia Jinsheng thought that Lu Jun was a thief and didn't die. When she connected her cell phone, she directly scolded, "are you finished? Don't think I'll give you a penny. "

I broke the contract and asked her for money. Sure enough, people are invincible when they are cheap.

What came from the phone was not Lu Jun's voice, but a very nice child voice, "Mommy, what did you just say?"

Hearing Xia's rolling voice, Xia Jinsheng immediately came to the spiritual head.

"Nothing? Roll, how is it you? " I complained about the object before. Now it's all right. Xia gungungun heard it all.

"Mommy, uncle is with me now. He asked me to ask you if there was anything I could do for you? "

Gu Wensheng looked at the little guy talking. His eyes narrowed with laughter. Obviously he was worried, but he still borrowed his name. This duplicity little guy.

The little guy's milk voice made Xia Jinsheng feel more or less comforted. The corners of his mouth couldn't help laughing, "Mommy is all right. I'll come to see you tomorrow."

"OK, Mommy, good night."

"Good night, baby."

At the end of the call, Xia Jinsheng jumped out of bed and looked around at the room he was living in.

The room she lives in now can be regarded as absolutely luxurious and comfortable from the perspective of the whole family. The old man has never treated her badly in this regard, and completely treats her as the apple of his eye.

After opening the wardrobe, some clothes whose labels had not been removed occupied more than half of the wardrobe. Xia Jinsheng picked and picked several clothes that were timely and easy to change and wash and stuffed them into the suitcase.

After tidying up some daily necessities, it was already 11 p.m. Xia Jinsheng wiped the sweat on his head, or simply took a shower before going to bed.

The next day, the sun came in through the window lattice. The hot and dry light in the morning made Xia Jinsheng impatiently open his eyes. His eyes didn't adapt until a while.

Her brain gradually sobered up and looked at the alarm clock on the bedside table. It was just 8:30.

At this point, Gu Nanchen should have gone to work long ago. Xia Jinsheng cleaned up a little and dragged his suitcase downstairs.

"Jin Sheng, what are you doing?" Chu Yu had a sandwich in her hand. Seeing Xia Jinsheng like this, she immediately put down her things and ran to help her.

Xia Jinsheng went downstairs and dragged a suitcase that was incompatible with her delicate body. It was difficult not to pay attention.

Finally she got downstairs. She patted the box with satisfaction and explained to Chu Yu with a smile, "grandma, didn't I mention it some time ago? I'm going to live out first. "

Hearing the speech, Chu Yu's eyes suddenly and strangely lingered on Gu Jun, looking a little embarrassed, "why is it so sudden?"

If she guessed right, it had something to do with what happened yesterday.

Xia Jinsheng pretended to be surprised, "is this sudden? Didn't I already say that? "

"Hum, then you can stay for a few more days. Why is it so urgent?"

Chu Yu is not convinced. It can be expected that the girl has left. How much less fun will it be to take care of her family?

Knowing that grandma Chu Yu was reluctant to give up herself and didn't want to make the atmosphere too sad, Xia Jinsheng played to the end, "is that fast? I feel late. "

The eagerness on her face, eager to leave immediately, made Chu Yu choke in her heart. Finally, she simply turned around, waved her hand helplessly and sighed, "women don't stay."

Xia Jinsheng didn't explain. It seems that Chu Yu may still misunderstand her relationship with Lu Jun. she simply made a mistake.

After saying goodbye to Chu Yu and Gu Laozi, Xia Jinsheng was moved when he saw Gu Wensheng coming to pick him up as soon as he walked out of the door.

Well, the free driver is available.

Finally, the two came to the small apartment where Gu Wensheng had temporarily settled down in summer. As soon as they saw Xia Jinsheng, who was still sleepy, they immediately stopped pecking rice at the chicken and nodded.

"Mommy."

"Yes." Xia Jinsheng picked up the little guy and let her hold her neck and do some intimate movements.

Gu Wensheng came in and looked at the interaction between the mother and daughter. His eyes were full of happy smiles.

After a while of fuss, Gu Wensheng temporarily opened Xia gungungung and asked Xia Jinsheng about his next plan, "are you going to live here or change another place?"

She knows what he is talking about. Gu Nanchen has known this address for a long time. Now she has moved out of Gu's house. Gu Nanchen will definitely come here to find her at that time.

"Forget it." Xia Jinsheng shook his head and said to Gu Wensheng, "don't move, just live here."

Even if he moved to other places, Gu Nanchen still has a way to find him. Anyway, the final result is the same. Why move?

Besides, you can't hide from him all your life, can you?

Gu Wensheng smiled. Obviously, Xia Jinsheng has made his own decision now, so he doesn't have to worry about it here.

Although Gu Nanchen was already ready to come to the door, Xia Jinsheng never thought he would come so soon.

When the door bell rang, Xia Jinsheng saw Gu Nanchen standing in front of the door with a toy. Her heart almost jumped out. She subconsciously screamed.

"Ah."

Gu Nanchen frowned. Obviously, he didn't expect that Xia Jinsheng would open the door for him. His eyes scanned her like a searchlight before asking, "Why are you here?"

Xia Jinsheng is depressed. Look at what she said. What's the meaning? How did she appear here? She's a rolling mother. Why can't she come.

However... Xia Jinsheng secretly looked at Gu Nanchen. He frowned slightly, but there was no anger at the top of his eyebrows.

What's going on?

When Xia Jinsheng couldn't understand what she thought alone, Gu Nanchen directly ignored her and handed the toy to rolling hands.

The two people exchanged sweetly, and the picture was dazzling. Especially after Gu Nanchen casually said that he was a little thirsty,

The little guy immediately got up from the carpet and ran to the kitchen to get a glass of water.

The water was handed to Gu Nanchen. The little guy smiled cute and charming, "second uncle, drink water."

Gu Nanchen was stunned for a second. As a result, the little guy said, "thank you."

"Hee hee, you're welcome. This is what I should do. "

He nodded and did not disappoint the little guy. He drank all the water in the glass and touched the child's hair. The little guy looked flattering and clever. He had to admit that Xia Jinsheng educated his children very well.

And the clever and sensible man rolling in front of him is simply making up a sword for Xia Jinsheng's knee. Who brought her up so hard? In the twinkling of an eye, he joined the local camp. Xia Jinsheng was wronged. Her eyes were too resentful. It was hard for Gu Nanchen to find out. She was in a good mood and bent her mouth. But when his eyes fell to the side and he had not had time to pack the suitcase, Gu Nanchen's shallow smile solidified
