

《Sweet Marriage: Smart Cute Wife》

Chapter 33

"Say it quickly." Gu Nanchen's impatient tone was like questioning Hongxing's little wife. People couldn't help being short in front of him.

She smiled brightly, "how can I?"

As soon as the voice fell, the cold on Gu Nanchen's body converged, and even his aggressive momentum hid.

Xia Jinsheng breathed a sigh of relief. Although she said that what she said was half true and half false, it was really pure between her and Gu Wensheng. After all, there was a golden house in Gu Wensheng's villa in the eastern suburbs

Gu Wensheng's meal was soon ready. It tasted much better than Xia Jinsheng, but it was dull and tasteless because of their worries.

The atmosphere of silence opened up. Fortunately, a little guy played the role of mediator from time to time, otherwise this meal was torture for Xia Jinsheng.

This time after dinner, Gu Nanchen consciously followed Gu Wensheng and left without embarrassment to Xia Jinsheng.

In the next few days, Gu Nanchen still followed Xia Jinsheng home for dinner, so that Xia Jinsheng deeply doubted whether Gu's group was about to go bankrupt.

He is a dignified president of a company. After work, he doesn't have entertainment and doesn't have to work overtime.

But she also knows that bankruptcy is impossible.

Xia Jinsheng can only doubt whether the chef in the old house came home to take his little grandson. No one cooked at home.

After Gu Nanchen kept pestering her for nearly a week, Xia Jinsheng began to realize that she couldn't be so passive anymore, so she left work early in order to get rid of Gu

Nanchen.

As a result, there were more sneaky figures under the building of Gu's group. Xia Jinsheng didn't know that Gu Nanchen, who was in front of the glass window on dozens of floors, had a panoramic view of everything downstairs.

There was a light smile in his mouth. What would she look like if he let the little woman know that she was not free today? Gu Nanchen is happy to think about it.

Gu Ge, who walks in, catches a glimpse of Gu Nanchen's rare smile. His heart beats fast and the deer collide.

She was wondering what made him smile. When she was ready to explore the window, Gu Nanchen had closed the curtain.

"Cousin Nanchen." Gu Ge complains and complains about Gu Nanchen's behavior.

His expression had already returned to its normal cold appearance, glanced at the visitor and said indifferently, "what's the matter with you? Knock next time you come in. "

She put out her tongue playfully. Gu Ge said "I know", but her heart was another idea. She always thought she was special, so she didn't have to pay attention to the company in front of Gu Nanchen.

"It's all right. You can go out first." Gu Nanchen didn't say anything when he saw her coming in for a long time. Instead, he sat aside and looked at him. Even if he could ignore her eyes, he didn't like to be visited for free.

As soon as he heard it, Gu Ge was worried immediately. "Cousin Nanchen, I'm actually busy. Can I invite you to dinner?"

Gu Nanchen didn't lift his head and wrote hard on the document, "no time."

She seemed unwilling and was preparing to fight for it again. Gu Nanchen glanced at her coldly and pushed the document aside, "have you finished?"

"I....." Gu Ge opened her mouth. She wanted to say that she had something else to do, but she couldn't make a sound for Gu Nanchen's cold eyes.

I can only leave bitterly.

Gu Nanchen's troubles on this side have just been solved, but Xia Jinsheng on the other side has encountered the same trouble--

She was blocked by Lu Jun again.

"Why don't you give up?" Xia Jinsheng looked at the people in front of him with boredom. It's a pity that Jin Yu's good mood just got rid of Gu Nanchen was completely destroyed by him.

If she can, she wants to praise his persistence.

Lu Jun's expression was very serious, "Xia Jinsheng, I'll ask you again for the last time. Will you give me money?"

Xia Jinsheng twitched at the corners of his mouth. He really dreamed of asking such a righteous guy who took money from a woman. She ground her molar roots, "I'll tell you for the last time, don't daydream."

She crossed him and walked forward. This time, Lu Jun didn't stop her, but looked at her back and showed a sly smile that she was determined to get, "if I say you don't give me money, your little guy will be in danger?"

Her footsteps stopped, turned around and looked at Lu Jun incredulously. Her hand holding the mobile phone trembled.

Lu Jun thought he had achieved his goal and smiled more and more proudly, "that Xia gungungung is your daughter. She was kidnapped. You'd better give me some money, or I won't give you clues. "

Xia Jinsheng's applause suddenly rang out, suddenly clapped his palm, and issued a sigh of "tut tut", which made Lu Jun inexplicable. She only heard her touch her chin and say, "Lu Jun, it's a pity that you don't act."

She suddenly raised her hand and looked at Lu Jun with a sneer. "Do you know what's going on?"

Lu Jun shook his head. He just thought Xia Jinsheng was very strange, but he didn't think much. He just thought she was stimulated by the news, so it was so abnormal.

The next second, Xia Jinsheng picked up a small stone on the side of the road and aimed it at Lu Jun. he couldn't help but feel free to respond " Ah, madman. " Lu Jun was hit on the forehead and immediately covered his forehead with a roar. She patted her palm and looked at Lu Jun jumping up and down. She suddenly felt refreshed. "Crazy, your sister is crazy. Don't you see my mother just trying to restrain her desire to dial 110? Be careful. Next time you threaten me with such a thing by the way, call me once you see me. " After all, there is a great disparity between men and women.

Xia Jinsheng is worried about Lu Jun's retaliation for a while. He quickly stops a taxi and leaves. Lu Jun spat fiercely. He didn't believe that he had been taught a lesson by a little woman“ Crazy woman, I clearly want the real video. Since you don't believe it, I'll delete it and see how you do it, little guy. ” He cursed and took out his mobile phone. He was about to delete the video. Suddenly, he stopped, and his greedy eyes immediately focused on the huge Gu group building... Xia Jinsheng just got home and was proud of his deceptive trick of breaking Lu Jun, but when facing the empty house. Xia Jinsheng was very upset for no reason. He poured a glass of water and forced himself to calm down. When the melodious bell rang, Xia Jinsheng knocked over the glass in a hurry. A thin stream of water immediately ticked down the edge of the table. Xia Jinsheng had no time to clean up the glass. On the phone came the urgent verification voice of nanny Sister Zhang, "Miss Xia, did you pick up the little miss?" Her voice was a little noisy, or far or near. Xia Jinsheng guessed that she was at the gate of the kindergarten. But why can't you get summer rolling“ I didn't pick her up. Isn't she there? Did his uncle take it? ” Xia Jinsheng mentioned her heart to her throat. Although she was flustered, she didn't mess up and deliberated step by step. The nanny's words worried Xia Jinsheng even more. "No, Miss Xia, I just asked Mr. Gu. He said he didn't pick up the little miss. What should I do? The little miss seems to be missing."“ With the sound of "boom", Xia Jinsheng's ear exploded. The noisy sound completely isolated her from the outside world. Her brain kept replaying the sentence just now, "the little miss is gone"“ Bang hiss - "the crisp sound was the sound of Xia Jinsheng's cup falling and breaking to the ground. It successfully awakened Xia Jinsheng's mind. Like starting a mechanism in his body, Xia Jinsheng began to take action. She started to run out without stopping. She couldn't even care if the door was unlocked. Xia Jinsheng's heart was occupied by only one thing now, that is, she realized that something had happened to Xia gungungung. When Xia Jinsheng arrived at the kindergarten by car, he had countless stumbles and falls. Without exception, Xia Jinsheng quickly stood up after each fall, accelerated his speed and continued to run forward. When she met the nanny, Xia Jinsheng was very embarrassed and would fall again. Xia Jinsheng closed his eyes conditionally, but his body suddenly fell into a warm embrace. When she opened her eyes, she saw Gu Wensheng's reassuring face. Her nervous tension finally relaxed a lot. She tightened Gu Wensheng's arm, "uncle, roll her..." Gu Wensheng pressed his fingers on Xia Jinsheng's lips and frowned. "You don't have to say, I already know. Now we'll go to the kindergarten teacher to ask, If you can't, call up the surveillance video immediately. ” At this time, Gu Wensheng's phone suddenly rang. It was his assistant Qiao qiuruo. Her voice was a little embarrassed and urgent. "Mr. Gu, I'm afraid you have to come here..." hearing the speech, Gu Wensheng's face changed. Without saying a word, he pulled Xia Jinsheng into the car and said in a deep voice, "don't make trouble, I know where the rolling is." Her body froze and sat still. Gu Wensheng's extremely dignified expression made her aware of the seriousness of the matter. Her lips were white, and her fingers could not help shaking her fingertips. He drove all the way with Xia Jinsheng. I don't know how many red lights he ran. The scenery outside the window slowly changed from familiar to unfamiliar. High-rise buildings changed into dilapidated low houses. Xia Jinsheng's

heart fell into the bottom of the lake and was cool. When they arrived in the famous civilian area of the city, their car met Gu Nanchen. Xia Jinsheng had no time to investigate what was going on, so he hurried to the crowded place. The dense crowd blocked Xia Jinsheng's line of sight, but they all kept the same upward movement. Xia Jinsheng naturally noticed this. When she looked along their eyes, she stopped breathing. The heartbeat seemed to stop beating at that moment. Xia Jinsheng's foot was soft and almost fell to the ground
