

# 《Sweet Marriage: Smart Cute Wife》

## Chapter 46

When she got to the office, Xia Jinsheng found that Gu Ge was not the only one, and Chu nianwan didn't understand what Gu Nanchen meant.

Four people together can fight the landlord together, and three women have a play, ha ha, this play can be seen.

"Jin Sheng, why are you here?" Since the last time Gu Nanchen publicly announced at the Gu family that she was not going to marry, Gu Ge hated her bone marrow, and now naturally refused to see her.

Before Xia Jinsheng could speak, Chu nianwan began to complain to her, "cousin, sister Jinsheng, she works in the company."

"Do you need to remind me? Or are you insinuating that I shouldn't be here?" Gu Ge was about to slap Chu nianwan on her delicate face. Xia Jinsheng stopped her quickly.

When receiving the grateful eyes, Xia Jinsheng was just indifferent. If others respected her, she would also respect others. Moreover, people with a clear eye can see that Gu Ge is just taking the opportunity to find fault today.

"Xia Jinsheng, what are you doing? I'm your elder. Let go." Gu Ge roared. He really lost his identity.

Even if she was called by name, she was still unmoved. The remaining light from the corner of her eyes aimed at the man who had nothing to do with her. She only felt her teeth itching with hate.

Gu Ge broke away. In order to prevent her from hitting people again, Xia Jinsheng took Chu nianwan and took a few steps aside. Her eyes showed cold light, "why is cousin so angry? Without saying a word, he began to beat people. Did grandpa agree?"

It is an indisputable fact that Xia Jinsheng is deeply loved by the old man. Even if she made a mistake, the old man taught her a lesson himself. Gu Ge has no right.

Gu Ge's face was hard to see when she was suppressed by the old man she moved out.

His eyes suddenly turned to Gu Nanchen and brightened.

Holding a delicate voice, crisp and beautiful to the bone, "cousin, look at your two nieces, together to bully me."

Chu Nian was in a hurry to explain. Xia Jinsheng calmly held her. The former was puzzled, but when he saw the latter blinking his eyes, he remained silent.

"Cousin." The tone of Gu Ge's voice is nine twists and eighteen bends. Gu Ge can be said to use his housekeeping skills to act as a spoiled child. The people next to him immediately got goose bumps.

Gu Nanchen had to stop his pen, looked up and threw Gu Ge a indifferent look, "have you had enough?"

What's she doing? Gu Ge can't believe her ears. She must have just heard it wrong. But soon Gu Nanchen hit her hard again.

"As I said, Jin Sheng is your cousin." The tone of voice inherits the unique coolness, but there is no lack of a kind of courage to rule the world.

Hearing this, Xia Jinsheng's mouth almost came to the back of his head. I still remember someone pressed her with his identity just now. He hit her on the face

However, Rao was so. She didn't want to have anything to do with him. She quickly denied, "cousin, which tendon of my second uncle is wrong and nonsense. Leave him alone. "

Now not only Gu Ge's face is black, but also Gu Nanchen's face is black.

In Gu Ge's eyes, she obviously sold well when she got a bargain. She showed off to her in a different way. She was red with anger immediately. "Xia Jinsheng, don't be too proud."

Innocent took out the persecuted ear. Xia Jinsheng couldn't help rolling her eyes. Why is everything she has done wrong recently?

As for Gu Nanchen, it goes without saying that she knows what's going on with the cold around her.

"Well, if it's all right, I'll go down to work first." The quiet Chu nianwan finally opened her mouth. Her expression was a little numb. Xia Jinsheng thought she was frightened by Gu Ge.

As soon as she mentioned it, Gu Ge also had an excuse for a moment. Her eyes turned and her proud hands were held in front of her chest. The already plump chest was more straight, and a large area of snow-white was ready to come out at the V-neckline

Great, someone else's big chest.

Xia Jinsheng's naked eyes are too naked. Although it's an honor to be envied by the same sex, she can't stand being watched like this.

"What are you looking at?" Gu Ge put his hands on his chest and scolded, "you've gone to work all night. Don't you go yet?"

Xia Jinsheng couldn't refute this reason. She nodded bitterly and was about to leave, but Gu Nanchen suddenly stopped her, "Jinsheng, accompany me to market research."

Ah? When did the president have this job?

Now even Gu Ge can see that Gu Nanchen intends to avoid himself. He is unhappy and calls "cousin" like a spoiled child, trying to make Gu Nanchen change his mind.

"Huh?"

A simple syllable and a slightly oblique corner of the eye instantly subdued her governance.

Even Xia Jinsheng couldn't help sighing that Gu Nanchen's killing skill in his eyes was becoming more and more powerful. But he's not really going to market research, is he?

Are you kidding? Market Research travels far and wide. If you want to go to various shopping malls and relevant counters, you can kill people just by a huge distance.

After going out of the door and opening Gu Ge's back, Xia Jinsheng couldn't help pulling the man's sleeve and whispered in a warm voice, "we won't really go to market research?"

Gu Nanchen turned around. There was no superfluous look in his cold eyes. He deliberately sold it, "what do you think?"

"I think, hehe should..." she should be lazy. She couldn't say the last half sentence.

When he was taken to a dessert shop, Xia Jinsheng's eyes began to shine stars. Now no matter how he looked, he felt that Gu Nanchen was a man with his own holy light.

Sipping a cup of pearl milk tea with satisfaction, she gave a thumbs up without

stinginess, "second uncle, I think you are really handsome."

Gu Nanchen calmly and gracefully stirred the sugar in the coffee cup, and the years were quiet. The narrow Phoenix eyes narrowed slightly, flashing the fox's cunning.

The thin lips opened gently, and the enunciation syllables were complete, just like the beautiful notes jumping on the keys, "I'm so handsome, do you want to consider marrying me?"

Three words are inseparable from the ultimate goal. The smile on Xia Jinsheng's face successfully froze. The wind rolled up the beige curtains and the sun slanted in. But the time of these two people seems to be frozen, which is incompatible with the outside world.

Plop, plop. The heart beat irregularly. If his words had been four or five years earlier, Xia Jinsheng would have agreed without hesitation, but now... A sneer arose from the corners of her lips.

After sipping a sip of milk tea, it was sweet, but it couldn't be sweet to the bottom of my heart, "second uncle, your joke is not funny."

The frightful murderous spirit attacked her, and the atmosphere suddenly became tense. The veins of Gu Nanchen's forehead protruded faintly, and the man was restraining his anger.

"Bang", the glass table made a loud noise and spilled coffee stains. The man's face was more colorful than black coffee. "Xia Jinsheng, you really think I can't deal with you."

After being silent for a while, she nodded her head. In fact, she thought so, "second uncle, it's not handsome for you to pester so much."

She repeated what she had said.

Handsome?

Gu Nanchen's lips cut a cold arc. Since he was planted on Xia Jinsheng, when has he been handsome?

"You have no choice." He is overbearing.

People are shameless and invincible. In Xia Jinsheng's opinion, her second uncle is more than invincible in the world. He is simply seeking defeat alone. He wanted to lift the table angrily. "When did I marry you? Second uncle, don't ruin my reputation. "

Qingyu?

That pair of cold eyes looked people up and down, and almost wrote the word "doubt" directly. However, Gu Nanchen suddenly said, "you have to be responsible for me."

Xia Jinsheng was drinking milk tea, almost gushing out, patting the table and yelling: "responsible? What is my responsibility to you? " You have loved me for many years. Even if he is responsible, he takes advantage of it more, okay?

Gu Nanchen was not annoyed. He took out a piece of paper to wipe the water stains from the corners of her mouth and counted her crimes in detail:

"Why don't you get married? Unmarried pregnancy, running with the ball is even worse. What do you think? "

Her body trembled fiercely, like being struck by thunder, and the cells all over her screamed: it's over. She was found. Damn it, there's no whole body.

The woman's panic took a panoramic view. Gu Nanchen's smile expanded a bit and penetrated into every cell of the whole body.

"Second uncle, you haven't read all my precious books for many years, have you? This suit is enough for Sue. " Xia Jinsheng pretended to be surprised, holding her pink cheeks in both hands, with a shallow smile.

The collection she said was originally a collection of various romantic online novels, TV dramas and presidents, and the style is generally similar to the president's priceless little wife, sweet pet little wife, hot little wife reservation and so on.

The three words of the collection book made Gu Nanchen's conditioned mind pop up a large string of book names related to his little wife, which made Gu Nanchen's face black.

"No." Gu Nanchen coldly interrupted her. Obviously, he didn't want to continue the topic, "Xia Jinsheng, be lenient in confession and strict in resistance. Surrender can reduce your sentence. Give you a chance and choose for yourself. "

"I choose to abstain." Xia Jinsheng said the answer without hesitation. Up to now, she probably knows what he is going to do.

Gu Nanchen, who had long expected this result, suddenly got up and grabbed Xia Jinsheng's chin, forcing her to look at herself, "do you really think you can hide it? It's easy to know whose child the little guy is. "

Xia Jinsheng was hurt by him, and his eyes were angry. He was unwilling to go back:

"OK, you can check it. If you can, go and check the DN... "

The shouting woman paused, her eyes staring round, full of feelings such as consternation and regret. Xia Jinsheng wants to slap himself in the face. Why can't he always control his mouth.

But it's late. Gu Nanchen has listened very carefully.

Test DNA.

He forgot this. He was really smart and confused for a while? His mouth began to burst into a shallow smile, "I think your idea is very good."
