

《Sweet Marriage: Smart Cute Wife》

C6 Great Buddha

Tsk, how infuriating!

Xia Jinsheng picked her ears, "Uncle, you seniors, where do you find the habit of slapping the table whenever you have nothing to do?"

Gu Wensheng said with a cold face, "Did you know that your second uncle is back?"

She glanced downstairs and said lightly: "Then, isn't there a buddha sitting downstairs?"

Gu Wensheng's face became gloomy, "What if he discovers the person you're raising in the south of the city? Do you really think you can hide a person from us so hastily?"

Seeing that Gu Wensheng was so angry that he did not fight, Xia Jinsheng knocked on the door, and after he finished speaking, he turned around, "Uncle, I'm tired. I'll come talk to you about these trivial matters later."

"A small matter? Come back here!" Gu Wensheng choked on his words until green smoke rose from his head, then heavily smashed the table.

Seeing that she had directly returned to his room, Gu Wensheng was worried and took out his phone to make a call.

"Bring her to my place first. If anyone asks her where Jin Sheng is, tell them that she has something to deal with recently and will be staying in the old mansion for a period of time."

"But ..." The nanny opposite him looked at the angry little girl sitting on the sofa and hesitated for a few seconds before agreeing.

After hanging up the phone, Gu Wensheng wanted to rub his fingers, but he was shocked to find that Gu Nanchen was standing at the door.

Gu Wensheng immediately locked his phone's screen and stood up, "Ol 'Two, you're looking for me?"

"Big brother is busy?" Gu Nanchen's voice was indifferent.

"Nope."

"Dad called for a meal together."

"Got it."

After left, Gu Wensheng heaved a sigh of relief.

Although this little brother was younger than him by seventeen years, his imposing manner was so strong that it caused him to be unable to breathe. When he recalled what happened four years ago, he could only helplessly sigh.

When Xia Jinsheng walked into the dining hall, the atmosphere was especially weird.

Due to Gu Nanchen's sudden return, many of his unusual relatives were gathered on the table.

Everyone was chatting amiably, talking about family and friends. Laughter rang out, but few of them were smiling.

Seeing Xia Jinsheng coming over, one of them immediately coughed, pretending to be concerned and gossiped: "Xiao Jin, what's going on with today's engagement ceremony?"

With that said, everyone's gaze fell on her, other than Gu Nanchen.

Xia Jinsheng didn't dodge. She walked over naturally and sat in her own seat. Blinking her eyes, she replied with two words, "Guess ..."

The person who asked the question felt a bit awkward for a moment, but then laughed out loud. "You kids only have a little bit of wind and a little bit of rain, how could Aunt guess?"

Hearing this, Xia Jinsheng also giggled, "Aunt is joking again. You have taken good care of yourself, walking on the street with me like a sister."

She avoided the issue and cleverly shifted the topic of conversation away from them.

The woman laughed so hard that the lines at the corner of her eyes started to wrinkle. "You are the only one who has such a sweet mouth."

Master Gu looked around and seeing that everyone was present, he handed the cane to the maid beside him and said steadily: "Let's start eating."

At the dining table, the thirteen-year-old niece Gu Huaiyu's small eyes rolled around the crowd. She looked at Xia Jinsheng and asked, "Aunt Jin, why is it that you did not see your future uncle coming to eat together with you?"

Xia Jinsheng replied without thinking, "It's a quarrel."

The piece of meat in her mouth was just a piece of tender meat, but her cheeks were stuffed. The way she chewed made her look like a hamster. It was an indescribably adorable piece of meat.

"Ah?" Is your relationship that bad? " Gu Huaiyu was straightforward. She covered her mouth after she said it.

Unexpectedly, Xia Jinsheng was not angry, but instead smiling, her beautiful and exquisite little face paired with her pair of spirited big eyes, "It's just a couple making a ruckus, what do you know?"

"Love/fun ..." Gu Huaiyu nodded, still half understanding.

Xia Jinsheng looked around at the various people on the table, and laughed in an unfathomable manner, "Little girl, come to my room after eating, I will tell you in secret."

"Don't just eat meat."

Before he could finish speaking, he was interrupted by the man's low voice. Gu Nanchen looked at him coldly.

Xia Jinsheng was completely uncomfortable after being pierced by this gaze. She swallowed all the meat in her mouth and glanced at a certain direction.

In an instant, everyone in the living room held their breath and sucked in a breath of cold air.

The only person who dared to speak to Gu Nanchen like that was probably the person who was raised in the Gu family and did not know how high the heavens were or what kind of thing he was afraid of.

The pressure on Gu Nanchen's body suddenly dropped, it was extremely cold, causing him to unconsciously move his body.

Xia Jinsheng smiled innocently, she picked up a piece of meat and placed it on the plate in front of him, "second uncle, you only eat vegetables and not meat, you can't push the cart on the bed ..."

"Pah!"
