

《Sweet Marriage: Smart Cute Wife》

C8 This Is Great

Immediately, someone cleared his throat, "What nonsense are you talking about? You're a man who's about to get married, and yet you're still speaking so brazenly!"

"I'm not spouting nonsense." Xia Jinsheng slightly tilted her body, "Aunt, it's normal for men to love each other. It's not like you don't want to do it, why aren't I allowed to say it?"

The light and graceful voice that came out of her mouth caused Gu Nanchen's gaze to turn even colder. He really wanted to stand up and carry this little woman into her room, throw her on the bed, and teach her a lesson!

Ever since she foolishly climbed onto his bed at fourteen years old and hugged him like a koala, unwilling to leave, her eyes lit up as she did mental work for him in all seriousness.

She said, second uncle, you must know that it is human nature to love a man and women. In any case, in the future you have to do it, why not just follow me, it can also be considered fulfilling a wish of mine.

Wishing...

Her childhood dream had been to sleep all over the beautiful men, to be old enough to drive.

Later, every night after she had grown up, she shamelessly lay on his bed and showed him the goals she had written down.

"You have to have a lot of combat experience and become a slut on the bed."

As she spoke, she chuckled.

The pair of spirited eyes on her pretty and delicate face seemed to fall into starlight as it glittered.

And the relationship between uncle and nephew was finally broken on the day of her eighteenth year of coming of age ceremony.

They crossed the border.

She had indeed become a little goblin in bed, with her arms around him every night, nestled in his arms, rubbing against him like a kitten, and murmuring, "I'm going to tie you up."

However, after tying him up, she suddenly decided to leave and even forced him to do so with her life on the line.

Her coquettish voice combined with the words "human nature" today, making his heart itch and ache.

Her cold eyes swept across her flat stomach and she felt a lump in her throat.

He hated how free and easy she let go, and was angry that she treated him as a joke, angry that he was heartless, and even more resentful that he couldn't walk out of her body no matter what!

On the other side, Xia Jinsheng who was sitting on the sofa felt uncomfortable from his changing gaze.

Fortunately, after a moment, Gu Nanchen shifted his gaze and did not look at her again.

Gu Youyu's eyes darted back and forth between the two of them, then she asked Gu Nanchen, "second uncle, Grandfather said that since you've returned this time, he'll help you arrange the marriage. Have you taken a liking to a second wife?"

After saying that, Xia Jinsheng's body unnoticeably trembled, and unconsciously, her gaze landed on Gu Nanchen's body.

Everyone looked at Gu Nanchen with anticipation.

"Yes."

Although it was an unspeakable distance, the content was enough to make everyone in the villa jump in joy.

"Which girl is she from? Have we met? "

"When can I bring it back for everyone to see? It should be more accurate to set the date as soon as possible."

"That's right. No matter what, she isn't young anymore, and dragging it out isn't the

same thing. Let me guess, is it that little girl from the Ling family?"

Ling Family ... Xia Jinsheng retracted her gaze, feeling a chill in her palm.

The memory of four years ago came back to her so suddenly that she could hardly breathe.

"I have." Gu Nanchen's gentle two words caused the entire villa to explode.

The Gu Nanchen who had never lived a clean life, finally had a partner to marry!

Not only the group of people who liked to gossip, even the taciturn Master Gu was smiling.

Xia Jinsheng bypassed the crowd and poured herself another glass of water, but she couldn't finish it no matter what. Her white and tender fingers stroked the edge of the cup, then poured all the water into the sink and placed the cup back into the room.

He ...

Are they going to get married too?

Her heart felt like it was tightly clenched by an invisible hand, causing her to feel dizzy and lightheaded.

"Dong, dong, dong ..."

A few seconds after he returned to his room, he heard a rhythmic knocking on his door.

She opened the door, and looked at Gu Wensheng who was standing in front of her with a smile.

"You ..." Gu Wensheng's tone paused for a moment, he looked at her smiling face, and sighed: "I'll get the nanny to bring the person over there first."

"Thank you."

"The matter regarding Nan Chen ..."

"Uncle, I'm a bit tired." Her clear black and white pupils rolled in her eyes before she placed her hand on the door, preparing to close it.

Gu Wensheng wanted to say something but hesitated.

Xia Jinsheng smacked her lips, "Uncle, it's just a business relationship between us, why are you worrying so much ... Could it be ... fell in love with me? "

Looking at his smiling face, Gu Wensheng sighed and turned to leave.

Xia Jinsheng shut the door in one go, sprawled on the bed, and stared at the ceiling in a daze.

His heart was wailing.

After taking a few deep breaths to adjust her mood, she flipped herself up and took her change of clothes to the bathroom.

With the sound of water splashing, she thought it was time to call the person she was hiding.

About twenty minutes later, the bathroom door opened.

Her body was simply wrapped in a bath towel, revealing her round shoulders and her exquisite collarbones. Her white chest was wrapped within the bath towel, forming an alluring ditch.

Xia Jinsheng wiped her wet hair with a towel in one hand and picked up the phone on the table with the other.

Seven missed calls, no doubt from the same person. Blinking slightly, she dialed back.

Her bare feet swayed back and forth along her fair calves. After the call connected, she asked coquettishly, "Did you miss me?"

Ah!

Before she could even speak on the other side of the phone, Xia Jinsheng had already screamed!
