

《Sweet Marriage: Smart Cute Wife》

Chapter 91

Later, Qin Wen and Gu Nanchen reported what they had seen and heard that night. It took a long time for someone who has always been eloquent to choke out four words:

"I've seen a lot."

Assistant Qin said, "actually, you just went to fight with people." On the phone, uncle Qin Wen made it clear to himself.

It turns out that sometimes having a smart child is not necessarily a good thing.

A month passed in the twinkling of an eye. The wound on Xia Jinsheng's face was white and tender, and returned to its original beauty.

The personal new clothes show that Wei Qing mentioned to her before is also in full swing in city A. because it is the domestic first show of international designers, many people come in an endless stream.

The atmosphere was extremely tense and hyped by the media. When she entered the venue, the gorgeous and stylish layout almost blinded Xia Jinsheng's eyes. The noisy voice made her heart full of confidence suddenly.

"What, what to do? I was suddenly so nervous. " She was so nervous that her fingers trembled slightly. Er Chun, who came to cheer her up, suddenly understood her feelings and added fuel to the fire,

"Cold mix. Anyway, you're not supposed to be a model. Amateurs should go home and take care of their children. "

Her stimulation was counterproductive. Xia Jinsheng glared fiercely with great momentum, "hum, you just go home and take the children. I will be able."

Xia Jinsheng's body is full of self-confidence, which makes people forget who is God. Er Chun patted her on the shoulder and smiled, "yes, that's the momentum."

There was no spare time to quarrel with them. Xia Jinsheng was taken to the backstage to make up. Unexpectedly, when she passed by a beautiful and tall female model, the

other party sneered at her and snorted coldly.

Eh? What does that mean? What kind of enemy did she provoke?

The makeup artist knew about it and didn't want them to argue here. He hurried away with Xia Jinsheng. Unexpectedly, the female model followed up.

"Selena, don't go too far and pay attention to the occasion." The makeup artist's face is ugly. I think it's not conducive to the show for a while if they make trouble here.

"Irene." Selena once swept the makeup artist's shoulder. Irene, who was one meter six, looked very petite in her arms. She smiled and comforted Irene, "don't worry, I won't do anything."

When she raised her eyes, her face changed instantly. With obvious hostility, Xia Jinsheng frowned and thought that this man might have learned to change his face.

Selena hooked her lips, full of sarcasm, "don't think you're Wei's junior sister. You can be proud when you become the finale. He's mine. I'm better than you. "

After a long time, Xia Jinsheng finally understood that this blonde foreign sister with big breasts and buttocks might like Wei Qing, so she was hostile to herself.

She's taking the blame, okay? The finale is not what she wants. It's Wei Qing's decision. Hey! However, Xia Jinsheng will not admit it anyway.

What do you mean you don't want me to be excellent? The corners of her mouth smoked. She would never lose to this man. She actually looked down on her.

Her nervousness was replaced by the militancy provoked by a girl of her age named Selena. The host was able to talk and talk. He was a rare talent. He quickly fried the scene atmosphere. Each guest smiled and showed his interest.

In the dynamic music, tall models swarmed out one by one, seizing the display time of more than ten minutes in order and just right.

It not only gave the guests enough time to show their charm, but also publicized Wei Qing's clothes, competing for wonders and beauties. The audience was overwhelmed but pleasing to the eye.

The impetuous heart was washed, and the turbid eyes became bright. They enjoyed this rare visual feast. The specially invited media took the camera in their hands, and the flash never stopped.

Applause broke out one after another.

At this time, the venue suddenly became strangely quiet. The sound engineer stopped the previous music, and everyone was waiting in their position. Next was the exhibition of Wei Qing's masterpiece - "hot".

The model dressed in "hot" is Selena. Xia Jinsheng is excited all of a sudden. Only when he knows himself and the enemy can he be invincible. She came to see where this Selena was outstanding.

At the moment when the more fiery background music sounded than before, Selena appeared at the starting point of the T platform, and Xia Jinsheng's pupils narrowed slightly, because now she was wearing a set of slim black leather clothes and black hot pants.

It's beautiful, but it's not hot enough, and it doesn't look like the level of Wei Qing's masterpiece.

What's going on?

The guests under the stage looked at each other and saw that they were puzzled from each other. Selena was not a bit flustered. Her steps were very stable, beautiful and stylish.

She suddenly controlled the atmosphere on the stage, and gradually the guests' eyes fell on her, wondering what tricks she could play.

Halfway through the journey, Selena looked at Xia Jinsheng's position from the corner of her eyes, and her mouth opened a confident smile, dazzling and eye-catching.

Like an endless burning sun. Wait, I said Wei was mine. Selena said this silently in her heart, quickly dispelled these distractions, and stroked her fingers on her neckline, where there was a bow. With a slight pull out, there was a sound of inhalation. The venue was strangely quiet for a few seconds, but thousands of eyes were firmly read on Selena. Xia Jinsheng's pupil almost shrunk to a point, which was unbelievable. Because Selena burst her clothes in public, she didn't dare to look at the T-stage for a moment, but Xia Jinsheng couldn't look away after she saw what Selena was wearing. On such a big T-stage, Selena, a famous model, suddenly burst into clothes. Her protruding figure caught everyone off guard and stared.
