

Sweetheart 101

Chapter 101: What a Blockhead!

“A son-in-law is...”

Luo Chenxi paused.

“A son-in-law is a little brother who plays with you.”

After thinking for a long time, she finally came up with a relatively safe answer.

The little dumpling’s eyes lit up and she said excitedly, “Then, Tang Tang has a lot of sons-in-law! There’s brother Shaoxuan, brother Yan, brother Qi, and...”

“Cough cough cough... Stop, stop, stop! Tang Tang, why do you have so many little brothers?”

The little dumpling tilted her little head and bit her finger. She innocently blinked her big round eyes.

“Because they are all very handsome!”

After a pause, she added, “But brother Shaoxuan is the most handsome!”

Luo Chenxi facepalmed.

Why was her little dumpling so obsessed with looks?

Who did she inherit it from? Just who!

Did Mu Yichen seem like that kind of person?

boxn ov el. c o m

“Ahem, anyway... it’s getting late. Let’s go home.”

Luo Chenxi was afraid of accidentally being a bad influence to Tang Tang. That might just cause the little girl’s daddy to finish Luo Chenxi off with euthanasia.

She quickly cut off the conversation and carried Tang Tang into the car.

...

At the Mu family Villa.

“Ring, ring...”

The crisp ringing of the phone sounded.

The butler, who was instructing the maids to prepare dinner, stopped what he was doing and went to pick up the phone.

“This is the Mu residence. May I know who this is?”

There was a moment of silence on the other end of the phone.

The butler thought that it was a wrong number on the other end and was about to hang up when a voice was heard. "I haven't been home for the past few days. Is everything alright back there?"

"Ah? Young... young master?"

The butler almost dropped the phone in his hand from the shock.

'Why did the Young Master suddenly call home? He's even asking about the situation at home!'

In the past, when Mu Yichen went overseas for work matters, he never once called home on purpose.

Now, it had only been less than ten days since he left, yet he was already making a call back home.

Could it be that Mu Yichen was not satisfied with the butler's performance?

The poor butler shivered from head to toe and answered with trepidation, "Young Master, don't worry, I, Old Chen, have always been a diligent worker. Everything is in good condition at home, every nook and cranny of the house remains sparkling clean."

"The wines hidden in the underground basement are arranged in their correct order and preserved under the correct temperature. I just went to have a look, there are no problems indeed. As for the trees in the backyard..."

"That's enough, I'm aware of all of this. Is there anything else?"

Mu Yichen quickly cut him off on the other end of the phone.

"Ah? Anything else? Young Master, is there anything else you want to know? I will definitely report to you truthfully!"

The corners of Mu Yichen's mouth twitched, and he spoke more bluntly, "It's just... How's everyone at home? Is everyone alright? Has Tang Tang been a good girl? What about Weiwei and Yiling?"

The butler finally reacted and quickly said, "Young Master, so this is what you were asking about! The Little Miss has been a very good girl, she's been in a good mood everyday. The Young Miss has also been attending school on time, the second Young Master has been going out to play pretty often, but he always returns home before twelve midnight, so everything is fine at home!

"You..."

Mu Yichen held his frustration in his chest.

He tried asking about his siblings and Tang Tang, and the butler really only talked about the three of them and nothing else!

Could he not just say a little more?

What a blockhead!

Mu Yichen leaned against the headboard of the bed and looked out the window at the dawn with a gloomy face.

He had been to the M Country for more than a week, but not only did a certain damnable woman not call him, she did not even send him a message. She completely treated him as a cheapskate husband who did not exist.

Seemed like she indeed wanted him to be away from home so no one could control her.

“Other than them? The rest of the people in the house...” Mu Yichen tried to beat around the bush.

At this moment, a child’s voice came from the phone, “Big sister, Tang Tang is hungry. Can Tang Tang have a piece of chocolate first?”

Mu Yichen pursed his lips and changed what he wanted to say, “Pass the phone to Tang Tang!”

Chapter 102: Daddy, Is Big Sister Missing You?

Luo Chenxi was carrying Tang Tang back into the villa when the butler greeted them.

“Little Miss, you’re back just in time. It’s a call from the Young Master.”

The little dumpling’s eyes sparkled and she cheered, “It’s daddy’s call! I want to take it, I want to take it!”

She jumped down from Luo Chenxi’s embrace, ran to the phone as she made tapping noise on the floor and picked it up.

“Daddy!”

Hearing his little princess’ childish and cheerful voice, Mu Yichen’s eyes showed a trace of warmth, and his mood became less gloomy.

“Tang Tang, have you been a good girl while daddy is away?”

The little dumpling pouted. “Of course Tang Tang has been a good girl! Tang Tang has been a good girl everyday! She has been a good girl during meals, while she goes to bed, and when she goes to kindergarten! Tang Tang has been playing games with big sister too, and she tells me stories while we’re at it!”

When Mu Yichen heard Tang Tang mention Luo Chenxi, he subconsciously adjusted his sitting posture and brought the phone closer to his ears.

This girl really was his daughter in flesh and blood!

As expected of his dear little cotton ball, he did not dote on the little girl for nothing.

It was an absolute stark contrast to the blockheaded butler.

boxn ov el. c o m

The little dumpling rattled on and finally concluded, “Daddy, big sister is enough to keep me company, so daddy should stay in M Country and work hard to earn more money. Daddy doesn’t have to bother rushing back home, okay?”

The smile that Mu Yichen squeezed out instantly froze on his face.

His little princess actually told him not to come back?

How could this be?

In the past, Tang Tang would always cry and ask her daddy to come back and play with her whenever Mu Yichen called home.

The little dumpling paused for a while, then said, "Daddy, I'm hanging up!"

Mu Yichen quickly said, "Wait, let me ask you this, what do you usually do when you are with your big sister at home?"

He was not concerned about that woman, he... only wanted to make sure that she was not being a bad influence to Tang Tang!

The little dumpling innocently answered, "Big sister plays jigsaw puzzles with Tang Tang, and she also tells Tang Tang stories! She even made Tang Tang a pair of pretty gloves! Oh, right, big sister also likes to draw by Tang Tang's side..."

At this point, she suddenly lowered her voice, "Daddy, big sister draws a lot of pictures of you! Is she missing you?"

Before Mu Yichen reacted, Luo Chenxi, who had been standing by Tang Tang's side, suddenly blushed furiously.

She did not expect the little dumpling to suddenly say such a thing!

When had Luo Chenxi ever drawn pictures of Mu Yichen?

Even if she had, it was... it was definitely not because she missed him!

It was purely because she had not gotten any inspiration for the past few days and could not finalize the designs of the remaining three menswear. That was why she was using Mu Yichen as her model for her designs, so she could reignite the state where she got her inspiration that night.

In the end, it did not really work out...

However, Tang Tang saw everything and even made up her own explanation for it.

Luo Chenxi could not help but pinched the little girl's chubby hand, she gritted her teeth and said, "Tang Tang, don't talk nonsense! When have I ever drawn pictures of your daddy?"

"Big sister, lying is bad, Tang Tang saw it with her own eyes!" The little dumpling unhappily puffed her cheeks.

Luo Chenxi could not imagine how Mu Yichen would react when he heard these words.

The only thing worth rejoicing was that the two of them were currently half a globe apart from each other, so it was impossible for Mu Yichen to see the embarrassed look on Luo Chenxi's face.

Otherwise, she would totally dig a hole and hide herself in it.

Mu Yichen subconsciously curled the corners of his lips.

He knew that the woman's cold attitude toward him was all an act. It must have been a trick to draw his attention.

Thinking of this, he said to Tang Tang, "Put your big sister on the phone."

Tang Tang blankly blinked her eyes. Before the little girl could answer, Luo Chenxi had already vaguely heard the voice from the phone.

How would she dare answer the phone when she was already feeling so awkward? So, she immediately stood up.

"Tang Tang, didn't you say you liked sweet and sour fish? Big sister will make some for you today!"

As Luo Chenxi finished, she escaped into the kitchen as if she was running for her life.

Mu Yichen heard the commotion on the other end of the phone and became so angry that he gritted his teeth.

'This d*mn woman!'

How dare she cook when he was away? He had not even tried her food yet!

"Very well then, do you think I can't do anything about you while I'm abroad?"

Mu Yichen sneered and called Zhuo Feng. "Get me the first flight back to China tomorrow morning!"

Chapter 103: I'm Such a Gentle, Lovely, Virtuous and Beautiful Young Lady!

The next day, Luo Chenxi called Fang Ziqian.

"Little Qianqian, I've been thinking about what you said yesterday..."

After coaxing the little dumpling to sleep yesterday, she spent another night in front of her laptop.

In the end, she had no choice but to admit that she had exhausted all her inspiration.

There were only 20 days left until the semi-finals began, so she really did not have much time left. She had to finalize the design within the next two days.

Although it did not sound very fitting for her to be looking for a young master from a club, she had to try doing anything she could.

Fang Ziqian snorted. "Well? Have you finally figured it out? I was right, wasn't I?"

Luo Chenxi smiled fawningly. "Little Qianqian is such a genius, I'm so ashamed to be inferior to you. So, when are you free to take me to Secret?"

"Today is fine. I'll see you at the entrance of Secret tonight!"

At nine o'clock in the evening, Luo Chenxi showed up at the entrance of the most luxurious club in T City on time.

She wanted to head in while she waited for Fang Ziqian, but she was stopped by the security guard at the entrance.

“Miss, our club adopts the membership system. Please show me your VIP member card.”

boxn ov el. c o m

“My friend hasn’t arrived yet, I’ll wait at the entrance for now.”

Luo Chenxi took a few steps back.

A young man suddenly appeared behind her. His eyes lit up as soon as he saw the woman.

“Miss, are you here at Secret for some fun? How about this, let me take you in, and you can put everything on my tab! I’ll make sure you have a good time.”

As he said this, he repeatedly sized up Luo Chenxi with a face full of amazement.

Luo Chenxi was wearing a black, tight-fitting mini dress. Its style inclined toward the conservative side, with only a few sequins at the neckline as embellishments.

However, this could not hide her curvaceous figure at all, especially her pair of heaven-defying slender legs. She easily became the focus of the crowd.

The young man’s eyes revealed a look of desire. “Miss, have you considered it? I’m Young Master Qian from Cheng Dong Construction. If you come with me, I’ll even consider giving you anything else you want, let alone a night of fun in Secret.”

As he spoke, he reached out his fat hands in an attempt to grab Luo Chenxi’s hand.

Luo Chenxi turned around and saw Young Master Qian’s pig-like fat face and instantly felt like throwing up.

“What a hideous face, don’t go around hitting on girls with that face of yours, will you? Do you know that you are being a disgrace to the city’s image?”

“What did you say?” Young Master Qian’s face instantly turned red as tomatoes. “You wretched girl, that’s a pretty sharp mouth that you have there! I’d like to see how good that mouth of yours will be when we get in bed!”

He dashed toward her in a few steps and lifted his right hand in an attempt to hit Luo Chenxi.

Luo Chenxi pursed her lips and decided she should use this chance to teach this good-for-nothing a lesson.

Trash like this was her favorite, they were perfect subjects for her to stretch her muscles.

However, at this moment, Fang Ziqian’s voice came from behind. “Little Xixi, are you... are you trying to hit someone again?”

Luo Chenxi subtly withdrew her legs that had already reached out halfway for a kick.

“Ahem, Little Qianqian, you saw it wrongly! You really did! I’m such a gentle, lovely, virtuous, and beautiful young lady, why would I hit someone?” Luo Chenxi blinked her big and watery eyes as she feigned a face that looked as innocent as it could be.

Fang Ziqian glared at her. "It would be a lie if I tell you that I believe what you just said!"

Luo Chenxi was not just any frail little girl. Back in the orphanage, even an entire group of boys were no match for her in a fist fight.

Later on, she even picked up taekwondo.

She might be a beauty, but any hooligan who dared harass her were all beaten up by her into oblivion.

Back then, she was the tyrant of the orphanage.

"Whatever, let's hurry up and get inside, I specially booked a large room for this occasion. The soundproofing in there is top-notch, you can do whatever you want without a care for the outside world!"

Chapter 104: Get Us The Most Handsome Ones, We Won't Take Any Inferior Products!

Luo Chenxi followed Fang Ziqian into the club.

Suddenly, Young Master Qian caught up behind them.

"You little b*tch, stop right there! Didn't you hear what I just said? You are going to keep me company for the entire night! Oh, will you look at that other chick right there, you are pretty good looking yourself too. Seems like it's my lucky day! Hurry up and stop them!"

He had a few lackeys by his side. They swarmed toward Luo Chenxi and Fang Ziqian and stopped them in their tracks.

Each and everyone of them wore a smug look.

"Ladies, do you even know of Young Master Qian's social status? He's letting you both keep him company because he thinks highly of you!"

"You'd do well to be good girls. Otherwise, don't even think about staying in T City anymore!"

Luo Chenxi glanced at the group of goons and wondered if she should just beat them up, or beat them all up, or beat them the h*ll up.

If it were not for Fang Ziqian watching her, Luo Chenxi would have gone ham on those guys!

At this moment, the security guards from Secret Clubhouse suddenly strode toward them.

Young Master Qian had a smug look on his face as he gestured his hand at the blokes. "Save your trouble, save your trouble! There's no need for you lackeys from Secret to lend a hand. My men alone can handle it..."

However, before he could finish his sentence, the security guards interrupted him with a serious look on their face.

"Young Master Qian, if you insist on harassing our diamond-class VIP customers, we are going to have to ask you to leave at once."

Young Master Qian's expression instantly froze. "What... did you just say? What diamond-class?"

Young Master Qian had spent up to millions in Secret in a year, yet he was only a junior-class VIP. How was it possible for the two ladies who wore such ordinary clothes to be diamond-class VIP customers?

The security guard ignored him and nodded at Fang Ziqian. "Miss Fang, You're here again today!"

Fang Ziqian smiled. "Yes, and I brought a friend with me today."

"Please come in, please come in."

Luo Chenxi exclaimed, "Little Qianqian, you're doing pretty well now, huh? That Young Master Qian's face went pale back there."

Fang Zi Qian lowered her voice and whispered into her ear, "That's all thanks to that spendthrift of a boss of mine squandering his money like dirt here everyday!"

As they spoke, they followed the waiter and reached their private room.

Fang Ziqian gestured her hand. "Go and fetch me your hottest male hosts in the club, and make sure they are the most handsome ones, we're not taking any inferior products!"

"Um... it'd be best if they also have some sort of abstinence in their temperament, are six feet tall and look good in suits!" Luo Chenxi added.

The waiter widened his eyes and stood rooted to the ground after hearing their requests.

Luo Chenxi furrowed her brows. "What are you standing there for? Don't you have any male hosts of the traits we just requested? Look, what did I tell you? There are few to no good looking men in clubs..."

"No, no, no, miss... Please don't get the wrong idea. Our young masters in Secret are of absolute top quality! Your requests shall all be fulfilled, I'll bring them in right away."

The waiter came back to his senses and hurriedly agreed to Luo Chenxi and Fang Ziqian's requests before leaving the room.

His face was still in shock.

He was aware of who Fang Ziqian was, she was one of the shareholders of Secret—Bai Shixun's all-purpose female secretary.

Fang Ziqian had never spent a penny in the club herself. Every time she brought a woman along, it would always be the Second Young Master Bai's new squeeze.

This time was definitely no exception.

'However, isn't this woman way too bold? She could've fooled around anywhere else, yet she chooses to openly fool around right on the Second Young Master Bai's turf when she's supposed to be his side chick!'

How could he be so unlucky to get dragged into this? What should he do now?

...

At the same time, a private plane slowly landed at T City international airport.

Mu Yichen got off the plane and entered a Cadillac that had been waiting to pick him up for a while.

“Back to the villa, make haste!”

He subconsciously raised his wrist and looked at his watch.

If he went back now, he could still make it in time for dinner.

There might even be sweet and sour fish for today as well.

However, just as the car started, his phone rang.

Mu Yichen glanced at the name displayed on the screen. He was reluctant to pick it up, but the other party was persistent and the phone continued ringing for a long time. He had no choice but to tap on the button to accept the call.

“Bai Shixun, why are you calling at this time? I’m still in M Country for my business trip.”

“Business trip my *ss! I’ve already asked Zhuo Feng about it. Your flight today has already returned to the country. Quit making excuses and get your *ss here! The boys have all arrived, we’re waiting for you!”

Chapter 105: Her Eyes Would Hurt From Looking At Them

Mu Yichen chuckled coldly.

Zhuo Feng had really gotten bolder these days, he even had the guts to spew out Mu Yichen’s whereabouts.

Be prepared to be fed to the penguins in the south pole!

“Not going!”

“Mu Yichen, what’s going on with you? Ever since you got married, you’ve been skipping all the meet-up with the boys. Could it be that you are smitten by that vixen Luo Chenxin for real? Oh, right, I’ve also heard it from Jinsi, you threw tens of millions to acquire a fabric shop from the He Family just for her, is this all true?”

Mu Yichen frowned, “Watch your mouth! After all, she’s already part of the Mu Family!”

“What the h*ll, Mu Yichen! You didn’t fall for that woman for real, did you?” Bai Shixun exclaimed.

Hearing this, Mu Yichen felt an indescribable depression in his heart.

“Can you stop your ridiculous guesses? I’ll go, alright? I’ll go!”

As he hung up, he instructed the driver to change the destination.

He opened his contact list and hesitated for a moment before tossing his phone aside.

...

boxn ov el. c o m

At the Secret Clubhouse.

Luo Chenxi and Fang Ziqian were sitting in the private room.

The wine and snacks were served very quickly, but the young masters were nowhere to be seen.

After a long time, the waiter came back with five to six young men following behind him.

“Ladies, these are all the popular male hosts of Secret. Please have a look, which ones do you prefer?”

Luo Chenxi frowned at the sight of the few men walking into the room.

In the first place, she expected the male hosts of the club to be mediocre at best, but she never would have thought that the quality was as bad as this!

However, before she could speak, Fang Ziqian snapped.

“Chen, are you screwing with me? Haven’t I made it clear enough for you to pick out the most handsome ones? How dare you bring us something so subpar?”

As soon as she finished, one of the men could not help but retorted, “Miss, you are going too far with your words. How is it that we are not considered good looking?”

Those capable of staying in Secret were all veterans of the industry.

This was the first time they had someone else looking down on them based on their looks.

The waiter hurriedly stopped him, “That’s enough, Miss Fang is a diamond-class VIP customer!”

“What? Diamond... diamond-class VIP? I’m sorry!” the man was shocked. He quickly lowered his head and apologized.

Fang Ziqian ordered angrily, “Bring someone else, get those elites of yours out here! Go now!”

The waiter became even more frustrated at her determined voice.

Based on the status of these male hosts, they were indeed in no place to serve diamond-class VIP customers. However, that was exactly why the waiter chose to bring them in.

He did so in an attempt to make Second Young Master’s side chick drop the idea of fooling around at the sight of the mediocre-looking men.

Who would have thought that it only went half as he planned, the two women were deadset on looking for better ones!

Just as the waiter left, Fang Ziqian immediately turned to Luo Chenxi and apologized, “Little Xixi, that was just the waiter being unsensible! I swear that there are better looking men in here, just wait a little longer!”

Luo Chenxi was actually getting a little impatient.

What a bunch of ugly mutts, her eyes would sting from taking so much as another glimpse at them. It felt better for her to head back home and stare at Mu Yichen’s photos, that might be even more effective.

However, facing Fang Ziqian's expectant gaze, she reluctantly nodded. "Alright then, let's give it one more chance."

This time, the waiter brought a new batch of male hosts into the room in just a few minutes.

There were only three of them, but each and every one of them had handsome facial features. They were tall and had long legs and could indeed be considered handsome men who were one in a million.

As expected of the elites, they were also very professional. They introduced themselves as soon as they came into the room.

They were friendly and approachable, and at the same time, they gracefully maintained a proper etiquette.

The waiter rubbed his hands and said, "Hehe, ladies, these three are our hottest elites in Secret. The amount of requests for their service is overwhelming, I had the manager reserve them just so you can have the priority!"

Fang Ziqian was finally satisfied, she nodded. "Well, that's more like it. Little Xixi, who do you like? Or do you prefer having all of them?"

The waiter trembled when he heard Fang Ziqian.

All of them!

'Isn't she being way too bold?'

Luo Chenxi raised her head and glanced at them. Her gaze did not linger on any of them for more than a second.

She shook her head. "Sigh, these are alright. Are there really no better looking ones?"

These few were passable in terms of looks.

However, when compared to Young Master Mu's naturally cold and composed temperament, they were as good as pretentious douchebags trying to look cool.

Chapter 106: Strip, Just Do It

The waiter's mouth twitched as he spouted curses in his heart.

These three were the very best in the industry in T City. Be it their looks or their temperament, they could very well be qualified to debut even in the entertainment industry. Countless daughters from wealthy families would spend a fortune for their services.

'Yet this woman's evaluation of the men is just 'alright'? And she even tried asking for better looking ones?'

He laughed dryly. "Ladies, it's not that I haven't tried my best, but there really isn't anyone better than them."

Seeing that the waiter did not seem to be lying, Luo Chenxi said helplessly, "Alright then, I guess that's all we can do with. I'll have all of them!"

One man might not be enough to give her the inspiration she needed, but perhaps there would be a better chance if there were three of them?

'She really took all of them!'

The waiter left the private room in shock.

Before he could close the door, he overheard 'Second Young Master Bai's side chick's' voice. "The three of you, take off your shirt first."

'She went straight for the main dish!

'She even asked all three of them to do it at once.

'It's all over, poor Second Young Master Bai!

boxn ov el. c o m

'He's so getting branded a cuckold!'

In the private room, the three young masters were also shocked at Luo Chenxi's request.

"Miss, isn't it way too fast for this? Let's relax and drink for now as we set the mood..."

"Just do it!" Luo Chenxi ordered impatiently.

She had been wanting to get rid of those fancy-colored coats with messy ornaments that the three men wore as soon as they came in.

From her perspective as a designer, the three men's outfits that they thought to be unconventional just seemed so out of place.

These horrendous outfits would only kill off any potential inspiration that she might be getting in the first place.

...

On the top floor of Secret.

In the most luxurious private room.

Mu Yichen walked in with a travel-worn face.

Bai Shixun clicked his tongue. "Yichen, there's definitely something wrong with you these days! It takes urges and begs for you to hang out with the boys, and when you finally arrive, you show up through the door with that dark face of yours, what's the meaning of this? This calls for punishment, three glasses, down them all in one shot!"

Mu Yichen glanced at him, picked up the wine glasses, and downed all three glasses in a row.

"Happy?"

Bai Shixun saw no changes in his expression and immediately got bored. "Forget it. Let me ask you this, what's going on between you and Luo Chenxin?"

“What do you mean ‘what’s going on’?”

“Enough pretending! Do you really think the boys are daft? That they can be daft enough to not notice your recent change in attitude toward that woman?”

He Jinsi could not help speaking up, “Yichen, when you bought the fabric shop that day, you did it for Luo Chenxin, didn’t you? Don’t try to lie, I asked the shop manager afterward, the person you had him attend to was none other than Luo Chenxin!”

Mu Yichen narrowed his eyes. “Jinsi, I didn’t expect you to be infected by Second Young Master Bai and become so gossipy.”

“What do you mean ‘gossipy’? He Jinsi had a serious expression. “I just can’t bear to see a brother of mine falling into a manipulative b*tch’s trap! Can you wake up? What is it that you like in a woman that you have chosen to be with Luo Chenxin?”

Mu Yichen retorted with a displeased expression, “What the h*ll is this? Did you guys call me here to gang up on me? How many times do I have to say it, there’s nothing between me and Luo Chenxin! She’s just a woman that I married to coax grandma. I went as far as helping Luo Chenxin to prevent the Mu Family from losing face.”

Bai Shixun sneered, “Let’s hope you truly meant what you just said.”

“Mention Luo Chenxin again and I’m leaving!”

Hearing this, Bai Shixun and the others could only swallow any words they were itching to say.

At this moment, someone knocked on the door of the private room.

“Come in.”

An unfamiliar waiter walked in with a nervous and anxious expression.

“Who are you? Did you come into the wrong room?” Bai Shixun frowned.

The waiter made up his mind and said through gritted teeth, “Second Young Master Bai, not... not good! You’re going to be cuckolded, and you’re getting it in threefold!”

Chapter 107: How Many Days Has It Only Been? Has The Loneliness Got to Her Already?

A dead silence suddenly fell upon the room.

Everyone turned to look at Bai Shixun with strange gazes.

Bai Shixun was also confused himself. “What the h*ll? What do you mean by ‘getting cuckolded’? Explain.”

The waiter explained in trepidation, “Secretary Fang brought a woman who looked prettier than famous celebrities to Secret. She even booked a private room and summoned our three elite male hosts, now they are... Um...”

He pondered about whether or not he should bring up the word ‘strip’ that he heard when he left Fang Ziqian and Luo Chenxi’s private room.

He Jinsi could not help but burst out laughing. "Now this is interesting! It's always been the Second Young Master Bai who's two-timing, this is the first time someone has branded you a cuckold! How rare! Isn't your recent side chick the popular star, Yu Jiani? She's supposed to be known for being pure and innocent, isn't she?"

Bai Shixun frowned. "Yu Jiani went to R Country for a shoot together with the crew, it's impossible for her to be here."

Bo Tingyuan, who had been silent all this time also spoke up in surprise, "From the looks of things, doesn't this mean that she isn't your side chick, but a friend of Secretary Fang's?"

The waiter also realized that he had made a mistake and anxiously tried to leave.

However, Bai Shixun stopped him. "Wait, bring me to the control room to have a look."

"Tsk, Shixun, are you a pervert? Your secretary came here to have fun during her private time, why are you peeking on her?" He Jinsi frowned.

Bai Shixun sneered. "Don't you think it's weird? This Secretary Fang of mine, who is a blockheaded old virgin hag, actually came fooling around in a club! What's more, she has been instructed by my old man to keep an eye on me everyday, so I'd like to take this opportunity to try to get a hold of her to stop her from stabbing me in the back!"

boxn ov el. c o m

"So, what do you think? Are you in for a good show?"

Everyone in the room shook their head in denial of being a pervert.

Bai Shixun clicked his tongue and went off alone.

Mu Yichen stayed sitting in the room for another while, but he got up after waiting quite some time for Bai Shixun to come back.

"Alright, it's getting late, I have to head back." He paused, then added, "I haven't seen my little princess for ten days, she must be missing me."

"When Shixun comes back, tell him..."

Before he finished, the door of the room was pushed open.

Bai Shixun dashed into the room in panic, he quickly tugged on Mu Yichen who had put on his coat and was just about to leave.

"Holy sh*t, Yi... Yichen, you can't leave! This is big news!"

The rest of them never expected to see Bai Shixun return with a frantic look on his face as if he ran into a horrifying ghost after peeking on his secretary.

"What's going on? Could you have found out that Secretary Fang is a guy?" He Jinsi was still making sarcastic remarks.

Bai Shixun ignored He Jinsi as he stared at Mu Yichen and said. "Yichen, this is bad! Luo Chenxin is in Secret! She even ordered three hookers, and they are already half naked..."

Mu Yichen widened his eyes in bewilderment. "What did you say? Luo Chenxin?"

"Exactly, it's her for sure! There's no way I would've seen it wrongly! I've told you before, once a b*tch, always a b*tch! She's only putting up a well-behaving front recently to deceive you! Look at this now, you've only been away for a few days, and the loneliness has already gotten to her. Now she's at a clubhouse fooling around with other men!"

Mu Yichen face darkened before Bai Shixun even finished talking. He brushed past Bai Shixun and strode out of the room.

He Jinsi and Bo Tingyuan's faces changed as they came to their senses.

"Not good, look at that look on Yichen's face, it's been a while since he's gotten this angry!"

"Quickly, follow him! He might do something rash..."

The few men dashed out of the room together.

Chapter 108: Getting Cuckolded Is Also a Way of Life

In the corridor, the three of them sprinted as fast as they could before managing to stop Mu Yichen.

He Jinsi said, "Yichen, calm down! You have to calm down no matter what! Don't do anything rash just because you are angry!"

Bo Tingyuan also chipped in, "It's illegal to kill someone after all. Although the Mu Family will have their way of covering that up, do you really need to get yourself into such a big trouble for that woman?"

Mu Yichen's face remained extremely gloomy.

Bai Shixun walked up to him and patted on Mu Yichen's shoulder, "Hey, dude! How big of a deal is this anyway? As the saying goes, getting cuckolded is also a way of life. This isn't that woman's first time fooling around anyway, you weren't even this angry back then, so why are you so agitated this time?"

As soon as he said that, Mu Yichen's cold gaze swooped over and fell on Bai Shixun.

He Jinsi and Bo Tingyuan hurriedly stopped him, "Shixun, stop talking nonsense!"

"Did I say anything wrong? That is unless he's guilty himself."

The two of them went up together and covered Bai Shixun's mouth.

They knew well that Mu Yichen's reaction today was unusual. However, Bai Shixun really should not be pouring fuel to the fire when Mu Yichen was practically fuming with anger.

Mu Yichen ignored them and walked directly to the door of the private room that the waiter mentioned earlier.

He held the door handle and pushed it open.

Just as the door opened slightly, a voice came from inside.

“Faster... faster! Where’s your strength? Did you even have dinner?”

“And you! Can’t you slow down a little? Do you even know how to do this?”

“Your skills are so bad, how do you even survive in this industry?”

The suggestive words came out one after another, and the sweet and soft voice sounded so familiar.

Mu Yichen instantly felt as if he had been struck by lightning, and his body froze.

At first, he had doubts, thinking that this dubious man, Bai Shixun might have mistaken someone else for Luo Chenxi.

However, now that Mu Yichen heard Luo Chenxi’s voice himself, he could no longer feign ignorance to this.

Bai Shixun and the rest of them turned pale as they knew things were going down south real quick!

Who would have expected that woman to be so bold, to get on with things when they were still in the private room of the club.

Great, now she was caught red handed right on the spot!

Who knew how angry Mu Yichen would be?

He usually looked so aloof and noble, but even his best friend would fear him when he got angry.

Mu Yichen’s face was livid. He pushed the door open and entered with a chill all over his body.

However, he had only taken a step in when he paused right after that. His eyes were wide open and he had a shocked expression on his face.

“D*mn, what’s going on? Could it be that the scene inside is too much for him and Yichen has gone crazy from his rage?”

The three of them hurriedly squeezed through.

When they entered and saw what was happening, they were all stunned.

No one would expect to see such a strange scene.

The three elites were all indeed in the room, they were also half naked.

However, the indecent acts of illicit sexual relations that everyone was expecting was nowhere to be seen.

The three elites stood by the table with an induction cooker in front of each of them, they were also holding chopsticks in their hands and seemed to be cooking something.

Meanwhile, the two women were sitting on the sofa, gesticulating at them.

Luo Chenxi pouted and complained mercilessly, “How are you supposed to satisfy all your customer’s requirements when you can’t even cook a simple bowl of Yang Chun Noodles? You are so horrendously bad! I’m giving you all bad reviews!”

The three elites all had twitching lips and looks of defeat on their faces.

Who would have thought that they were summoned by a customer to cook?

As male hosts who relied on their looks for a living, was it wrong that they did not have any skills in cooking? Was it wrong? Was it wrong?

How could there be such a strange customer? She even wanted to give bad reviews for this?

“What in the living h*ll! What am I looking at here? What is this? Coming all the way to a club to cook noodles, while half naked? Is this a new fetish?” Bai Shixun’s eyeballs were about to pop out.

Hearing his voice, Luo Chenxi finally noticed that someone had entered.

Turning around, she got so shocked that she almost jumped up from the sofa.

“Mu... Mu Yichen? Why... why are you here? Didn’t you go to M Country?”

Chapter 109: It’s The Era of Gender Equality

Mu Yichen’s cold gaze fell on her and he snorted lightly.

Beads of cold sweat immediately rolled down Luo Chenxi’s back.

‘D*mn it, why does it feel like I just got caught red handed by my own husband for cheating?’

Mu Yichen did not say anything, his gaze turned to the three elite male hosts who were already completely in trances.

The three shivered from head to toe and their chopsticks dropped to the floor.

Bai Shixun furrowed his brows and reprimanded in a low voice, “Get lost!”

The three who were already shrouded in fear from the start immediately pounced up and scrambled to escape the private room.

‘Why is Young Master Mu here? He even came here with that murderous look!’

This was injustice, absolute injustice!

They have been looked down upon for an entire night for not being able to cook noodles well, so they absolutely did not lay so much as a finger on the ladies!

Bo Tingyuan walked up to Mu Yichen and tried to convince him, “Yichen, it seems like Miss Luo really didn’t do anything overboard, so you don’t have to be...”

“You guys may also leave.” Mu Yichen plainly said.

Bo Tingyuan swallowed his words.

“Right, that woman there as well. Take her away.” Mu Yichen pointed at Fang Ziqian who was next to Luo Chenxi.

Bo Tingyuan rubbed his nose and walked toward Fang Ziqian.

Luo Chenxi finally recovered from the shock and quickly shielded Fang Ziqian as she saw the man approaching, then she asked warily, “What are you guys trying to do to her?”

Fang Ziqian was someone who could not hold her liquor, she usually never touched so much as a drip of alcohol. However, she got excited because it was her first time summoning male hosts in Secret, so she opened a bottle of wine and wasted herself.

In the end... she laid flat on the sofa with her face red as tomatoes and did not move an inch. Seemed like she was not even aware of what just happened.

Bo Tingyuan smiled. “Miss Luo, don’t you remember me? I’m Yichen’s friend, Bo Tingyuan. Don’t worry, we’re only trying to send your friend home.”

“Ah, Young Master Bo!” Luo Chenxi blankly blinked and could not help but steal a few more glances at him.

Was this not the father of her little son-in-law?

Thinking back about the boy’s well-educated vibe, the father definitely had a good personality.

Since it was her future in-law, Luo Chenxi felt a sense of trust in her heart. She let go of her hand and let Bo Tingyuan take Fang Ziqian away.

Now, there were only Luo Chenxi and Mu Yichen left in the private room.

“Done staring?” Mu Yichen’s voice came out through his gritting teeth.

Luo Chenxi was stunned. “What... What?”

“What? You summoned three male hosts, had them strip and you looked as much as you wanted, haven’t you had enough? You shifted your gaze onto Tingyuan as soon as he got close! Do you get interested in any man as long as they are handsome? What a pity, Bo Tingyuan has already been married for six years and he has a son older than Tang Tang! You don’t stand a chance.”

Mu Yichen felt his chest tighten.

During the few days he was in M Country, this woman did not even bother making a phone call and came fooling around in a clubhouse instead.

Now that she finally saw the man, she stared at him with looks of horror and only thought about trying to escape.

However, when she faced Bo Tingyuan, not only she kept staring at him, she also smiled!

Luo Chenxi widened her eyes in disbelief. “You... What nonsense are you spouting? When did I... When did I stare at Bo...”

“Shut up!”

Before she could finish her sentence, she felt a sharp pain on her chin.

Mu Yichen was suddenly right before her, he knelt on the sofa with one knee, put one hand behind her and held her chin with the other, forcefully raising her head.

Luo Chenxi could not help but shrink back at the man's cold and malicious gaze.

"You've really got the guts, huh? I've truly underestimated you, you're already coming to clubs and calling for male hosts! Was it because I couldn't satisfy you for sleeping in a different room that the loneliness got the better of you?"

Hearing these words, Luo Chenxi felt a sudden fury rise in her as she thought of something.

"You... What right do you have to say that about me? It's true that I came to the club, but aren't you also here? You even said that you were on a business trip in M Country! We're living in an era of gender equality, so why do you get to fool around while I don't?"

Chapter 110: This Position Was Even More Shameful Than Before

Luo Chenxi pouted as she spoke.

When Mu Yichen suddenly rushed in a moment ago, she was too surprised and scared.

Now that she thought about it, what was she feeling guilty about?

Mu Yichen was able to appear here and even knew the exact location of her private room. It was obvious that he was a regular here!

In that case, what right did he have to criticize her?

Mu Yichen looked at the confident expression on her small face and his gaze became even colder.

"Well, I can't believe you actually have the guts to refute! It seems like you don't take me, your husband, seriously at all? I remember on the second day of our wedding, I told you that if you wanted to be the Young Madam of the Mu Family, you have to abide by the Mu Family's rules! You're not allowed to do anything that will embarrass the Mu Family. It seems that you have forgotten all about it!

"Since you've forgotten about it, perhaps I should remind you of it!"

There was no expression on Mu Yichen's handsome face. He just looked down at her from above.

In that instant, Luo Chenxi felt a chill run down her spine.

Danger! He was too dangerous!

She could not shake off the feeling she was looking death in the eye.

'Forget it, I should escape first!'

Her life was more important!

Luo Chenxi straightened her slender waist and exerted strength to her long legs as she swept towards Mu Yichen.

Although she looked thin and weak, she had an impressive explosive strength that was capable of making an adult male groan on the ground after an ambush.

However, she did not expect that her legs would be firmly held by a powerful palm in midway.

Following which, a powerful force pushed her onto the sofa.

“What are you doing? Let... Let me go...”

Luo Chenxi struggled with all her might, but she was pinned firmly onto the sofa, unable to move.

Before she could react, the man’s hot and powerful aura enveloped her, blocking out her words.

“Mmphh!”

Luo Chenxi’s eyes widened as she turned around to dodge him.

However, Mu Yichen’s palm was firm and strong. He held her chin and pressed his sexy lips against hers.

Feeling the resistance of the little woman beneath him, he was furious and could not help but bite her hard.

“Mmphh!”

“Do you know what you did wrong?” He stepped back and stared at her swollen lips.

Luo Chenxi was bitten so hard that her eyes were red, but she refused to admit defeat. “What did I do wrong? I didn’t do anything wrong...”

Before she could finish her sentence, Mu Yichen enveloped her lips again.

This time, Mu Yichen wanted to make the woman in his arms surrender, so no matter how she struggled, he kept suppressing her.

In the beginning, Luo Chenxi was determined not to obey. But as time passed, she was gradually consumed by the familiar masculine scent.

By the time Mu Yichen finally let go of her, her face was flushed red, and she could only gasp for air.

“What about now? Do you know your mistake? Well?”

“??”

Luo Chenxi was still a little dazed as she gazed at him. Her lips, which had turned even redder due to the kiss, parted ever so slightly.

Mu Yichen tightened his grip on her slender waist, and his body stiffened instantly!

This woman... was doing it on purpose! She was seducing him again!

It seemed that he had been neglecting her too much recently. Or... did she think that he could not satisfy her?

Mu Yichen's eyes darkened even more. He lifted his hand and gently pulled his tie to the side before unbuttoning his shirt.

Luo Chenxi suddenly realized that something was amiss and turned around to escape.

However, Mu Yichen pinned her down on the sofa from behind.

This position was even more shameful than before.

She could even clearly feel something hot and stiff pressing against her body.

Luo Chenxi was really scared now. She wanted to cry but no tears came out.

"Mu... Mu Yichen, calm down and listen to my explanation..."
