

Sweetheart 1101

Chapter 1101: chapter 1105-a pot that flew from the sky smashed into his head

mu yichen propped himself up and was about to get up so that he could get even with the stupid woman.

however, luo chenxi had already leaped up from the bed and was putting on her clothes at lightning speed.

she glanced at mu yichen from the corner of her eyes. she pursed her lips guiltily when she saw his ferocious expression.

“you ... who asked you to press me down and not let me finish! have you forgotten? “we told yiling that we’re going to his house to see the puppy today. tang tang has been looking forward to this day for a long time. she must be very excited and eager to go out. it’s no use even if mom coaxed her ...”

mu yichen’s face was ghastly pale.

but he still remembered that there was indeed such a thing.

“damn it, mu yiling, you troublesome idiot. just you wait!”

the man was full of anger, but he couldn’t bear to scold his wife and daughter, so he could only blame this on his brother.

mu yiling, who was far away in his own apartment, sneezed suddenly. he was confused.

he didn’t realize that he had been hit on the head by a pot that had flown from the sky.

luo chenxi put on her clothes quickly and washed up.

when she came out to take a look, she noticed that mu yichen was still sulking on the ground.

boxn ov el. c o m

she quickly leaned over and planted a quick kiss on young master mu’s face. “ alright, stop daydreaming and get up quickly! you promised to go to yiling’s house together. you can’t bear to disappoint tang tang, can you?”

luo chenxi was about to leave as she spoke.

mu yichen was displeased with her perfunctory kiss. he grabbed her wrist and gave her a deep kiss. he kissed her so hard that luo chenxi almost could not catch her breath before he released her.

“wait for me downstairs!”

after breakfast, young master mu personally drove his wife and daughter to his brother’s house.

because he was not satisfied, his expression did not look good.

on the other hand, the little dumpling and luo chenxi were so excited that they did not notice this at all.

the little dumpling had been pouncing into luo chenxi's arms all the way. her tiny mouth was chattering non-stop. "big sister, tangtang will have a dog in the future too! what kind of dog do you think tang tang should pick?"

mu yiling had said long ago that he would give one to xiao tuanzi after his internet celebrity, the samoyed snowball, gave birth.

however, because the newborn dog was too small, she was afraid that xiao tuanzi wouldn't be able to take care of it well, so she waited for three months and only let xiao tuanzi choose today.

luo chenxi laughed. "every puppy is human. you can see which puppy likes you the most. then, you'll bring it home."

"yes, yes!" the little dumpling nodded vigorously.

mu yichen's face darkened even more when he heard the cheerful voices of the adult and child.

the car stopped in front of the apartment building.

mu yiling had been waiting downstairs for a long time. he was waiting for his elder brother and sister-in-law to come.

"tang tang, you haven't come to uncle's house to see snowball for a long time. it misses you very much! uncle missed you too. come, let uncle give you a kiss!"

the little dumpling pouted and looked at him with some disdain.

however, when she thought of the cute little puppy, the little princess lifted her chin and lowered her head to kiss him on the cheek.

mu yiling clutched his chest and continued to greet his brother and sister-in-law. "sister-in-law, long time no see. you're getting prettier and prettier. people who don't know you would think that you're only eighteen years old! and big brother, uh ..."

mu yiling's gaze fell on mu yichen's face. he was immediately startled by his cold and stern gaze. he shuddered all over while cold sweat trickled down his forehead.

mama mia!

how did he offend big brother again?

he had been very obedient recently and had not appeared in the entertainment section for a long time. he even went to the company to work for two days ...

Chapter 1102: he ... what did he do wrong?

it was fine if his big brother did not praise him, but why did he have such a fierce expression ...

the more mu yichen looked at his younger brother, the more he found him to be an eyesore.

“you’re already in your twenties, can’t you be more mature? why was he still so glib-tongued? he didn’t stand or sit properly! don’t tell anyone you’re my brother!”

“i ...”

mu yiling was dumbfounded after being reprimanded for no reason.

was this really his big brother?

why was he being ignored even when he was talking and standing?

could it be because he complimented sister-in-law for being beautiful?

before he could figure it out, mu yichen had already snorted coldly and impatiently, “where’s your dog? hurry up and bring us to see it! can’t you see that my tang tang can’t wait any longer?”

“that’s right, uncle, where’s tang tang’s dog?” the little dumpling pouted and urged.

“i ... yes, yes, yes ... leaders, please follow me ...”

mu yiling wiped the cold sweat from his forehead. he was depressed, but he did not dare to resist. he could only lead the way silently.

boxn ov el. c o m

the house that mu yiling lived in was called an apartment, but there was only one family on each floor. each family had their own elevator that went directly to the garage.

the few of them followed him and took the elevator upstairs.

as soon as he entered, a big dog with a snow-white and flawless body wagged its tail and pounced on xiao tuanzi.

“waa! snowball!”

the little furball cried out in surprise, hugged snowball, and started playing with it.

he had even left his favorite big sister behind.

luo chenxi could not help curling her lips when she saw the little dumpling’s excited expression. “ it seems like our tang tang really likes dogs. it’s time to get her a pet. ”

keeping a pet was very good for developing a child’s love and patience.

mu yiling heaved a sigh of relief.

after coaxing the little dumpling and sister-in-law, big brother should be happy, right?

who would have known that mu yichen’s expression remained cold when he turned around? he would even glare at him from time to time.

he was so scared that he shivered.

what was going on today?

he ... what did he do wrong? he really wanted to kneel down and beg his big brother to give him a quick death. he didn't need to use his eyes to scare people like this!

the little dumpling played with snowball for a while. mu yiling could not bear the pressure behind him and quickly walked over. "tang tang, didn't you want to play with the puppy? the puppy's on the balcony at the back. do you want to come with me to take a look?"

"good, good! tang tang wants to see the little doggy!"

the little ball's eyes widened in excitement. it followed mu yiling closely and ran over.

luo chenxi wanted to follow them when she saw that.

however, the man beside her suddenly reached out and grabbed her wrist. he pulled her back to his side and lowered his head to her lips.

luo chenxi was stunned for a moment. she quickly blocked him. "mu yichen, what are you doing?" this ... this is your brother's house!"

"what's wrong with your family?"

luo chenxi was rendered speechless. she could only console him, "alright, alright. be good. i'll make it up to you when we get back!"

no matter, i'll write an empty check first!

mu yichen's expression turned for the better, but he still did not let go of luo chenxi's hand. he held her hand and walked to the balcony with her.

on the balcony, the little furball was surrounded by a group of fluffy puppies and was laughing very loudly.

luo chenxi laughed along when she heard her laughter. she walked over to the front in quick strides.

however, when she took a closer look, she couldn't help but raise her eyebrows in surprise.

mu yiling's little dogs ... were not pure white.

Chapter 1103: what, you still want a sports car?

as china's number one internet celebrity dog, snowball was a snow-white samoyed with no stray hair on its body.

normally, if a purebred dog of such a good breed wanted to breed, they would definitely find a dog of the same breed.

however, mu yiling obviously did not do that. otherwise, he would not have given birth to so many perverted puppies.

the doubts in luo chenxi's heart flashed past her mind for a moment before she tossed them to the back of her mind.

this was because these five little dogs were too funny.

although it wasn't white, each of them had a uniform coat of fur, and the shades were different.

it was like a snowball that had run out of ink as it was born, its color becoming lighter and lighter.

the deepest one was a deep grey, and the lightest one was already very close to the color of white rice.

the little dumpling was obviously very popular with small animals. she squatted in the middle, and the five puppies fought to be the first to rub against her.

the little furball would stroke this one's fur and pull the other one's tail. it was very busy.

she looked up when she heard footsteps. "big sister, come and play with us!" look at this, it's so cute!"

the little dumpling stuffed the whitest one into luo chenxi's arms.

boxn ov el. c o m

luo chenxi was stunned for a moment. she lowered her head and happened to meet the puppy's pure and innocent eyes.

the little white dog was obviously a little shy. it squatted on her knee and did not dare to move.

however, after a while, it realized that the person before it did not have any ill intentions and the aura from her body was very comfortable. it let its guard down and stretched out its tiny claws to press on luo chenxi's body in an attempt to test her.

luo chenxi patted its little head. "it's really cute. this one looks the most like snowball. does tangtang like this one the most?"

the little furball pouted with a troubled expression. "this one is pretty, that one is pretty too, and that one ... wuwuwu, every one of them is so pretty! can i have all of them?"

the little dumpling widened its eyes and looked at luo chenxi in anticipation.

luo chenxi was about to nod when she suddenly heard a loud cough coming from behind her.

she turned around and saw mu yichen looking at the mother and son with a dark expression.

luo chenxi shuddered. she suddenly remembered that young master mu did not seem to like furry little animals. this time, it was the little dumpling who had pestered him through both hard and soft tactics. with the help of her beauty trick, mu yichen had reluctantly agreed to let the little dumpling adopt a puppy ...

if she brought all five of them back, she reckoned that mu yichen would be infuriated.

at the thought of this, luo chenxi quickly said, "cough, cough, tangtang, snowball worked hard to give birth to so many little babies. how can you take all of their puppies away? isn't snowball too pitiful?"

the little dumpling tilted her head and thought for a while. she felt that it made sense and pouted. "alright then, tang tang, pick one ..."

"tang tang is so obedient!"

luo chenxi kissed the little dumpling's face before she squatted down and picked the puppy with her.

mu yichen's expression softened a little when he heard their conversation.

"big brother, look, tang tang is so happy! if she likes dogs so much, you should have let her raise one. how was it? did i do something good this time? shouldn't you reward me? big brother, i told you last time that i had my eyes on that limited edition sports car ..."

mu yiling was halfway through his triumphant speech when mu yichen's icy cold eyes suddenly swept toward him.

he immediately shuddered and shut his mouth.

mu yichen chuckled. " why? you still want a sports car?"

Chapter 1104: the relationship between the two brothers is really good

it was all because of this guy that he was kicked off the bed by his wife in the morning.

he actually dared to ask for a sports car!

"i have something to discuss with you, come here!" mu yichen grabbed mu yiling's collar and dragged him to the study.

mu yiling turned pale with fright. " big brother, i ... what did i do again?! " i'm ... i'm innocent!"

mu yichen sneered. " you've only been to the company for two days in a month. you still have the nerve to say that you're innocent? are you worthy of the salary the company pays you? also, someone spread rumors about your sister-in-law on the internet two days ago. where are you? he didn't even know how to take the initiative to slander those people who spread rumors and created trouble? you didn't even pick up my calls, what's the use of having you?"

" i ... i ... " mu yiling was speechless. he was crying bitterly in his heart.

didn't he just have fun at the bar occasionally and fall asleep when he came back?

as a result, something happened to luo chenxi on that day!

the next day, he wanted to deal with it as soon as possible, but those accounts that had started the rumors had been banned by fu linchen through official channels. he wanted to please his sister-in-law, but he had no chance to do so ...

mu yiling thought that the matter was over.

whoever knew that his petty big brother would record it down in a small book, waiting for him to settle the score!

luo chenxi noticed that the mu brothers had left.

boxn ov el. c o m

however, he didn't take it to heart at all.

“snowball, your master and his brother have such a good relationship. they’ve gone to chat again.”

she touched snowball’s smooth and shiny fur and secretly sighed at how good it felt.

snowball wagged its tail and rubbed itself against luo chenxi’s body. at the same time, it secretly cast a sympathetic glance in the direction of the study.

the morning passed by quickly.

the mu brothers came out of the study before lunch.

mu yichen’s expression remained cold and arrogant.

on the other hand, mu yiling was like a frosted eggplant.

the mu family’s second young master only recovered a little after having lunch.

luo chenxi looked at mu yichen, then at mu yiling. she was feeling suspicious in her heart.

” yiling, thank you so much for inviting us over today, ” she said after some thought. ” your puppies are so cute. you must be so lucky! ” she was a winner in life by raising so many cute little things! but, why haven’t i seen you post about the puppy on weibo?”

she had been wanting to ask this question for a long time.

mu yiling was a famous dog lover in china. he had been updating his photos every day since snowball was a few months old.

however, none of the photos of the puppies had been uploaded since they were born.

in fact, there was not a single trace of snowball’s pregnancy on mu yiling’s weibo.

luo chenxi said those words with the intention of livening up the atmosphere.

unexpectedly, mu yiling’s body suddenly stiffened when he heard this. then, the expression on his face twisted.

“this ... this ...”

he stuttered, unable to speak.

mu yichen swept a glance at him. he betrayed his younger brother without the slightest hesitation. ” that’s because ... his snowball didn’t get pregnant through normal breeding. it’s because it’s been hanging out with wild dogs outside for some time. by the time he found out, she was already pregnant with the dog. ”

mu yiling’s scar had been torn open. he was in so much pain that he wished he was dead.

yet, it just so happened that mu yichen was the one who exposed him. he did not have the courage to flare up even if he wanted to.

luo chenxi said in astonishment, ”what?” how could there be such a thing? this is a high-end residential area with only a few households. i don’t think you’ll let snowball go out alone. you should be able to find snowball’s husband, right?”

Chapter 1105: this is definitely rape!

“what husband? what husband! our snowball doesn’t have a husband!”

“if i find out which shameless dog hooked up with my daughter, i’ll cut it into eight pieces and make it into a dog meat hotpot!” mu yiling said with grief and indignation.

the little dumpling stared at mu yiling in horror. the spoon in her hand fell on the table.

“uncle, how can you eat a dog? the dog is so cute!”

she was frightened by mu yiling’s ferocious expression. she hid in luo chenxi’s arms with a whoosh.

luo chenxi hugged her in a hurry and stuffed the strawberry pudding into her hands. “ don’t be afraid, tangtang. i was just too excited. come, let’s eat this pudding ... ”

as she comforted the little dumpling, she didn’t forget to continue gossiping.

“so, you still don’t know who the father of these little dogs is?”

“if i knew, i would’ve chopped it up long ago!” mu yiling said angrily. and its owner, if i find out who it is, i’ll beat him up and throw him into the pacific ocean to feed the sharks!”

mu yichen frowned slightly. he shook his head in secret as he looked at his stupid, brainless younger brother.

“mu yiling, calm down. which family in your neighborhood isn’t rich and powerful in T city? although our mu family isn’t afraid of causing trouble, you can’t start a feud with others just because of a dog.”

” yes, yes. ” luo chenxi chimed in as well. ” perhaps, snowball and the babies ‘father are in love? ” how can you break her up?”

boxn ov el. c o m

“mutually in love, my ass!”

mu yiling refused to accept the reality. he was so angry that he slammed the table.

mu yichen immediately chided him, “watch your words and actions. how can you speak to your sister-in-law like that? you even dare to slam the table in front of your sister-in-law?”

second young master mu, who had been so aggressive a few seconds ago, was suddenly terrified.

“i’m sorry, big brother, i’m sorry, big sister, i was wrong ... i mean, our snowball is so beautiful, so it must have high standards. how could it like a dog from outside, and a black one at that! this ... is impossible ... this is definitely rape! yes, rape!”

from the puppy’s appearance, he could guess that the male dog that made snowball pregnant shouldn’t be a rare breed.

mu yiling could not accept this.

luo chenxi pouted her lips in a rather disapproving manner.

seeing how good snowball was, he knew that it was very satisfied with the puppy's fathers.

however, she chose to shut up and did not provoke mu yiling anymore when she saw how devastated he was.

mu yiling gritted his teeth as he tried to recall, " it's strange. i've been secretly observing for a long time. no one in our neighborhood has a black dog. besides, we have a lot of security guards here, so the wild dogs outside can't get in. " he really didn't know what was going on. did that dog just vanish from the face of the earth? no, i must catch it!"

luo chenxi shook her head repeatedly as she watched.

mu yiling was really hopeless to be serious with a dog.

after lunch, the mu family of three prepared to go home.

the little furball squatted among the dogs and lingered around. after picking for a long time, it still couldn't make up its mind.

in her left hand was the darkest one, and in her right hand was the whitest one. she refused to let go.

"wuwuwu, big sister, i want cotton candy and sesame cake. let them come home with us ~~"

the little dumpling rubbed against luo chenxi and acted coquettishly.

Chapter 1106: do you know who i am? i am the daughter of the president's house

luo chenxi could not help laughing upon hearing that.

the little dumpling had even named the puppy.

furthermore, they were all food ...

as expected of a little glutton!

luo chenxi's heart softened when she saw that the little dumpling and the puppy were reluctant to part. she pleaded on her behalf with mu yichen.

"honey, tang tang likes it so much, why don't you let her raise it? anyway, it doesn't matter if we raise one or two. we just have to feed them a few more mouthfuls of dog food every day. it's not like our family can't afford it, don't you think?"

"something's wrong!"

mu yichen said coldly.

luo chenxi did not expect that he would not give her any face. she could not help but pinch his arm in anger.

“hey, what do you mean? you can’t even agree to such a small request from tang tang, do you still have us in your heart? ah?”

mu yichen scoffed coldly. he looked at her in a noble and cold manner. “ i can agree to it, but you’ll have to agree to one condition of mine first. ”

luo chenxi was suspicious. “ what’s the condition? ”

boxn ov el. c o m

mu yichen moved closer to her ear and whispered something.

luo chenxi’s face turned red instantly.

“y-y-you ...”

she could not believe that this man could actually say such shameless words with such a cold expression!

mu yichen remained expressionless. “ it’s up to you whether you agree to it or not. ”

” big sister ... ” the little dumpling tugged at her skirt and spoke pitifully.

luo chenxi gritted her teeth. “ i promise you, okay? quickly, help tang tang move these packages down!”

mu yichen cracked into a smile.

she bent down and moved the full set of dog raising equipment that mu yiling had prepared for them into the elevator.

the family waved goodbye to mu yiling, got into the car, and prepared to leave.

luo chenxi noticed a thin figure not far away from the corner of her eyes. she could not help uttering a surprised “ huh “.

mu yichen turned around. “ stupid woman, what’s wrong with you? ”

luo chenxi shook her head. “ it’s nothing. ”

she seemed to have seen a slender girl passing by with a big black dog just now.

the girl’s clothes were very ordinary, and she didn’t look like someone who lived in such a high-end community ...

luo chenxi leaned close to the window in an attempt to take a closer look. however, the figure that was still in the corner earlier had already disappeared.

“did i see it wrong?”

.....

back at the mu family.

luo chenxi and the little dumpling rushed to the backyard excitedly to decorate the new home for the two puppies.

mu yichen wanted to grab the stupid woman and ask for a reward for agreeing to let the little dumpling raise two puppies.

however, zhao feng called him at that moment.

even though mu yichen was reluctant, he still set off to the mu group.

he was now a man with a family. in order to let his wife and daughter live a life without worry, he had to work harder.

mu yichen was busy until past six in the evening before he ended the last meeting and prepared to go home.

however, just as he took the elevator to the first floor, he heard the sound of a dispute coming from the front desk.

“what did you just say? i’ve been listed as a no-go account, and i can’t enter the mu group, nor can i see your president? is there a mistake? do you know who i am? i’m the daughter of the president’s house, the cousin of your president mu’s good friend, fu linchen! open your eyes and look clearly, you dare to stop me? hurry up and get out of the way!”

fu jiatong was furious.

“ i’m sorry, miss fu. the president has strictly forbidden you from stepping into the mu group. please don’t make things difficult for us. ” the security guards at the door remained unmoved.

Chapter 1107: this must be luo chenxi’s doing!

fu jiatong’s expression was gloomy. “ that’s impossible. i don’t believe that brother mu would give such an order. luo chenxi must be the one who’s messing with me behind my back! ” get out of the way! otherwise, when big brother mu finds out what you’ve done, you’ll be fired!”

however, the security guards acted as if they didn’t hear her and stood in front of her without moving.

fu jiatong’s chest felt tight, and she wanted to hit someone.

she didn’t come alone today. she had brought lu yajing and her daughter with her.

she had boasted in front of the mother and daughter of the lu family that she had a noble status, that she was the daughter of a long-time friend of the mu family, and that she had been friends with mu yichen since she was young.

as long as the mother and daughter of the lu family followed her, they would certainly be able to meet young master mu and expose luo chenxi’s dark past in person.

but who knew that she would be rejected by so many security guards in front of lu yajing and the others!

it was really embarrassing.

fu jiatong was already embarrassed, but lu yajing still walked over to her.

he asked in a low voice, "miss ... miss fu, what's going on?" why can't you get into the mu group? how are we going to expose that little b * tch, luo chenxi then?"

fu jiatong was still in a fit of anger, and she glared at her. " cut the crap! this must be luo chenxi's doing! just follow me, of course i have a way to see big brother mu!"

as soon as she finished her sentence, she suddenly noticed a familiar tall figure at the elevator door.

boxn ov el. c o m

fu jiatong's eyes lit up, and she was overjoyed.

she threw the bag in her hand at the security guard's face before her. she took advantage of the moment when the security guard dodged to pass by him and charged toward mu yichen.

"big brother mu! big brother mu! i've finally met you!"

she ran up to mu yichen and said while panting, "big brother mu, your company's security guards are too much. they actually stopped me from entering ..."

before she could finish her sentence, mu yichen's expression darkened. he shouted sternly at the security guards who had rushed over in a hurry, "what's going on? didn't i already say that this woman is not allowed to appear in the mu family again? what are you all doing? the company pays you so much every month, and you can't even stop a random person?"

fu jiatong's face froze. " big ... big brother mu? you ... you ..."

although mu yichen had turned her away at the door when she came with fu linchen to apologize the day before, she still felt a little guilty.

however, she always felt that mu yichen would only chase her out in a fit of anger because she was the young lady of the fu family. she could not possibly stay like this forever.

she did not expect mu yichen to be so determined not to see her.

the security guards all lowered their heads. we tried to stop miss fu just now, but she insisted on rushing in ..."

"if you rush in, can't you just drive them out? don't tell me that you guys can't even stop a woman?"

mu yichen furrowed his brows and snorted coldly. "quickly chase them away! if i see her in the mu family again, all of you can quit!"

the security guards trembled. they didn't dare to hesitate and immediately rushed up to pull her away.

mu yichen did not even spare them a glance. he walked straight toward the car park.

today's meeting had been a little delayed, and it was already past dinner time.

the stupid woman must be waiting anxiously at home!

fu jiatong was dragged out by the security guards. she was extremely anxious as she watched mu yichen's figure gradually disappear into the distance.

Chapter 1108: luo chenxi gave birth to a bastard child four years ago

fu jiatong's head was hot, and she didn't care about the consequences anymore, shouting out loud.

"big brother mu! let me go, i have something to say to big brother mu! big brother mu, don't you want to know about luo chenxi's dark history?"

mu yichen's footsteps did not stop at all. in fact, he did not even slow down.

fu jiatong gritted her teeth and shouted, "big brother mu, listen to me! four years ago, before luo chenxi married you, she did a lot of shameful things abroad! you ... you have to listen to me. otherwise, you ... you'll regret it!"

mu yichen stopped in his tracks upon hearing this.

he even turned around and looked at her.

fu jiatong heaved a sigh of relief, shook off the security guard beside her, and quickly explained.

"big brother mu, look at the two people beside me. they're luo chenxi's aunt and cousin! they were aware of the dirty deeds that luo chenxi had done in the past! you can't imagine what a lewd and shameless woman luo chenxi is. her innocence and purity are all an act! big brother mu, i really can't bear to see you being deceived again!"

fu jiatong said as she gave lu yajing a look.

lu yajing understood what he meant. she called out, "that's right, young master mu. i ... i know about luo chenxi's past. she ... she's really shameless ... "

"enough!"

lu yajing was interrupted halfway through her sentence.

boxn ov el. c o m

mu yichen's expression was as cold as water while a cold glint flashed past his eyes.

"you guys, come with me!"

upon hearing this, the security guards subconsciously let go.

fu jiatong and the lu family's mother and daughter smiled in surprise. they looked at each other and quickly followed behind.

luo chenxi was certainly done for this time!

mu yichen walked straight to the parking lot and headed toward a secluded corner.

in the mu family, he had his own private parking lot with several cars parked there.

fu jiatong and the others followed him to the luxury car and said eagerly, "young master mu, we ..."

“bring these three women to the villa on the outskirts of the city and keep an eye on them!” mu yichen suddenly said coldly.

” ... what?! ”

fu jiatong was stunned.

then, a few bodyguards came out from the dark and grabbed them, trying to stuff them into a car.

mu yichen swept a glance at them. the corners of his lips were curled into a sneer of ridicule.

‘luo chenxi’s incident four years ago ...’

the last time lu yajing and luo xiudi came to the mu family’s villa to ask for money, they had mentioned it once.

at the time, mu yichen agreed to give them twenty million because he wanted to shut them up and did not wish for the matter to be leaked.

however, he did not expect the mother-daughter pair to be so greedy that they were not satisfied even after receiving twenty million dollars. they even got together with fu jiatong and revealed luo chenxi’s matter to him. they even tried to blackmail him with it!

he simply didn’t know what death was!

since they didn’t want to live anymore, he didn’t mind helping them!

as for what had happened four years ago ...

he wanted to know. there were countless ways to find out, but so what if he knew?

no matter what kind of person luo chenxi was in the past or what she had done, she could not change the relationship between them.

mu yichen turned around and prepared to get into the car to go home.

however, at this moment, lu yajing suddenly broke free from the bodyguard and rushed to him. she shouted, ” ” young master mu, luo chenxi had an affair with a wild man four years ago. she even gave birth to an illegitimate child! ”

Chapter 1109: she has successfully exposed luo chenxi’s dark history!

the parking lot suddenly fell silent.

the news was so shocking that even the bodyguards who had always been loyal to their duties were shocked. although they were still holding onto fu jiatong and luo xiudi, they did not know if they should continue to drag them away.

lu yajing’s heart was beating fast.

her intuition told her that this was her last chance to tell the truth.

if she was dragged away by the bodyguards, she might never have the chance to see young master mu again!

thus, she would reveal all the ugly things that luochenxi had done in the past even if it would enrage young master mu!

if we're going to die ... we'll die together!

at the thought of this, she couldn't care about anything else and said in one breath, "young master mu, luochenxi is really a broken shoe now. she's not as pure and innocent as she appears to be! when she was in middle school, many boys chased after her and gave her things. it was the famous bus in the high school attached to the academy of fine arts! after that, i went overseas and got together with a foreign man!"

"she was supposed to go abroad on a full scholarship, but she was expelled because her private life was too messy! and she's pregnant with a bastard! it's all true. my grandfather chased her and lu wenjun out of the lu family because of the bastard in her stomach!"

lu yajing exaggerated the events of the past and revealed everything in one breath!

she only heaved a sigh of relief after she finished speaking. she raised her head and looked at mu yichen cautiously.

at this very moment, mu yichen's expression was as cold as a thousand-year-old glacier. his clenched jaw and cold gaze made clear the shock and anger in his heart.

fujiatong and the others saw this, and their hearts were filled with joy.

they had finally succeeded in exposing luochenxi's dark history!

his wife was a promiscuous woman with a promiscuous private life. not many men could tolerate this kind of thing.

it was even more impossible for a young master from a wealthy family with mu yichen's status and identity to tolerate this!

once the matter of luochenxi hiding her dark history and cheating on her marriage was exposed, she would have to face the furious eldest young master mu's crazy revenge after she was forced to leave the mu family with nothing, let alone maintain her position as the young mistress of the mu family!

mu yichen's entire body stiffened. he stood on the same spot for a long time without saying a word.

the air in the parking lot seemed to have frozen.

the bodyguards at the scene were like stone carvings, not daring to move an inch.

the only thought in his heart was that he was done for!

they seemed to have heard a secret that they shouldn't have. would they be killed by young master mu?

mu yichen spoke again after an unknown period of time.

“you’re saying ... my wife was pregnant four years ago? how do you know about this? how do i know if you’re telling the truth or just making it up to slander my wife?”

lu yajing felt that something was amiss when she heard him addressing luo chenxi as ‘madam’.

however, she didn’t have time to think about it and quickly said loudly, ” “young master mu, i promise i’m telling the truth! many people saw luo chenxi when she returned to B city with a pregnant belly back then. our family wasn’t the only one who saw her. you’ll definitely find many witnesses if you go to B city to investigate!”

luo xiudi came over and said, ” young master mu, you’re still young. you might not understand this. we can check whether this woman has been pregnant before in the gynecology department. you’ll know if it’s true once you bring luo chenxi for a check. ” how would we dare to lie about such a thing?”

mu yichen remained silent for a moment before he spoke again.

Chapter 1110: a sharp thorn stabbing into mu yichen’s heart

“then ... did she give birth to the child, or ...”

both luo xiudi and lu yajing were stunned when they heard the question.

luo xiudi coughed twice. ” this ... young master mu, to be honest, we can’t guarantee this. after all, we don’t know about the mother and daughter’s whereabouts after luo chenxi was chased out by my father-in-law. we didn’t see the child’s condition after that either. however, when she left the lu family, she was at least six or seven months pregnant. the child was already so big, so she must have given birth already. if she wanted to abort it, she would have done so long ago!”

at this time, fu jiatong also came back to her senses and quickly came over to help.

“that’s right, big brother mu, you ... you must wake up! would the lu family’s mother and daughter dare to lie about something that could be verified with a simple investigation? besides ... you’ve heard it yourself. luo chenxi is pregnant with a man’s child. she doesn’t acknowledge the child’s father at all and he’s never appeared before, yet she insisted on giving birth to the child. it must be because that man is in her heart!”

upon hearing this, mu yichen’s body shuddered abruptly. his already tensed expression turned even gloomier.

lu yajing couldn’t help but cheer for fu jiatong in her heart.

as expected of the daughter of a wealthy family, her words were of a high standard!

even if mu yichen truly had feelings for luo chenxi and did not care that she had given birth to a child, what if she had another man in her heart? he could endure this?

this was the real thorn that stabbed into mu yichen’s heart!

fu jiaoyu’s eyes were filled with pride, and she almost could not hide the smile on her face.

she seemed to have already seen the scene of luochenxi being chased out of the mu family's residence in her undressed state!

mu yichen did not speak. he only spoke after a long while, "i already know what you're talking about."

fu jiatong was overjoyed in her heart. she quickly said, "brother mu, you ... you don't have to be too sad. that bitch luochenxi has disguised herself too well. it's normal that you can't see through her in a short time. this kind of green tea bitch is the best at deceiving men!" don't be disappointed in love, there's still true love in this world ..."

she had not finished her sentence when she heard mu yichen's cold voice.

"what are you still doing? didn't you hear what i just said? lock these three women in the villa in the suburbs!"

everyone was stunned when they heard this.

the bodyguards woke up from their daze and quickly grabbed fu jiatong and the others, dragging them to another car.

fu jiatong couldn't believe her ears. "big brother mu ... big brother mu! you ... what are you doing? why did you lock me up? what did i do wrong? big brother mu hmmm!"

'this script isn't right. shouldn't mu yichen be touched by her true feelings? shouldn't he be bringing her along to expose luochenxi and chase that sl*t out of the house immediately?'

mu yichen was immersed in his own thoughts and did not pay any attention to her at all.

the bodyguards were tricked by her just now, so this time, they made a prompt decision and directly covered the three people's mouths and stuffed them into the car in a few moments.

not long after, the car sped away.

mu yichen stood in the parking lot for a while before he suddenly spoke, "zhuo feng,"

"

zhuo feng's trembling voice was heard.

he had been cowering in the driver's seat for a very long time. he had been trying to make himself invisible all this while, hoping that mu yichen would forget about his existence.

however, this was obviously an extravagant hope.

"send someone to the fu family and tell fu lichen that fu jiatong is with me. i won't let her go even if he comes here personally," mu yichen ordered.

"yes ...!"

"and ..."

mu yichen was about to speak when a familiar ringtone suddenly rang.

he lowered his head subconsciously.

the words "stupid woman" flashed on the screen.
