

Sweetheart 1211

Chapter 1212: my life is cheap

however, no matter how fang ziqian called out to him, bai shixun did not move at all.

he was seriously injured.

moreover, the gunshot wound on his shoulder, which had already healed, split open again due to luo chenxin.

due to the excessive blood loss and other internal injuries, bai shixun fell into a coma again.

fang ziqian reached out and touched his face. she realized that bai shixun's body temperature was surprisingly high, and his forehead was full of sweat.

this situation was too dangerous!

fang ziqian could not care less about anything else. she rushed to the warehouse door and knocked on it, hoping that the killers would send the medicine to bai shixun.

she only had one thought in her mind, and that was to save bai shixun!

for the sake of the ransom, the killers would definitely not let bai shixun die just like that!

as for whether they would try to rape her again ... fang ziqian couldn't care less!

no matter how hard she knocked on the door, there was no sound at all. no one responded to her.

fang ziqian knocked on the door for a while before falling to the ground.

she bit her lips tightly and looked at bai shixun's weak and powerless appearance under the faint light. she did not even feel that her lips were bleeding from being bitten.

" bai shixun, you ... you can't die ... why ... why did you save me? i'm not worth it ... i'm just a cheap life. even my own parents don't want me. you're the young master of a rich family. your life is much more valuable than mine ... why did you save me? it's not worth it. it's really not worth it ... "

" bai shixun, if you die here, how ... how am i supposed to explain this to master bai ... and how ... "

how was she going to answer to herself?

at this moment, footsteps could be heard from outside the warehouse.

then, with a loud clang, the chains on the iron door were suddenly pulled off, and the warehouse door was pushed open.

fang ziqian's eyes lit up the moment she saw the sun.

someone's here!

bai shixun was saved!

“come and take a look at the second young master, he really isn’t ...”

fang ziqian suddenly saw the movements of the people in front of her and was shocked. all the words she wanted to say were stuck in her throat.

the killers rushed straight in, each of them with a gun in their hands, and there was even a faint smoke.

the few of them were filled with killing intent as they rushed towards the two people on the ground.

fang ziqian’s heart skipped a beat as she realized that the situation was not good.

although they didn’t know what was happening outside, the other party was obviously going to kill them!

her first reaction was to turn over and stand up. she used all her strength to push bai shixun behind her and stood in front of him.

the assassins ‘expressions changed.

initially, they wanted to grab bai shixun and run away as fast as they could.

who knew that fang ziqian would appear again, blocking their way.

“damned woman, how dare you get in the way!”

“kill her!”

“hurry up and kill her! take second young master bai away!”

the killers didn’t even think before they pulled their triggers at fang ziqian ...

fang ziqian was facing the black muzzle of the gun. she could not even react in time. her mind was blank, and she could only wait for death to come ...

” bang bang bang ...! ”

just at this critical moment, a series of gunshots suddenly came from the warehouse door.

the assassin who was closest to fang ziqian suddenly swayed and fell to the ground!

Chapter 1213: narrowly escaping death!

his finger on the trigger instantly lost its strength, and the crosshair tilted ...

the bullet grazed fang ziqian’s arm and flew out.

“oh!”

a deep gash appeared on fang ziqian’s right arm, but it was a narrow escape from death!

seeing their fallen comrade, the other killers couldn't care less about fang ziqian and turned around to fight back.

an intense gunfight broke out in the warehouse.

on one side, there were only a small number of assassins left, and on the other side, there were the elites of the " cold rain " organization who had come prepared.

there was no suspense in the outcome of this battle.

soon, the assassins were all shot and fell to the ground, subdued by the elites of cold rain.

mu yichen and he jinsi rushed in from the door.

both of them were stunned when they saw fang ziqian and bai shixun's current state.

fang ziqian had been hugging bai shixun the whole time, almost throwing herself on him to protect him, for fear that he would be injured by stray bullets.

"shixun! how are you doing?"

"secretary fang, are you okay?"

fang ziqian raised her head and saw two familiar faces. she realized that they were really saved this time!

his nerves that had been tense for several days and nights suddenly relaxed.

she opened her mouth, but she couldn't even say a word. she only felt her vision go black and fainted.

mu yichen immediately frowned upon seeing that.

"a few men, take them ..."

before he could finish, he heard a familiar voice coming from the warehouse door.

"little qianqian! little qianqian! how are you? mu yichen, have you saved my little qianqian? let me see her ..."

mu yichen frowned when he heard luo chenxi's voice. his first reaction was to order someone to stop her. " someone, get my wife to wait in the car ... "

unfortunately, it was too late.

luo chenxi ran as fast as she could. she scurried into the warehouse in no time.

she looked left and right and noticed that mu yichen was standing in a corner with his back to her. she immediately ran in that direction.

"mu yichen!"

young master mu turned around, trying to catch his wife's body that was flying toward him.

whoever knew that before his hand could touch the little woman's body, it was slapped away by his wife without mercy.

"go away! i want to see my little qianqian!"

the corners of mu yichen's lips twitched.

before she could express her dissatisfaction, luo chenxi had already noticed fang ziqian on the ground. her expression changed in an instant.

"little qianqian, little qianqian! what's wrong? how did this happen? little qianqian, quickly wake up ... quickly wake up!"

luo chenxi grabbed fang ziqian's shoulder. she wanted to shake her awake but she was afraid that she might be injured. she dared not use too much force and could only call out to her anxiously by her ear.

at this moment, she suddenly felt something tighten around her waist.

a strong and muscular male arm wrapped around her slender waist.

"mu yichen, let me go ..."

luo chenxi was so nervous that her heart was about to jump out of her chest.

when she saw fang ziqian lying on the ground, motionless, she almost thought that she had been killed!

thankfully, she heaved a sigh of relief when she felt fang ziqian's body temperature.

mu yichen grabbed her waist by force and lifted her up. "it's alright. don't worry. fang ziqian should be fine." "when jingsi and i came in just now, we only saw shixun lying on the ground covered in blood. secretary fang isn't really hurt. he just passed out, probably from the shock ..."

he jinsi chimed in. "i saw the ambulance coming just now. let's take them to the hospital first. if we drag this on, they'll be in trouble."

Chapter 1214: the thing she was most worried about still happened!

luo chenxi reacted to the situation and shifted a few steps to the side hastily.

he jinsi directed the medical staff who had just arrived at the scene to carry fang ziqian and bai shixun into the ambulance.

mu yichen's expression had been solemn all this while. he only heaved a sigh of relief in his heart when he heard the doctor's confirmation that both of their lives should not be in danger.

bai shixun's condition just now was even scarier than fang ziqian's.

however, as men, he jinsi and he jinsi did not behave as exaggeratedly as luo chenxi did. in reality, both of them were breaking out in cold sweat.

it was only then that mu yichen could finally relax.

at the same time, he also remembered another important matter.

he lowered his head and looked at luo chenxi who was in his arms with a sorrowful expression. he cleared his throat and said, "stupid woman, have you forgotten what you promised your husband just now? eh? when we arrived at the scene, i clearly told you that the situation looked dangerous and that you should stay in the car and wait for us to save her! what did you promise me? do you still remember? you actually ran ... down ... on your own ..."

before mu yichen could finish his sentence, he felt a sudden push on his chest.

then, the woman in his arms shot out like an arrow.

he went straight to the ambulance and stopped the two bodyguards who were dragging simon.

then, he aimed at the heavily injured simon and started punching and kicking him.

boxn ov el. c o m

"dammit! you're the mastermind behind the kidnapping of our little qianqian, aren't you? what did you do to her? ah? have you never seen a woman before? or can't control my lower body? are you an animal? damn it, i should really cut you into a thousand pieces!"

luo chenxi was beyond infuriated!

when she saw fang ziqian lying on the ground, her clothes in tatters and her skin covered in bruises, her mind went blank!

this bunch of bastards!

the thing she was most worried about had happened!

the marks on fang ziqian's body were clearly left behind by violence!

her little qianqian had actually been ...

thinking of this, she couldn't control her anger and directly rushed up to beat him up!

simon was already half-dead after being shot by mu yichen a few times. he almost fainted on the spot after being punched and kicked by luo chenxi.

moreover, he did not expect luo chenxi to be so brutal and vicious when she hit him despite her delicate appearance and her pampered manner as a young lady from a wealthy family. every hit was so painful that it seeped into his heart, yet he did not faint!

"aiyo, stop hitting her, stop hitting her ... we didn't ... didn't do anything to her, really!"

"ah!" simon cried out and begged for mercy hastily. if it were not for the fact that he had been shot in his legs, he would have knelt down before luo chenxi on the spot.

"we did ... we did have evil thoughts about miss fang, but we didn't succeed. really!"

luo chenxi did not believe his nonsense at all. she gave him another round of kicks. "do you think i'm a fool? you have so many men, and you ... can't get your hands on a weak woman?"

“really, really! it was absolutely true! “it’s ... it’s second young master bai. he didn’t care about his own injuries and risked his life to save her ... we were afraid of killing her, so ...” simon quickly explained.

luo chenxi could not help feeling stunned upon hearing that.

she had never expected to hear such an answer.

a playboy like bai shixun, who would change girlfriends every three months, would actually risk his life to save fang ziqian?

seeing that she was in a daze, simon knew that she believed him and quickly said, “ ” miss luo, please believe me. i wouldn’t dare to lie about this. i’ll be able to find out the truth once i go to the hospital ... ”

luo chenxi stopped kicking him.

simon had just heaved a sigh of relief when he heard luo chenxi sneer, “ ” so, you’ve admitted that you’ve laid your hands on fang ziqian. very well, i won’t let anyone who dares to lay a finger on my little qianqian off! ”

Chapter 1215: you don’t have to come personally, it’ll dirty your hands!

as luo chenxi was speaking, she swept her cold gaze across the assassins who were pinned down by the elite leng yu.

when simon and the others met her gaze, they could not help but feel a chill in their hearts.

he didn’t know why, but the girl in front of him looked so sweet and lovely, but she was so scary when she was angry.

” you ... what do you want to do ... ah!!! ”

simon felt uneasy and subconsciously opened his mouth to speak, but before he could say anything, he suddenly let out a scream.

this was because luo chenxi had raised her foot and kicked him right at his private part.

the kick was so heavy that simon’s face turned pale. if it weren’t for the two bodyguards holding him up, he would have fallen to the ground and rolled.

no one had expected such a turn of events.

everyone present was stunned.

even mu yichen and he jinsi had an astonished expression on their faces. they widened their eyes and stared at luo chenxi.

on the other hand, luo chenxi acted as if nothing had happened. she turned toward the assassins again.

“who else bullied that secretary fang? hmm?”

boxn ov el. c o m

the assassins stared at her delicate little face and shivered secretly. no one dared to speak.

after all, they were not stupid!

looking at simon's current state, he knew what would happen to him if he admitted to this crime!

simon was one of the top assassins in the world. he had been trained to endure torture, and ordinary punishment was nothing to him.

but even so, he had become like this after being kicked by this girl ...

he was most likely crippled!

luo chenxi remained calm and composed despite their silence. she curled the corners of her lips coldly and said, " i'll allow you to expose each other's involvement. if no one is going to say anything, then sit tight! "

"co-co-sit?"

the assassins were confused, obviously not understanding this typical chinese vocabulary.

luo chenxi smiled and explained to them kindly, " " he'll be punished ... his fate will be the same as all of you! "

luo chenxi pointed at simon's direction with her right hand as she spoke.

simon's face was ashen, and he fell to the ground like a dead dog.

the assassins trembled and felt a chill down their spine.

a few seconds later, they couldn't wait to expose each other.

"he, he, and him! they've made a move on the secretary!"

"bullsh * t, you're talking about us, then what about you? didn't you touch that woman?"

"you were the one who tore her clothes!"

in order to protect an important part, the killers immediately started blaming each other. because they were too eager to shirk responsibility, they exposed each other's secrets.

luo chenxi's face sank. the more she listened, the uglier her her expression became.

"very good, this is great! you scum! i ..."

luo chenxi was so angry that her face turned green. she was about to take action personally to deal with these people, but someone grabbed her wrist the moment she took a step forward.

"stupid woman, you don't have to do this yourself. it'll only dirty your hands!" mu yichen furrowed his brows ever so slightly and glared at luo chenxi in displeasure.

then, he made a hand gesture to luo xiong and the others.

before they arrived, old master tang had already said that all the people involved in the incident that they caught would be handed over to mu yichen for punishment.

hence, luoxiong did as he was told without any hesitation.

for a moment, the empty abandoned warehouse was filled with continuous screams and pleas for mercy.

it was only then that luochenxi felt slightly relieved. however, she soon recalled another important matter. "oh, by the way, where's luochenxin?"

Chapter 1216: what he hated the most were women who cried

although simon and his men were the main executors of the kidnapping incident, they were still the most powerful people in the city.

however, if it were not for luochenxin's instigation, it would have been impossible to succeed.

therefore, luochenxin was the culprit.

however, they did not see luochenxin when they entered the warehouse.

she turned to simon and gave him another kick.

simon was jolted awake at once. he was so frightened that he almost peed his pants when he saw luochenxi appearing before him once again.

this woman ... was she a demon?

"stop playing dead! let me ask you, where is luochenxin?" luochenxi asked with a frown.

when simon heard this, he was a little confused. "what? luochenxin? isn't she supposed to be here ..."

as he spoke, he looked around and his face turned red with anger. "damn it, this bitch! i clearly told her to bring people in and to control the hostage, but she ran away! damn it, what the hell is this? we were just following her plan, but as soon as something happened, she ran away!"

at that moment, simon also realized that he had been tricked by luochenxin!

luochenxin had probably guessed that she was going to be exposed when she knew that luoxiong and the others had arrived. therefore, she deliberately tricked simon into dealing with luoxiong and the others while she took the opportunity to sneak away.

"luochenxin, you bitch! if i didn't listen to her, i ... how would i end up in this state?"

simon was annoyed and hated luochenxin to the core.

however, it was too late for regrets.

luochenxi clenched her teeth. "what did you say?"

mu yichen walked over in a timely manner. he held luochenxi's shoulder and pulled her into his arms.

“it’s fine. mr. luo’s men have already gone after them. when we came over just now, we did see a few black shadows running away from the back door. however, they’re all shot, so they shouldn’t have run far ...”

” that’s right, mrs. mu, ” luo xiong chimed in. ” don’t worry. the entire paris is our territory. they can’t escape! ”

luo chenxi felt slightly relieved upon hearing that. ” mr. luo, i’ll have to trouble you! ”

“i should.”

“oh right, there’s one more thing.” he jinsi thought of something. ” please take care of the bai family’s eldest miss’s whereabouts, mr. luo. ”

he roughly explained the matter of bai xinxi’s disappearance.

luo xiong was secretly shocked, these guys are so bold that they even dared to sell the bai family’s eldest miss! he was completely disregarding the rules of ‘cold rain’! don’t worry, young masters. i’ll definitely give you the news within three days!”

the matter here had come to an end.

luo chenxi was worried about fang ziqian’s injuries. she urged mu yichen to take the bus to the hospital together.

.....

the best private hospital in paris.

in the VIP ward.

bai shixun’s upper body was almost fully wrapped in bandages, and there were several infusion tubes in his hand. he was lying quietly on the bed.

his consciousness was still unconscious, and his vision was dark. he couldn’t open his eyes no matter what.

he seemed to hear a soft sobbing sound.

bai shixun frowned subconsciously. he hated women who cried the most.

as china’s number one playboy, he had flirted with many female stars and young ladies. everyone knew that he hated women crying the most. if they cried in front of him, second young master bai would definitely dump them on the spot!

who was so bold?

he actually cried non-stop!

Chapter 1217: not good, little qianqian is missing!

“bai shixun, you ... you can’t die ...”

“why ... why did you save me? i’m not worth it ...” he said.

” my life is cheap. even my parents don’t want me. you’re the young master of a rich family. your life is much more valuable than mine ... why did you save me? it’s not worth it. it’s really not worth it ... ”

the anxious voice echoed in his ears, and a faint fragrance floated in the air.

bai shixun’s anxiety and impatience were instantly suppressed.

what replaced it was a sour and painful feeling that directly gushed into his heart.

this voice ... who was it?

he couldn’t remember for a moment, only feeling that the heaviness and pain in his chest was getting worse.

“dammit, don’t cry, don’t cry!”

she stopped sobbing. ” second young master, i’ve implicated you. if it wasn’t for me ... if it wasn’t for me ... ”

he suddenly stopped speaking, and the faint fragrance disappeared.

bai shixun suddenly became anxious. he did not know where he got the strength from, but he sat up abruptly. ” qianqian, don’t go! don’t go!”

boxn ov el. c o m

he stretched out his hand and pulled ...

the next second, a familiar voice was heard. ” tsk, tsk. shixun, did something happen between you and yichen without me knowing? she’s pulling on yichen’s clothes and not letting him go ... suspicious, very suspicious ...”

bai shixun was stunned for a moment. he turned around abruptly and saw he jinsi and mu yichen standing by the bed.

he jinsi’s eyes were filled with deep meaning.

before bai shixun could even react, he felt a force pushing him away. mu yichen pushed him away mercilessly.

young master mu’s voice was full of disdain. ” jingsi, are you blind? what can happen between me and this guy? i have such a beautiful wife at home, why would i be so depressed? i don’t even know what secretary fang sees in him!”

bai shixun came back to his senses, and his face immediately turned ugly.

“mu yichen, are you ... still a brother? what kind of person would say that about me? i’m telling you, this young master is a casanova, and i’m popular with both men and women. it’s not like no man has ever confessed to me before!”

“this is the first time i’ve heard someone say ‘mother’ in such a fresh and refined way.” mu yichen pursed his lips coldly.

“you ...!”

bai shixun wanted to fly into a rage, but the moment he moved, his wound was aggravated.

the pain woke him up a little. ” yichen, jingsi, you ... you saved me? ” we’re still in country F?”

he jinsi clapped his hands. ” congratulations, you got it right! i didn’t expect you to be so useless. you were fooled by a woman like luo chenxin and almost lost your life! you don’t know how worried old master bai was about you!”

bai shixun’s eyes widened. ” grandpa, he ... ”

” don’t worry, we’ve already called your grandfather and told him that you’re fine. ” he jinsi patted his shoulder.

bai shixun heaved a sigh of relief and continued to ask, ” “then ... then what about qianqian? she ... how was she? did you ... did you get ...”

he suddenly stopped in the middle of his sentence, unable to continue!

recalling the scene of fang ziqian being pressed to the ground, he felt a suffocating feeling in his chest. he used his hands to prop himself up on the bed and tried to get up.

“where’s qianqian? she ... what happened to her? i want to see her!”

“tsk, look at you, you’re still half-dead, how are you going to see secretary fang? you lie down first!” he jinsi held him down and refused to let him get up.

at this moment, the door of the ward was slammed open with a bang.

“not good! little qianqian’s gone!”

Chapter 1218: some women just need to be taught a lesson, especially in bed!

luo chenxi had an anxious expression on her face as she rushed into the ward. as soon as she entered the room, she cried out anxiously.

“what’s going on?” mu yichen asked.

” i ... i don’t know, ” luo chenxi said. ” little qianqian just woke up, so i called the doctor to check on her. when i came back with the doctor, i found that there was no one on the bed ... ”

before she could finish her sentence, she saw a figure brush past her and rush out of the ward.

he jinsi’s voice was heard. ” bai shixun! what are you running for? your wound has split open for the second time and has just been stitched up. do you want to die?”

however, bai shixun could not hear the voice behind him at all.

there was only one thought in his mind. fang ziqian had run away. she ... she had really run away!

were the words that he had vaguely heard while he was unconscious earlier true?

did fang ziqian really want to leave him just because she thought she had implicated him?

” d * mn it, fang ziqian, is your brain filled with mush?! ”

it was only then that bai shixun understood why mu yichen called luo chenxi ‘stupid woman’ every day even though she appeared to be quite smart.

because some women just needed to be taught a lesson! especially the lesson in bed!

boxn ov el. c o m

bai shixun ignored the pain in his body and ran along the corridor.

finally, he found a familiar figure at the end of the corridor near the stairs.

her slender figure was still eye-catching even though she was wrapped in a loose patient’s gown.

” fang ziqian, you stupid woman, stop right there, you hear me?! ”

bai shixun bellowed and rushed straight toward them.

fang ziqian heard her name and turned around in surprise. before she could see who was behind her, she was pulled into a strong and strong embrace.

bai shixun held her waist firmly and exhaled hot air into her ear. he gritted his teeth and said, ” “fang ziqian, how dare you run! where do you think you’re going?”

fang ziqian’s eyes widened in shock. you ... why did you come out? aren’t you ... still unconscious?”

“what’s wrong? i’m unconscious, is that what you wanted? you can just run away? i’m telling you, give up on this idea!” bai shixun’s voice was filled with anger.

being stared at by his slightly red eyes, fang ziqian’s heart trembled and she opened her mouth subconsciously. ” how did you know i ... ” wanted to run?

she realized that she had said the wrong thing and hurriedly shut her mouth.

however, bai shixun had already guessed what she was going to say. his handsome face was twisted.

“fang ziqian, i’m telling you, i saved you so you could lie on my bed, not run around! you’d better remember this!”

fang ziqian did not expect him to start driving without saying a word. her face turned red. ” what bed ... bai shixun, this is a hospital! ” what nonsense are you spouting?”

not only in the hospital, but also in the corridor of the surgical ward where people came and went.

a pair of extremely eye-catching handsome men and beautiful women were arguing at the top of the stairs, and they had long attracted the attention of the nurses and patients passing by.

fang ziqian could only comfort herself that they were in country F and they didn’t understand chinese ...

however, before she could be happy, her feet suddenly lifted into the air and her body was carried up horizontally.

“bai ... bai shixun, what are you doing? you ... put me down!” her expression changed.

” hmph! ” bai shixun snorted coldly. ” it seems like you won’t be able to recognize your own identity if i don’t teach you a lesson! ”

Chapter 1219: every scar was because of her ...

fang ziqian’s heart trembled at his cold tone, and before she could say anything, he carried her back to the ward.

the next second, he was thrown onto the bed.

the hospital bed was a little hard. fang ziqian’s back hit the bed and she screamed, ”bai shixun, you ... wuwuwu!”

however, just as she opened her mouth, her lips were blocked by the man.

all the unfinished words were blocked.

fang ziqian turned her neck with all her might, trying to avoid the burning kiss.

bai shixun’s straight brows furrowed slightly. he simply pinched her chin and forced her to stay in place.

fang ziqian was almost suffocated by his kiss, and in a moment of desperation, she subconsciously reached out to push him away.

however, when she touched the large white bandage on bai shixun’s chest and felt the rough texture under her palm, she suddenly stopped.

he couldn’t push it down no matter what.

every wound on bai shixun’s body was because of her ...

if it wasn’t to protect her, no one would hurt second young master bai, who was such an important hostage ...

boxn ov el. c o m

sensing fang ziqian’s soft-heartedness, bai shixun took the opportunity to deepen the kiss. he used all his skills to tease the stubborn little woman under him who liked to go against him.

fang ziqian’s mind wandered for a few seconds before she fell into a trap. she was pressed under the claws of a beast and couldn’t escape.

this was not the first kiss she had with bai shixun, and it was not even the second or third kiss.

however, the first few times were either coincidences or forced kisses by bai shixun out of anger. fang ziqian was really unwilling to do so.

however, it was different this time.

this was the first time she had experienced how it felt to kiss the man she liked ...

it was as if he was stepping on the clouds, and his entire person was dizzy.

it was as if everything around her no longer existed, and only the man in front of her was left ...

bai shixun noticed that fang ziqian had softened, so he kissed her harder and his hand movements became more and more unrestrained.

the hand that was on fang ziqian's waist lifted her hospital gown.

their body temperatures gradually rose ...

however, at this moment, the little woman under him suddenly stiffened and began to wriggle uneasily.

bai shixun thought that she was embarrassed, so he did not stop and pressed her down even more forcefully.

she made up her mind to teach fang ziqian a lesson and make her remember who her man was!

however, as time passed, he realized that something was wrong.

not only did fang ziqian become more and more stiff, but her body also gradually turned cold. her back was covered in cold sweat.

bai shixun was shocked and let go of his hand subconsciously.

she lowered her head and her expression changed. "qianqian, qianqian, what ... what's wrong?" don't scare me!"

fang ziqian's fair and beautiful little face was now ghastly pale. the hair on her forehead was soaked with cold sweat, and her body was still trembling slightly.

"i ... don't ... don't ... i'm scared ..."

as soon as she was released, fang ziqian curled up into a ball and wrapped her arms around herself.

"don't ... don't touch me ..."

bai shixun was stunned for a moment, and the scene that happened in the warehouse this evening suddenly flashed through his mind.

fang ziqian was pinned to the ground by the group of beastly men and was about to be raped ...

bai shixun slapped himself in frustration.

Chapter 1220: i'm hugging my own woman, what right do you have to make me let go?

he'd forgotten that fang ziqian had just gone through such a horrifying experience today!

and he was so eager to confess his love to her.

if he really did that, what difference would he be from those bastards?

bai shixun's blood turned cold at the thought of this. he supported himself up and sat beside fang ziqian.

then, he reached out again and pulled fang ziqian into his arms.

"qianqian, don't be afraid. those bad people have been caught and can't hurt you anymore! i'm the one who's holding you ... i'd rather die than hurt you ... don't be afraid of me, qianqian ..."

bai shixun mumbled as he lowered his head and kissed fang ziqian's cheek.

these kisses were full of comfort and cherishing, without a trace of desire.

feeling the warmth of bai shixun's chest, fang ziqian gradually calmed down.

bai shixun was not in a hurry at all. he only held her gently.

at this moment, he finally understood why the cold, arrogant, and emotionless mu yichen would suddenly become a slave to his wife after meeting the woman he truly loved. he didn't even go to Secret anymore and reported home every day after work.

that was because with the woman he loved in his arms, all the restlessness in his heart would disappear.

boxn ov el. c o m

just like how he wanted to hug fang ziqian and lie down like this without doing anything. it made him feel like he was the happiest man in the world.

after a long time, fang ziqian's voice was heard. " bai shixun, i ... i'm fine now. you can let go of me ... "

bai shixun's lips curled up. " not letting go? i'm hugging my own woman, what right do you have to make me let go?"

"you ...!"

fang ziqian's face quickly turned red.

this was the second time he heard bai shixun say that tonight.

but she was still not used to it.

"who ... who's your woman? i'm just ... just your secretary. don't talk nonsense ..."

"fang ziqian, aren't you a little too cruel? you were shivering in my arms just now, and now that you're fine, you want me to let go? you can't be so heartless! you're burning the bridge after crossing it, you know?" bai shixun's words changed and he started to act shamelessly!

fang ziqian's jaw dropped. " w-what? what burning bridges? i ... i didn't!"

bai shixun snorted coldly. suddenly, he remembered something. he grabbed fang ziqian's chin and forced her to look up and meet his eyes.

“right, i haven’t asked you yet! tell me clearly, why did you run away just now? eh? you’re so unwilling to be hospitalized with me, and you even ran away! you’re a woman who’s covered in wounds. where do you think you’re going in the middle of the night?”

bai shixun’s anger that had just subsided rose again as he spoke.

was this woman an idiot?

she didn’t think about how dangerous it would be for such a beautiful foreign girl to go out in this unfamiliar place, in the middle of the night, and with the bad public security outside!

in other words, she knew that it was dangerous, but she still ran away. did she think that bai shixun was a dangerous beast?

it hurt his self-esteem!

bai shixun’s face was full of anger as he glared at the woman in front of him.

fang ziqian was dumbfounded. ” wait ... wait a minute! ‘when did i ... run?’ don’t you dare slander me!”

bai shixun was stunned. he frowned. ” i thought you were going to run? then, why did you disappear when luo chenxi went to look for the doctor?”
