

Sweetheart 221

Chapter 221: Are You Happy To Be Liked By So Many Girls?

Luo Chenxi was speechless. "What did I say?"

'I've already been made into a poster and am now stuck up on the wall, yet I'm not allowed to sigh?'

Mu Weiwei glared at her. "It would be best if you didn't say anything!"

After saying that, she turned around to chat with a few classmates via voice chat.

Luo Chenxi listened from the side for a while and roughly understood what was going on.

Ever since she walked on the runway at the Huafeng Competition, she had garnered a large number of fans. Her fans had even gathered amongst themselves and formed a support group.

As the young miss of the Mu family, Mu Weiwei was rich and generous. She had sponsored a large amount of funds, so she became one of the core figures.

'What's all this?'

Luo Chenxi felt a little guilty.

After thinking for a while, she coughed heavily behind Mu Weiwei.

"Ahem, Mu Weiwei, you're still young, so it would be better if you focused on your studies. It's fine for you to admire a celebrity, but you're putting in too much effort for a support group. There's no need..."

"Shut up!"

boxn ov el. c o m

Mu Weiwei's expression immediately changed when she heard this.

"You don't need to meddle in my affairs. You don't have the right to! Do you really think you're my sister-in-law?"

Luo Chenxi frowned and her face darkened.

'I don't want to meddle in your affairs either, but I'm afraid of the day when my identity gets exposed. Wouldn't you be furious when that time comes?'

Suddenly, a man's deep voice came from behind.

"Mu Weiwei, why are you talking like that to your sister-in-law?"

Luo Chenxi turned around and saw Mu Yichen walking in with big strides as he held the little dumpling in one hand.

The dark suit on his body made him look even more aloof and noble.

The little dumpling wore a pink princess dress and sat on her father's arm, looking especially obedient.

Mu Weiwei looked indignant. "Brother, what did I say? She's obviously a shameless person..."

“Mu Weiwei!” Mu Yichen sternly shouted to stop her, “Apologize to your sister-in-law immediately! Also, I’ve told you this before, you’re not allowed to chase after celebrities! Yet, what are you doing now? I’m confiscating all of these things! If I see them again in the future, you can forget about getting any more pocket money.”

“What?! Brother, how can you do this to me?”

Mu Weiwei was so angry that she stomped her feet, but Mu Yichen remained firm in his stance.

She stammered for a long time before she spat out an apology that was almost inaudible.

Then, she ran back to her room in a huff.

Luo Chenxi was secretly speechless. She suddenly felt that Mu Weiwei was a little pitiful. ‘Isn’t Mu Yichen’s teaching method too simple and crude?’

“Mu Yichen, actually, you don’t have to confiscate these posters...”

“What’s the matter? Are you happy to be liked by so many girls?” Mu Yichen glanced at her coldly.

“I didn’t say that I was happy.”

Luo Chenxi stopped talking.

‘It’s none of my business that his sister’s getting more and more rebellious under his care.’

Then, Luo Chenxi turned around and brought the little dumpling to the kitchen.

Not long after, she came out with a plate of sweet and sour fish. While she was doing so, she saw Mu Yichen instructing Sister Chen to roll up the posters, put them in a box and move them to his study room.

‘He’s really putting in a lot of effort so that his sister is able to study properly!’

...

In the room, Mu Weiwei was holding her phone and complaining nonstop.

“Sister Xinxin, you have no idea how arrogant that woman is at the moment! She even wants to stop me from chasing after a model! Also, I have no idea what kind of drug she’s given my brother, he’s actually standing on her side every time. He even made me call her sister-in-law!”

Bai Xinxin was shocked, “What? Brother Mu has accepted her? Has he forgotten what this woman has done?”

Mu Weiwei said, “That woman’s very adept at strategizing, my brother is now bewitched by her. Sister Xinxin, you’ve got to come up with an idea quickly. If this continues, will my brother actually fall for her?”

Chapter 222: Who The H*ll Is This Shameless Vixen!

Bai Xinxin was frustrated.

Ever since she made a fool of herself at the Huafeng Competition, her professionalism had been questioned and her cold and aloof persona had collapsed as she was criticized on the internet.

The video of her fight with Wu Lingshan had been receiving a lot of views.

Although she had spent a lot of money to delete the video and hire a bunch of internet ghostwriters, the effect was not great. As a result, all the major brands had ceased working with her.

Because of these matters, she had been in a lot of trouble recently, so much that she did not have the time to appear in front of Mu Yichen.

However, she did not expect Mu Weiwei to bring such bad news.

“Weiwei, don’t worry. I will definitely not let that woman be complacent any longer! However, I am a little busy these days, so I’m going to need your help to pay more attention. Let me know immediately if there’s any news.”

Mu Weiwei agreed, “Okay, Sister Xinxin. By the way, what about the matter I mentioned to you? Were you able to contact Chen Xiluo? Or I’d be happy enough if you could get him to sign me an autograph.”

After being rejected by Mu Yichen, Mu Weiwei thought of Bai Xinxin.

Bai Xinxin was in the same industry as Chen Xiluo and had walked on a runway before, so maybe she had the means to contact him.

However, Bai Xinxin did not have the time to even care about Chen Xiluo.

Then again, she did not want to offend Mu Weiwei, so she perfunctorily said, “I haven’t found out which agency he is modelling for. I’ll let you know as soon as I have news.”

boxn ov el. c o m

Only then did Mu Weiwei become happy.

Bai Xinxin hung up the phone and fiercely threw her phone on the sofa.

“Damn it, nothing is going according to how I want it to be!”

Her manager, Sister Ling, quickly walked in, and she advised, “Xinxin, it’s useless for you to lose your temper. Instead, you should calm down and get back to work. You should be using your actions to rebuild your professional image. As for those who deliberately defamed you, there’s no need for you to bother with them, no one will pay attention to them after a while.”

Bai Xinxin’s face was full of impatience. “That’s easy for you to say! Now that those international big shots are going to remove my endorsement, where am I supposed to return to work?”

Sister Ling took a few steps forward and said, “Coincidentally, there’s an opportunity recently.”

“What kind of opportunity?”

“TREND Magazine has already decided to use the design of the first prize winner from the Huafeng Competition, Xing Chen, to shoot a couple’s cover for the next cover page of their China’s edition. It was

originally decided that they would use the two models from the finals, but the female model isn't available, so Editor Tang is currently recruiting a suitable female model."

"What?! That b*tch, Xing Chen, is actually able to be on the cover of TREND?!" Bai Xinxin's face was filled with shock. Following that, she said unwillingly, "There's nothing good about her design at all, I really don't know why Brother Mu would take a fancy to it! This is just great, she's going to rely on Brother Mu to hype her way up now. She's actually going to be on the cover of a cosmological magazine!"

"Who the h*ll is this shameless vixen! If I find out who she is..."

When Sister Ling heard these words, she couldn't help but sigh, "Now is not the time to talk about this, my dear! Forget about how Xing Chen is climbing up the ranks. Right now, what you need the most is the cover of this cosmological magazine! If you're able to get this opportunity and perform well in the photoshoot, your reputation within the industry will definitely improve."

"Moreover, Chen Xiluo is very popular at the moment. The Internet is full of topics about him. If you shoot the cover with him, you can even ride on his popularity. I'll think of a way to create more hype as well so that your popularity will also recover a lot."

Bai Xinxin was depressed, but she had to admit that what Sister Ling said was right.

"Alright then, I'll go for the photoshoot of this cover."

Sister Ling said, "There are a lot of people participating in the auditions this time. You're going to have to perform well when the time comes."

"So what if there are a lot of people going for the auditions? I am the number one supermodel. As long as I am willing to shoot it, who would dare to compete against me?" Bai Xinxin said disapprovingly.

Chapter 223: Stunned By Chen Xiluo

When Manager Ling heard this, she couldn't help but frown.

'Why can't Bai Xinxin understand the situation she's in at all?

'Does she think that she's still the number one supermodel?

'After the Huafeng competition, the screenshots of her and Fang Ziqian on the runway have long been posted on the internet and were even compared against each other from various angles.

'In the end, the final conclusion was that Bai Xinxin couldn't even be compared to a rookie who was on her first runway show!

'In fact, if it wasn't for the fact that I'm her manager, I would've actually thought that Fang Ziqian was even more outstanding than she is.

'In the modeling industry, youth trumps everything. So, even the slightest carelessness would cause them to be surpassed by a newcomer.

'Unfortunately, Miss Bai has always been living on a bed of roses since young and doesn't understand this logic at all.'

Manager Ling tried to persuade her a few more times, but seeing that Bai Xinxin refused to listen, she could only drop the subject.

...

On the day of the interview.

Since Young Master Mu didn't allow her to dress up as a man anymore, Luo Chenxi didn't dare to tell him the truth.

boxn ov el. c o m

Early in the morning, she secretly hid the man's outfit in her backpack and brought it to the car.

After sending the little dumpling to kindergarten, she found a place to secretly change her clothes, put on her makeup and rushed to TREND magazine.

Tang Jiadong's eyes lit up when he saw her, he walked forward to shake her hand warmly.

"Mr. Chen, you've come! You look very different from the day you were on the runway. However, you still have a great temperament. You are the most unique male model I have ever seen. You have a bright future ahead of you. I believe that we will work well together!"

Tang Jiadong held her hand and kept shaking it.

Luo Chenxi frowned slightly. She felt a little uncomfortable and pulled her hand back.

Tang Jiadong then let go of her and said awkwardly, "I'm sorry, I'm a little too excited. Please come in!"

There were already many female models waiting at the door of the interview room.

Luo Chenxi saw many familiar faces, some of them were even top models in the country.

And then there was... Bai Xinxin?!

'What's she doing here?'

When the models saw them, they all stood up and surrounded them, except for Bai Xinxin, who was sitting in her original seat with a cold expression.

Tang Jiadong politely said, "I would like for all of you to wait for a while, some staff members will come over to make the arrangements."

After the two left, Bai Xinxin couldn't help but sneer in her heart.

'They're all small fries who can't even walk on the runway indeed. Did they think that they could get on the cover just by sucking up to the chief editor?'

'Now that the number one supermodel's here, no one stands a chance!'

...

After entering the room, Tang Jiadong explained in detail the work that Luo Chenxi needed to do.

“Later, when every model comes in, you’re going to have to take a photo with them. We will look at the photos and select the model that has the most chemistry with you.”

“However, don’t be nervous. This isn’t an official photoshoot. Moreover, this cover is mainly about you, so these female models are going to have to cooperate with you. So, all you have to do is relax a little.”

Luo Chenxi nodded, “I understand.”

Thus, the interview began and the models entered the room one by one according to their given numbers.

Luo Chenxi collaborated with each of them once.

“It’s just a photoshoot...” This may sound very simple, but in fact, it’s a test of the professional quality of the models.

The theme of that issue of TREND was love at first sight.

It was about how a male and female protagonist met by chance in the garden and developed feelings for each other.

What the photo wanted to emphasize about was the moment of surging emotions.

Luo Chenxi flirted with every girl indiscriminately. In the end, she felt like her eyes were about to cramp and she couldn’t smile anymore.

However, Tang Jiadong, who was standing at the side, kept nodding his head secretly.

“As expected, I chose the right person. Not only does Chen Xiluo have a unique temperament, he’s extremely photogenic. Moreover, no matter which female model he works with, he can easily get into the mood. Not bad, not bad at all!”

Some of the models went in with a calm expression, but when they left, they felt a little light headed.

Obviously, they were stunned by Chen Xiluo.

“Next, Bai Xinxin! Miss Bai, you can go in now.”

The voice of the staff came from the door.

Chapter 224: No Wonder Mu Weiwei Is Infatuated

The door opened and Bai Xinxin walked in with her head held high.

As she arrived in the middle of the room, she said directly to Tang Jiadong, “Editor Tang, I’ve always liked TREND magazine. This time, when I heard that you are personally selecting a model, I immediately rushed over.”

Tang Jiadong had heard these kinds of words many times, so he didn’t have any expression on his face.

Instead, he just nodded. “I’m glad to hear that. Let’s get right to it then, you already know what the cover theme is, so let’s begin the trial photoshoot.”

Bai Xinxin’s expression twisted.

'I've already made it clear enough, yet Tang Jiadong isn't immediately making a decision. He's even making me go through the interview like the others?

'Ever since I became the number one supermodel, no one has ever looked down on me like this!'

Manager Ling quickly followed up to persuade her, "A big magazine like TREND values process very much. Since we agreed on the interview, we definitely can't skip this segment. Just bear with it."

Only then did Bai Xinxin agree to stay.

She urged, "Where's Chen Xiluo? Why isn't he here yet?"

Luo Chenxi wasn't in a good mood when she saw Bai Xinxin.

However, she was very professional and knew that this was a job and she couldn't mix her personal feelings into it.

boxn ov el. c o m

So, she still walked over.

"Miss Bai, let's begin then."

As soon as she said that, Luo Chenxi's temperament changed. She was originally elegant and noble, but now, something seemed to have appeared in her eyes.

Bai Xinxin was originally full of impatience, but the moment Luo Chenxi looked at her from afar, she actually felt her heart skip a beat and she suddenly froze.

The surrounding flashlights were all lit up.

The photographer had already taken a few photos.

Tang Jiadong took a look at the photos sent to the computer and his face instantly turned black.

'What's going on?

'After taking so many photos today, I have never seen anyone with such a blank expression. She isn't in the mood at all!

'Also, what kind of posture is she standing in?

'She was a professional model, yet her back isn't straight and she's standing so lazily. What the h*ll is this?'

Tang Jiadong couldn't even be bothered to say anything. He waved his hand and said, "That's enough, Miss Bai. The interview is over. You can leave now!"

Bai Xinxin finally came back to her senses and couldn't help but look at Luo Chenxi in shock.

'I was actually shocked by this man for an instant just now!

'How is that possible?

'After seeing an extremely handsome man like Mu Yichen, none of the male models in the industry has ever caught my eye.

'I didn't expect that Chen Xiluo would actually... No wonder Mu Weiwei is completely infatuated with him.'

"Miss Bai? Why aren't you leaving yet?"

Tang Jiadong urged her again before Bai Xinxin turned around and left.

...

Half an hour later, the interview ended.

Tang Jiadong asked for Luo Chenxi's opinion. "Xiluo, which model do you think is the most suitable?"

Luo Chenxi was in a dilemma.

In her opinion, no one could match up to Qian Qian's tacit cooperation with her.

She thought for a while and said, "I think Duan Yuning is the most suitable."

'That girl looks pure and innocent, exactly the type that I like.'

Tang Jiadong immediately made the decision. "Okay, then it's decided!"

Luo Chenxi was stunned. "You're deciding just like that?"

'I merely said it very casually though?'

"Hehe, this is going to be a model that you're working with. So, of course we have to choose the person you like."

...

The staff walked out of the room and was surrounded by the models.

Bai Xinxin looked at these people with disdain and raised her chin, waiting for the pick.

But who knew..

"The cover model selection has been decided. Duan Yuning, Miss Duan, Congratulations!"

Bai Xinxin was stunned for a few seconds before she realized that she was not selected as the cover model!

"How is this possible? Has there been a mistake somewhere?"

Bai Xinxin stood up immediately.

Chapter 225: Trying To Find A Way To Deal With Chen Xiluo

"Duan Yuning is only a B-rank model who isn't even close to being an A-model, so why would a big magazine like TREND use such a model for their cover?"

“There must be some kind of conspiracy here! I demand a reasonable explanation!”

Bai Xinxin did not believe that such a thing could happen.

‘I’m fine if Tang Jiadong wants to use Chen Xiluo. After all, he’s got off to a strong start, instantly becoming famous throughout the country the moment he debuted.

‘However, Duan Yuning is just a minor model. How could she possibly beat me and be chosen by TREND?’

Faced with her aggressive questioning, the staff was speechless for a moment.

Tang Jiadong heard the commotion and walked out, he frowned and said, “Miss Bai, please understand the situation. It’s our magazine’s freedom to choose and decide which model we hire. Moreover, your performance during the interview today was the worst amongst all others. I didn’t believe it at first when I saw the rumors online saying that you have very low professional standards, but you’ve really opened up my eyes today!”

Tang Jiadong’s words were like a slap to Bai Xinxin’s face.

Her face went from green to a pale white.

She was so embarrassed that she wanted to find a hole and hide inside it!

“She actually thinks she’s the number one supermodel?”

“Based on the state she’s in, she’s almost outdated. Why doesn’t she take a look in the mirror and have a look at herself!”

boxn ov el. c o m

“How dare she question Chief Tang? Did Liang Jingru give her the courage?”

As she listened to the discussions around her, Bai Xinxin was so angry that she didn’t have the dignity to stay any longer. Hence, she turned around and left.

However, when she reached downstairs, she was stopped by Manager Ling.

“Xinxin, what happened to you? Why weren’t you the one announced by TREND to be their cover model?”

Bai Xinxin was filled with resentment. “How should I know? I have no idea what kind of benefits Tang Jiadong received from Duan Yuning, he insists on hiring her. In fact, he even slandered me, saying that I performed the worst during the interview! I’m so angry!”

Manager Ling was speechless.

‘To be fair, Bai Xinxin’s performance was indeed not that good.

‘However, Bai Xinxin has worked with TREND in the past. Plus, Tang Jiadong is a nostalgic person, so I thought that he would help Bai Xinxin out.

'It seems that Miss Bai has failed as a person. She's already offended people previously, yet she still doesn't understand the situation she's in.'

"I'll never come to this d*mn place again!"

Manager Ling quickly pulled her back. "Hold on, Xinxin, you can't just leave like this."

"The cover isn't going to be mine even if I don't leave, so what's the use of staying?"

Manager Ling lowered her voice. "It's not like you don't have a chance. I've just inquired with the internal staff. The one who had the final decision for today's model selection wasn't Tang Jiadong, but Chen Xiluo!"

"What?!" Bai Xinxin raised her head in surprise. "He's just a rookie model who's already lucky enough to be working with TREND. How could he have had the right to choose his own partner?"

"I heard that Chief Tang thinks highly of him. Anyway, if you can find a way to get Chen Xiluo to change his mind, you still have a chance to get this cover."

Hearing Manager Ling's hint, Bai Xinxin stopped in her tracks and fell into deep thought.

'I'm definitely not going to seduce an old man for the cover page of the magazine.'

'However, I suppose it wouldn't be too difficult to handle a young newcomer like Chen Xiluo.'

'After all, I'm the number one female celebrity in this industry who's famous for being rich and beautiful, with a halo around me.'

'With just a hook of my finger, countless newcomers would fall heads over heels for me and idolize me as their goddess without me having to sacrifice anything.'

Although Bai Xinxin's reputation was so bad, she was still able to become the number one supermodel. This was because, apart from her wealthy family background, there was an undeniable fact that she would regularly have heaps of men as her playmate.

"Alright, then I'll look for an opportunity to meet this new male idol. I'll definitely make him change his decision and make me his cover model!"

Bai Xinxin's mind flashed back to Chen Xiluo's extremely flirtatious gaze during the audition and she couldn't help but let out a sigh of relief.

She was a little excited at the thought of turning such a man into her loyal dog.

Chapter 226: Such An Unromantic Man Actually Exists!

Luo Chenxi and Tang Jiadong agreed on the official shooting date and immediately packed their things and left.

In order to avoid being discovered by Young Master Mu, she first had to find a place to change back into her women's clothes. Then, she had to go to the kindergarten on time to pick up the little dumpling and go home together.

She was on quite a time crunch.

However, she had just reached the first floor when she was bumped into by a figure.

She staggered for a moment before she regained her balance.

The girl opposite her took a few steps back and threw out her backpack. Her purse, lipstick and pressed powder rolled out and fell to the ground.

Luo Chenxi took a look and realized that the person who bumped into her was Bai Xinxin.

Hence, she couldn't help but frown.

'The perfect depiction of enemies on a narrow road!'

Bai Xinxin stared at Chen Xiluo's cold and handsome face and muttered in her heart.

'Usually, wouldn't a man have shown his gentlemanly demeanor in this situation. Shouldn't they be taking the initiative to bend down and help pick up my things?'

'So, why is Chen Xiluo standing there like a fool then?'

boxn ov el. c o m

'Is he really a little virgin who doesn't know anything?'

After seeing that the other party wasn't taking the bait, she secretly gritted her teeth and used her second move!

Bai Xinxin squatted down and picked up the things herself.

This move was usually very easy, but on that day, she was wearing a deep V tight dress and 12 cm high heels.

After squatting down, her body swayed left and right, obviously she was not able to stabilize herself. Also, her butt, which was wrapped in her tight dress, was even more prominent.

Of course, what was more striking was the deep cleavage on her chest.

One would have been able to get a perfect view from the top.

Bai Xinxin was full of confidence. 'This move is definitely powerful enough! No man can ever resist such a seductive temptation.'

'As long as Chen Xiluo isn't gay, he will definitely be tempted.'

She deliberately moved very slowly and picked up the items one by one, waiting for Chen Xiluo to strike up a conversation.

However, after the other party glanced once at her, he actually walked away from her and walked towards the main entrance.

'How is this possible?!'

Bai Xinxin said anxiously, "Erm... Mr. Chen, please wait for a moment!"

Luo Chenxi stopped in her tracks and frowned. "What's the matter?"

She was in a hurry to pick up the little dumpling and had no interest in talking to Bai Xinxin. Furthermore, she felt uncomfortable whenever she saw Bai Xinxin.

Of course, this was definitely not because of Young Master Mu. She just did not like her!

Bai Xinxin's mouth twitched. She was so angry that she was about to faint.

'Such an unromantic man actually exists!

'Is he even harder to deal with than Mu Yichen?'

She stretched out her hand toward him. "Um... Mr. Chen, my leg seems to be numb. Could you help me up please?"

Luo Chenxi pointed to Bai Xinxin's side. "There's a handrail over there."

"Ah? Hehe, I didn't notice..."

Bai Xinxin was so angry that her nose had gone crooked. Left without any other choice, she helplessly held herself up by holding the handrail.

"Mr. Chen, I accidentally bumped into you just now, are you hurt? I'm so sorry!" Bai Xinxin regained her exquisite beauty image after she regained her balance.

"I'm fine. I'm in a hurry, excuse me."

Luo Chenxi turned around and left after she said that.

Bai Xinxin had no choice but to chase after her. "Wait, Mr. Chen. I admired you when we were taking photos together. Now that we've bumped into each other again, I think we're really fated to meet each other. You wouldn't mind buying me a drink, would you?"

Luo Chenxi glanced at her.

Goosebumps appeared on her skin when she saw Bai Xinxin's somewhat seductive smile.

'If my eyes aren't playing tricks on me, Bai Xinxin seems to be... Trying to seduce me?'

'But, wasn't she in love with Young Master Mu?'

"I told you, I'm busy. Please excuse me, Miss Bai."

Bai Xinxin almost could not maintain the smile on her face when she heard this.

Chapter 227: Isn't She Dreaming Too Much?

'Other than Mu Yichen, I've never met a man who isn't moved by me at all!

'Especially since Chen Xiluo is a newcomer in the fashion industry, he should've taken the initiative to come over.

'Where exactly did things go wrong?'

When Bai Xinxin saw that Chen Xiluo was about to leave, she became anxious.

Hence, She darted in front of Luo Chenxi and decided to make things clearer.

“Chen Xiluo, do you have to be so cold to your senior? Are you not even willing to have a drink with me? You just debuted this year, so you probably don’t know that networking is very important in order for you to mingle around within the fashion industry. It wouldn’t be bad for you to get to know more people.”

Luo Chenxi frowned impatiently.

“Miss Bai, do you have a lot of time in your hands? Can’t you see that I don’t want to talk to you?”

Bai Xinxin’s face was filled with disbelief after being refuted.

‘I’ve already hinted to you that I would introduce you to my connections within the industry as long as you’re willing to listen to me!

‘Even if you really are gay, you shouldn’t be rejecting me if you’re planning on developing within this industry.

‘Yet, not only are you not giving me any kind of reaction, you’re even speaking to me so rudely!’

boxn ov el. c o m

Bai Xinxin was so angry that she almost turned hostile on the spot.

However, when she thought of how important the cover was, she forcefully restrained herself.

“Chen Xiluo, have I done something to offend you? Why exactly are you dissatisfied with me? I could tell during the interview just now that you seemed to be deliberately making things difficult for me? If I accidentally offended you, just tell me directly, I really didn’t do it on purpose.”

Bai Xinxin said it in a pitiful manner on purpose.

“During the interview?”

Luo Chenxi was stunned for a moment, then she understood what was happening.

‘So, Bai Xinxin has deliberately come to find me and put on all this performance because she was unhappy about being eliminated after her interview. She’s trying to lure me into her trap!

‘Isn’t she dreaming too much?

‘Does she really think that she’s extremely charming?’

Bai Xinxin took a few steps closer before she continued, “Chen Xiluo, I’ve already heard from others that you’re the one who chose Duan Yuning. Can you tell me what you’re not satisfied with? My reputation, qualifications and popularity are much better than Duan Yuning’s. It’ll be beneficial for both of us if you work with me.”

“This is your first big magazine cover. You must be careful in choosing who you work with!”

She blinked her eyes and said, “Don’t worry. If you help me this time, I’ll definitely repay you in the future.”

The corner of Luo Chenxi's mouth twitched.

'How could there be such a self-righteous person like Bai Xinxin in this world?!

'She's really disgusting me.'

Luo Chenxi glanced at her and said, "Do you really want to know why I didn't choose you?"

Bai Xinxin said sincerely, "Yes, please go ahead."

Luo Chenxi said, "Chief Tang has already said it just now, so do you really want me to repeat it again? Your professional standards are too low, I refuse to work with unprofessional people. It's just like you said, this is my first time on the cover of a big magazine, so I don't want to be dragged down by you."

"You...! What did you say? How am I unprofessional?"

Bai Xinxin could no longer maintain the fake smile on her face.

"There is nothing professional about you at all. For example, you coming to see me now is so that you could be chosen for the cover in exchange for resources and connections, this in itself is already very unprofessional. If Chief Tang finds out about this, I'm afraid he will put you into his blacklist of people who refuse to cooperate. So, I would advise you to not waste your efforts anymore."

Luo Chenxi finished her sentence coldly and looked down at her watch.

'Oh no, if this drags on, it's going to be time for the kids to be done with kindergarten!'

She turned around and quickly left.

Luo Chenxi left without even turning her head around once despite Bai Xinxin shouting behind her.

Bai Xinxin was furious. "D*mn it, why is everyone against me? Chen Xiluo, you'd better remember this day! You've only become popular for a few days, yet you dare to look down on me?"

Chapter 228: Superb Flirting Skills!

Bai Xinxin cursed fiercely.

In the end, when she turned around, she saw several staff members standing behind her. They were even pointing their fingers at her.

Apparently, they had been watching from the side for quite a while.

Bai Xinxin's face turned red.

'So many people actually saw me flirting with Chen Xiluo!'

"What are you looking at? Get Out of my way!"

Bai Xinxin cursed a few times and was too embarrassed to stay any longer.

...

On the other hand.

Regardless of how quickly Luo Chenxi hurried to the kindergarten, she was still late.

Fortunately, the little dumpling was accompanied by Luo Chenxi's little son-in-law. She sat at the door obediently and waited while she sucked on a lollipop in his mouth.

When Luo Chenxi arrived, the little dumpling took out the lollipop that was half finished and handed it to Bao Shaoxuan.

boxn ov el. c o m

"Brother Shaoxuan, this lollipop tastes so good, you should have a bite of it too."

The cute little boy's face was obviously red as he shook his head. "I don't want to eat it, you can eat it yourself."

"It's really good though!"

The little dumpling blinked her big eyes and tried hard to sell the lollipop. She even tiptoed and brought the lollipop to the cute little boy's mouth.

Bao Shaoxuan kept on retreating, even his ears had turned red.

Luo Chenxi, who was watching from the side, was dumbfounded.

'I wonder from whom did the little dumpling inherited that from?

'Her flirting skills are superb!

'If she's so capable, she would be able to make Mu Yichen kneel at her feet and submit to her!

'Wait, this isn't right!

Seeing that Bao Shaoxuan had nowhere to hide, the little dumpling successfully "pounced" on him.

Luo Chenxi quickly ran over. "Tang Tang, you must've been waiting for a long time, haven't you? Big Sister is here to pick you up."

She picked up the little dumpling and successfully rescued the blushing little son-in-law.

Luo Chenxi also heaved a sigh of relief.

'Thank goodness I made it in time!

'If the little dumpling and the little son-in-law kissed indirectly and Young Master Mu, who's obsessed with his daughter, finds out about it, it's going to be a disaster!

The little dumpling saw her beloved Big Sister and instantly forgot about Bao Shaoxuan. She hugged Luo Chenxi's neck and kissed her on the cheek.

Luo Chenxi's mouth twitched.

The little dumpling, who had just eaten a lollipop, had a sticky mouth...

...

After she brought the little dumpling home, Mu Yichen entered the house soon after.

Luo Chenxi was stunned when she saw the tall man in a long windbreaker changing his shoes at the door.

'I keep feeling that Mu Yichen is coming home earlier and earlier everyday.

'Could it be that Mu Group is going to close down?'

Just as she was about to go upstairs.

Suddenly, Mu Yichen stopped her.

"Hold on!"

"What's the matter?" Luo Chenxi turned around and blinked her eyes strangely.

Mu Yichen pointed at her neck. "What's that on your neck? Why is there a black spot?"

"Ah?!"

Luo Chenxi felt that something bad was going to happen.

She immediately took out her phone and turned on the camera to take a photo of her neck.

After taking a look, her heart skipped a beat.

That was when she changed her appearance in the morning. In order to look more natural and lifelike, she had specially applied two deep colored foundations.

In the end, she was in too much of a rush when she returned in the afternoon. When she removed her makeup, she didn't notice that she missed a spot...

"What's going on? What is this thing?"

The man's voice suddenly sounded in her ear.

Luo Chenxi looked up in surprise and realized that Mu Yichen had already walked over silently.

His slender fingers landed on her fair and slender neck as he rubbed against it a few times.

He narrowed his eyes and looked at the foundation cream on his fingertips, deep in thought.

Luo Chenxi quickly said, "Uh... About this... I accidentally touched it when Tang Tang was eating just now. Thank you for reminding me, I'll get a towel to wipe it off now."

After forcefully explaining herself, she turned around to leave.

However, just as she turned around, her shoulder was firmly held by the man's powerful palm.

Chapter 229: It's Really Delicious

Luo Chenxi struggled a few times but failed to break free.

Mu Yichen said in a low voice, "Why are you running away? Did you do something wrong again?"

Luo Chenxi was speechless.

'What does he mean by "again"?''

She turned around and looked at Young Master Mu innocently. "What are you talking about? What do you mean by if I've done something wrong? I'm just going to wipe it for a while."

Mu Yichen stretched his finger in front of her and snorted. "Did Tang Tang get this on you while she was eating? Don't tell me that this thing can be eaten?"

Luo Chenxi looked serious and nonsensically said with a straight face, "Of course it can be eaten! This is the kind of powdered sugar that is sprinkled on top of cakes. This is chocolate-flavored, haven't you eaten it before?"

"Hehe, is that so?"

"Yes!"

Luo Chenxi nodded confidently.

Mu Yichen sneered, "In that case, try eating it in front of me."

"... What?"

boxn ov el. c o m

Luo Chenxi widened her eyes.

'What does he mean?''

'He can't be trying to get me to eat this, can he...'

"Since you said this is a chocolate-flavored powdered sugar, then eat it in front of me!"

Young Master Mu's fingers moved forward, almost touching her lips.

Luo Chenxi hesitated for a moment. 'On second thought, although it's not healthy to eat foundation cream, it's definitely not poisonous.

'At the very least, it's going to be better than being discovered by Young Master Mu that I was secretly disguised as a man, isn't it?'

At the thought of this, she decisively stuck out her tongue and licked his finger.

Then, she smacked her lips exaggeratedly, "Mmm, Delicious!"

When Mu Yichen heard this, he was stunned.

'I completely didn't expect that this little woman would really... lick me!'

Her pink little tongue landed on his sensitive fingertips. Although the soft touch only lasted for a moment, it made the flames in his heart burn.

His gaze fell on Luo Chenxi's lips. His eyes were deep and his Adam's apple moved up and down.

His gaze was too dangerous. Luo Chenxi felt like she was a little rabbit that's being locked on by a tiger's sharp claws. The hairs on her back stood up.

Only then did she realize what a stupid thing she had done just now!

'I must have been out of my mind just now!'

Her action was too intimate, when she saw Mu Yichen's gaze that seemed to want to strip her naked on the spot, she knew that his thoughts were running wild...

Luo Chenxi shivered and hurriedly said, "There... I've already tasted it and it's really delicious. I'll buy you a piece next time. I'll be off now..."

"Why wait for the next time?" Mu Yichen suddenly tightened his arms and firmly locked onto her slender waist. Then, he lowered his head and his hot breath blew on her neck.

"Isn't there... More here?"

As soon as he said that, Luo Chenxi felt a heat on her neck and her head suddenly buzzed!

Mu Yichen was licking her neck...

Not only did he lick her neck, but his teeth also gently bit her fragile skin, making her feel like she had really become a little white rabbit on the verge of death...

Luo Chenxi felt her legs go soft and she weakly pressed her hands on his chest, trying to push him away.

"Mu Yichen, you... Let go of me..."

Mu Yichen did not let go and chuckled, "You're right, it's really delicious."

'D... Delicious my *ss!

'That's clearly foundation cream!

'Rich people really do have strange hobbies, he actually thinks that foundation cream tastes delicious?!'

"Big Sister, Tang Tang wants to eat strawberry pudding! Eh? Daddy, what are you doing?"

When Mu Yichen heard the little dumpling's voice, he frowned slightly and let go of his hand.

Luo Chenxi quickly jumped away and stayed far away from him.

Mu Yichen glanced at her unhappily, but casually replied, "Daddy is eating."

Chapter 230: Guilty Conscience

"You're eating?!" The little dumpling gasped in horror, "Daddy, Big Sister isn't food! You can't eat her!"

"Others can't eat her, but Daddy can."

Luo Chenxi's eyebrows twitched when she heard that Mu Yichen was teaching the child nonsense again.

If it were any other time, she would definitely have talked some sense into him.

But on that day, all she wanted to do was to slip away amidst the chaos.

However, just as she turned around, Mu Yichen suddenly said, "Why is this backpack so big? What did you stuff in it?"

Luo Chenxi turned around and saw Mu Yichen holding the backpack that she put her men's clothes in.

Her eyes immediately widened.

"This... There's nothing in here. It's just... It's just a little cold today and I was afraid that Tang Tang would catch a cold, so I brought her jacket with me."

Luo Chenxi finally found an excuse with her quick thinking.

Mu Yichen raised his eyebrows. "Is that so? Then, do you mind if I open it?"

'Of course I mind!

boxn ov el. c o m

'However, if I say that now, wouldn't that mean I'm feeling guilty?'

Luo Chenxi hesitated for a second. Mu Yichen had already grabbed the zipper of the backpack and pulled it open..

"Mu Yichen! Wait, I..."

Luo Chenxi was shocked that she rushed over to hug his arm. She wanted to find an excuse to deal with him, but she couldn't think of anything.

At that very moment, the door of the villa opened and Zhuo Feng rushed in.

"Chairman, you left an important document in the car. I just noticed it and immediately brought it to you..."

Mu Yichen's face instantly darkened.

However, Luo Chenxi's eyes instantly lit up.

'Assistant Zhuo is literally my savior!'

"My dear husband, you have work to do, so I won't disturb you."

Grabbing the opportunity, she immediately threw off Mu Yichen's arm, grabbed her backpack and ran upstairs as if she was running for her life.

'She's definitely feeling guilty, look how fast she's running!'

Mu Yichen wanted to chase after her, but it was too late. Hence, he couldn't help but frown.

When Zhuo Feng saw the chairman and Young Madam were together, he knew that he had arrived at the wrong time and instantly broke out in cold sweat.

"C... Chairman, I'll... I'll leave the documents here. Ex... Excuse me, I'll be leaving now!"

After saying that, he turned tails and ran out like his butt was on fire!

'Oh my goodness!

'I'm in trouble because of Young Madam again!'

...

Luo Chenxi ran back to her room and immediately locked the door.

Then, she immediately opened her backpack and hid her clothes in the closet.

Throughout the whole process, she had been worried that Mu Yichen would suddenly barge in and she would be caught red-handed.

However, what she was afraid of did not come to pass.

Even after she had gotten rid of all the evidence and wiped off the foundation cream on her neck, Young Master Mu still did not appear.

"Knock! Knock! Knock!"

There was a sudden knock on the door.

Luo Chenxi was shocked. "What's the matter?"

The maid said, "Young Madam, it's time for dinner. Young Master has invited you to go down and eat immediately."

"Oh... Okay."

Only then did Luo Chenxi heave a sigh of relief.

'It seems like it was just my guilty conscience kicking in. Perhaps, Mu Yichen was just fooling around with me out of boredom and doesn't intend to hold on to this matter.'

Luo Chenxi tidied up her clothes and went downstairs.

"Sister Xinxin, it's been a long time since you've come to my house. This drunken crab is a new dish that Auntie Chen learned and it's especially delicious. Try it."

"Weiwei, you're too kind. It's just that I came at a bad time and happened to catch you guys having dinner."

"Sister Xinxin, what are you talking about! If you weren't busy, I would've invited you to our house long ago. Big Brother and Tang Tang have also been looking forward to you coming here!"

Luo Chenxi stopped in her tracks and widened her eyes as she looked at Bai Xinxin who was sitting at the dining table.

'F*ck!

'Why is Bai Xinxin here?!'
