## Chapter 241: You Seem To Be In A Hurry To Chase Me Away, Are You Feeling Guilty?

Mu Yichen lazily said, "Sure."

"Follow me then."

Luo Chenxi brought him to her lounge.

She then closed the door.

After that, she turned around and glared at the man. "I'm shooting for my cover page, so what are you doing here?"

Mu Yichen snorted. "I'm inspecting a magazine company which is under my management, do I have to report it to you?"

"You... !" Luo Chenxi choked and said angrily, "Are you done with your inspection? If you are, then leave! What's the point of you continuing to stay here? You've already affected our regular routine!"

'Our photo shoot was originally going very well, yet all kinds of issues kept arising the moment this man showed up.

'Duan Yuning, who's such a wonderful little beauty, is completely frightened by him!

When he heard this, Mu Yichen's expression became even more unsightly. His gaze swept over Luo Chenxi's small face and his tone became even colder.

"Woman, you seem to be in a hurry to chase me away, could it be that you're feeling guilty? I remember that I clearly warned you not to attract any unnecessary people. What's all this now?"

Luo Chenxi was exasperated. "What kind of nonsense are you talking about? When have I even attracted anyone?"

boxn ov el. c o m

"Have you not?" Mu Yichen sneered. "What's with that Duan woman? She's all over you!"

Luo Chenxi stuttered as she said, "Wh... What do you mean by she's all over me?! It's part of the job. Besides, we were only touching each other a little bit! Plus, she's a woman and so am I. What's wrong with a little touch? Have you got a problem with that?"

"Of course I have a problem. Do you still remember that you're a woman?"

"Of course I remember!"

"What about those noisy women at the door? There's such a large crowd of them outside, are they all members of your fan club?"

"About that... I didn't know that so many people would come..."

Luo Chenxi was initially very confident and felt that she had done nothing wrong at all.

However, after facing Young Master Mu's continuous questioning, she suddenly felt a little guilty and lowered her voice.

Mu Yichen sneered, "In short, you didn't honor your agreement with me, so you're not allowed to continue filming. Come back with me now!"

"What?!"

When she heard this, Luo Chenxi widened her eyes and said angrily, "How can I do that? My work is not finished yet! If anything, you should be the one to go back alone! Do you know how much trouble you've brought to the magazine company?"

Mu Yichen narrowed his eyes. "Are you being brave at the moment? How dare you yell at me like this?"

Only then did Luo Chenxi realize that she had actually scolded Young Master Mu!

She was so angry just now that she couldn't care about anything else.

When she met Young Master Mu's cold and stern gaze, she was a little flustered, but she still braced herself and said, "It's your fault to begin with. You promised me that I could finish this photo shoot, yet now you're going back on your word! Mu Yichen, can you still be considered to be a man if you go back on your word like this?"

"You're saying that I'm not a man now? Do you need me to help you recall your memories?"

A trace of coldness flashed across Mu Yichen's eyes as he grabbed Luo Chenxi's wrist.

He pulled hard and the disobedient little woman got pulled into his arms.

"Hey, Wh... What are you trying to do?"

Luo Chenxi sensed that something was wrong and struggled.

"Didn't you say that I'm not a man?" Mu Yichen's voice became dark and hoarse.

Luo Chenxi quivered, "No... I didn't say that! You must have misheard... Mu Yichen, let go of me. We can talk about this nicely..."

"I don't want to talk now."

Mu Yichen's gaze fell on her petite lips and he lowered his head.

"Mu Yichen, you b\*stard... Mmm!"

Luo Chenxi was so angry that she could almost cough up blood.

'If he can't win over me in an argument, he would always "shut me up". Why does he have to be so overbearing!'

At that moment...

There was a knock on the door.

"Knock, knock, knock!"

“Brother Xiluo, are you in there?” A puzzled Duan Yuning called out.

### **Chapter 242: A Strangely Perfect Match**

Luo Chenxi froze when she heard Duan Yuning’s voice.

She suddenly remembered that she was so angry just now that she seemed to have closed the door without locking it.

As expected, the next second, she heard the sound of the doorknob turning.

Duan Yuning pushed the door open and entered.

Luo Chenxi suddenly reacted and pushed Mu Yichen away.

Although she was fast enough, it was impossible for Young Master Mu to disappear immediately.

Duan Yuning was stunned when she saw the two of them.

“Bro... Brother Xiluo, Young Master Mu?! The two of you...”

Luo Chenxi coughed twice and lowered her voice as if nothing had happened. “Ahem, Yuning, why are you here? I was just catching up with Young Master Mu just now.”

“Catching up?” Duan Yuning’s eyes widened.

“That’s right. Young Master Mu personally gave me an award at the Huafeng Competition last time. Now, we’re meeting again on my first day of the cover shoot. I felt it was quite a pleasant coincidence that fate brought us together again, so we chatted a little more. Isn’t that right, Young Master Mu?”

Mu Yichen didn’t say a word. He had no intention of answering.

boxn ov el. c o m

Luo Chenxi was a little embarrassed.

“Is... Is that so?” Duan Yuning still didn’t believe her.

‘When I pushed the door open and came in, I seem to have seen the two of them leaning against each other.

‘However, the light in the room is very dim, so I’m not sure if I was mistaken.

‘Besides, why would two men be hiding in a small room and standing so close to each other?

‘Unless...’

Just when she was puzzled, she suddenly felt a chill all over her body as sharp gaze fell on her.

Duan Yuning stole a glance at Young Master Mu and shivered for a moment as if she had understood something.

She hurriedly said, “Um... Um... Brother Xiluo, I came here just to remind you that Chief Tang is ready to start shooting again. He’s looking for you!”

“Is that so? I’ll go back immediately.”

Luo Chenxi immediately turned around and walked out of the lounge.

Mu Yichen put one hand in his pocket and slowly followed her out.

When he passed by Duan Yuning, he stopped in his tracks. “Watch your mouth. Also, don’t you dare touch him!”

Duan Yuning was like a quail, shrinking her neck and nodding her head.

Mu Yichen quickly caught up with Luo Chenxi and walked side by side with her into the garden.

Duan Yuning finally heaved a sigh of relief. She raised her hand to wipe the cold sweat off her forehead, feeling a lingering fear in her heart.

“Young Master Mu is really, really terrifying! I didn’t expect that he and Brother Xiluo are actually... Ahhhh, why do I suddenly feel like they’re a good match?! One is cold, the other is gentle. The kinky girl soul in me is starting to burn up again!”

...

Thus, they returned to the garden and started shooting again.

Luo Chenxi could not shake off the feeling that the way Duan Yuning looked at her was a little different now.

‘Previously, it was filled with admiration, but now... There seems to be an indescribable... Excitement?!

‘She even giggles at me from time to time.

‘What’s going on?

‘Moreover, Duan Yuning seems to be deliberately keeping a distance from me.

‘There’s a scene where she should have put her hand on my shoulder, but in the end, she just pretended to put it there.

‘Could it be Mu Yichen’s trick again? Fortunately, this time, the photo shoot went very smoothly. Duan Yuning only made one or two mistakes before the entire set of photos were taken.’

“Let’s call it a day! Thank you for your hard work today,” Tang Jiadong announced.

Luo Chenxi felt a huge weight lifted off her chest.

Tang Jiadong turned to her. “Xiluo, be careful when you leave later. My assistant just said that there are more fans blocking the entrance than there were in the morning.”

“What? I never expected them to be so persistent!” Luo Chenxi was surprised. “Thank you, Chief Tang.”

If not for someone reminding her, she would have bumped into them when she went out.

She bid farewell to Tang Jiadong and Duan Yuning before she returned to her lounge first.

Just as she was about to turn around and close the door, a tall figure squeezed in.

## Chapter 243: How Dare She Extend Her Claws At My Male Idol

Mu Yichen closed the door and turned to look at her.

Luo Chenxi frowned slightly. "Why have you followed me again? The photo shoot has already ended, so why aren't you going back to the company yet?"

Mu Yichen glanced at her from the corner of his eyes.

'This woman... Is she really that eager to chase me away?'

He replied, "If I leave, how are you going to go back? Didn't Tang Jiadong just say that there's a large group of fans waiting for you at the door?"

Luo Chenxi blinked. "Was this what you were worried about? Don't worry, I have my own method of getting out myself."

Mu Yichen crossed his arms and looked down at her, obviously skeptical of her.

Hence, Luo Chenxi helplessly explained a little more. "I plan to change back into women's clothes before I go out. That way, no one will be able to recognize me."

After saying that, she pushed Mu Yichen. "Alright, you should be relieved now, shouldn't you? So, you can go now! What if someone comes over and sees us together again?"

"So what if someone sees us together? It's just us two 'men' here."

Mu Yichen gritted his teeth the moment he said the word "men".

"Hurry up and get changed. My car is outside, so I'll send you back."

After saying that, Mu Yichen turned around and left.

Luo Chenxi quickly locked her lounge's door.

"Seriously... Why is this man so elusive?"

There was a bathroom attached to the lounge.

Luo Chenxi quickly removed her makeup and changed into her woman's outfit that she had worn that morning.

Then, she looked at herself in the mirror.

'Perfect!'

When she recalled that Young Master Mu was still waiting outside, she quickly took her bag and prepared to leave.

As soon as she opened the door, a figure suddenly dashed out.

Luo Chenxi was shocked and took half a step back. "Mu Yichen, you..."

“F\*ck, why is it you?!”

At the same time, a series of exclamations sounded.

‘This voice sounds rather familiar.’

Luo Chenxi suddenly felt that something was amiss and hurriedly turned around.

It just so happened that the other party was also looking at her.

The two of them stared at each other in bewilderment.

“You... Luo Chenxin! Why are you here?! This is my male idol, Chen Xiluo’s lounge! What are you doing in his room? Isn’t it enough that you’ve already seduced my Big Brother? Are you here to seduce my male idol this time?!”

After a long while, Mu Weiwei reacted and jumped up in anger. She pointed at Luo Chenxi and started cursing.

When she heard this, Luo Chenxi heaved a sigh of relief.

‘Mu Weiwei probably wanted to see Chen Xiluo and snuck in.

‘But, she really has a knack of choosing to come here at just the ‘right’ time.

‘A moment back there, I thought that my cover would be blown.

‘Thank goodness it seems like she misunderstood the situation a little...

‘It seems that sometimes, being stupid is a good thing, at least people like that are easier to fool...’

“What do you mean ‘seducing’? Mu Weiwei, you’re a high school student, yet why are your words so unpleasant? Are you telling me that you’re the only one who can chase after your idols while I can’t?”

Luo Chenxi grabbed the opportunity and went with the flow.

Mu Weiwei was obviously very angry. “What right does a woman like you have to chase after my male idol? You even badmouthed him last time! Besides, you’re not a member of our fan club, so how did you get in?”

Luo Chenxi said slowly, “TREND forbids outsiders from entering, so didn’t you sneak in as well?”

Mu Weiwei’s face turned red with anger after being refuted.

“That... That’s different! You’re already a married woman, yet you’ve still come here to see another man. Furthermore, you’ve locked yourself in the same room with my male idol! Does my Big Brother even exist to you?”

‘This woman was caught cheating, yet she’s actually able to remain so calm.

‘How dare she extend her claws at my male idol!’

#### **Chapter 244: She’s Definitely Cheating Mentally**

Mu Weiwei glared at her angrily.

Luo Chenxi smiled. "Mu Weiwei, although you may be young, you still have to speak responsibly. Since when have I locked myself in the same room as another man? There's no one in the lounge, so what's wrong with me going inside to have a seat? Also, what would this have to do with your Big Brother?"

Mu Weiwei said angrily, "Do you think I'm an idiot? This is clearly Chen Xiluo's lounge!"

"You're mistaken. If you refuse to believe me, feel free to go in and have a look yourself."

Mu Weiwei glanced at her suspiciously.

She walked towards the door and pushed it open.

Lo and behold, the room was indeed empty.

Not even Chen Xiluo's silhouette could be seen.

Mu Weiwei heaved a sigh of relief.

'My male idol hasn't been corrupted by this bad woman!'

However, at the same time, Mu Weiwei was extremely disappointed.

'I've spent a lot of effort on that day to avoid Big Brother's sights and secretly skipped school to be here.

boxn ov el. c o m

'I've had to think of many ways, including giving the security guard at the entrance a huge bribe before I managed to sneak in. Furthermore, I even managed to find out the location of Chen Xiluo's lounge.

'In the end, Chen Xiluo isn't even here?'

"Are you done? I wasn't lying to you, was I?" said Luo Chenxi.

Mu Weiwei stared at her reluctantly and fiercely said, "Even if my male idol isn't here, it's an undeniable fact that you've come here to see another man behind Big Brother's back! I'm warning you, don't you dare tell anyone that I was here today. Otherwise, I'll tell Big Brother what you did!"

Luo Chenxi opened her mouth, but before she could even manage to say anything.

A deep voice sounded behind Mu Weiwei.

"Mu Weiwei, didn't you tell me that you have classes all day and you have tuition in the evening? Well then, what are you doing here? Care to explain yourself?"

When she heard Mu Yichen's voice, Mu Weiwei shivered.

"Big... Big Brother... Why are you... Here? Ahem..."

"I should be the one asking you that question, shouldn't I?"

Mu Yichen lowered his eyes and looked at her coldly.

Mu Weiwei was so scared that her face turned pale. She glanced at Luo Chenxi from the corner of her eyes before she raised her head and complained loudly, "Big Brother, Luo Chenxin is completely

outrageous! She actually went behind your back to secretly come here to see another man. She's definitely cheating mentally! I'm here to help you keep an eye on her!"

'I'm in deep sh\*t this time, I'd better quickly drag someone else down with me!

'Moreover, this woman is definitely here for Chen Xiluo. I'm sure I haven't wrongly accused her!'

As expected by Mu Weiwei, when Mu Yichen heard what she had just said, his face darkened.

Mu Weiwei was secretly delighted.

"I came to TREND today for an inspection, your sister-in-law is here because I brought her here with me."

"What?!"

Mu Weiwei never expected to hear such an answer.

Mu Yichen continued coldly, "As for you... I specifically warned you not to chase after celebrities, yet not only did you not listen, you even skipped class! Is this because I'm not usually strict enough with you that you aren't taking me seriously?"

"Big... Big Brother... There's no such thing. Today was... Ahem, an accident." Mu Weiwei was really scared now.

She had lost her bargaining chip. She had meant for that woman to take the fall for her. Not only did her plan not succeed, Big Brother was pretty furious with her right now.

'Boohoo! Somebody help me!

'Why am I so unlucky today? Not only did I not get to see my male idol, I've even been caught red-handed by Big Brother!'

"I'll deal with you when we get home!"

Mu Yichen grabbed Luo Chenxi's wrist and pulled her away.

Mu Weiwei followed the two of them from behind with trepidation.

On the way home, the atmosphere was heavy.

Mu Yichen pursed his lips and looked cold.

Mu Weiwei did not even dare to speak.

Luo Chenxi looked to her left, then to her right. 'I guess it would be wise for me to remain silent.'

Soon, the sports car approached the Mu family's villa.

Before getting out of the car, Mu Yichen received a call from an executive stationed abroad.

He waved his hand, indicating for both girls to head inside first.

Mu Weiwei glared at Luo Chenxi and ran into the villa first.

As soon as she entered, her eyes suddenly lit up and she cried out excitedly.

“Mommy, you’re back!”

### **Chapter 245: Tang Tang Only Has Eyes for Her Now**

Luo Chenxi followed Mu Weiwei through the door.

In the living room, Tan Yueru was sitting on the sofa with the little dumpling in her arms, who was looking at a picture book.

Luo Chenxi raised her eyebrows in surprise.

‘Tan Yueru has actually returned...

‘Mu Yichen’s parents had just returned three days before my wedding with Young Master Mu. On the second day of the wedding, they had already flown abroad for a holiday.

‘Hence, I’ve only spent three to four days with Madam Tan.

‘However, I can still tell that Tan Yueru hates me.’

Tan Yueru smiled when she heard her daughter’s voice.

“Weiwei, did you get out of school so early today?”

However, her expression immediately turned cold when she saw Luo Chenxi walk in. “Did you come back with Weiwei?”

Before Luo Chenxi could say anything, the little dumpling looked up and saw her. Her pink face was full of surprise. She pushed Tan Yueru to indicate that she wanted to get down.

Hence, Tan Yueru let go of her hands and smiled. “You little troublemaker, you want to play with your auntie as soon as you see her coming back?”

boxn ov el. c o m

The little dumpling jumped to the ground and ran towards the door with her short legs.

Tan Yueru’s smile deepened when she saw the little dumpling’s impatient look.

‘Tang Tang has always liked her auntie and would always follow her around.

‘I see that it’s still the same even now...’

However, in the next second, Tan Yueru’s smile froze.

The little dumpling ran all the way to Mu Weiwei, but she didn’t stop.

Instead, she passed by her and ran all the way to Luo Chenxi, hugging her thighs with both arms.

“Big Sister, Tang Tang has missed you so much. Tang Tang wants a hug!”

Then, Luo Chenxi bent down and picked her up.

The little dumpling immediately kissed her face.

Tan Yueru thought that she had seen wrongly and subconsciously rubbed her eyes.

“What... What’s going on?”

Mu Weiwei was extremely depressed at that moment.

Although she had gotten used to the little dumpling’s obvious difference in treatment over the past two months.

But now, her own mother had witnessed the change!

The little dumpling’s ‘favorite’ auntie had completely lost her face!

When she heard Tan Yueru’s question, Mu Weiwei said snappily, “What else could be happening? That woman’s tactics are too good, not only has she managed to charm Big Brother, she’s also stolen Tang Tang away! Now, Tang Tang only has eyes for her, why would I be of any importance to her?”

“What?! How is this possible?”

Tan Yueru was stunned.

‘When I left home two months ago, the little dumpling would cry every time she saw her mother!’

While both mother and daughter were having their little conversation, Luo Chenxi had already carried the little dumpling as she entered the house.

The little dumpling hooked her arm around Luo Chenxi’s neck and affectionately rubbed against her face. She was using a soft and sweet voice as she shared that day’s experience with her.

“Big Sister, Grandma came home today and made a cake for Tang Tang! Tang Tang left a piece for Big Sister!”

The little dumpling looked up, she had an expression on her face as if she wanted to be given credit.

Luo Chenxi saw her innocent smile and threw all her worries to the back of her mind.

She couldn’t help but smile. “Tang Tang is such a good girl.”

“Big Sister, today, Tang Tang even saw...”

Cough! Cough!

Tan Yueru coughed heavily and interrupted their conversation.

Luo Chenxi turned around and nodded at Tan Yueru. “Hello, Madam Mu.”

A while ago, Luo Chenxi quickly thought about how she should face Tan Yueru.

In the end, she decided to treat her as a guest and treat her politely.

Tan Yueru obviously did not want to admit that Luo Chenxi was her daughter-in-law. ‘Her enthusiasm makes her seem even more like she’s overthinking things.’

Tan Yueru glanced at Luo Chenxi, but ignored her. Instead, she extended her hand to the little dumpling.  
“Tang Tang, come to Grandma.”

#### **Chapter 246: So This Is What You’ve Been Teaching Tang Tang**

The little dumpling heard her grandmother’s voice and turned to look at the lady.

Tan Yueru had her arms stretched wide, waiting for the little dumpling to jump into her arms as usual.

However, the little dumpling merely turned around and continued to cuddle in Luo Chenxi’s arms, rubbing her head against Luo Chenxi’s neck.

“Big Sister, Tang Tang wants to play with building blocks!”

“Sure, Big Sister will play with you.”

Then, Luo Chenxi carried the little dumpling and walked towards the stairs.

Tan Yueru’s expression immediately turned ugly.

‘The little dumpling actually ignored me!’

Her expression darkened. “Luo Chenxin, stop right there! Let go of Tang Tang!”

When she heard those rude words, Luo Chenxi frowned slightly, feeling displeased.

However, when she took into consideration that the lady was the little dumpling’s grandmother, she forcefully suppressed the anger in her heart.

The right hand that was holding the little dumpling relaxed a little and bent down to put her down.

boxn ov el. c o m

“Tang Tang, your grandmother is calling you, go on and greet her first!”

However, the little dumpling hugged her neck tightly and kicked the ground with both legs, refusing to touch the ground.

“No, Tang Tang wants to play with Big Sister!”

“Tang Tang, be a good girl now, it’s rare that your grandmother has come to see you...”

“Grandmother can play with Auntie! Tang Tang can play with Big Sister!” The little dumpling blinked her big eyes and pouted.

“Ahem!”

‘What she said makes sense, but I can’t refute her.’

Mu Weiwei couldn’t stand it anymore and walked to Luo Chenxi, she said unhappily, “Luo Chenxin, didn’t you hear what Mommy said? Put Tang Tang down! Tang Tang is the little princess of the Mu Family, not yours alone. Why are so insistent on holding onto her so tightly?”

She had been displeased with Luo Chenxi during the entire journey home.

'This woman was obviously hiding in my male idol's lounge in secret. She must have done something shameful.

'In the end, Big Brother could actually even tolerate being cuckolded and even protected her without batting an eyelid!

'What right does this kind of woman have to stay in the Mu Family?

'Now, she's still holding Tang Tang so tightly and is refusing to let go. Is she trying to exert her dominance in front of me and Mommy?'

Luo Chenxi's expression turned cold. "Tang Tang is a human being, not a toy of yours. It's her freedom to be with whoever she wants. You have no right to force her!"

"What are you talking about? You're obviously the one who's tricked Tang Tang and is deliberately separating her from her other family members! Who here doesn't know what you're trying to do? Aren't you just trying to use Tang Tang as a bargaining chip to force the Mu Family to acknowledge you? Well let me tell you this now, stop dreaming and let go of Tang Tang this instant!"

As Mu Weiwei said this, she reached out her hand and tried to snatch Tang Tang out of Luo Chenxi's arms.

However..

"Smack!" A crisp sound was heard.

The little dumpling reached out her chubby hand and slapped Mu Weiwei's hand away.

"Tang Tang?!"

Although it didn't hurt, Mu Weiwei's expression changed.

The little dumpling raised her little head and her pink little face became stern.

"Go away! Auntie is bad! Tang Tang hates you!"

Tan Yueru's expression became extremely ugly when she saw this scene.

"Great! So this is what you've been teaching Tang Tang while I wasn't around. Not only does she hit others now, she's even said that she hates her auntie. I suppose you were the one who taught her all that, didn't you? This is absolutely outrageous!"

Tan Yueru had become extremely angry. She pointed at Luo Chenxi and said loudly, "Put Tang Tang down! A woman like you will never be allowed to take care of the little princess of the Mu Family!"

However, she only saw Luo Chenxi holding onto the little dumpling with no intention to move at all.

Hence, she took a few steps forward and wanted to snatch the little dumpling away from Luo Chenxi.

However, just as her hand was about to touch Tang Tang, the little dumpling suddenly pouted her little mouth.

The next second, she burst into tears.

“Wah... Wah... Grandma is bad, Auntie is bad... You’re all bullying Big Sister... Uuuu, I hate you all!”

### **Chapter 247: How Can You Claim That You’re Doing This for Her Own Good?**

The cutest, most lovable little princess who was always smiling actually cried!

The living room instantly turned into a mess.

Tan Yueru widened her eyes, unable to accept it no matter what.

‘The little dumpling actually said that I’m bad!

‘Just because I scolded Luo Chenxin a few times?’

Tan Yueru’s heart broke into a million pieces.

“Tang Tang, how can you say that to Grandma? Grandma will make you a cake this afternoon! Hurry up and come here!”

After Tan Yueru calmed down, she became even angrier.

‘What exactly has happened in the past two months?’

‘How could the little dumpling’s attitude towards Luo Chenxin make such a 180 degree turn?’

When she thought of the things that Luo Chenxin had done to the little dumpling in the past, Tan Yueru’s first reaction was that the woman did not have good intentions and must be conspiring something.

She said coldly, “Luo Chenxin, let go of Tang Tang this instant! Don’t you even think that I don’t know what you’re planning! Even if Tang Tang has forgotten about her childhood, we haven’t! I will never accept a daughter-in-law like you. You can give up on that idea!”

boxn ov el. c o m

“I’m warning you for the last time, let go of Tang Tang! Otherwise, I won’t play nice any longer!”

Tan Yueru came from a well-known family and had married into the Mu Family for thirty years. She was a true wealthy lady.

Although she was usually amiable and friendly, she was still very imposing when she wanted to.

Her phoenix-like eyes, which were 70% similar to Mu Yichen’s, flashed with a fierce look.

However, Luo Chenxi raised her head and met her gaze without shrinking back at all.

She hugged the little dumpling tightly. “No way!”

‘If Tan Yueru had asked nicely, I wouldn’t have prevented the little dumpling from getting close to her grandmother.

‘After all, they’re Tang Tang’s family.

‘However, they just had to use such a threatening tone to scare the little dumpling into tears.

'The little dumpling's big eyes, which were usually filled with smiles, has turned red like a bullied bunny.'

Luo Chenxi's heart was in a mess.

"As Tang Tang's Grandmother and Auntie, how can you find it in your heart to scare her like this? Can't you see that she's crying? Is this your so-called care and protection? Forcing a child like this will only make her feel insecure from a young age!

"How can you claim that you're doing this for her own good?"

'I'm fine if you're going to scold me, I don't feel anything about it at all.

'After all, Luo Chenxin has probably really done something outrageous in the past, so it's normal for her to be scolded.

'However, they shouldn't scold in front of the little dumpling, let alone force her to do something against her will!'

Luo Chenxi held the little dumpling tightly in her arms.

Her eyes were full of anger.

Tan Yueru did not expect that she would be rebuked by Luo Chenxi.

She was stunned for a moment before she said angrily, "How dare you talk to me like that?!"

Luo Chenxi said coldly, "If you're good to Tang Tang, of course I'll be polite to you. However, you made Tang Tang cry, so I won't play to your tune anymore!"

As she said that, she lowered her head and looked at the little dumpling who was sobbing softly and kissed her as her heart ached for the little girl.

"Alright, Tang Tang, stop crying. Big Sister will take you upstairs to play with the building blocks, okay?"

"Uwu, big sister, Tang Tang wants to go with you." The little dumpling grabbed her clothes tightly.

Luo Chenxi patiently coaxed her, "Okay, let's play together! Big Sister also likes Tang Tang the most."

The little dumpling finally broke into a smile.

Luo Chenxi carried her and turned to leave.

Tan Yueru was so angry that her hands trembled. She shouted, "Luo Chenxin, stop right there! How dare you take my words for granted?"

Luo Chenxi frowned.

At that moment...

"What's going on? I heard voices from outside."

A deep male voice came and broke the deadlock.

**Chapter 248: Completely Bewitched By That Woman!**

Luo Chenxi raised her head and saw Mu Yichen's tall figure coming in against the light.

He walked in with his long legs and looked at the people in the living room with a cold expression.

His gaze fell on Luo Chenxi for a few more seconds.

Luo Chenxi's heartbeat sped up uncontrollably.

For a moment, she felt relieved. It was as if Mu Yichen's appearance gave her a feeling that she had someone to rely on.

However, she immediately calmed down.

'What was I thinking?

'Young Master Mu doesn't acknowledge me, so he must be on his mother's side. How could he possibly help me?'

"Mom, when did you come back? You should've told me so that I could've gone to pick you up," said Mu Yichen.

Tan Yueru's expression softened when she saw her most outstanding eldest son.

"You have so many matters to attend to in your company, so why would I want you to pick me up? Anyway, we have a chauffeur at home, so it's convenient for me to come back."

Mu Yichen nodded. "Weiwei keeps on whining everyday that she misses you, so you should ask her to have a good chat with you."

boxn ov el. c o m

As he spoke, he glanced at Luo Chenxi and suddenly said, "Can't you see that Tang Tang is tired? Why are you still standing here? Bring her back to her room so that she can rest!"

Luo Chenxi was stunned for a second.

Then, she revealed a trace of joy.

Although Mu Yichen's said that with an unpleasant tone, he had implied that he agreed to let the little dumpling go with her!

Hence, she hurriedly said, "Okay, I understand."

After saying that, she hugged the little dumpling, turned around and left.

She moved very swiftly. In just a few seconds, she ran up to the second floor and into Tang Tang's room.

When he saw this, Mu Yichen narrowed his eyes.

'This woman really is stupid!

'She's running so fast and is even carrying her daughter with her. Isn't she afraid of falling down the stairs?'

Tan Yueru was also stunned for a moment. When she came back to her senses, Luo Chenxi had already run away. Hence, it was too late for Tan Yueru to stop her.

Hence, she couldn't help but turn around and glare at her son. "Yichen, what are you trying to do? How could you be so careless? How could you let that kind of woman get close to Tang Tang and let her take care of Tang Tang alone? Have you forgotten what she did?"

Mu Yichen's expression didn't change as he said indifferently, "She's been doing very well recently. Moreover, Tang Tang likes her very much. If I don't let them be together, Tang Tang will cry."

Tan Yueru became even angrier when she heard that, she said angrily, "Tang Tang is young and insensible, so she can be coaxed with just a few pieces of candy. Are you so oblivious to what's actually happening? Whatever she's doing now is all just a facade! It won't be long before her true colors reveal themselves! What if she secretly abuses Tang Tang again?"

Mu Yichen was still very calm. "Mom, do you still not trust me? With me watching her, how could she have the opportunity to abuse Tang Tang? Besides, she doesn't look like she's acting."

Tan Yueru looked at Mu Yichen in disbelief.

'This son before me must be a fake!

'Two months ago, Mu Yichen hated Luo Chenxin more than I did, even his expression changed when he heard her name.

'Yet, what's happened now?

'He's even defending her now?'

"You... I think you're just as your sister said. You've been completely bewitched by that woman! Is there even a father in this world who's like you? Do you not even care about your own daughter anymore after you married that woman?"

When he heard this, Mu Yichen frowned. "Mom, she's really not how you think of her! Forget it, you won't believe me no matter what I say. You'll understand after staying here for a few more days."

As he said that, he looked up at the floor clock by the stairs.

"It's almost time for dinner. Mom, you should get some rest first. I just called Yiling to come home for dinner tonight."

With that, Mu Yichen turned around and headed upstairs.

### **Chapter 249: Whoever Lies Is A Little Dog**

In the room.

Luo Chenxi hugged the little dumpling and managed to make her stop crying after some intense coaxing.

The little dumpling's eyes were red as she hugged Luo Chenxi's neck tightly. She pouted her lips as she said, "Big Sister, Tang Tang only wants Big Sister. I don't want Grandma and Auntie anymore! They are all bad people!"

Luo Chenxi hugged the little dumpling when she saw the little dumpling's pitiful look.

She comforted the little dumpling in a low voice, "Alright, Alright, we'll do as you say."

The little dumpling blinked her big eyes and said, "Then, Big Sister must always be with Tang Tang, forever and ever."

"Err..."

Luo Chenxi hesitated for a moment when she heard this.

'I'm only the substitute bride of the Mu Family which is meant to be temporary.

'I might have to leave very soon.

'So, it would be unrealistic to say that I would always be together with Tang Tang.'

When she saw that Luo Chenxi didn't say anything, the little dumpling's big eyes became misty again.

"Uwuu, Big sister doesn't like Tang Tang anymore."

"No, of course not!" Luo Chenxi could only hug her tightly. "Big Sister will always stay with you, okay?"

The little dumpling's tears instantly stopped and a brilliant smile appeared on her face.

She had stopped her tears so quickly that anyone would wonder if she was faking it just now.

She raised her chubby hand and stretched out her little finger.

"Then let's pinky swear!"

"Okay, pinky swear."

Luo Chenxi also stretched out her little finger and hooked it with hers.

"We've pinky swore, so if Big Sister lies, you're a little dog," said the little dumpling with a serious expression.

"Okay, the person who lies is a little dog!"

Luo Chenxi hugged the soft little body in her arms and suddenly felt a little stuffy in her heart.

'Mommy's surgery is probably going to be scheduled very soon.

'When that happens, I'm definitely going to have to leave the Mu Family.

'However, I really can't bear to part with the little dumpling! What should I do?

'Moreover...'

A peerlessly handsome face suddenly appeared in her mind.

Whenever she thought that she would not be able to see that exquisitely handsome face anymore, she actually felt a burst of heartache.

'D\*mn me and my tendency for liking handsome looks!

'I should be content with being able to admire a model husband, it's impossible for him to become my husband exclusively.'

Knock! Knock! Knock!

Someone knocked on the door.

Luo Chenxi put down the little dumpling and turned around to open the door.

Mu Yichen's handsome and cold face showed up behind the door.

Luo Chenxi's face was a little red when she thought about how she was just thinking about this man just now.

Mu Yichen glanced at her and said, "It's time for dinner, bring Tang Tang downstairs."

Luo Chenxi frowned when she thought about Tan Yueru and the others.

She was not afraid of what Tan Yueru would say about her. Instead, she was worried that they would snatch the little dumpling again and make her cry.

Mu Yichen saw through her worries and explained, "My dad is back in T City to attend a class reunion, that's why my mom's here as well. She won't be staying for more than a few days. Besides, I'm Tang Tang's dad."

What he meant was that he had the final say about matters related to the little dumpling.

Luo Chenxi felt a little relieved. "That's good. Right, about what happened downstairs just now... Thank you for believing me and helping me out."

She thanked him sincerely.

Mu Yichen's eyes flashed with a strange look. He grabbed her wrist and turned around, pressing her against the door.

"I don't know if I should believe you..."

Luo Chenxi raised her eyes in surprise as she was suddenly wrapped in the man's embrace.

Mu Yichen looked at her clear and innocent eyes. His gaze gradually deepened, as if he was trying to see into her heart.

"I'm able to believe now that you've really changed. You're different from how you were three years ago. However, I will only trust you once. If you lie to me..."

The man's last words were deep and meaningful.

Luo Chenxi's heart skipped a beat.

'I really did lie to Young Master Mu, plus it isn't just a small matter!'

**Chapter 250: She Pushed The Bowl Aside With A Look Of Disdain**

'I really want to know what Mu Yichen would do if he found out that I lied to him.'

However, Mu Yichen did not continue.

He let go of Luo Chenxi and bent down to pick up the little dumpling who was by his leg.

Then, he turned around and went downstairs.

Luo Chenxi followed behind him.

In the dining room, all the members of the Mu Family had arrived.

After Luo Chenxi married Mu Yichen, Mu Yiling used his sister-in-law as an excuse, saying that it would be inconvenient for him to be home and moved elsewhere.

Today however, he went back home for dinner, which was a rare sight.

Mu Yichen's father, Mu Yunfeng, sat next to Tan Yueru.

He glanced at Luo Chenxi and raised his eyebrows slightly, but did not say anything.

Tan Yueru said unhappily, "Do you still need countless reminders to come for dinner? It's already so late, we mustn't starve Tang Tang! Come here, Tang Tang, come to Grandmother!"

She deliberately moved the baby chair to the side of her seat.

However, the little dumpling turned around and was immediately disgruntled.

"No, I want to sit with Big Sister. Big Sister, hug hug!"

The little dumpling stomped her short legs and wanted to get off her father to rush into Luo Chenxi's arms.

Mu Yichen frowned slightly and ordered Butler Chen, "Go and move the chair over."

"But..."

Butler Chen glanced at Tan Yueru and was in a dilemma.

He did not dare to disobey the orders of the eldest young master, but he could not afford to offend Tan Yueru either!

"Move it here right now."

Mu Yichen's tone became colder.

Butler Chen quivered and quickly ran over to move the baby chair to Mu Yichen's side.

Only then did Young Master Mu put the little dumpling down.

Tan Yueru was so angry that she stared at him. "Mu Yichen, you're even refusing to listen to your mom now, are you?"

Mu Yichen said calmly, "Didn't you say that Tang Tang is starving? Why are you wasting time arguing about where she sits then?"

As he said that, he glanced at Luo Chenxi. "Hurry up, sit down and eat."

"Oh..."

Only then did Luo Chenxi come back to her senses and sat down beside the little dumpling.

'Mu Yichen actually ignored his mother's request and chose to stand on my side?

'Have my ears failed me?'

Tan Yueru slammed the table and was about to say something when Mu Yunfeng pulled her back. "Let's eat. Tang Tang is hungry. We'll talk after we finish eating."

Hence, she reluctantly swallowed back her anger and started eating.

"Tang Tang, this sweet and sour ribs is your favorite. Grandmother especially instructed Sister Chen to cook it. It's stewed until it's very, very tender. It's really delicious."

Tan Yueru picked up a piece of ribs and placed it into the little dumpling's bowl with a smile on her face.

'The little dumpling has always loved sweet and sour dishes since she was young, sweet and sour ribs are especially her favorite.

'She could eat several pieces of ribs in a row every time.'

However, the little dumpling took a glance at the ribs in the bowl, pouted and pushed the bowl aside with a look of disdain.

He turned to Luo Chenxi and said, "Big Sister, Tang Tang wants prawns!"

Tan Yueru's face darkened.

The scene became a little awkward.

Even Luo Chenxi did not expect the little dumpling, who was vengeful and protective, to reject even the food her grandmother gave her.

She coughed twice and said, "Tang Tang, let's eat the ribs first, okay?"

"No! I want prawns!" The little dumpling refused with a furious face.

"Okay, fine, I'll give you some prawns."

Luo Chenxi had no choice but to give her a few prawns with a little vinegar added onto it.

The little dumpling held her rabbit ear spoon and ate happily.

The fragrant sweet and sour pork ribs were left in her bowl, completely ignored.

Mu Yiling looked at his mother, whose face was livid before looking at his Big Brother, who acted as if nothing had happened. He was completely speechless.

'Sigh, this family... They really can't manage without me!'

"Luo Chen..."

"Ahem, Tang Tang, Uncle has some good news for you."

Mu Yiling interrupted Tan Yueru before she could lose her temper.

"Yes?" The little dumpling blinked her big eyes and turned to look at him.

Because Mu Yiling had never bullied her Big Sister before, he was the next best person besides her daddy in the little dumpling's eyes.
