

Sweetheart 251

Chapter 251: My Life Is Worse Than A Dog's

Mu Yiling winked at the little dumpling and said with a smile, "Do you still remember Uncle's Snowball? Snowball recently gave birth to four little puppies. I remember you said last time that you wanted to raise one. When the puppy grows a little bigger, I'll bring it over and give it to you."

"Wow...!"

The little dumpling's face was full of surprise and joy. She was so happy that she almost jumped up.

"Tang Tang is going to have a puppy! Uncle is so nice! Tang Tang likes you so much!"

When they heard this, Tan Yueru and Mu Weiwei turned their heads at the same time to look at Mu Yiling.

'What's going on?

'The little dumpling hates both of us to our guts, yet she likes Mu Yiling so much!'

The contrast was so great that they felt frustrated and jealous!

Luo Chenxi was stunned for a second. She remembered that Mu Yiling had a Samoyed called Snowball. It was a famous internet celebrity dog in the country.

Snowball gained its fame not because of its snow-white body and its shiny fur, making it look exceptionally beautiful.

Instead, it was also because it had a super rich owner like Mu Yiling.

Using a private plane to take the dog to a small island in the Pacific Ocean for a vacation was a very common occurrence.

The comments on Mu Yiling's Weibo were all the same. 'My life is worse than a dog's.'

Luo Chenxi also liked dogs very much, hence she could not help but smile.

Mu Yichen frowned and wanted to object.

However, when he saw the expectant expressions on both the adult and the child, he pursed his lips and did not say anything.

With Mu Yiling's sudden interruption, the tense atmosphere instantly disappeared.

Luo Chenxi then continued eating silently while serving food to the little dumpling.

The little dumpling lowered her little head and held her spoon as she ate very happily.

Tan Yueru glanced over from time to time.

At first, she wanted to find evidence that Luo Chenxi had abused the little dumpling.

However, the longer she watched, the more surprised she became.

'Although the little dumpling is a foodie, she is quite picky with her food. She wouldn't touch any food that she doesn't like, so it's useless to even feed her forcefully.

'But now, she's actually eating all the food that Luo Chenxi has given her.

'There's also eggplant and coriander included in it, which she hated the most...

'How could this be possible?'

The little dumpling finished eating and rubbed her bulging belly. "Big Sister, Tang Tang is so full!"

Luo Chenxi picked up a napkin and wiped the corner of her mouth. "You'll feel uncomfortable if you eat too much. Let's go for a walk in the courtyard, okay?"

"Okay!"

Hence, Luo Chenxi got up, held the little dumpling's hand and walked to the door.

Mu Yichen suddenly pushed his bowl and chopsticks away before he stood up as well.

"You stupid woman, the sky's already so dark, yet you're still going to bring Tang Tang out. Don't you have any sense of safety?"

"Ah?" Luo Chenxi was stunned.

'There are obviously many bodyguards in the Mu Family's courtyard!

'So, how is it dangerous?'

Mu Yichen didn't say anything and grabbed her shoulders. "I'll go with you."

The family of three disappeared at the entrance.

Tan Yueru couldn't hold it in any longer and slammed her chopsticks on the table.

She said angrily, "Look at Luo Chenxi's attitude! Does she really think that she's the Young Madam of the Mu Family? It seems that Weiwei is right. Yichen is so infatuated with her that he has forgotten about everything! If this goes on, what's going to happen?"

Mu Yiling had his fill and stretched his back. "Mom, why do you have to insist on making things difficult for my sister-in-law? I just think she's doing pretty well."

"What's so good about her?!" Tan Yueru turned around and glared at him. "Are you out of your mind too?"

Mu Yiling said, "At least, Big Brother and Tang Tang seem to be very happy, don't they? Especially Big Brother, who hasn't had a girlfriend for so many years. Weren't you and dad even doubting his sexual orientation in the past? Now, at least we know that he likes women. Isn't that a good thing?"

Chapter 252: Is She Actually Faking It?

Tan Yueru glared at him. "What would you know? If it were any ordinary girl, even if her family background was poor, so long as your brother liked her, and she treated Tang Tang well, I would agree to it. But, this is Luo Chenxin we're talking about! Have you all forgotten what she has done in the past?"

"That's right, Second Brother, how could you not be on the same side as us! You traitor!"

Mu Weiwei was also furious, "I've said it before, whatever that woman is doing now, it's all an act!"

Mu Yiling shook his head, "Maybe she's really realized her mistakes? Big Brother isn't stupid, can't he tell if she's pretending? Besides, even if she really is pretending, what difference would it make if she's able to continue pretending for the rest of her life?"

Everyone was at a loss for words.

After a long while, Mu Weiwei said, "Anyway... Anyway, I just don't like her! I refuse to admit that she's my sister-in-law!"

Mu Yunfeng, who had been silent all this time, suddenly said, "That's enough. we're all going to stay here for a few days anyway, so let's observe and watch her behaviour before coming to a decision."

Tan Yueru turned around and frowned. "Yunfeng, you..."

Mu Yunfeng patted her hand in a comforting manner, "Yichen isn't a child anymore, he knows what he's doing, so you really should worry less. By the way, Elder Bai has invited us to his birthday party tomorrow. You'd better think about what gifts to send him."

...

Early the next morning.

As usual, Luo Chenxi fed the little dumpling breakfast and personally sent her to kindergarten.

boxn ov el. c o m

Tan Yueru had been watching Luo Chenxi from the side, but the latter pretended that the former was not there.

After Luo Chenxi left, Tan Yueru looked confused.

"Yunfeng, do you think she's faking it?"

Tan Yueru was furious when she saw the woman who had harmed Tang Tang yesterday.

However, since last night, she had managed to calm down a lot more.

Thus, she had observed for the whole morning again.

'If this is an act, it's too real!

'Even I am almost convinced that this woman and the little dumpling are a couple of normal mother and daughter who have a very good relationship with each other!'

Mu Yunfeng was silent for a moment. "Let's keep on observing."

...

After sending the little dumpling off, Luo Chenxi went to the mall and looked at a few counters that sold luxury brands.

'After winning the first prize in the Huafeng Competition, I've become somewhat famous in the fashion industry.

'The next step is to establish my own personal brand.

'To have my own studio, I've got to first open my own store.

'My reward of one million yuan is obviously far from enough.'

Although she did not know where the money would come from, it did not stop her from inspecting the market first.

Perhaps she had stayed in the shop for too long, a salesperson walked over impatiently.

"Miss, what kind of clothes do you want to buy? Is there anything I can help you with? If you don't want to buy, please don't block the window, you'd affect our business."

The salesperson sized her up and a trace of disdain flashed in her eyes.

They were a top international luxury brand, which was unusually expensive. At the sight of Luo Chenxi's ordinary clothes, she knew that Luo Chenxi definitely couldn't afford it.

Luo Chenxi frowned and didn't say anything as she walked towards the door.

Although the salesperson's tone was nasty, Luo Chenxi really did not plan to buy anything.

At that moment, her phone rang.

"Where are you? I need to see you about some matters, I'm coming to pick you up now." Mu Yichen's voice was heard.

Luo Chenxi was stunned. "I'm at the CHL counter on the first floor of WE Square and was just about to leave. What's the matter?"

"Just wait there!"

Luo Chenxi wanted to ask again, but the man had already hung up.

Hence, she could only wait where she was.

The salesperson saw that Luo Chenxi was standing still at the door and strutted over. "Miss, why haven't you left yet?"

Chapter 253: He Would've Definitely Slap Her Butt Till It Swelled!

Just as Luo Chenxi was about to reply, a middle-aged man who looked like the manager walked out of the store.

When he saw her, he immediately frowned. "Xiao Wang, why are you so slow? There's a Super VIP who has made an appointment to pick out a dress in the store. Hurry up and clear the crowd. If we affect this VIP's mood, we'll all be in trouble."

The salesperson quickly said, "Okay, Manager Liu, I'll ask her to leave now."

When Luo Chenxi saw what was happening, she could not be bothered to waste her time talking nonsense with them, hence she turned around and left.

As she walked, she took out her phone, intending to tell Mu Yichen to meet her somewhere else.

However, she had only taken a few steps when she bumped into a hard wall of flesh.

"Ouch!" She covered her nose.

"Stupid woman, don't you watch where you're going?"

Luo Chenxi looked up, "Mu Yichen, how did you arrive so quickly?"

Mu Yichen looked unhappy, "Didn't I tell you to wait at the CHL counter? Why did you leave, was it deliberate?"

"What do you mean deliberate?" Luo Chenxi glared at him.

Manager Liu's warm greeting came from behind, "Young Master Mu, you're finally here. It's an honor to have you come to our humble counter. Please come in!"

boxn ov el. c o m

Luo Chenxi turned around in surprise.

'The Super VIP that Manager Liu was waiting for is Mu Yichen?'

Manager Liu was shocked when he saw her face, "You... Miss, are you and Young Master Mu..."

Luo Chenxi shrugged, "We aren't related, so please continue to entertain your VIP guest. I won't stand here and affect your business since I can't afford to buy anything here."

After saying that, she turned around and was about to leave.

However, an arm wrapped around her slender waist and dragged her back. "Woman, how dare you say that we're unrelated?"

Mu Yichen turned to look at Manager Liu with a cold and stern gaze.

'Based on the woman's little words, I'm able to make out what has happened here.'

"Since my woman is unhappy, there's no need for this shop to exist anymore."

After saying that, he held the struggling little woman tightly in his arms and turned around to leave.

Manager Liu looked desperate. 'Oh no, it's all over now!'

The salesperson asked carefully, "Manager Liu, what should we do now?"

“You still have the nerve to ask! All of this happened because of how blind you are. How could you not recognize Young Master Mu’s woman when she exudes such noble temperament! You’ve caused our entire counter to be shut down! Hurry up and get lost!” Manager Liu vented his anger on her.

...

Mu Yichen brought Luo Chenxi to another luxury goods counter.

Luo Chenxi stopped in her tracks. “Mu Yichen, are you looking to buy clothes? This is a women’s clothing store!”

Mu Yichen glanced at her. “Woman, are you an idiot? Since we’re in a women’s clothing store, it’s only obvious that I’m buying you clothes.”

“Me? I don’t need it, do I? I feel pretty good wearing this.”

‘I’ve got to make clothes during the day and take care of the little dumpling at night. It’s going to be inconvenient for me to move around in such an expensive dress.’

Mu Yichen said, “Today is Elder Bai’s 90th birthday. We’re going to go over and congratulate him, so we have to dress formally.”

“What? Congratulate him? Do I have to go too?” Luo Chenxi widened her eyes.

“Of course!”

“But...”

‘Didn’t Mu Yichen deny that I’m the Young Madam of the Mu Family?’

‘If I were to attend an official banquet of a wealthy family, would everyone misunderstand?’

Before she could finish her sentence, she was forcefully interrupted by the man.

“No buts!”

Mu Yichen grabbed her waist and was about to walk forward.

Luo Chenxi quickly said, “Isn’t a small gown all I need? I’ve already made a few of them myself, so I could just go back and pick one. There’s no need to waste money.”

Mu Yichen stared at her little face and said indifferently, “Those dresses that you designed... Are not decent!”

“Mu Yichen, your taste is too weird! Did you actually just say that my dress isn’t decent?!”

‘Are you kidding me?’

After the Huafeng Competition, several daughters of wealthy families contacted her via Weibo, saying that they liked her dress very much and hoped that it could be custom-made!

Mu Yichen snorted coldly. “Cut the crap, you’re not the one who’s going to pay anyway.”

‘Those gowns... Are so revealing, of course they aren’t decent!’

When he thought of the half-hollowed tassel dress that Fang Ziqian wore on the day of the Huafeng Competition, Mu Yichen's eyes darkened.

'It's a good thing that this woman wasn't the one who wore that dress.

'Otherwise, I would've definitely slapped her little butt until her little peaches swelled!

Chapter 254: You're The Young Madam Of The Mu Family, Can't You Be A Little More Dignified?

The two of them entered a specialized counter next door.

"Go on and choose." Mu Yichen let go of his hand.

Although he did not make a reservation, just looking at Young Master Mu's cold and aloof aura, plus the handmade suit on his body was more than enough for the salesperson to even have the guts to be negligent at all. Hence, she welcomed them warmly.

"Miss, our best gowns are all here. Please take your time to choose."

Luo Chenxi looked around and quickly picked out a light yellow gown.

This kind of bright and eye-catching color would easily make ordinary people look dark and rustic.

However, with her fair skin, she looked charming in light yellow.

The salesperson's eyes lit up. "You have such good taste. This is a limited edition, personally designed by our chief designer. Moreover, this gown really suits you."

Luo Chenxi glanced at the price tag.

'The design of a top brand is indeed good, but its price...

'Then again, Mu Yichen is paying for it anyway.'

The salesperson took a step forward and carefully took the dress down for Luo Chenxi to try on.

boxn ov el. c o m

Mu Yichen suddenly said, "That one won't do."

Luo Chenxi was stunned. "Why not?"

"The neckline is too low."

Luo Chenxi took another look at the dress and the corner of her mouth twitched.

'The neckline is too low?

'It's just a normal V-neck, it's not even a Deep V. How is it too low?'

Luo Chenxi didn't want to argue with him, so she pointed at another dress.

"The light green vintage dress with the lace isn't bad. I'll try that one."

"No!" Mu Yichen said again.

“What’s wrong with it this time?!”

Luo Chenxi glared at him with a fierce look.

Young Master Mu looked calm, “Can’t you see that it’s a bareback? Can’t the Young Madam of the Mu Family be a little more dignified?”

“I’m dignified...” ‘F*ck you!’

Luo Chenxi murmured, “The boss is the one who’s paying, the boss is the one who’s paying...”

She finally calmed down.

“I’ll try this one then!”

It was a dress with a square collar that was well-covered on the chest and back, plus the color was a conservative dark purple.

‘He’s not going to be able to find any faults with this one now, is he?’

However, Young Master Mu still frowned after taking a glance at it.

“Your shoulders would be exposed. No!”

Luo Chenxi really wanted to send him flying with a slap!

“I won’t choose then, you go ahead and choose it!”

Mu Yichen walked a few steps forward and pointed at one of the dresses. He said reluctantly, “This one. Go and try it on. If you delay any longer, we’ll be late.”

‘Who’s the one delaying?!’

Luo Chenxi glared at Mu Yichen and then looked at the dress. Her eyes turned black.

It was a pure black, long dress that swayed to the ground. The upper part of the dress was very well covered. Apart from her arms, nothing would be exposed.

‘Then again, Young Master Mu’s taste isn’t that bad.

‘Although it’s conservative, the hem of the skirt is specially rolled, coupled with the embroidery at the waist, it’s a unique style.’

Luo Chenxi changed her clothes and styled before appearing again.

A strange look flashed across Mu Yichen’s eyes.

In order to match the slightly dull black gown, the stylist put on a strong contrast of gorgeous makeup for Luo Chenxi.

Her bright red lips were dazzling, completely different from Luo Chenxi’s usual image of a pure and beautiful little woman.

For a moment, he even wanted to hide her and not bring her to the banquet.

Seeing that his gaze was a little off, Luo Chenxi quickly hooked her arm on his and pulled him out of the door.

“Didn’t you say that we’re going to be late? Let’s hurry up then!”

‘This man is too fussy. If I were to be tortured by him again, my nerves would be weakened!’

“Have a nice day!”

The salesperson could not stop smiling.

‘That gentleman not only bought that dress of his female companion, but also everything else that the lady had her eyes on.

‘The price of the dresses here are more than a million yuan per piece. This is actually the first time I’ve seen such a generous man!’

Chapter 255: Stunning

At night.

The Bai Family’s villa was brightly lit, and the courtyard was filled with luxury cars.

Almost all the celebrities of T City were present that day to celebrate Elder Bai’s birthday.

In a corner of the banquet hall, Bai Xinxin was surrounded by a group of rich young ladies.

“Sister Xinxin, you’re really beautiful today. As expected of an international first-class supermodel. Your figure is so perfect that you’re really enviable!”

“That’s right, with Sister Xinxin’s looks and temperament, who could possibly compare against her?”

“When Young Master Mu arrives later, he will definitely be dumbfounded!”

Although Bai Xinxin’s career had recently hit rock bottom, she was still the Young Miss of the Bai Family after all.

Those young ladies were gloating in their hearts, but on the surface, they did not dare to offend her.

Bai Xinxin lowered her head slightly, her face flushed red.

“Stop being ridiculous, Brother Mu is already married! You mustn’t say such things in the future. If people hear it and it affects Brother Mu’s family, he will be unhappy.”

The young ladies did not agree.

“Tch, so what if Young Master Mu is married? Who doesn’t know what kind of woman Luo Chenxin is?”

“If Grandmother Mu wasn’t old and muddle-headed, would Young Master Mu marry such a low-profile woman?”

“That’s right. Young Master Mu didn’t even hold a formal wedding banquet when he got married. That alone already shows how little the Mu Family thought about his marriage!”

“Young Master Mu has been married for several months, but he hasn’t brought Luo Chenxin out. Perhaps he will dump her soon!”

Bai Xinxin weakly tried to dissuade them. “Sigh, keep your voices down...”

In actuality, she had long but gloated in her heart.

She got up early in the morning and went to an exclusive stylist’s place to do her styling. She changed into a high-fitting gown that had been custom-made a few months ago.

She made sure that every detail on her body was flawless.

‘Today is my grandfather’s 90th birthday. Mu Yichen will definitely come.

‘I heard that Tan Yueru has also returned to the country.

‘I must present myself in the most perfect way today.

‘I’ve got to let the Mu Family know that a noble and elegant daughter of a wealthy family like myself is the best candidate to be the Mu family’s Young Madam!’

After a while, there was a commotion at the door.

“Young Master Mu is here!”

Everyone looked at the door at the same time, especially the young girls, whether they were the daughters of wealthy families or female celebrities who were there to brighten up the event. None of them even blinked.

The opportunity to see a model husband with their own eyes was very precious.

When he saw this, the birthday star, Old Master Bai, who was chatting with Mu Yunfeng, could not help but laugh.

“Yunfeng, Yichen really isn’t too bad. He’s much better than my useless grandson!”

“Old Master Bai, you jest. I think Shixun is also very filial.”

“What’s the use of that? He doesn’t care about the company’s matters at all and plays with women every day! Sigh! Yichen is still the best. I almost want to make him my grandson-in-law.”

Tan Yueru’s expression turned a little ugly when she heard this.

‘Bai Xinxin is also my favorite candidate to be my daughter-in-law. If Luo Chenxin hadn’t suddenly appeared...’

At that moment, the door opened.

Under everyone’s gaze, a man and a woman slowly walked in.

The man was tall and handsome. His expression was indifferent and he had the air of a noble family.

The female companion beside him wore a conservative black gown, but it still couldn’t hide her graceful figure.

Her black hair was half tied up and half let down. Her big clear eyes were shining and her red lips made her look charming and elegant.

Even if she was standing next to a proud son of the heavens like Mu Yichen, she was not at a disadvantage.

The banquet hall was silent for a while before a commotion broke out.

“Young Master Mu has actually brought a female companion? Doesn’t he always travel alone?”

“Which family’s daughter is beside him? She’s so beautiful! How have I never seen her before?”

Chapter 256: What’s Wrong With Me Bringing My Spouse To The Banquet?

All the men present fixed their gazes on Luo Chenxi and could not help but feel envious.

“Young Master Mu is really lucky in love. He’s already married, yet he’s still able to find such a stunning lover.”

“With just a hook of his finger, a bunch of women would be ready to pounce on him. It’d do us no good to envy him.”

Bai Xinxin stared at the couple who was a perfect match for each other at the door and was so angry that she almost smashed the crystal wine glass in her hand!

She recognized Luo Chenxi at a glance.

‘This b*tch actually has the ability to make Young Master Mu bring her to such a formal banquet!

‘Plus, she’s dressed so flirtatiously. She’s obviously trying to bring discord to the room and seduce some men!’

However, other than her, there were not many people who could recognize Luo Chenxi.

After Luo Chenxin was driven out of the Mu Family, she went to F country and had not appeared in the upper social circle of T City for three years.

All the young ladies were envious and jealous.

“Who is that woman? How did she actually manage to get Young Master Mu to bring her to the banquet?!”

“Tsk, where did that vixen come from? She must be very capable in tactics!”

boxn ov el. c o m

“Young Master Mu only thinks that she is pretty and is playing with her. She is nothing more than a mistress.”

Amidst the countless discussions, Bai Shixun quickly walked out from the other end of the banquet hall to welcome her good friend.

“Yichen, you’re finally here. My grandfather has been talking about you. Also, this... F*ck, Luo Chenxin?!”

Bai Shixun didn't see her clearly when he was far away just now and had only just recognized her. His expression immediately changed. "Why did you bring her here?"

Mu Yichen frowned slightly. "She's my wife. Is there a problem with me bringing my spouse to a banquet?"

Bai Shixun almost choked.

'What's the problem?

'There's a big problem!

'How could Mu Yichen not know what it would mean by bringing this woman here?'

Bai Shixun almost cried out. Fortunately, he remembered that he was in the banquet hall in time and managed to hold himself back.

"Never mind. Come with me first."

Mu Yichen glanced at him. "I'll accompany my wife to eat something first. She hasn't had dinner yet. I'll come over to look for you later."

Bai Shixun had a constipated look on his face. He pointed at him and could not speak.

However, Mu Yichen ignored him. He grabbed the slim waist of the little woman beside him with one hand and turned around to walk towards the cold appetizers area.

As the two of them left, the guests behind them were in an uproar.

Those who were close to them heard the conversation between Mu Yichen and Bai Shixun were extremely shocked.

"It's actually Luo Chenxin! That woman is Mu Yichen's newly married wife!"

"How could it be her? Every time Luo Chenxin appeared at a banquet, she would be dressed as revealing as possible. I remember that she once wore a dress that was so revealing that it reached her thighs. Why is she dressed so conservatively today? Is she the same person?"

"Who knows? But she's so beautiful today, so beautiful that I didn't recognize her!"

"Yeah, even Bai Xinxin does not look as stunning as her!"

...

Mu Yichen brought Luo Chenxi to the cold appetizers area and watched her eat two pieces of dim sum.

Then, he was called away by his friend.

Before he left, he told her to stay where she was and not to run around.

Luo Chenxi waved her hand. "Got it. Bye Bye!"

'He's finally left!

'Ever since we entered the banquet hall, Mu Yichen has been sticking close to me. Even when I was eating, he was staring at me so hard that I couldn't eat anymore.'

Luo Chenxi sat down on the sofa and looked around. Suddenly, she saw a familiar figure.

"Qian Qian... Is that you?"

She asked with a little uncertainty in her voice.

Beside the windowsill, a woman wearing a dark gray formal suit turned around.

Luo Chenxi could not help but twitch her lips.

Chapter 257: I Won't Allow Him To Marry A Woman Of A Lowly Status!

This was the first time she saw Fang Ziqian in a business suit.

The suit didn't even have a waist and its color was gray.

A pair of black-rimmed glasses covered most of her face and her hair was neatly tied up.

She looked at least 20 years older.

"Xi Xi, why are you here?" Fang Ziqian showed a surprised smile. "You're so beautiful today!"

Luo Chenxi said, "Thank you, but you're not very beautiful today."

Fang Ziqian was Bai Shixun's secretary, so it was not strange for her to appear at Elder Bai's birthday party.

However, she actually dressed like this, which made people's jaws drop.

Fang Ziqian said helplessly, "There's a reason why I'm dressed like this. You've never been in the workplace before, so you don't understand!"

Seeing that Luo Chenxi still wanted to ask, she quickly changed the topic. "Oh right, Xi Xi, the other day you said that you were going to shoot the cover of TREND magazine. Did it go well?"

As expected, Luo Chenxi diverted her attention.

"It would have been great if you had come back a few days earlier! Without you here, I don't have such a tacit understanding with the others."

boxn ov el. c o m

Thinking of the scene where Duan Yuning made mistakes frequently that day, Luo Chenxi couldn't help but sigh.

Fortunately, the shoot was successfully completed in the end.

"By the way, Xi Xi, after the Huafeng Competition, many people have taken a fancy to you. Do you want to consider quitting your job and becoming a model officially? In the past, wasn't your dream to become a supermodel? Now is a good opportunity."

Fang Ziqian was stunned. Apparently, she was tempted.

After hesitating for a moment, she shook her head. "Forget it."

"Why?" Luo Chenxi was puzzled. "Didn't you say that you couldn't stand Bai Shixun and wanted to fire the boss every day?"

"About that..."

Fang Ziqian was at a loss for words.

At that moment, a waiter came close and bowed to Fang Ziqian.

"Secretary Fang, Old Master Bai is looking for you."

"Okay, I'll be heading over now."

Fang Ziqian quickly got up. "Xi Xi, I'll have to make a move first."

"You go ahead and do your thing, don't worry about me."

...

Fang Ziqian walked towards the main table.

Her smile gradually disappeared.

A few seconds later, she turned back into the old-fashioned and dull Secretary Fang.

When Elder Bai saw her, a look of approval appeared on his face.

"Ziqian, I heard that Shixun has been in the company every day during this period of time. He even often works overtime and rarely goes to red light districts. This time, the two of you even managed to negotiate a big project in Country M. You've played a big part in this!"

Fang Ziqian lowered her head slightly. "Elder, you're flattering me. This is what I'm supposed to do."

Elder Bai smiled. "You don't have to be modest. I know that with your talent, it's a waste for you to be that b*stard's secretary. But, I have no choice."

"In the past, I've changed Shixun's secretaries several times. All of them wanted to climb into his bed and become the Young Madam of the Bai Family. Only you can be trusted. So, I've got no choice but to ask for you to suffer for a few more years."

Fang Ziqian quickly said, "I don't find it suffering. Elder, you've treated me with great kindness. To be able to work in Bai Group, I'm already very happy, despite the position I have."

Four years ago, she had encountered some issues and it was Elder Bai who had saved her.

This was the main reason why she was unwilling to leave Bai Group to become a model.

At that time, Luo Chenxi was abroad, so even she did not know.

Elder Bai smiled and nodded, "With you by Shixun's side, I can be at ease. "Oh right, also keep an eye out for those promiscuous women by Shixun's side. I absolutely can't allow Shixun to follow in his

father's footsteps and marry a woman of a lowly status! Once you discover anything, let me know immediately, okay?"

Fang Ziqian said, "Don't worry, Elder. Second Young Master has been at the office every day recently and hasn't gone out to play."

'Speaking of which, I find that very puzzling as well.

'Ever since I've returned from my annual leave, Bai Shixun has stayed at the office very late every day.

'Whenever I worked overtime, he would play games in the office.

'He neither went home nor went to the bar.

'It's as if he's hit his head and gone mad.'

Elder Bai was filled with relief. "That's good, that's good!"

He suddenly thought of something and frowned. "However, I heard from others a few days ago that Shixun once brought a woman into the company? He even carried her upstairs personally? Do you know what happened?"

Fang Ziqian's heart skipped a beat.

'Carried... Carried upstairs?

'Could he be referring to the time I was caught by Bai Shixun during the Huafeng Competition?'

Chapter 258: An Old Virgin Who Can't Get Married

'It was clearly very late that day, yet someone still managed to see me!'

Fang Ziqian feigned ignorance. "Ah? Was there such a thing? I was on my annual leave a while ago and was away from the company for a few days, so I didn't know about this. Old Master, it's my fault for not keeping a good eye on Young Master..."

She had a guilty look on her face.

Elder Bai waved his hand. "Forget it, it's my kid who's insensible. What has it got to do with you? You carry on then, do call Shixun over to see me while you're at it."

Fang Ziqian let out a long breath.

She had successfully escaped a calamity!

'If Elder Bai finds out that I was the woman that Bai Shixun had carried back to the company, who knows what kind of misunderstanding he might have?'

'I've been played around so miserably by Bai Shixun every day. If I still have to take the blame, that would be such an unfair thing for me!'

...

Fang Ziqian turned around and went to look for Bai Shixun.

Without much effort, she saw Second Young Master Bai surrounded by a group of young models and female celebrities.

Among them, the female celebrity closest to second Young Master Bai looked a little familiar.

Fang Ziqian thought for a while and then remembered that her name was Xue Mengqi. She had just played the third female lead in a popular palace drama.

“Second Young Master Bai, it’s been a long time since you’ve come to Secret Clubhouse. Have you been off to discuss some kind of huge business?”

Xue Mengqi said as she puffed out her chest and leaned towards Bai Shixun.

More than a month ago, she met second Young Master Bai at Secret Clubhouse.

Such a noble young master from a top-tier noble family could only be met by chance and not sought after. Naturally, she knew that she had to seize the opportunity.

However, Bai Shixun disappeared after that. She waited at the bar on the ground floor every day, but was unable to see him.

Now that she finally met him, she approached him without hesitation.

Bai Shixun subconsciously took a step back and frowned.

‘I don’t know why, but I used to like this kind of woman who is proactive and open. But, I suddenly feel that they’re annoying now.’

‘If I’ve time to spare, I might as well go back to the office and work overtime... No, watch someone work overtime, to be exact.’

He was about to push her away when he heard footsteps.

The old-fashioned secretary with a solemn and cold face walked over from not far away.

“Second Young Master, today is the Old Master’s birthday. How can you hang out with such a woman on such an occasion? Old Master has been looking for you for a long time. Hurry up and go over.”

Bai Shixun paused when he saw Fang Ziqian.

Then, he grabbed Xue Mengqi’s waist and pulled her into his embrace.

“Secretary Fang, aren’t you being too controlling? I’m your boss, not the Old Master! You mustn’t always control me using grandpa as your excuse.”

Xue Mengqi became excited when Bai Shixun hugged her.

She quickly leaned over, turned around and sneered at Fang Ziqian.

“You’re just a secretary. Why do you even have to meddle in your boss’s private life? Second Young Master Bai is such a charming and elegant man. Isn’t it normal for him to have a woman by his side? You

can't be jealous of others just because you're an old virgin who can't get married and deliberately ruin others' plans, can you?"

Fang Ziqian's gaze swept over the spot where the two of them were touching and her expression turned cold.

"That's right, I really shouldn't meddle in Second Young Master's business. Anyway, I've already conveyed the Old Master's message, so it's up to you whether you want to go or not."

After saying that, she turned around and left.

'Bai Shixun's taste is really getting worse and worse. He's even able to accept such a big-breasted and brainless woman!

'I really can't stand him anymore!'

Xue Mengqi had a smug smile on her face when she made Fang Ziqian back away.

In the blink of an eye, her voice became incomparably soft and charming. "Young Master Bai, I helped you chase away that annoying female secretary. How are you going to reward me?"

Chapter 259: What Right Do You Have To Criticize Her?

Xue Mengqi deliberately used her pair of breasts to rub against Bai Shixun's arm.

She was very confident of her figure.

'No man is able to be indifferent in the face of a hot and beautiful woman like myself.'

However, who would have ever guessed that Bai Shixun would suddenly cast her away aside with force.

Xue Mengqi staggered a few steps and almost fell to the ground.

She turned her head in disbelief. "Second Young Master Bai, why did you..."

The smile on Bai Shixun's face disappeared and he glanced at her coldly. "Who allowed you to talk to Secretary Fang like that?"

Xue Mengqi was stunned. "But... But... Didn't you just say... That she was too controlling?"

"It's my business to criticize my people, yet what right do you have to criticize her? Who do you think you are?"

Bai Shixun sneered, turned around and left without looking back.

...

On the other side.

Mu Yichen circled around the elders he was familiar with. After he managed to get away with much difficulty, he immediately walked back.

'That little woman doesn't know anyone on such an occasion, so she's probably gone anxious from waiting.

"Big Brother Mu, there you are!"

A gentle voice came from behind.

Bai Xinxin was wearing a high-fitting gown and 12 cm high heels as she slowly walked towards him.

She was holding two glasses of red wine in her hands.

"Brother Mu, I'm so happy that you're able to attend my grandfather's birthday banquet. Allow me to offer you a drink!"

As Bai Xinxin spoke, she handed the wine glass in her right hand to Mu Yichen.

She had dressed up meticulously today. Whether it was her makeup or her bearing, she was elegant and graceful, displaying the bearing of a rich and powerful family's daughter.

Although she had just been outclassed by Luo Chenxi, Luo Chenxi had been hiding in the cold dining area the moment she entered.

Bai Xinxin, on the other hand, was Elder Bai's granddaughter and one of the hosts of the banquet, hence she had received everyone's attention.

When the surrounding men saw her take the initiative to offer Mu Yichen a drink, they were both envious and jealous.

However, Mu Yichen frowned and did not reach out to receive it.

"Miss Bai, you're too kind. However, I've already had enough and will get drunk if I drink any more. I think I'll take a pass on your offer."

He turned around and was about to leave when Bai Xinxin turned to the side and blocked his way.

"Brother Mu, we haven't seen each other for a few days. Aren't you going to chat with me for a while?"

Mu Yichen frowned. "Weiwei is here today too, she's right beside my mother. You may look for her if you want someone to chat with."

After saying that, he walked away.

Bai Xinxin looked at him walking towards Luo Chenxi and even lowered his head as if he was kissing her, she was so angry that her face turned pale.

'What's so good about that b*tch? She almost stole my limelight today.

'Brother Mu, who has never been close to women, is actually so gentle and considerate towards her!

'Not only did he bring her to the banquet, he also seems to be inseparable from her. As soon as he was done with his official business, he couldn't wait to go back and accompany her.'

"Damn b*tch!" Bai Xinxin's face was a little twisted.

“Xinxin, don’t be angry. Being angry at a woman who doesn’t amount to anything is detrimental to your identity!” Bai Xinxin’s best friend, Zhu Jiani, came over and advised her in a low voice.

“Didn’t you prepare a performance for the Old Master’s celebration? After watching the performance, Young Master Mu will realize that you, the daughter of a wealthy family who has many talents and likes elegance, are truly worthy of his pursuit.”

“Other than her good looks, what other advantages does that Luo woman have? She can’t even compare against you in the slightest!”

Bai Xinxin gradually calmed down. “You’re right.”

‘I’ve done so many preparations today just to impress Mu Yichen and surprise him.

‘I can’t let such a small matter affect my plans.’

Chapter 260: You’re My Woman, Why Would You Be Afraid Of Being Seen?

After Fang Ziqian left, Luo Chenxi sat on the sofa alone, feeling a little bored.

Then, she got up and was prepared to go out for a walk.

When she turned around, she saw Mu Yichen and Bai Xinxin standing together.

Bai Xinxin had obviously dressed up meticulously. The gown she was wearing was very luxurious, her makeup was exquisite and her smile was incomparably brilliant.

On the other hand, Young Master Mu’s expression was cold, but it did not affect his handsomeness in the slightest.

“Didn’t he say that he was going to see his elders? Is Bai Xinxin considered an elder too?”

Luo Chenxi muttered to herself.

At that moment, Mu Yichen seemed to have heard her voice and his gaze swept over.

Luo Chenxi pursed her lips and turned to leave, only to see the man abandoning the beauty beside him and strode towards her.

“Didn’t I tell you to wait for me? Why are you running around again?”

Mu Yichen grabbed her wrist and said unhappily.

Luo Chenxi looked in Bai Xinxin’s direction and said, “I saw that you were busy and didn’t want to disturb you.”

“I’m done with my work, plus you’re not allowed to move around on your own!”

Thinking of the amazed gazes of the crowd when he entered the door, he regretted bringing this little woman here.

'Luckily, I hid her in the cold appetizer's area in the corner as soon as she entered. Otherwise, she would've attracted a lot of unnecessary people if I had left her alone.'

Mu Yichen narrowed his eyes and pulled her into his arms.

"Mu Yichen, what are you doing? We're in public at the moment!"

Luo Chenxi wanted to break free, but she suddenly changed her mind when she noticed Bai Xinxin's resentful gaze.

Instead, she leaned into Mu Yichen's arms and even took the initiative to hug his waist.

Mu Yichen stared at her fair face and coldly snorted, "So what if we're in public? You're my woman, yet you're afraid of being seen?"

Luo Chenxi was stunned and couldn't help but look up at him.

'This man... Is saying such misleading words again.'

However, Mu Yichen did not feel that he had said anything wrong. His arm forcefully grabbed Luo Chenxi's waist and led her to the center of the banquet hall.

"Are you full? I'll introduce you to a few people."

"Oh..."

Luo Chenxi responded and obediently followed him.

Mu Yichen's childhood friends had all come today.

When they saw Young Master Mu holding Luo Chenxi's hand, their expressions were all pretty strange.

Bai Shixun could not bear to watch any longer. With a pained expression, he said, "Mu Yichen, have you been struck in the head?"

Mu Yichen ignored him and turned to Luo Chenxi. "These are all my good friends. You know Bai Shixun and you should have also met the eldest Young Master of the Bao Family, Bao Tingyuan."

Luo Chenxi nodded.

'My son-in-law's father!

'We've met several times when I went to the kindergarten to pick up Tang Tang.

'However, I find it strange that I've never met Bao Shaoxuan's mother.'

Perhaps it was because of Tang Tang, Bao Tingyuan was rather polite to her and took the initiative to greet her, "Hello."

"Also, this is He Jinsi, the Third Young Master of the He family. His mother is a famous person, the celebrity queen who's China's national treasure, Superstar Sabrina. Also, that fabric shop last time was bought from him."

Hearing this, Luo Chenxi looked at He Jinsi a few more times.

He Jinsi was a rare handsome man, but compared to Mu Yichen's tough figure, he looked much more handsome. He was 70% similar to his superstar mother, who was famous for her beauty and singing voice.

He Jinsi was also sizing her up. After a long while, he reached out his hand to her. "I didn't expect Yichen to bring you here and introduce you to us officially. Then again, as long as he's happy."

His words seemed to have a deeper meaning.

Luo Chenxi blinked her eyes and subconsciously reached out her right hand to shake his hand.

However, before the two of them could touch each other, her hand was pinched by Mu Yichen and got retracted.
