

Sweetheart 261

Chapter 261: There Was Only One Person She Really Wanted To Attract

Luo Chenxi turned around and glared at him. "Mu Yichen, what are you doing?"

He Jinsi raised his eyebrows in surprise and did not seem embarrassed.

He calmly retracted his hand.

At that moment, the butler of the Bai Family suddenly walked to the center of the banquet hall, he announced loudly, "Dear guests, welcome to the Bai Family. In order to celebrate Elder Bai's 90th birthday, our Young Miss has especially prepared a performance. Please enjoy it."

When he heard this, Bai Shixun was shocked.

"What's going on? When did my younger sister become so filial? What's the performance? Why didn't I know about this?"

However, Elder Bai was quite happy and nodded repeatedly. "Good, this child is so thoughtful! Let's begin quickly."

The guests all praised Bai Xinxin's filial piety.

They stepped back and emptied the venue in the middle of the banquet hall.

After a while, the music of the ballet "Swan Lake" came from the stereo.

Bai Xinxin wore a white tutu and jumped down the stairs lightly.

Once she reached the center of the hall, she spun a few times and even completed an extremely difficult high kick.

It could be seen that her dancing skills were really good and she had even prepared meticulously.

The moment she appeared, she caught everyone's attention.

The banquet hall was silent for a few seconds before a burst of applause broke out.

No one had expected that Bai Xinxin would be able to dance classical ballet and be so good at it!

A confident smile hung on Bai Xinxin's face as she gracefully turned around and spun around. The tip of her feet lightly tapped on the ground as if she was stepping on a cloud.

She was tall and slender and her posture was relaxed. Dancing to the music, she looked like a white swan floating on a peaceful lake.

The guests were all amazed.

The young men attending the banquet, in particular, could not take their eyes off her.

"I can't believe that Miss Bai is not only a supermodel, but also a ballet dancer! Judging from her skills, she is almost as good as a professional ballet dancer"

"I've long heard that Miss Bai has been studying ballet since she was a child. She also has gymnastics and equestrian skills. That's why she has such a good figure and temperament."

"As expected of the daughter of a wealthy family. She has been educated differently from others since she was a child."

"She's a true goddess!"

The praises that came from the surroundings from time to time made Bai Xinxin even more proud.

A daughter of a wealthy family like her was someone that a woman from a lowly family could never hope of becoming!

Bai Xinxin's dance moves were even more fluid and graceful like flowing clouds and water.

She took the opportunity to turn around and cast a loving gaze in the direction where Mu Yichen was standing.

There were so many young masters from wealthy families who were courting her, but the only person she really wanted to attract was Young Master Mu.

The next second, her movements froze.

Mu Yichen didn't even look at her performance. His gaze was fixated on Luo Chenxi, who was beside him. One of his arms was even wrapped around her waist.

In fact, Young Master Mu really didn't have the time to pay attention to her.

After introducing Luo Chenxi and He Jinsi to each other, the two of them started chatting.

Luo Chenxi was a fan of Sabrina. Now that she could meet her idol's son, she was quite excited and couldn't help but ask a lot of questions.

He Jinsi had only barely paid attention to her because of Mu Yichen.

But after chatting for a while, they became more and more friendly.

Mu Yichen watched from the side, his face getting darker and darker.

He simply pulled her into his arms. "Alright, Jinsi still has business to attend to. Let's not disturb him."

At the same time, he casted a look at He Jinsi that said "get lost".

Bai Xinxin did not expect that Luo Chenxi would not only attract all of Mu Yichen's attention, but also be able to have a good chat with his friends.

She was so angry that her chest felt tight. Her body swayed and she almost fell in the middle of the performance.

Chapter 262: Her Hard Work Today Was Not In Vain!

Thankfully, Bai Xinxin's dancing skills were indeed solid. She was able to react just in time and regain her footing.

However, because of such an accident, her subsequent tempo had been slowed by half a beat.

Moreover, when she was dancing, she was absent-minded from the beginning to the end and had stepped on the wrong tempo several times.

Some of the guests who knew how to dance could not help but secretly frown.

They could not understand why Bai Xinxin, who had just danced so professionally and elegantly, suddenly had her standards plummet.

Finally, the music ended.

Bai Xinxin barely finished her performance and retreated to the side.

The banquet hall was filled with thunderous applause.

Tan Yueru also had an expression of admiration on her face as she nodded continuously. "Elder Bai, your granddaughter is really outstanding. Not only is she filial, but she also dances well. She is indeed worthy of being the daughter of the Bai Family."

Elder Bai was grinning from ear to ear. "Yueru, you really flatter me. If Xinxin heard that, wouldn't she be overjoyed?"

Bai Xinxin lowered her head and put on a shy look. "Auntie Mu, I'm going to blush because of what you just said."

"What's there to be embarrassed about? Auntie is just telling the truth!"

Tan Yueru looked at Bai Xinxin and sighed as she shook her head.

'It's a pity that such a good girl couldn't become my daughter-in-law!'

Bai Xinxin was extremely proud on the inside.

'Sure enough, my efforts today have not been in vain!

'Now, Tan Yueru definitely likes me even more.'

Many young masters from wealthy families took the initiative to surround Bai Xinxin and tried their best to curry favor with her.

All the young ladies present cast envious and jealous looks at her.

Bai Xinxin smiled even more arrogantly.

However, when she turned to look at Mu Yichen, her face stiffened again.

Young Master Mu didn't even spare her a glance out of the corner of his eye.

All his thoughts were on the woman in his arms.

Because he didn't like Luo Chenxi and He Jinsi being so close, he held her slender waist and guided her toward the balcony.

"Mu Yichen, where are we going?" Luo Chenxi was confused whilst being led by him.

Mu Yichen turned around and glanced at her beautiful red lips. His Adam's apple moved up and down as he gulped.

"It's too stuffy here. I'm a little dizzy from drinking too much. Come out with me for a walk."

"Okay."

There were many roses in the Bai Family's courtyard. Luo Chenxi had long but wanted to take a look.

Therefore, she obediently followed Mu Yichen and walked out.

"Brother Mu, please wait!"

Bai Xinxin's voice suddenly came from behind the two of them.

She quickly walked to the front of the both of them before she smiled and said, "Brother Mu, I heard that Luo... Ahem, I heard that Sister-In-Law is also very good at dancing, so I have a presumptuous request. I hope that she can also come out and perform to add some atmosphere to my grandfather's birthday banquet."

Bai Xinxin almost blurted out the word "b*tch". When she changed her words to Sister-In-Law, she almost bit the root of her teeth off.

However, when she thought about how she would be able to see Luo Chenxi embarrass herself later, she held back her anger.

Bai Xinxin was now the focus of the entire banquet hall.

Therefore, when she walked over, Luo Chenxi also became the focus of everyone's attention.

"Luo Chenxin? Is she also good at dancing? Is a small family like the Luo Family also so particular about dancing?"

"I don't know, but I've never heard of her."

"Hey, I've heard of her!" A young master with a frivolous look suddenly laughed, "Luo Chenxin used to be very famous. Not only is she beautiful, she's also good at dancing, but... It's pole dancing!"

"What?"

When they heard this, many guests revealed ambiguous expressions.

Bai Xinxin gasped and covered her mouth with a guilty expression. "Ah? is that so? Sister-In-Law, I'm sorry, I didn't know..."

Chapter 263: Apologize To My Wife, Right Now!

What else could Luo Chenxi not understand when she saw Bai Xinxin's pretentious expression?

'I was just wondering a moment ago why Bai Xinxin would make such a request.

'Amongst the information that Luo Anguo gave me, it did not mention anything about Luo Chenxin learning how to dance when she was young.

'Now, it seems that Luo Chenxin had put in a lot of hard work and learned some special dances in order to hook up with the rich and powerful young masters...'

Before she could say anything, Zhu Jiani walked over just in time. "Xinxin, Why are you apologizing? You didn't even say anything wrong."

"Jiani, I really was thoughtless about this."

"What? You didn't say anything wrong. Besides, what's wrong with pole dancing? You mustn't have such conservative thinking, alright? Pole dancing is also an art nowadays! In fact, there are still many people who purposely learn it! I even heard that there's a competition!"

Zhu Jiani's voice was very loud as she shouted without any intention of hiding.

Bai Xinxin quickly pulled her back. "Jiani, you... Stop talking now!"

Although she said that, the corner of her mouth curled up into a sneer.

This time, the guests nearby heard the voice and looked over in shock.

"So it's actually pole dancing! Which rich family's daughter would learn such a thing?"

boxn ov el. c o m

"Yeah, aren't those some dirty tricks only learned by those young models who want to hook up with rich men?"

"It's fine if they want to learn it, but they are able to so shamelessly claim that it's art. My goodness, how thick-skinned can they be..."

Actually, Zhu Jiani was right.

Many young people nowadays could accept pole dancing as a form of art.

However, no one in the traditional-minded upper echelons thought so.

As Bai Xinxin and her best friend spoke up harmoniously, they were able to easily push Luo Chenxi to the position where everyone pointed their fingers at her.

Mu Yichen's face was as black as the bottom of a pit.

Luo Chenxi could even feel that his arm around her waist was getting stronger and stronger, almost breaking her waist.

Luo Chenxi's face was pale from the pain. She wanted to speak, but Mu Yichen spoke first.

"Bai Xinxin, who do you think my wife is? What right do you have to ask her to perform at the banquet? You even said something about pole dancing, show me the evidence if you can. Otherwise, I'll sue you for slander! Apologize to my wife, right now!"

When she heard that, Bai Xinxin widened her eyes in disbelief.

“Brother... Brother Mu...”

‘I thought that no man could ever accept his wife having such a dark history.

‘It’s even more impossible for a proud man like Young Master Mu.

‘He would definitely dump Luo Chenxi, turn around and leave. From then on, he would throw this embarrassing woman into exile and even divorce her immediately!

‘However, who knew that Mu Yichen’s first sentence would be to scold me and even make me apologize to her!’

Even Luo Chenxi was a little surprised and turned to look at Mu Yichen.

Mu Yichen glanced at her coldly.

Luo Chenxi shrunk her neck and turned to Bai Xinxin.

She still had a calm smile on her face, “Miss Bai, also this miss whose name I don’t know, I think you are mistaken. Pole dancing is a very difficult feat. How can a person who hasn’t practiced it dance well? I don’t have the ability to do so. If you praise me so highly, others might misunderstand.”

Bai Xinxin gritted her teeth, but her face was timid as if she had been bullied.

“Sister-In-Law, please don’t be angry. I really have misspoken, I shouldn’t have brought it up...”

Even at that moment, Bai Xinxin still didn’t forget to defame her!

Luo Chenxi’s expression became even colder.

However, before she could say anything, Elder Bai, who was sitting at the main table, also heard the commotion.

He walked over with his walking stick and was accompanied by Mu Yunfeng and the others.

“Xinxin, what are you talking about with Yichen and the others? Why are there so many people around?”

Hearing Elder Bai’s voice, Bai Xinxin’s eyes lit up.

Chapter 264: Your Son, Yichen, Has Good Tastes

Bai Xinxin turned around and walked quickly to Elder Bai’s side, holding his arm.

“Grandpa, why have you come here? Did we disturb you?”

Elder Bai shook his head. “It’s fine. I’ve been sitting for a long time and my whole body is aching, so I just so happened to get up to take a walk. What are you guys talking about?”

Bai Xinxin looked hesitant. “Well, about that... It’s my fault. I suddenly remembered that Sister-In-Law Mu is also very good at dancing, so I wanted her to perform as well to celebrate your birthday. In the end... Sigh, in short, I wasn’t thoughtful enough.”

Hearing that, Elder Bai frowned slightly. "It's indeed your fault. No matter what, Yichen's wife is our guest. How can there be a reason for a guest to perform?"

Bai Xinxin lowered her head more and more. "Because I grew up with Brother Mu. I always felt that he was like my biological brother..."

She looked like she had admitted her mistake humbly, so no one could blame her.

Tan Yueru's expression turned ugly.

She found her daughter-in-law even more unpleasant.

'The Bai Family and the Mu Family have always been as close as a family.

'As a junior, there's nothing wrong with Luo Chenxin performing at Elder Bai's birthday banquet.

'Moreover, a true daughter of a wealthy family would learn all kinds of arts and cultivate her character from a young age.

boxn ov el. c o m

'Bai Xinxin has already personally invited her to perform at such an occasion. If it were any other daughter, she definitely wouldn't refuse.

'Even if she doesn't know how to dance ballet, she could still sing or play some musical instruments. There must be some kind of skill that she should be able to perform in front of the crowd.

'It's all because our family's brought in a petty daughter-in-law that she's refusing to perform.

'This is very embarrassing!'

"Old Master, it's my daughter-in-law's fault for not being sensible, please don't take it to heart." Tan Yueru then glared at Luo Chenxi.

Bai Xinxin saw Tan Yueru's expression and couldn't help but secretly laugh.

"Auntie Mu, you mustn't say that. You mustn't blame Sister-In-Law for this, it's because..."

She was ready to strike while the iron was hot and tell her about the pole dancing.

'If Tan Yueru knew about this dark history, that b*tch is going to be completely finished!'

However, before she could finish her sentence, Luo Chenxi suddenly pushed Mu Yichen away and interrupted her.

"Miss Bai, you seem to have misunderstood me. I didn't say that I don't want to perform at the birthday banquet, did I?"

Luo Chenxi smiled.

Bai Xinxin choked, "Are... Are you really going to perform?"

Luo Chenxi nodded, "Yes, of course. Elder Bai is Yichen's most respected elder and has often mentioned how you've taken good care of him. Thus, as Yichen's wife, I'm very grateful to you. It will be my honor to have this opportunity to perform at your birthday banquet."

Her words were very appropriate.

She had not only flattered Elder Bai without being too obvious, but also brought her husband into the matter.

She had taken care of everything.

Elder Bai could not help but look at her again.

"Little girl, are you Yichen's wife? You are really beautiful. Yun Feng, Yueru, your Yichen has good tastes."

Luo Chenxi's black dress, which covered every part of her body, was very conservative and suited the elderly the most.

Moreover, she didn't look old at all in it. Instead, she looked very imposing.

Bai Xinxin felt a tightness in her chest as she gnashed her teeth and glared at Luo Chenxi.

'This b*tch... Actually won my grandpa's favor!'

"B*... Sister-In-Law, what are you going to perform? Why don't you tell me first so that I can arrange it for you?" Bai Xinxin suppressed her anger and put on a fake smile.

'I've done some checking previously, apart from pole dancing, Luo Chenxin doesn't have any other talents.

'Even if she forcefully performs, she's only going to embarrass herself!'

Chapter 265: She Was... A Blazing Flame!

Luo Chenxi said calmly, "Since you said that I'm good at dancing, then I can only oblige and do my best."

Bai Xinxin was stunned.

'She's really going to dance!

'Is it possible that she's actually going to perform a pole dance on such an occasion?

'She can't be that stupid, can she?'

Luo Chenxi added, "However, I neither know how to dance classical ballet, nor was the music just now suitable for me. May I talk to the tuner first?"

Bai Xinxin sneered inwardly, but she said, "Of course, the tuner is in the room at the back. You can go ahead and talk to him."

Luo Chenxi lifted the hem of her skirt and entered the tuner room.

Zhu Jiani moved to Bai Xinxin's side. "Xinxin, what should we do now?"

“Nothing. I want to see what else she knows besides pole dancing!”

After a while, Luo Chenxi came back.

There was a red silk fan in her hand.

boxn ov el. c o m

Bai Xinxin couldn't hold it in when she saw the fan.

“Where... Did you get that fan? Isn't it a little... Ahem, to be blunt, I feel like that's normally used by the aunties who usually do square dances.”

Luo Chenxi smiled, “Miss Bai, you really do know your stuff. I borrowed this fan from your cook. She seems to go square dancing every day!”

Bai Xinxin was speechless.

“Fine, as long as you're happy. Do you need to change into a dance dress or something? I can lend it to you.”

“No, this is fine.”

“Alright then, let's get ready to start then!”

Luo Chenxi nodded and walked straight to the center of the banquet hall.

The guests were surprised to see her dressed like that for the performance.

“What... What is Young Madam Mu going to perform?”

“I heard it's... A dance?”

“Ahem, don't tell me she's planning to do square dancing?”

Although a square dance was not as intimate as a pole dance, a square dance on such an occasion could probably be the guests' laughing stock for an entire year.

Bai Xinxin had to choke back a laugh.

‘I've never expected for this woman to be so stupid!’

At that moment, an exciting prelude came from the stereo.

The guests subconsciously quieted down.

Then, a bright and cheerful music sounded, accompanied by the crisp sound of a board and the rhythm became faster and faster.

Luo Chenxi, who had been standing quietly, suddenly lifted the hem of her skirt and started to move.

The black skirt drew a beautiful arc in the air and she immediately turned around. The high heels under her feet suddenly kicked on the ground, making a clear sound.

Her figure was graceful and her wide skirt fluttered in the air.

She was wearing a dull black dress, but the moment she danced, she seemed to be wearing the most beautiful dance dress, attracting everyone's attention.

"Flamenco! She actually knows how to dance flamenco!"

Faint exclamations came from the crowd.

This traditional dance, which originated from the Gypsies, was passionate, unrestrained and full of vitality.

It required exceptional dancing skills, coordination and strength to pull this off. Most importantly, one would have to be extremely talented.

Not everyone could make the flamenco dance come to life while being performed.

Luo Chenxi spun a few rounds consecutively, the hem of her dress fluttering like waves.

With a light click, the fan in her hand suddenly opened.

The dazzling red color suddenly appeared. Under the contrast of her long black dress, it revealed an extremely alluring and gorgeous color.

The beauty that was half hidden behind the fan made her look more charming and beautiful.

The guests were all stunned by what they saw.

In the banquet hall, there was only the sound of dancing music and Luo Chenxi's high heels landing on the ground.

It was really the depiction of how no one would feel hurt if they were not being compared with someone else.

Luo Chenxi's performance was obviously several times more infectious than Bai Xinxin's!

Bai Xinxin's dance moves were very by the books, but it was as if she was completing a mission. Although it seemed very beautiful, it did not have any vitality in it.

As for Luo Chenxi, she was... A blazing flame!

Even though she was wrapped in a conservative black dress, every single time she looked back and turned around, it was enough to ignite the passion in everyone's hearts!

Chapter 266: A Passionate And Wild Man Who Actually Likes That Type

As Mu Yichen stared at the woman dancing in the middle of the banquet hall, his thin lips pursed tightly.

'I didn't know that my wife could actually dance flamenco and is so good at it!'

Sensing the focused gazes of the guests around him, an unknown fire kept rising in his heart.

He wished he could pull the little woman down on the spot and bring her home to hide!

A burst of rapid music sounded, and the rhythm gradually slowed down as they came to the end.

Following the music, Luo Chenxi spun around more than ten times in a row. Her wide skirt fluttered in the wind, making people dazzled.

In the end, she stopped, turned around and stopped her movements.

After a short silence, intense applause erupted from the crowd.

“That’s great, that’s really great!”

“I really didn’t expect Young Madam Mu to have such superb dancing skills!”

“No wonder she was able to subdue Young Master Mu. How could any man not be moved by such peerless beauty?”

“If Young Master Mu hadn’t made the first move, I would have pursued her.”

boxn ov el. c o m

Many people cast envious gazes at Mu Yichen.

Even Bai Shixun was stunned.

After coming back to his senses, he patted Mu Yichen’s shoulder.

“I finally understand why you’re so protective of this woman! Tsk, I never expected for you, a person who’s usually so cool and unromantic, to actually be such a passionate and wild person! You actually like this type of woman!”

Mu Yichen’s face was gloomy as he glanced at him. “Take your hand away from me!”

‘What do you mean by I like her type?’

‘I didn’t even know that my woman is this type.’

‘If I had known earlier, I wouldn’t have brought her to the banquet!’

Elder Bai, on the other hand, was very happy as he nodded repeatedly, “En, Yichen, your wife is really good at dancing! Back then, when Grandma Bai was young, she also liked to dance flamenco. It was when she danced that I fell in love with her at first sight. In a blink of an eye, 60 years have passed.”

“Hehe, this is quite a nice gift. Help me thank her later!”

Mu Yichen hurriedly replied, “Grandpa Bai, you flatter me.”

Tan Yueru smiled and nodded to herself.

She did not expect that her daughter-in-law who was born from a small family would have some sense of judgment. She handled things very well and was much better than she had initially thought.

Bai Xinxin listened from the side and was so angry that she almost crushed the wine glass in her hand!

‘This b*tch... Actually knows how to dance!’

‘Even Grandpa has praised her!’

'She's clearly using dancing to seduce men. Why can't Grandpa see that?!'

After the performance, Luo Chenxi pulled the hem of her dress and made a curtain call.

Then, she prepared to leave.

Sensing Bai Xinxin's resentful gaze, she stopped in her tracks.

"Miss Bai..."

Luo Chenxi suddenly spoke.

Everyone looked at her.

"I'm sorry to disappoint you. I don't know how to do the pole dance that you mentioned. Thus, I can only do a flamenco dance to make up for the difference."

Hearing this, Bai Xinxin's expression suddenly changed.

'Sh*t!'

As expected, elder Bai looked at her in puzzlement. "What pole dance? What's going on?"

Luo Chenxi added, "Besides, I'm a shy person. Even if I learned it, I would only go home and dance for my husband, so I can't perform for everyone as you requested. If you would like to watch it, you'd better find someone else next time. My apologies!"

She nodded at Bai Xinxin with a guilty expression.

'Isn't she just pretending to be innocent and magnanimous, pretending to be considerate of others?'

'Even I can do better!'

Chapter 267: In Her Eyes, There Was Only Him

Elder Bai understood what she meant and his face darkened.

"Xinxin, what did you say to Yichen's wife?! What's this about pole dancing? Be clear about it!"

Although Elder Bai was usually amiable and friendly, when he put on a stern face, there was no one in the family who was not afraid of him.

Bai Xinxin's heart trembled and she revealed an aggrieved expression, "Grandpa, I... I'm sorry, I misspoke. Previously, I heard that Sister-In-Law knows pole dancing, but I didn't know what it was, so I just blurted it out. Just now, someone told me that that kind of dance isn't elegant, I... I really didn't know!"

Those who heard her and Luo Chenxi's argument couldn't help but glance through the edge of their eyes.

'Isn't she lying through her teeth?'

However, Bai Xinxin was very committed to her act. She even forced out tears and looked extremely guilty.

However, Elder Bai still kept a straight face.

Tan Yueru couldn't stand it anymore and advised, "Old Master, Xinxin has always been careful and kind, so she couldn't have done it on purpose. You mustn't blame her completely for misspeaking!"

Elder Bai snorted, "Even if she didn't mean to do it, but as the Young Miss of the Bai Family, it's too immature of her to say something without clarifying the matter! Hurry up and apologize to Yichen's wife!"

Bai Xinxin's face was pale and she almost gritted her teeth!

She had wanted to humiliate Luo Chenxi at the banquet on that day.

boxn ov el. c o m

However, she didn't expect that not only did she fail to achieve her goal, but she also had to apologize to that woman!

No matter how she thought about it, she was unwilling to accept it. However, she didn't dare to disobey Elder Bai's orders.

"Hurry up!"

Elder Bai poked the ground with his walking stick and urged her sternly.

Bai Xinxin reluctantly walked towards Luo Chenxi.

"Sis... Sister-in-law... I... I'm sorry..." Her voice was even softer than a mosquito flying by.

Luo Chenxi widened her eyes and raised her eyebrows in surprise. "Miss Bai, are you apologizing to me?"

Bai Xinxin was both embarrassed and angry.

All the guests were looking at the two of them, causing her to wish that she could just find a hole to hide in!

Then, she raised her voice a little.

"Yes, I... I'm sorry, Sister-In-Law. I didn't clarify the situation before I spoke just now, I'm terribly sorry for having said the wrong thing. Please forgive me."

This time, she said it much more clearly.

When the guests heard it, they started whispering.

Luo Chenxi smiled, she said, "You're too kind, I know it must've been an unintentional mistake. After all, what kind of person would keep on talking about pole dancing? Also, you're such a polite person to even come and especially apologize to me. As expected of the Young Miss of the Bai Family."

Those words clearly meant that the Bai Family's upbringing was splendid.

But, how could Bai Xinxin not hear the sarcasm in it.

She was so angry that her face turned pale and she almost fainted.

Luo Chenxi didn't continue speaking after that.

'Elder Bai insisted on wanting Bai Xinxin to apologize to me because he is giving me face.

'If I were to dwell on the matter, I might offend him in the end and I would end up in a loss instead.'

Thus, she put away her fan, lifted the hem of her dress and walked towards Mu Yichen.

From the moment Luo Chenxi started dancing, Mu Yichen's gaze never left her.

At that moment, the dazzling goddess who had received countless adoration left her stage and walked towards him step by step.

There was a smile in her clear eyes, just like when she was dancing.

However, awhile ago, she was smiling at everyone.

Now, in her eyes, there was only him.

Mu Yichen's heart suddenly surged with excitement. He took a step forward, grabbed Luo Chenxi's wrist and pulled her into his embrace.

Chapter 268: We Are Legally A Married Couple, So What's Wrong With A Kiss?

Luo Chenxi lost her balance and fell toward the man's broad chest after being pulled by him.

His iron-like arms were locked around her waist, so she could only stick to the man.

Then, her chin was forcefully raised. Immediately after that, the hot male breath enveloped her, making it hard for her to breathe.

"Mu..."

Luo Chenxi opened her mouth.

Before she could say a word, her mouth had been blocked.

Mu Yichen hugged the little woman in his arms tightly as he kissed and licked her wantonly.

At that moment, he had already forgotten that he was in the Bai Family's banquet hall and that there were hundreds of guests watching them.

The only thought in his mind was to kiss this woman ruthlessly!

'Plunder her! Possess her!

'Let everyone know that she belongs to me!'

Luo Chenxi was forcefully occupied by him and wanted to struggle, but in the end, she lost herself within the passion.

boxn ov el. c o m

The night breeze blew in from the balcony, lifting up the long white curtains.

It made the beautiful couple kissing by the window look like they were in a dream, so beautiful that it was unreal.

Someone couldn't help but whistle.

That time, the quiet banquet hall suddenly became lively.

Some young profligate young men gathered together and whistled. Some even applauded and cheered for them.

Hearing those noises, Luo Chenxi regained her consciousness slightly and pushed the man in front of her, trying to break free.

However, Mu Yichen completely ignored her weak resistance.

He kissed her without restraint before letting go of her.

Luo Chenxi was so angry that she secretly stepped on him. "W... What are you doing? There are so many people around!"

"So what? We are a legally married couple. What's wrong with a kiss?"

Mu Yichen's expression did not change at all. He tightened his arms and turned his back, blocking the gazes of the others who were coveting his wife.

Elder Bai, who was watching from the side, was dumbfounded.

After a while, he shook his head and smiled. "This... This young couple is truly very loving towards each other. Yunfeng, it seems that you will soon be able to have grandchildren!"

However, Tan Yueru's expression was not very pleasant. "Outrageous! They don't even know how to behave a little more conservatively in public."

Mu Yunfeng shook her hand. "That's enough. Yueru, when we were young, didn't we lose our composure too?"

"But..."

Tan Yueru was at a loss for words, but she was still a little unhappy.

'I still can't confirm whether Luo Chenxin is putting on an act or not.

'However, my son is obviously too engrossed with her, so how could I be at ease?!'

Mu Yichen hugged Luo Chenxi and turned to walk towards the door.

Luo Chenxi was dragged along by him, and she stumbled as she turned her head back frequently. "Hey, Mu Yichen, what... What are you doing? The party isn't over yet! Where are you taking me?"

Mu Yichen stopped in his tracks. He narrowed his eyes and looked at the little woman's charming face.

"I'm going to teach you a lesson when we get home!"

“What?!”

Luo Chenxi widened her eyes.

‘What did I do wrong? I clearly didn’t embarrass the Mu Family!

‘Why is Mu Yichen unhappy again?’

“Did I allow you to perform? Did I allow you to dance?”

‘And you had to dance so beautifully so to speak!’

Mu Yichen’s face darkened. He was extremely impatient. He couldn’t stand to wait for the little woman in high heels to slowly walk away, so he simply carried her in his arms.

“Since you refuse to listen to your man’s words, you deserve to be taught a lesson!”

He quickly walked to the front of his sports car, opened the car door and shoved her into the backseat.

Luo Chenxi had yet to sit properly when she was pushed over by the man who was now on top of her.

Chapter 269: You’ve Gussed It Right, I Want To Do It...

“Mu Yichen, what are you...”

Before Luo Chenxi could finish her sentence, she was silenced again.

The cramped space in the back seat made that kiss be filled with dangerous hints.

Luo Chenxi could not help but twist her body, wanting to throw him off her.

However, she could not resist the man’s powerful strength.

As she continued to rub her body, Mu Yichen’s body became more and more stiff. He let out a muffled groan and finally let go of her lips.

Luo Chenxi was almost suffocated by his kiss.

She quickly raised her head and breathed in the fresh air.

At that moment, Mu Yichen’s hand had already moved up along her slender waist line. His hot breath landed on her sensitive earlobe.

“You guessed it right, I want to do it...”

“You!”

The last word landed on the corner of Luo Chenxi’s lips.

Before she could react to what the man had just said, her lips were once again sealed.

After hearing all kinds of ambiguous sounds coming from the backseat, Assistant Zhuo was shivering in the driver’s seat.

'Just now, when Young Madam was still dancing, the Eldest Young Master sent me a text message and said that he's about to leave.

'Not long after I waited in the car, the Eldest Young Master came with Young Madam in his arms.

'But, what in the world is happening at the back right now?

'My usually cold and heartless chairman is actually... Actually going to have car s*x?!

'Should I get out of the car, get out of the car, or... Get out of the car?

'But, this is the Bai Family's courtyard, so there might be surveillance cameras. As his loyal subordinate, should I risk my life to remind Eldest Young Master?'

Just as Zhuo Feng was in a dilemma, Mu Yichen's suppressed and hoarse voice came from the back seat.

"Drive! Back to the Mu Family's villa."

"Yes, chairman!"

Zhuo Feng hurriedly agreed.

Mu Yichen added, "Don't look at what you shouldn't be looking at, or else..."

Zhuo Feng's body shivered and he hurriedly pressed the button to raise the baffle between the front and back seats.

The sports car sped along.

Luo Chenxi was trapped in the back seat and had nowhere to hide. She could only allow the extremely jealous man to do whatever he wanted with her.

Fortunately, Mu Yichen still had some scruples and resisted going all the way with her.

The car then drove into the courtyard of the Mu Family.

Zhuo Feng got out of the car at the first moment and ran away as fast as he could.

Mu Yichen clenched his teeth and retracted his hand that had already reached into Luo Chenxi's bra. He then took off his suit jacket and wrapped her up. Then, he carried her horizontally and walked towards the villa.

Luo Chenxi buried her face in the man's shoulder and did not even dare to raise her head.

At that moment, she could only rejoice that other than the two of them, the other members of the Mu Family were still attending the Bai Family's banquet.

Otherwise, she would be too ashamed to face anyone!

Mu Yichen's gaze swept down and could only see her red ears. However, his blood surged and he quickened his pace.

He pushed open the door and was about to carry her upstairs.

A familiar young voice entered their ears.

“Brother Shaoxuan, lie down obediently and don’t move. Tang Tang will definitely be very gentle! I guarantee that it won’t hurt!”

“Tang Tang, you... Let me go... Let me get up first...”

Bao Shaoxuan’s voice trembled slightly.

The little dumpling said domineeringly, “Shut up, lie down properly like I’m telling you to!”

When they heard the sound, Luo Chenxi and Mu Yichen forgot about their current state and subconsciously turned around.

They saw the handsome cute little boy lying flat on the sofa in the living room while the little dumpling was sitting on his waist. Her two hands were pressing on Bao Shaoxuan’s shoulders as she leaned forward.

Coupled with the conversation just now.

It was simply a crime scene where an evil loli was forcing a good boy to commit a crime...

Chapter 270: Ravaged By Bullying Loli And Cried...

Luo Chenxi widened her eyes and looked at the two little ones in shock.

She was a little dazed.

‘The little dumpling’s overbearing manner looks exactly the same as Young Master Mu’s!

‘Like father, like daughter indeed!’

Mu Yichen’s face instantly turned black. He put down the little woman in his arms, turned around and strode towards the sofa.

The little dumpling pounced on the cute little boy, her pouty lips almost touching Bao Shaoxuan’s fair and tender face.

At that moment, she suddenly felt her body becoming lighter... She was picked up by someone.

The little dumpling was startled. She turned around and saw that it was her daddy, so she simply kicked her short legs and struggled.

She even shouted, “Daddy, let go of Tang Tang, Tang Tang wants Brother Shaoxuan!”

Luo Chenxi watched from the side and could not help but cover her face.

‘Oh, my dear Tang Tang, do you know that you will cause the death of my son-in-law?’

The little dumpling obviously did not know.

She was still struggling in Daddy’s arms as her two hands reached out to Bao Shaoxuan.

“Brother Shaoxuan!!”

Mu Yichen's face turned even darker.

Luo Chenxi could not stand it anymore and rushed over. She snatched the little dumpling from Young Master Mu and hugged her tightly.

"Mu Yichen, what are you doing? You've scared Tang Tang already! Don't bully her!"

Mu Yichen gritted his teeth. "I'm bullying who? Who's bullying who actually?"

Luo Chenxi looked down and indeed saw the little dumpling puffing up her cheeks and pouting. "Bad Daddy! You big bad wolf!"

Seeing Mu Yichen's livid expression, Luo Chenxi held back her laughter and hugged the little dumpling. She lowered her head and asked, "Tang Tang, have you brought Shaoxuan home to play today?"

The little dumpling raised her head and said proudly, "That's right! Tang Tang brought Brother Shaoxuan home!"

Seeing that she could not explain clearly, Luo Chenxi could only turn her head. "Butler Chen, were you the one who went to pick Tang Tang up today? What happened?"

Butler Chen quickly walked over and reported, "Young Madam, Young Master, the Master of the Bao Family was not present at home today, so Little Miss insisted on bringing Young Master Shaoxuan back. I especially called the Bao Family and they agreed, so..."

Luo Chenxi was stunned.

'The Master of the Bao Family wasn't present at home?

'Bao Tingyuan has gone to attend Elder Bai's banquet, but what about his wife?'

She glanced at the cute little boy who was obediently sitting on the sofa and said, "That's wonderful. Tang Tang is usually alone at home and she doesn't have any siblings to play with. Shaoxuan will be staying at our house for a day, so it just so happens that he can play with her..."

"Butler Chen!"

Luo Chenxi was interrupted by the angry Young Master Mu.

"Why weren't you guys watching while the two children were playing in the living room? Do you know what they were doing just now?"

Butler Chen was stunned, then he said with a surprised look, "Did... Did something happen just now? Young Master Shaoxuan's eyes seemed to have caught some sand just now, so the Little Miss took the initiative to help him blow it out. I noticed that Young Master Shaoxuan's condition was quite serious and blowing on it may not be enough, so I went to look for eye drops."

"Oh, right, Young Master Shaoxuan, are your eyes feeling better now?"

"What?!"

Mu Yichen and Luo Chenxi did not expect the little dumpling to pounce on Bao Shaoxuan just to help him blow out some sand.

The two of them turned towards Bao Shaoxuan at the same time.

Upon closer inspection, the cute little boy's eyes were indeed red. He looked like he had just cried and would even rub his eyes from time to time.

It was indeed as though sand had entered his eyes.

However, they had thought that Bao Shaoxuan had cried because he was being ravaged by the bullying loli and cried...

Bao Shaoxuan greeted politely, "Hello, Uncle Mu! Hello, Auntie Mu! It was my fault just now, don't blame Tang Tang."
