## Chapter 271: Tang Tang Has Inherited My Good Tastes!

'The fair and tender cute little boy has handsome features, making him look more beautiful than most girls.

'Moreover, he is obedient, mature and even knows how to protect the little dumpling.'

Luo Chenxi's eyes lit up.

'This son-in-law of mine is indeed not that bad!

'Tang Tang has inherited my good tastes!'

However, Young Master Mu did not think so.

When he thought of how his Little Princess had pounced on Bao Shaoxuan, his chest still felt tight.

If it wasn't for the fact that he was Bao Tingyuan's son, he would have grabbed his collar and thrown him out.

"The Bai Family's banquet is almost over and Bao Tingyuan should almost be home. Butler Chen, send Young Master Bao back..."

"No!"

The little dumpling interrupted him loudly, "Tang Tang wants to play with Brother Shaoxuan!"

Mu Yichen narrowed his eyes and looked at the little dumpling's chubby little face, then at the little woman who was hugging her.

'This pair of mother and daughter... They were born just to provoke my anger, aren't they?!'

Luo Chenxi hugged the fragrant little dumpling tightly and spoke up for her, "Mu Yichen, it's already dark outside and you still want to send the little child home. Are you even human? It's not as if we can't accommodate him in our house! Butler Chen, please tidy up the guest room, Shaoxuan will be staying here today."

The little dumpling immediately became happy. She reached out to hug Luo Chenxi's neck and gave her a peck on the cheek.

"Big Sister is the best. I like Big Sister the most!"

At the same time, she twisted her body and pointed her butt at Mu Yichen.

Young Master Mu was so angry that he gritted his teeth.

Luo Chenxi quickly hugged the little dumpling and gave the cute little boy a look.

Bao Shaoxuan was very obedient. He immediately stood up and followed closely behind Luo Chenxi.

At that moment, the smart Bao Shaoxuan realized who was the one who was in charge in the Mu Family and who was the one he should curry favor with!

Little did he know that this very understanding would followed him for twenty years and become the very key to him scoring a beauty for himself.

Luo Chenxi took the eye drops and helped Bao Shaoxuan flush the sand out of his eyes. Then, she let the two children play by themselves.

The two children ended up playing checkers together.

The little dumpling acted shamelessly and kept on going back on her words. However, Bao Shaoxuan didn't get angry and kept giving in to her.

When it was past 9pm, the little dumpling began to yawn.

Bao Shaoxuan saw this and ran to the guest room next door to sleep.

Luo Chenxi helped the little dumpling to wash up and carried her to bed, planning to turn off the lights and go to bed early herself.

However, just as she laid down, Mu Yichen pushed the door open and came in.

This time, it was too late for her to pretend to be asleep. Hence, she could only reveal an awkward and polite smile.

"Mu Yichen, you're here... Hehe..."

"Stop laughing."

Mu Yichen reached out and pinched her petite face. He suddenly leaned close to her ear, "Do you still remember what I said in the car?"

Luo Chenxi felt her ears itchy and could not help but shrink her neck.

"What... Did you say?"

She suddenly remembered something and her face turned red.

'In the car, Mu Yichen pressed me down on the back seat and said that he wanted to do it... Ahem!'

She quickly moved to the little dumpling's side and looked at him warily, "About that... Mu Yichen, Tang Tang is still here! Let me tell you, as parents, we must set an example and be a good example for our children. You saw it yourself, Tang Tang actually pounced on the cute little boy today. She must have learned it from you. You mustn't do this anymore..."

Mu Yichen's gaze deepened. He pinched her chin and stopped her from continuing.

After a long while, he finally let go of her.

"I'll let you off today..."

He had to admit that the phrase "setting an example for his children" pleased him.

“But...”

Before Luo Chenxi could heave a sigh of relief, she became nervous again. “But what?”

“Don’t forget, you said that you would learn pole dancing for me. Practice well, I’ll be checking in a few days!”

### **Chapter 272: Yesterday Was Just A Misunderstanding**

“I... Cough, cough, cough! When did I say that?!”

Luo Chenxi almost choked to death from her own saliva.

Mu Yichen narrowed his eyes with a dangerous look on his face. “Do you dare say that you’ve forgotten?”

“I...”

Luo Chenxi racked her brain and tried her best to recall.

She finally remembered that she had said that at the end of her performance at the birthday banquet.

However, she said that to deliberately anger Bai Xinxin. She definitely did not have the intention to learn pole dancing!

However, when she looked at Mu Yichen’s expression, she did not dare to tell the truth and could only perfunctorily reply.

“I didn’t forget, I remember it now. Don’t worry! I’ll train hard!”

‘As if!

‘Anyway, if I drag it on for a few days, he’s definitely going to forget about it.’

...

The next day.

Luo Chenxi sent the little dumpling and Bao Shaoxuan to kindergarten.

Then, she went to the hospital to visit Lu Wenjun.

It was already afternoon by the time she returned home.

As soon as she entered the house, she saw a familiar figure.

Bai Xinxin was sitting on the sofa in the living room, chatting cheerfully with Tan Yueru.

“Auntie Mu, you’ve been traveling abroad for the past few years, so I didn’t have the chance to meet you even if I wanted to. Finally, I’ve managed to meet you this time! Previously, you said that the Mediterranean sun was too strong and that you had sunburn and injured your skin. Is the sunscreen I gave you still working?”

“It works! Xinxin, you’re so thoughtful! Although Weiwei is also a girl, she’s not half as attentive as you are!”

Tan Yueru held Bai Xinxin’s hand, the more she looked at her, the more she liked her.

When they heard the footsteps of Luo Chenxi entering the door, the two of them looked at her.

Tan Yueru said, “Chenxin, you’re back? Come over quickly. Xinxin especially came here today to look for you.”

Luo Chenxi blinked and asked, “For me?”

Bai Xinxin stood up at the right time and softened her tone, “Sister-in-law, I came here today to apologize to you. Yesterday at Grandpa’s birthday banquet, I didn’t think things through and almost hurt you, so I wasn’t able to sleep well last night and kept thinking about this matter. Afterwards, I still felt that I should apologize to you in person.”

Her sincere expression was completely different from yesterday.

Luo Chenxi’s eyes revealed a hint of playfulness.

‘You didn’t sleep well the whole night?’

‘That’s definitely not because of guilt, but jealousy!’

‘Bai Xinxin is a person who cared about her image the most, yet she was able to lower her dignity and apologize to me.’

‘What... Kind of conspiracy is behind this?’

Luo Chenxi stared at Bai Xinxin for a while and said slowly, “Miss Bai, what are you talking about? Yesterday was just a misunderstanding, let’s just let bygones be bygones. I would actually feel bad if you still keep it to heart.”

Tan Yueru nodded and smiled when she heard that.

“Xinxin, are you relieved now? Our two families are so close that it’s impossible for us to be estranged because of just one misunderstanding.”

‘My daughter-in-law is sensible and didn’t refuse her apology.’

Bai Xinxin was stunned for a moment. She didn’t expect Luo Chenxi to react so nicely without being angered by her.

This made her unable to continue acting and she could only stay where she was.

Luo Chenxi smiled innocently.

Although she hated the b\*tch, she didn’t mind putting on an act when it was needed.

When it was time for dinner, Tan Yueru invited Bai Xinxin to join them since she had not left yet.

To Luo Chenxi’s surprise, Bai Xinxin didn’t disturb Mu Yichen and the little dumpling the entire time.

“Auntie Mu, I still remember this steamed dumpling. When I was young, you would prepare it for me every time I visited the Mu Family! I didn’t expect you to give me steamed dumplings even though I’m already so old.”

“Auntie Mu, I remember that you like to drink soup before meals. I’ll get you a bowl.”

Bai Xinxin was extremely attentive, even surpassing Mu Weiwei.

Those who didn’t know better would think that she was Tan Yueru’s biological daughter.

### **Chapter 273: Why Would I Want To Be Tan Yueru’s Goddaughter!**

Tan Yueru could not help but praise her, “Xinxin, you’re really too considerate! If Weiwei is half as considerate as you, I would wake up laughing in my dreams at night.”

Bai Xinxin immediately said, “Auntie Mu, my parents have passed away early, so I’ve always treated you as my mother.”

This was a very good flatter.

Tan Yueru was grinning from ear to ear as she said, “You’re like Weiwei in my heart. You don’t have to be too restrained in our house from now on.”

Bai Xinxin was very proud when she heard this. She raised her chin and looked at Luo Chenxi in a threatening manner.

Luo Chenxi had been feeding the little dumpling and treated Bai Xinxin as if she didn’t exist.

At that moment, she said calmly, “Madam Mu, if you like Miss Bai, you can very well take her as your goddaughter, can’t you?”

Tan Yueru’s eyes lit up when she heard this.

“You’re right! Xinxin, why don’t you see me as your godmother? From now on, you’ll be Weiwei’s elder sister!”

Tan Yueru had always liked Bai Xinxin. She had hoped that she could marry Mu Yichen.

But now, it seemed impossible.

Luo Chenxin was Tang Tang’s biological mother and she had a good relationship with Mu Yichen.

boxn ov el. c o m

If she was really reformed, Tan Yueru couldn’t force her son to get a divorce.

Tan Yueru was still feeling regretful, but now that she thought about it, it was the same for Bai Xinxin to be her goddaughter.

However, Bai Xinxin’s face suddenly turned pale.

‘Goddughter?!

‘Why would I want to be Tan Yueru’s goddaughter!

'I only fawned over Tan Yueru with the intention of marrying Mu Yichen. Otherwise, why would I even bother to fawn over an auntie?'

She forced out a smile. "Umm... Umm..."

Tan Yueru frowned. "Xinxin, do you not want to?"

Luo Chenxi smiled. "You're not afraid that the Old Master wouldn't agree, are you? But, haven't the Mu Family and the Bai Family always been on good terms? You're only going to have a godmother, I doubt the Old Master would be so calculative, would he?"

Tan Yueru slapped her thigh. "That's right. Xinxin, you mustn't be worried about that. I'll talk to the Old Master on your behalf."

Bai Xinxin had actually already planned to use the Old Man as an excuse to reject Tan Yueru.

However, she didn't expect Luo Chenxi to suddenly interfere, so she couldn't use her excuse anymore.

For a moment, she felt extremely awkward.

Bai Xinxin racked her brain and thought of an excuse. "Well... I've already adopted two godmothers when I was young. I'll have to ask them for their opinions no matter what."

Tan Yueru was a little disappointed. "Alright then."

She finally managed to deal with this matter.

Bai Xinxin wiped the cold sweat off her forehead and turned to glare at Luo Chenxi.

Luo Chenxi ignored her and continued to coax the little dumpling to eat.

At that moment, Mu Yichen stood up and turned to look at her. "Are you done eating?"

Luo Chenxi stuffed the last piece of vegetables into the little dumpling's mouth and said, "I'm done!"

"Come upstairs with me after you're done. Didn't you say you needed my help this morning?"

Luo Chenxi looked at the man's expressionless side profile and couldn't help but smile.

In the morning, she mentioned to Mu Yichen that she hoped he could model for her again so that she could draw the blueprints for her new series.

Mu Yichen looked cold at that time and replied indifferently, "We'll talk about it when I'm free."

In the end, only a day had passed and he already had the time!

Luo Chenxi immediately stood up.

"You're free? Then let's go now!"

Mu Yichen did not speak. With one hand in his pocket, he strode towards the second floor.

Luo Chenxi held the little dumpling's hand and followed him into the study room.

When Bai Xinxin saw this scene, she was so angry that she almost smashed the bowl!

'Isn't Brother Mu's study a forbidden area?

'Last time, I used the excuse of delivering documents to sneak in. Then, not only did I fall down, I was even kicked out!

'So, what right does that b\*tch have to go in?!'

Hatred flashed in her eyes. "I'll allow you to be smug for one more night. I'll deal with you tomorrow!"

#### **Chapter 274: Tang Tang Has Yet To Call Me Mommy**

The next day, Luo Chenxi overslept.

When she woke up, Mu Yichen and the little dumpling were both gone.

She hurriedly got out of bed to wash up.

'Yesterday, it was rare of Mu Yichen to have the patience to let me draw for an entire night.

'Moreover, he was especially considerate when he said that I could get him to strip and lie flat at any time and in any pose that I pleased.

'I got so scared that I almost ran away.

'Fortunately, I was smart enough to bring the little dumpling into the study room. Otherwise..'

Luo Chenxi drew a thick stack of sketches, including Young Master Mu's and the little dumpling's.

When she saw Tang Tang's cute little face, she wanted to make many cute little clothes for her!

'Perhaps, my personal brand could also include designs for children's clothes...'

Luo Chenxi thought as she went downstairs, intending to find some food in the kitchen.

However, as soon as she reached the corridor, she met an uninvited guest.

boxn ov el. c o m

"Tsk, tsk, how can there be such a lazy woman like you in the world? Do you really think you can do nothing after marrying into a rich family?"

Bai Xinxin crossed her arms and leaned against the railing, casting a disdainful look at her. "You slept until so late, I can see that you're completely shameless! Auntie Mu is still at home, yet you're acting so arrogantly. Aren't you afraid of being kicked out?"

Luo Chenxi curled her lips slightly and said with a disapproving smile, "My husband and I are close, so why should mother-in-law be angry? We're working so hard just to let her have another grandchild sooner, aren't we?"

"You... !"

Bai Xinxin's face turned pale.

She understood Luo Chenxi's hint.

She was showing off her relationship with Mu Yichen!

Bai Xinxin trembled with anger when she thought of how Brother Mu had been with that woman until midnight last night.

Luo Chenxi glanced at her with a half-smile and yawned. "Sigh, I'm so sleepy. I exercised too much yesterday and I'm so hungry now. I'll go look for food first."

Seeing her turn around, Bai Xinxin hurriedly stopped her.

"Stop right there!"

"What's wrong this time?" Luo Chenxi frowned.

Bai Xinxin's gaze fell on a hickey on Luo Chenxi's neck and her heart was burning with jealousy.

She revealed a malicious smile. "Luo Chenxi, do you really think that you're Brother Mu's wife? Do you really think that Auntie Mu and Uncle Mu have accepted you? Have you ever thought about why Tang Tang never called you Mommy?"

Hearing this, Luo Chenxi was slightly startled.

Then, the smile on her face disappeared and she said in a deep voice, "What does that have to do with you?"

Bai Xinxin sneered, "What's the matter? You can't accept it now that I've exposed the truth? Let me tell you, the Mu Family will never accept you! Tang Tang is clearly your biological daughter, but she hasn't called you Mommy yet! That's because the Mu Family has treated you like a babysitter since the beginning. They will chase you out sooner or later!"

Luo Chenxi pursed her lips and didn't say anything.

Bai Xinxin thought that she had hit the nail on the head and she became even more proud. "If you don't believe me, when Tang Tang comes back, you can ask her to call you Mommy and see how Auntie Mu will react!"

As soon as she said that, Luo Chenxi sneered.

"Bai Xinxin, do you think I'm an idiot?"

Bai Xinxin was still pretending to be innocent. "What do you mean? I'm doing this for your own good! It's good for you to realize the truth as soon as possible so that you don't waste your youth."

Luo Chenxi's gaze became colder and colder. "Bai Xinxin, do you think I don't know about Tang Tang's situation? You're really willing to say anything to deal with me! Your methods of sowing discord are too low-class!"

'It's indeed strange that the little dumpling keeps calling me Big Sister.

However, I still remember that on the second day of my wedding, I asked the little dumpling to call me Mommy, but the little dumpling suddenly lost control and bursted into tears.'

**Chapter 275: Do You Really Not Remember Your Mommy?**

After the incident, Luo Chenxi speculated that Tang Tang might have suffered some kind of trauma when she was young and it had something to do with Luo Chenxin.

The word “Mommy” became taboo.

Therefore, after the incident, she accepted the title “Big Sister”, even though she sometimes imagined what it would be like for the soft and cute little dumpling to call her “Mommy”.

However, it was just a thought.

Bai Xinxin obviously didn’t expect Luo Chenxi to be so smart that she didn’t end up provoked at all.

Her face stiffened and she said stubbornly, “What do you mean by driving a wedge? I’m telling the truth!”

Luo Chenxi shrugged. “You know very well what your intentions are.”

She couldn’t be bothered with this b\*tch anymore and turned to leave.

At that moment, a series of footsteps suddenly came from not far away.

The two looked in the direction of the sound.

The little dumpling was running excitedly from the direction behind Bai Xinxin with her short legs and a rabbit doll in her hand.

“Big Sister, you’re up! Uncle gave Tang Tang a rabbit!”

boxn ov el. c o m

Luo Chenxi smiled when she saw the little dumpling.

She immediately went up to her.

However, Bai Xinxin intercepted her and stopped the little dumpling before bending down to pick her up.

“Let me down!”

The little dumpling was so anxious that she tried to jump down.

In fact, there were a few times where she even kicked Bai Xinxin’s ribs. The pain made her vision go black.

However, she forced herself to hold back and grabbed Tang Tang’s little body as she forced a smile.

“Tang Tang, why are you calling her Big Sister? Aren’t you being too rude? She’s obviously your Mommy! Hurry up and call her Mommy!”

The little dumpling was stunned. “Mommy?”

Luo Chenxi’s heart skipped a beat when she heard this.

“Bai Xinxin, what nonsense are you talking about? Shut up and let go of Tang Tang right now!”

She rushed over and wanted to get Tang Tang back.

However, Bai Xinxin was already prepared. She carried Tang Tang and turned around to leave.

As she walked, she whispered into the little dumpling's ears.

"Tang Tang, do you really not remember your Mommy? Do you remember when you were young, you especially loved to cry. Then, when your Mommy got too impatient to coax you, she yelled at you and forbade you from speaking. If you weren't obedient, she would tape your mouth shut and prick you with a needle. Don't you remember all that?"

When Luo Chenxi heard these words, a chill rose from the soles of her feet.

She had secretly guessed countless times what Luo Chenxin had done to Tang Tang and why everyone in the Mu Family had refused to let her come in contact with Tang Tang since the beginning.

However, she had never dreamed that Luo Chenxin would be so crazy!

'This was her biological daughter!

'Plus, she's the cute little dumpling who could literally melt anyone's hearts!

'How could she do such a thing?!

Meanwhile, the little dumpling was completely dumbfounded. Her big round eyes were filled with fear and panic.

Luo Chenxi's expression changed as she rushed over. "Bai Xinxin, are you crazy?! How dare you provoke Tang Tang like this? Let her go!"

She reached out to snatch the little dumpling.

Bai Xinxin's body swayed a little, but she hugged the little dumpling tightly and refused to let go.

The little dumpling was already scared to death, but after being shocked for a moment, she cried out loudly.

"Uwaa... Uwaa... Go away! Mommy is a bad person! I don't have a Mommy!"

Bai Xinxin actually caused the little dumpling to cry!

Luo Chenxi's heart was aching so much that it was about to twist!

She couldn't care less about anything else. She raised her leg and kicked Bai Xinxin a few times. "D\*mn it, let her go!"

### **Chapter 276: What Could A Vicious Woman Like You Not Do?**

Bai Xinxin felt an immense pain and finally let go.

Luo Chenxi quickly pulled the little dumpling into her arms.

"Tang Tang, good girl. Don't cry, don't cry. Let's not bother..."

"Uwaa... !! Go away, I hate you, I hate Mommy!!"

However, the little dumpling waved its chubby hands and desperately tried to push her away.

At that moment, in the little dumpling's eyes, Luo Chenxi's exquisite and beautiful face had already overlapped with the terrifying woman who had once abused her and appeared in her nightmares countless times.

Tang Tang's heart was filled with extreme fear. Her small body trembled and she only wanted to escape as far away as possible!

Luo Chenxi was extremely worried.

She really wanted to hug the little dumpling tightly in her arms to comfort her, but she was afraid that it would provoke her.

For a moment, she did not know what to do.

At that moment...

"What's going on? What are you doing? Tang Tang... Why is Tang Tang crying?!"

boxn ov el. c o m

Tan Yueru and Mu Yunfeng had just come back from shopping. The moment they entered the door, they heard the little princess's heartbroken cries.

They immediately panicked.

They threw their bags on the ground and rushed to the second floor.

"Tang Tang! Grandma's precious Tang Tang, who bullied you?"

"Uwaa...! Grandma!"

The little dumpling pushed away the stunned Luo Chenxi, turned around and ran to Tan Yueru. She then jumped into her arms and burst into tears.

Tan Yueru's heart ached so much that she hugged, kissed and coaxed her.

The little dumpling hugged her neck tightly and continued to sob incessantly.

Tan Yueru saw this and felt her heart ache, but she was also extremely angry.

'I've only gone out for a short while and the little princess is already crying!

Her face darkened and she asked sternly, "What's going on? Why did Tang Tang suddenly start crying? What did you do to her?"

Bai Xinxin had been waiting for these words. She immediately stood up and put on an indignant expression.

"Luo Chenxin, you've gone too far! It's only normal for you to be unhappy that Tang Tang has refused to call you Mommy. However, you can't ignore Tang Tang's mental health and force her to call you Mommy just because of this. Now, Tang Tang's agitated because of you!"

Luo Chenxi was completely focused on Tang Tang. She stared unblinkingly at the little dumpling and did not pay attention to what Tan Yueru and the others said.

By the time she came back to her senses, Bai Xinxin had already managed to frame her in the worst way possible.

Luo Chenxi was so angry that her face was red, “Bai Xinxin, how dare you put the blame on me?! You were clearly the one who mentioned her childhood in front of Tang Tang and deliberately provoked her! I’m fine if you don’t like me and come at me with your grudges. But, to bully a child like this, do you even have a conscience?”

Bai Xinxin widened her eyes, expressing her shock and grievance to the extreme.

“What... What are you talking about? Why would I bring up Tang Tang’s childhood? If you want to deny it, can’t you at least find a better excuse? You were the one who forced Tang Tang to call you Mommy and Tang Tang is afraid of you! You were the one who beat her! What does it have to do with me?”

“Bai Xinxin, you still have the nerve to feign innocence? No matter how jealous you are of me, you shouldn’t do anything to a child! You...”

The two of them were in a heated argument.

Perhaps it was because they were too loud, the fragile little dumpling was agitated again and started crying even louder.

Luo Chenxi felt sorry for her and immediately shut her mouth.

However, Bai Xinxin was pushing her luck and her voice became louder.

“Why aren’t you speaking? Are you feeling guilty? You were capable of abusing her a few months ago, so what’s the big deal about agitating her now? What could a vicious woman like you not do?”

Tan Yueru’s heart was pierced by these words.

She thought of how Luo Chenxi had abused Tang Tang and her heart tightened.

“Luo Chenxi, I’m very disappointed in you!”

### **Chapter 277: How Dare You Bully Tang Tang? One Slap Is Hardly Enough!**

Tan Yueru glared at Luo Chenxi.

She was filled with regret.

‘How could I have been deceived by this woman? When I saw her feeding Tang Tang, I thought that she had turned over a new leaf.

‘When in truth, she’s still the same as three years ago.

‘She’s been selfishly using Tang Tang all this time just so she can marry into a rich family!

‘I should not have allowed Tang Tang to get close to her!’

“From now on, you are not allowed to come close to Tang Tang! You are not worthy of being Tang Tang’s mother and you are not worthy of being the Young Madam of the Mu Family!”

"I will call Yichen right now and let him see what you have done to Tang Tang! Even if his grandmother objects, you will still have to get a divorce!"

Tan Yueru was so angry that her entire body was trembling. She scolded Luo Chenxi before she turned around and left.

Mu Yunfeng frowned. "Yueru, where are you going?"

"Hurry up and ask for a psychiatrist to come over."

The two of them carried the little dumpling and left.

boxn ov el. c o m

Luo Chenxi followed them subconsciously. "Wait a minute, let me see Tang Tang..."

"Save it, Auntie Mu and Uncle Mu won't let Tang Tang's abuser get close to her." Bai Xinxin took a step forward and raised her chin.

Luo Chenxi gritted her teeth and looked at her. "Bai Xinxin! You're absolutely shameless!"

"Clearly, you're the shameless one, aren't you? You're the one who tormented Tang Tang and you're the one who's scared her to tears. What I told Tang Tang was the truth. Am I not allowed to tell the truth?"

Bai Xinxin looked proud. "What? Do you not like what you've just heard? Hit me if you dare then..."

Slap!

Before she finished her sentence, a crisp slap sounded.

Luo Chenxi had slapped her across the face.

Bai Xinxin covered her face and widened her eyes in disbelief. "You... How dare you hit me..."

"Didn't you ask me to hit you?" Luo Chenxi sneered. "How dare you bully Tang Tang? One slap isn't even close to being enough!"

She turned her hand back and wanted to hit her again.

Bai Xinxin finally reacted and wanted to hit back.

However, Luo Chenxi's skills were unexpectedly good and she tripped Bai Xinxin onto the ground in just a few moves.

Seeing that she couldn't dodge, Bai Xinxin began to scream.

However, now that everyone in the Mu Family was surrounding the little princess, no one noticed her cry for help.

Luo Chenxi mercilessly kicked her a few times.

Bai Xinxin was angry and in pain. Her eyes went black and she almost fainted.

Luo Chenxi was worried about the little dumpling, so after she let out a sigh of relief, she quickly ran to the second floor, wanting to go to the children's room to see her.

However, when she reached the door, she was stopped by the bodyguards.

“I’m sorry, Young Madam. Madam said that you can’t go in.”

Luo Chenxi frowned.

Standing outside the door, she could hear the little dumpling’s sobs, which hadn’t stopped even up to that moment.

Luo Chenxi was worried that if she went in, she would agitate the little dumpling again, so she could only stand guard at the door.

Only when Tan Yueru personally came out to chase her away did she turn around and leave.

...

An hour later, Mu Yichen rushed back, travel-worn.

Bai Xinxin went out to welcome him.

“Brother Mu, you’re finally back! Let me tell you, that b\*tch, Luo Chenxin, is really disgusting...”

A trace of resentment flashed in her eyes.

She had been beaten up and her body was still aching from it even at that moment.

However, Luo Chenxi was very skilled. She specialized in picking places that could not be seen from the outside, which made her feel bitter and speechless.

Now, she finally found an opportunity to complain! Unexpectedly, Mu Yichen completely ignored her. He pushed her aside, went upstairs and rushed into the children’s room.

“What’s happened? How is Tang Tang?”

The little dumpling heard the voice and jumped into his arms. “Daddy! Uwuuu, Tang Tang is so afraid!”

### **Chapter 278: I Will Never Forgive The Person Who Hurt Tang Tang!**

Mu Yichen quickly hugged her tightly. “Tang Tang, don’t cry... Daddy’s here, so there’s nothing for you to be afraid of!”

The little dumpling finally felt safe, and she gradually stopped crying.

After a while, she laid her head on her Daddy’s shoulder and fell asleep.

Mu Yichen carefully placed the little dumpling on the bed.

He turned his head and his face darkened.

“Mom, what’s exactly happened? Why did Tang Tang suddenly get so agitated?”

Tan Yueru’s anger was still lingering on her face. “What else could it be? It’s all Luo Chenxin’s fault! She provoked Tang Tang to this extent just to get her to call her Mommy! Are you still going to allow this kind of woman to take care of Tang Tang?”

Mu Yichen was obviously stunned for a moment before he narrowed his eyes. "That's impossible!"

Tan Yueru said angrily, "What's impossible? Why is it impossible? Do you really trust Luo Chenxin that much?!"

"She's her biological daughter and has always doted on Tang Tang. All of that was definitely not an act," Mu Yichen denied subconsciously.

During this period of time, he had witnessed the interaction between Luo Chenxi and the little dumpling.

'Sometimes, when I spoke louder to my daughter, I would be scolded by that little woman.

boxn ov el. c o m

'So, how could she possibly provoke the little dumpling herself?'

Tan Yueru glared at him with a look of disappointment.

"Yichen, why are you being like this now? What kind of magic has Luo Chenxin casted on you? Are you actually ignoring your own daughter? Have you forgotten what she did to Tang Tang three years ago? So what if she's her biological daughter? It's not as if it's her first time abusing Tang Tang!"

Mu Yichen's body stiffened when he recalled the incident three years ago.

It was his first time seeing the needle marks on the little dumpling's body. He was so angry that he wanted to strangle Luo Chenxin to death!

He felt disgusted just by looking at that woman.

Bai Xinxin saw his ugly expression and immediately walked over, taking the opportunity to add fuel to the fire.

"Brother Mu, don't be fooled by that woman, she's just pretending. She often mistreats Tang Tang behind your back. I've seen it a few times! This time, she forced Tang Tang to call her Mommy and kept provoking her, I saw it with my own eyes..."

Hearing this, Mu Yichen turned to look at her and said coldly, "You saw it with your own eyes?"

His tone was too cold.

Bai Xinxin couldn't help but shiver.

However, she still braced herself and nodded, "Yes, that's right... I saw it!"

'I've heard Mu Weiwei mention before that in order to protect the privacy of her family members, there are no surveillance cameras installed inside the Mu Family's villa.

'Therefore, there is absolutely no evidence to prove that what I said is a lie.

'As long as I stay strong, I can spin even a lie into the truth!'

Mu Yichen stared at her and did not say anything.

Bai Xinxin became nervous, "Brother Mu, do you not believe me? It wasn't just me, even Auntie Mu saw it! Tang Tang was so scared when she saw that woman! Isn't that right, Auntie Mu?"

Tan Yueru thought of the scene she saw when she entered the room.

At that time, the little dumpling was indeed trembling all over and desperately tried to push Luo Chenxi away.

That pitiful look still made her heart ache!

"That's right, I saw it too! Tang Tang wasn't willing to let her get close at all, she was crying all the time! I was really blind to let Tang Tang be alone with her!" Tan Yueru was so angry that her blood pressure rose. "This time, you definitely can't let her off the hook. You must make the person who hurt Tang Tang pay the price!"

A trace of sternness flashed across Mu Yichen's eyes, he pursed his lips, "Mom, don't worry. I will never forgive the person who hurt Tang Tang!"

He turned around and walked out.

Bai Xinxin secretly followed behind him. When she saw him walking towards the master bedroom, she was excited.

'That b\*tch is definitely done for this time!'

### **Chapter 279: It's Only Understandable That He Suspects Me**

In the master bedroom.

Luo Chenxi sat there in a daze, thinking about the little dumpling.

At that moment, the sound of the doorknob turning could be heard.

Mu Yichen walked in with a cold temperament.

Luo Chenxi immediately threw away the pillow in her hand. She rushed over and grabbed Mu Yichen's sleeve.

"Mu Yichen, you're back! Have you gone to see Tang Tang? How's she?"

Mu Yichen lowered his head and swept his gaze across her taut little face. His gaze darkened.

His voice was deep. "She's asleep."

Luo Chenxi immediately heaved a sigh of relief. "That's good, that's good! She was crying non-stop just now, it's really pitiful. My heart aches so much..."

She let go of Mu Yichen's sleeve and was about to pull her hand back when she was grabbed by the man.

Luo Chenxi was shocked. When she looked up, she met Mu Yichen's cold, dark eyes.

"Don't you have anything to say to me?"

Luo Chenxi's heart skipped a beat.

'I've been so focused on the little dumpling that I've overlooked the fact that Bai Xinxin is the cause of today's incident!

'When Mu Yichen returned, he went to the little dumpling's room first. so Bai Xinxin must have taken the opportunity to smear my name.

'Would Mu Yichen... Believe her?'

Luo Chenxi bit her lip and looked up at Young Master Mu.

From the man's deep expression, it was hard to tell what he was thinking.

"The person who made Tang Tang Cry was Bai Xinxin, not me! Today, when I woke up, I was blocked by Bai Xinxin on the stairs. She... She deliberately provoked me and said that Tang Tang isn't calling me Mommy because the Mu Family definitely isn't willing to acknowledge me. Then, she kept egging me to make Tang Tang call me Mommy..."

"So, you went and coaxed Tang Tang?" Mu Yichen lifted his thin lips.

Luo Chenxi widened her eyes, "Of course not! Tang Tang... Obviously can't withstand that kind of agitation, I'm not stupid! Besides, I already know that the Mu Family doesn't want to acknowledge me, so would the situation be any different if Tang Tang called me Mommy? I'm not that naive, alright?"

"Then what happened this morning?"

Luo Chenxi was furious, "Bai Xinxin saw that I wasn't fooled, so she went to provoke Tang Tang and forced her to call me "Mommy"! I couldn't stop her in time! Later, Tang Tang started crying and Madam Mu saw it..."

Mu Yichen listened to her and didn't say anything, as if he was thinking about something.

Luo Chenxi thought that he didn't believe her, but an inexplicable fire suddenly rose in her heart!

"Mu Yichen, do you actually believe that b\*tch, Bai Xinxin?! She has always disliked me and has always wanted to frame me, don't you know that? I'm able to look past her deliberate insults against me, but this time, she shouldn't have done such a thing to a child! Regardless of whether you believe it or not, I will never forgive her!" She roared at Mu Yichen.

As she spoke, not only did the anger within her not reduce, there was even a sourness welling up inside of her.

She could not control the wetness accumulating beneath her eyes.

'Actually, if I were Mu Yichen, I would definitely not believe a woman who's had a history of abusing her own daughter.

'So, it's only understandable that Young Master Mu suspects me.'

However, her heart throbbed, and she felt that she was on the verge of suffocation.

Luo Chenxi pulled her hand back, trying to break free from his restraint.

However, Mu Yichen did not take the opportunity to let go. Instead, he pulled her hard and flipped her over, pressing her shoulder against the wall.

He looked down at the little woman in front of him.

She had a strong and stubborn expression on her face, but her reddened eyes betrayed her.

"I once said that I can trust you, but I can only trust you once!"

### **Chapter 280: Since You've Said That, I'll Believe You**

Mu Yichen's eyes were too focused and dangerous. Luo Chenxi couldn't help but bite her lips and hold her breath.

The man opened his mouth, "Don't lie to me!"

"I'm not lying to you! Everything I said is true!"

Luo Chenxi quickly shouted.

Mu Yichen stared at her for a while and let go, "Okay, since you've said that, I'll believe you."

"Huh?!"

Luo Chenxi was stunned. She had not recovered from the grief and indignation just now.

Mu Yichen looked at her dazed look and could not help but raise his hand to pinch her face.

"I've realized that you're very similar to Tang Tang when you're being silly."

Luo Chenxi suddenly woke up from the pain of his pinch. She grabbed his big hand and stared at him.

"Mu Yichen, do you believe me? Do you believe that Bai Xinxin made Tang Tang cry?"

Mu Yichen raised his eyebrows. "Why do you look so surprised? Unless, you're actually lying to me?"

"No, no, no, of course I'm not lying to you! Every word I said is true! But, you... Why would you..."

'I never expected that Mu Yichen would choose to stand on my side without any evidence.'

Mu Yichen took the opportunity to pinch her fair and tender face a few more times when he saw that she was in a daze.

He sighed in his heart. 'This feels so good.'

"Would I lie when I said that I would believe you? I believe that you're different from before. You truly do love Tang Tang."

'If Bai Xinxin hadn't added that she "often abuses Tang Tang in secret"... I might have actually believed her words.'

'After all, it's not unusual for a mother to do something drastic when she's anxious for her child to call her Mommy.

'However, I will never believe that she would abuse her daughter.

'Ever since this little woman got married into the Mu Family, the cute little smile on the little dumpling's face became more and more lively with each passing day.

'All of this...Definitely can't be faked.

'If she didn't treat the little dumpling well, how could the little dumpling rely on her so much?'

Hearing this, Luo Chenxi finally felt relieved.

She took a few steps forward and grabbed Mu Yichen's shirt. "Then... Can you take me to see Tang Tang? I've been worried about her, but Madam Mu won't allow me to enter the room..."

Mu Yichen shook his head. "No."

"Ah? Why?"

"Tang Tang's psychiatrist hasn't arrived yet. Let's wait until he comes and see Tang Tang."

"Psychiatrist..."

Luo Chenxi kept on repeating that word.

Mu Yichen nodded. "Three years ago, after those things happened, Tang Tang was in a bad state of mind for a while. She often woke up from nightmares at night. It wasn't until this year that she felt much better."

Luo Chenxi opened her mouth, wanting to say something, but she couldn't make a sound.

Just hearing what Luo Chenxin had done, she felt goosebumps all over her body. She was shocked and angry.

'It's hard to imagine how scared the little dumpling, who was only a few months old, must have been!

'How could that woman be so cruel towards such a cute little dumpling?!'

Luo Chenxi's heart was in a mess. She was so heartbroken that she could not speak.

Mu Yichen saw her expression, but he misunderstood her.

He thought that she was regretting hurting the little dumpling when she was young.

Suddenly, his heart softened. "Tang Tang is with my mom right now, so she won't let you see her. I'll bring you there when Tang Tang is asleep."

Luo Chenxi said excitedly, "That's great! I must see Tang Tang with my own eyes so that I can be at ease."

Mu Yichen looked at her clear eyes and suddenly lifted her chin.

He lowered his head and bit her lips.

“If this is all an act, you’d better carry on acting for the rest of your life, understand?”
