

Sweetheart 281

Chapter 281: Tell Her To Leave The Mu Family!

By the time Mu Yichen returned to the children's room, Bai Xinxin had already gone home.

Tan Yueru and Mu Yunfeng surrounded a middle-aged doctor and kept asking anxiously.

"Doctor Fu, how's Tang Tang?"

Doctor Fu said in a deep voice, "I've already given Mu Tianxin a hypnotic hint. Her mood has now stabilized."

"That's good, that's good..." Tan Yueru heaved a sigh of relief.

"However..."

Doctor Fu paused briefly before continuing, "However, she has only temporarily forgotten that memory. If she gets agitated again, it could still happen. I'm going to have to hypnotize her multiple times, which will take me at least a week. During this period, there must not be any circumstances that can excite her.

"I'm not trying to scare you, but if the child is forced to recall the traumatic memories, it might even lead to her having schizophrenia."

Tan Yueru nodded hurriedly. "Okay, don't worry. I will not let the person who provoked Tang Tang appear again."

After Doctor Fu left, she immediately turned to Mu Yichen and her face darkened.

"Did you hear what Doctor Fu said? Go and get Luo Chenxin out here and tell her to leave the Mu Family! You are to divorce her immediately!"

Mu Yichen stood at the side expressionlessly.

When he heard this, he frowned and said calmly, "I won't divorce her."

Tan Yueru couldn't catch her breath and covered her chest.

"You... You're driving me crazy! Tang Tang is your daughter. She's already been harmed by that woman, yet you still want to protect her? What's so good about her? You're completely bewitched by her! Sigh, how did you become like this?"

Mu Yunfeng rushed over and supported his wife. He turned around and glared at Mu Yichen.

"Look, you've angered your mother to this extent! This is outrageous! Hurry up and do as your mother says!"

Mu Yichen glanced at his angry father and ignored him.

Although Chairman Mu may be domineering when he was in public, his words don't mean anything when he was at home.

Instead, he directly turned to Tan Yueru and said, "I've said just now that she wasn't the one who provoked Tang Tang."

Tan Yueru didn't believe him. "What are you talking about? It was her! I saw it with my own eyes, yet she dared to accuse Xinxin?"

Mu Yichen said, "Mom, what did you see? Who was it exactly that told Tang Tang to call her Mommy? Did you hear it clearly?"

"Err..." Tan Yueru was stunned. "When your dad and I came back, Tang Tang was already crying and pushing that woman away."

"So, you didn't hear who mentioned the word 'Mommy' either, did you?"

"I didn't hear it, but Xinxin definitely wouldn't do such a thing! So, wouldn't that woman be the only one left?"

"How would you know that Bai Xinxin didn't do it?"

Tan Yueru was obviously stunned.

However, she shook her head desperately, "No, it can't be her! I watched Xinxin grow up and she's always loved Tang Tang. How could she provoke Tang Tang? Besides, how would Xinxin benefit from doing this?"

Mu Yichen sneered, "Benefit? She wants to drive my wife away and marry me herself. Mom, you can't possibly not see it, can you?"

Tan Yueru choked for a moment. Then, she thought of something and her face flushed red with anger.

"I get it now. Luo Chenxin was the one who told you that, wasn't it? She is obviously lying to you. She is just making things up because there are no surveillance cameras in the corridor. She even dares to frame a good girl like Xinxin! She is so hateful!"

"This won't do, you have to divorce her immediately!"

Chapter 282: How Has A Stupid Woman Like You Survived Until Now?

Mu Yichen frowned.

He had wanted to confront Bai Xinxin and expose her true colors.

Unexpectedly, when he came out, Bai Xinxin had already left.

"Since there are no surveillance cameras, then whoever said it might be true. There's another way though, when Tang Tang wakes up, we'll be able to know the truth when we ask her."

Tan Yueru glared at him, "Don't you know what Tang Tang's current condition is? Doctor Fu went through a lot of effort to put her under hypnosis just to make her forget those bad things. Yet, you want her to remember what happened again? Are you Tang Tang's father or not?"

Mu Yichen lifted his lips. "Would I have to do this if you didn't so biasedly believe Bai Xinxin's words? Tang Tang would definitely not want her Mommy to be slandered either."

"In short, you are determined to protect that woman, aren't you?"

Tan Yueru was almost angered to death by him!

'Ever since he was young, Mu Yichen, my eldest son, was the most outstanding one.

'Among the older generation of the various wealthy families, which one of them doesn't envy the Mu Family?

'In the end, such a perfect Young Master Mu actually ended up bewitched by a woman with ulterior motives!

'He can't even differentiate between good and bad now!'

boxn ov el. c o m

"Anyway, I absolutely won't allow that woman to stay under the same roof as Tang Tang! You decide how to handle this yourself!"

Mu Yichen's expression changed slightly, but his attitude was still firm.

"I'll give you an explanation regarding this matter. But asking me to get a divorce is... Impossible!"

...

In the middle of the night, Mu Yichen pushed open the door of the master bedroom.

The little woman sitting on the sofa suddenly jumped up and rushed in front of him.

"You're finally here! Is Tang Tang done seeing the doctor? Can I see her now?"

Mu Yichen glanced at her pale face and whispered, "It's so late already, yet you're still awake?"

"How can I sleep if I don't see Tang Tang?" Luo Chenxi urged anxiously, "Take me to Tang Tang quickly!"

Mu Yichen said, "You can see Tang Tang if you want to, but..."

"But what?"

Luo Chenxi puffed her cheeks and asked suspiciously, "Mu Yichen, are you going to go back on your word and not let me see Tang Tang? You promised me this afternoon!"

"But you haven't eaten anything since this morning, have you?"

"Ah?!"

Luo Chenxi was stunned. 'I didn't expect him to mention this.'

But following that, her stomach made a growling sound.

She blushed awkwardly.

"I think so... I've forgotten about it."

Mu Yichen looked unfriendly. "How has a stupid woman like you managed to survive until now? Seems like I can't trust Tang Tang with you!"

"What do you mean?" Luo Chenxi pouted and looked unconvinced. "I... I'm just too worried about Tang Tang! I usually take good care of her. When have I ever starved your daughter? You're literally slandering me right now!"

"Heh!"

Mu Yichen sneered.

Suddenly, he moved aside and said, "Just leave it on the table, Sister Chen."

Luo Chenxi then noticed that Sister Chen had also followed Mu Yichen into the room.

She was carrying a large tray with four dishes, a soup and rice. They were all steaming hot, obviously freshly made.

"Young Madam, please enjoy your meal."

Sister Chen put down the tray and went out.

Luo Chenxi blinked her eyes in surprise and looked at the man in front of her.

Young Master Mu's handsome face was still expressionless. "Why are you looking at me? Hurry up and eat! Don't you want to see Tang Tang?"

Luo Chenxi came back to her senses. "Let's Go See Tang Tang first, and then..."

"You are to finish everything here! If there's even one mouthful left uneaten, you can forget about seeing Tang Tang!"

Chapter 283: Tang Tang, Be Good, Tang Tang, Don't Cry, Big Sister Will Protect You!

Luo Chenxi sucked in a breath of cold air.

"F... Finish these?!"

'How could I possibly be able to finish all four dishes and one soup? I'm not a sow.'

However, under Young Master Mu's deep gaze, she didn't dare to say anything more.

Hence, she quickly sat down and started eating.

Sister Chen had personally cooked those dishes, and they were extremely delicious.

However, she was still thinking about the little dumpling and was not in the mood to enjoy the food. She stuffed a few mouthfuls into her mouth and put down her chopsticks.

"Mu Yichen, I'm full already. Let's go..."

"Didn't I tell you already, finish it! Did you take my words for granted?"

Luo Chenxi almost choked. "Cough, cough, Mu Yichen, are you kidding me? There's so much food here, how can I possibly finish it?"

Mu Yichen glanced at her and didn't say anything.

Hence, Luo Chenxi could only accept her fate as she picked up her chopsticks and ate a few more mouthfuls.

boxn ov el. c o m

After a while, she said, "Mu Yichen, I really can't eat anymore..."

Mu Yichen glanced at the plates on the table and shook his head resolutely.

"Are you a mouse? That's all you can eat? I said... Finish them all!"

'This d*mn stupid woman!

'She hasn't eaten a single meal the entire day, starving herself all the way till the night. Yet, she's only able to eat a few mouthfuls?

'Has she forgotten that she's got gastric?'

Luo Chenxi felt depressed.

She only had a good appetite when she ate with the little dumpling. Hence, how could she eat when faced with such a cold person?

Suddenly, she had a flash of inspiration.

"Mu Yichen..."

The little woman's voice sounded coquettishly in his ears.

Mu Yichen turned around, but before he could react, someone had stuffed a large piece of beef into his mouth.

Luo Chenxi smiled fawningly. "I can't finish this, help me eat some."

Only then did Mu Yichen realize that Luo Chenxi had just fed him a mouthful.

She had used the chopsticks that she had eaten before to feed him the same way she had fed the little dumpling!

He was stunned for a moment.

Luo Chenxi took the opportunity to stuff a few mouthfuls of food that she did not want to eat into his mouth.

Mu Yichen frowned slightly, but in the end, he didn't say anything and finished all the food that she fed him.

"Alright, it's all finished! We can go see Tang Tang now!"

Luo Chenxi secretly stuffed most of the food into Mu Yichen's mouth. After feeding him the last mouthful, she revealed a smug smile.

'I'm really too smart!'

She retracted her hand and wanted to get up.

However, the chopsticks were pressed between the man's lips and could not be retracted.

Luo Chenxi paused for a moment before she realized what she had just done.

Her face immediately flushed red.

'I... I fed Young Master Mu using the same pair of chopsticks I used for myself!

'We even took one bite each and ate it happily.

'We were like a childish middle school couple... Oh my God!'

Mu Yichen curled his lips, spat out the chopsticks and stood up.

"Let's go, keep your voice down."

The two sneaked into the children's room like thieves.

The moment she saw the little dumpling lying quietly on the princess's bed, Luo Chenxi could not control the excitement in her heart and dashed over.

"Tang Tang..."

The little dumpling, who was usually lively and cute, looked exceptionally haggard that day.

That was because she had cried for too long during the day, her eyes were still swollen.

Even in her sleep, she would twitch uneasily from time to time and cold sweat would break out on her forehead.

"Uwu, Bad... Bad Mummy! Tang Tang is so hurt... Uwu!"

Hearing the little dumpling's terrified sleep, Luo Chenxi's heart ached terribly and she hurriedly carried her up.

"Tang Tang, be good, Tang Tang, don't cry, Big Sister will protect you!"

Feeling the familiar aura, the little dumpling gradually quieted down.

A pair of small hands grabbed her clothes tightly and her small face rubbed against her neck.

In a completely dependent posture, she gradually fell asleep.

Chapter 284: This Woman... Always Worries Me!

Mu Yichen stood by the bed and looked at the two of them hugging each other tightly. Then, his gaze became gentle.

'I knew I didn't trust the wrong person.

'She's definitely not the one who deliberately provoked the little dumpling!

'Bai Xinxin...'

At the thought of this, Mu Yichen's face darkened.

After a while, he looked up at the clock on the wall, walked over and patted Luo Chenxi's shoulder.

"Alright, we should go. My parents might come to see Tang Tang tonight. If they bump into us, they might start causing a ruckus again."

Luo Chenxi kissed the little dumpling's face again and again before putting her back on the bed.

She covered her with the blanket.

Then, she turned around and left.

When she returned to the master bedroom, she immediately turned around. "Mu Yichen, this won't do. I'll explain to Madam Mu again that I really wasn't the one who did it this morning!"

Mu Yichen said, "I know, but my mother definitely won't listen to anything right now. Bai Xinxin often came to my house to play when she was young. In my mother's impression, she is still as innocent and cute as when she was young. As for you... In short, she won't believe you without solid evidence."

Luo Chenxi fell silent.

Mu Yichen didn't finish his sentence, but his meaning was clear.

'Luo Chenxi has a history of abusing Tang Tang, so in Tan Yueru's heart, I'm definitely not as trustworthy as Bai Xinxin, whom she had grown old with.'

At this moment, Luo Chenxi really hoped that Luo Chenxi wasn't dead yet, so that she could personally end that piece of scum!

'I'm fine if I've been misunderstood, but Tang Tang... Is just too pitiful!'

Mu Yichen paused and said again, "There's one more thing. Starting from tomorrow, you'd better move out of the villa."

Luo Chenxi was stunned. "What did you say?"

"I have a duplex apartment in the city. It's less than ten minutes away from here. It's very convenient to live there. The city centre's just downstairs, so you can do whatever you want."

Everything he had just said were kind words.

However, Luo Chenxi immediately understood. "You want to kick me out of here? Is this your mother's idea?"

Mu Yichen pressed on her shoulder, he said in a low voice, "I'm not kicking you out, you're only going to be temporarily living there for a few days. Tang Tang's psychiatrist is doing hypnosis treatment for her. The treatment will take at least a week. During this period, she must not be agitated in any way. Just treat this as if it's for Tang Tang's sake."

Luo Chenxi's heart softened at the mention of the little dumpling.

"Alright then."

She was willing to do anything for the little dumpling, let alone move out.

Mu Yichen saw this and a wave of guilt suddenly rose in his heart.

"Don't worry, this is only temporary. I'm going on a business trip over the next two days. I'll pick you up when I come back."

The little dumpling was only part of the reason.

More importantly, he was worried that Tan Yueru would make things difficult for her when he was not at home.

'I have no idea when it started,, but this little woman... Always worries me!'

...

The next morning, Mu Yichen personally drove Luo Chenxi to the apartment.

The moment she entered, Luo Chenxi was almost blinded by the light.

Although it was called an apartment, she thought it was where Mu Yichen temporarily stayed.

In the end... It was actually decorated very luxuriously!

Mu Yichen showed her around and gave her all the keys.

"I'm going back to see Tang Tang and will have to fly to country R in the afternoon. You... Take care of yourself. Call me if anything happens."

"Okay, I understand!"

'I suddenly feel that this man has become more and more naggy recently, hasn't he?'

'Is he going through menopause?'

"Especially if my mom comes to find you. You have to tell me, okay?" Young Master Mu was still worried.

Luo Chenxi nodded impatiently.

Mu Yichen narrowed his eyes, grabbed her chin and kissed her hard before he turned around and left.

...

Mu Yichen returned to the villa.

Just as he got out of the car, Bai Xinxin's excited voice came from behind him.

"Big Brother Mu!"

Chapter 285: You're Right, There Are No Surveillance Cameras Here

Mu Yichen stopped in his tracks.

Bai Xinxin walked over quickly with a sincere look on her face. "Big Brother Mu, how is Tang Tang? What did Doctor Fu say? I was called away by my manager yesterday and was worried the entire night. I was really afraid that Tang Tang would have any problems. As soon as I was free today, I immediately came over to see her."

Mu Yichen glanced at her but didn't say anything.

Bai Xinxin was nervous for a moment.

"Big... Big Brother Mu, what's wrong?"

Mu Yichen retracted his gaze and curled his lips coldly. "My parents took Tang Tang out for a walk."

Bai Xinxin was delighted.

She didn't come to the Mu family to see Tang Tang and Tan Yueru in the first place anyway.

'The lightbulbs aren't at home. This is a godsent opportunity!'

Seeing that Mu Yichen was about to leave, she quickly followed him.

"Brother Mu, wait for me! I have nothing urgent to do anyway. I'll go in and wait for Auntie Mu and the others to come back."

Bai Xinxin grabbed Mu Yichen's arm and leaned towards him.

Mu Yichen frowned. "Let go!"

Bai Xinxin reluctantly let go.

"Brother Mu, I really had no choice but to leave yesterday. My manager urged me several times and insisted that I go over immediately. I was so worried that I didn't hear Dr. Fu's diagnosis. Last night, I kept thinking about the incident! Sigh, poor Tang Tang, is she feeling better now?"

She followed behind Mu Yichen and kept explaining to hide her guilt.

Yesterday, she wanted to see the outcome of Luo Chenxi's bad luck with her own eyes before she left.

However, the little dumpling cried the moment he saw her, causing Doctor Fu to fail several times.

This situation aroused Doctor Fu's suspicion.

Bai Xinxin was worried that she would be exposed if she continued to stay, so she had no choice but to leave.

After a night, she reckoned that the little dumpling had already been successfully hypnotized and had forgotten all that happened yesterday. Only then did she appear again to pretend to be a good person.

Mu Yichen walked to the corridor on the second floor before stopping and turning back to look at her.

“What’s the matter? You’re still concerned about Tang Tang? That’s right. If Tang Tang hadn’t been hypnotized, she would have been able to remember what happened yesterday, which isn’t a good thing.”

Bai Xinxin’s face stiffened. “B... Brother Mu, what are you talking about? Of course... Of course I’m concerned about Tang Tang!”

Mu Yichen sneered, “Are you concerned about Tang Tang, or... Whether yesterday’s incident has been exposed yet?”

Bai Xinxin’s heart skipped a beat.

‘Could... could it be that he’s seen through what I’ve done yesterday, that’s why he’s saying that?’

‘But, that’s impossible!’

‘Could it be that that b*tch said something?’

She reacted quickly and immediately defended loudly, “Brother Mu, a... Are you suspecting me? Luo Chenxin must have slandered me, didn’t she? H... How can you trust a woman like her?”

“Oh? What kind of woman is she?” Mu Yichen’s gaze was even colder.

“She’s... She’s the kind of woman who will do anything to marry into a wealthy family! Brother Mu, have you forgotten what she did three years ago? She could even stab Tang Tang with needles, what else is she not capable of? Can’t you see how afraid Tang Tang is of her?”

“You mustn’t listen to her nonsense! She’s just relying on the fact that the Mu Family doesn’t have any surveillance cameras!”

Bai Xinxin raised her hand and wiped the corners of her eyes with an aggrieved expression.

She knew very well that such a delicate and pitiful expression would attract the most sympathy from a man.

As expected, Mu Yichen walked towards her.

Bai Xinxin’s heart was filled with joy.

But in the next second, she suddenly felt a pain in her neck, followed by an intense feeling of suffocation.

Mu Yichen grabbed her neck and slowly tightened his fingers.

Bai Xinxin’s face turned red and a cracking sound came from her throat, but she could not speak.

She widened her eyes and looked at Mu Yichen in disbelief.

Mu Yichen sneered, "You're right, there are no surveillance cameras here. So, even if I kill you, there won't be any evidence!"

Chapter 286: She Really Thought That... She Was Going To die!

Bai Xinxin was extremely shocked!

'Mu Yichen... Actually wants to kill me!'

She struggled violently and tried her best to break Mu Yichen's fingers.

However, it was useless.

She could only feel the air in her lungs decreasing bit by bit in despair. It was becoming more and more difficult to breathe and her consciousness was becoming more and more blurry..

Finally, Mu Yichen let go of her.

Bai Xinxin collapsed on the ground, panting and coughing violently. She could not get up no matter how hard she tried.

"How is it? Are you frightened? Tang Tang must have been more frightened yesterday than you are now! She's still a child, yet you actually hate her enough to lay your hands on her?"

Mu Yichen looked at her pained expression coldly and lifted his lips indifferently.

"I... Didn't... Cough Cough..."

Bai Xinxin still wanted to deny it.

However, when she saw Mu Yichen's cold gaze, her entire body trembled and she was unable to say anything.

boxn ov el. c o m

'At that moment just now, I really thought that... I was going to die!'

At this very moment, in her eyes, Mu Yichen was even more terrifying than a devil from hell!

Mu Yichen said coldly, "For the sake of Bai Shixun, I'll give you a warning this time. If you dare to have any malicious thoughts towards my wife and daughter again..."

He threw Bai Xinxin aside and turned to go to the study.

Bai Xinxin trembled in fear. It took her a long time to regain some strength.

The clothes on her back were completely soaked in cold sweat.

"Xinxin? Why are you here? Why didn't you call us? What are you doing in the corridor?"

Tan Yueru and Mu Yunfeng came back from their walk and asked Bai Xinxin when they saw her.

Bai Xinxin Shivered. "Auntie Mu, I suddenly remembered that I have some matters to attend to, I'll be leaving now..."

Then, she stumbled out of the villa.

Tan Yueru was confused. "W... What's going on with this child? Why is she leaving as soon as she arrives?"

Bai Xinxin ran a few hundred meters and was still in shock.

Thinking of Mu Yichen's cold and merciless eyes, she was both afraid and resentful.

"D*mn it, what did that vixen do? Why would Brother Mu actually believe her! Plus, he'd even personally avenge her! D*mned b*tch, don't think that you've won. I will definitely snatch Brother Mu back!"

...

In the duplex apartment.

Luo Chenxi was drawing a draft in the study.

An hour later, she pushed the drawing board aside gloomily.

Mu Yichen's handsome face appeared in front of her eyes from time to time, seriously affecting her work efficiency.

The domineering and forceful kiss before they parted seemed to still have some lingering warmth.

Luo Chenxi subconsciously raised her hand to touch her lips, then shook her head, trying to get rid of the distracting thoughts.

'I wonder if Tang Tang is feeling better today? Will she miss me at home? Madam Mu will take good care of her, won't she?

'If I had known that I was going to move out today, I would have stayed in the children's room for a little longer yesterday.

'Now, I don't know how long it would be before I could see the little dumpling again.'

Suddenly, her phone rang.

Fang Ziqian's excited voice sounded, "Xi Xi, you've become popular again! Ahhh, if I had known that you would become so popular, I would have taken the risk of being fired to accompany you to shoot for the cover!"

Luo Chenxi blinked, "What are you talking about?"

"It's the cover of TREND China! Today's the day the latest issue of TREND gets released into the market, have you forgotten about it?"

"Ah!"

Only then did Luo Chenxi react.

A few days ago, she had been looking forward to seeing the cover.

Yesterday, when the little dumpling was in trouble, she had forgotten about it.

“You’ve really become popular this time! If Young Master Mu finds out that you’ve gained another millions more fans, I don’t know what he will think, hahaha! Right, that’s all I have to say, hurry up and check it out on the Internet!”

Then, Fang Ziqian hung up the phone.

Luo Chenxi looked on the internet and found that she was indeed on the hot and trending searches again.

Chapter 287: He’s 10,000 Times More Handsome Than Any National Husband!

‘@Weibo Fashion: The latest issue of TREND has been released in China today. This year’s winner of the first prize in the Huafeng Competition, Xing Chen, has presented us with her latest designs. It focuses on the beautiful and elegant palace style. The rookie models, Chen Xiluo and Duan Yuning, have performed fashion blockbusters and set off the golden autumn fashion trend.’

There were nine pictures attached in the thread.

Luo Chenxi took a closer look and could not help but admire TREND’s professionalism.

‘On the day of the shoot, the photographer had taken at least a few hundred pictures. The final pictures chosen all have unique angles.

‘Moreover, after the pictures have been edited, I feel like I look even more handsome.

‘If it sn’t for the fact that I had Mu Yichen by my side, I wouldn’t have been able to stop myself from falling in love with myself...’

Luo Chenxi casually scrolled through the comments.

As expected, most of them were left behind by the girls who were mesmerized by her “handsomeness”.

“Who is this male model? Isn’t he way too handsome? How have I never seen him before? Someone please tell me!”

“You don’t even know who Chen Xiluo is?! He’s the most popular male model this year!”

“Not only is he good-looking, but he also has an excellent temperament. He’s practically a walking clothes rack!”

Among them, the most popular comment had already received more than 100,000 likes.

boxn ov el. c o m

“Ahhhh, my Prince Charming is absolutely handsome, he’s raising the bar for handsomeness every time he appears!! He’s 10,000 times more handsome than any national husband!! We will love you and support you forever. We’ll love you tirelessly for 10,000 years!!”

After reading it, the corner of Luo Chenxi’s mouth twitched.

‘Who wrote this? This is so exaggerated...’

‘How can I be compared to Young Master Mu? His eight-pack abs and his sexy mermaid lines that make one’s nose bleed... Those two alone are already things that I will never be able to have no matter how hard I train, alright?’

When she took a closer look at the profile picture of the reviewer, she instantly froze.

‘I... Isn’t she Mu Weiwei?!

‘Does Young Master Mu know that she’s slandering her own brother?’

Mu Weiwei had attracted too much hatred, which caused dissatisfaction among Mu Yichen’s fans, and it caused an uproar in the comments section.

Luo Chenxi couldn’t stand it anymore, so she clicked into her own homepage.

The comments there were much cleaner, where they were all praising her design.

There were countless comments asking her to customize designs for them.

Moreover, many of them were fashion celebrities with millions of fans.

Luo Chenxi heaved a sigh of relief.

‘Frankly, I’m not unhappy about how popular Chen Xiluo has become, but I feel that it’s a little too much.

‘It was purely an accident that I ended up having to dress as a man.

‘What I value more are my designs.

‘The purpose of being on the cover of TREND was to let more people see the ready-made clothes that I had made.

‘Now that so many people have shown interest in my designs, this means that my promotional campaign this time is quite effective.’

Luo Chenxi replied to a few of the big VIPs, saying that her high-end customized service was being planned and that there would be a discount when it launches, so she wanted them to look forward to it.

After closing her Weibo account, she opened her WeChat account instead.

She posted the cover picture of the current issue of TREND on her WeChat moments, which included a comment. ‘I once thought that I would never be a designer again. I didn’t expect that there would be a day when I would be able to realize my dream! Thank you!’

Not long after, she received a bunch of likes.

There were also many comments.

Duan Yuning was one of them who commented. ‘Miss Xing Chen, it’s my honor to be able to take photos of your designs. Please thank Brother Xiluo on my behalf as well please.’

In Weibo that day, there were also many people who asked about Duan Yuning’s situation.

It could be said that she had benefited from Chen Xiluo's fame and became famous overnight.

Apart from that, Fang Ziqian had left a comment as well. 'There's actually a vote going on the internet as well, asking which one of us seems to be a better couple for Chen Xiluo between Duan Yuning and myself. Is this question even necessary?!'

Luo Chenxi snickered and quickly replied: 'It's you, it's you, he's more compatible with you, the both of you are the best match!'

After replying, there was another new notification.

She pulled down and her entire body froze.

Mu Yichen left a comment as well. "Hmph!"

'D*mn, I forgot to categorize my Moments!'

Chapter 288: I Only Like Men With Good Figures, Good Looks And Eight-Pack Abs

Luo Chenxi was speechless.

'Wherever did Young Master Mu pop up from?

'Ever since I added Mu Yichen as a friend, I've never seen him post on WeChat.

'In fact, I even thought that he had either blocked me or directly switched off his Moments.

'Now, I've only just posted this for two minutes and he's already seen it?'

Suddenly, her phone suddenly rang. Luo Chenxi's hand trembled, and she almost dropped her phone!

'Are you serious? He's calling to punish me already?!'

Thus, she took a deep breath before picking up her phone.

"Ahem, err... Let me explain! I'm not interested in any woman. I'm a straight woman who only likes men with good figures, good looks and eight-pack abs. You've got to believe me!"

There was a few seconds of silence on the other end of the phone.

Then, Sheng Yu's voice sounded with a hint of interest.

"Little Cutie, do you know the phrase how the more one tries to hide, the more one is exposed? No one has accused you of liking women, yet you've especially emphasized about it. Is it possible that you actually..."

boxn ov el. c o m

"Ahem!" Luo Chenxi coughed. "Chief Sheng, it's... It's you!"

"Yes, who else could it be? Didn't you see who the incoming caller was on your phone screen?"

"I wasn't paying attention, sorry! Chief Sheng, was there something you wanted to talk to me about?"

'It's been a while since the Huafeng Competition ended.'

Sheng Yu said, "I saw the latest issue of TREND. Your latest design is very outstanding. It's even better than the designs you presented during the Huafeng Competition. Congratulations!"

Luo Chenxi was stunned. "Thank you..."

She did not expect Sheng Yu to especially call to congratulate her.

Sheng Yu paused briefly before suddenly saying, "Last time, you said you wanted to treat me to a meal, does that still count? Are you going to try and go back on your word now that so long has passed?"

Luo Chenxi was stunned and quickly said, "Of course, the offer still stands! When are you free, Chief Sheng?"

'Sheng Yu has already taken the initiative to mention it twice. So, it'd be extremely insincere of me to refuse him again.

'Moreover, during this period of time, Young Master Mu isn't around, so I don't have to worry about there being someone jealous at home.'

Hence, the two of them set a time and place and hung up.

...

At noon the next day, Luo Chenxi went to the Western restaurant chosen by Sheng Yu for their appointment.

Although this restaurant was located in the center of the city, it was in a quiet area in the middle of the chaos. The environment was both very elegant and very quiet.

Moreover, they were the only guests there at the time and Sheng Yu had arrived a long time ago.

He was dressed in an elegant light gray suit, exuding an extraordinary bearing and his hairstyle seemed to have been especially groomed.

Compared to his strict and picky look at work, he looked much gentler and younger than usual.

Luo Chenxi had just sat down across from him when Sheng Yu snapped his fingers and signaled the waiter to serve the dishes.

The waiter carried the plates and respectfully served a few appetizers.

Luo Chenxi's heart began to pound when she saw the exquisite dishes.

'I can feel my wallet's going to bleed out profusely today.

'Although I've just received a bonus of a million yuan, I still can't keep up with the normal consumption standards of these young masters from wealthy families!'

After the waiter served the appetizers, he brought out a bunch of bright red roses to Luo Chenxi.

Luo Chenxi looked surprised. "What... What is this? Why are you giving me roses?"

Sheng Yu smiled. "Oh, about that... It's said that the first couple who come to this restaurant every day will receive them. Maybe the boss saw us and misunderstood our relationship. However, it'd be a waste to not accept it, so you should just take it back and put it in a vase."

"Oh... I see." Luo Chenxi suddenly understood.

"It's definitely because of this. Otherwise, did you think I've fallen in love with you?"

Then, Sheng Yu smiled evilly and calmly said calmly, "I'm the one who should be worried, shouldn't I? Didn't you just say on the phone that you like a man with a good figure, good looks and eight-pack abs? Is it possible that you were hinting at me?"

Chapter 289: Does Big Sister Not Want Tang Tang Anymore?

Luo Chenxi instantly choked. "Cough, cough!"

"Chief Sheng, you're seriously overthinking this. I just... Said it on a whim at the time. You mustn't take it seriously!"

Sheng Yu looked at her slightly flustered little face and pursed his lips.

'I almost blurted it out and asked her if the man with a good figure and good looks was the man who hung up on me that night. Also, he even swore his sovereignty on WeChat.

'But, I ended up stopping myself after having second thoughts.

'I don't want to scare her away.'

"I was just joking as well, relax. Right, allow me to give you a toast. Congratulations on having your designs appear on the cover page of TREND and even receiving a lot of praises because of it!"

Sheng Yu personally poured two glasses of red wine.

Luo Chenxi raised her glass and clinked it with his.

"I should be the one toasting to you! If you didn't help me so much, I wouldn't have achieved what I did today."

After that, the two of them started to eat.

When they were almost done eating, Sheng Yu suddenly said, "Xing Chen, have you thought about what your next step is going to be?"

"My next step?"

Luo Chenxi put down her knife and fork as she looked up at him.

Sheng Yu nodded. "That's right. You've won the first prize in the Huafeng Competition and you've also been on the cover page of TREND. For a rookie designer, you've got a very good head start. Now that you've become somewhat famous in the fashion industry, you should take this opportunity to try and develop yourself further. Have you considered this before?"

Hearing him mention this matter, Luo Chenxi became serious.

“I have indeed thought about it. My first choice is to build up my personal brand, of course. But, I’ve calculated that opening an independent store with a million yuan as my capital isn’t going to be enough. So, I haven’t thought about how I’m going to receive a sponsorship of this amount yet.”

Sheng Yu was a little surprised. “What’s the matter? Don’t you have enough funds to open up a store?”

Luo Chenxi nodded. “Yes, someone in my family is sick and the medical expenses incurred is very high. So, I still need to save this money rather than spending it all.”

Sheng Yu frowned slightly and felt that something was even stranger.

‘The other day, I clearly saw her walking into the most luxurious villa district in T City.

‘So, she should be from a family background with pretty good conditions.

‘Even if the wealthy person is just the man behind her, he’s already allowed her to live together with him as her boyfriend. So, could he actually be unwilling to take out a small amount of money to support Xing Chen’s career?

‘Did she find this man from the trash can?’

Sheng Yu looked at Luo Chenxi with a hint of pity.

“In that case... Are you willing to work for SL Corporation?”

Luo Chenxi blinked. “Chief Sheng, are you extending that offer to me right now?”

“You can say so.”

“But I heard that SL Corporation has a very high recruitment threshold. Only those who have graduated from more than one school can get in.”

Sheng Yu smiled. “That applies for ordinary freshmen. Now that you have enough qualifications, you’re more than qualified to join SL Corporation. Moreover, I can directly appoint you as a senior designer to be in charge of a new series. How about it? Are you interested?”

Luo Chenxi was very tempted when she heard that.

Such an opportunity was definitely a dream for a newly graduated designer!

However, she thought for a moment and said, “Chief Sheng, I’ll need some time to consider this.”

‘I’ll be able to learn a lot of things if I’m in a big company, but I won’t be able to have as much freedom when I do my designs since I would be subjected to a lot of restrictions.

‘This won’t be suitable match for my personality.’

However, Sheng Yu did not try to persuade her anymore and merely looked at her deeply.

“Alright then, give me a call anytime after you’ve decided then.”

...

Luo Chenxi's passion for work was ignited once again.

For a few days in a row, she was engrossed in drawing drafts and had even bought a new drawing board.

The apartment was very empty anyway, plus she was the only one living in it. Hence, she could decorate it as she pleased.

'This new apartment is very comfortable, but it's a little empty.

'During the day, the little dumpling won't be following behind me, calling me Big Sister with her soft and pleasant voice.

'During the night, he's not...

'Pui pui pui!

'Sleeping on a huge bed alone at night is simply exhilarating!'

...

In the morning at the Mu Family's Villa, the little dumpling was sitting at the dining table, holding a fork in her hand as she looked around.

Tan Yueru looked at her chubby little face and said, "Tang Tang, why aren't you eating? This is your favorite strawberry pudding."

The little dumpling pouted and her little face fell.

"Grandma, why isn't Big Sister back yet? Does she not want Tang Tang anymore?"

Chapter 290: Uwuuu, I want Big Sister! Come Back Quickly, Big Sister!

Tan Yueru felt slightly uncomfortable. "Tang Tang, didn't Grandma tell you already? Big Sister has work to do, so she can't come back to see you anytime soon."

The little dumpling's little face scrunched up, looking even more aggrieved.

"But, Big Sister hasn't even called Tang Tang! She said she likes Tang Tang the most!"

Tan Yueru's face darkened.

After what happened that day, the first thing the little dumpling did when she woke up was to look for her Big Sister.

Of course, Tan Yueru would not let the little dumpling stay with that woman who had ulterior motives.

However, Doctor Fu's hypnosis erased the little dumpling's agitated memories. Therefore, in the little dumpling's heart, Big Sister was still her favorite person.

Hence, Tan Yueru had no choice but to lie to her and say that Luo Chenxi was on a business trip.

Because Mu Yichen would often go on business trips as well, hence even though the little dumpling was unhappy, she still believed her.

Tan Yueru originally thought that children had bad memory, hence she thought the little dumpling would naturally forget Luo Chenxi after a period of time.

However, who knew that after a week, not only did the little dumpling not forget her, she even mentioned her more and more frequently.

Therefore, Tan Yueru was almost unable to fool her anymore.

“Is it because Tang Tang isn’t a good girl? Has Tang Tang made Big Sister angry?”

Tan Yueru was furious when she heard the little dumpling’s uneasy voice.

‘What has that woman done?’

‘Why is Mu Yichen and the little dumpling all siding with her?’

She tried hard to suppress her anger. “Tang Tang, you mustn’t think about Big Sister anymore. She was just temporarily staying at our house. Now, she’s gone back to her own house and won’t be coming back anymore! She doesn’t want you anymore!”

The little dumpling’s eyes were wide open. She was stunned for a while before she understood what Tan Yueru meant.

Then, she pursed her lips and burst into tears.

“That’s impossible! Grandma is lying! Big Sister won’t leave Tang Tang! Uwuuu, I want Big Sister, come back quickly, Big Sister!”

The little dumpling was heartbroken when she thought about how Big Sister didn’t want her anymore.

Grandpa and Grandma surrounded her and coaxed her for a long time, but to no avail.

Tan Yueru had no choice but to lie to her, “Tang Tang, eat your breakfast first. Grandma will call Big Sister for you later, Okay?”

The little dumpling bit her lip and looked up at her with red eyes.

“No!”

“Why not?”

“Tang Tang wants Big Sister now! If Big Sister doesn’t come back, I won’t eat! Uwuuuu!”

After the little dumpling said that, she threw the spoon and jumped down from her seat.

Then, she wiped her tears and ran back into her room.

“Hey, Tang Tang, come back here!”

Tan Yueru wanted to grab the little dumpling, but she missed.

Looking at the untouched breakfast on the table, she was so angry that her chest felt tight.

“Luo Chenxin... What a terrifying woman! She’s only stayed in our house for a short while, yet even Tang Tang has been led astray by her. She is no longer obedient anymore! It’s the same with Yichen as well, it’s as if he has been bewitched!”

Mu Yunfeng frowned and looked at the children’s room worriedly.

“Yueru, why don’t... Why don’t we let Luo Chenxin come over once? Or let Tang Tang give her a call?”

The little dumpling cried so pitifully that he could not stand it anymore.

Tan Yueru hesitated for a moment, but in the end, she still shook her head resolutely.

“No! We absolutely cannot let that woman get close to Tang Tang again! Anyway, children have short term memories, so she’ll be fine after crying a few times. This was bound to happen sooner or later.”

“But, Tang Tang hasn’t even eaten her breakfast...”

“It doesn’t matter if she skips a single meal. She’ll come and eat when she gets hungry at night.”

Mu Yunfeng thought about it and agreed with this logic, hence he nodded.
