

Sweetheart 361

Chapter 361: Is My Technique That Bad?

As Mu Yichen lifted up her skirt, Luo Chenxi was so shocked that she bounced up like a shrimp.

“Don’t move!”

Mu Yichen’s big hand then pressed on her perky buttocks and pushed her back.

“Mu... Mu Yichen, what... What are you trying to do? Get your hands off me!”

Luo Chenxi’s voice was trembling.

His hot and powerful palm touched her soft skin without any interval, giving her goosebumps all over.

However, Mu Yichen did not listen to her. He placed his palm firmly on her bare body and pressed down threateningly.

Luo Chenxi immediately screamed, “Mu Yichen, how dare you hit me! I’m telling you, only a useless man would lay a hand on a woman!”

Mu Yichen paused and his face darkened.

“Who said that I’m going to hit you?”

“But, you... You...”

Luo Chenxi was tongue-tied.

‘This man said that he’s going to teach me a lesson, plus he even took off my skirt and... He even tied me to the bed in this position. Isn’t he going to spank me then?’

Mu Yichen lowered his head and met the little woman’s charming and innocent cat eyes.

His voice became deeper, “Stupid woman, there’s no need for a man to hit his woman if he wants to punish her!”

‘What?!’

Before Luo Chenxi could react, Young Master Mu’s hand touched her body again, his fingertips slid across her silky smooth skin and he even lifted up her shirt and moved all the way up to her slender waist..

“En... Mu Yichen... Stop... Let go of me...”

“Uwuuu... Let go of me, you beast!”

‘Why is this man so bad?!’

‘He actually knows so many evil tricks!’

'Didn't he say that he usually doesn't get close to women, and that even the little dumpling was only born by accident?'

Hearing the little woman whimper like a little kitten, the flames in Mu Yichen's heart were ignited even greater.

Then, he gently licked the little woman's fair and delicate earlobe, touched her wrist with one hand, and untied her tie.

Then, he turned her over.

At that moment, he wanted to see her face!

Plus, he also wanted to kiss her, fiercely!

However, unexpectedly, just as he approached the little woman's pink lips, his chest was suddenly pushed by someone, which had a huge force behind it.

Hence, Young Master Mu was caught off guard and his body flipped backwards.

With a loud "bang", he fell straight off the bed!

"D*mn woman! Are you trying to murder your husband?!"

Mu Yichen's face was dark as he jumped up from the ground.

He was just one step away from eating the delicious rabbit meat, but in the end, the little white rabbit suddenly revealed its power and flipped the big bad wolf over!

'The animal world documentary I saw when I was young is a lie!'

Then, Luo Chenxi jumped off the bed and rushed into the bathroom without even looking at him.

"You're even trying to run?! Come back here!"

Mu Yichen didn't even have time to pull up his pants and chased after the little woman as ran towards the bathroom.

As soon as he reached the door, he heard a series of "Urgh... urgh..." sounds coming from the bathroom.

On top of that, there was also a strange smell mixed with the smell of alcohol and sourness coming out from the bathroom.

Immediately, Young Master Mu's face turned completely green!

'Is my technique that bad?'

'My wife was actually so disgusted on my bed just now that she's vomiting?!'

Luo Chenxi's stomach churned because she had been holding it in for a long time which was painstaking before Mu Yichen finally released her.

Hence, she quickly kicked away the pervert and rushed into the bathroom.

Now, she was finally free.

After that, she took a cup, rinsed her mouth several times and washed her hands before she heaved a sigh of relief.

In the end, when she turned around, she saw Young Master Mu standing behind her with a gloomy face, his upper body's clothes hanging on his shoulders.

Then, her eyes scrolled downwards from his lean abs to his sexy V-line... 'F*ck, that's so eye-catching!'

Chapter 362: Thank Goodness I Managed To Vomit In Time, Otherwise I Would've Been In So Much Pain

Luo Chenxi couldn't believe that Young Master Mu had run in without even wearing his pants.

Moreover... Some parts of him were still dangerously exposed!

On top of that, he looked extremely ferocious.

Then, Luo Chenxi thought about how she was almost...

She immediately let out a shiver.

'Thank goodness I managed to vomit in time, otherwise I would've been in so much pain!'

At that moment, Young Master Mu walked toward her.

As he walked slowly, the muscles on his body were clearly visible.

Luo Chenxi took a step back nervously. "What are you trying to do... Ah!"

Mu Yichen bent down and picked her up before putting her in the bathtub and turned on the tap.

Then, he reached out to unbutton her shirt, starting from the chest area.

"Mu Yichen, let go of me! I... I've already vomited, yet you're still treating me like this. I might just vomit on you later!" Luo Chenxi threatened as she covered her wet clothes and moved left and right to dodge Mu Yichen.

boxn ov el. c o m

Hence, the corner of Young Master Mu's mouth could not help but twitch.

"Stupid woman! I'm not interested in a woman who reeks of alcohol! You're filthy, so hurry up and get washed, or you're not allowed to go to bed today!"

However, Luo Chenxi was still on her guard.

"Just... Just go out first! I can take a bath myself!"

'Even if he says he isn't interested in me, can his little friend down there control itself?!'

Then, when Mu Yichen was turning on the tap, he suddenly approached her and almost rubbed himself against her!

Mu Yichen lowered his head and saw a thin layer of redness on her fair little face, which was even more charming and delicious than usual...

Then, his Adam's apple couldn't help but bob up and down, suddenly feeling that he needed a bath more than the stupid woman.

'I need a cold... No! Ice water bath!'

"Fine, I'll go out! Wash yourself clean. If you really want, just call me loudly and I can come in and satisfy you..."

"Go, hurry up and just go! !"

Young Master Mu pursed his lips and went out.

Luo Chenxi quickly took off her wrinkled clothes and took a shower.

She stayed overnight and did not bring her pajamas. After washing, she put on a bathrobe and walked out.

Mu Yichen saw her coming out and heaved a sigh of relief.

He was really afraid that this stupid woman would faint in the bathtub because she was still drunk.

He glanced at Luo Chenxi coldly and gestured the direction of the table with his chin.

"Are you done washing up? I've ordered a bowl of preserved egg and lean meat porridge for you. Have it while it's hot and go to bed early."

"Oh..."

Luo Chenxi was stunned.

'This man is actually so kind!'

When she smelled the lean meat porridge, her stomach suddenly rumbled a few times.

She was indeed hungry because she didn't eat much in the first place. Plus, she even vomited all of it just now..

Hence, Luo Chenxi ran to the table, picked up the bowl and finished it in the blink of an eye.

Then, she licked her lips, ran to Young Master Mu's side and kissed him hard on the face.

"Hubby, thank you, you're so considerate!"

'This man is very tsundere most of the time, but he's also very warm when he wants to.'

Mu Yichen's body stiffened and with a dark face, he picked her up and threw her on the bed.

With a low curse, he turned around and rushed into the bathroom.

...

The next morning, Luo Chenxi urged Mu Yichen to go home.

"Hurry up, walk faster. We ended up not going back for the whole night, so Tang Tang will definitely be unhappy."

“How’s that possible? My mom’s with her. Plus, we were working hard to give her younger brothers and sisters, so I’m sure Tang Tang will understand.”

‘It took me so much effort to finally get rid of that little troublemaker. Yet, I still didn’t manage to have my way with that woman last night...’

At that thought, Young Master Mu was extremely depressed.

On the other hand, Luo Chenxi was so angry that she wanted to kick him.

But, just as she lifted her foot, she quickly put it down because she suddenly spotted an acquaintance!

Manager Song was leading a group of people, most of whom were colleagues from SL Group, and rushed into the elevator aggressively.

Chapter 363: Caught Red-Handed

Immediately, Luo Chenxi pulled Mu Yichen to the side as they watched the elevator ascend to the third floor and stopped.

Then, she and Young Master Mu took another elevator up.

Mu Yichen frowned. “What’s going on here? Didn’t you say you wanted to go home to see Tang Tang?”

Luo Chenxi made a silent gesture. “Shh! Let’s watch a good show first before we leave!”

When the two reached the third floor, the corridor was packed with people.

The person leading the group was a tall and thin woman in her 40s’.

This woman was Mandy, President Mao’s legitimate wife to Chairman Mao, who had entered Wu Lingshan’s room last night. On top of that, Mandy was also a senior executive in SL Group’s public relations department.

“F*cking little b*tch! Hooking up with a major shareholder on her first day in the company. Girls nowadays don’t even care about their dignity just so they can climb up the corporate ladder!”

“How can a woman like her be compared to a talented child like Lingshan? Chief Sheng is really blind!”

Manager Song followed behind her and pretended to dissuade her, “Sister Mandy, don’t be hasty! I only saw President Mao coming to the Secret Club and entering the room, but it doesn’t mean that they really have... That kind of relationship. Maybe they’re just talking about work...”

“Talking about work?! Old Song, do you expect me to believe this kind of nonsense?! Someone, hurry up and open the door, right now!”

Then, Mandy kicked the door of the guest room hard.

boxn ov el. c o m

Seeing the ferocious expression on her face, Manager Song snickered.

‘Mandy is a well-renowned tigress in the company. So, now that Xing Chen’s about to be caught red-handed, she can forget about staying in the company.’

'Plus, Xing Chen's going to become an infamous sl*t throughout the entire fashion industry!'

At that thought, a waiter "coincidentally" happened to pass by, took out his roomkey and opened the door for them.

Of course, this was also arranged by Manager Song and Wu Lingshan, who were closely working together. Wu Lingshan was in charge of drugging Luo Chenxi, while Manager Song was in charge of leaking the news to Mandy and bringing her to the scene to catch the adulteress.

When the door opened, a wave of flirtatious scenery assaulted their faces.

"Mmm... Mmm... Ah... Yes... Yes... Harder!"

"Ha... You little sl*t, you're so energetic! You're much, much better than that dead fish of a wife, I love you so much!"

Luo Chenxi was secretly speechless when she heard this.

'It's already dawn, but the two of them are still not done?!

'What the h*ck did Wu Lingshan give me? Its effect is so strong!

'She's literally planning to ruin me mercilessly.

'Pity, she messed with the bull, now she's getting the horns.'

On the other hand, the onlookers by the door were also dumbfounded.

"F*ck me, isn't this woman waay too slutty? She's moaning so seductively that even I'm having an erection..."

"Tsk tsk, President Mao's already in his 50s'. Can he take it?"

"Looking at how pure Xing Chen looked, I thought she actually relied on her own capabilities. Who would've thought..."

On the other hand, Mandy was fuming with anger and immediately rushed into the room.

"Mao Liming, you old b*stard, how dare you cheat on me!"

Mao Liming was originally enjoying himself immensely, but his wife's angry roar which suddenly came from behind him shocked him so much that he immediately stopped whatever he was doing.

Then, he hurriedly got up from bed, but accidentally tripped on the bed sheet and rolled onto the ground.

After that, Mandy rushed up and punched and kicked him. "If it weren't for my support, would you have become a shareholder of SL Group? How dare you mess around with other women!"

"H... Honey, let me explain... It was this b*tch who seduced me! I've already refused her, but she directly pounced on me... She was so h*rny that I made a mistake that every man would make..."

Mandy listened to his sobbing and felt a little soft-hearted.

At that moment, a flirtatious cry came from the bed again.

“Mm... Lover, where have you gone? Hurry up and come back... I still want it...”

Chapter 364: You Kept Calling Me “Lover”, Yet You Have The Nerve To Say That You Were Raped?

This cry was extremely seductive, causing many men by the door to feel an erection.

Hence, Mandy was so furious that she immediately rushed to the bed.

Without any explanation, she lifted the blanket and slapped the woman on the bed more than ten times consecutively!

Pa, Pa, Pa, Pa...

After a series of crisp slapping sounds, Wu Lingshan’s face was severely swollen.

“F*cking bitch! Seducing men! Becoming a mistress and destroying other people’s families! Since you like to be h*rny so much, then come out and let everyone see just what a sl*t you are!”

After Mandy finished speaking, she directly dragged her down the bed.

Meanwhile, Wu Lingshan was stunned by a series of slaps.

However, at the same time, the drug effect in her body had also subsided quite a bit.

When she realized what had happened, she was both shocked and terrified.

‘How did this happen?!

‘Why was I in bed with that old unkempt Mao Liming?!

boxn ov el. c o m

‘Last night, I was clearly going to drug Xing Chen, but then... What happened after that?

It was not until she was dragged off the bed that she suddenly woke up and immediately screamed in horror.

“Let me go! Let me go right now!”

Wu Lingshan struggled desperately, but she had “worked” so hard all night that her entire body was weak.

As she was dragged all the way to the corridor, she was completely naked and exposed in front of everyone.

Wu Lingshan shrieked and curled up, trying to block her body.

“What are you trying to block? What are you trying to cover? Don’t you like to show off your body to men?”

As she said that, Mandy kicked and punched again.

She was too focused on venting her anger to look carefully, but her colleagues felt that something was wrong.

“Hold on? Is this woman Xing Chen? Why does she seem different? Xing Chen should be much taller than her!”

“He’s right, she doesn’t look like her... However, doesn’t she also seem familiar?”

Wu Lingshan’s face was badly swollen, so it took the crowd quite a while to recognize her.

“F*ck, she’s Wu Lingshan! How’s it her?!”

“This fair, rich and beautiful woman has actually slept with a man who’s old enough to be her father. What... What kind of fetish is this?!”

“F*ck, that’s so disgusting!”

It was only at that moment when Mandy heard the discussion that she realized what was happening.

Upon closer inspection, she found that the woman really was Wu Lingshan and she was instantly stunned.

On the other hand, Wu Lingshan was so ashamed and angry that she wanted to find a hole to hide in!

Hence, she shrank back and screamed, “Mao Liming, you old b*stard, how dare you rape me! You and my father are friends! Yet, you would even lay your hands on your friend’s daughter, that’s just disgusting! I’m going to sue you!” said Wu Lingshan as she immediately shifted the blame onto Mao Liming thanks to her quick wits.

‘This way, I’ll become a victim worthy of sympathy.’

On the other hand, Mao Liming’s expression immediately changed because the sl*t he had been with for the entire night was not the beauty he had been drooling over for a long time, but his good friend’s daughter, Wu Lingshan!

At that moment, he realized that he had made a huge mistake.

When he heard Wu Lingshan shift the blame, he immediately defended himself, “What the f*ck?! You were clearly the one who seduced me, yet you still have the audacity to say that I raped you? Everyone heard it just now, how sl*tty you were and kept calling me lover, yet you still have the nerve to say that you were being raped?”

When everyone heard this, they nodded in agreement.

Wu Lingshan recalled the series of reactions she had under the effects of the drug and wished that she could bang her head against the wall and die!

Although it was not her first time, when she thought about how she had actually slept with such a bald, short and fat old man, she felt a wave of nausea.

‘That drug... Is indeed just as the seller had said, its effects are just shocking!

‘But, why was I the one who ingested it?’

'It should've clearly been Xing Chen, that b*tch!'

Chapter 365: It's Xing Chen! Xing Chen Drugged Me With Aphrodisiacs!

Wu Lingshan racked her brains, trying to recall the situation at that time.

'All I can remember is me and Xing Chen playing dice and drinking.

'Halfway through drinking, I suddenly felt really hot and then..

'F*ck, that b*tch must have secretly changed the wine glass!'

At that thought, Wu Lingshan shouted, "It's Xing Chen! Xing Chen drugged me with aphrodisiacs!"

"What?! What does this have to do with Xing Chen?"

The crowd was very surprised.

Wu Lingshan quickly said, "It's true! It's really her! Yesterday, Xing Chen and I were drinking on the first floor when I suddenly lost consciousness. When I woke up, I was already in that room! Xing Chen must have been jealous of me and intentionally drugged me to ruin my reputation!

"Mao Liming is so old and ugly, how could I possibly have taken a liking to him? Someone's truly set me up!"

However, Mandy was still a little hesitant.

'Wu Lingshan is young and her family was rich, so she really doesn't seem like the type who would seduce Mao Liming.

'Could someone really have set her up?'

boxn ov el. c o m

At that moment, Luo Chenxi's voice sounded.

"Wu Lingshan, you had an affair with a man yourself. Yet, when you were caught by his wife, you're pushing the blame to me? On top of that, you even said that I was jealous of you? What's there for me to be jealous of? I was the one who won yesterday's competition."

As she spoke, the crowd made way and she slowly walked over.

The dress she was wearing was simple and exquisite, her movements were elegant and graceful.

On the other hand, Wu Lingshan was curled up on the ground naked, seeming like a beaten up stray dog in front of Xing Chen.

When Wu Lingshan saw her, she was so angry that she almost could not breathe.

"You... You... Xing Chen, you b*tch! How dare you frame me like this! I'll kill you!"

Luo Chenxi sneered. "Miss Wu, you need to have evidence to back up your statements. Otherwise, I can sue you for slander!"

The two women were in a disagreement.

Then, Wu Lingshan suddenly thought of something. "Oh right, you can check the surveillance cameras! Auntie Mandy, if you don't believe me, check the surveillance cameras for yourself! The surveillance cameras will prove my innocence. I'm Innocent!"

"Surveillance cameras? What surveillance cameras?"

Mandy was confused.

Wu Lingshan said loudly, "It's the surveillance cameras outside the guest room! I didn't enter the guest room by myself. I was drunk and was dragged in by Xing Chen, so the surveillance cameras must've caught that!"

Mandy hesitated for a moment and asked her assistant to look for the receptionist.

Seeing this, Wu Lingshan finally heaved a sigh of relief.

'Thank goodness for my quick wits!

'Although the bar on the first floor also has surveillance cameras, there were too many people and it was chaotic there. Plus, I was very careful when I dropped the drug, so it's impossible for the surveillance to catch me doing the deed.

'On the other hand, the surveillance cameras in the corridor outside the guest room are different.

'So, if Xing Chen did drag me in, it would be so obvious that they would definitely be able to capture everything clearly.'

At the same time, Luo Chenxi also thought of this and frowned slightly.

'With Young Master Mu around, it's probably impossible for Mandy's assistant to find out about anything in the surveillance cameras.

'However, Wu Lingshan would definitely seize this point and clear her name...'

Sure enough, the little assistant returned very quickly with a troubled look on her face. "Sister Mandy, Secret's security said that in order to protect the privacy of the guests, there are no surveillance cameras on this floor..."

Wu Lingshan was stunned for a moment before she immediately screamed.

"Impossible! How can there be no surveillance cameras? Xing Chen must have done something behind the scenes to bribe the security guards and destroy the evidence!"

Actually, Mandy also felt that something was amiss.

"Miss Xing Chen, can you please explain where you were last night?"

Luo Chenxi's expression darkened and she was about to speak when suddenly, a cold male voice sounded, "Excuse me, I believe I should explain about the surveillance cameras."

The voice came from a tall man who stood behind them.

Mandy was stunned. 'This person seems a little familiar.'

“You are...”

Chapter 366: So What If I Bite? I Can Even Eat You If I Want To!

“Allow me to introduce myself. My name is Bai Shixun, one of the bosses of Secret.”

Instantly, everyone became excited.

“Second Young Master Bai! It’s Second Young Master Bai!”

“Oh my God, it’s really him! We’re actually meeting Second Young Master Bai in Secret!”

Mandy didn’t expect that this matter would alarm Secret’s boss who normally remained behind the scenes. This was the legendary Bai Shixun, Second Young Master Bai from the top-tier aristocratic family.

Hence, Mandy’s temperament immediately weakened a little. “Second Young Master Bai, about the surveillance...”

Bai Shixun had a smile on his face, looking like he was an easy person to talk to.

“We don’t have any surveillance in the guest rooms’ section. However, I could provide you with the surveillance footage from yesterday’s lobby as well as the room records. Both of them show that the person who booked this room was Miss Wu herself. When she did that, she had also shown us her ID card, which we have kept a record of.”

As he spoke, he waved his hand and called over a waiter. “Bring this lady to the lobby to check the records.”

When Mandy heard that, she hurriedly waved her hand.

“No need, there’s really no need for that! Of course I believe you, Second Young Master Bai! You have no reason to lie to me at all!”

Then, she turned her head and saw Wu Lingshan’s delicate and pitiful face once again, instantly becoming even more furious.

boxn ov el. c o m

She could not help but go up and kick her a few more times. “D*mned vixen, you’re the one who seduced my husband. There’s already a record of you booking the room, yet you still dare to falsely accuse others! I was almost deceived by you!”

Wu Lingshan tried her best to dodge and screamed, “No, it’s really not like that! Don’t hit me, I can explain! I really didn’t seduce Mao Liming...”

Unfortunately, no one would believe her words anymore.

The onlookers also felt that they had been fooled, so they also cursed at the mistress.

Hence, Wu Lingshan kept screaming and the scene was a mess.

In fact, some people even took out their phones and took photos of her.

On the other hand, Luo Chenxi didn't want to continue watching, so she sneaked out of the crowd.

When she walked to the elevator, she was suddenly grabbed by someone's wrist and pulled into his arms.

"So, you didn't go back last night because you were schemed by that b*tch?" Mu Yichen's face didn't look good.

Luo Chenxi didn't take it seriously and said with a smile, "How could Wu Lingshan set me up? Look at her, isn't she the unlucky one now?"

"Foolish woman!"

Seeing the little woman's smug look, Mu Yichen was so angry that he bit her neck.

'To think that she's able to laugh about this!'

As Mu Yichen thought about what would have happened if Luo Chenxi had actually fallen into that trap yesterday, his heart almost stopped beating!

"Hiss... Are you a dog? Biting me for no reason at all!"

Luo Chenxi quickly covered her neck.

Mu Yichen moved his right hand down and covered her round buttocks, tightening it forcefully.

"... So what if I bite you? I can even eat you if I want to! Would you like to try it?"

He lowered his head and slowly blew on the little woman's fair earlobe.

"Try... Not a chance! Plus, where are your hands touching?!" Luo Chenxi's ears instantly turned red.

Young Master Mu curled his lips, "I'm touching my woman, is there something wrong with that?"

Luo Chenxi pushed him hard, "Let go of me! I still have something..."

Young Master Mu was displeased, "What's that something?"

Luo Chenxi pushed him a few more times, but the man didn't move at all.

Hence, she could only say, "Young Master Bai took the initiative to help me out just now, I have to thank him..."

"No need!"

Mu Yichen frowned and interrupted her.

"He owes you this much!"

'Seeing that Bai Shixun was so tactful today, as long as he agrees to send Bai Xinxin out of the country, never to let me see her again in T City, I'll forget about the fire incident...

'As for the woman outside who dared to drug my wife...

'Since she likes old men so much, I wouldn't mind helping her find a few more of them!

'She can enjoy it as much as she wants.'

Chapter 367: If I Don't Have Little Brothers And Sisters, It's Because Daddy And Big Sister Aren't Hard Working Enough!

It was already afternoon when they returned to the Mu Family's villa.

To show her appreciation to Madam Tan, Luo Chenxi personally cooked a whole table of dishes.

As soon as the dishes were placed on the table, Tan Yueru returned with the little dumpling.

The moment she saw Luo Chenxi, the little dumpling hopped off Tan Yueru's arms and pounced on her.

"Big Sister!! Tang Tang misses you so much!"

Luo Chenxi picked her up. "Big Sister misses you too!"

The little dumpling hugged Luo Chenxi's neck and kissed her a few times. "Muah, muah."

The man in the living room couldn't stand it anymore and coughed heavily.

"Tang Tang, your Big Sister has exhausted herself yesterday and isn't feeling well, so you shouldn't burden her with your hugs."

Luo Chenxi's expression froze and glared at Mu Yichen.

'What does he mean by "exhausted myself yesterday"? Why did he have to make it sound so intimate?'

Sure enough, Tan Yueru, who was at the door, revealed a relieved motherly smile.

boxn ov el. c o m

"I'm relieved to see that you two have a good relationship! Don't worry, you can leave Tang Tang to me. Plus, she was such a good girl yesterday, the moment she heard that you two were making younger brothers and sisters for her, she immediately went to sleep on her own without even making a fuss."

Hearing this, the little dumpling puffed up her small chest and lifted her chin.

In fact, her chubby little face had the words "praise me" written all over it.

"Big Sister, Tang Tang was a good girl yesterday! I went to sleep on my own!"

"Tang Tang's such a good girl..."

While Luo Chenxi was praising Tang Tang, she was interrupted halfway through. "So, can you reward Tang Tang with little brothers and sisters?"

Looking at the little dumpling's expectant big eyes, Luo Chenxi's face was full of embarrassment.

"Um... Little brothers and sisters don't just appear when you want though..." said Luo Chenxi as she tried to reason with the little dumpling.

The little dumpling immediately nodded. "Tang Tang knows that! Grandma said that if I don't have little brothers and sisters, it must be because Daddy and Big Sister aren't hard working enough! So, all of us have to be hard working and good children!"

'What... The... F*ck!'

Luo Chenxi almost vomited blood.

'I just realized that this attitude of theirs is inherited!'

Fortunately, the child's attention was diverted very quickly.

After the little dumpling smelled the aroma of the tomato fish, she became hungry and shouted that she wanted to eat it.

Hence, Luo Chenxi carried her to the dining table, where the little dumpling held a small spoon and ate happily.

Then, Luo Chenxi turned to Tan Yueru, "Mom, thank you so much for yesterday. If it weren't for your help, I wouldn't have won the competition at all!"

However, Tan Yueru didn't mind, "It's no big deal at all. I already said that you're the Young Madam of the Mu Family, Tan Yueru's daughter-in-law! If I don't help you, who will? On the other hand, you're just too cowardly! If you encounter such a b*tch in the future, just tell them who your husband is and scare them to death!"

"Cough, cough!"

Luo Chenxi almost choked on her saliva.

She did not expect Madam Tan to have such an arrogant and domineering side.

Then, Mu Yichen glanced at the little woman. "Did you hear what Mom said? You should learn from her! How do you still need me to teach you how to be Mrs. Mu? You're so stupid."

'How am I stupid? I'm just not used to being so overbearing!'

Luo Chenxi was so angry that she wanted to kick him.

However, before she could even move her leg, the little dumpling had already kicked Young Master Mu for her.

"Bad Daddy, don't bully Big Sister!"

Young Master Mu took a deep breath.

'I've... Definitely spoiled these two!'

Luo Chenxi covered her mouth and snickered before she turned her head and looked at Mu Weiwei who was sitting on the other side.

In the past, Mu Weiwei always mocked and ridiculed her when she ate.

However, ever since she saw the video of the day of the fire, Mu Weiwei did not say anything. On top of that, every time she ate, she would leave after finishing her meal.

There was no exception that day.

Luo Chenxi said with a smile, “Weiwei, thank you for yesterday. Thank you!”

Mu Weiwei glanced at her and said awkwardly, “It’s... It’s nothing. It was Mom who asked me to go...”

Chapter 368: Second Young Master Bai’s New Relationship Has Been Exposed

Luo Chenxi couldn’t help but laugh when she saw Mu Weiwei blushing.

‘She really is a child after all!

‘After knowing that she’s in the wrong, she’s embarrassed to face the person she scolded.’

“No matter what, I still have to thank you! If you didn’t put on my clothes so nicely, no matter how much Mom praised me, it wouldn’t be convincing enough. However, I didn’t expect you to have such a good figure, Weiwei, you’re literally a clothes rack!”

Mu Weiwei had inherited Tan Yueru’s looks and figure. Upon closer inspection, she was also a beauty. Moreover, she had a unique temperament that only came from a wealthy family.

This was not something that could be impersonated by an ordinary person.

However, her usual attire was literally unspeakable as it covered up all her outstanding points.

Upon hearing Luo Chenxi’s praise, MuWeiwei’s face turned even redder.

Tan Yueru smiled and said, “Daughter-In-Law, actually, Weiwei has always liked the clothes you designed. She is about to graduate and she needs to wear a gown to the prom, but she hasn’t found anything that she likes even after searching around for a long time. If you’re free, could you help her out with that..”

Luo Chenxi quickly said, “Don’t worry, Mom, leave this to me! Weiwei, I will definitely make the most beautiful and most suitable gown for you!”

The corners of Mu Weiwei’s mouth curled up when she heard that.

“Thank you, Sister-In-Law!”

...

After dinner, Luo Chenxi coaxed the little dumpling to sleep.

After that, Luo Chenxi took an early shower and lay on the bed.

After a long day yesterday, she planned to go to bed early after playing on her phone for a while.

The video of Tan Yueru and MuWeiwei appearing on the “ A Goddess’s Transformation” program was already everywhere on the Internet.

In the comments, the netizens had even picked out the designers of the few clothes that had appeared in the program.

'I see, so the dress that Miss Mu bought was Xing Chen's latest design, the one who had won the first prize in the Huafeng Competition! I've liked Xing Chen's work for a long time!'

'The other dress that was claimed to have been copied from a famous foreign brand was actually designed by Wu Lingshan. Wasn't she the one who gave Shao Mingyi laxatives during the Huafeng Competition? Why is she in the industry again?'

'It doesn't stop there! Didn't you guys see the latest trending search today? The one with the video of a mistress! It's said that in order to get into SL Group, Wu Lingshan actually slept with an old man who's in his 50s'. She was even caught red-handed by the old man's wife. Tsk, tsk, that's quite some taste she has!'

'Really? Did such a thing actually happen? This woman is so disgusting, how could she do something like that?'

Luo Chenxi deliberately searched it up and found that the video of Wu Lingshan being beaten had been deleted because it was too appalling.

However, this did not stop the netizens from criticizing Wu Lingshan.

After scrolling for a moment, Luo Chenxi felt bored.

'Wu Lingshan's brought all of this upon herself!'

Just as she was about to turn off her phone to sleep, a hot search on Weibo attracted her attention.

'@Cucumber Entertainment: #Second Young Master Bai's new girlfriend# Recently, the Second Young Master of the Bai family, Bai Shixun, who's known for his romantic charm, has had his new relationship exposed. The paparazzis had been waiting for a long time before they got this set of photos. In the photos, Second Young Master Bai and his new girlfriend couldn't help themselves as they hugged and kissed on the street. On top of that, they even almost staged a car-s*x scene. Their love really invites the envy of others.

'Bai Shixun?'

Luo Chenxi's gossipy soul began to burn. She immediately clicked on it and zoomed in on the photo.

When she took a closer look, she was shocked and almost threw her phone away.

"Isn't... Isn't that Qian Qian? What's going on here?!"

In the photo, the tall and straight man pressed a slender woman on the hood of the sports car and kissed her passionately and forcefully.

Although the image was very blurry, Luo Chenxi recognized the woman to be Fang Ziqian at a glance!

Chapter 369: Bai Shixun, You Were Pretending To Be Asleep?!

'How could Qian Qian possibly be in a relationship with Bai Shixun?'

'Plus, she's even gotten herself in such a passionate scene...'

'If it weren't for these photos as proof, I would never have believed that such a thing has happened!'

'After all, the person Fang Ziqian hates the most is Bai Shixun.'

"Hmm? That's strange. the background of this photo... Why does it look like it was taken in front of our house?"

Luo Chenxi felt that something was wrong and quickly called Fang Ziqian.

However, the phone rang more than 20 times, but no one picked up.

...

At the Bai Group's building, Fang Ziqian finally finished her hectic work and was relieving her body by stretching herself.

Then, she glanced at the lower right corner of her computer.

"It's already 9pm! This evil capitalist is literally squeezing me dry!"

'After seeing Xi Xi and Young Master Mu kissing each other, even I wish that I'm in a relationship.

'But, how am I supposed to look for a boyfriend when I'm always working overtime till late at night?'

At that thought, Fang Ziqian stood up, placed the documents in her hands and walked to the Chairman's office next door.

'I can leave right after I hand these documents to Bai Shixun.'

"Knock, knock, knock."

Fang Ziqian knocked on the door, but there was no sound inside.

With a frown, she knocked a few more times, but the Chairman's office was still quiet.

"What's going on? Has Bai Shixun snuck away again?"

Because the door was ajar, Fang Ziqian hesitated for a moment, then pushed the door open and entered.

'Bai Shixun is still here!

'However, he's just lying on his desk... It seems like he's fallen asleep.'

"I have no idea why you come to the office everyday... You don't do much work, and all you do is sleep!"

The corner of Fang Ziqian's mouth twitched as she couldn't help but lament in her heart.

However, she still walked quickly to the desk and put down the documents.

Then, just as she turned around, her wrist suddenly tightened and she was pulled back by someone.

Fang Ziqian didn't have time to react and directly fell backwards, falling into a strong and powerful embrace.

Smelling the familiar scent of a certain man, her mind buzzed.

“Bai Shixun!! Were you pretending to be asleep?!”

With the temperament of a boss, Bai Shixun leaned back against the office chair, his arms firmly wrapped around Fang Ziqian’s waist and locked her in his embrace, leaving Fang Ziqian only one choice, which was to sit sideways on his lap.

‘This posture is seriously so shameful.’

Fang Ziqian was so angry that her head was about to flare up in smoke.

Bai Shixun smiled mischievously. “Fang Ziqian, are you finally willing to talk to me?”

Fang Ziqian realized that she had misspoken and quickly shut her mouth, not saying a word.

Then, she reached out and pushed Bai Shixun’s chest, wanting to get off him.

However, Bai Shixun had finally managed to trick her into his embrace, so how could he let go so easily.

Feeling that Fang Ziqian was struggling too much, he simply grabbed her slender waist, turned around and pressed her directly onto the office desk.

This posture was exactly the same as when she was pressed against the hood of the car that day!

Fang Ziqian really could not maintain her calm appearance and looked at him nervously. “Bai... Bai Shixun! What are you trying to do? I’m warning you, let go of me quickly! What you’re doing is illegal and I’ll definitely call the police!”

“Illegal?” The corners of Bai Shixun’s mouth curled up. “What have I done to you that’s illegal?”

“You... You...” Fang Ziqian was speechless.

“All I wanted to do was just talk to you. Fang Ziqian, you’ve ignored me for so many days already, so whatever it is that you’re angry with me about, it should’ve been vented already, shouldn’t it? So, can you stop giving me the cold shoulder?”

Fang Ziqian pursed her lips and did not speak.

Bai Shixun continued to explain, “Xinxin is my only sister, so how can I possibly ignore her? Now that Mu Yichen has released Xinxin, and I’ve helped Luo Chenxin once, this matter has already been put behind us. What’s there for you to be angry about now?”

Hearing this, the anger in Fang Ziqian’s heart surged.

Chapter 370: I’ll Just Treat It As If I’ve Been Bitten By A Dog!

‘I’m not only angry about Bai Xinxin, but more importantly... That day...’

Thinking about what Bai Shixun had done to her at the entrance of the Mu Family’s villa, Fang Ziqian felt a stifling feeling in her chest.

“Bai Shixun, you’re too conceited! Get out of my way, I can’t be bothered with talking to you!”

Then, she pushed Bai Shixun again, but Second Young Master Bai still did not budge.

In fact, his eyes flashed slightly and his thin lips curled up slightly.

“Fang Ziqian, Mu Yichen and his wife aren’t angry at me anymore, yet you still are. It seems that I’ve misunderstood you... Could it be that you’re still reminiscing about that time...”

He suddenly moved closer to Fang Ziqian’s ear, and a scorching breath blew on her earlobe. Then, with a low and seductive voice, “... That kiss we shared?”

Fang Ziqian’s face flushed red. “Bai Shixun!!”

“Why are you shouting so loudly? I’m not deaf.” Bai Shixun stepped back a little, but his arms were still propped up on the table, enveloping the little woman under him.

Then, with an evil smile on his face. “Are you serious, Fang Ziqian? You’ve refused to talk to me for almost half a month just because of a kiss? Why are you acting so naively? Do you know what era we live in? We are all adults, so forget a kiss, nothing happened at all. In fact, even if we really did sleep together, it wouldn’t be a big deal. So, is it worth it for you to...”

Before he could finish, Fang Ziqian suddenly raised her hand and swung it at Bai Shixun’s face!

‘This man has really gone overboard!

‘Does he think that he’s cynical and everyone has to be like him?

‘What does he take me for?’

However, Bai Shixun reacted very quickly and grabbed her wrist.

“Fang Ziqian! How dare you try to hit me a second time? I’ve already let you have your way, but that doesn’t mean that you can step all over me and behave atrociously!”

As he said that, Bai Shixun’s face darkened as well.

After all, he was a noble Young Master from a noble family and had been used to being high and mighty since he was young. Hence, everyone had to revolve around him, obey him and fawn over him.

Fang Ziqian was the only person who had dared to be rude to him from the first day she entered his company.

However, Fang Ziqian did not show any signs of weakness and lifted her chin. “You call this letting me have my way? Heh, should I thank you for your sacrifice then? Second Young Master Bai, since that’s the case, there’s no need for you to endure me anymore. I’ll resign today! I’ve had enough of you!”

Bai Shixun’s body instantly stiffened. Then, he lowered his head and stared at Fang Ziqian’s angry little face.

‘In the past, she was the person I hated the most.

‘If it wasn’t for her superb work ability, I would’ve fired her long ago!

'But now...'

When Bai Shixun heard that she was going to resign, his heart stopped for a moment and he felt inexplicably terrified.

"That's enough, Fang Ziqian, what's the point of spurring these angry words?" Bai Shixun gritted his teeth and his tone softened. "Fine, fine, fine. You women always have your own set of reasons! If you say that I'm wrong, then consider it as my fault, alright?"

Fang Ziqian was exasperated. "What do you mean by "consider" it as your fault?!"

Bai Shixun angrily grabbed a handful of his hair. The fringe on his forehead, which had been meticulously groomed, was all messed up now.

However, it actually made him look even more decadent and sexy in a way.

"Then what do you want me to say? I really don't get you! You get angry when I bring up what happened that day, yet you also get angry when I ask you to forget about what happened that day too? You can't possibly be in love with me, can you?"

"You... !"

A hint of anger appeared on Fang Ziqian's face.

"You're daydreaming! Why would I fall in love with a playboy like you?! You're right, we're both adults. What happened that day was really nothing extraordinary, so I'll treat it as if I've been bitten by a dog!"

"Bitten by a dog?" Bai Shixun's face instantly darkened again. "Have you ever seen such a handsome dog?!"
