

Sweetheart 371

Chapter 371: Why Aren't You Screaming? The Louder You Scream, The More Excited I Get

Fang Ziqian was obviously stunned.

Then, she forgot that she was arguing with Bai Shixun and laughed out loud.

"I've never seen it before. Indeed, I've never seen it before! After all, it's not very common to be able to see someone admitting that they're not a man, but a dog..."

Only then did Bai Shixun realize that he had said the wrong thing.

Hence, he angrily roared in embarrassment, "Sh*t Up!"

Fang Ziqian sneered, "It's my mouth, so why should I sh*t up just because you want me to?"

Bai Shixun narrowed his eyes and glared fiercely at Fang Ziqian. He gritted his teeth and said, "I told you to sh*t up, didn't you hear me? In that case, don't blame me for what happens next!"

"What... What are you going to do..."

Fang Ziqian suddenly felt a chill and shivered secretly.

After that, she pushed on the man in front of her hard and prepared to escape.

However, Bai Shixun's body did not budge. Instead, he pressed on her shoulders hard and pushed her back against the table.

Then, his other hand held her chin. "Since I'm a dog, how could I possibly only bite once? No, I should continue biting until I'm satisfied, don't you agree?"

Instantly, cold sweat broke out on Fang Ziqian's back.

"Stop it... Bai Shixun, I realize I've misspoken..."

At that moment, the landline on his desk suddenly rang.

Fang Ziqian was instantly delighted. 'Saved by the bell!'

"President. Bai, a call... It's a call for you!!"

However, Bai Shixun had no intention of picking up the call.

Instead, he continued to hold her down and leaned forward. Gradually, he got closer and closer until it seemed as though he was about to press his body onto hers.

Then, Bai Shixun licked his lips sinisterly. "Go on, scream. Why did you stop? The louder you scream, the more excited I feel..."

'What kind of perverted hobby is this!'

Fang Ziqian was about to vomit blood!

'Am I... Am I going to get bitten by a dog for a second time?!

"President... President Bai... Second Young Master Bai, look, it's already past 9pm, yet someone's still calling you. It must be something important, so you should answer it..."

Halfway through her words, the phone suddenly stopped ringing, causing Fang Ziqian's words to also stop abruptly.

Then, Bai Shixun stared at her stiff little face. Suddenly, he reached out and took off the black-rimmed glasses that ruined the view on her face.

Seeing the little woman beneath him revealing her pure face again, he curled his lips in satisfaction and leaned over again..

"Ring, ring, ring..."

The phone rang again.

Just as he was about to kiss her, he was suddenly interrupted again.

Hence, Bai Shixun's face was livid. He pressed the answer button and said snappily, "It's already so late, so what is it that you just couldn't wait to tell me tomorrow?"

The receptionist was frightened by his fierce tone and hesitated for a moment before she spoke with trepidation.

"President... President Bai, Elder... Elder Bai has just rushed to the company. He... He's already on his way upstairs..."

"What did you say? My grandfather's here in the office?"

"Yes, yes... Yes."

"It's already so late, so why is he here?!"

With that said, Bai Shixun hung up the phone and was completely shaken awake at that moment.

At the same time, Fang Ziqian was also shocked by this news.

Before she could say anything, there was the sound of footsteps and the sound of crutches hitting the ground coming from the door.

Fang Ziqian also jolted back to her senses and pushed Bai Shixun away from her before she jumped off the table.

"You..." said Bai Shixun as he staggered from her push.

At that moment, the office door was pushed open from the outside.

"You little brat, you refused to answer your phone call again. Are you pretending to work overtime again so that you could sneak out to fool around? You useless person!" Elder Bai said with an energetic voice.

Chapter 372: Yichen Kissed His Own Wife, What About You?

When Elder Bai entered the office, he could not help but be stunned because in front of the office desk sat Fang Ziqian.

On the other hand, Bai Shixun stood behind her as if he was her secretary.

“You two...”

Bai Shixun looked as if he had just noticed Elder Bai’s arrival. Hence, he showed a surprised expression and quickly walked over to greet him.

“Grandfather, why are you here?”

Elder Bai frowned. “What are you two...”

Only then did Fang Ziqian stand up, her face full of fear. “Old Master, I’m sorry. I was just giving the Second Young Master a presentation. For the sake of convenience, I sat down without thinking.”

Elder Bai looked at the two of them suspiciously and finally coughed.

“It’s fine since you’re discussing official business. The company’s performance has been growing very rapidly recently. Thank you for your hard work, Secretary Fang.”

“You flatter me, Old Master, this is all possible mainly because of the Second Young Master’s wise decision. I’m just doing my job.”

Fang Ziqian secretly heaved a sigh of relief.

Just now, her skirt and blouse had been messed up in the process of tangling with Bai Shixun.

boxn ov el. c o m

Fortunately, she came up with an idea and quickly sat down on the president’s office chair.

Using the table as a cover, she quickly tidied up her clothes.

Thus, the old man didn’t seem to notice anything..

Bai Shixun pursed his lips. “Grandpa, have you especially come to the office to monitor me this late at night? I’m already 26 years old, not 16!”

Elder Bai then used his cane to bang it against the ground hard. “You little brat, you’re unlike a 16 year old boy who wouldn’t need others to worry over! Now, give me a proper explanation about these photos!”

With that said, a brand-new gossip magazine was thrown onto the desk by Elder Bai.

Then, Fang Ziqian stuck her head out to take a look and almost cried out in shock.

On the cover, there were a few huge words. ‘The Second Young Master of the Bai family’s new sweetheart has been exposed!’

And the accompanying picture was shockingly a picture of Fang Ziqian herself being pressed against the hood of the sports car by Bai Shixun and kissing her forcefully!

Hence, Fang Ziqian was immediately scared out of her wits and broke out in a cold sweat.

'How did Bai Shixun and I get photographed?

'Could Elder Bai... Could he have already recognized me?'

On the other hand, Bai Shixun was also stunned for a moment, then he revealed a mischievous smile.

"Grandpa, have you literally come all this way just for this? Is this really necessary? It's not the first time a scandal of mine has appeared in the news, so you should have gotten used to it already!"

At that moment, Elder Bai slammed the table and snorted, "Is this the same thing? In the past, when you were on the news with those female celebrities, the most you did was to hold their hands and attend a banquet together, so the level of gossip was not harmful to the Bai Group since it could be considered as a publicity stunt. But this?

"Someone's even taken a photo of you kissing! What kind of indecency is this? This is simply outrageous!"

Then, Bai Shixun stole a glance at Fang Ziqian.

Seeing her lowered head and cold expression, his gaze darkened.

"Grandpa, aren't you being too old-fashioned? It's just a kiss on the street! Is there even a couple that still needs to hide away when they're kissing in this time and day? Plus, Yichen and his wife even kissed at your birthday party the other day, yet I didn't see you say anything."

"Shut up! Don't quibble with me!" Elder Bai was furious. "Yichen kissed his own wife, what about you? You'd best come clean right now, who is the woman in the photo?"

Hearing this question, Fang Ziqian was shocked and she subconsciously looked at Bai Shixun.

"About that..."

Bai Shixun deliberately paused, and when he saw Fang Ziqian's nervous expression, he said, "I don't remember. It's already over between me and her."

"You..." The old man was obviously even angrier now.

Then, he pointed at him with his finger. "Get out. I'm going to ask Ziqian alone!"

Fang Ziqian had just heaved a sigh of relief at the time, but when she heard this, her heart was once again in her throat.

Chapter 373: He's The Type I Hate The Most!

Bai Shixun had just thought about saying something else, but after being glared at by the old man, he could only turn around and leave.

Elder Bai looked at Fang Ziqian. "Ziqian, now that Shixun has stepped out... Tell me, do you really not know who the woman in this magazine is?"

Fang Ziqian shook her head firmly. "I really don't know!"

Elder Bai frowned.

“To be honest, when I saw this photo this afternoon, at first glance, I thought that this person was you! She does seem a little like you from the looks of it.”

Instantly, Fang Ziqian became nervous and quickly laughed dryly. “Elder Bai, surely you’re mistaken? The person the Second Young Master is dating is either a female celebrity or an internet celebrity. So, how could he be interested in someone like me? The girl in the photo is obviously a hundred times prettier than me!”

Hearing her say this, Elder Bai’s expression relaxed a little.

“So, it’s really not you then?”

“Of course it’s not me! How can I possibly be with the Second Young Master? He’s the type I hate the most!”

Fang Ziqian made a solemn vow.

Then, Elder Bai stared at her for a while and nodded. “I understand, you may leave now then. Call Shixun to come in on your way out.”

Fang Ziqian heaved a sigh of relief when she knew that the crisis was over.

boxn ov el. c o m

Actually, she did not want to lie to an old man.

However, Elder Bai had always hated women who tried to seduce Bai Shixun. So, if he knew that she was the one on the cover of the magazine, he would be very disappointed.

After that, Fang Ziqian turned around and walked out of the door.

The moment she walked out, she almost bumped into Bai Shixun.

“You...”

She raised her head in surprise.

When Bai Shixun came out, he didn’t close the door and deliberately left a crack in the door instead.

‘Then... Did he listen to what I said just now?’

Bai Shixun was expressionless and didn’t even look at her. Instead, he grazed past her shoulder as he went into the president’s office.

“Grandpa, is there something else?”

Master Bai had an expression of “I’m disappointed” on his face.

“You should be more careful in the future! Look at Yichen and Tingyuan, look at how grown their children are... It’s time for you to stop fooling around already!”

“Understood, Grandpa.”

“One more thing. Send someone to send Xinxin out of the country tomorrow.”

Bai Shixun was stunned. “What? Is this the Mu Family’s request?”

Elder Bai shook his head and sighed, “The Mu Family hasn’t mentioned it, but we can’t feign ignorance! This is for Xinxin’s own good. With her current mental state, it’s hard to guarantee that she won’t do something drastic again. When that happens, you won’t even be able to protect her! So, it’s better to let her go on a vacation abroad and calm herself down.”

Bai Shixun thought for a moment and nodded. “I’ll get someone to do it right away.”

...

At the mental illness rehabilitation center in the suburbs of T City, Bai Xinxin was wearing a light blue hospital gown and was leaning against the headboard of the bed.

Her face was pale, her expression haggard and her eyes were frighteningly dark.

All in all, she looked lifeless, who could still tell that a month ago, she was still China’s number one supermodel?

After hearing the decision conveyed by the assistant, Bai Xinxin screamed in agitation, “No! I refuse to believe that Grandpa would do this to me! I don’t want to go abroad! I don’t want to stay here, let me out!!”

The assistant then frowned, “Young Miss, calm yourself. The Old Master is doing this for your sake. You’ve been working hard these past few years and are too tired, so it’s a good time for you to rest.”

“No, I can rest in China too! Why must I go abroad? I’m not going! You must be deliberately trying to harm me. I want to see Grandpa! I want to see my brother!” Bai Xinxin was still unwilling to obey.

‘That little slut has caused me so much harm, I haven’t gotten my revenge yet.

‘How could I just leave just like this?’

Hence, the assistant shook his head and said, “The Old Master hasn’t been well recently. Second Young Master is also busy with official business and can’t come for the time being. After you’ve rested abroad for a while, the Second Young Master will come visit you.”

“If there’s nothing else, I’ll be leaving now.”

With that said, the assistant turned around and left.

Bai Xinxin shouted a few times as if she was venting her anger, but because no one responded, she could only stop.

Seeing that everyone had left, she took out her phone from under her pillow and pressed a few buttons.

After a while, the call went through.

Then, she shouted excitedly, “Weiwei, is that you? It’s me, Sister Xinxin! You’re the only one who can help me now!”

Chapter 374: Have You... Have You Found Something? Hurry Up And Tell Me!

In fact, Bai Xinxin had tried to call Tan Yueru.

However, Madam Tan turned off her phone the moment the former heard her voice.

Therefore, she had no other choice but to desperately grab hold of Mu Weiwei, her last straw.

“Weiwei, listen to me...”

“Bai Xinxin, don’t call me anymore.”

Mu Weiwei interrupted her rudely.

“I know all about what you did to Sister-In-Law. You were clearly using me in the past! Now, you still have the audacity to call me. Do you really think I’m an idiot? You’ve really gone too far! It’s a waste that I used to treat you like my own sister. I didn’t expect you to be so vicious!”

“Weiwei, that’s not the truth. You were tricked by that little B*tch Luo Chenxin...”

“You’re the one who’s lied! I only misunderstood Sister-In-Law because I listened to your nonsense! Don’t you dare speak ill of her again!”

At that moment, Bai Xinxin was so angry that she almost fainted!

‘Wasn’t Mu Weiwei originally a silly yet sweet person?’

‘Wasn’t I able to utilize her like a gun after casually instigating her?’

boxn ov el. c o m

‘Why is it so hard to fool her today?’

At that thought, she took a deep breath and forced herself to remain calm.

Then, she continued to persuade her, “Weiwei, you’ve really misunderstood me. Just listen to me first...”

At that moment, a familiar voice came from the other end of the phone.

“Weiwei, Weiwei, come here for a moment! Hmm...? Are you on the phone?”

Mu Weiwei left Bai Xinxin behind and raised her head to answer, “Yes, Sister-In-Law, I’m almost done. What do you want?”

Luo Chenxi’s sweet voice came from afar. “Nothing much. The other time, Mom said that you wanted a dress for your prom. So, I’ve drawn a few design drafts, and they are all different styles. You can pick one and see which one you like.”

Mu Weiwei was overjoyed. “Really? You’ve already designed it for me, Sister-In-Law?! Great, I’ll be right there!”

She was about to get up when she suddenly realized that her phone was still on.

Then, she quickly picked it up and hastily said, “Alright, Bai Xinxin, don’t come looking for me anymore. I’m about to go to university, so I’m very busy!”

After saying that, she hung up the phone.

“Wait... Hello, Weiwei?!”

However, there was only silence in response to Bai Xinxin’s cries.

However, Bai Xinxin was unwilling to give up and immediately dialed again. However, this time, the busy tone came from the phone.

Obviously, Mu Weiwei had blacklisted her as well..

“D*mn it, d*mn it, d*mn it! That b*tch actually managed to coax Mu Weiwei into submission! She’s schemed too deeply this time! I definitely can’t let her off just like that!”

Then, she waved her hand and swept all the things on the bedside table onto the floor including the water cups, alarm clock and medicine bottles. All of them fell onto the floor and shattered into pieces.

However, the nurses outside who heard the noise didn’t dare to go in.

These days, they had seen a lot of the horrible temper of this Young Miss from a wealthy family, so all of them kept a respectful distance from her.

While Bai Xinxin was about to smash up more things, her phone suddenly rang.

Hence, she was stunned for a moment.

During this period of time, other than promotions and advertisements, no one had taken the initiative to call her.

Hence, she picked up her phone and saw an unfamiliar number.

“Hello? Who is this?”

“Miss Bai, do you still remember me? You hired our detective agency previously...”

“It’s you!”

Bai Xinxin suddenly remembered that before the fire, she had just hired a famous private detective to follow Luo Chenxi. The best case scenario she wanted was to be able to get some dirt on Luo Chenxi so that she could be punished.

However, before the detective could get back to her on the investigations, something had happened to her.

Then, she had forgotten all about it!

“Have you... Have you found something? Hurry up and tell me!”

Chapter 375: I Want Dirt That Can Bring This B*tch Down!

Instantly, Bai Xinxin became excited.

‘Right on time!

‘I was worried that I wouldn’t be able to kill that b*tch!’

“We had rather little time, so we’ve only been able to do some preliminary investigations. Also, some of our findings still need to be verified...”

“I don’t need you to verify it. Just hurry up and tell me whatever you have found!” urged Bai Xinxin.

‘How could I possibly have time to wait for them to verify anything?’

Hence, the detective quickly said, “Alright then, I’ll keep it short. First of all, we found out that Miss Luo Chenxin is the new designer, Xing Chen, who is currently trending on the Internet.”

“What are you talking about? Which Xing Chen?”

“The person who won this year’s Huafeng Competition!”

Bai Xinxin was stunned for a second before her expression changed. “It’s her all along! No wonder... F*ck, I’ve been properly fooled by her! That b*tch!”

She suddenly remembered that during the Huafeng Competition, Mu Yichen had personally appeared.

As a judge, he praised Xing Chen’s design and gave her the highest score.

boxn ov el. c o m

At that time, Bai Xinxin thought that Mu Yichen had come to watch the competition for her sake. Therefore, when the results came out, she just could not figure out what had happened no matter how hard she tried.

However, she finally understood now.

“This huge b*tch! She has already seduced Brother Mu all the way back then!”

Bai Xinxin cursed for a long time before she calmed down. “Is there anything else? Is this all? This is useless!”

‘Although this piece of news is huge, it’s definitely not any kind of scandal.

‘Even if this gets exposed, other than increasing Xing Chen’s popularity, there wouldn’t be any negative effects.’

Then, the detective continued, “Miss Xing Chen has a close relationship with the director of SL Group’s design department, Sheng Yu. From the beginning, we guessed that the two of them were having an affair...”

Hearing this, Bai Xinxin became excited again.

“Yes, that’s right. I heard from Wu Lingshan that Sheng Yu and Xing Chen are very flirtatious. There must be something going on between them! Did you manage to get a good picture of it?”

“Ahem,” the detective coughed dryly, “I’m really sorry, Miss Bai. We must have made a mistake in our judgment. We’ve been following Miss Luo for a few days, but she and Young Master Sheng have only met two or three times. Also, during each of these times, she was with a large group of colleagues, so...”

Bai Xinxin was very dissatisfied. “Why are you telling me about it if you haven’t gotten a picture of it? What else is there?”

“Yes, yes, yes...”

The detective wiped the cold sweat off his forehead.

‘It really is hard to earn money from a rich family’s daughter. She’s so hard to please...’

“Also, Miss Luo goes to the hospital twice a week to visit a middle-aged woman who has a heart attack. I heard that she’s her aunt, but we found something suspicious...”

“What middle-aged woman? You’re wasting your time investigating these things? What’s there to investigate about?”

Bai Xinxin’s expression was unsightly as she lost her patience.

“Like I said last time, what I want is dirt that can bring down this b*tch, not these trivial matters! Aren’t you known as T City’s number one private detective? Yet, you can’t even handle such a small matter, you’re an utter piece of trash! I won’t be paying you the rest of the money if this keeps up!”

After that, she pretended to hang up the phone.

Hence, the private detective became anxious. “Wait, Miss Bai! One of my teams has been busily working on this case for two weeks. How could you not give me the rest of the money?”

“You didn’t get anything I wanted. How am I supposed to pay you?”

“No, no, no. We... Actually got some dirt, but there’s no way to verify it...” the detective said hurriedly.

Bai Xinxin frowned. “Is that so? If there’s dirt, why didn’t you tell me about it just now?”

The detective hesitated for a while. “That’s... Because the authenticity of this photo is questionable, we want to investigate it before...”

“What photo? Send it to me first!”

The detective was helpless, so he could only send the photo through wechat.

Bai Xinxin opened it and her eyes lit up as she held her breath excitedly...

Chapter 376: That Little B*tch Is Dead This Time For Sure!

Obviously, it was an erotic photo!

Plus, the photo seems to have been taken at a luxurious hotel.

On the luxurious bed, a woman with a hot figure was entangled with a blonde foreign man.

Looking at her expression, it was obvious that she was enjoying herself very much, plus her actions were completely unrestrained.

In fact, not even actresses on the small screen performed as well as she did.

However, what really made Bai Xinxin extremely excited was that the woman in the photo, that delicate and fair face, was a face that Bai Xinxin would not have mistaken no matter what.

This was because the woman was precisely the very person she had hated to the core.

“Luo Chenxin!”

At that moment, the detective called again.

“Miss Bai, have you seen the photo?” We used Miss Luo’s photo to search the entire Internet Cloud. In the end, this photo suddenly popped up. The link pointed to an illegal website that specialized in posting candid videos. Moreover, the time this photo was posted was during the past few days.

“The person in this photo is exactly the same as Miss Luo. However, apart from working and picking up her daughter, Miss Luo rarely goes anywhere else. She doesn’t seem like someone who would cheat and have an affair. Therefore, this is most likely someone who merely looks like her...”

“No, this is her!”

boxn ov el. c o m

Bai Xinxin suddenly spoke, interrupting the detective’s long speech.

“I can guarantee that this is definitely her!”

Then, a cold smile appeared on her lips.

‘Before Luo Chenxin and Mu Yichen got engaged, she was a famous socialite in T City’s upper circle. So, there were many men who had affairs with her!

‘It would not be an exaggeration to say that she’s literally a broken shoe.

‘Therefore, the person in this photo is most likely her.

‘Even if Luo Chenxin has really changed for the better and the person in this photo really is someone who looks like her...

‘It doesn’t matter because this woman’s dark history is right here.

‘On top of that, Young Master Mu is such a proud man.

‘So, if he sees his wife meddling around with another man, his first reaction would definitely be to fly into a fit of rage!

‘Even if that little slut is able to come up with a hundred excuses, she wouldn’t be able to explain herself clearly.’

At that thought, Bai Xinxin said gloomily, “Didn’t you say that the link to this photo points to a secretly taken video? Where’s the video? Why didn’t you send it over?”

The detective was stunned. “Uh, about that... I don’t know if this photo is genuine or not! Besides, there’s a fee to have the video downloaded, so...”

“Download the video immediately! I’ll pay you 10 times the price!”

Bai Xinxin hung up the phone and finally smiled. "With this photo and the video... That little b*tch is dead for sure this time!"

...

At 6 pm, Mu Yichen had just ended the video conference when he received a call from home.

"Daddy, when are you coming home? Big Sister made such a fragrant sweet and sour fish! She didn't let Tang Tang have a bite and said that she would only give Tang Tang a bite when Daddy is home. So, hurry up and come back!" said the little dumpling coquettishly.

The corners of Mu Yichen's mouth curled up. "I don't like sweet and sour fish. I like tomato fish now."

"What?!"

The little dumpling immediately sucked in a breath of cold air.

Then, the sound of running came from the phone.

After that...

"Big Sister, Daddy says he won't be coming home for dinner!"

Mu Yichen's breath was stuck in his throat as he became anxious.

'This little dumpling... Is definitely my biological child!

'She's getting better and better at getting me into trouble!

'It's all because my little woman is so black-hearted that she's passed it on to this little troublemaker.'

After a while, the phone was picked up again. "Are you really not coming home for dinner?"

Hearing the little woman's sweet voice, Mu Yichen's impetuous feelings were instantly smoothed out.

"Tang Tang's talking nonsense. She's afraid that I'll snatch the tomato fish from her."

Luo Chenxi immediately understood and could not help but complain about him in her heart. "It's definitely because you bullied Tang Tang again. How old are you? Fighting for a piece of fish with your own daughter... That's so childish!"

Chapter 377: I Really Want To Pounce On Young Master Mu Right Now. What's Happening?

"Hurry up and come home, the food's getting cold. We won't be waiting for you if you're late."

After hanging up the phone, Mu Yichen immediately got up.

When he thought of the two people at home, one adult and one child, waiting for him, he felt like returning home. In fact, he felt as if he couldn't stay for another minute.

Half a year ago, if someone had told him that he, who was known for being a workaholic, would get off work on time everyday just to accompany his woman for dinner, he would have thought that that person was crazy!

But now...

The corners of Young Master Mu's mouth curled up. He bent down and was about to turn off his computer.

Suddenly, the computer beeped, indicating that a new email had been sent to his mailbox.

Mu Yichen did not even look at it and continued to shut it down without hesitation.

Then, he turned around and left the office.

...

Mu Yichen soon arrived home, but when the little dumpling saw him, she was obviously shocked since her small mouth opened into an "O" shape.

"Daddy..."

boxn ov el. c o m

Mu Yichen glanced at her. "Just now, I seem to recall a child saying that her father won't be coming home for dinner?"

"Really? Which child said that? Tang Tang doesn't know her!" the little dumpling said in a serious tone as she shook her head.

"You little troublemaker!"

Mu Yichen narrowed his eyes.

Then, Luo Chenxi quickly carried the little dumpling into her arms. "Don't bully Tang Tang! Go wash your hands now, it's time to eat!"

The two girls had innocent expressions on their faces at that moment, rendering Young Master Mu completely speechless.

After eating, Luo Chenxi coaxed the little dumpling to sleep.

Then, she took out a drawing board and leaned on the sofa before starting to draw up some designs.

Although the new series had just been released, the design tasks for the next issue had already been assigned.

So, although Luo Chenxi had just started working there, she was in charge of the design work for the entire series. Hence, she had a high starting point and was under a lot of pressure.

Even though she had already gotten off work, she was still thinking about her new designs.

"So, is this your so-called nine-to-five working hours? First, you worked overtime for seven days. Now, instead of working overtime, you've brought your work home to do?"

The man's voice revealed an obvious displeasure as it suddenly sounded in her ear.

Hence, Luo Chenxi was shocked. "Mu... Mu Yichen, when did you come in? Why was there no sound when you walked in?"

“What else are you able to notice other than your work?”

Luo Chenxi waved her hand and comforted him. “Be a good boy now and go play by yourself first. I’ll come accompany you after I’m done.”

Young Master Mu’s face turned even darker when he heard this.

‘This woman... Did she just dismiss me as if I’m the little dumpling?’

Hence, Luo Chenxi, who was engrossed in her drawing, had the pen in her hand suddenly taken away.

Then, her body was lifted in the air.

“Mu... Mu Yichen, what are you doing...”

Before she could finish her sentence, she was thrown onto the bed.

Then, the tall man stood in front of the bed, casually pulled off his tie and threw it on the ground.

Then, he reached his hand to the collar and unbuttoned the top button, revealing his sexy collarbone.

At that moment, Luo Chenxi stopped struggling and her gaze involuntarily followed the man’s slender fingers all the way down.

Mu Yichen deliberately slowed down as he unbuttoned the buttons one by one.

As his strong and perfect muscle lines appeared bit by bit. Luo Chenxi subconsciously swallowed a mouthful of saliva.

‘Oh no, oh no!

‘My love for handsomeness is becoming more and more serious now.

‘I really want to pounce on Young Master Mu right now. What’s happening?

‘Is it possible that Wu Lingshan has successfully drugged me that day? Has the effects of the drug lasted until tonight?’

Mu Yichen looked at the little woman’s confused gaze and the corners of his mouth curled up.

At that moment, his phone rang.

Luo Chenxi suddenly woke up and remembered that she had not finished her work yet.

Hence, she quickly picked up Mu Yichen’s phone and handed it to him.

“It’s already so late, yet someone’s still looking for you. So, it must be something important. You should settle your business first while I continue drawing some more. Hurry up and go!”

Mu Yichen frowned and subconsciously glanced at the screen...

Chapter 378: Where Else Would You Possibly Find A Wife Who’s So Considerate and Not Clingy To You?

He saw that a text message from an unknown number had popped up.

'Young Master Mu, I'm afraid you don't know what that b*tch, Luo Chenxin, has done behind your back. I have an indecent video of Luo Chenxin that has been sent to your email. After seeing it, you will definitely have some unexpected gains.'

There was also a photo attached to the text message.

However, the photo was too big and it was still buffering.

Mu Yichen originally wanted to throw the phone away, but when he saw the three words "Luo Chenxin", he could not help but frown and looked at it for two more seconds.

Luo Chenxi held the phone with both hands and was sore. Hence, she pursed her lips and urged, "Take it, hurry up and take your phone! What are you looking at?"

Mu Yichen took the phone and deleted the whole message before the photo was downloaded. Then, he blocked the number.

"It's nothing, just a spam message."

Mu Yichen did not pay any attention to the message at all.

He was not called a national husband for nothing.

Ever since he got engaged to Luo Chenxin three years ago, many of his fans could not accept the reality and rushed to send him all kinds of dirt about Luo Chenxin.

In fact, this was also one of the reasons why he hated Luo Chenxin more and more.

boxn ov el. c o m

However, ever since he decided to have a good time with his little woman, he was immune to such news.

'Other than being a little stupid sometimes, my wife has no other shortcomings.

'Of course, even when she does something stupid, she's also very cute.

'So, this dirt is definitely fake and it's unbearable to look at.

'But this time, the person who's trying to slander her is obviously quite skilled, even being able to get my cell phone number...'

At that thought, Mu Yichen threw his cell phone away, intending to continue with whatever he was doing with the little woman before he was interrupted.

However, who knew that Luo Chenxi had already jumped out from the bed and ran out of the bedroom with her drawing board in her arms.

"Hubby, you've worked hard today, so you should test early. I won't disturb you anymore, so I'll head off to the studio!"

"Come back here!" Mu Yichen shouted in a low voice.

However, Luo Chenxi ignored him and ran away in a heartbeat.

Hence, Mu Yichen frowned and stood up immediately. Then, he used the universal key to open the studio's door.

As soon as Luo Chenxi sat down, she saw Young Master Mu following her and glared at him unhappily.

"I told you I have to work. Can't you show some understanding? I haven't been pestering you when you were working overtime, did I?"

"Do I have to thank you for that then?!" Young Master Mu was furious at that moment.

'When other women's husbands are working, they would always ask about his well-being and serve him whole-heartedly.

'Yet, my wife... Is even busier than I am!'

With an expression as though it was something normal, Luo Chenxi said "Of course, where would you possibly find a wife who is so understanding and not clingy to you?"

Mu Yichen's gaze swept across her face and the corners of his mouth curled up. "I'm the same as well."

"How are you the same?"

'You're clearly the complete opposite!

'You're neither considerate and you're super clingy...'

Mu Yichen let out a deep laugh from his throat as he slowly walked towards Luo Chenxi.

He had just unbuttoned his shirt, and now his shirt was draped over his shoulders. As he walked half-covered, he could not hide his seductive muscles.

"Although I am a little clingy, but... I am considerate..."

"Considerate... My *ss!"

Luo Chenxi's face turned red. "Go away, go away, you hooligan!"

"Tsk, I'm here to support your work, why are you asking me to go away? Don't you need models when you design clothes?"

"I don't, I'm designing women's clothes this time!"

"There's no future in designing women's clothes, it's better to change to men's clothes. I recommend that you try designing men's underwear or the sorts..."

...

At the same time, in the ward of the recuperation center, Bai Xinxin gripped her phone tightly and stared at the screen. In fact, she didn't even dare to so much as to blink her eyes.

Chapter 379: Didn't... Didn't You See That Email?

This was because Bai Xinxin didn't want to miss Mu Yichen's reply.

However, despite waiting for a long time, there was still no response coming from her phone.

"I clearly sent the email to Big Brother Mu! Since I was afraid that he wouldn't see it, I even sent him a text message as well. Yet, why is there still no reply? Could it be that Big Brother Mu is busy with work and doesn't have time to look at his phone? Hmm, that's possible. I'll wait a little longer... he'll definitely look at it in a little while!"

Hence, Bai Xinxin took a few deep breaths and told herself to calm down.

'I've already gotten a hold of such a crucial bargaining chip. That little b*tch is definitely going to die a horrible death this time.

'So, I mustn't be anxious, plus there's no need for me to be either.'

Thus, Bai Xinxin waited for another hour.

An hour later... She still did not receive a reply.

"What's going on? Could that b*tch be playing tricks again?"

With that said, a hint of madness flashed across Bai Xinxin's eyes.

"No, I can't wait any longer. If I wait any longer, I will be sent overseas already. Before that happens, I must see with my own eyes that that b*tch gets chased out of the Mu Family!"

Hence, she opened her mailbox and sent out a few more emails.

This time, she received a reply very quickly.

In fact, one reply after another popped up.

"Good, this is great! Luo Chenxin, you're dead meat this time. Hahaha!"

Bai Xinxin could not help but laugh out loud!

...

The next day, Luo Chenxi woke up a little late.

When she saw Young Master Mu's cold and handsome face as she headed downstairs, she immediately glared at him a few times.

'It's all this man's fault!

'Originally, I planned to finish the first draft of the designs last night.

'In the end, because he kept pestering me, I didn't get to finish my work. Plus, I was almost...

'Fortunately, I managed to escape because my period arrived.'

When she thought of Mu Yichen's expression when he saw that piercing red color, Luo Chenxi couldn't help but laugh.

'Hmph, serves him right!'

Mu Yichen pursed his lips and watched as the little woman finished her meal quickly.

Then, she personally tied the little dumpling's pretty pigtails and tidied up her princess dress.

After that, she held the little dumpling's hand and walked out, completely ignoring him throughout the entire process!

Hence, he could not help but say, "Stupid woman, don't run around after work. I'll pick you up."

The day before yesterday at the Secret Club, he saw the little woman lying drunk in Sheng Yu's arms. At that time, he was filled with anger, but he could not vent it.

In the end, he decided that he would drive her to work everyday.

'I'm going to use actual actions to declare my sovereignty to Sheng Yu.'

When Luo Chenxi heard this, she was stunned for a moment. "No need. I have an appointment with Fang Ziqian tonight, so I won't be back for dinner."

"What?!" Mu Yichen frowned.

However, Luo Chenxi carried the little dumpling and ran away quickly.

...

When Mu Yichen arrived at the company, he was not in a good mood. Thus, the temperature around him seemed to have dropped.

At the time, Zhuo Feng was already very experienced and knew that his president's bad mood was most likely related to the Young Madam.

Hence, the only way for him not to become cannon fodder was to be as good as possible.

Thus, he carefully reported, "Eldest Young Master, before you arrived, Second Young Master has called you four or five times. Apart from him, the Eldest Young Master Bao, the Third Young Master He and the Second Young Master Bai called you as well..."

Mu Yichen frowned, "What's going on? Why are so many people looking for me?"

"Umm... They didn't say the reason..."

Actually, Zhuo Feng was worried that he would end up causing delays, so he asked them the reason for their call.

However, everyone was hesitant and refused to give a definite reply. Instead, they only asked Mu Yichen to call them back as soon as he arrived at the company.

At that moment, Mu Yichen was about to say something when the phone on the table suddenly rang again.

Hence, he answered it casually.

He Jinsi's anxious voice sounded, "Yichen, why can't I reach you on your phone? You mustn't overthink things! Calm down! I'm telling you, the authenticity of that video can't even be confirmed, so you mustn't be rash..."

"What are you talking about?" Mu Yichen was confused.

He Jinsi was stunned, "Didn't... Didn't see that email?"

Chapter 380: The Blood In His Entire Body Seemed To Have Frozen In An Instant

"What email?"

As soon as Mu Yichen spoke, he remembered the text message he received yesterday.

'Could He Jinsi be referring to the email mentioned in the text message?

'But, why did He Jinsi receive it?'

He Jinsi hesitated and said, "Umm... I can't explain it clearly, so you'd better watch it yourself. However, I have to remind you not to be impulsive. You mustn't be impulsive!"

With that said, Mu Yichen frowned and opened the email.

In the long string of work emails, there was a particularly eye-catching email title. "Evidence of Luo Chenxin's marital infidelity!"

Mu Yichen hesitated for a moment and remembered He Jinsi's words just now before he moved the mouse to click on it.

As soon as the email was opened, a flirtatious cry immediately came out.

"En... En... Ah... Ah..."

Bai Xinxin had especially set a programme in the email. Hence, the moment it was opened, the video would automatically play.

Mu Yichen's loudspeaker had always been on speaker mode, and this time, the soft moan immediately filled the entire room.

Even Zhuo Feng, who was sitting in the outer room, heard it. He came over and knocked on the door. "President, what's happening..."

"Get out!"

Hearing Mu Yichen's cold and stern voice, Zhuo Feng shuddered and hurriedly ran away.

Young Master Mu did not have the time to pay attention to him. His eyes were fixed on the man and woman in the video. The expression on his face instantly became extremely stiff. The corners of his mouth were tightly pursed and his eyes were filled with malice.

He could not be more familiar with the appearance of the woman in the indecent video since she looked exactly the same as the little woman in his house!

He Jinsi heard the sound from the phone and could not help but speak up, "Yichen, you've already seen the email, haven't you? I feel that this is really too strange. Luo Chenxin isn't a fool. So, with a husband like yourself, why would she have an affair? It's unlikely that the woman in the video is her..."

"Alright, I get it. I'll get to the bottom of this."

Mu Yichen gritted his teeth as he said that.

He also didn't believe that the little woman who would blush even when he kissed her was the slut in the video.

'I must find out who deliberately posted such a video and smeared my little woman!'

On the other hand, He Jinsi was relieved to hear that He Jinsi was speaking normally.

"It's good that you're so calm. It hasn't been easy for you and Luo Chenxin to get to where you are today, plus you already have Tang Tang. So, you mustn't be easily provoked by others."

Ever since they met at Elder Bai's birthday party, He Jinsi had had a good impression of Luo Chenxi.

On top of that, after he found out that she risked her life to save the little dumpling, his impression of her changed completely.

"Yes, I know."

"If there's anything you need help with, feel free to look for me."

Mu Yichen hung up the phone and was about to turn off the video.

But at that moment, the woman in the video turned her body from a lower position to a higher position and directly rode on the foreign man's body.

In fact, she even raised her neck excitedly and let out a wild sound.

Then, Mu Yichen's gaze swept over the woman's back and was instantly stunned.

On the woman's lower back, there was a bright green birthmark on her fair and tender skin.

Actually, this birthmark was only a quarter of the size of a palm and the color wasn't deep. However, because the woman's skin was too fair, it was still quite eye-catching.

And this birthmark... Was the exact same one that he had just seen on the little woman at home yesterday!

Hence, Mu Yichen's gaze subconsciously moved up and landed on the woman's collarbone.

There, a black mole the size of a grain of rice could be clearly seen..

Mu Yichen felt as if he had fallen into an ice cellar as the blood in his body seemed to freeze in an instant.

Bam!

The computer monitor was thrown to the ground by him and instantly shattered into pieces...
