

Sweetheart 391

Chapter 391: Establishing The Correct View Of Love For Their Daughter

Luo Chenxi felt Bao Tingyuan's strange gaze upon her. However, she didn't think too much about it.

After she sent the little dumpling off, she went to work. However, she ended up being a little late because of the delay.

Fortunately, she was now a senior designer and had her own office, so being late didn't attract anyone's attention.

When it was 5pm, she immediately packed her things and prepared to get off work.

She didn't forget that she had promised Young Master Mu to get home before 6pm that day. 'If I'm late, Mu Yichen would probably cause me trouble again.'

In fact, when she got home, Mu Yichen was already waiting for her at home.

Luo Chenxi stuffed the little dumpling into his arms. "Look after Tang Tang for a while while I whip up a dish. Today, I especially asked Sister Chen to buy some fresh shrimps that can be used to make fried shrimps."

'According to my observations during this period of time, Young Master Mu likes seafood, and the little dumpling has inherited it from him.

'Not only does he like sweet and sour fish, but he also likes other seafood.'

On the other hand, because Mu Yichen failed to catch Bai Xinxin that day, he was in a bad mood. Hence, he kept a straight face the entire afternoon, scaring Zhuo Feng and the others.

However, the moment the little woman stepped into the house, he suddenly felt relaxed.

It was as if his restless heart had found a safe haven.

Hence, he hugged the little dumpling with one hand and grabbed Luo Chenxi's wrist with the other.

With a slight force, he pulled the little woman, who was trying to escape, into his arms.

"Hey, what... What are you doing?!"

Luo Chenxi fell onto the sofa in a flurry, afraid that she would crush the little dumpling.

Mu Yichen lowered his head and sealed her lips, stopping her from crying out in surprise.

He was already very familiar with this action, so familiar that even Luo Chenxi did not notice that something was wrong. Instead, she obediently raised her little face and let him kiss her.

"Daddy! How long are you two going to kiss? Tang Tang also wants Big Sister to kiss her!"

Hearing the little dumpling's voice, Luo Chenxi was suddenly jolted back to reality. Then, she pushed the man in front of her away.

“You, you, you... You’re being a bad influence on Tang Tang again!”

Following Chenxi’s push, Mu Yichen leaned back lazily on the sofa, revealing a mischievous smile, “How am I being a bad influence to her? There’s a point of view in psychology that when parents have a good relationship and often make out in front of their children, their children will be given the correct view of love and they will know that they should be passionate and direct when they love someone...”

“Nonsense! This won’t do, I can’t let you be a negative influence to Tang Tang, you’re teaching her all the bad stuff!”

‘Isn’t the little dumpling direct enough already? We already have a son-in-law!

‘Now that he’s said it so grandly, the little dumpling is really going to get married early in the future. Hopefully, he won’t cry when that happens!’

At that thought, Luo Chenxi kicked him hard. Then, she picked up the little dumpling, turned around, and left.

And so, the mother and daughter went into the kitchen together.

On the other hand, Mu Yichen laid on the sofa without moving. As he listened to the waves of laughter and shouts coming from the kitchen, the corners of his mouth couldn’t help but curl up.

‘I was right not to say anything yesterday.

‘At the very least, I wouldn’t have ruined such a beautiful life.’

However, for some reason, whenever he thought of that video, he felt a faint sense of unease in his heart...

...

Three days later in a small town in Country F.

“Let me out! Let me out!”

Bai Xinxin’s angry cries came from the luxurious villa.

Bai Shixun had forced her into the helicopter and she had flew for more than 10 hours across the Pacific Ocean to Country F.

Then, she was placed under house arrest.

Apart from that, her passport and credit cards were taken away, and there were bodyguards on duty at the entrance of the villa every day.

Bai Xinxin was so angry that she even hated Bai Shixun.

“D*mn you, Second Brother. Is your surname Bai or Mu? How could you treat me like this? This is too much!”

In fact, she didn’t believe what Bai Shixun said about how she was in big trouble at all. She sincerely believed that after Mu Yichen saw her video, he would divorce his wife.

Chapter 392: How Dare A Despicable Creature Like Him Kiss Me. How Disgusting!

'I've already thought it through and through. I was going to take advantage of Mu Yichen's divorce to comfort the man whose feelings have been hurt.

'I want to let him know who is the woman who truly treats him well!'

'However, I'm being watched by Second Brother's men right now. There's no way for me to even take a step out of the villa!'

At that thought, she angrily smashed everything in the room that was smashable.

The bodyguards outside couldn't stand it anymore and pushed the door open to enter. Then, they tried to persuade her, "Young Miss, please stop smashing stuff. What good will it do other than infuriating yourself? Second Young Master won't abandon you. So, you should rest in country F in the meantime. After a while, Second Young Master will definitely take you back."

"What could you possibly know? Right now, I want to..."

Bai Xinxin's hysterical scream came to an abrupt end.

Because she suddenly saw the appearance of the bodyguard in front of her.

She still remembered this person. Back then, he used to be a bodyguard of the Bai Family's old mansion and was highly regarded by Elder Bai.

However, when she was 16 years old, a servant suddenly reported him for hiding Bai Xinxin's photo for himself...

Hence, Elder Bai was furious and chased him away.

'I didn't expect that he would be sent here as well.'

boxn ov el. c o m

At that thought, Bai Xinxin rolled her eyes and came up with a plan.

Hence, she raised her leg and kicked over a chair beside her. At the same time, she threw herself on the ground and pretended to fall heavily.

The bodyguard had been observing the situation in the room. When he heard the noise, he immediately rushed in.

"Young Miss, what happened? Are you hurt?"

"I..."

Bai Xinxin struggled to stand up.

So, the bodyguard reached out to support her.

Then, Bai Xinxin fell into his arms...

"Young Miss?!"

Bai Xinxin deliberately put her head on his shoulder and blew into his ear before she pitifully said, "Brother Yue, Second Brother is just so cruel. Why is he locking me up here? You've got to help me! I know that you treat me the best!"

The bodyguard's heart instantly beat faster when he heard this.

He did not expect Bai Xinxin to actually remember his last name and even said that he treated her the best!

The goddess that he had been secretly in love with for so many years suddenly became so friendly to him, thus causing him to panic for a moment.

"Ahem, Young Miss, Second Young Master must have his reasons for doing this. He must be doing this for your own good..."

"For my own good? Second Brother doesn't know anything at all! I have depression to begin with, so I can't be locked in a room. Otherwise, I might commit suicide! But, Second brother doesn't care about this at all..."

"Please, can you let me out? If I stay here any longer, I really will die!"

Bai Xinxin hugged the bodyguard's arm and acted coquettishly as she said that.

In an instant, the bodyguard completely fell for her.

However, he was still hesitating. "But... Young Miss, Second Young Master said that he'll teach anyone who dares to let you out a lesson..."

"You're just going to let me out for a walk to relax, so how could he possibly find out? It's not as if I'm not coming back. Don't worry, I don't even have a passport on me, so where could I possibly run to?"

After she said that, Bai Xinxin even sacrificed herself and kissed the bodyguard.

Hence, the bodyguard was so excited that he pressed her to the ground and kissed her wildly. At the same time, his hands moved up and down, almost stripping her off her clothes.

Bai Xinxin endured the nausea and let him take advantage of her before she received the permission to sneak out.

After that, the bodyguard asked her to return in an hour.

However, Bai Xinxin had no intention of returning at all.

Although she didn't have a passport, she had worked in country F when she was a model, so she had friends there. Hence, she could find a way to return to the country.

As for whether that bodyguard would be punished by Second Young Master Bai, she didn't care at all.

"How dare a despicable creature like him kiss me. How disgusting!"

After she said that, she entered the city and was about to take a car to find her friend.

When she turned around, she saw a familiar figure and her face was filled with shock. “Luo... Luo Chenxin?!”

Chapter 393: You’re Saying That Mu Yichen And I Are Already Married?

Bai Xinxin stood rooted to the ground in a daze because she couldn’t believe what she had just seen!

After all, Luo Chenxin, who was supposed to be in China, had actually appeared on the streets of Country F.

Moreover, she was tightly holding onto the arm of a man beside her.

‘That’s the blond man who was the male lead of that indecent video!’

For a moment, Bai Xinxin thought that she was hallucinating as a result of being locked up for such long periods of time!

At that moment, Luo Chenxin turned around and saw her too.

Hence, she revealed a surprised expression. “Bai Xinxin?”

Bai Xinxin instantly snapped back to her senses and felt a surge of excitement in her heart. Then, she strode over to Luo Chenxin and pointed at her nose before scolding her.

“Luo Chenxin! I knew you were a promiscuous slut who seduced men everywhere! You hid from Brother Mu and came overseas, but I still caught you! I’d like to see how you’re going to defend yourself this time!”

Initially, Luo Chenxin felt a little guilty for being caught with another man. But, when she heard Bai Xinxin’s words, her face turned cold.

“Bai Xinxin, stop pretending. Who do you think you are to Young Master Mu? When has he ever looked you in the eye? Listen here, stop flattering yourself and mind your own business! Otherwise, I won’t remain courteous anymore!”

Bai Xinxin couldn’t stand her, but what she said was true as well.

boxn ov el. c o m

Bai Xinxin was furious when she saw how arrogant she was. “You b*tch... How dare you talk about me like that? I’ll tear your mouth off!”

After she said that, she pounced on Luo Chenxin and wanted to hit her.

However, before she could even touch Luo Chenxin’s clothes, she was stopped by two bodyguards who suddenly appeared behind her.

“Luo Chenxin, let go of me! How dare you have your bodyguards catch me?!” Bai Xinxin struggled desperately.

“Don’t you think that just because you’re married to Brother Mu, you’re really the Young Madam of the Mu family! Brother Mu has obviously been deceived by you! Mu Weiwei too, she actually believes in a

shameless slut like you! I must expose your true colors! You just sit there and wait to be chased out of the Mu Family!”

Luo Chenxin originally only wanted to teach her a lesson, but Bai Xinxin’s words confused her.

“Bai Xinxin, what do you mean? What marriage? What Young Madam of the Mu Family? What’s this about Mu Weiwei as well?”

‘What she just said... Something’s wrong.

‘I’ve even thought about marrying into the Mu Family in my dreams!

‘I was almost going to succeed.

‘However, after the car accident a few months ago, Luo Anguo clearly told me that the wedding had been postponed, didn’t he?

‘If it wasn’t because of that, I wouldn’t have been able to recuperate peacefully in Country F for so long. In fact, I’ve just been discharged from the hospital a few days ago.

‘Plus, I’ve always loved to have fun. I simply can’t stand the loneliness of being in the hospital for so long without a man to accompany me.’

Hence, it was because of this that Luo Chenxin was in a hurry to get a room with her old lover.

However, she had never thought that she would run into Bai Xinxin while walking on the streets!

Then, Bai Xinxin sneered and said, “Why are you playing dumb? Aren’t you very capable with all sorts of tactics? After you married Brother Mu, you charmed him so much that he’s fallen heads over heels for you. He believes in whatever you say. Even Auntie Mu and Mu Weiwei have acknowledged your identity! Unfortunately, your good days have just come to an end!

“I’ve told you before that a fickle b*tch like you wouldn’t be able to resist being lonely and would cheat on Brother Mu!”

“How is that possible? You’re saying that Mu Yichen and I are already married? Say that again!”

Luo Chenxin’s face darkened completely.

Bai Xinxin sneered recklessly, “Go on, keep on putting on an act...”

Before she could finish her sentence, Luo Chenxin had already walked up to her and grabbed her neck forcefully.

The expression on her face was extremely ferocious. “Tell me everything clearly! Do you hear me?!”

Bai Xinxin then realized that something was wrong. She wanted to run away, but she was blocked by the two men behind her and there was nowhere for her to escape.

Chapter 394: This Shows That The Gods Are On Your Side, On The Luo Family’s Side!

In the dark basement, Bai Xinxin was tied and curled up in a corner.

She kept wriggling on the ground and shouting indignantly, “Luo Chenxin! You damn b*tch! Let me out! Let me out! You can’t afford to offend the Bai Family. When my Second Brother finds me, you’re finished!”

However, Luo Chenxin merely glanced at her coldly.

“You talk too much... Shut her up!”

Hearing this, a bodyguard walked over and slapped Bai Xinxin hard.

Hence, Bai Xinxin’s face suddenly swelled up, and blood oozed out of the corner of her mouth.

After that, the bodyguard used a piece of tape to seal her mouth.

“Mmm... Mmm...”

Bai Xinxin’s face was full of hatred, but she couldn’t make a sound.

Seeing the ferocious expressions on the bodyguards’ faces, she finally felt scared.

She never expected that she would expose a huge secret when she met Luo Chenxin that day!

‘It turns out that Luo Chenxin has always been in country F and has never returned to China at all. Then... Who’s the woman who married into the Mu Family?!

boxn ov el. c o m

‘Moreover, Luo Chenxin has tied me up here without any explanation and no regards for the Bai Family at all.

‘Could it be... Is she really going to silence me?’

...

On the other end.

“Dad! Are... Are you crazy? You actually let that wretched girl Luo Chenxi marry into the Mu Family instead of me! How could you do such a thing? Also, you didn’t even discuss it with me beforehand. I’ve only just found out about it!”

The sound came from Luo Chenxin, who had called home. As soon as her call was answered, she started shouting in exasperation.

On the other hand, Luo Anguo, who received the call in the middle of the night, was very surprised.

However, he was still a little sleepy, so his voice was muffled, “Chenxin, you’ve already found out about the proxy marriage, have you? Sigh, weren’t we left with no choice back then? You had been involved in a car accident and were in a coma for a week. At the time, the doctors said they didn’t know when you would wake up and that you might even remain comatose forever.

“However, the date of the wedding has already been set. So, if we told the truth at the time, the Mu Family would have definitely cancelled the engagement. It’s not as if you don’t know how much Young Master Mu refused to marry you!”

Luo Chenxin was furious as she unceremoniously exposed him, "I think it's because you're afraid that the Mu Family wouldn't invest in the Luo Family's business if the wedding got canceled, am I right?"

Luo Anguo felt a little embarrassed as he coughed twice, "Ahem, Chenxin, this is only part of the reason. Most importantly, haven't I done this for you? You've already given birth to Young Master Mu's child, yet you waited for him for three years. It hasn't been easy for you to marry into a wealthy family. So, if the wedding really got canceled, all of your previous efforts would have been in vain!"

Luo Chenxin also knew that this was the case, but she was still extremely anxious. In fact, there was even an indescribable fear rising in her heart.

Hence, she gritted her teeth. "Even so, you shouldn't have let Luo Chenxi marry him! What if Young Master Mu sees through the facade?"

Luo Anguo smiled indifferently. "Chenxin, you're worrying too much. If she was exposed, the Mu Family would have long but sought revenge on me. Would they have waited until today? Besides, if we didn't have her marry him, who else were we supposed to find? The two of you really are sisters indeed, the two of you actually look so much alike. She's practically tailor-made to marry him on your behalf! This means that the Heavens are on your side, on the Luo Family's side!"

Luo Anguo recalled the moment when he realized that Luo Chenxi was so similar to her sister and became extremely excited.

He truly felt from the bottom of his heart that this was the will of the Heavens!

Hearing this, Luo Chenxin was so angry that she almost fainted!

'This father of mine is really too brainless. Even God is helping him? How could God possibly help him like this?

'It's not a coincidence that Luo Chenxi and I look so similar!'

Chapter 395: You Guys Are Too Kind With Your Methods, You Should Just Do As I Say.

Actually, Luo Chenxin had always treated what happened four years ago as her biggest secret.

In fact, she hadn't even told her biological parents about this because she had thought that this was the safest method.

'Who knew that Luo Anguo would think that he'd made a smart decision by sending Luo Chenxi to the Mu Family...'

When Luo Anguo realized that his eldest daughter had remained silent, he thought that she was jealous and quickly comforted her.

"Chenxin, you really don't have to worry, the two of you look the same anyway. So, all you have to do is hurry back to the country and you'll be able to switch back immediately!"

Luo Chenxin was about to cry from his stupidity when she heard this.

“What do you know about it? What if Luo Chenxi falls for Young Master Mu and refuses to leave the Mu Family? What if she reveals the truth that she’s just a substitute in the marriage, we’ll all be finished together!”

‘Not to mention, I’m hiding an even bigger secret! If Mu Yichen were to find out, I’d definitely be skinned alive!

Luo Anguo frowned, “How is that possible? Luo Chenxi is in the same boat as us. If she tells the truth, the Mu Family will not let her off either. So, how could be so stupid as to confess and court death? Unless... She has actually fallen for Young Master Mu. However, Luo Chenxi is an abandoned child who grew up in an orphanage, so how could a rich and noble Young Master like Young Master Mu love her?”

“So what if she’s abandoned? She could be good in bed, couldn’t she? She could still charm him!”

Luo Anguo sneered, “Chenxin, you’re thinking too much. Young Master Mu doesn’t get close to women, he might even be gay. So, how could he possibly be attracted to such a young girl?”

Luo Chenxin was so angry that she almost fainted!

boxn ov el. c o m

‘How could Mu Yichen not be attracted to a young girl?’

‘That year, after he slept with Luo Chenxi in a hotel in country Y, he’s been looking for her for so long because he could not forget her.

‘Otherwise, I would not have been so cautious that I would’ve only dared to bring the little dumpling to the Mu Family with me after having my body and face changed.

‘I was afraid that Mu Yichen would still remember Luo Chenxi’s appearance and expose me because of the minor details!

‘However, my cautiousness and efforts spent to obtain the position of Young Madam Mu is going to be destroyed by Luo Anguo!’

Just as she was depressed, Luo Anguo spoke again.

“Besides, Luo Chenxi wouldn’t dare to betray us. I’ve got something on her.”

Luo Chenxin was stunned. “Something? What is it?”

Luo Anguo briefly told her about Lu Wenjun’s heart disease and the need for a transplant.

“...So, as long as we have Lu Wenjun in our hands, Luo Chenxi wouldn’t dare to disobey me.”

Hearing this news, Luo Chenxin immediately heaved a sigh of relief.

However, she immediately thought of another question. “Then, is the heart transplant surgery... Done?”

Luo Anguo smiled and said, “Do you take me for a fool? Of course I can’t allow her to have the surgery. Would Luo Chenxi still listen to me otherwise? I’ve been stalling all this time, deliberately not letting Lu Wenjun have the surgery. Don’t worry, I know what I’m doing!”

As Luo Anguo said this, he couldn't help but laugh proudly.

Luo Chenxin was so anxious that she stomped her feet, "Dad, do you... Do you really think you can delay this forever? She won't be able to last for long if it's a heart disease. So, if you continue to delay it and Lu Wenjun suddenly dies of a heart attack, Luo Chenxi will definitely go back to Young Master Mu and tell him the truth in order to take revenge on us!"

Luo Anguo was stunned. "You're right... You're right..."

It was only at that moment did he realize that he had neglected such an important detail.

Hence, he immediately broke out in cold sweat and hurriedly asked, "What should we do then? Chenxin, hurry up and think of something!"

Luo Chenxin's face darkened. "You guys are too kind with your methods, you should just do as I say..."

Chapter 396: I Won't Make The Same Mistake Again!

After a long time, Luo Chenxin hung up the phone.

Actually, the blonde man had been waiting by the side for a long time. Hence, at that moment, he walked over and pulled her into his arms.

However, Luo Chenxin pushed him away.

Thus, the man said unhappily, "Chenxin, are you trying to kick down the ladder after you're done using it?"

Luo Chenxin raised her chin. "What do you mean by that? Reese, don't get me wrong. I seem to have told you before that we are just bedmates."

Reese caressed Luo Chenxin's waist and said with an evil smile, "Are you really going to return to the country and marry that rich young master? Why don't you just come with me instead? I admire how ruthless and merciless you are very much."

Actually, Reese was born as a mercenary and operated a medium-sized underground force in Country F.

A year ago, he met Luo Chenxin in a bar and the two of them had s*x on that very same day.

'To be honest, even though I've been with a lot of women, I've never met anyone as strong as Luo Chenxin.'

Before Luo Chenxin's car accident, the two of them were actually very close.

It was then that he found out that Luo Chenxin actually had a fiancé. To top it off, he was the heir of the world-renowned Mu Family!

On the other hand, when Luo Chenxin was touched by the man, her legs suddenly felt weak and she smiled as she pushed him.

boxn ov el. c o m

“Tsk, tsk, what do you have that could make me want to be with you? If your wealth is at least one percent of the Mu family’s, I might just consider it.”

Reese was a little embarrassed, “You really are a snobbish woman. I’m actually beginning to sympathize with Young Master Mu for actually wanting to marry a woman like you. Not only has he been cheated on multiple times, you’re only in it for his money...”

Luo Chenxin interrupted him at that moment. “Who said I’m only in it for his money? Mu Yichen’s face and figure aren’t something you can even begin to compare to. If he hadn’t been so cold to me, would I have to look for you?”

“What do you mean? Who was it that made you moan like that the entire night? Have you forgotten about it already? Hmm?”

As Reese was unwilling to accept what she had just said, he caressed Luo Chenxin’s body.

Hence, Luo Chenxin panted and said, “Stop messing around. After I return to China, I still need your help! There are some things that... Only your underground forces can get done. Don’t worry, as long as I have a firm foothold in the Mu Family, I will definitely not forget about your benefits!”

After that, the two of them went at it for a while before they finally stopped and the room returned to its usual calm.

As Reese lifted his pants, he asked, “By the way, how should we deal with that woman in the basement? Based on her tone, she seems to be the daughter of some wealthy family?”

“You mean Bai Xinxin?”

Luo Chenxin narrowed her eyes. “Do whatever you want with her. In any case, we can’t let her return to China. It’s best if we can make her disappear forever! It hasn’t been easy for me to arrive at where I am today. I can’t just let her ruin my plans!”

‘In the past, it was because I was merciful that Luo Chenxi was left behind.

‘So, I’m not going to make the same mistake again!’

...

Half an hour later.

Bai Xinxin was dragged out of the basement before the tape on her mouth was torn off.

Although the corner of her mouth hurt, she could not care about it anymore and immediately shouted.

“Please, let me go! Let me go! My family has money, so as long as you let me go back, my second brother will pay you all the money you want! I guarantee!”

The leading bodyguard grinned and said, “You thought you could just leave after entering our territory? Dream on! Miss Luo has already given you to us, so you can stay here in peace.”

“Wh... What do you mean?” Bai Xinxin had a bad feeling.

The bodyguard said, "What I mean is... If you want to live, you have to serve us brothers well! Otherwise, no one will know even if you die here!"

Chapter 397: Big Sister, Don't Be Scared! As Long As Daddy Hugs You, You Won't Be Scared Anymore!

Bai Xinxin suddenly understood what was going to happen and her face was full of fear.

"No! Stop! Don't come over! Help, help!!"

"Shut up! You could still suffer less if you keep quiet. Otherwise... Hehe..."

After that, a few bodyguards swarmed over and tore Bai Xinxin's clothes within a few seconds.

"No... !!"

Despite the screams echoing in the room, they couldn't be heard at all..

...

Meanwhile, somewhere else, it was late at night.

The burning sensation went from her lower abdomen all the way up to her head.

Her whole body was sore and weak.

Luo Chenxi tried her best to raise her head and take a deep breath, but she felt that it was getting harder and harder to breathe..

"Baby, you're so sweet... So beautiful..."

boxn ov el. c o m

The man's passionate voice was obviously hoarse as it sounded in her ears.

Luo Chenxi was a little dazed. 'This voice sounds a little familiar...'

Suddenly, a dull pain came from below, causing her to instantly exclaim in shock.

"Ouch... It hurts..."

"Good girl, bear with it... I will take care of you, so don't resist me..."

The man's voice became even sexier and more affectionate, with a hint of gentleness in it. Then, a passionate kiss landed on the corner of her lips.

Under the intense impact, she fainted.

After an unknown amount of time, she found herself running on a long street.

Behind her, the sound of a car's honks was getting closer and closer.

Hence, she ran as fast as she could, but no matter how hard she tried, she could not escape.

In the end, there was a violent collision!

Then, blood filled the air in front of her...

“Big Sister, Bis Sister! What’s the matter? Wake up!”

At that moment, a soft voice sounded beside her ears, and two warm little hands were pressed against her face.

Luo Chenxi woke up in shock and sat up immediately.

The little dumpling almost fell off the bed at that moment, so she quickly grabbed Luo Chenxi’s clothes.

“Uwuu...”

The moment she heard the little dumpling’s cries, Luo Chenxi came back to her senses and carried her back to the bed.

“Tang Tang, are you okay? I accidentally pushed you just now.”

“Tang Tang is fine.” The little dumpling shook her head and stared at Tang Tang with her round cat eyes. “Did you have a nightmare, Big Sister?”

“I...”

Luo Chenxi frowned.

‘Ever since I arrived at the Mu Family, I haven’t had that dream for several months already.

‘I thought that with the little dumpling’s healing, I’ve forgotten about my past inner demons. Who would’ve thought...’

“Daddy!!”

The little dumpling suddenly sat up on the bed and shouted at the door.

Hence, Luo Chenxi looked up and saw Mu Yichen walking in with big strides.

“Stupid woman, why aren’t you up yet?”

Before Luo Chenxi could say anything, the little dumpling had already opened her mouth, “Daddy, Big Sister had a nightmare!”

“What?” Mu Yichen looked at her in surprise.

At that moment, he realized that the little woman’s face was indeed pale, and there was even cold sweat on her forehead.

Hence, he suddenly became nervous and quickly walked to the bed.

“Stupid woman, what’s wrong with you?! You’re so stupid! I didn’t come home to sleep with you for one night because I had to work overtime yesterday, and you’re already having nightmares because you miss me?”

The corner of Luo Chenxi’s mouth twitched when she heard that, and she instantly forgot about the nightmares.

“Who said I missed you?!”

'Do you have to be so narcissistic?

'You have no idea how happy I was when you weren't at home last night, you jerk!'

Then, the little dumpling tugged on Mu Yichen's sleeve, "Daddy, go hug Big Sister! Big Sister, don't be scared! When Tang Tang has nightmares, as long as Daddy hugs me, I'm no longer scared!"

Luo Chenxi was embarrassed for a moment, but before she could say anything, Mu Yichen picked her up horizontally.

"If you want me to carry you, just say it."

"No, I didn't! Put me down!"

Luo Chenxi was so angry that she wanted to kick him. However, she was carried all the way to the dining room after washing up.

On the other hand, Mu Weiwei was completely blinded by the amount of affection shown that early in the morning. Hence, she couldn't even eat her breakfast properly. Hence, she lowered her head and stuffed her food into her mouth with a pained expression.

Beside her, Tan Yueru was calculating when she would be able to have a grandson.

Hearing the Mu Family's sneaky laughter, Luo Chenxi wished she could find a hole to hide in.

Hence, she couldn't help but pinch Mu Yichen's thigh hard.

After eating, Mu Yichen personally drove his car to drive the little dumpling and Luo Chenxi off.

As his Maybach slowly drove out of the Cloud Lake Villas, no one noticed that an ordinary looking black sedan was secretly following behind.

Chapter 398: Her Current Status At Home Is Vanishing Into Thin Air?

The Maybach stopped at the entrance of Silver Shine Kindergarten when it arrived

The little dumpling sat in the car and looked around, a little disappointed that she could not see Bao Shaoxuan anywhere.

On the contrary, Luo Chenxi was a little happy.

'If the little dumpling pounces on her Brother Shaoxuan as usual and Mu Yichen sees it...

'Hang on, why am I suddenly worried about my little Son-In-Law?'

At that thought, Luo Chenxi held the little dumpling's hand and got out of the car.

As soon as the little dumpling confirmed that Bao Shaoxuan wasn't around, she pouted as she turned to kiss Luo Chenxi on the cheek.

"See you, Big Sister!"

Luo Chenxi patted her little head. "Go on then, have fun in kindergarten!"

Other families were afraid that their children were too timid and would be bullied in school.

However, their family was different.

boxn ov el. c o m

After all, the little dumpling came from a powerful family background. Apart from that, she also had an adorable little face and inherited Young Master Mu's overbearing personality. Hence, she was like a queen in kindergarten.

In fact, it was a relief to see that she did not bully other children.

The little dumpling puffed up her little face and stood on her tiptoes, insisting that Luo Chenxi kissed her back before she ran into the kindergarten.

Then, Luo Chenxi watched her run in with a smile on her face.

As soon as she turned around, she saw Mu Yichen's dark expression.

"Umm... What's wrong with you?"

'What's gotten with him all of a sudden?'

However, Mu Yichen silently gritted his teeth.

Actually, after the little dumpling kissed Luo Chenxi, he thought that his little princess would kiss him goodbye as well!

In the end...

The little dumpling snuggled in the little woman's arms for a while before running away...

'She ran off...

'She ran off...

'Why do I feel like my status in the family is vanishing into thin air?'

Although Young Master Mu was very depressed, he could not say it directly. Hence, he glanced at the little woman.

"What are you waiting for? Get in the car! After I send you to SL Group, I have to go back to the company for a meeting!"

Thus, Luo Chenxi quickly sat back in the passenger seat and whispered, "You didn't have to drive me if you've got something to do though. You could've asked Old Liu to drive me there, or I could even call for a taxi..."

"Sh*t up, you're so noisy!"

Mu Yichen's face turned even darker as he glared at her. Then, he suddenly stepped on the accelerator.

Luo Chenxi did not sleep well last night and suddenly felt dizzy because of it. "Hey, hey... Could you slow down a little?!"

When they finally reached the entrance of SL Group, Luo Chenxi quickly unbuckled her seatbelt and got out of the car.

However, she had only taken a few steps when the man grabbed her wrist and pulled her back into his arms.

“What are you...”

Before she could finish her sentence, the man had already lowered his head and sealed her lips.

‘Who said that the little dumpling is the only one who can kiss the little woman goodbye?’

‘I’m the head of the family, so I have every right to do so!’

Hence, Mu Yichen kissed her for a long time.

Luo Chenxi was afraid of being seen, so she pushed him a few times anxiously.

When the man finally let go of her, her cheeks turned red and she glared at Mu Yichen angrily.

“Didn’t you say you have a meeting to rush to? Why are you wasting time here? You can leave right now! So, hurry up and leave!!”

‘She actually dares to give me the cold shoulder?’

‘She’s too gutsy, it’s time to punish her properly when she gets home!’

At that thought, Mu Yichen narrowed his eyes as a dark light flashed across his eyes.

Hence, Luo Chenxi shuddered and instantly reacted by quickly grabbing her folders before running away!

Mu Yichen stared at her for a while before he turned around, got into the car, and drove away.

Not too far away from them in a black car...

Luo Chenxin looked at the scene in front of her and was about to explode in anger!

“I knew it... I knew it! This b*tch has really enchanted Young Master Mu again! D*mn it, Daddy is really stupid, he’s actually sent Luo Chenxi to Mu Yichen’s side again!”

Chapter 399: After She P*sses Off, All Of This Will Belong To Me!

In the driver’s seat, Reese, who was in charge of driving, laughed.

“So this is your sister? I hate to say this, but she’s more charming than you. Young Master Mu and your daughter seem to like her more!”

Luo Chenxin’s expression turned even uglier. “Just one look is enough to tell that this little b*tch is a conservative person. She’s probably like a dead fish on the bed. Why would Mu Yichen like that type?!”

Reese said, "That might not be the case. Not every man loves a beautiful person like you. Perhaps Young Master Mu prefers the purer ones. Moreover, from my perspective, she's definitely not a dead fish. She might even be very good at it..."

Hearing this, Luo Chenxin was so embarrassed that she became angry. Hence, she interrupted him and said, "That's enough, whose side are you on?"

Reese spread his hands. "Of course I'm on your side. Otherwise, why would I come to China with you? Do you know that Interpol is still looking for me? I'm taking a huge risk right now, yet you don't seem to appreciate it?"

Luo Chenxin quickly said, "Of course I do, of course I appreciate it. I just got angry for a moment!"

Actually, when she first got engaged to Mu Yichen, she had held high hopes.

She felt that she had become the mother of Young Master Mu's daughter. With her experience of conquering so many men, she would definitely be able to charm Young Master Mu, who was not close to women, and become the real Young Madam Mu.

However, who knew that Mu Yichen would ignore her.

In fact, even if she called him to ask about his well-being, or even deliberately pretended to be drunk and stripped naked to lie in front of him, he was not moved.

On the contrary, Mu Yichen's attitude was getting colder and colder.

When they first got engaged, he would even talk to her a few times, but after that, he would directly avoid meeting her.

Hence, Luo Chenxin had even tried to rely on the little dumpling to play on his emotions.

However, she did not expect that the child would be so difficult to take care of, having to feed her one moment and change her diapers the next. Apart from that, the moment the little dumpling was not happy, she would burst into tears.

Hence, Luo Chenxin only pretended to be a good wife and mother for two days before she could not take it anymore. Instead, she was annoyed by the little dumpling's incessant crying, so she decided to use violence to force her to shut up!

However, Mu Weiwei happened to see this...

Hence, from that moment onwards, she was chased out of the Mu Family's villa by Young Master Mu.

Thus, since the beginning, Mu Yichen neither touched her, nor smiled at her.

However, now that Luo Chenxin saw the scene of Young Master Mu and Luo Chenxi together...

She simply couldn't accept this fact!

Seeing her ferocious expression, Reese didn't dare to provoke her.

After waiting for a while, he asked, “Chenxin, what should we do next?”

Luo Chenxin took a deep breath, she sneered and said, “Fine, I’ll admit that this little b*tch is a capable woman at the very least! However, if I look at this from another angle, she has helped me a lot! Not only has she helped me attract Young Master Mu’s attention, she’s also won Tang Tang’s favor. So, after she p*sses off, all of this will belong to me!”

After she said that, she turned to look at Reese.

“We’re sticking to the original plan. You go to Yi-Her International Hospital, while I... stay here to have a good chat with my dear sister!”

...

At 5 pm, Luo Chenxi carried a folder with her and walked out of the SL Group building.

Since she got off work early that day, the Mu Family’s car hadn’t arrived yet.

Hence, Luo Chenxi took out her phone and was about to call the driver, Old Liu.

However, at that very moment, a black car drove over and stopped in front of her.

Luo Chenxi didn’t react and didn’t even look at it.

“Luo Chenxi!”

Someone had yelled her name.

Luo Chenxi turned her head and saw the window of the car rolled down.

In the driver’s seat, a woman in a black V-neck dress slowly took off her sunglasses...

Chapter 400: From Today Onwards, We Should Switch Back

For a moment, Luo Chenxi thought she was dreaming.

She was looking at a face that looked exactly like hers!

The corners of Luo Chenxin’s lips curled up. “My dear sister, it seems like this is the first time we’ve officially met. Allow me to introduce myself, I’m Luo Chenxin.”

Instantly, Luo Chenxi’s heart was in turmoil!

‘Luo Chenxin!

‘Luo Chenxin has actually returned!

‘That’s right, there’s indeed a person who looks almost the same as me in this world... My legendary half-sister, Luo Chenxin!

‘However, didn’t Luo Anguo say that Luo Chenxin’s already dead?’

On the other hand, Luo Chenxin saw her confusion and sneered in her heart.

“Sis, it seems that we should find a place to have a good talk, don’t you think so?”

In a quiet cafe, Luo Chenxin and Luo Chenxi sat opposite each other on both sides of the table.

“Luo Chenxin, when did you return to China? It seems that you aren’t dead at all. Luo Anguo was afraid that I wouldn’t marry into the Mu Family, so he deliberately lied to me, didn’t he?”

Luo Chenxi had already recovered from her initial shock and soon guessed part of the truth.

‘No wonder Luo Anguo was so fearless.

‘I’ve long suspected that the truth about the proxy marriage would get exposed sooner or later. I could pretend in front of Mu Yichen for a month, or even a year. But, it’s impossible for me to pretend forever!

‘However, Luo Anguo seems to have never considered this problem.

‘Now that I think about it, he has probably already planned to have us switch back when Luo Chenxin returns...’

Luo Chenxin smiled and said, “You’re not that stupid after all. That’s right, I didn’t die. However, Daddy didn’t completely lie to you. I did have a car accident overseas and was in a coma for more than a month. If not for that, he wouldn’t have thought of such a method. He was really panicking at the time...”

Luo Chenxi looked at her coldly and didn’t say anything.

Luo Chenxin didn’t expect her to reply and continued talking.

“I really want to thank you for standing up and helping the Luo Family when they were in such a difficult situation. I will remember your kindness and repay you well in the future. Now...”

She paused and said in a more serious tone, “Now that I’m back, I can’t trouble you anymore. So, from today onwards, your mission is complete and you don’t have to stay in the Mu Family anymore.”

After she said that, Luo Chenxin smiled and looked at Luo Chenxi without a trace of guilt or uneasiness.

It was as if her suggestion was her being really considerate for Luo Chenxi and relieving the heavy burden on her.

However, Luo Chenxi’s face darkened.

“Luo Chenxin, what do you mean?”

“Have I not been clear enough?” Luo Chenxin smiled, “We should switch back. Originally, you were a fake bride. I heard that you were reluctant when you had to marry into the Mu Family at the time. So, now that we’re switching back, you can relax.”

Luo Chenxi stared at Luo Chenxin and saw the smile on her face that seemed like a hidden dagger.

'This is the first time I feel that my own face is ugly!'

However, she forced down the anger in her heart and coldly said, "You want me to get married on your behalf and switch back whenever you please? Do you think I'm an idiot?"

'If it were three months ago, I would've left the Mu Family in a heartbeat if she came back.

'But now, after spending so much time with the cute little princess, after seeing the awkward gentleness behind Young Master Mu's cold and aloof back...

'Just the thought of having to leave, to abandon all of them behind and pretend that I've never met them in the first place...

'It feels like my heart's being stabbed by a knife!'
