

Sweetheart 411

Chapter 411: I've Especially Learned It For You, Don't You Want To Check?

The little woman by the door was wearing a red laced lingerie.

The hollow design made her snow-white skin faintly visible.

The lingerie perfectly outlined her curvaceous figure, especially her slim waist and her heaven-defying long legs, which were enough to attract any man's gaze.

At that moment Mu Yichen had already forgotten that he was in a cold war with her.

Moreover, he had even forgotten about his own work.

As he stared at Luo Chenxi, his Adam's apple kept bobbing up and down.

Actually, that was also the first time Luo Chenxi wore such clothes. Hence, when she was in the corridor, she was still a little shy, afraid that she would be discovered by the servants or the two elders who might suddenly walk out.

But now, seeing Mu Yichen's direct performance, she was actually feeling a little cheeky.

Hence, she began walking as if she was on a stage and gracefully walked towards the man in her high heels.

On the other hand, Mu Yichen felt that his pants were a little tight and subconsciously changed his sitting posture.

"Stupid... Stupid woman..."

When Mu Yichen opened his mouth, he suddenly found that his voice was unexpectedly hoarse.

Then, Luo Chenxi squatted down in front of him and put down the thing in her hand.

Mu Yichen looked down and was even more shocked. He almost jumped up from his chair.

"You... What are you..."

What Luo Chenxi brought in was actually a portable steel pole.

Meeting Young Master Mu's shocked gaze, she poked the steel pole onto the ground and fixed the chassis.

Then, she turned around and smiled at him. "Didn't you say that you wanted me to learn pole dancing properly? I especially practiced it for you. Don't you want to check?"

Mu Yichen almost stopped breathing at that moment. His gaze then fell on her chest, which was covered by a thin gauze.

Hence, the beautiful scene in front of him had made his blood boil.

Moreover, what the little woman said made him so hot that he almost exploded!

However, before he could react, Luo Chenxi had already pressed her phone a few times.

Then, a strong rhythm from some music echoed in the room.

After that, she tightly clung onto the steel pipe and danced to the rhythm.

Her slender waist kept swaying, and her body was like a snake, circling around the steel pipe in a posture that made one's blood boil.

Luo Chenxi was extremely flexible, so she could easily perform all kinds of difficult postures.

Her slender legs were wrapped around the steel pipe, as if they were intimate contact between lovers.

Coupled with the visual impact of her bright red lingerie.

Beads of sweat dripped from Mu Yichen's forehead. He felt that his body was extremely tense and painful, and he could no longer control himself.

Hence, he stood up immediately, paced to the little woman's side, and reached out to pull her wrist.

Luo Chenxi took a few steps back, her slender waist pressed against the steel pipe, and twisted again.

Mu Yichen's heart stopped beating for a moment.

He grabbed the little woman and carried her up without saying anything.

He didn't even wait to carry her back to the master bedroom. Instead, he kicked open the door of the small lounge next to the study and threw Luo Chenxi onto the bed.

As soon as Luo Chenxi's back touched the bed, she sat up with her elbows on her hands and hid behind.

Mu Yichen placed one of his arms on the side of her neck and held the railing at the head of the bed, forming a standard bed posture, blocking the way of the little woman who wanted to escape.

Seeing that there was no way to escape, Luo Chenxi did not hide anymore. She looked at the man innocently and asked despite knowing the answer.

"What... What are you doing?"

Mu Yichen slowly moved closer to her and said in a low voice, "Didn't you say that you wanted me to check it?"

Luo Chenxi blinked her big eyes and said innocently, "I want you to check my pole dancing standards. Didn't you already check it just now?"

Mu Yichen narrowed his eyes and said, "That's not what I want to check..."

Chapter 412: The Moment He Turned Around Might Be The Last And Permanent Farewell

"What is it then?"

Mu Yichen's big hand then landed on her slender waist, and with a force...

The sound of fabric tearing could be heard.

At the same time, there was a man's low chuckle. "I want to check where this little devil has come from, because she's taken my soul away..."

...

Young Master Mu was diligently "checking" the whole night.

At the beginning, Luo Chenxi was very cooperative with the thought that she would never be able to do it if not that day.

Hence, the little white rabbit took the initiative to be eaten by the big bad wolf.

However, after being eaten several times, the little white rabbit realized that the big bad wolf had too big of an appetite!

Not only was he eating her up cleanly, he even ate her using various methods, which was literally insane!

"Mu Yichen... I don't... I don't want it anymore! Get away from me!"

Luo Chenxi raised her weak hand and wanted to struggle.

In fact, she regretted her actions very much. 'Why did I want to go learn pole dancing? I've literally shot myself in the foot!'

However, it was too late to regret it at that moment.

After all, how could the big bad wolf possibly let go of the delicious food that was already on the tip of his tongue?

Hence, after the big bad wolf was done eating in the study's lounge, he even carried the little white rabbit back to the master bedroom to continue his feast.

It was not until the sky outside the window brightened that the little white rabbit's pitiful screams stopped.

...

The next morning, Luo Chenxi woke up from the man's passionate kiss.

"Good morning."

The man's handsome face appeared in front of her eyes.

Luo Chenxi could not remember where she was at that moment, so she replied blankly, "Good morning."

Then, she recalled the passionate scenes from last night...

Her little face suddenly turned red!

Mu Yichen curled his lips. Looking at her silly look, he couldn't help but lower his head and steal a kiss from her lips.

He wanted to stop, but the moment he touched the little woman's soft lips, he started to feel hot all over again, and he couldn't help but deepen the kiss.

"Big Sister, Daddy, are you guys awake? The sun is shining on you already!"

At the door, there was the sound of knocking and the little dumpling's coquettish voice.

Hence, Luo Chenxi's body stiffened and she pushed Mu Yichen away.

"What... What are you doing? You're... So early in the morning... Again..."

Mu Yichen was pushed away by her and pressed on her again. Then, he grabbed her wrist and licked her earlobe. "Early in the morning? What about it? Tell me."

Tell... You wish!

Luo Chenxi glared at him with all her might!

'You beast!

'You shameless beast!'

However, Young Master Mu's skin was much thicker than she had imagined. He completely ignored her angry gaze and kissed her without any restraint...

"Big Sister? Daddy? Time to eat! Good children mustn't stay in bed!"

The little dumpling's voice came from outside the door again.

Thus, the two of them stopped moving again.

After that, Luo Chenxi took the opportunity to kick Young Master Mu off the bed.

"Enough! Tang Tang is screaming outside! Don't you have to go to the office today? Hurry up and get up!"

Only then did Mu Yichen get up reluctantly.

Then, Luo Chenxi rushed into the bathroom with the quilt in her arms.

In front of the floor-to-ceiling mirror, her slender figure was reflected and her fair skin was full of bruises...

"You beast!"

Luo Chenxi gritted her teeth.

'Yesterday, Mu Yichen was even more passionate than a newlyweds on aphrodisiacs. Thanks to him, my legs are trembling and my whole body is aching...'

Hence, she ended up spending a lot of effort to wash up before she went downstairs downstairs.

Luo Chenxi did not know why, but she felt that the two elders of the Mu Family and Mu Weiwei looked at her with deep and meaningful expressions.

Luo Chenxi acted guilty and pretended to be an ostrich as she buried her head in her bowl of rice. In fact, she did not even dare to look up at Mu Yichen, who was beside her.

As long as she saw his handsome and cold face, she could not help but recall the scenes from last night.

On the other hand, Young Master Mu ate very quickly.

Not long after, he pushed away the bowl and chopsticks and stood up.

“I’ve got many things to do in the company today, so I’ll be leaving first.”

Hearing this, Luo Chenxi was shocked!

She was so shocked that her fingers trembled.

Then, her chopsticks slipped from her fingertips and fell to the ground, making a soft sound.

‘Mu Yichen... Is going to leave!

Hearing the movement, the man turned to look at her with a doting look in his eyes, “What? You can’t bear to let me go? Be a good girl and wait for me at home, I’ll come back to accompany you after work.”

“I...”

Luo Chenxi opened her mouth subconsciously.

However, she couldn’t say anything.

To Young Master Mu, it was just an ordinary morning for him. Hence, as usual, he bade farewell to his family and went to work to earn money to support his family.

However, what he did not know was that the moment he turned around that time, it was likely that it would be a permanent farewell.

Chapter 413: Stay At Home And Wait For Me Like A Good Girl, Do You Hear Me?

Seeing that she didn’t say anything, Mu Yichen took a step forward and prepared to leave.

“Mu Yichen!”

Luo Chenxi’s heart trembled and she couldn’t help but shout out loud.

Young Master Mu had already walked to the door. When he heard her shout, he stopped and turned back.

He then shook his head. “What’s wrong? Why are you acting so coquettishly today? Could it be because of last night...”

He lowered his voice, and the scorching heat in his eyes emitted a pure male allure.

His perfectly shaped thin lips curled up slightly, forming a sexy arc.

Thinking of the fiery scene last night, Mu Yichen's heart also wavered.

For a moment, he did not want to leave.

Instead, he wanted to carry his little woman upstairs to the bedroom and continue from where he left off last night.

It would be best if he did not have to go downstairs for three days and three nights.

He would not want to return downstairs until he was full.

However, at that moment, Zhuo Feng walked in from the door and reminded him, "Young Master, the meeting will start in half an hour. Should we..."

Before he could finish, he choked.

Because Young Master Mu's cold gaze suddenly swept over.

Only then did he realize that he had interrupted the Chairman and the Young Madam's intimate moment.

'F*ck me!

'Being an assistant really is a high-risk job.

'Not only am I forced to watch them being affectionate everyday, but if I'm not careful, I would end up being pointed with the muzzle of a gun and my life would be in danger...

Mu Yichen lifted his thin lips. "Today's meeting..."

"Today's meeting is very important. So, hurry up and go, Mu Yichen!"

Without waiting for Mu Yichen to finish speaking, Luo Chenxi stepped in and even pushed his chest.

Hence, Mu Yichen looked upset. "Why are you chasing me away?"

"I... I'm not!" Luo Chenxi widened her eyes. "I'm being considerate. You said yesterday that you postponed an important meeting for Tang Tang and I. So, you can't postpone it for a second time today, can you?"

'If I could, I would hug this man tightly.

'Even if he stayed with me for one more second, it would be a precious memory for me...

'However...

'It's time for me to say goodbye.

'No matter how reluctant or how attached I am to him, it's only going to end with regret and sadness. So, I might as well be decisive.'

Mu Yichen frowned.

'The little woman is absolutely right.

'The project in the downtown business district is very important to the Mu Group. I can't afford to stand up for the shareholders a second time.

'But... For some reason, I have a faint feeling of unease in my heart.

'I can't help but feel that I shouldn't leave the little woman's side, not even a single step!

'Could it be because of last night's excitement?'

"Go, go!"

Luo Chenxi hardened her heart and pushed him away again.

Mu Yichen narrowed his eyes, lowered his head, and bit the corner of her lips hard.

"Stupid woman, didn't you say that Sheng Yu gave you annual leave? In that case, don't run around and wait for me at home like a good girl. Do you hear me?"

Luo Chenxi bit her lips and didn't nod.

She couldn't.

Because she couldn't keep her promise and couldn't wait for him to come home.

Seeing her hesitation, Mu Yichen was displeased and urged, "Did you hear me? If you don't listen to your husband, you'd better be careful tonight!"

Luo Chenxi's legs went weak when she met the man's burning gaze.

Hence, Mu Yichen smirked proudly and finally let her go.

"Wait for me!"

Saying that, he turned around, strode out of the villa, and got in his Cadillac which was parked in the courtyard.

Chapter 414: I Really Want To See Her Grow Up Healthily And Happily With My Own Eyes

Luo Chenxi stood at the door and stared at Young Master Mu's tall and straight figure, not even bearing to blink her eyes.

Even after the car sped away, she was still standing in the same spot, not moving at all.

"Big Sister!!"

The little dumpling's soft voice suddenly came from behind.

Hence, Luo Chenxi came back to her senses and only then did she realize that her face was cold and wet. She had actually unconsciously shed her tears.

"Big Sister, Tang Tang wants to have braided hair..."

The little dumpling urged her.

Luo Chenxi quickly wiped the tears on her face, took a deep breath, turned around, and walked to the little dumpling.

The little dumpling was sitting on the sofa in the living room as she pulled her hair.

It was obvious that she wanted to braid her hair, but she couldn't do it well no matter how hard she tried. Hence, she was so anxious that her mouth was pouted so high that it could even hang bottles.

As soon as Luo Chenxi approached, she pounced on her.

"Big Sister, Tang Tang wants to have those pleated braids today."

boxn ov el. c o m

The little dumpling nodded and emphasized strongly as she said that.

Luo Chenxi tried hard to make herself smile more naturally. "Okay, I'll do it for you."

This time, she combed her hair very carefully and used all the skills that she had practiced for the little dumpling over all those days.

After she was done, the little dumpling really liked it. She held the small mirror and looked at her chubby face.

"Tang Tang is so cute!"

Luo Chenxi kissed her face after she said that.

The little dumpling tilted her head and thought for a moment. Suddenly, she took out a mermaid hair clip from her pocket.

"Big Sister, I want to wear this!"

Luo Chenxi was stunned.

'Isn't this the hair clip that Bao Shaoxuan gave her?

'Could the little dumpling be too good at flirting with little boys?

'Would my little Son-In-Law be moved to tears when he sees her wearing the hair clip that he gave her to kindergarten?

'I have no idea who she takes after...'

Luo Chenxi touched her little face, helped her put on the hair clip, and adjusted the position.

With the hair clip that shone brightly as a decoration, the little dumpling's cuteness index soared by a few points!

Seeing this, Luo Chenxi's eyes were a little moist again.

'Such a cute little dumpling...

'Actually, I really want to see her grow up healthily and happily with my own eyes. Then, whether she's with Bao Shaoxuan or some other little sons-little-law, I want to see them happily go on dates.

'In the end, I want to see her holding Young Master Mu's arms, who would already be middle-aged but still handsome and tall, as he marries her off to a good boy worthy of being entrusted with the little dumpling.

'Unfortunately, I really can't see her anymore...'

"Tang Tang..."

She hugged the little dumpling from behind and smelled the faint milk fragrance on her body. Then, her voice trembled.

The little dumpling was a very sensitive girl.

The moment she felt that something was wrong, she tilted her little head. "Big Sister, What's wrong? Are you sad?"

"No, I'm not sad!"

Luo Chenxi quickly shook her head and denied, "Alright, Tang Tang, you should go to kindergarten now or you're going to be late. I have something to do today, so I can't send you there."

"What?!"

The little dumpling immediately turned around and widened her eyes.

"No, no, Tang Tang wants Big Sister to send her!"

As she said this, she clung onto Luo Chenxi, rubbing against her left and right as she did all kinds of cute acts and rolling around.

Luo Chenxi's heart softened countless times, and she really wanted to nod and agree.

However, she didn't forget that she had already made an appointment with Luo Chenxin.

In another half an hour, Luo Chenxin's people would pick her up outside the Cloud Lake Villas and bring her to see Lu Wenjun...

Hence, she hardened her heart and refused.

However, for some reason, the usually obedient little dumpling was extremely clingy that day. No matter what Luo Chenxi said, she refused to let go.

Chapter 415: If Tan Yueru Sees Her Bullying The Little Dumpling...

Luo Chenxi looked at her innocent little face and her dependent attitude.

Suddenly, a strange feeling arose in her heart.

She realized that she had neglected a very important matter.

'After Luo Chenxin swaps places with me, Young Master Mu wouldn't be a big problem. After all, even if he doesn't recognize that we've swapped, he wouldn't be at a disadvantage at the very least.

'But, the little dumpling is different.

'She's still so young, so pure, so cute. Plus, she trusts and relies on me unconditionally...

'What if Luo Chenxin abuses her like she did three years ago?'

'In the past, the little dumpling would cry whenever he saw Luo Chenxin, which could be considered to be a form of self-protection. But now, she's completely defenseless against this face...'

At the thought of this, Luo Chenxi's heart suddenly trembled, and her heart was filled with unspeakable fear.

"Big Sister, send Tang Tang to kindergarten..."

The little dumpling rubbed her face coquettishly.

Luo Chenxi stared at her chubby little face for a while, and finally, she hardened her heart...

boxn ov el. c o m

Then, she pushed the little dumpling away.

The little dumpling did not expect Luo Chenxi to push her, so she stumbled and fell to the ground.

At that moment, her little face was full of shock, obviously stunned.

Luo Chenxi was heartbroken, but she still gritted her teeth and firmly said, "Didn't I tell you? I don't have time to send you to kindergarten! Why are you still hanging on to me?"

The little dumpling blinked her big eyes and pouted her small mouth, looking extremely pitiful.

She looked like she was going to cry soon.

At that moment, Luo Chenxi felt stifled. She wanted to hug the little dumpling and coax her, but she had no choice but to control herself. Hence, she stood far away and put on a fierce expression to scare the little dumpling.

'It would be best if the little dumpling gets really scared to tears and doesn't even dare to approach me.

'That would be best.

'At least, she would know that she has to stay far away from Luo Chenxin so that she wouldn't be easily hurt by her.'

However, the little dumpling did not cry even after she waited for a while.

Instead, she used her chubby hands to support himself on the ground and got up.

After dusting off the dust on her little butt, she ran back to Luo Chenxi's side and hugged her thigh.

"Big Sister, send Tang Tang to kindergarten... You're the best, I love you the most, Big Sister!"

Luo Chenxi pursed her lips and looked at the little dumpling in disbelief.

It was obvious that the little dumpling did not think that Luo Chenxi would push her and abuse her and merely thought that she had accidentally used too much strength. Hence, she did not take it to heart...

Seeing that the little dumpling did not hold a grudge at all, Luo Chenxi was shocked and did not know what to do.

'The more Tang Tang believes in me, the easier it would be for Luo Chenxin to hurt her.

'It seems that I haven't used enough strength to cause such a misunderstanding.

'I should be more direct and scare the little dumpling so that she would be truly afraid!

'Although I know that this is the right thing to do logically. Emotionally, I can't bear to be violent with the little dumpling a second time.'

Just as she was hesitating, a gentle voice came from the second floor.

"Hmm? Daughter-in-law, Tang Tang, why haven't you two left yet? Didn't you say that you have something to do today? Don't be late."

Luo Chenxi was stunned when she heard Tan Yueru's words.

At the same time, she suddenly had an idea.

'The little dumpling is too young and blindly likes her, so it wouldn't be that easy to correct her.

'However, Tan Yueru is different.

'She hated her daughter-in-law to begin with, and it's only recently that she's changed her opinion of me because of the fire.

'So, if Tan Yueru sees me bullying the little dumpling...'

Chapter 416: I Have No Choice But To Destroy This Trust With My Own Hands

At that thought, Luo Chenxi turned sideways and pushed the little dumpling when Tan Yueru went downstairs.

This time, she deliberately used more strength.

Thus, the little dumpling was pushed away again and fell to the ground.

Moreover, this time, she fell much harder than the last, and waves of pain attacked her little bottom.

Instantly, tears gathered around her big round eyes.

However, Luo Chenxi took a deep breath and did not hug her.

Instead, she turned to look at Tan Yueru on the stairs.

When she pushed the little dumpling, she looked at the right angle to ensure that Tan Yueru could see her movements clearly.

As expected, Tan Yueru's expression changed when she saw what happened on the sofa. So, she quickly walked over towards them.

At the same time, Luo Chenxi took two steps back and felt a little depressed inside.

'Madam Tan has been really good to me during this period of time. Not only did she protect me in front of outsiders, she even stood on my side when I had disputes with Young Master Mu at home.

'I don't know what other people's mother-in-laws are like, but Madam Tan really treats me like her own daughter!

boxn ov el. c o m

'But, now...

'I have no choice but to destroy this trust with my own hands.'

It was obvious that after Tan Yueru personally caught her abusing the little dumpling, she would definitely be very angry. She might even hate her from then on and never accept her again...

However, this was exactly what Luo Chenxi wanted.

'If I could use my reputation in exchange for the little dumpling's healthy growth, it would all be worth it.

'However, I feel a little sorry for Madam Tan. She has finally just accepted me as her daughter-in-law and thought that she did not have to worry about her son and granddaughter anymore. In the end, it was all for naught.'

While Luo Chenxi was in a daze, Tan Yueru had already rushed to the little dumpling's side and picked her up.

"Tang Tang, don't cry... Don't cry. Grandma loves you! Come, Grandma will rub it for you and it won't hurt anymore!"

Tan Yueru hugged the little dumpling and coaxed her for a while.

However, the little dumpling was very strong. Although she threw herself into her Grandma's arms, her tears didn't fall.

"Tang Tang is a brave little princess. She won't cry even if she falls!"

At that moment, another voice sounded.

Luo Chenxi saw that Mu Weiwei had also come down from the second floor.

'She should have also seen me pushing the little dumpling as well.'

Thinking of this, Luo Chenxi curled the corners of her mouth and revealed a faint smile.

'Now, all of them have come at once, which saves me a lot of effort.

'After today, Tan Yueru and Mu Weiwei's attitude towards her would definitely return to what it was a month ago...

'Perhaps, they would even kick me out of the house on the spot.

'However, even so, I'll still remember how the two of them had once protected her...'

At that moment, Tan Yueru walked towards her with the little dumpling in her arms.

“Daughter-in-law...”

Luo Chenxi was stunned because she didn’t expect Tan Yueru to call her “Daughter-In-Law”...

‘She... She probably didn’t have time to change how she addresses me.’

At that thought, Luo Chenxi held her breath and waited.

Then, Tan Yueru continued, “You don’t have to insist on sending Tangtang yourself if you’re so busy. She must be a hindrance to your work with her constant pestering and being naughty, am I right? In the future, if Tangtang is capricious again, you can look for me to help you educate her.”

At that very moment, Luo Chenxi’s jaw almost dropped to the ground.

‘What... What... What did I just hear?’

‘I’ve deliberately made the little dumpling fall so hard in front of Tan Yueru, but Tan Yueru is still standing on my side?’

Chapter 417: Big Sister Is Leaving, Tang Tang Can’t Bear To See Her Leave...

‘Could it be possible that she’s deliberately being sarcastic and mocking me?’

However, after Tan Yueru finished speaking to her, she immediately turned to the little dumpling.

Then, she patted her little head and lectured her, “Tang Tang, you’re already more than three years old, so you can’t be so willful anymore. Big Sister has a job and needs to go to work, so you mustn’t keep on pestering her, understand?”

The little dumpling pouted and pitifully said, “But... Tang Tang wants to be with Big Sister. Big Sister is leaving, Tang Tang can’t bear to see her leave...”

Luo Chenxi’s heart instantly skipped a beat.

The little dumpling’s childish words made her feel so uncomfortable that she couldn’t breathe.

‘Big Sister is leaving...’

Even though she knew that the little dumpling’s “leaving” was completely different from her actually “leaving”...

However, she could feel that the little dumpling’s sensitive heart had already sensed that something was wrong with her.

Hence, this was why the little dumpling refused to sleep last night.

This was also why the little dumpling insisted on asking Luo Chenxi to send her to kindergarten that morning.

On the other hand, Mu Weiwei frowned and stood up, “Mom, how could you say that to Tang Tang?”

boxn ov el. c o m

Seeing Mu Weiwei appear, Luo Chenxi's heart relaxed a little.

'Mu Weiwei has always hated me the most, and it's only in the past few days that she's slightly changed her opinion of me.

'So, since Madam Tan didn't fall out with me, I'm sure Mu Weiwei will!'

For the first time, Luo Chenxi felt that this little girl, Mu Weiwei, was actually the most reliable person in the entire Mu Family!

It was because she hated Luo Chenxi the most!

Tan Yueru was a little unhappy when she heard this. Hence, she glanced at her daughter and said, "Then tell me, what would you say to Tang Tang?"

Mu Weiwei walked in front of the little dumpling and tugged at her skirt. "Listen to me, you mustn't take up so much of your Big Sister's time. Otherwise, when would she have time to make you a beautiful dress? Don't you want a new princess dress?"

Hearing this, the little dumpling opened her mouth. "Yes, Tang Tang wants a new dress!"

"That's right!"

Mu Weiwei nodded and looked back at Tan Yueru proudly. "What do you think, Mom? It still falls on my shoulders, doesn't it?"

Luo Chenxi watched from the side and was completely dumbfounded because Mu Weiwei's intention was not to scold her, but to help her educate the little dumpling!

'Since when has Mu Weiwei acknowledged me this much?

'She actually trusts me to such an extent!'

At that thought, Luo Chenxi's heart was filled with unspeakable bitterness.

She had originally planned to put on an even better performance in front of Mu Weiwei and Tan Yueru to deepen their disgust towards her so that they could be more wary of Luo Chenxi and better protect the little dumpling at the same time.

However, in the face of their trusting gazes, Luo Chenxi's throat was blocked and she could not say a word.

'I... Really have no choice. Under such circumstances, I'm going to have to go against my conscience and do something that will disappoint everyone...

Hence, Luo Chenxi hesitated for a long time.

Suddenly, her phone rang.

She felt as if she had been struck by lightning. With a tremble she rejected the phone call without even seeing who it was that was calling her.

At the same time, she stood up and said, “Mom, Weiwei, I don’t have time. I have to leave now. Um... Tang Tang...”

Tan Yueru immediately replied, “Don’t worry, I will send Tang Tang to kindergarten.”

Luo Chenxi nodded and her gaze fell on the little dumpling again.

The soft and chubby little cutie was already in a mess because she had fallen two times.

However, she was just blinking her big eyes, bit her lips and looked up towards her at the same time.

Chapter 418: Hearing Luo Chenxin Say That She Wanted To Sleep With Young Master Mu, Her Heart Felt As If It Was Being Pricked By A Needle

At that moment, Luo Chenxi was almost about to cry.

Hence, she immediately went to hug the little dumpling tightly and kissed her face a few times.

“Tang Tang, when Big Sister is not around, you must be obedient, understand? You must listen to Grandpa, Grandma, and Daddy. If you feel unhappy or if someone bullies you, make sure you look for them immediately, understand?”

“Ok, ok!”

The little dumpling nodded her head and kissed Luo Chenxi back, completely forgetting the fact that he was pushed twice by her just now.

“Big Sister, go to work quickly and make a beautiful dress for Tang Tang!”

However, Luo Chenxi didn’t dare to respond. In fact, she didn’t even dare to raise her head, afraid that her crying expression would be discovered.

Instead, she directly stuffed the little dumpling into Tan Yueru’s arms.

“Mom, I... I’ll be leaving... Also, Weiwei, Goodbye...”

“Okay, be safe.”

“Bye, Sister-In-Law! Don’t forget about my gown!”

“Big Sister, mwah!”

boxn ov el. c o m

Amidst the waves of goodbyes, Luo Chenxi fled in panic.

...

As soon as Luo Chenxi left the Mu Family, she received a call from Luo Chenxin.

“I called you just now, why didn’t you pick up?”

As soon as the call was connected, Luo Chenxin criticized her rudely.

Luo Chenxi curled her lips coldly. "I was talking to Madam Tan at the time. You wouldn't want me arguing with you on the phone and arousing Madam Tan's suspicion, would you?"

"Err..."

Luo Chenxin choked for a moment.

Since she couldn't refute, she changed her sentence and asked, "Have you left already?"

Luo Chenxi closed her eyes and said, "...Yes, I've left. I'm already outside the Cloud Lake Villas. Can you let me see my Mommy now?"

Luo Chenxin sneered, "Heh, as if it could happen that soon? You're going to have to at least wait until I return to the Mu Family and successfully stay there before we talk. Otherwise, what am I supposed to do if you secretly do something to expose my identity? So, I have to make sure that everything is alright before I can reunite you with your mother."

At that moment, Luo Chenxi gripped her phone tightly as her eyes became dark.

Actually, she had already guessed that Luo Chenxin would not let Lu Wenjun out that easily.

However, Luo Chenxin had gotten ahold of her greatest leverage.

Therefore, even though she knew that it was a trap, she still had to bite the bullet and face it.

"Alright, how many days do you need to confirm that I'm not lying to you?" Luo Chenxi asked after a while.

Luo Chenxin smiled, "I'm not sure how many days it's going to take... I'll have to wait for the Mu Family to acknowledge me, Young Master Mu to sleep with me and Tang Tang to call me "Mummy" before I can..."

"Enough! Don't you know how much psychological trauma you have caused Tang Tang? Don't you dare force her to call you "Mummy"! Otherwise, your identity will be exposed immediately. Don't blame me for not warning you!" said Luo Chenxi sternly.

Actually, when she heard Luo Chenxin say that she wanted to sleep with Young Master Mu, her heart felt as if it was being pricked by a needle, hence she shrank a little.

However, she could still barely hold it in at the time.

However, when she heard Luo Chenxin mention the little dumpling... She suddenly exploded!

She had tried several times in the morning to alert the Mu Family and not give Luo Chenxin the chance to get close to the little dumpling.

In the end, she had failed.

Thus, this made her even more worried about the little dumpling's future situation.

Luo Chenxin was stunned for a moment. Obviously, she did not expect Luo Chenxi to be so angry.

Hence, she smiled disapprovingly and said, "Okay, okay, I understand. She should call me Big Sister, am I right? Thank you for your reminder. By the way, I have already booked a flight ticket to Country F for you tonight. You can take a bus to the airport later. I'll have someone wait for you at the airport."

Chapter 419: You've Already Messed Up Lu Wenjun's Matter. So, There Can Be No More Mistakes Today!

"Country F? Why do I have to go to Country F?" Luo Chenxi frowned.

"Because Lu Wenjun is in Country F. I'm sending you there so that you can be reunited. Don't worry, Country F's medical standards are very high and there are several hospitals that have the skills to perform heart transplants. So, as long as you and your mother obediently remain in Country F and come back, I will naturally help you contact the hospital and the donor."

Luo Chenxin said all those with a light smile, sounding as if she meant well.

However, Luo Chenxi's frown deepened.

'There's absolutely no way I'd believe that Luo Chenxin would be so kind-hearted.

'From the start, I never expected Luo Chenxin to take the initiative to release Lu Wenjun.

'However, I have no idea what her plans are.

'How am I supposed to play along with her to find Mummy's whereabouts?'

...

On the other hand, after Luo Chenxin ended the call with Luo Chenxi, she immediately called Reese.

"That little b*tch has already left the Mu Family, so we're going to go ahead with the original plan immediately."

Reese was leaning against the driver's seat when he picked up the phone with one hand. However, he could not help but frown slightly.

"Look... Luo Chenxin, aren't you being a little too ruthless? No matter what, she is your sister after all..."

Luo Chenxin sneered, "Sister? I have never had a sister. Who asked her to stand in my way?"

"Tsk, tsks... You are such a ruthless woman. I can't compare to you." Reese shook his head and sighed.

Luo Chenxin said impatiently, "Stop nagging. If this matter is properly handled, we'll be able to eliminate any future problems. Do you still want the money or not?"

"Of course I want it."

"Then, hurry up and settle the matter thoroughly! Yesterday, you've already messed up Lu Wenjun's matter. So, there can be no more mistakes today!"

Hearing this, Reese did not say anything more and agreed.

'I didn't expect that Luo Chenxin would be so ruthless with her methods... She's even more ruthless than a mercenary who's grown up in a hail of bullets.

'However, the benefits that Luo Chenxin has promised me after this matter is done is enough for him to squander freely for the rest of my life. Plus, I won't need to operate my underground forces, which is a dangerous job, anymore.

'For this, it's worth taking the risk.'

At that thought, Reese hung up the phone, stepped on the accelerator and drove directly to the place that Luo Chenxin had specified before stopping.

On the other hand, Luo Chenxi was walking on the road when Reese stopped her.

Seeing the face that looked exactly like Luo Chenxin's, Reese immediately recognized her.

However, he doubted whether Luo Chenxin's plan would succeed or not.

'Although their faces are very similar, their auras were completely different.

'Could Luo Chenxin really play the role of her younger sister well?'

Reese looked at her for a while, then lowered the car window, stuck his head out and said, "Your sister asked me to send you to the airport. Get in the car."

Luo Chenxi couldn't help but frown when she saw the man in black in the driver's seat.

Since the man was wearing sunglasses, she couldn't see his face clearly. However, judging from his natural blonde hair, he should be a foreigner, and quite a handsome one for that matter.

However, for some reason, Luo Chenxi felt that this man seemed to be very dangerous...

Hence, she didn't get into the car immediately. Instead, she said, "Has my Mommy already gone to Country F? How is she? Can you ask her to give me a call?"

Reese was expressionless as he replied, "Miss Luo, I was the one who sent Miss Lu to the airport yesterday. She shouldn't have arrived in Country F yet, but I believe that she will call you as soon as she arrives. Now, please don't waste anymore time. Get in the car now, or you will miss the flight I booked for you."

Chapter 420: My Dear Sister, I Really Have To Thank You This Time!

When she heard this, Luo Chenxi sized up Reese.

Although her intuition told her that there was definitely something wrong with this man, she knew very clearly that if she refused to get in the car, she would definitely not be able to find out about Lu Wenjun's whereabouts.

Moreover, from the looks of the situation, there was no way Luo Chenxin would give her the opportunity to be on her own.

“Miss Luo? Please get in the car immediately. Otherwise, don’t blame me for being impolite! My mission is to watch you get on the plane, so please cooperate with me.”

Reese was impatient, and his words sounded a little threatening when he said this.

Hence, Luo Chenxi raised her lips, “What’s the hurry? I didn’t say I wouldn’t get in the car.”

After she said this, she opened the car’s back seat door and got in.

As the car door closed, Reese’s eyes immediately flashed with a cold glint.

...

At the same time, a text message was sent to Luo Chenxin’s phone.

“Luo Chenxi is already in the car.”

Luo Chenxin scanned through the text message, and the corners of her mouth immediately curled up.

“Excellent, everything is going so smoothly! This time, I’m definitely going to get rid of the root of the problem. That little b*tch is dead for sure... Don’t you ever think about ruining my plans again!”

Then, she pressed a few buttons on her phone and replied. ‘Proceed as planned!’

Then, she stretched out her hand and hailed a taxi on the street.

After that, she directly got in.

“Cloud Lake Villas!”

Thus, the taxi stopped opposite the Mu Family’s villa.

Luo Chenxin then stood at the door and looked up at the luxurious and exquisite european-style villa.

As the number one wealthy family in T City and the investor of Cloud Lake Villas, the Mu Family’s villa occupied the largest area. Moreover, it was designed by a world-famous architect. The exterior was luxurious and imposing, but the interior details were not inferior. Hence, it was a very comfortable place to live in.

‘Three years ago, I lived in this villa for two months.

‘Plus, it was under the identity of Young Master Mu’s fiancée.

‘After I got kicked out, I thought that I most likely wouldn’t have a chance to come back. Who would’ve thought that I’d end up returning now as Young Madam Mu.

‘Moreover, according to the information I dug up, Luo Chenxi is very valued by the Mu Family. All the way from the two elders of the Mu Family to the little dumpling, they all like her very much.

‘Now, I’m able to have all of them without any effort.’

At that thought, Luo Chenxin smirked proudly. “My dear sister, I really have to thank you this time! You can now lead a good life “there”! Don’t worry, I won’t forget about you. I’ll definitely remember to pray for you on special occasions...”

After that, she tidied her collar and swaggered towards the Mu Family’s villa.

Because she deliberately wore the same clothes as Luo Chenxi, the servants of the Mu Family did not doubt her at all when they saw her.

In fact, all of them were respectful towards her.

“Young Madam, you’re back very early today.”

“You previously said that you liked the Ceylon tea that the Second Young Master sent. Would you like for me to brew you a pot?”

“Young Madam, I’ve made strawberry pudding for the Little Miss today and we have some extras. Would you like to try some?”

At that moment, she was being treated like a queen.

Hence, Luo Chenxin felt a little smug after being pampered by so many people.

At the same time, she was a little unhappy as well.

This was because she remembered that when she lived in the Mu Family’s villa three years ago, not many people were willing to pay her any attention, including people all the way from Sister Chen to the ordinary gardeners.

In fact, all kinds of her requests were completely ignored.

At the time, she even thought that the servants were absolutely rude and wouldn’t obey any orders given to them except for those from the Mu Family.

However, she did not expect them to treat Luo Chenxi in such a manner!

‘It’s like we’re two completely different people.’

The more Luo Chenxin thought about it, the angrier she got. Hence, at that thought, she coughed heavily and slammed the teacup on the table.
