## Chapter 461: Tang Yunfei Is A Pretty Nice Girl, I Rather Admire Her

Tang Yunfei raised her head and puffed out her chest as she walked in from outside.

It could be seen that she really wanted to put on a fierce look.

But unfortunately, coupled with her baby face, it always gave people the illusion of a child pretending to be an adult.

In fact, Luo Chenxi wanted to laugh a little.

But, when she thought about how Tang Yunfei was her greatest hope of escaping, she held it in.

She immediately laid back on the bed and assumed the vixen pose. Her eyes twinkled and she smiled charmingly.

“Oh, Miss Tang, you’re here again? Didn’t Young Master Sheng tell you to leave me alone last time?”

“Who do you think you are? Leave you alone? Do you really think you’re Third Brother Sheng’s girlfriend? You’ve already recovered, so why aren’t you leaving yet?!”

Luo Chenxi said lazily, “When did I say I was going to leave? I have already said it last time. It’s your Third Brother Sheng who insists that I stay here, so what am I supposed to do about that? I’m very helpless about the situation as well.”

Tang Yunfei was angered by her words. Her face turned red and she turned to look behind her.

“You... ! Auntie Sheng, look at her arrogant face! She thinks she is the Young Madam of the Sheng Family just because she has Third Brother Sheng’s support. She’s so shameless!”

‘Auntie Sheng?’

boxn ov el. c o m

Luo Chenxi was stunned when she heard the name.

In fact, a middle-aged woman walked out from behind Tang Yunfei.

She had a noble aura and her skin was well-maintained. However, one could still tell that she was not young anymore.

She glanced at Luo Chenxi and saw that she was leaning on the bed in her pajamas as if she had no bones. Her face was extremely beautiful and she was so angry that she gritted her teeth.

“You’re Miss Luo, aren’t you? Allow me to introduce myself. I’m Sheng Yu’s mother!”

Actually, Luo Chenxi had already guessed it.

In fact, at this moment, she was feeling excited!

‘Tang Yunfei is actually a pretty nice girl, I rather admire her. She’s really helped me a lot!’

She quickly posed and adjusted her state of mind, trying her best to act like a gold digger who wanted to marry into a wealthy family.

With a flattered expression, she got up from the bed and sat down on the edge of the bed.

She revealed an exaggerated flattering smile. "Ahem, so... So You're Auntie Sheng! Hello, Auntie, I'm Sheng Yu's girl..."

"Shut up! My son is about to get engaged, so where did you come from? Don't even think about flattering me! I've seen so many women like you... Do you think that by seducing a man, you'll be able to enter the family? Let me tell you, even if you're pregnant with a child of the Sheng Family, I still won't let you in.

"The only wife I've chosen for my son is Yunfei!"

Upon hearing this, a smug smile appeared on Tang Yunfei's face as she raised her chin.

Luo Chenxi looked as if she had been struck by a blow. She lowered her head and wiped her tears pitifully.

"Auntie... Auntie Sheng, how could you do this? I have my heart set on Young Master Sheng! Moreover, in order to marry Young Master Sheng, I even quit my job, and for him..."

"No matter what you did for him, it's useless! Stop dreaming about marrying into a rich family!"

Madam Sheng looked at her coldly, "However, the Sheng Family aren't unreasonable. Since you've been with my son before, I won't treat you unfairly."

As she said this, she threw a bank card at Luo Chenxi.

"There's 10 million yuan in here. Take it as a fee to compensate for the loss of your innocence! After you take this, get lost!"

Luo Chenxi widened her eyes.

'10 million yuan!!

'Madam Sheng is so generous!

#### **Chapter 462: He Knew That He Stood No Chance At That Very Moment**

'Otherwise, how could the term "the older the wiser" come about?

'Tang Yunfei has been talking for a few days and did not even give me a single cent.

'However, Madam Sheng's different. She throws money at people the moment she makes her move.'

Seeing that Madam Sheng was so straightforward, Luo Chenxi certainly would not waste her time.

She quickly said, "Alright, thank you, Madam Sheng. Then I... I'll leave now! Right now!"

'If I continued to fool around with Madam Sheng and Tang Yunfei, and if Sheng Yu suddenly appeared again, all my previous efforts would be in vain!'

Hence, she immediately got up, quickly changed out of her pajamas, picked up her bank card, and turned to leave.

“Miss Luo, please wait. You can’t leave!”

At the door, the bodyguards surrounded her as usual, trying to stop her.

Madam Sheng stood up in time. “Let her go! No one is allowed to stop her!”

“But, Third Young Master said...”

“Whatever Third Young Master said to you is useless! Get out of the way! Or do you not value your jobs anymore?!”

boxn ov el. c o m

Sheng Yu was not in charge of the Sheng family after all. So, although the bodyguards were afraid of the Third Young Master, they did not dare to disobey Madam Sheng.

Hence, after a moment of hesitation, they all stepped aside.

Luo Chenxi ran out excitedly.

‘Finally, I’m free!!’

Looking at her departing back, Madam Sheng’s eyes flashed with disdain. “As expected of a gold digger who only knows how to make money! As soon as she heard that there’s money to be made, she immediately left!”

Tang Yunfei held her arm and was grinning from ear to ear.

“Hmph, this vixen is finally gone! Let’s see who else can snatch Third Brother Sheng away from me this time!”

However, what they did not know was that not far behind them, Sheng Yu was actually standing on the second floor of the villa. His gaze was deep as he looked at Luo Chenxi who was gradually running away.

The bodyguard beside him carefully asked, “Third Young Master, you... You’re just going to let Miss Luo go like that? Should we bring her back?”

Sheng Yu was silent for a moment before he shook his head. “Forget it.”

That day, after Luo Chenxi saw the tabloid news and still firmly chose to believe Mu Yichen, Sheng Yu knew that he had no chance at that very moment.

No matter how long he had locked her up, she would not let him take advantage of her. Instead, she would just end up falling out with him.

Hence, Sheng Yu thought that it would be better to let her out and let her see with her own eyes what Mu Yichen was like after he had a change of hearts.

‘Perhaps, after she becomes discouraged, she would realize that I’m the one who treats her the best.

‘Of course, it’s also possible that Mu Yichen really hasn’t had a change of hearts.

'If that's the case... I will have no choice but to accept my fate.

'However...'

Sheng Yu then turned around and said to the bodyguard beside him, "It'd be better to send a few people to follow her, but don't stop her from doing anything. If she's in danger, protect her immediately."

...

Luo Chenxi left the Sheng family's old mansion and used the card given by Madam Sheng to withdraw some money from the ATM.

Then, she called a taxi and headed straight for Cloud Lake Villas.

Because the security guards at the door all knew her, she did not have to put in much effort and directly swaggered into the villa area.

However, when she saw the Mu Family villa's entrance from afar, she was in a dilemma.

She had no way to confirm whether Luo Chenxin was at home or not. Hence, if she directly knocked on the door and the two of them faced each other, she could certainly expose the other party. However, she still did not know the whereabouts of her mother and was afraid that Luo Chenxin's accomplice would harm Lu Wenjun.

Thus, she had to find Mu Yichen behind Luo Chenxin's back and explain the truth without alerting her.

Just as she was hesitating, the door suddenly opened.

A cold and noble figure walked out of the villa.

### **Chapter 463: Luo Chenxin Might Have Slept With Her Man, And Hugged Her Little Dumpling**

Luo Chenxi's eyes widened, and a layer of mist instantly appeared in her eyes.

'It's Mu Yichen!'

He was wearing a light gray three-piece suit, and his figure was still tall and straight. His appearance was still handsome and elegant, but the expression on his face was even colder.

There was even a faint shadow in his eyes, and his face was pale. 'He actually looks very haggard.'

Luo Chenxi covered her mouth with force and managed to control herself from screaming immediately.

Mu Yichen looked straight ahead and walked slowly to the front of a Maybach parked at the intersection.

The car door opened, and a soft and cute little dumpling pounced at him!

"Daddy!! You walk so slowly! Hug!"

Mu Yichen immediately bent down and picked up the little dumpling.

The little dumpling hugged her Daddy's neck and rubbed her face against his.

From where Luo Chenxi was hiding, she could see the little dumpling's side profile.

'The little dumpling seems to have lost a lot of weight, her chubby face isn't as puffy as before. Her eyes are also still a little red, and her pigtails aren't as beautiful as before.'

boxn ov el. c o m

In fact, the moment the little dumpling touched Mu Yichen, she immediately yawned.

"Did you not sleep well again?" Mu Yichen frowned.

The little dumpling blinked and pouted. "Tang Tang can't sleep..."

Because they felt sorry for their granddaughter, Tan Yueru and Mu Yunfeng also found an excuse to move out of the Mu Family's villa and went to Mu Yiling's house to accompany the little dumpling.

Unfortunately, although the two elders were much better at coaxing children, they were not as good as Luo Chenxi.

Even with the whole family surrounding her, they still could not coax her.

In fact, Mu Yiling's dogs were so bothered by the noise that they fell sick and lost a lot of fur.

Mu Yiling was even criticized by the netizens on Weibo. They said that he relied on his dogs to attract fans, but secretly abused his dogs behind the scenes. Hence, he was hailed as a scum who was not what he appeared to be!

However, the members of the Mu Family who knew the truth could not bear to discipline the little dumpling.

After all, Luo Chenxi was missing, and her fate was still unknown.

Forget the little dumpling, the whole family missed her very much and hoped that Luo Chenxi would come back soon every day.

Mu Yichen hugged his daughter tightly and opened the car door, getting ready to sit in the back seat.

Luo Chenxi was excited when she saw this and wanted to rush out to see them.

However, just as she stretched out one foot, she saw the door of the villa open again.

A slender figure ran out from inside.

Luo Chenxi quickly stopped and stared at the person who came, her eyes almost spitting fire!

'Luo Chenxin!'

She knew that the moment she left, Luo Chenxin would immediately take her identity and sneak into the Mu Family.

However, now that she was actually seeing Luo Chenxin wearing her own clothes and running out of the Mu Family's villa with her face...

In fact, the thought of Luo Chenxin may have even slept with her man and also hugged her little dumpling...

Luo Chenxi's heart was still greatly shocked!

It was the kind of depression and resentment that surged out from the depths of her heart!

At that instant, she almost rushed out recklessly!

Fortunately, at the last moment, her rationality returned and stopped her in time.

Luo Chenxi bit her lip forcefully and forced herself to take a few steps back. She hid behind a billboard and tried her best to hide herself.

'Luo Chenxin really was in the villa.

'Fortunately, I was one step too slow and didn't have time to rush out.

'Otherwise, I would've ran into her.'

On the other hand, Luo Chenxin chased after him from the villa. Seeing that Mu Yichen was about to get into the car, she immediately called out in a sweet voice, "Hubby..."

Then, she leaned toward him.

#### **Chapter 464: Tang Tang Is A Kind Little Princess, So She Won't Blame You**

After all, Luo Chenxin had been fooling around with various men all year round. Thus, when she said the word "Hubby", it would make anyone go mad and be completely bewitched.

In fact, when Luo Chenxi heard her from the side, she felt goosebumps all over her body.

She couldn't help but complain in her heart, "Hubby? Who are you calling hubby? Have you had a wedding with Mu Yichen? Has he proposed to you?"

Even so, her heart was still in her throat and she became nervous.

'I never expected Luo Chenxin to be such a flirtatious b\*tch.

'Although I still trust Young Master Mu, Luo Chenxin has the exact same face as me!

'Moreover, she's much better at acting coquettishly than I am!

'So, if Mu Yichen doesn't know that she's not me, he might really take the bait.'

Under Luo Chenxi's fiery gaze, Luo Chenxin had already fallen completely onto Mu Yichen. It looked like the two of them were about to be glued together...

At that moment, Young Master Mu suddenly took a step back to the right.

Although it was only a small step, it was just enough to avoid Luo Chenxin.

Luo Chenxin didn't expect him to shift away so suddenly, so she was caught off guard and fell to the side.

boxn ov el. c o m

Instantly, her face turned pale, and she immediately reached out to the Maybach to stabilize herself.

However, the little dumpling, who was in Mu Yichen's arms, suddenly reached out and grabbed her hair, tightening all five fingers...

"Ah... !!"

Luo Chenxin was already falling when someone suddenly grabbed the hair on top of her head. The force of being pulled from both directions overlapped, and she cried out in pain on the spot!

The little dumpling flattened her small mouth and waved her small hand in the air.

Hence, Luo Chenxin's hair was instantly pulled down by her.

At the same time, her extended hand also missed and she fell to the ground.

"Clang!"

With a loud sound, Luo Chenxin fell to the ground in an ugly position.

Meanwhile, her well-groomed hair was in a mess.

If one looked carefully, one could see a small white mark on the top of her head, and even a small piece of her scalp had been torn off.

"F\*ck, it... It hurts! Damn you, you little..."

Luo Chenxin was in so much pain that she was stunned. After a while, she came back to her senses.

Then, she turned around and was just about to scold the little dumpling.

However, Mu Yichen's gaze swept over her, and she suddenly remembered that she was in front of Young Master Mu.

Hence, she quickly shut her mouth and put on a pitiful expression.

"H-hubby... Why did you suddenly... Suddenly retreat? The fall hurt me so much... And Tang Tang, she tore off my hair, it hurts so much..."

Her eyes were red and filled with tears.

In fact, she wasn't faking it because it was really painful.

Mu Yichen lowered his head and glanced at her. He said coldly, "I just reacted instinctively. I saw you suddenly pounce on me and that scared me, I'm sorry..."

"Yes, I know, Hubby, I don't blame you..."

Luo Chenxin obviously did not dare to say anything bad about Mu Yichen. She turned to the little dumpling. "But just now, Tang Tang..."

"Tang Tang was also scared by your actions, your nails almost scratched her face just now! However, Tang Tang is a kind little princess, so she won't blame you. Don't worry."

Luo Chenxin was so angry that she almost vomited blood when she heard this!

Mu Yichen glanced at the little dumpling and signaled for her to cooperate with him and say "It's okay" to Luo Chenxin.

However, the little dumpling pouted and refused to say anything.

Then, she twisted her small body and wanted to get into the car.

"Daddy, Tang Tang wants to go to Uncle's house to play with the dog."

#### **Chapter 465: I Wonder If Young Master Mu's Proposal Still Stands?**

When Mu Yichen heard the little dumpling's words, he naturally ignored the evil b\*tch.

Then, he held the little dumpling's buttocks and told her not to move so that she would not fall.

"Okay, okay, okay, I'll take you there."

Mu Yichen carried his daughter and got into the backseat of the car. He slammed the car door.

Luo Chenxin wanted to say something else.

However, the Maybach had already started and shot out like an arrow, leaving her behind in an instant.

Luo Chenxi, who had hid behind the billboard, and saw everything.

Her mood also went from being uneasy in the beginning to being shocked, to gloating, and finally, to being moved.

'Mu Yichen and the little dumpling must have realized that something's wrong and realized that Luo Chenxin isn't me anymore!

'Otherwise, Young Master Mu wouldn't have avoided her, and he wouldn't have allowed her to fall.

Not to mention the little dumpling, why would she treat her Big Sister like that?'

At that moment, Luo Chenxi was deeply moved.

boxn ov el. c o m

"Mu Yichen, just you wait, I'll definitely return to your side soon! You're not allowed to touch that evil b\*tch! And Tang Tang, wait for Big Sister, I still have to make many cute princess dresses for you!"

'I wonder if Young Master Mu's proposal still stands?

'Is it too late to agree now?

'However, it doesn't matter if it is too late...

'No one stipulated that only a man could propose to his woman, so I could also propose to Young Master Mu, right?'

Luo Chenxi calculated in her heart as she walked out from behind the billboard and walked towards the entrance of Cloud Lake Villas.

She had hidden quite far away just now.

She vaguely heard the little dumpling say that he was going to Mu Yiling's house to play with the dog, but she wasn't sure about it.

"Forget it, I'll go to Mu Yiling's house to take a look first. Even if Mu Yichen isn't there, there's nothing for me to lose."

She stood on the side of the road, intending to hail a taxi.

But at that moment, a car stopped in front of her, and the window slowly rolled down...

The scene before was so familiar that it made Luo Chenxi's back turn cold!

As expected, the figure in the driver's seat was also familiar to her.

It was Reese, the assassin that Luo Chenxin had sent to kill her!

Luo Chenxi's mind buzzed before she suddenly understood!

'It seems that Luo Chenxin isn't stupid after all. She's been guarding against my sudden return and telling Mu Yichen the truth.

'So, she's sent her accomplice to follow Mu Yichen and monitor him in secret.'

Although Luo Chenxi had waited for Luo Chenxin to return to the villa before showing herself, Reese was already lying in wait.

With his professional qualities as a mercenary, ordinary people would not be able to guard against him.

On the other hand, when Luo Chenxi left, she did not realize that he was actually following her.

Her expression changed immediately, and her first reaction was to turn around and run!

On the other hand, Reese immediately opened the car door and chased after her.

In a high-end villa area like Cloud Lake Villas, there were fewer people around. Thus, Reese had taken this into consideration and chose to make his move there.

In fact, Luo Chenxi understood this as well, so she ran as fast as she could towards a place with a bigger crowd.

As she ran, she screamed for help!

She knew that as long as she ran out of that area, there would be a big shopping mall in front of her. There, there would be pedestrians everywhere, so it was almost impossible for Reese to kill people on the street.

Seeing her quick reaction, Reese immediately rushed up and chased after her relentlessly.

Luo Chenxi ran very fast, but her two legs had been seriously injured a while ago, and she had just recovered a little. Hence, she shouldn't be doing any strenuous exercise in the first place.

#### **Chapter 466: I'm Definitely Not Going To Let You Off This Time!**

Hence, she had only run a few steps when she felt a tearing pain.

Luo Chenxi's expression was instantly distorted, she almost couldn't stand up and knelt down.

However, she knew very well that if she didn't run, she would really be finished that day!

Therefore, she could only clench her teeth and persevere.

Even so, her speed was still getting slower and slower.

Thus, Reese soon caught up with her.

Seeing that there was only three to four meters between the two of them, no passersby appeared around them.

Luo Chenxi almost despaired.

Reese sneered behind her, "You still intend to run? Where do you intend to run to? Let me tell you, I'm definitely not going to let you off this time! So, I would advise you to be more obedient and not make me use force, or else..."

He suddenly stopped mid-sentence.

Luo Chenxi felt that something was wrong, but she didn't dare to look back, so she continued to run forward.

After running for a distance, she heard the sound of fierce fighting coming from behind.

boxn ov el. c o m

There were even a few gunshots.

In such a quiet villa area, the gunshots sounded especially terrifying, making her heart skip a beat.

She was stunned, stopped in her tracks, and looked back.

She found that Reese was fighting with a few bodyguards.

Reese's skills were indeed not bad. Facing the siege of five or six bodyguards, he still maintained an invincible situation.

One of the bodyguards shouted, "Listen well, we just called the police, so they'll be here soon! You're carrying prohibited firearms, so think about how you're going to explain yourself!"

Reese panicked when he heard this.

Seeing that he could not defeat so many bodyguards right away, he was not in the mood to fight anymore.

After a feint, he immediately turned around and ran.

The bodyguards chased after him for a few steps and realized that they could not keep up with him, so they gave up.

Luo Chenxi was stunned by what she saw.

'Where... Where did those bodyguards come from?

'Could Mu Yichen have found me and sent them to protect me?'

However, she soon realized that she was thinking too much.

The leader of the bodyguards walked up to her and nodded politely at her. "Miss Luo, Third Young Master will be here soon. Please wait here for a while."

Luo Chenxi immediately recognized him.

'Isn't he the bodyguard of the Sheng Family?!

'Could it be Sheng Yu who had sent them to follow me?'

She immediately showed a defiant expression. "Well... I have something to do, so I'll be going now. I won't be able to meet the Third Young Master..."

Before she could finish her sentence, a familiar sports car drove over and stopped in front of her.

The car window then rolled down and Sheng Yu's handsome side profile appeared in front of her.

"Little Cutie, we meet again, that was very quick..."

Luo Chenxi's heart instantly skipped a beat!

She had used all her tricks to escape from the Sheng Family's old mansion with great difficulty.

In the end, not long after she had just regained her freedom, she was caught by Sheng Yu again in less than two hours.

Moreover, it just so happened that she was being chased by someone!

Now that Sheng Yu's bodyguards had saved her life, she couldn't bring herself to give Sheng Yu a hard time even if she wanted to...

"Ahem, Chief Sheng." She cleared her throat. "Thank you for saving me again."

Sheng Yu smiled. "You're welcome. However, could you please explain why someone who should be recuperating in a room would appear in such a place?"

Luo Chenxi chuckled. "Well... I was chased out by your mother, wasn't I?"

Chapter 467: I have a bottom line How can I Beat You?

Sheng Yu did not look surprised at all, he glanced at her. "I've heard about what happened today. My mom really shouldn't have said that about you. and Tang Yunfei, I'll talk to them for you when I Get Back..." "No, it's really not necessary!" Luo Chenxi shook her head desperately. "Thank you, CEO Sheng. I appreciate your kindness, but I think they're right. We're not suitable..." "Oh? is that so? What's wrong with us?" "We're not suitable for each other!" Luo Chenxi said resolutely, "President Sheng, look, I'm already married, and you're about to get engaged. Isn't it good for us to find our own partners?" "It's just an illusion that you like me now, because I'm good at design and have similar aesthetic tastes to you. It seems that we have a tacit understanding. "However, this doesn't mean that we're suitable to be lovers!" "I think that you and Miss Tang are more compatible." Sheng Yu sneered. "I'm... compatible with her? Are you kidding me? I'm not interested in this kind of woman who always treats herself like a

child and has terrible taste!” Luo Chenxi tried to convince him, “But isn’t this more interesting? You can try to transform her! I think Miss Tang has a good foundation. It’s just that she doesn’t know how to dress up, which makes her appear unromantic. “Wouldn’t it be more fulfilling if you could personally transform her into a peerless beauty and then marry her?” For a moment, the image of the transformed Tang Yunfei appeared in Sheng Yu’s eyes. Although her figure was a little bad, her face was indeed very exquisite. Moreover, her figure was not completely useless. Although her chest was flat, her waist was thin.. He was a little daydreaming. In the end, he saw from the corner of his eye that Luo Chenxi was quietly retreating. He immediately coughed. “Where do you think you’re Going? Stop right there!” Luo Chenxi stopped in her tracks with a pleading look on her face, “CEO Sheng, just let me leave! It’s not sweet to force things, so why are you doing this? I’ve always treated you as my confidant. We have such a resonance in the design, how good it would be to be friends! With you like this, we won’t even be friends in the future!” Sheng Yu’s face became a little gloomy. “Alright, you don’t have to think of me as a ferocious beast. I have a bottom line. How can I make you stronger?” “Ahem, I’m not worried about that, but...” “But what?” Sheng Yu glanced at her indifferently. “I only let you get into the car because I couldn’t bear to look at the injury on your leg. With your current condition, it won’t be easy for you to walk to the intersection in front of you!” Hearing his words, Luo Chenxi realized that both her legs were in terrible pain. Her legs went weak and she almost fell to the ground. She was too nervous just now, so she didn’t notice it. Sheng Yu saw the pain on her face and sighed to himself. “Okay, don’t force yourself. Get in the car. Where are you going? I’ll send you there.” Luo Chenxi didn’t move, but her face was still guarded. After being chased by Reese, she didn’t dare to get into someone else’s car. If Sheng Yu lied to her first and wanted to catch her, it would be hard for her to escape once she got in the car. Sheng Yu guessed what she was thinking and was angry. “You don’t believe me, do you? I’ll give you the phone. You can contact anyone you want. Is that okay?” He took out the phone and threw it into Luo Chenxi’s arms.

Chapter 468: i’m calling his private number!

luo chenxi caught the phone in a flurry.

for a moment, they could not believe their ears.

sheng yu was actually so kind?

he even gave her his phone!

luo chenxi glanced at sheng yu suspiciously. she quickly averted her gaze when she noticed that he was casting a sidelong glance at her without batting an eyelid.

he picked up his phone and started to dial.

when sheng yu saw this scene, he could not help but feel a pain in his liver.

even though he was the one who handed his phone to luo chenxi on his own accord, he was only pretending to be magnanimous partly because of that.

nowadays, everyone used their phone contacts to save their phone numbers. how many people could remember other people’s phone numbers?

boxn ov el. c o m

luo chenxi had lost her phone, so sheng yu guessed that she probably could not remember mu yichen's number.

in the end, he was proven wrong.

luo chenxi dialed the number at an extremely fast speed. she was very familiar with it. one could tell at a glance that she had already dialed the number countless times.

sheng yu was depressed. he leaned on the driver's seat and did not say anything.

luo chenxi clutched her phone tightly and placed it next to her ear.

at first, she was full of anticipation, but as she waited, her brows gradually furrowed.

sheng yu seemed to have guessed something. the corners of his lips curled up. "what's wrong? he doesn't want to answer the phone?"

luo chenxi did not speak.

she waited for a while more before hanging up angrily.

"are you doing this on purpose? i can't even get through to the phone!"

sheng yu raised his eyebrows and said coldly.

"what does this have to do with me? isn't that normal? how could the young master of the mu family, a top-class wealthy family, answer a call he had never seen before? if that's the case, then there are too many people who are harassing the nation's husband. he won't be able to answer all of them!"

luo chenxi thought of this as well. she felt extremely depressed. "but, i've called his private number!"

by right, only mu yichen's family and friends who were closest to him should know about it.

what she did not know was that ever since bai xinxin sent mu yichen that harassing text message and video call, he had set up an interception setting for his private number as well.

other than the people in his contact list, he could no longer receive any harassment messages from anyone else.

sheng yu laughed. "it's not my fault that mu yichen refused to pick up your call. since you can't contact mu yichen, you'd better go back with me ..."

"wait, didn't you say that you'll send me wherever i go? why are you going back on your word?"

luo chenxi frowned. she quickly retorted with the words he had said earlier.

sheng xiao choked.

"you went to mu yichen's company without even contacting him. aren't you afraid that you'll encounter the same incident again? i'm guessing that luo chenxin has more than one accomplice, right?"

luo chenxi fell silent upon hearing his words.

she indeed had such concerns.

now that the killer had seen her, he would definitely contact luo chenxin after he left.

they could also guess that if she was looking for mu yichen, her next step would either be to go to the mu group or to mu yiling's house.

after all, mu yichen had said in front of luo chenxin that he would bring the little dumpling to his uncle's house to play with the dog.

"how is it? have you decided to go back with me now?" sheng yu asked.

luo chenxi returned to her senses and shook her head. "no, i'm not going! i'll make another call."

sheng xiao narrowed his eyes. "who are you looking for now?"

luo chenxi did not answer. she lowered her head and dialed fang ziqian's number.

she had thought that there would be no problem this time.

however, no one picked up even after the phone rang for a long time.

Chapter 469: her little qianqian ... what on earth was she doing?

luo chenxi was a little dumbfounded.

"little qianqian, quickly pick up the phone! what's going on with you? why aren't you picking up the phone?"

however, no matter how anxious she was, no one picked up.

sheng yu's lips curled into a playful smile. "what's wrong? even your friend is ignoring you? it seems that you have to come back to the sheng family with me!"

luo chenxi put away her phone and got into the car.

"no need, you can just send me to my friend's house."

sheng yu was stunned. "you didn't get through to him. aren't you afraid that he won't be able to pick you up and luo chenxin's people will find out?"

luo chenxi smiled. "she's my best friend. she has nothing to do with mu yichen at all. luo chenxin doesn't even know her, so there's no problem. "alright, hurry up and drive! chief sheng, you don't want to be a man of your word, do you?"

sheng yu was depressed.

boxn ov el. c o m

but who asked him to pretend to be magnanimous and take the initiative to send her to anywhere she wanted to go?

he could only helplessly step on the accelerator.

luo chenxi felt slightly more at ease.

however, he was thinking about another problem. what was her little qianqian doing?

.....

at the same time, at bai corporation.

a group of executives gathered around fang ziqian.

everyone had a pleading look on their faces.

” secretary fang, the president of M country’s media group will be here in two hours. the signing ceremony is very important, you must find the president! ”

fang ziqian’s expression was ugly.

these two only knew how to make her think of a way!

it was obvious that he did not dare to look at second young master bai’s face. he was afraid that he would offend this arrogant and dandy young master. therefore, he had sent her to be cannon fodder.

if it was any other time, she would have gone to look for him as a way of returning the favor to old master bai.

however, ever since the photo of her kissing bai shixun was published by the gossip magazine and was seen by master bai, bai shixun no longer treated her well.

he even seemed to be doing it on purpose, bringing all sorts of female celebrities in and out of the company every day.

it was simply an eyesore!

“secretary fang, i can only rely on you now! it’s such an important signing ceremony. if ceo bai doesn’t show up, i’m afraid the other party’s ceo will be unhappy. if it affects the cooperation between the two companies, it will cause a loss of at least a few billion!” the vice president also walked out of his office.

the vice president of the bai group was an old man in the company. he was 70 years old this year with a head of white hair, but he was still determined to shine for the company.

seeing that he was there, fang ziqian could only agree.

she left the office, called a taxi, and headed straight for the Secret club.

.....

Secret club, first floor bar.

“second young master bai, you’ve been coming early every day recently!”

the bartender saw bai shixun and greeted him with familiarity.

bai shixun leaned lazily on the bar counter. ” it doesn’t matter if i’m in the company or not. i might as well come out earlier and have some fun ... ”

the bartender quickly sucked up to him. ” that’s right. second young master bai, you’re a true god’s favored one. you can earn money anywhere you go. ”

although he said that, the bartender muttered in his heart.

second young master bai said that he was here to have fun every day, but in fact, he didn't have much fun.

in the past, he would flirt with the beautiful women in the bar. recently, he came every day, but he only sat at the bar for a few drinks.

so many beautiful women threw themselves at him, but he didn't seem to feel anything.

at this moment, a sharp-eyed beauty had already noticed bai shixun.

"second young master bai, we meet again. what a coincidence."

Chapter 470: i know you're doing this for my grandfather

the beautiful woman winked at bai shixun and sat down beside him.

her long and slender fingers, painted with bright red nail polish, slowly climbed up second young master bai's arm.

bai shixun furrowed his brows and pulled his hand back.

"miss, who are you? i don't know you."

the beautiful woman froze for a moment, and her face was filled with embarrassment.

ever since she found out that second young master bai often came to Secret's bar, she purposely dressed up every day to show off in front of bai shixun, trying to create a chance encounter.

she had thought that since the two of them had met so many times in the bar, second young master bai would have some impression of her beauty.

whoever knew that the other party would be so cold.

bai shixun raised his glass and intended to change seats.

however, at this moment, an angry female voice rang out behind him.

"bai shixun! you're really in the bar! it's only the afternoon and you can't wait to come to the bar to pick up girls?"

bai shixun's fingers trembled slightly when he heard the familiar voice.

he almost smashed the wine glass!

however, he only used a second to control himself and sat back down again.

she turned around and looked at fang ziqian with disdain.

"what are you doing here?"

fang ziqian's eyes were on fire when she saw the beauty beside bai shixun!

“bai shixun, do you have any sense of responsibility? the president of M country’s media group is about to arrive at the company, and the signing ceremony is about to begin, yet you’re still here having fun? hurry up and follow me back to the company!”

bai shixun did not move when he heard her words. he only gave her a cold glance.

“why should i listen to you?”

fang ziqian was exasperated. “ because ... because the bai group is your company! i’m doing this for your sake, or else why would i waste so much effort? what does the fall of the bai family have to do with me? can’t you be more careful? what would the old man think if such an important business deal fell through?”

when bai shixun heard her say ‘for your own good’, his eyebrows twitched for a moment.

the expression on his face loosened.

however, bai shixun’s face immediately turned serious when he heard her mention master bai in her last sentence.

“i know you’re doing this for my grandfather. you don’t have to remind me again!”

“it’s good you know! hurry up, leave now, we still have time to go back!” fang ziqian urged, barely suppressing her anger.

however, bai shixun still did not move.

not only that, but he also reached out and pulled the beauty beside him.

he lifted his thin lips. “ little beauty, i remembered wrongly just now. i see you in the bar every day and you’re always alone. do you not have a boyfriend yet? ”

the beauty’s heart thumped when she saw his handsome and devilish smile.

she didn’t expect that second young master bai really remembered her!

furthermore, he even asked her such a question. could he be hinting to her ...

“ that’s right, i don’t have a boyfriend. i only like someone like second young master bai ... ”

“ what a coincidence, i also like you to be gentle and obedient, unlike some women ... ”

a smug smile hung on bai shixun’s face.

however, before he could finish his words, suddenly ...

“hua la” sound.

he felt a chill above his head.

there was a burst of exclamations from the surroundings.

it was only then that bai shixun realized that fang ziqian had picked up a bottle of lemon water from the bar and poured it on his head.

”fang. zi. qian!!!”

bai shixun was so angry that he stood up immediately.

his eyes flashed with a terrifying anger.
