

Sweetheart 491

Chapter 491: running away from home, abandoning her husband and daughter, sinful ...

such a model husband was hard to find even with a lantern!

however, she had been screwed over so badly!

“you ... you shouldn’t have taken out the black card just now!”

“why shouldn’t i? i’m paying for my woman, who are you to control me?”

“.....”

what he said made so much sense that she was actually speechless!

after a long while, luo chenxi forced out a sentence, “but if you do this, he’ll definitely think that there’s something going on between us!”

“is there a problem? don’t we have something going on?”

luo chenxi almost choked again.

boxn ov el. c o m

“this ... this is different! i’m a man now! aren’t you afraid that the mu family’s young master is gay?”

mu yichen curled his lips into a cold smile. “i think you’re worrying too much. you should worry about yourself instead!”

luo chenxi suddenly shivered when she heard his voice turn cold.

only then did she recall the real purpose of her appearance in this parking lot.

“um ... this ... mu yichen ... listen to me ...”

“you said?” a deep rage flashed past mu yichen’s eyes. the aura on his body became dangerous again. “i’m not interested in listening to you. i only know that some women have committed the most heinous crimes by running away from home, abandoning their husbands and daughters ...”

luo chenxi trembled as she took a few steps back. “my dear, calm down ... calm down ... ah!”

mu yichen strode forward like an arrow and lifted her up once again.

ignoring her struggle, he stuffed her into the sports car and locked the door.

he returned to the driver’s seat and stepped on the gas without even fastening his seat belt.

the sports car sped off.

luo chenxi felt a chill run down her spine from the shocking speed of the car before she could even sit properly.

his entire body swayed back and forth with the sports car, making people tremble in fear.

“mu yichen, you ... slow down ... be careful! you didn't even put on your seatbelt ... don't do this, slow down, i'm going to vomit!”

however, mu yichen did not even spare her a glance. his cold, thin lips were pursed tightly, and there was not a single expression on his face.

luo chenxi could tell that the man next to her was extremely furious. he dared not make a sound anymore and could only curl up in a corner, trying his best to reduce his presence.

not long after, the sports car stopped.

luo chenxi looked out of the window.

mu yichen did not bring her back to the mu family's villa. instead, they came to an apartment in the city center.

in the past, tan yueru had misunderstood that she was abusing the little dumpling. mu yichen had once asked her to move in for a few days.

young master mu opened the car door and carried luo chenxi upstairs.

as soon as he entered the house, he went straight to the bedroom and threw the little woman on the big bed.

luo chenxi was in a sports car that was speeding earlier. she was so shaken that she was carsick. she was still feeling dizzy until now.

when she got up from the bed, she turned around.

mu yichen had already undid his tie and tossed it on the ground.

his slender fingers reached down to his collar and unbuttoned the buttons one by one.

his perfectly curved chin was raised upwards, revealing his neck and collarbones. as the buttons were unbuttoned one by one, his strong and powerful pectoral muscles were gradually exposed ...

luo chenxi swallowed her saliva subconsciously.

this was really ... a top-grade beauty ...

especially since she had touched and kissed him before.

when he thought about it, it was even more meaningful.

luo chenxi's petite face blushed soon.

“m-mu yichen ... what are you doing? how could he take off his clothes so casually? if you do this ...”

as she protested, she could not help but follow mu yichen's finger. her gaze trailed all the way down ...

Chapter 492: could it be ... domestic violence?

soon, all the buttons on his shirt were unbuttoned.

young master mu pulled out the lower hem of his shirt from his pants.

the front of his shirt was completely open, revealing the perfect muscle lines of his upper body.

luo chenxi bit her lips. she could no longer utter a single word of protest.

wuwuwu ...

why was her husband so good-looking?

however, they hadn't even made things clear and he had already taken off his clothes. wasn't that against the rules?

mu yichen's fingers moved down to the belt on his waist after he was done unbuttoning.

after fiddling with the metal buckle a few times, he pulled it to the side and removed the belt.

boxn ov el. c o m

when luo chenxi realized what he had done, her petite face turned red with a bang.

"mu yichen! you ... you're still undressing! stop first, i still have something to say to you ..."

she had a lot of things to say to mu yichen when she came looking for him today.

but now, she didn't know what was going on. she didn't even have time to explain, and the two of them had already rolled onto the bed?

mu yichen did not say a word. his fingers moved to the zipper of his trousers again.

luo chenxi gasped and closed her eyes subconsciously.

the next second, she suddenly felt the world spinning around her. someone actually pressed her shoulder and turned her around.

by the time she reacted, she was already in a position with her face down and her back facing up.

"mu yichen, what are you trying to ..."

before she could finish her sentence, she felt a cold sensation on her butt.

mu yichen had already pulled off her trousers without the slightest hesitation.

luo chenxi became nervous at that moment. she twisted her body and struggled.

"ahem, mu yichen, don't be like this. i really have something important to tell you! can't you just let me finish first, then ... then ..."

she was halfway through her sentence when she suddenly felt that something was wrong.

luo chenxi's mind suddenly buzzed!

her butt seemed to have touched something ...

however, it wasn't the man's warm skin. it was a little chilly ...

it was a belt!

mu yichen pressed his belt against her butt!

could it be ... domestic violence?

young master mu's cold voice came from above her head. " alright, stupid woman, you can confess your crimes now! if there's one less ..."

"i'll explain, i'll explain, i'll explain immediately, i'll explain everything!"

luo chenxi was instantly terrified. she immediately cried out loudly.

mu yichen was furious when he saw her trembling little face.

did this stupid woman really think that he would hit her?

he maintained his cold expression. " hurry up and tell me! "

luo chenxi racked her brains. " hmm ... well, well ... ahem, i'm sure you've already guessed it. i'm not luo chenxin, but her younger sister, luo chenxi ... "

when she was in the sports car just now, she had calmed down a little and thought about everything from beginning to end.

the last time she saw mu yichen at the entrance of the mu family's villa, his attitude toward luo chenxin was already very bad. the little dumpling had also abused luo chenxin.

at the time, she had already guessed that mu yichen had already noticed that something was amiss.

today, mu yichen had publicly embarrassed luo chenxin at the auction again. this further confirmed her speculation.

most importantly, mu yichen's first reaction after the two of them met in the underground carpark was not shock or surprise, but rage!

this meant that he probably already knew most of the truth.

luo chenxi dared not conceal the truth anymore. she quickly explained the entire matter from beginning to end.

..."so, that's how it is. hubby, i'm sorry. can you forgive me?"

Chapter 493: you're addicted to running away from home?

luo chenxi twisted her body in an attempt to turn around and face mu yichen.

however, young master mu saw through her plan at a glance and pressed her shoulder hard, not letting her turn around.

“don’t think of acting coquettishly and acting cute to get away with it! continue to reflect on yourself and tell me where you went wrong!”

“wrong ... where did i go wrong ...”

the corners of luo chenxi’s lips twitched.

why was it so effective for her little dumpling to act coquettishly and cutely, but she didn’t even give her the chance to do so?

mu yichen had no choice but to make up his mind to frighten this little woman who was too gutsy.

no matter how hard she struggled, she refused to let go.

a cold voice came from behind her, ” “think clearly before you answer, or else ...”

boxn ov el. c o m

the rough leather belt moved behind her slowly.

it was full of deterrence.

luo chenxi was terrified at once. ” hmm, well ... my dear husband, i know i’m in the wrong, but ... but you can’t be violent ... ”

“domestic violence or not, it depends on your attitude when you admit your mistake.” mu yichen pursed his lips coldly.

luo chenxi’s hope of getting away with it was dashed. she had no choice but to continue lying on the pillow and repenting.

” cough, cough. first of all, i shouldn’t have lied to you. your bride should be luo chenxin, but i married you in her place. this is a serious lie to you! and i lied to you for so long ... i was wrong.”

mu yichen darted her a glance. he felt a lump in his throat.

this little woman couldn’t be here to anger him on purpose, right?

the substitution marriage was wrong?

he felt that out of all the things she had done, she was the only one who had done it right!

he suppressed his anger with difficulty. ” what else? ”

“and ... and, yes, yes, and more! also, i shouldn’t have left tang tang at home. luo chenxin has a dark history of abusing her. maybe he’ll abuse her again when he comes back this time. i’m being too irresponsible. i’m wrong! the next time i leave, i’ll definitely bring tang tang with me! i definitely won’t ... ah!”

luo chenxi suddenly screamed in the middle of her sentence.

mu yichen could not hold himself back anymore. he bit hard on the soft flesh at the back of her neck.

this woman ... was simply too much!

" what do you mean by bringing tang tang with you?! "

are you addicted to running away from home?

not only did he want to do it again, but he also wanted to take xiao tuanzi with him!

it was only then that luo chenxi realized that she had said the wrong thing. she laughed drily hastily, " cough, cough, that ... it was a slip of the tongue, a slip of the tongue. i just wanted to express that i really love tang tang! by the way, how's tang tang doing during this period of time? did she ..."

"not good!" mu yichen pursed his lips and spat out the two words coldly.

luo chenxi became anxious at once upon hearing his words.

"what? how's tang tang? did luo chenxin bully her? sigh, it's all my fault! hurry up and let me get up, i want to see tang tang first ..."

mu yichen's face was as black as the bottom of a pot.

he raised his hand and pressed the little woman down again.

"enough! you don't have to worry about tang tang now. she's with my mom, so there won't be any problems."

" but you clearly said that she's not well now ... "

" tangtang is not good, but ... i'm worse! "

mu yichen glared at luo chenxi through gritted teeth. " don't worry. i won't let you off easily today. keep thinking! what else have you done wrong? if you can't, you're finished!"

luo chenxi shuddered upon hearing his words.

we're finished, we're finished!

was mu yichen really going to whip her with his belt?

that's too abnormal!

Chapter 494: i'm angry, of course i'm angry, i'm about to die from anger!

luo chenxi racked her brain to recall what she had done.

after thinking for a long time, he still didn't have any clues.

however, the pressure on her butt forced her to keep using her brain to find all kinds of problems in herself.

" um ... that ... i shouldn't have put the brooch you gave me up for auction at the charity banquet ... "

"continue!"

“ah? there’s more? then ... i ... i shouldn’t have rejected your proposal that night because you didn’t wear a diamond ring ...”

” stupid woman, i told you, that’s not a proposal!! ”

“but ... uh, fine, if you say no, then you’re not ...”

“what else?”

boxn ov el. c o m

“what? there are more?”

luo chenxi widened her eyes in bewilderment.

she felt that she had already gone through an incomparably deep self-reflection, and had even reflected on every strand of hair. why was there still more?

mu yichen was instantly infuriated when he saw that she could not figure it out no matter how hard she tried. he could not hold it in anymore.

he tossed away the belt in his hand and turned luo chenxi over.

then, he pressed her wrist and pressed her down on the bed with his body.

their chests were almost touching.

the man’s angry face was right in front of her, and even the heat from his breath could be felt on her face.

luo chenxi’s heartbeat accelerated instantly. her lips trembled. ” what ... are you trying to say? ”

mu yichen glared at her innocent little face. he clenched his teeth so hard that he almost crushed them.

every word seemed to be squeezed out from the gaps between his teeth.

“your biggest mistake was not telling me about this earlier! if you had told me your real identity a month ago, your mother wouldn’t have been kidnapped. maybe she would have recovered from the surgery and moved in with us!”

“let’s take a step back. if you tell me the truth when luo chenxin threatened you, i can play along with your act! why did you choose to leave me?”

“do you know ...”

“do you know how i felt when i realized that you had left my side and that you were in mortal danger?”

mu yichen really wanted to grab her shoulders and question her loudly!

he had to get an answer!

however, when the words were at the tip of his tongue, he stopped.

he just pursed his thin lips tightly and looked at the dazed little woman below him.

after a long while, Luo Chenxi blinked her eyes.

A faint mist slowly appeared in her round and big cat-like eyes.

Her voice was choked with sobs. "I ... I told you such a big lie and lied to you for so long. You ... don't you blame me?"

She remembered very clearly that Mu Yichen had warned her a few times that he believed her, but he would never allow her to lie to him!

He would only trust her once.

If she lied to him, the consequences were not something she could bear.

It was precisely because of this that she didn't dare to open her mouth when the words came to her mouth.

She was too scared. She was afraid that Young Master Mu's proud and pampering eyes would suddenly turn into disgust and hostility.

If that was the case, Mu Yichen did not even need to do anything to break her heart completely.

Mu Yichen took a deep breath and fixed his gaze on the petite woman beneath him.

"I'm angry, of course I'm angry. I'm about to die from anger!!"

Luo Chenxi's body stiffened once again. "I ..."

"How can there be such a stupid woman like you in this world?!"

Mu Yichen gritted his teeth. He lowered his head and sealed her lips with his.

Chapter 495: What if it's flat?

He really couldn't bear to listen to this.

If he continued to listen to this little woman, he would be angered to death sooner or later!

Mu Yichen kissed the little woman in his arms passionately. He was even a little rough.

But if he didn't do this, he wouldn't be able to vent his fear, worry, and the pain of not being trusted by her.

Luo Chenxi seemed to have realized her mistake as well. Not only did she not dodge his attack as usual, but she also extended her arm and wrapped it around his neck.

She obediently raised her head and let him kiss her as much as he wanted.

Mu Yichen only let go of her after a long time.

The two of them pressed their foreheads together.

"Stupid woman, I believe you now. And you? How much do you believe in me?"

boxnovel.com

luo chenxi was stunned for a moment. she wanted to say something, " i ... "

however, she was interrupted by mu yichen the moment she opened her mouth.

"don't talk, i'm afraid i'll be angered to death by you! in short, i have to punish you today, or you won't be taught a lesson at all!"

when he thought of how this little woman had actually said that she would bring her daughter with her the next time she ran away from home, he was filled with anger!

luo chenxi had not been touched for long when she saw that the man's eyes were about to spew fire. she shuddered at once.

"mu yichen, calm down ... let's talk this out ... domestic violence is not right ..."

mu yichen sneered, " not only do i want domestic violence, but i also want to rape her during our marriage! "

as he spoke, he pressed the little woman in his arms down and pulled her collar.

all the buttons on luo chenxi's shirt burst open in an instant.

it revealed the corset under the thin material of the clothes.

mu yichen was even angrier when he saw that.

" what the hell are these things?! "

luo chenxi lowered her head and took a glance before she quickly explained, " "this is a bra? if i don't wrap myself up, how am i supposed to wear a men's shirt? it's too easy to be exposed ..."

"i know!" mu yichen gritted his teeth. " you're not allowed to wear this kind of thing anymore! did you hear that?"

what if she wrapped it a few more times and it became flat?

these were all his benefits!

he tore off the corset in no time and used the cloth as a rope.

he grabbed luo chenxi's wrist and tied her to the head of the bed.

luo chenxi widened her eyes. she could not believe that mu yichen would do that.

"mu yichen! what are you doing? let me go!"

"not letting go! i told you ... this is punishment!"

young master mu sneered, took off the shirt draped over his body, and threw it on the ground.

the entire movement was like floating clouds and flowing water. the muscles on his body were relaxed and full of the strength of a man.

luo chenxi swallowed her saliva.

mu yichen's heart felt a little stifled when he saw her gaze.

sometimes, he couldn't even tell if this stupid woman liked him. did she like his face or ... his body?

mu yichen walked slowly to the bed.

at this moment ...

his phone suddenly rang.

moreover, it rang again and again, for more than ten times in a row, without stopping.

this made young master mu, who had originally intended to ignore the ringtone and continue to "punish" his wife, unable to ignore it.

he cursed in a low voice and picked up the phone that was thrown on the bedside table.

"quickly release it!"

the person on the other end of the phone was stunned. "what ... what do you mean?"

mu yichen wanted to hang up the phone immediately when he heard that it was the idiot mu yiling.

"i'm very busy. let's talk tomorrow."

"hey, wait, brother! what are you busy with? don't tell me you don't even care about tang tang?" mu yiling shouted in a hurry.

his voice was so loud that luo chenxi heard him from the bed.

his eyes immediately lit up.

Chapter 496: your big sister will be back in seven days

tangtang!

their little princess, little cutie!

luo chenxi struggled on the bed for a while in an attempt to get up.

however, her hands were tied to the head of the bed, and she couldn't get up.

at this moment, the little dumpling's voice was heard from the phone.

"daddy, why didn't you come to see tang tang today?"

"daddy has something to do. be good, tang tang. sleep by yourself tonight, okay?" mu yichen coaxed her softly.

"wuwuwu, big sister doesn't want to go home. she doesn't want tang tang anymore. daddy doesn't want tang tang anymore either ..."

the little dumpling's voice sounded so aggrieved that he could imagine her lowering her head and pouting her little mouth through the phone.

boxn ov el. c o m

luo chenxi's heart clenched at once when she heard the voice.

she immediately shouted, " sugar ... "

however, just as she made a sound, a strong man's hand covered her mouth, not letting her make a sound.

" wuwu, wuwuwu!! "

luo chenxi shook her head with all her might in an attempt to shake off mu yichen's hand.

however, her hands were tied up, so how could she shake him off?

she could only watch helplessly as mu yichen coaxed the little dumpling for a long time on the other end of the phone.

finally, he said, " tang tang, don't worry. as long as you listen to grandma, daddy can promise you that in seven days, your big sister will be back. she will be with you every day like before! "

with such a guarantee, the little dumpling was finally at ease.

she smiled through her tears and said sweetly, " "daddi, you're the best, you must find big sister! love you, muah!"

the call ended.

luo chenxi's heart broke into pieces.

after not seeing each other for more than ten days, the little dumpling's favorite person had become her father!

and what the hell was seven days?

why would she only be able to meet the little dumpling after seven days?

for some unknown reason, fang ziqian's words suddenly resurfaced in luo chenxi's mind. she said something about being tied to the bed and being punished for seven days and seven nights ...

no... no way?

this couldn't be true. she couldn't be led astray by that jinx!

however, before she could figure it out, mu yichen had already taken off his suit pants and got into bed.

"stupid woman, no one will disturb us now. i can finally punish you ..." he said.

"mu yichen, don't come any closer. i'll scream if you come any closer!"

" scream all you want. no one will come to save you even if you scream until your throat breaks! "

the big bad wolf pounced.

the little white rabbit closed its eyes in despair.

.....

at the same time.

at bai shixun's apartment.

fang ziqian struggled with all her might, but she was still dragged back to the apartment by bai shixun.

"bai shixun, you're crazy! let me go! this is kidnapping, it's illegal, you know that? if you don't let me go, i'm going to call the police!"

bai shixun sneered. " you can try calling the police and see if anyone would dare to do so. "

fang ziqian choked.

the evil young master of a wealthy family had such great power that no one dared to provoke him!

was there still law in this world?

seeing that she was in a daze, bai shixun immediately pushed her onto the sofa.

"what ... what do you want to do?"

bai shixun crossed his arms and looked at her from the corner of his eyes. " what do you think i'm trying to do? are you scared now? you were very bold when you poured lemon water on me that day! you don't look scared at all!"

bai shixun felt depressed when he recalled the way everyone in the bar looked at him.

he, the famous prince of nightclubs, didn't even dare to go to that bar again!

Chapter 497: there were so many women in the world, why would he want to sleep with such a tigress?

later, he drove back to the company to settle the score with fang ziqian, but it was all for naught.

and his funny image of him with lemon water all over his body and two lemons hanging above his head was appreciated by everyone!

these embarrassing things were all thanks to this woman in front of him!

bai shixun's expression became more and more ferocious.

fang ziqian was a little scared and didn't dare to fight back.

he laughed dryly,"cough, cough. second young master bai, you're a magnanimous man. why are you so calculative?" wasn't it just a bottle of cold water? how big of a deal? just think of yourself as participating in the ice bucket challenge and contributing your strength to the treatment of the patient with lou gehrig's disease ..."

bai shixun remained unmoved and looked at her coldly.

fang ziqian was at a loss for words.

“then ... then what do you want to do? why don't i get you a bottle of lemon water so you can splash it back? if you're not satisfied, then i'll make you bring a few more bottles of ice to the company and pour it back in front of all your colleagues. is that okay?”

boxn ov el. c o m

bai shixun could not help but sneer. “fang ziqian, do you think i'm stupid? if i pour it back in front of everyone in the company, what would they think of me? they would definitely think of me as a scum who only knows how to bully women!”

are you not?

fang ziqian almost blurted out.

but fortunately, he remembered his current situation in time and forcibly swallowed his words.

“then ... then what do you want?” tell me and i'll cooperate with you. if you're done, you'll let me go!”

bai shixun was stunned when he heard the question.

to be honest, he had never thought about how to torture fang ziqian.

when fang ziqian had poured a pot of water on him, he had been so angry that he was about to explode. he had wanted to catch this woman and teach her a lesson!

as for how he was going to teach him a lesson ...

the scene that flashed through his mind was ... tying her to the bed and then ...

f * ck, is he crazy?

there were so many women in the world, why would he want to sleep with such a tigress?

no matter how pretty this tigress was, it wouldn't do!

he wasn't as blind as the male model today to like such a fierce woman ...

at this time, he suddenly thought of the scene he saw in the exhibition center.

fang ziqian and chen xiluo hugged each other ...

bai shixun's eyes suddenly turned cold. he strode to the sofa and put his arm on the back of the chair.

he leaned forward and stared at her intently. “what's your relationship with that chen xiluo?”

fang ziqian was stunned. “chen xiluo? she's ...”

the words stopped at the tip of his tongue.

she suddenly recalled that luo chenxi had once told her that only mu yichen knew about her disguise.

even though bai shixun was mu yichen's good friend, little wei xi would not reveal her best friend's private information without discussing it with her.

"chen xiluo is someone very important to me!"

bai shixun's face turned ugly. "so ... this kind of pretty boy who has no two pieces of meat on him is your type?"

no wonder she told his grandfather that she didn't like his type!

is this woman blind?

he was a real man, while chen xiluo looked like a sissy. what was so good about him?

"don't you dare say anything bad about little ... hilo!"

fang ziqian said indignantly.

bai shixun narrowed his eyes. "say that again?!"

"i ..."

as soon as fang ziqian opened her mouth, the doorbell suddenly rang.

it rang continuously for a few times.

bai shixun walked to the door and asked impatiently, "who is it? you don't have to sell me insurance anymore. i'm not interested, just leave!"

"you little brat, how can you speak to your grandfather like that?!"

master bai's angry voice was heard from outside the door.

fang ziqian's expression changed, and she jumped up from the sofa.

Chapter 498: what's going on between you and fang ziqian?

"we're finished, finished, finished! why did the old man suddenly come to your house? now, where should i hide?"

master bai hated those girls around bai shixun the most.

if he were to find out that she was in bai shixun's apartment in the middle of the night, he would definitely be worried.

the two of them were in such an ambiguous position ...

she could imagine how disappointed master bai must be in her!

and this ... was all bai shixun's fault!

fang ziqian was like an ant on a hot pan, pacing around anxiously.

“what do we do? what should he do now? i have to find a place to hide! ‘bai shixun, why are you still standing there?’ quickly help me find a place to hide! this is your home!”

bai shixun was a little nervous when he heard his grandfather’s voice.

boxn ov el. c o m

however, when he turned around and saw that fang ziqian was even more nervous than he was, he was no longer in a hurry.

he stood by the door, his hand already on the doorknob.

he turned to look at fang ziqian and smiled. ” what’s wrong? why was he so nervous? so what if my grandfather sees it? just say that we’re dating ...”

“shut up! you still dare to talk nonsense!”

fang ziqian was about to die from anger.

while they were talking, master bai was waiting outside, getting impatient.

he knocked the ground with his walking stick. ” bai shixun! what is this little brat doing? hurry up and open the door for grandpa!”

bai shixun pressed the doorknob and opened the door ...

fang ziqian gasped.

she slipped into bai shixun’s bedroom, jumped into the wardrobe, and hid.

as soon as master bai entered the room, he looked around suspiciously.

“brat, why didn’t you open the door for so long? did you do something shameful?”

bai shixun laughed drily, ”grandpa, what are you thinking about?” what is there to be ashamed of? i was changing my clothes just now, but you came halfway, grandpa, so i had to put them back on ...”

master bai obviously didn’t believe him. he frowned and looked around the living room.

“why are there traces of someone sitting on this sofa? did you bring someone back?”

bai shixun quickly shook his head. ” no, no, that’s not the case! i just felt tired, so i laid on the sofa for a while.”

he was afraid that he would be exposed if he continued, so he quickly changed the topic. ” alright, grandpa, you must be tired from the journey. quickly sit down and rest for a while. i’ll make you some tea! ”

he helped the old man to sit on the sofa, then turned around to go to the kitchen.

master bai knocked his walking stick on the ground and said, ” that’s enough. stop finding excuses. sit down! ” i’m already full of anger from you, how can i have the mood to drink tea?”

bai shixun was most afraid of his grandfather, so he could only sit opposite him obediently.

“grandpa, aren’t you on vacation in the suburbs? how did i make you angry?”

master bai snorted coldly and said, ‘you still have the face to say that? i know everything that happened in the company a few days ago! signing a contract with M nation’s media group is such a big deal, and you actually left it alone and went to a bar to hang around! it’s a good thing ziqian found you. otherwise, who knows how much losses the company would have suffered!’

bai shixun’s expression did not look good.

“grandpa, how did you know? actually, what does it matter if i’m not here? fang ziqian was in the company anyway. it’s fine as long as she’s here. we won’t be unable to sign the contract.”

“what are you saying? who’s the president of the company?” old master bai slammed the table. “ let me ask you, what’s going on between you and fang ziqian? ”

Chapter 499: that woman is hiding under the bed or in the closet

bai shixun was stunned for a moment. “ what? me and fang ziqian?”

he did not expect master bai to ask such a question.

master bai glared at him. “ don’t play dumb with me! i think you’ve done something you shouldn’t have to ziqian. everyone in the company is saying that you two have a special relationship ...”

before master bai could finish his words, a “ bang ” suddenly came from the bedroom!

this time, both of them were stunned.

master bai frowned at once. “ what happened? ” there’s someone in your bedroom?”

“cough, cough, this ...”

bai shixun was tongue-tied and did not know what to say for a moment.

what was that idiotic woman fang ziqian up to again?

boxn ov el. c o m

if he wanted to hide, he should hide well. if he suddenly made a sound, how was he going to explain it to the old master?

master bai saw his embarrassed face and immediately guessed it. “ what’s wrong? did you bring a woman home? then, when he saw me, an old man, coming over, he hid him in his bedroom?”

bai shixun coughed twice. “ ahem, no, no. there’s no such thing! ”

“you think grandpa is easy to fool? he was still lying at a time like this? tell me, where did you get the earring on the sofa?”

“an earring? what earrings?”

bai shixun followed master bai’s line of sight and lowered his head.

there was a small pearl earring on the sofa ...

it must've fallen down when he was fighting with fang ziqian ...

this was awkward!

fortunately, bai shixun's reaction was quick.

looking at master bai's stern eyes, he immediately found an excuse. "grandpa, i ... i really didn't bring the woman back. it's ... it's the last time when mu yichen brought his wife over to play. his wife probably lost her earrings. i usually come back late, so i didn't notice ..."

"as if i'd believe you! i remember warning you that no matter how you play outside, grandpa can't control you. but you must never bring that kind of woman back home! you didn't listen to me at all!"

"i heard it, i heard it! there's no such woman in my family!"

however, master bai had already lost his trust in him.

she didn't listen to his explanation at all. she used her walking stick to support herself on the ground, stood up, and walked straight to the bedroom.

he was ready to search the place personally!

fang ziqian, who was hiding in the closet among a pile of men's suits, heard the conversation between the two. her heart was in her throat.

just now, when she heard master bai mention her name and even suspected that she had an ambiguous relationship with bai shixun, she was shocked.

she accidentally knocked down a few clothes that were hanging in the closet.

now, she had attracted the old master's attention, and he even wanted to come in and search for her personally!

if the old man found out that she was hiding in the closet in bai shixun's bedroom, she would not be able to clear her name even if she jumped into the yellow river!

the sound of the old man's walking stick hitting the ground was getting closer and closer ...

fang ziqian was so nervous that she almost stopped breathing.

bai shixun's voice came from outside the wardrobe, "grandpa, you can see that there's no one in my bedroom! that sound just now was probably because i forgot to close the window and the wind was too strong, blowing something over ..."

"there doesn't seem to be anyone in the room," master bai said, "but you might have asked the woman to hide under the bed or in the closet ..."

Chapter 500: fang ziqian is a good girl

fang ziqian's face was as white as a sheet.

he was desperately thinking in his mind.

if she was really caught by the old master, how was she going to explain?

if she had known earlier, she would not have hidden earlier.

if she sat in the living room openly, she could still barely explain herself. but if she was found in the closet, no one would believe her if she said that she had nothing to do with the owner of the house.

a few drops of cold sweat appeared on bai shixun's forehead.

in fact, he didn't even know what he was nervous about.

if fang ziqian was found, she would be the most unlucky one.

bai shixun himself, as the heir of the bai family, would at most be lectured.

boxn ov el. c o m

however, fang ziqian was different.

she was the old master's trusted aide, but if anyone found out that she had seduced the old master's grandson, she would not be able to live in the future. she might even be kicked out of the bai family.

this way, she would no longer be able to interfere with her!

bai shixun was well aware of this, but the thought of not being able to see fang ziqian in the office every day made him feel suffocated.

seeing that the old man was about to open the closet door, he quickly said, "old man, you're really thinking too much! this isn't a movie, who would hide in a closet for no reason?"

seeing that the old man still did not believe him, he immediately added, "grandpa, don't worry. i know what's important. other than the woman i want to marry, i will never bring any other woman home, i swear!"

the old man's movements paused. "really?"

"really, really!" bai shixun nodded his head vigorously.

only then did master bai's expression ease.

"it's good that you know the severity of this. find a lady from a good family and settle down as soon as possible. you're too temperamental. grandpa will only be able to hand the company over to you without worry after you get married."

he said as he walked out of the bedroom.

bai shixun heaved a sigh of relief. "don't worry, grandpa. i'm trying my best to find one."

"fang ziqian ..." grandpa shen nodded.

bai shixun quivered.

why did he mention her again?

master bai did not notice his expression and continued, "fang ziqian is a good girl. nowadays, most young people are impetuous. there are not many girls like her who are smart, capable, and down-to-earth. but ... you two are not suitable!"

bai shixun was still a little stunned when he heard the first half.

his grandfather really liked fang ziqian. he rarely heard his grandfather praise someone like that.

in the end, he heard ...

the corner of bai shixun's mouth twitched. "grandpa, why are you bringing this up again? i've already told you that there's nothing between me and fang ziqian that can't be seen!"

"that's for the best. you stinky brat, you're not on the same side as them, so don't go and harm others. did you hear me?"

bai shixun chuckled. "grandpa, do you think that i'm someone who would fall for such an uncouth and ugly girl?"

master bai was furious. "how can i have a grandson who judges people by their appearance? besides, ziqian doesn't look ugly. maybe if she dolled herself up, she'd also ..."

halfway through his sentence, he felt that something was wrong and stopped.

"anyway, no matter what she looks like, it doesn't affect her ability to work. you should cherish your fortune to have such a good secretary! did you hear me?"

"i know, grandpa ..."

sometimes, she really didn't know if he or fang ziqian was the elder's biological child.
