

Sweetheart 541

Chapter 541: could it really be true love?

hearing this, xu mengya's face turned pale.

if she had still harbored a glimmer of hope for lu zheqing earlier and felt that she still had a chance to marry into a rich and powerful family, luo chenxi's words had completely shattered all her hopes!

even the dress that lu zheqing had bought for her was fake. he even lied to her that it was the latest design of the season!

he was simply playing her like an idiot.

how could this kind of man really want to marry her? he was definitely just playing with her.

however, she had already given lu zheqing the most important thing to a girl ...

xu mengya's eyes widened and she shook her head vigorously. "no, impossible ... it's not like that! you ... you're talking nonsense ..."

she mumbled to herself. suddenly, she reached out and grabbed lu zheqing's sleeve.

"zheqing, you won't do this to me, right? these clothes can't be fake, can they? tell me, you ... you're true to me, you'll definitely marry me, tell me quickly?"

boxn ov el. c o m

"xu mengya, don't be like this." lu zheqing furrowed his brows. he was extremely frustrated!

what was the background of this chen xiluo? his eyes were actually so accurate!

he could even tell that xu mengya was wearing an imitation!

now, it was already very difficult for him to explain.

xu mengya just had to mess with him, couldn't she be more tactful?

how could it be true love for a rich young master like him to find a woman who had nothing? he really had no X points at all!

and she even forced him to say that he would marry her?

how was he supposed to answer that?

if he were to tell the truth that he would not marry xu mengya, then he would have confirmed chen xiluo's accusation against him.

from now on, he would be famous in silver dragon academy, and everyone would know that he was an absolute scumbag!

not to mention the daughters of the top rich families, even ordinary rich girls would avoid him.

however, if he were to follow xu mengya's words, there would be so many people watching. he would not be able to do it after the matter was over and would still be criticized by others.

lu zheqing was in a difficult position. he looked extremely embarrassed.

yet, luo chenxi was adding fuel to the fire.

she turned her head and looked at mu weiwei. "weiwei, how did you get yourself involved with such a person? you're just too soft-hearted, that's why you're entangled with this kind of person."

mu weiwei caught her gaze and immediately understood her meaning. she put on an aggrieved expression.

"i understand, brother hilow. but i've rejected him countless times already, haven't i? how would i have known that he was so thick-skinned? i don't have any feelings for him at all, and i've told him a few times, but he just wants to pester me. what can i do? this time, he got together with xu mengya and i'm very happy. i even prepared a wedding gift for them. who knew it would turn out like this?"

"tsk, that's true. no one could do anything when they encountered such a shameless person. alright, don't be unhappy. today is your graduation party! let's go and dance!"

"yes, yes, brother hilow!"

mu weiwei held luo chenxi's arm before she turned around and left.

he didn't even look back at the two people behind him.

xu mengya was still holding onto lu zheqing's sleeve tightly. she begged in a low voice, "zheqing, don't ... don't scare me." you ... you've clearly said that you love me and that i'm a hundred times better than mu weiwei. i'm the ideal type in your heart ..."

lu zheqing couldn't answer, and with so many people looking at him, he instantly flew into a rage out of humiliation and pushed her away.

Chapter 542: kesu, daddi isn't home today either ...

"get away from me! why don't you look at yourself in the mirror? why would i marry a woman like you? it's all your fault. if you didn't strip naked and climb into my bed to seduce me, i wouldn't have been seduced by you and missed out on a good girl like wei wei!"

lu zheqing was very annoyed.

he had only wanted to have some fun with xu mengya. who knew that mu weiwei would find out about it at the star dream restaurant the other day?

otherwise, he had no intention of letting others know about his relationship with xu mengya.

how did he end up in such a state?

xu mengya, who was wearing high heels, couldn't stand steadily. she was thrown by him and was caught off guard. she fell on her butt directly.

that appearance, there was no need to mention how pathetic.

all sorts of mocking laughter could be heard from the surroundings.

” i’m dying of laughter. someone like xu mengya still has the nerve to say that she’s a hundred times better than mu weiwei ... ”

boxn ov el. c o m

“in what way is she better than miss mu? look at mu weiwei’s starry sky dress and her aura! i can only say that a phoenix is a phoenix, and a pheasant is a pheasant. chen xiluo was right!”

” that’s right. even though the lu family is down and out, it’s still not something someone like xu mengya can match up to. what kind of daydream is she having? ”

xu mengya was so ashamed that she could not even lift her head.

he wished he could disappear immediately!

she thought that she had finally won against mu weiwei for once.

why was it like this?

luo chenxi brought mu weiwei away from the crowd and came to a corner. she asked in concern, ” “wei wei, do you feel better? don’t be unhappy. it’s not worth it for those two scumbags!”

she noticed that mu weiwei had her head lowered and her shoulders were still twitching. she thought that she was still upset.

unexpectedly, mu weiwei suddenly raised her head. she could not hold back her smile.

“brother xiluo, you’re really, really! really amazing! lu zheqing’s expression was too funny! you don’t know this, but he’s on our school’s debate team. no one can beat him. i can’t even say a single word in front of you today!”

“and xu mengya, she’s getting her retribution! it’s so satisfying!”

luo chenxi heaved a sigh of relief upon seeing her reaction. ” you’re not sad anymore? ”

“of course i’m not sad! i’m very happy and excited now! brother hilow, let’s go dance?”

the ball had already started, but there weren’t many people on the dance floor. most of them were attracted by the quarrel just now and had forgotten that they were here for the ball.

luo chenxi nodded. she bent over at once and made a gesture of inviting him to dance.

he walked into the center of the dance floor with mu weiwei in his arms.

after a few dances, luo chenxi retreated to the side to rest. she took a glance at her watch while she was at it.

it was 9:40!

her heart skipped a beat.

she suddenly recalled that she had promised mu yichen that she would return home before ten o'clock in the evening when she left the house today ...

he turned around and saw that mu weiwei was obviously very excited. she had gone to the side to play blackjack with someone else. she had no intention of leaving at all.

the graduation party was a once-in-a-lifetime event. it was indeed inappropriate to force mu weiwei to go home at this time.

but ...

luo chenxi hesitated for a moment before she took out her phone from her pocket and made a call to her house.

"hello, this is the mu residence ~"

the little dumpling's childish voice was heard.

the corners of luo chenxi's lips curled up subconsciously. "tang tang, why aren't you asleep yet?"

the little dumpling cried out in surprise, "big sister!!" "big sister, when are you coming back?"

"ahem, i'll be home late today. help me tell your father ..."

the little dumpling interrupted her, "tell daddy?" "but su, daddy isn't home today ..."

"mu yichen's not at home?"

luo chenxi's eyes lit up at once upon hearing his words.

Chapter 543: it seems like it's time to buy a few more durians home ...

'mu yichen's not home yet because he's busy today!'

this was too much of a coincidence.

even the heavens were helping!

"did father say when he'll be back in the evening?" luo chenxi asked after some thought.

xiao tuanzi was an honest child. she pouted and said, "daddy said he would be home very late and might not even come back ... big sister, why are you and daddy not coming home?"

"because we're adults and have important things to do!"

luo chenxi muttered in her heart as she answered.

mu yichen actually said that he might not be coming home tonight?

when she left in the morning, he did not mention it to her at all!

boxnovel.com

what was he doing?

there was a situation!

it was very suspicious!

it seemed that it was time to buy a few more durians and go home ...

luo chenxi asked the little dumpling a few more questions. she hung up the phone in relief after she learned that tan yueru was at home too.

the corners of his mouth curled up into a smile.

that's great!

in that case, it wouldn't be a problem for her to go back any later tonight?

luo chenxi put away her phone in satisfaction. she walked over to mu weiwei's side and played cards with her.

as time passed, the ball entered its later stages.

there were fewer and fewer people dancing in the middle of the dance floor.

most of the people retreated to the edge of the dance floor and engaged in other entertainment activities.

this private club was the most luxurious and high-end one in T city. it had all kinds of entertainment facilities, and the waiters could come at any time to cooperate with these rich children.

luo chenxi was sitting in front of a table and playing blackjack.

he had already won a few rounds in a row.

the boy who was the banker was pale.

he had just inserted a year's worth of his living expenses into the system!

mu weiwei was unusually excited after drinking some wine. she sat by luo chenxi's side and kept clapping her hands and cheering.

"brother xiluo, you're amazing! he was really too amazing! to be able to win like this, he's definitely at the level of a gambling god!"

luo chenxi coughed twice softly. "ahem, ahem. weiwei, you're exaggerating."

in fact, she was not bad at blackjack. it was just that she had a better mentality than high school students, so her winning rate was higher than others.

the one who was truly amazing was her little qianqian.

fang ziqian's calculative abilities were superb. she could remember every card and analyze the cards in everyone's hands.

in the past, when she went to the casino with fang ziqian, she would be chased out by the security guards because she won too much ...

luo chenxi was having fun when a boy suddenly chased the dealer away and sat opposite her.

luo chenxi raised her head to take a look and could not help frowning.

it was lu zheqing!

her eyes turned cold, but there was a smile on her face. " young master lu, do you want to play a few rounds with me? sure, how big do you want to bet? i'll play along!"

lu zheqing's expression froze when he heard this.

with the lu family's current situation, he could no longer be as extravagant as he was in the past and still gamble!

even if he were to bet, he would not dare to bet with chen xiluo. the young lady of the mu family was standing behind him ...

lu zheqing felt a sharp pain in his heart when he thought of mu weiwei. he was filled with regret.

he raised his head abruptly and looked at luo chenxi. " i'm not here to play cards with you. after all, i don't have a woman who gives me money behind my back. how can i win against you in gambling? "

luo chenxi scoffed coldly. " don't give me that. i don't need weiwei to fork out any money at all. i'll use my money to gamble with you. do you dare to do that? "

lu zheqing froze again. he did not nod or shake his head.

luo chenxi said with a smile, " you've said it yourself just now. i'm just a model. i can't be compared to you young masters from wealthy families. " what are you afraid of when i bet with you?"

Chapter 544: anything can happen if you're not careful ...

as soon as she said this, the students around her also joined in the jeering.

"bet with him, bet with him!"

" chen xiluo already said that he won't use the mu family's money. then, it definitely won't be much! "

"if they can't even bear to part with such a small amount of money, then the lu family is really in a terrible situation ..."

lu zheqing's expression turned ugly when he was being talked about like that.

however, after gritting his teeth and holding it in for a long time, he finally said, " "i'm not betting!"

"tsk!"

luo chenxi swept a disdainful glance at him. she was slightly disappointed. " since you're not betting, what are you sitting here for? " hurry up and go away!"

she waved her hand as if she was shooing away a fly.

boxn ov el. c o m

she had initially planned to scam this fellow to vent mu weiwei's anger. in the end, this fellow was so cowardly?

lu zheqing looked at her. " i don't want to gamble. but, if you have the guts, we can compete in something else! " he said.

luo chenxi squinted her eyes. " for example? "

"for example ... fencing!"

"you're going to have a fencing match with me?" luo chenxi asked in surprise.

lu zheqing stood up. " that's right, fencing! don't tell me you can't! fencing and horsemanship are compulsory courses in our circle. those who are slightly more particular about these courses would have started learning from the age of five or six. in silver dragon academy, these two noble sports are compulsory courses!"

"since you're going to be with the mu family's young miss, it would be too embarrassing if you don't even know how to fence."

luo chenxi frowned and did not speak.

lu zheqing said, 'let's have a fencing match. if you win, i'll stop pestering mu weiwei!' but if you lose, you have to kneel and apologize to me! so, do you dare to do it?"

as he spoke, a haughty smile appeared on his face.

he was so upset that he almost wanted to commit suicide after being humiliated by luo chenxi earlier.

lu zheqing had always had a smooth-sailing life since he was young and had a strong self-esteem. he had never been humiliated like this before.

seeing chen xiluo holding the mu family's eldest daughter in his arms, and the countless girls around casting adoring gazes on her, lu zheqing was extremely jealous.

he wished that chen xiluo would disappear immediately.

he scratched his ears and cheeks for a long time before he thought of this idea to challenge chen xiluo.

in his opinion, chen xiluo would definitely accept his challenge in order not to embarrass himself in front of mu weiwei.

however, chen xiluo was not a real young master from a rich and powerful family. it was impossible for him to have learned fencing. if an ordinary person were to go on stage, wouldn't they only end up being beaten up by him?

moreover, his goal was not as simple as making chen xiluo kneel and beg for mercy.

fencing was not a safe sport to begin with. anything could happen if one was not careful ...

as soon as lu zheqing finished speaking, two waiters walked over and handed him two swords, two masks, and a vest.

“how is it? chen xiluo, are you afraid? or are you not afraid of letting others know that miss mu’s boyfriend is a country bumpkin who doesn’t even know how to fence?”

luo chenxi’s gaze fell upon the two swords. she was slightly dazed.

seeing them reminded her of four years ago ...

he thought that he would never be able to return to the person he was four years ago.

however, ever since she met mu yichen, she had broken her routine time and time again.

for example, flamingo, the song she had played at master bai’s birthday party.

another example was today ...

she picked up one of the swords and said, “ we can compete ... ”

Chapter 545: it’s 10 o’clock, very good, this woman really turned a deaf ear to my words!

“no, you can’t compete with him!” mu weiwei became anxious and rushed out to stop him.

“brother xiluo, you don’t know this, but lu zheqing is the captain of our school’s fencing team. he’s very strong! you definitely can’t beat him! besides, the fencing competitions between the young masters of our silver flame academy are all very dangerous!”

“dangerous?” luo chenxi was puzzled.

“right!” “it’s very dangerous!” mu weiwei emphasized.

” in normal fencing competitions, one has to wear a full set of bulletproof fencing clothes. however, for the battle at silver flame academy, they only wear a vest and a hood. although this can not be life-threatening, people often get fractures ... ”

“wei wei, do you feel bad for this kid?” lu zheqing walked over and interrupted her.

“low class people are low class people. you’ve never come into contact with this kind of aristocratic movement, have you? forget it, it’s fine if you don’t dare to. i really feel sorry for weiwei. how can she survive in the circle after having such a boyfriend?”

a few of lu zheqing’s good friends also joined in the commotion.

” that’s right. such a coward. are you still a man? ”

boxn ov el. c o m

” don’t think that just because you’re good-looking, you’ll be able to marry a rich and beautiful woman and enter a rich family. you should take a good look at yourself! ”

” that’s right. a real young master from a rich family has received a comprehensive education since young. you can’t be compared to him just because you know two suits! ”

upon hearing such words, the girls who liked chen xiluo became very angry and started quarreling with the boys.

however, most of the boys looked at chen xiluo and mu weiwei with a hint of amusement in their eyes. there were even some who gloated.

after all, in the eyes of the boys, chen xiluo was only a male model.

the moment he came out, he had stolen all the limelight from the young masters of the rich families. it was too hateful.

everyone was looking forward to his misfortune!

it would be best if miss mu broke up with him because of this, then they would have a chance.

luo chenxi’s gaze turned cold when she noticed the probing gazes.

“alright, if you want to compete with me, sure,” he said.

“brother xiluo, you can’t!” mu weiwei strongly opposed it.

however, luo chenxi remained calm as she continued to speak, ” “however, i’m at a huge disadvantage in the bet you proposed just now. if i lose, i’ll kneel down and beg for mercy, and if you lose, you’ll just leave wei wei alone? hehe, you can’t pester wei wei anyway.”

lu zheqing gritted his teeth. ” then what do you want to bet on? ”

luo chenxi said, ‘if i win, you have to kneel down too. however, you’re not apologizing to me. you’re apologizing to weiwei!’ also, you must drop out of silver flame university!”

she was just worried that she couldn’t find a reason to deal with him, and he came to her door himself.

“you ...!”

lu zheqing was so angry that his face turned red.

chen xiluo’s condition was too vicious.

he actually made a young master of a wealthy family like him kneel!

furthermore, silver phoenix university was one of the best universities in china. if he were to drop out, it would be akin to destroying his future!

however, he still took a deep breath and said, ” okay, i promise you! ”

he was going to win anyway, so it didn’t matter what the conditions were.

his goal was to make chen xiluo pay the price for humiliating him!

if he dared to embarrass lu zheqing, he would make chen xiluo lose all his reputation and regret appearing at today’s graduation party!

.....

at the same time.

at the entrance of the club, a black maybach slowly stopped.

mu yichen's face was cold as he got out of the sports car. he raised his hand and looked at the watch on his wrist.

"ten o'clock, very good! this woman really turned a deaf ear to my words!"

Chapter 546: tsk, he's just a pretty boy

when they heard that young master mu had appeared, the manager of the club personally came out to welcome him.

she nodded and bowed to him.

"young master mu, what brings you here? it's an honor for you to come to our club. excuse me, would you like to eat or ..."

"isn't silver flame academy's graduation ball held here? which banquet hall? bring me there."

mu yichen interrupted him impatiently.

"young master mu, you're also going to silver flame academy's graduation ball?" a familiar voice came from behind.

mu yichen turned around to take a look. "mayor yu, why are you here?"

"i'm the honorary principal of silver phoenix high school," mayor yu said with a smile. "i should've come earlier, but i was delayed by important business at the city hall today. but i still have to show my face!" young master mu, why are you ..."

"my sister is graduating today." mu yichen pursed his thin lips.

boxn ov el. c o m

"haha, i see. then let's go together. i know the place!"

mayor yu and mu yichen walked side by side toward the banquet hall.

mu yichen's footsteps grew faster as he walked.

he didn't know why, but he felt uneasy.

mayor yu couldn't keep up with his pace, but he didn't dare to raise any objections, so he could only run.

the banquet hall's door was right in front of them.

a burst of cheers suddenly erupted from inside!

.....

the dance pool in the middle of the banquet hall was empty.

luo chenxi and lu zheqing had already put on their vests and masks. they were standing on both ends of the dance floor.

“good luck, brother xiluo! good luck, brother hilow! brother hilow, we’ll always be on your side!”

the girls from chen xiluo’s fan club gathered together spontaneously to cheer for luo chenxi under mu weiwei’s lead.

however, the boys didn’t care about it at all.

” tsk, he’s just a pretty boy. i really don’t understand why these infatuated girls are so attracted to him!
”

“that’s right, he’s just a male model. because of his profession, he has some understanding of fashion. does he really think he’s the young master of a rich family? just wait and see, young master lu will definitely teach him a lesson!”

“young master lu’s fencing skills are the best in the school. it’s a piece of cake to beat him. also, i heard that young master lu seems to be preparing to give him an unforgettable lesson!”

“this ... seems a little pitiful? however, who asked him to provoke young master lu?”

no one thought that luo chenxi would win.

even mu weiwei, who appeared calm on the surface and stubbornly claimed that she had confidence in brother xiluo, was actually so nervous that she could barely breathe.

if anything happened to brother helow because of her, she would never be able to forgive herself!

at this moment, the server who had been chosen as the judge gave the order, and the match officially began.

lu zheqing did not take action immediately. he stood on the same spot and looked at luo chenxi with a languid expression.

“i know. this might be your first time participating in fencing, so you probably don’t even know how to hold a sword, right? do you want me to teach you? i can let you first ...”

before he could finish, a silver light flashed in front of him.

before lu zheqing could react, the judge’s light on his hand automatically lit up.

“chen xiluo, you score!”

“what?”

lu zheqing’s face was filled with shock.

he did not even see chen xiluo’s attack clearly. how did the other party get a point?

he raised his head to see that luo chenxi had already returned to her seat. she was standing there with an elegant posture.

whether it was the way he held the sword or the steps he took, they were all so standard.

“thank you for your kindness, but i don’t need you to give in!” she said in a low voice.

Chapter 547: that damned woman, how could she be so bold?

lu zheqing’s heart was filled with shock.

he finally realized that chen xiluo really knew how to fence!

moreover, the standard might not be low!

but how was that possible?

he was clearly just a pretty boy! he should not know anything!

however, he didn’t have time to think about it.

soon, luo chenxi raised the saber in her hand and attacked again.

lu zheqing realized that he had underestimated his opponent earlier. he had no choice but to be on full alert and give it his all to deal with luo chenxi’s attack.

however, he did not expect luo chenxi to be so skilled in her technique.

boxn ov el. c o m

even though he had used all his strength, he was still at a disadvantage.

however, he had been hit by luo chenxi five times in a row within three to four minutes. on the other hand, he did not manage to score an effective point even once.

with such a huge difference in strength, it was like an adult toying with a child!

lu zheqing’s face turned paler and paler. his heart was filled with shock. he couldn’t believe that such a thing could happen!

“no, it can’t be, impossible! i must have underestimated him. i was too nervous. i must stay calm, stay calm ...”

however, no matter how he adjusted his state of mind, he was still completely suppressed.

the spectating students were already completely dumbfounded when the competition started.

even the girls in chen xiluo’s fan club were so surprised that they forgot to cheer for her.

it was only when the match was about to end that they suddenly reacted.

“damn, this ... this ... am i dreaming? quick, quick, pinch me! aiyo!”

“it’s true! chen xiluo had actually beaten lu zheqing up! this ... how could this happen?”

“why is it impossible? fencing is a sport that depends on one’s talent. it seems that chen xiluo is really talented!”

“no matter how talented he is, he can’t be this powerful on his first try. he must have learned it before! however, wasn’t he just an ignorant and incompetent gigolo who only knew how to get close to rich women? why did you learn this?”

everyone’s jaws almost dropped to the ground.

the match on the field soon came to an end.

” this is exciting. if lu zheqing gets hit again, he’ll lose. he’ll have to kneel down and apologize to mu weiwei. he’ll even have to drop out of school! ”

lu zheqing knew this better than anyone else.

the unwillingness and hatred in his heart had reached an extreme, and he was even more afraid.

he aimed precisely at luo chenxi’s pace of attack when he suddenly pointed the tip of his sword downward and swung it toward luo chenxi’s lower body!

the students gasped in shock at the sight.

in a fencing competition, it was strictly forbidden to attack each other’s lower body. lu zheqing had clearly violated the rules by doing this on purpose!

moreover, he had used a lot of strength in this strike. if he had hit his opponent directly, his opponent’s third leg would definitely be crippled, and he would most likely be no different from a eunuch in the future!

no one could stop it at this time in such an intense game.

.....

the competition was at its most intense moment when mu yichen stepped into the banquet hall.

it took him some time before he realized that the young man standing in the middle of the dance floor was his little woman!

he had seen the suit on luo chenxi’s body in the morning. he would never mistake it for something else.

“damn woman, how dare you do such a dangerous thing?”

he gritted his teeth in secret and was about to drag luo chenxi down.

at this moment, lu zheqing’s expression changed. he suddenly swung the sword in his hand.

Chapter 548: you deserve to be unlucky after doing so many bad things

mu yichen felt that his heart had almost stopped beating.

he immediately shook off mayor yu and rushed to the center of the dance floor.

however, the distance between him and luochenxi was too great.

it was impossible to make it in time.

“damn it ...!”

however, at this moment, an unexpected change happened.

luochenxi twisted her body abruptly to the side at the crucial moment.

the tip of lu zheqing’s sword slid under her thigh and was less than an inch away from her body.

however, it missed her by just a little bit.

luochenxi lost her balance due to the high difficulty of dodging the attack. she fell backward to her right.

her face showed a bit of panic, and she subconsciously waved the sword in her hand, trying to stand firm.

in the end, she took a few steps back and managed to stand still without falling.

however, during this process, she could no longer control her own movements. her sword swung a few times in the air, and one of them hit lu zheqing’s lower body.

“ah ...! it hurts ...!”

in the empty banquet hall, there was a shrill scream.

the crowd couldn’t react for a while as they stared at the two people in the middle of the dance floor in confusion.

they still couldn’t understand why the person who was almost hit just now was obviously chen xiluo, but the person who was screaming in pain and had a ferocious expression was actually lu zheqing!

lu zheqing covered his lower body with his hands and let out a cold hiss. he was in so much pain that he couldn’t even stand. his legs went soft, and he knelt on the ground.

the students around the dance floor suddenly reacted.

“just now ... just now, did i miss something? chen xiluo was actually fine? from the looks of it, it’s ... it’s young master lu who got hit?”

“oh my god, what’s going on?”

“i saw chen xiluo move back. it seems that he has dodged young master lu’s sword. but ... i don’t understand how young master lu got tricked ...”

the crowd discussed animatedly, and very quickly, the scene from earlier was restored.

it was obvious that chen xiluo had accidentally hit lu zheqing while he was dodging backward.

lu zheqing didn’t know if he was really unlucky or if he just happened to be hit in the lower half ...

other than lu zheqing's best friend, everyone else's expression was a little strange.

she wanted to laugh, but she felt that she shouldn't.

it was a little uncomfortable.

mu weiwei also came to her senses and immediately let out a burst of surprised cheers.

"brother xiluo! "brother hilow, you're amazing! you've won!" you really won! ah, ah, ah, i can't believe my eyes!"

she ran toward luo chenxi in excitement.

he subconsciously stretched out his arms, wanting to hug her.

the corners of luo chenxi's lips curled up ever so slightly into a faint smile.

on his originally handsome and perfect face, there was a bit of arrogance and overbearingness that only victors had.

coupled with the scene of him gracefully waving his sword just now, it made the hearts of the girls who were watching explode.

a series of shrieks could be heard.

luo chenxi opened her arms toward mu weiwei in preparation to receive her 'girlfriend' who threw herself into her arms.

as the winner of the competition, it was only natural for her to receive the encouragement of her other half's love.

moreover, he could also slap lu zheqing in the face.

however, just as mu weiwei was about to reach him and their arms were about to touch ...

Chapter 549: why did mu yichen appear here?

mu weiwei suddenly felt a strong force on her shoulder and pulled her back.

she was caught off guard and fell backward, but she did not fall.

however, he missed.

luo chenxi was stunned for a moment too.

however, before he could react, someone had already grabbed his wrist and pulled him forward.

immediately after, she crashed into a hard chest.

"what were you doing just now? this was simply crazy! what i told you this morning, did you just ignore it?"

a familiar male voice rang in her ears.

it was low and sexy, but it carried an obvious violent anger.

luo chenxi widened her eyes. she felt as if she had been struck by a bolt of lightning on a clear day.

mu ... mu yichen!

why was mu yichen here?

didn't tang tang say that he had something to do?

could it be that his so-called business was to ... come to the private club to take her home?

this must be her hallucination, right? it must be ...

luo chenxi closed her eyes and muttered in her heart, 'this is an illusion. this is an illusion. when i open my eyes, someone will disappear ...'

but when she opened her eyes again, young master mu was still standing in front of her.

moreover, the furious expression on his face made her heart tremble.

mu yichen glared at her in exasperation. he interrogated her, "you better explain it clearly! it's just a graduation ball, why did she have to have a fencing competition? do you know what would have happened if your reaction had been just a little slower?"

although lil girl didn't have a third leg, once she was hit in the lower abdomen, it was easy to cause serious damage.

luo chenxi had no choice but to laugh drily. she explained by force, "i ... i was forced to do that. i had no choice ... young master lu has already challenged me in front of so many people. if i don't agree, i'll lose weiwei's face and the mu family's face ... "

"isn't that right? wei wei."

she turned to look at mu weiwei and used her eyes to signal her to quickly explain and plead for mercy on her behalf.

mu weiwei finally reacted to the situation.

she realized that the person who had suddenly pulled her away was her older brother, mu yichen!

even so, mu weiwei could not understand why her elder brother would appear here, nor why he was so fierce to chen xiluo.

however, she felt that she had the duty to speak up for chen xiluo.

after all, chen xiluo had attended today's ball for her and even had a bet with lu zheqing. she couldn't let chen xiluo be scolded by his big brother like that.

at the thought of this, mu weiwei stepped forward bravely and said loudly, "big brother, hurry up and let go of brother hilo! brother hilow did it all for me today, why did you scold him? can you even tell right from wrong? quickly release him!"

mu weiwei's eyes widened as she glared fiercely at her elder brother.

it was as if luo chenxi would fight him to the death if he dared to hurt her even a single hair.

mu yichen was so infuriated that he almost vomited blood.

what did mu weiwei mean by this? could it be that he would hurt his own wife?

moreover, this little girl actually dared to stand here and challenge him!

she had kidnapped her sister-in-law to this place and almost caused her to be in trouble. he hadn't even had the time to deal with her!

"get out of my way, i still have to settle the score with you for today's matter!"

when mu weiwei heard his cold and stern voice, she shuddered inwardly.

however, the thought of protecting siro still won.

mu weiwei straightened her back. not only did she not retreat, but she even took a step forward to pull luo chenxi.

"big brother, you can't do this. let go of brother hilo first. i'll slowly explain to you what happened today!"

"mu weiwei, don't you understand what i'm saying?"

" big brother, you really are a tyrant!! "

the siblings were about to start quarreling again. cold sweat broke out on luo chenxi's forehead.

she had never expected such an embarrassing situation to occur.

now, if young master mu were to be impulsive and expose her identity ...

then all her hard work tonight would be in vain!

moreover, it was not right for mu yichen to hug her like this and refuse to let go!

they were two men now. what would it look like if they were to hug each other?

didn't this man notice that the girls around them were looking at them strangely?

luo chenxi felt extremely conflicted in her heart. she exerted force with her hands in an attempt to push young master mu away without anyone noticing.

however, mu yichen was still in a fit of anger, so how could he possibly let her go?

not only did he not let go of her, but he even tightened his arms and hugged her even more tightly.

at the same time, he lowered his head and gave her a warning look.

luo chenxi was a little scared. she wanted to cry but had no tears.

wuwuwu, she ... why was she so stupid?

when she called tang tang just now, she heard that the little fellow said that his father was not at home. she should have been on her guard in time!

now, she had been caught red-handed by her husband when she had done something bad.

the evidence was irrefutable.

he couldn't even renege on his debt.

was there anyone more unlucky than her in this world?

mu weiwei was still persevering in her efforts. "big brother, let go of brother xiluo. today's incident really had nothing to do with him. he was just cooperating with me, really ... "

she was suddenly interrupted by someone.

"mu weiwei, don't come up with a lie to exonerate that pretty boy. young master mu isn't a fool!"

lu zheqing's voice suddenly came.

everyone present was stunned for a moment.

after mu yichen appeared, everyone's attention was drawn to him due to his overpowering aura. they had long forgotten about lu zheqing, the cannon fodder.

hearing his voice, everyone suddenly turned around and looked at him.

lu zheqing's expression was very twisted. his hand was covering his lower body, and it was obvious that he was still in pain.

a wisp of enmity flashed past his eyes as he glared at luo chenxi ferociously.

he gritted his teeth and said, "young master mu, don't listen to their flowery words." in fact, chen xiluo was mu weiwei's boyfriend! they've been secretly dating for more than a year without you knowing!"

"he's just a male model who relies on his looks to make a living, yet he's trying his best to get close to miss mu. he's clearly up to no good. he wants to use the daughter of a rich family to get to the top. this kind of person ... young master mu, you must not let him go!"

lu zheqing's brain worked quickly.

when he fell to the ground earlier and saw the interaction between the mu siblings and chen xiluo, he immediately understood.

mu weiwei had told him in the past that mu yichen would not allow her to have a boyfriend before she was of age.

this was also the main reason why mu weiwei rejected lu zheqing.

therefore, chen xiluo must have done it secretly behind mu yichen's back when he said that he had been dating mu weiwei for a year.
