

Sweetheart 641

Chapter 641: today, i was actually fed dog food by someone else!

on the other end of the phone, the police chief's flustered and exasperated voice could be heard.

"where are you guys now? i heard you guys went to the welfare institute, right?"

the team leader was taken aback. "that's right, we're indeed at the welfare institute. just now, boss he told us ..."

"i don't care if you're boss he or boss hai. hurry up and get back here!"

"but ..."

"no buts, that piece of land belongs to second young master bai now! he was the young master of one of china's top aristocratic families, and boss he couldn't even compare to a single finger of his! the welfare institute is his place now, and you guys are still causing trouble there. are you trying to kill me?"

when the team leader heard this, he suddenly quivered. "what? could the person who appeared at the welfare center be ... second young master bai?"

"what second young master bai? second young master bai is in the welfare institute? did you guys offend him? don't you want to live? apologize to second young master bai! if he's unhappy, all of you just wait and see!"

the captain was so scared that his face turned green.

boxn ov el. c o m

he nodded his head repeatedly and spoke for a long time before hanging up the phone.

then, his expression changed completely, and he looked at bai shixun with fear in his eyes.

he carefully stepped forward and said in a low voice with a flattering smile, "bai ... second young master bai, this lowly one had eyes but failed to recognize mount tai. my colleagues and i would like to apologize to you!"

as he spoke, he immediately bowed to bai shixun.

his waist was bent at a 90-degree angle.

the other police officers and gangsters were all stunned.

she looked at him in disbelief.

"captain, how did you ... what's going on? why are you so interested in this little brat ..."

"pa" sound!

the team leader slapped the one who spoke.

“are you blind?” he sternly asked. what little brat? this is the second young master bai!”

“but, our boss he ...”

“boss he is nothing! why doesn’t he take a piss and look at himself? what right does he have to act so arrogantly in front of second young master bai?”

the captain wiped the cold sweat from his forehead and nodded his head and bowed.

“second young master bai, you’re a great man, please forgive me ...”

he turned around and scolded his men. “ what are you all doing there? hurry up and apologize to second young master bai!”

when the others saw their captain’s performance, they knew that they had provoked someone they shouldn’t have.

they were all terrified.

he quickly came over to apologize.

bai shixun glared at them coldly. “ i’m not the one you’ve offended. it’s the two ladies! ”

the captain turned around hastily and apologized to fang ziqian and luo chenxi.

“ two young ladies, it was all our fault just now. we misunderstood the two of you. we’re really sorry! ”

luo chenxi looked at bai shixun, then she looked at fang ziqian. she felt a little full as if she had been stuffed with dog food ...

usually, she and mu yichen were the only ones who fed the others dog food.

today, he was actually fed by someone else!

she had mixed feelings ...

when she heard the captain’s voice, she curled her lips coldly. “ what’s wrong? do you think you can just let it go with an apology?”

“miss, what can we do to atone for our sins? please give me your orders!”

luo chenxi pondered for a moment. “ you’ll have to pay ten times the compensation when you smash the welfare institute’s items. also, you’ve injured director lin. the medical fees, lost time, and emotional damages will add up to a million dollars. ”

“what? so much money?”

luo chenxi squinted her eyes. do you have any objections?”

“no... no, it’s our fault. this money ... should be paid!”

Chapter 642: this second young master bai is our little qianqian’s boyfriend ...

luo chenxi's expression looked a little better.

"at least you guys know what's good for you! "also, the welfare institute will be renovating the old houses tomorrow. we're lacking a few labor forces. come over and listen to the director's instructions. do your work well. if you do well, i won't hold it against you. otherwise ..."

luo chenxi said with a smile.

even though her voice was still so sweet and her appearance was still so pure.

however, who would dare to disobey her now?

all of them nodded in agreement.

luo chenxi turned around. " dean lin, little qianqian, do you have any other requests? "

dean lin was still in a daze.

"chenxi, what ... what's going on?"

boxn ov el. c o m

"oh, it's nothing much. this is second young master bai. he's our little qianqian's boyfriend ..." luo chenxi said with a smile.

who's my boyfriend? "

"sister-in-law, you have good taste!"

the two of them spoke at the same time.

fang ziqian suddenly said, her eyes almost spitting fire!

bai shixun, on the other hand, looked as if it was only natural.

luo chenxi found it amusing in secret.

"alright, let's not bother about these details. anyway, do you have any other requests? if not, then tell them to get lost!"

very quickly, these few pieces of trash were sent away.

bai shixun was still sticking to fang ziqian, asking about her well-being.

fang ziqian's face was full of impatience, and she wanted to drive second young master bai away.

however, he was now the owner of the welfare institute's land, so he couldn't tell him to get lost directly. he could only use all kinds of disdainful eyes to hint at him.

second young master bai pretended not to understand her gaze and refused to leave.

"qianqian, didn't i make an appointment with you to go to the exhibition today? why did you suddenly come to B city?"

fang ziqian gritted her teeth and replied, "oh, i ... i wanted to come back because little wei xi said that she hadn't been to the welfare home for a long time. so, i accompanied her here. "

"but why didn't you tell me in advance? if i had known that you were coming today, i would have accompanied you."

"no, i want to accompany little wei xi. i don't need you ..."

luo chenxi coughed drily twice and said, 'ahem, little qianqian, let me remind you. you were the one who suggested coming to the welfare institute with me, not me. if second young master bai misunderstands me, i will be guilty."

bai shixun frowned when he heard that. " what? qianqian, are you avoiding me on purpose? what have i done to make you unhappy? why don't you just say it?"

"no... i didn't. you ... don't listen to little wei xi's nonsense ..."

fang ziqian protested weakly. at the same time, she secretly glared at luo chenxi.

luo chenxi had an innocent expression on her face.

what she said just now was the truth, okay?

he couldn't help little qianqian lie, could he?

luo chenxi observed for a while by the side and realized that bai shixun had obviously grasped fang ziqian's weakness.

his usual venomous tongue had turned into a pestering one, and every word revealed undisguised concern.

fang ziqian had always been a soft-spoken person, so she obviously couldn't resist this move.

the ruthless words of rejection were on the tip of her tongue, but she couldn't say them.

in this case, how could he stop the shameless second young master bai?

luo chenxi shook her head in secret and left the room stealthily.

in the courtyard, the little dumpling was playing eagle catches the chicks with the other children. her little face was covered in sweat.

luo chenxi quickly went over and hugged her. " tang tang, are you tired? we have to prepare to go home."

the little dumpling raised her head obediently so that luo chenxi could wipe her sweat.

suddenly, the round cat's eyes lit up and it shouted, " "daddi!"

Chapter 643: didn't we agree to be each other's angels for life?

luo chenxi was shocked all of a sudden.

she turned around to see mu yichen's tall and straight figure standing at the main entrance.

he was wearing an exquisite handmade suit with creases on it. it was obvious that he had rushed over.

a trace of anxiety appeared on his handsome face.

he strode toward her and grabbed luo chenxi's slender waist in one swift motion. he pulled her into his arms.

"stupid woman, why do you always run into trouble when you come out alone? can't you just do it without me by your side?"

the corners of luo chenxi's lips twitched.

"i'm not as stupid as you say. didn't i handle it well? besides, i'm very obedient to you. you told me to look for you if i had any trouble, so i called you!"

luo chenxi blinked her large eyes.

boxn ov el. c o m

she looked as obedient as she could be.

mu yichen flashed a satisfied smile when he recalled the call for help from his little woman earlier.

"why are you so obedient today? don't worry if you run into trouble, i'm here!"

luo chenxi hummed a few times and nodded continuously.

looking at aojiao mu's proud smile, she secretly made a V sign in her heart.

yay! he had successfully muddled through!

she really couldn't be more witty!

"by the way, mu yichen, why did bai shixun come over today? you know ..."

she wanted to change the topic.

however, before she could finish her words, the little dumpling in her arms suddenly looked up and grabbed her father's clothes.

she pouted her little mouth and said loudly, "daddy, a lot of bad people bullied big sister today!" you even want to hit big sister!"

luo chenxi's smile froze on her face at once.

his heart skipped a beat and he knew that things were not good.

she wanted to cover the little dumpling's mouth, but it was too late.

luo chenxi wanted to cry but had no tears when she saw mu yichen's expression darken all of a sudden.

she had thought that as long as she had colluded with little qianqian, no one would be able to expose her.

unexpectedly, the little dumpling could clearly see the situation inside the dean's office through the window.

moreover, she had even complained to mu yichen!

didn't they say that they would be each other's angels for life?

luo chenxi chuckled drily. "hehe, well ... tang tang was mistaken. those hooligans did threaten us, but they didn't really hit us ... "

"those bad uncles are bullying big sister! but su, big sister is so sweet! you've kicked them down in one go!"

as the little dumpling spoke, she was even kicking her short little legs to imitate luo chenxi's few beautiful roundhouse kicks.

although she looked young and tender, she could actually imitate him quite well from her posture.

if it were any other day, luo chenxi would have whipped out her phone immediately to take a picture of the little dumpling.

however, she was not in the mood to do that now. she could only look at mu yichen awkwardly.

"ahem, my dear husband, you know that i don't hit people for no reason. today was really ... really an accident! they had pushed dean lin to the ground and even kicked her. they had gone too far! and you even flirted with your wife!"

"it's unreasonable not to beat up such scum, don't you think?"

luo chenxi had a sincere look on her face.

mu yichen curled his lips coldly. "you'd better consider the question of the front and the back! "

a bolt from the blue!

luo chenxi looked at young master mu with an aggrieved expression.

mu yichen turned a blind eye to it.

after a while, bai shixun and fang ziqian finally came out.

luo chenxi and fang ziqian were about to bid farewell to dean lin and the nuns.

mu yichen and bai shixun were the only ones left in the courtyard.

mu yichen leaned against the sports car and cast a sidelong glance at his childhood friend. "what's the matter? you're really after fang ziqian?"

bai shixun looked left and right to make sure that there was no one else around. he lowered his voice and said, "it's not what you think. "

Chapter 644: second young master bai's way of teaching a lesson is really different

mu yichen raised his eyebrows. " it's not what i think. so what? "

bai shixun was slightly embarrassed. " it's just ... i'm definitely not chasing fang ziqian ... "

"oh? is that so?" it was clear that mu yichen did not believe him. " if you're not pursuing fang ziqian, why did you come all the way here from T city? is it because you stood her up? "

"that's ... that's right. it's her honor that i asked her out, and she actually dared to break the appointment! of course i had to chase after her and teach her a lesson! otherwise, wouldn't she be even more of a snob in the future?"

mu yichen glanced at him with a faint smile.

"this kind of woman who doesn't know how to appreciate kindness really needs to be taught a lesson!"

bai shixun heaved a sigh of relief. " i'm glad that you can understand me ... "

"so, you spent 50 million to buy this useless piece of land and even used your family's power to pressure B city's city hall, all to teach fang ziqian a lesson? second young master bai's way of disciplining is really different from others."

"you ..."

boxn ov el. c o m

bai shixun's face instantly stiffened.

after a long while, he sighed. " alright, alright. i know i can't hide it from you! i'll tell you the truth! i'm pursuing fang ziqian, but it's not because i like her, it's because ..."

"but what? i can't see any other benefits in you pursuing fang ziqian." mu yichen was neither fast nor slow. he had the expression of a person who had experienced it before.

bai shixun gritted his teeth. " how can there be no benefits? of course there was! you know, fang ziqian keeps an eye on me every day. as long as i slack off at work, i'll run to my grandfather and tell on her. tell me, with her watching me, how am i supposed to go to nightclubs and pick up girls? so, i came up with an excellent idea!"

mu yichen furrowed his brows slightly but did not speak. he only looked at tang wulin as if he was looking at an idiot.

"i realized that perhaps it's because of my grandfather's kindness to her. she's afraid that my grandfather will misunderstand that we're together. the last time i brought her home, my grandfather happened to be here. she actually sneaked into the closet to hide!"

mu yichen suddenly said, " i'm sorry to interrupt. so, why did you bring secretary fang home? didn't you say that you wouldn't bring any other woman back besides the one you want to marry?"

bai shixun was stunned for a moment and immediately coughed a few times.

"ahem, this ... this is not important, not important ... secretary fang is a secretary, not a woman!"

mu yichen was about to say something.

bai shixun was embarrassed and angry. he glared at him. " can you let me finish? "

mu yichen pursed his lips. he could barely suppress the smile on the corners of his lips.

"alright, alright, tell me."

bai shixun quickly continued, " wasn't fang ziqian afraid that grandfather would misunderstand? then i'll make this misunderstanding a reality! if we are really a couple, she must be afraid that i will tell grandpa about it. then, i will have something to use against her. wouldn't i be able to control her then?"

"if she doesn't listen to me, i can use this to threaten her. in the future, she can only be at my mercy! no one will be able to interfere with my free life anymore!"

"how is it? isn't this a brilliant idea?"

mu yichen stared at him for a while. he was so close to chuckling in his face.

" bai shixun, have you ever considered that if your plan succeeds, you won't be single anymore. what freedom do you want? "

Chapter 645: did your wife's slave provoke you or eat your rice?

"uh, this ..."

bai shixun's face froze.

before she could answer, mu yichen continued to speak.

" furthermore, when fang ziqian was your secretary, she didn't have the right to order you around. now that she's your girlfriend, she'll have thousands of reasons to order you around. are you sure you'll have more freedom? "

bai shixun was at a loss for words.

her face gradually turned red from embarrassment.

"anyway, don't worry. i, bai shixun, have my ways of dealing with women, unlike an old virgin like you!" he said unhappily. you became a slave to your wife the moment you got married. do you think everyone else is like you? i'm telling you, as long as fang ziqian becomes my woman, i have plenty of ways to make her submit to me!"

mu yichen furrowed his brows. " what's so bad about being like me? i know you're all envious of me and my wife ..."

"tsk, who would envy you? just wait and see! when i tame fang ziqian, i'll show you what a woman who regards her husband as the sky looks like!"

boxn ov el. c o m

bai shixun was full of confidence. he even glanced at mu yichen in disdain.

mu yichen was slightly displeased at first, but his tightly furrowed brows soon relaxed.

” alright, since you’re so confident, i’ll wait and see. i hope you’ll be able to get together with fang ziqian soon. ”

“don’t worry, it won’t take more than a few days. i’ve almost settled her!”

mu yichen did not say anything, but a horde of ‘f * ck you’ was already galloping across his heart.

so what if he was a slave to his wife?

did your wife’s slave offend you? or did i eat your rice?

did she really think she could tame fang ziqian?

it was estimated that bai shixun would become his wife’s slave soon, so he just had to wait to see the joke.

luo chenxi and fang ziqian came out not long after the two of them finished talking.

mu yichen and bai shixun drove over personally.

young master mu got into the maybach.

luo chenxi carried the little dumpling and sat in the back seat.

the little dumpling was sitting in luo chenxi’s arms. she waved her chubby little hand at fang ziqian. ”
auntie fang, aren’t you going to sit with tang tang? ”

“of course we’ll go together! i love tangtang the most!”

fang ziqian’s eyes lit up, and she immediately got into the car.

bai shixun had already walked to the side of his sports car, but when he turned around, he realized that fang ziqian had not followed him. instead, she had gotten into someone else’s car!

instantly, his expression changed.

“fang ziqian, you ...”

before he could finish, the car door was slammed shut.

fang ziqian’s slender figure disappeared behind the door.

“fang ziqian, how could you ...”

bai shixun strode over and wanted fang ziqian to get out of the car.

however, before he could reach the maybach, mu yichen suddenly stepped on the accelerator.

the black sports car sped away like an arrow.

bai shixun, who was following behind, only ate a mouthful of black ash.

“ahem, mu yichen, well done! just you wait!”

once he had settled things with fang ziqian, he would definitely mock mu yichen, the slave to his wife!

.....

in the sports car, luo chenxi turned around to look at bai shixun who had been thrown off the car.

" little qianqian, can you just leave second young master bai like this? " she asked worriedly.

fang ziqian rolled her eyes at her. " why not? " didn't he drive here himself? if you don't drive it back, are you going to leave it here?"

luo chenxi glared at her fiercely. " that's not what i meant. little qianqian, you ... you and second young master bai, are you really ... "

"what steamed or boiled? i'm telling you, i have nothing to do with bai shixun!"

Chapter 646: luo chenxin really thinks she's the young mistress of the mu family!

luo chenxi had an innocent expression on her face. " little qianqian, why are you so agitated? i didn't say that you have any relationship with second young master bai. are you confessing?"

fang ziqian was at a loss for words. she turned her head in anger and glared at her.

"little wei xi, whose side are you on? do you have the heart to push me into the fire pit like this?"

luo chenxi looked at her with a smile. " how is this a pit of fire? " i think second young master bai is not bad. he has good looks and intelligence, he meets your requirements ..."

"a playboy like him doesn't meet my requirements. i want to find a loyal man!"

upon hearing his words, luo chenxi seemed to be deep in thought. " speaking of which, i haven't seen any scandals about second young master bai for a long time. " in the past few months, the only time he appeared in the entertainment headlines was with you ..."

fang ziqian's face reddened immediately. " i told you, that's not me! "

"aunt fang, you're blushing. are you shy?"

a soft voice suddenly sounded.

boxn ov el. c o m

xiao tuanzi tilted her head and looked at fang ziqian curiously with her big eyes.

fang ziqian almost choked on her own saliva. " cough cough, cough cough cough! tang tang, you're mistaken, auntie's not blushing ..."

the little dumpling pouted her little mouth and turned around to complain to luo chenxi.

"big sister, auntie fang's face is clearly red. a good child can't lie, aunt fang is not good!"

fang ziqian's head was on fire.

luo chenxi supported her chin with her hand. she was serious for once. " little qianqian, do you really not like bai shixun? "

“of course i don’t!”

fang ziqian replied firmly.

although bai shixun did look like a decent man, when he did not speak, he really had the demeanor of a young master from a rich family.

especially when he suddenly appeared to support her and little wei xi today, he was simply too handsome!

but ... this still didn’t change the fact that he was a womanizer.

besides, if master bai knew about this, he would be so disappointed ...

luo chenxi pursed her lips. she was about to persuade him further when mu yichen’s phone suddenly rang.

she was afraid of disturbing young master mu’s business, so she quickly shut her mouth.

mu yichen picked up the call and raised his eyebrows in surprise. “ father, why did you call? what’s the matter?”

luo chenxi widened her eyes in surprise as well.

mu yunfeng had always been too lazy to care about his son’s affairs. he would not call unless it was something serious.

young master mu listened in silence for a while and suddenly frowned. “ what? how could this be? how’s mom doing?”

no one knew what mu yunfeng said, but young master mu’s face became more and more serious.

finally, he said, “ dad, don’t worry. leave this matter to me. just take good care of mom. ”

luo chenxi leaned over eagerly after he hung up the phone.

“what’s wrong? what did dad say?”

mu yichen tossed his phone onto the passenger seat. “ it’s luo chenxin! ” we’ve been here for a few days, and she’s actually bullying mom!”

luo chenxi was stunned for a moment. “ what happened? ”

mu yichen suppressed his anger. “ we left luo chenxin in the villa. she was unwilling to be lonely, so she vented her anger on the servants at home. she even pushed aunt chen down the stairs! ”

“what?” luo chenxi exclaimed in surprise, “ is aunt chen injured? ”

aunt chen had worked for the mu family for more than twenty years, and everyone in the family respected her very much.

mu yichen sneered, “my mother has a good relationship with aunt chen. she fell sick from anger when she heard about this!” luo chenxin really thinks she’s the young mistress of the mu family!”

Chapter 647: the title of mrs. mu ... even if it was fake, she was not worthy!

luo chenxi was infuriated when she heard that.

“luo chenxin is too much! aunt chen had always been serious and attentive in her work. how could she do such a cruel thing to her? who does she think she is?”

luo chenxin was not the young mistress of the mu family. even if she was, she could not bully others like this.

aunt chen was especially nice to the little dumpling, so luo chenxi could not bear to see her being bullied.

“no, we can’t let luo chenxin continue to be so arrogant! let’s go back now! i’m going to teach her a lesson!”

“mu yichen, drive faster!” luo chenxi urged.

mu yichen squinted his eyes. “ don’t worry. i won’t let luo chenxin continue to occupy the magpie’s nest! ” the title of mrs. mu ... even if it’s fake, she’s not worthy of it!”

.....

at the mu family’s villa.

boxn ov el. c o m

luo chenxin held her phone to her ear.

because she had used too much force, the veins on her hands were popping out, and her face was full of anxiety.

after a while, she smashed her phone on the ground.

with a loud “clang,” the phone broke into pieces.

“dammit! damn it! where the hell did this guy go? why couldn’t he contact her after such a long time? could something have really happened? but, how is that possible?”

on that day, reese had tricked luo chenxi into going to A city’s private hospital as per her request. he wanted to get rid of her.

at that time, before the operation officially began, reese had contacted her and said that he had already set up a trap in the private hospital.

moreover, he had successfully tricked luo chenxi into leaving T city.

this operation would definitely be a success!

luo chenxin was very excited at the time. she thought that victory was within her grasp, so she stayed up all night on purpose in hopes of receiving the good news of luo chenxi’s death from being shot.

but the result ...

she did not receive any more replies from reese.

in the blink of an eye, three to four days had passed. she called reese every day, but she never got through.

as time passed, luo chen became more and more terrified.

reese's disappearance at this point could very well be due to an accident.

however, luo chenxi was just an ordinary girl. how could she possibly be a match for a professional assassin like reese?

without reese as a spy, luo chenxin was in a dilemma.

sometimes, she felt that their plan must have been exposed. in order to save her life, she had to leave the mu family as soon as possible.

however, there were times when she felt that it was impossible for luo chenxi to be so capable. it was not easy for her to get to where she was today, so she would never give up so easily.

as she struggled, her temper became more and more irritable, and she smashed things every day.

the mu family's maids had also become her punching bags.

luo chenxin smashed her phone and picked up the teacup on the coffee table. she took a sip and immediately vomited.

"damn it, who made this tea? get the hell in here!"

a round-faced maid walked to the door and said uneasily, " " young madam, i made the tea. is there anything wrong with that? "

luo chenxin threw the teacup at her.

fortunately, the maid reacted in time, and the teacup flew past her, fell to the ground, and shattered.

"you're simply trash! is this how you make keemun black tea? the taste was so light, it was simply awful! you can't even make tea, what use is a waste like you in the mu family?"

the maid looked terrified. " y-yes, young madam! i'll go and make a new one immediately!"

" go immediately. if you don't do it well, get out of the mu family! "

Chapter 648: then can i also say that i'm teaching you a lesson by hitting you?

the maid hurriedly left.

a few minutes later, he returned with a new pot of black tea.

luo chenxin took a sip of the tea, and her expression changed again. " useless! are you deaf? did you not understand what i just said?"

the maid hurriedly explained herself, "young madam, isn't this your favorite soaking method?" three months ago, you personally taught me how to ... ah, yingluo!"

before she could finish, she felt a burning pain on her cheek.

luo chenxin slapped her hard on the face!

half of the maid's face immediately turned red.

luo chenxin roared in exasperation, "do i need you to educate me? three months ago was three months ago, and now is now! you can't even make good tea and you still want to quibble. i think you just need to be taught a lesson!"

after hearing the maid's explanation, luo chenxin's anger did not subside. instead, she was furious.

boxn ov el. c o m

three months ago ... that was clearly the tea-making technique that the little b * tch luo chenxi liked!

the maid was suddenly slapped, and her face immediately showed humiliation.

however, he didn't dare to retort.

even the mu family's old lady, aunt chen, had been pushed down the stairs by luo chenxin. how could ordinary maids like them dare to fight with young mistress mu?

luo chen's heart twitched, but it was not enough to vent his anger.

he immediately turned his hand and slapped her again.

but this time, she had the time.

"stop!"

just as she was about to hit him, a cold and stern voice suddenly came from the door.

immediately after, an elegant and tall but slightly thin figure appeared in the room.

the person grabbed the maid's shoulder and pushed her back, standing in front of the maid.

at the same time, he quickly reached out and grabbed luo chenxin's wrist.

luo chenxin fixed her eyes on it and opened her mouth wide in shock. "you ... you ... chen xiluo, why are you here?"

the person who came was luo chenxi dressed in men's clothing.

she narrowed her eyes and said in a cold voice, "luo chenxin, who allowed you to hit people at will? although the maid worked for the mu family, she had human rights too! he's not someone you can abuse as you wish!"

luo chenxin was very surprised to see him. she calmed down a little, but her expression changed immediately.

"chen xiluo, let me go! do i need an outsider like you to interfere with what i do? quickly let go!"

a cold glint flashed past luo chenxi's eyes as she stared at luo chenxin closely.

" if you want me to let you go, fine. but now, apologize to xiao li! "

she and mu yichen were in a car that sped all the way back to T city in two hours.

however, he had to visit the sick tan yueru on the way and left the little dumpling at his grandparents 'house. in addition to that, luo chenxi had to change into a man's outfit. as a result, a lot of time was delayed.

it was already nine o 'clock in the evening when they arrived at the mu family's villa.

when mu yichen stopped the car at the entrance, luo chenxi could no longer sit still. she immediately rushed into the villa.

she did not expect to see luo chenxin bullying an innocent maid as soon as she entered the room!

luo chenxin's eyes widened in disbelief and she screamed, " what did you say? you want me to apologize to such a lowly person? how was that possible? she's clumsy and doesn't know how to do work, so what if i hit her? i'm just teaching her a lesson!"

luo chenxi looked at her coldly and suddenly raised her hand ...

he slapped luo chenxin hard on the face.

"so if i hit you, can it also be considered as teaching you a lesson?"

Chapter 649: i think ... the one who doesn't know what's good for you is you!

luo chenxi had accumulated a bellyful of anger since earlier.

therefore, he did not hold back at all when he attacked.

not only was luo chenxin's face swollen from the slap, but there was also a trace of blood at the corner of her mouth.

luo chenxin was dumbfounded.

"you ... you ... chen xiluo, you dare to hit me!"

luo chenxi curled her lips into a cold smile. didn't i already do it? if you can't feel it, i don't mind hitting you again and letting you feel it!"

luo chenxin was stunned.

a cold glint flashed in luo chenxi's eyes with a sharp, murderous aura.

this made her secretly surprised.

boxn ov el. c o m

however, she quickly regained her senses and screamed.

“chen xiluo, don’t think that you’re really a member of the mu family just because you’ve managed to get close to mu weiwei after racking your brains! you’re just a dog raised by miss mu. who gave you the guts to actually attack me?”

“besides, you’re a man, and you dare to hit a woman! i’ll definitely tell mu weiwei about what you did today! i’m telling you, you’ve offended me, so don’t ever think of becoming a member of the mu family!”

luo chenxin raised her chin proudly and glared at the ‘man’ in front of her.

he thought that such a threat would definitely scare chen xi luo and make him kneel and beg for mercy.

however, the other party still had a cold expression on his face, as if he did not take her words seriously at all.

on top of that, luo chenxi was exerting more and more strength in her hands.

luo chenxin only felt that her wrist was about to break, and the piercing pain came in waves.

“chen xiluo, you ... you let me go! did you hear that? i’m the real mu family, i’m the mu family’s young mistress! it’s only right for me to teach the servants of the mu family a lesson. who do you think you are? you want to control me?”

“if you don’t let go, young master mu won’t let you off!”

luo chenxi sneered, “ is that so? i’d like to see how mu yichen won’t let me off then!”

as soon as she finished speaking, steady footsteps came from the villa door.

immediately, young master mu’s voice was heard. “ what’s going on? why was it so noisy? and why are there so many glass shards on the ground?”

luo chenxin was stunned when she heard that.

obviously, she didn’t expect that young master mu, who usually ignored her, would actually come back at this time!

this was too much of a coincidence, it was simply the help of the heavens!

luo chenxin was pleasantly surprised and immediately shouted, “ husband, i’m here! ” hurry up and come over, i ... i’m being bullied!”

young master mu, who was wearing a long black windbreaker, slowly walked in.

when he saw their posture, he could not help but frown and ask, “ “what’s going on?”

he was speaking to luo chenxi.

however, luo chenxin thought that young master mu was concerned about her, so she hurriedly added oil to the fire and explained.

“hubby, today, the maid at home was acting rashly and didn’t know how to do her work, so i called her here to teach her a lesson. who knew that chen xiluo would suddenly appear, not only did she scold me, but she also gave me a slap! look at me here, it’s swollen!”

luo chenxin raised her face on purpose so that mu yichen could see the scars on her face clearly to gain sympathy.

however, mu yichen did not even spare her a glance, much less answer her.

luo chenxin suddenly felt embarrassed, but she could only continue to say, ” “hubby, you have to do me justice! this chen guy is only an outsider, but he actually dared to attack the mu family. he simply doesn’t know what’s good for him!”

it was only then that mu yichen sneered coldly and lifted his thin lips.

“i think ... you’re the one who doesn’t know what’s good for you!”

Chapter 650: luo chenxin, you’re the one who should get out of here

luo chenxin’s smug smile froze on her face.

“honey, you ... what do you mean? you ... how can you stand on the side of an outsider? chen xiluo just hit me! he dares to do this, he completely doesn’t put the mu family in his eyes. we must teach him a good lesson and make him get out of here!”

she thought that mu yichen did not hear her clearly, so she emphasized it again.

the coldness in mu yichen’s eyes deepened. ” luo chenxin, you’re the one who should get out of here, not chen xiluo! ”

luo chenxin could not believe it and her eyes widened.

“h-hubby, w-what are you saying? i ... i’m your wife ... even if you don’t like me, you can’t ignore the mu family’s face ...”

to a top-class family like this, nothing was more important than face.

in luo chenxin’s opinion, no matter how much mu yichen hated her, he would choose to stand on her side as long as she held the title of young mistress mu.

after all, mu yichen would be embarrassed as her husband if she was beaten up.

boxn ov el. c o m

little did she know that mu yichen acted as if he did not hear her at all.

“i once warned you that if you want to stay in the mu family, you have to behave yourself and not cause any trouble. however, you clearly turned a deaf ear to my warning! a few days ago, you gave me an aphrodisiac at the mu group. i didn’t even have time to settle the score with you, and you actually injured aunt chen again! do you really think that i can’t do anything to you?”

his extremely handsome face was filled with deep anger.

his eyes were slightly red, and he was clearly on the verge of losing his temper.

luo chenxin met his cold eyes and suddenly felt a chill in her heart.

ever since she came to the mu family, even though mu yichen treated her very coldly, he did not abuse her too much.

he even let her live in the mu family's villa, let her maintain the title of young mistress mu, and even gave her household expenses occasionally.

this gave luo chenxin an illusion.

it seemed that mu yichen was not as terrifying as the rumors made him out to be.

it was only at this moment that luo chenxin realized that she had made a grave mistake!

in the past, young master mu was just too lazy to argue with her, but once he was really angry, the consequences would be unimaginable!

luo chen's heart trembled and he explained in a hurry, "h-hubby, let me explain ... that day at the mu group, i ... i was just acting on impulse. you haven't been back for so long, and i was worried that you couldn't take it outside, so i thought ... it was my fault, but ... but it was for your own good, right?"

"and ... and about aunt chen, that ... that has nothing to do with me! she secretly took the jewelry from my room. she was obviously trying to steal something! my necklace is worth tens of millions, and she even dared to steal such an expensive thing, so i warned her. who knew that she would be so timid? she was so nervous that she stepped on air and went downstairs ..."

upon hearing her shameless remarks, luo chenxi was so infuriated that she gritted her teeth and interrupted.

"luo chenxin, don't distort the truth here. why would aunt chen steal your things? you'd better ask yourself who the owner of this necklace is!"

"ms. tan lent you these jewelries to attend the event, but you didn't want to return them after using them. you're the thief! aunt chen was just following madam mu's orders and taking the jewelry back!"

luo chenxin flew into a rage out of humiliation. "damn pretty boy, what do you know? i'm the young lady of the mu family, so these jewelries are mine!"
