

Sweetheart 711

Chapter 711: fang ziqian, don't tell me you can't tell that i'm chasing you!

"you ... what do you want to do?"

fang ziqian was suppressed by the man's powerful strength and couldn't move.

as soon as she raised her head, she met bai shixun's angry black eyes and her heart trembled.

a sense of danger suddenly emerged, and his back was covered in cold sweat.

bai shixun gritted his teeth and tried his best to suppress the urge to strangle this woman to death.

the resentment and anger that had been brewing since the start of the award ceremony suddenly burst out.

"misunderstanding? what did they misunderstand? why don't you tell me!"

fang ziqian's heart skipped a beat, but she still managed to put on a strong front. "it's just ... they misunderstood that we're in that kind of relationship! 'bai shixun, i'm telling you, i'm your employee, but i'm not your slave! you're going to ruin my reputation!"

"reputation?" bai shixun sneered. "will it affect your reputation if you're with me?! " who do you think i am? a flood and a ferocious beast?"

boxn ov el. c o m

fang ziqian couldn't help but feel guilty after being stared at by his murderous gaze for a long time.

her tone also softened a little. "you ... you don't say that, but there's clearly nothing like that ... "

"what happened?"

bai shixun was so angry that he almost laughed. "fang ziqian, don't tell me you can't tell that i'm chasing you! "

second young master bai had always adhered to the principle of being dissolute but not vulgar.

his attitude towards women was lukewarm. he would not make any promises and maintained an ambiguous attitude.

this made him feel safe.

however, at this moment, he couldn't hold it in anymore when he saw fang ziqian's innocent face.

he didn't even think about it before he made it clear.

the moment he said that, he was shocked.

fang ziqian looked frightened and stuttered, "second ... second young master bai, you ... are you drunk? or ... still not awake? this, this ... you can eat whatever you want, but you ... can't say whatever you want! if ... if the female celebrities outside hear this, they'll tear me apart!"

"you can't ... you can't say that anymore. you're so charming, why would you need to chase girls? even if you want to chase, you can't find someone like me. i'm just a tiny grain of sand on the ground, and you're the bright moon in the sky. there's no way we can be placed together ..."

fang ziqian's face turned green with fear, her mind in a mess.

he didn't even know what nonsense he was talking about.

she would never have thought that bai shixun would say such words that were close to a confession!

was it her or bai shixun who was still sleeping?

with a stiff face, she raised her hand with great effort and pushed bai shixun's chest.

"um ... second master, you ... you should get up first. i think you must be drunk ... why don't i drive? drunk driving is not good ..."

she mumbled incoherently, eager to get out of bai shixun's suppression.

however, before he could finish his words, he felt a sharp pain in his chin.

bai shixun's large palm pinched her chin and lifted her face up, forcing her to look at him.

"i didn't drink!" he said word by word.

"fang ziqian, you better listen up. i, bai shixun, am chasing you! this is the first time in my life that i've personally gone to a flower shop to buy roses for someone, and it's for you! the first time i went to a messy company restaurant for a meal, it was just to accompany you! if i'm not chasing you, what are i doing? do you really think i'm so free that my balls hurt?"

Chapter 712: this woman actually dared to ... disagree?

bai shixun had already gone all out.

originally, he would never have said such words.

with his status and looks, which woman wouldn't throw themselves at him?

fang ziqian was the only one who could still look confused when he had already made it so obvious.

"you ... you ..."

fang ziqian was completely stunned.

her little mouth was slightly agape as she stared at bai shixun. her entire body was so stiff that she could not move.

just now, when bai shixun said that he was chasing her, she could still play dumb and pretend that she did not understand him. she could only laugh it off.

but now, second young master bai was so direct that she couldn't even pretend to be stupid!

boxn ov el. c o m

moreover, she still could not understand why bai shixun would say such things to her.

chase her?

that's right, second young master bai did send her flowers every day and accompanied her to the company's cafeteria for meals every day.

however, according to bai shixun, he bought the flowers because he pitied the old lady who was selling flowers downstairs. he also went to the company's restaurant to understand the feelings of the people and the thoughts of ordinary employees ...

how did it become evidence of him chasing her?

shouldn't the young masters of rich families spend money directly to buy bags and jewelry for women?

bai shixun saw her confused look and the anger in his heart made him feel even more uncomfortable.

"fang ziqian, what else do you want to say?"

fang ziqian's dizzy mind finally cleared up a little.

his first reaction was ...

"bai shixun, even if you're pursuing me, i've never agreed to be with you. how can you ... wuwu!"

before she could finish her sentence, fang ziqian's mouth was blocked by the man.

the second half of her sentence was also stuck in her throat, unable to come out.

bai shixun felt like he was going to explode on the spot.

he had already made it so clear, and this woman actually dared to ... not agree?

how did her brain work?

fang ziqian was pressed down on the driver's seat, and bai shixun's words were still echoing in her mind.

she was so shocked and surprised that she forgot to struggle.

at this moment ...

"that's weird. i saw second young master bai coming over just now. where is he?"

"there are too many luxury cars here. i can't tell which one is the bai family's car ..."

"could it be that second young master bai has already left?"

a series of footsteps could be heard.

following that, there were also the whispers of female celebrities.

fang ziqian suddenly sobered up and struggled with all her might, trying to push bai shixun away!

bai shixun did not even close the car door!

as long as these people got a little closer, they would be able to see what they were doing in the car!

at first, bai shixun did not move an inch. he even held fang ziqian's wrist and did not let her move. he wanted to completely conquer this woman who was always against him.

suddenly, he felt a sharp pain at the corner of his mouth.

then, he tasted the strong taste of blood in his mouth.

he frowned and looked up subconsciously.

fang ziqian had bitten his lips!

this woman was too brutal!

"fang ziqian, how dare you bite me? i'll ..."

just as he was about to speak, his eyes swept over the female star who was walking over not far away. he could not help but spit, "damn it! these women are so annoying, they just won't leave!"

he let go of fang ziqian and watched as she climbed into the front passenger seat. he whispered, "put on your seat belt."

before he could finish his sentence, he stepped on the accelerator.

the sports car sped off.

let's see how he's going to teach this woman a lesson when we get back!

Chapter 713: the person who called him hubby was actually ... young master mu!

on the other side, mu yichen and luo chenxi walked out of the venue side by side.

they walked along a secluded path.

young master mu called brother liang as he walked.

"are you all idiots? luo chenxin has done such a thing, but you don't even feel anything? keep a close eye on her this time. once luo chenxin has completed the deal with the assassin, capture her and bring her to me!"

initially, he and luo chenxi thought that reese would reveal some flaws when he met luo chenxin and expose the mysterious organization behind luo chenxin.

however, no new clues had appeared until today.

clearly, just like his subordinates, reese did not know anything.

then, he would have no value and could be disposed of as soon as possible.

on the other end of the phone, brother liang was trembling in fear. " y-yes! young master, please ... please believe me one more time ... i promise that there won't be any more mistakes!"

boxn ov el. c o m

mu yichen scoffed coldly. " if you let them run away again, you'll be going to the pacific ocean to feed the sharks! "

he hung up the phone. when he saw that there was no one around, he stretched out his right hand naturally in an attempt to hold luo chenxi's small hand.

however, before the two of them could touch each other, a familiar voice suddenly sounded.

"hubby, you ... wait a minute! i have a few words to say to you ..."

luo chenxin stood in front of the two on their right. she looked at mu yichen expectantly.

she had been waiting here for quite a while.

it was only because deng zhihan knew the staff of the angel film festival that she was able to bring her here.

mu yichen squinted his eyes when he heard luo chenxin's voice. a cold glint flashed in his eyes.

however, there was no expression on his face.

not only did he not respond, but he also did not stop walking. he continued to walk forward at a steady pace.

luo chenxin thought he didn't hear her, so she raised her voice and called again, " "hubby!"

at the same time, she could not be bothered to maintain her reserved and elegant posture anymore. she ran over immediately and blocked mu yichen's path.

"hubby, i've been waiting for you for a long time. it's been a few days since we quarreled. have you ... cooled down?"

luo chenxin called him 'hubby' loudly.

although the path beside the parking lot was quiet, it was not completely deserted.

hearing the call, some people looked over curiously.

they were all stunned.

the person luo chenxin called her husband was actually ... young master mu!

could it be that the news from the gossip magazine was true? young master mu had already secretly married?

the coldness in mu yichen's eyes grew even more intense. he pursed his lips without the slightest trace of politeness. " madam, have you mistaken me for someone else? i'm not your husband."

luo chenxin's eyes widened, and her eyes immediately turned red.

"hubby, you ... how can you say that? although we quarreled a few days ago, we're still husband and wife! one night as husband and wife, a hundred days of love! i know that i was wrong when i pushed aunt chen, but i didn't do it on purpose. it was really an accident! i didn't notice that there were stairs behind her, so i gently pushed her. she lost her balance and fell ..."

"of course, i also know that i was wrong! it didn't matter what the reason was. so, i'll personally go to aunt chen's house tomorrow and apologize to her. is that okay?"

"hubby, don't be angry. if there's anything wrong with me, just tell me and i'll change, alright?"

luo chenxin looked extremely pitiful when she spoke.

the passers-by were dumbfounded.

Chapter 714: a mental patient has a wide range of thoughts

luo chenxin's words contained too much information!

from her tone, she and young master mu had been married a long time ago, but they had a quarrel recently.

"d * mn, is young master mu really married? i don't believe it, i can't believe it! i'd rather he's gay and be a couple with chen xiluo than accept him being married!"

"how do you know it's true? perhaps that woman was just trying to throw herself at him? didn't you hear what young master mu just said? he said he's not this woman's husband!"

"but didn't they quarrel? perhaps he was just saying it out of anger. if it wasn't true, who would dare to talk nonsense in front of young master mu?"

"that's impossible, right? if this was really young master mu's wife, how could he speak to his wife with such an attitude? he doesn't even have the least bit of respect, he's just too much of a scumbag!"

luo chen sneered in his heart when he heard the comments of the passers-by.

these people were really ignorant. they actually dared to say that she was a spendthrift?

in fact, young master mu had forgiven her a long time ago. otherwise, he wouldn't have specially worn a suit designed by stars today to support her.

boxn ov el. c o m

this man was just arrogant and stubborn.

once she had coaxed mu yichen well, she would be able to give these passersby a slap in the face.

she wanted them to know that she was the young mistress of the richest family!

at the thought of this, luo chenxin took a few more steps forward. she was almost touching mu yichen.

she stretched out her hand to pull mu yichen's arm.

"hubby, don't be angry. let's go back together ... ah!"

she suddenly screamed and staggered back a few steps before falling to the ground.

"you ...!"

she glared at luo chenxi ferociously. " chen xiluo, what are you doing?!"

he was the one who had pushed her down just now!

luo chenxi retracted her hand slowly. she raised her chin slightly and said indifferently, " "miss, please mind your words and actions. i can understand your feelings for young master mu. after all, he's the 'national husband'. many girls are like you, treating him as a ' husband'. however, it's fine to think about it, but you took it seriously ... i suggest you go see a doctor."

upon hearing this, many passers-by couldn't help but laugh.

"pfft, so you're a delusional person! as expected, a mental patient has a wide range of thoughts. i really thought too much just now. i actually thought that young master mu was really married in secret ..."

" this woman is quite pretty and dressed up. i didn't expect her to be a mental patient! "

"your way of thinking is wrong. having a good financial condition and being sick are two different things! besides, there are more than one or two women who are crazy about young master mu!"

luo chenxin's face turned red with anger. she wanted to rush forward and tear chen xiluo apart!

unfortunately, she did not fall properly just now and sprained her right ankle on the spot, causing her to not even be able to stand.

"chen xiluo! it's you again, this pretty boy, trying to sow discord! don't think i don't know what you're thinking! you're just living off a woman, yet you dare to be so arrogant. when i return to the mu family, i'll definitely teach you a lesson! just you wait!"

luo chenxi shook her head in amusement. " sure, i'll wait! however, it was too unsightly to let a crazy woman make a scene at such a formal occasion. where are the security guards?"

the security guards were already dumbfounded.

hearing what she said, he quickly ran over.

mu yichen opened his mouth coldly. " this woman is f * cking harassing me. please call the police. "

Chapter 715: look at your daughter-in-law, this is how she treats her husband!

luo chenxin almost fainted from anger when she heard that.

mu yichen had actually ... called her a sexual harrasment!

she was clearly the legitimate mrs. mu, so why didn't anyone believe her?

moreover, she couldn't understand it no matter how hard she tried.

when mu yichen was walking the red carpet today, he had clearly said a lot of good things to build up the reputation of constellation.

he was clearly trying to get on her good side.

but why did he have such an attitude now?

before she could react, the security guards had already swarmed her and dragged her out.

"damn it, you damn lowlifes! let me go! i'm the young mistress of the mu family!"

boxn ov el. c o m

"shut up! if you keep screaming, i'm really going to call the police!"

"what police? just call the mental hospital directly!"

the security guards were afraid of angering young master mu, so they violently dragged her out regardless of her struggle.

luo chenxin's already sprained ankle was as swollen as a steamed bun after rubbing against the ground repeatedly.

she kept screaming, but no one paid any attention to her. she was dragged out of the venue.

.....

after luo chenxin left, mu yichen and luo chenxi got into their family's car.

not long after, they returned to the mu family's villa.

as soon as she entered the house, luo chenxi found a maid. "where's tang tang?"

"little miss has fallen asleep."

mu yichen's eyes lit up upon hearing that.

ever since luo chenxi returned to the mu family's villa in her female attire, he had not had a single day of meat!

the little dumpling was too clingy. there were too many things to do at home, so he was always interrupted when he was being intimate with luo chenxi.

he regretted moving back with his little woman.

it was rare for the little dumpling to go to bed so early today, so he could ...

mu yichen quickly followed luo chenxi when he saw that she had already gone up to the second floor.

luo chenxi entered the master bedroom while mu yichen strode forward. however, the door was slammed shut before his eyes with a loud bang!

if he hadn't dodged quickly, his nose would have been crushed.

“stupid woman, what are you doing? open the door!”

luo chenxi’s tone was chilly as she spoke from the room’s door, “ why are you still coming in? didn’t someone spend a night with you as a husband and wife?”

“what are you saying? what one night ...”

mu yichen was stunned for a moment. he suddenly remembered that luo chenxin had said those words to move him.

“stupid woman, can you listen to luo chenxin’s words? open the door first ...”

“no, you can sleep outside with a durian today!”

“stupid woman, i’m warning you. open the door now, or else ...”

there was no movement in the room.

young master mu’s face turned green with anger. he was actually locked out of the bedroom by his wife?

“ahem, my son ...”

tan yueru’s voice came from behind him.

mu yichen shuddered and turned around. the expression on his face was extremely awkward. “ mother ... ”

he had actually been f * cking seen!

tan yueru smiled faintly. “ what’s going on? you’ve been chased out by my daughter-in-law?”

mu yichen could not help but complain when he saw his mother, “ mother, look at your daughter-in-law. this is how she treats her husband! luo chenxin went to attend the award ceremony. what does this have to do with me? wasn’t this woman too willful? i’ve spoiled her!”

tan yueru nodded with understanding. “ yeah, a little. ”

“right? mom, help me talk to her and ask her to let me in!”

tan yueru didn’t say anything. she turned around and went downstairs.

their only helper was about to run!

mu yichen quickly called out to her, “ mother, where are you going? ”

“ the durians are frozen in the refrigerator. mom will get them for you. ”

tan yueru’s voice came from the kitchen.

mu yichen was instantly petrified.

Chapter 716: found the ring’s owner?

mu yichen was instantly petrified.

was this still his biological mother?

could it be that luo chenxi was madam tan's biological daughter while he was given to her as a token of her love?

mu yichen tried both hard and soft tactics at the door of the room, but he did not manage to convince the little woman to open the door.

even the master key had been hidden by tan yueru.

luo chenxi had a rare good night's sleep.

the next day, she got up in high spirits and went downstairs for breakfast with a smile on her face.

young master mu's face darkened as he glanced at her.

"you still know how to go downstairs? i thought you were going to lock yourself in your room and not come out!"

boxn ov el. c o m

luo chenxi felt a little guilty when she noticed the dark green circles under the man's eyes.

however, when she recalled the scene of luo chenxin walking over and calling mu yichen hubby yesterday, the anger in her heart reappeared.

"mu yichen, i asked you to hug a durian to sleep yesterday. did you hug it?"

mu yichen's face turned even darker at once upon hearing this.

he threw his chopsticks down and stood up abruptly. he grabbed luo chenxi's wrist and pulled her into his arms.

however, just as he was about to teach this audacious little woman a good lesson, two voices rang out at the same time.

"stinky daddi, you're bullying big sister again. let her go!"

"mu yichen, what are you trying to do to my daughter-in-law? if you dare to use domestic violence, i'll kick you out of the house!"

mu yichen's body stiffened. he turned around in disbelief.

he saw tan yueru and xiao tuanzi staring at him.

the little dumpling had even jumped down from the high chair and hugged luo chenxi's thigh. she cried out, "big sister, don't be afraid. i'll protect you!"

"....."

mu yichen was so angry that he could not speak.

luo chenxi bent over and hugged the little dumpling. "tang tang is such a good girl. let's eat!"

the little dumpling was really her little angel!

she almost burst out laughing when she saw mu yichen's deflated expression.

mu yichen's expression was unpleasant. he held his breath and finished his breakfast.

soon after, he stood up and looked at luo chenxi who was still putting food into the little dumpling's bowl. he said, "stupid woman, are you done eating? why do you take so long to eat breakfast?"

luo chenxi glared at him.

he had to control her even if she ate slowly!

did you eat his rice?

alright, he did eat it ...

"hurry up and send me back after you're done eating. i'm going to country D today. i don't know how many days it'll take for me to come back."

luo chenxi could not be bothered with him initially. she was stunned for a moment when she heard his words. why haven't i heard you mention it before?"

mu yichen's dark eyes flickered slightly. "something happened at the branch company in D nation and they need me to go over and handle it. i just received the news this morning, so i decided to rush over at the last minute."

"why the rush?"

luo chenxi was slightly puzzled, but she did not think too much about it.

she got up to send mu yichen off.

in the end, as soon as she stepped out of the villa, young master mu pressed her shoulder against the wall and kissed her hard enough.

luo chenxi's face turned red.

this man ... was really a beast! was he lying when he said that he was going overseas?

she had no idea how long it had been before mu yichen finally let go of her.

"it's not that easy to get over the matter of kicking your husband out of the house yesterday. when i come back, i'll teach you the house rules!"

mu yichen threw down some harsh words before he got into the car and left.

luo chenxi was so angry that she felt like kicking him. "you'd better not come back!"

.....

half an hour later, mu yichen boarded the private jet.

zhuo feng was not the only one waiting for him on the plane. mu yiling, who had not appeared in T city for a long time, was also there.

" brother, you're finally here! " mu yiling greeted him.

mu yichen raised his eyebrows. " are you sure you've found the ring's owner? "

Chapter 717: tang tang really missed the strawberry cake ... she made

mu yiling had a serious expression on his face as he nodded vigorously.

"of course, there shouldn't be a mistake this time. when you first saw the ring that sister-in-law brought over, didn't you suspect that this was the emblem of some powerful force in country D? i searched for a long time in D nation before i found a clue ..."

"you've contacted them?" mu yichen asked.

" this ... " mu yiling frowned. " the faires family has been in seclusion for many years. it's said that the master of the family has not appeared in public for more than twenty years. he's only controlling everything from behind the scenes. i've thought of many ways to contact them, hoping to meet the patriarch of the faires family. however, they have never agreed."

mu yichen squinted his eyes, but the expression on his face did not change much.

"i know, let's go over first."

mu yiling sat on the side. he hesitated for a while before he could not help but ask, " "big brother, do you think that sister-in-law's adoptive mother is really related to the faires family? that's ...!"

mu yichen took out the pinky ring that he found in lu wenjun's safe from his suit pocket and shone it under the sun.

the old and simple ring looked a little dark even under the bright sunlight.

boxn ov el. c o m

" anything can happen. let's be prepared to negotiate with the other party. "

.....

fang ziqian arrived at the mu family's villa not long after mu yichen left.

she had made an appointment with luo chenxi yesterday to visit the little dumpling.

" tang tang, auntie fang is here to see you. did you miss me? "

xiao tuanzi was sitting on the sofa and playing with a puzzle. when she heard the noise, she turned around and her big eyes lit up.

he suddenly got up and pounced on her.

"aunty fang, xiang xiang! i miss you so much!"

she even wrapped her arms around fang ziqian's neck and gave her a kiss.

fang ziqian was so happy that she almost fainted.

just as she was feeling dizzy, the little dumpling let go of her neck and clung to her shoulder. it stuck its little head out and looked around.

“auntie fang, didn’t you bring a premium cake for tang tang?”

the little dumpling’s face fell as she looked at her with a wronged expression.

fang ziqian was stunned. ” ah? that ... the oven in my house is broken, so i didn’t bake a strawberry cake ...”

hearing this, the little dumpling was unhappy. she pouted her little mouth and kicked her short legs, wanting to get off her.

“but, i made you some strawberry desserts. i just learned how to make them. they’re delicious. do you want to try them?” fang ziqian said.

the little furball immediately stopped moving.

she turned around and wrapped her arms around fang ziqian’s neck. ” really?! ” aunt fang is so good! i like aunt fang the most!”

in the next second, she had become a cute little sweetheart.

fang ziqian was dumbfounded.

luo chenxi watched from the side in amusement. she shook her head. ” tang tang has been talking about the cake you made since yesterday. she didn’t even eat much for breakfast today. ” hurry up and take out your strawberry plate halberd.”

she wouldn’t tell fang ziqian that the biggest reason xiao tuanzi liked her was because the cake she made was delicious.

the little foodie fell in love with it after eating it once.

he frequently touched his little belly and asked luo chenxi, ” “big sister, why hasn’t auntie fang come to our house to play for a long time? i miss the strawberry cake ... she made.”

the strawberry halberd couldn’t be left out for too long, so fang ziqian kept it in an ice pack.

she quickly took it out and asked aunt chen to take the little dumpling to eat.

luo chenxi took the opportunity to pull fang ziqian to sit on the sofa.

“little qianqian, tell me the truth. what’s going on between you and bai shixun?”

Chapter 718: second young master bai said that you are his girlfriend!

“what ... what happened? i ... he and i ... what ... could ... possibly happen?”

hearing this question, fang ziqian’s body stiffened and her tongue was tied.

luo chenxi observed the expression on her face. the corners of her lips were lifted. "are you really alright?"

"of course i'm fine! little wei xi, what are you thinking about? why are you asking me this kind of question every other day?"

fang ziqian tried her best to appear calm and composed, but her evasive gaze still revealed the uneasiness in her heart.

she could not help but recall that last night, bai shixun had forcefully taken her out of the film festival venue and brought her home. then ...

her face burned as she thought of everything that had happened.

they almost had sex, if not for ...

luo chenxi could not help feeling amused when she noticed that fang ziqian was not saying anything and her face was blushing even more.

boxn ov el. c o m

"cough, cough. little qianqian, why are you blushing? did you remember something inappropriate for children?"

"what

fang ziqian almost jumped up from the sofa and turned to glare at her. "little wei xi, what are you thinking?" "you're too dirty! i ... how could i do anything inappropriate with bai shixun!"

luo chenxi had an innocent expression on her face. "why are you so agitated? i said it's not suitable for children because i wanted to ask you if second young master bai is racing again? mu yichen once told me that bai shixun has received a lot of fine this year."

"you ..."

fang ziqian choked.

it sounded like there was nothing wrong with what luo chenxi said.

speeding was also not suitable for children.

luo chenxi curled her lips ever so slightly and asked again, "but, i really don't believe that you're not related to bai shixun. yesterday at the award ceremony, before you came, bai shixun had already chatted with us for a while. do you know how he introduced you to mu yichen?"

an ominous feeling rose in fang ziqian's heart.

"how did they introduce you? the woman he hated the most? old virgin? grandfather's lackey?"

"all wrong!"

luo chenxi stretched out her index finger and wagged it in front of her.

he deliberately paused for a moment before slowly saying, "second young master bai said that you are his girlfriend!"

fang ziqian was stunned for a moment. then, she slapped the armrest of the sofa and stood up with a face full of anger. "bai shixun, this shameless man! he's trying to ruin my reputation again!"

luo chenxi said with a smile, "well ... second young master bai is born into a wealthy family. his looks and abilities are first-class. it's not considered embarrassing to have such a boyfriend, is it?"

"how is it not embarrassing?" "everyone knows that second young master bai's women are only fooling around with him for money or resources. none of them are serious!" fang ziqian said angrily. i don't want to be treated as a gold-digger with bad conduct!"

luo chenxi blinked her eyes. she could not refrain herself from shedding some tears of sympathy for second young master bai.

it was really miserable for him to be in this state.

from the looks of it, it would be harder than ascending to heaven for him to woo her little qianqian.

however, who asked him to not have a clean record in the past?

he deserved this result!

even so, luo chenxi felt that she should still say a few fair words.

"little qianqian, my husband said that this is the first time bai shixun has admitted that he has a girlfriend. although he used to have a lot of scandals, he has never admitted that he is in a relationship with any female celebrity who has been in a scandal."

Chapter 719: it's indeed a call from the charity association, but ...

although bai shixun's scandals were all over the place, they were always photographed by the paparazzi.

the bai corporation and he himself had never responded.

he had also never admitted that any of them were his real girlfriends.

besides, from the photos, other than the one where he kissed fang ziqian on the hood of the car, the rest of the photos were not explicit. most of the rumors were questionable.

however, after what had happened last night, fang ziqian could not bear to hear anyone say that bai shixun was good.

she could not bear to listen to luo chenxi's words either.

"have you been brainwashed by bai shixun today? if you mention him again, i'm going back!"

"alright, alright, alright. i won't mention it."

luo chenxi knew when to stop and shut her mouth.

boxn ov el. c o m

although she didn't say it out loud, she already had her own judgment in her heart.

it seemed like something had really happened between her little qianqian and bai shixun. otherwise, fang ziqian would not be so agitated.

he just didn't know how far it had progressed.

in order to avoid provoking fang ziqian again, luo chenxi had no choice but to avoid the topic on purpose.

most of them were about the little dumpling.

fang ziqian put her earlier unhappiness to the back of her mind and listened attentively.

"really? you and young master mu accompanied tang tang to the parent-child event? i can't even imagine what it would be like for young master mu to play those childish games."

luo chenxi said, we haven't gone there yet! the event is next week. i'll take some photos for you to see!"

"alright, it's a deal!"

the two of them were chatting happily when luo chenxi's cell phone rang.

she took a look and was stunned.

"who's calling?" fang ziqian asked with an ambiguous smile. why didn't you pick it up? could it be ... that young master mu has already arrived in country D and can't wait to give you a call?"

luo chenxi took a glance at her. " it's indeed a phone call from the charity association, but ... "

she moved her finger and pressed the play button.

the man's slightly anxious voice immediately echoed in the room.

"sister-in-law, where are you now? the mu family's villa? are you with fang ziqian? she seems to have blocked my number. i called her, but no one picked up ..."

before luo chenxi could answer, fang ziqian had already exclaimed, " " bai shixun?! "

as soon as she finished shouting, her phone suddenly rang. it was on speaker mode, and she quickly covered her mouth with her hand.

however, it was too late to react.

bai shixun heaved a sigh of relief when he heard her voice.

"fang ziqian, you ... why did you run off so early in the morning? yesterday's incident was really ... an accident. let me explain ... forget it, i'll go to the mu family to pick you up now. wait for me!"

after that, he hung up the phone.

when he spoke, the sound of the sports car's engine could be heard faintly.

fang ziqian's face paled and she stood up immediately. " i ... i'm leaving! " little wei xi, help me tell tang tang that the next time i come to see her, i will definitely bring her strawberry cake!"

before she could finish her sentence, she had already rushed out of the door.

luo chenxi called out to her from behind, " little qianqian, wait a minute. you haven't even taken your bag! little qianqian ..."

however, fang ziqian's speed was simply too fast. it was as if her butt was on fire as she disappeared without a trace.

luo chenxi could not catch up to him even if she wanted to.

fifteen minutes later, the door was slammed open and bai shixun rushed in.

Chapter 720: they grew up together and were closer than real sisters

his face was filled with anxiety. the moment he entered, he looked left and right.

"fang ziqian! fang ziqian!"

"sis-in-law, where's fang ziqian? where did she run off to?"

luo chenxi had been waiting for him on the sofa since earlier.

he spoke unhurriedly and spat out two words, " let's go. "

"what? he left? didn't i ask her to stay here and wait for me to pick her up?" " sister-in-law, why didn't you stop her? " bai shixun was extremely anxious.

luo chenxi shrugged and said disapprovingly, " "why should i stop her? fang ziqian has her own freedom. you're not related to her in any way, so why would she stay and wait for you?"

" but, i'm ... " bai shixun subconsciously opened his mouth.

however, luo chenxi immediately interrupted him, " i know you're trying to say that you're little qianqian's boyfriend. "

bai shixun immediately nodded.

"but little qianqian doesn't want to admit it!"

luo chenxi's expression gradually turned serious as she spoke. " bai shixun, you're my husband's friend. i shouldn't have said anything to you. however, fang ziqian is my best friend. i grew up with her and we're closer than sisters! if someone toyed with her feelings and did something wrong to her, even if she could forgive the other party, i would not forgive them! i will definitely seek justice for her!"

"and i believe my husband will be on my side!"

bai shixun was stunned. he raised his head and looked at luo chenxi in disbelief.

he had never expected luo chenxi to say such words to him all of a sudden.

he also did not expect that he thought he had seen mu yichen for a moment just now!

he was equally strong and domineering.

even a young master from a rich family like him was intimidated by her imposing manner.

this ... was it true that a married couple would look more like each other after doing it for a long time?

luo chenxi stood up and took a few steps closer to him. her tone was even more serious.

“little qianqian is a very good girl. she was abandoned by her family when she was young and relied on her own hard work to get to where she is today and become so outstanding. however, she was actually very fragile. she was afraid of loneliness and even more afraid of being betrayed! if you can't make her trust you, she'll never be with you. even if she really likes you, she won't agree!”

“i hope you can make her open her heart, and i also hope ... that you can live up to her trust in you!”

luo chenxi's every word was like a clap of thunder that exploded in bai shixun's ears.

his forehead was sweating profusely, and he didn't know how to answer.

the feelings that welled up in her heart were too complicated. she was touched, she felt pity, and she was reluctant to part with him ...

he even felt a little guilty.

his motive for pursuing fang ziqian was not as simple as liking her ...

fortunately, xiao tuanzi ran out of the room at this time.

“big sister, why don't you play with tang tang ...”

“i'll be right there.”

bai shixun stood up as he watched luo chenxi leave.

when he walked out of the door, he realized that he was already covered in cold sweat.

.....

mu yichen was not at home, so luo chenxi's life was much freer.

other than the occasional feeling that the bed was a little too big when she was sleeping at night, she could not even think of mu yichen's existence at all.

she spent most of her time working.

he was preparing for the designs that FADE was going to release in the new season.

two days later, he received a call from fang ziqian.

“what's the matter? could bai shixun be ...”

“little wei xi, you can still laugh! hurry up and go online to read the news!”
