

## Sweetheart 831

Chapter 831: i've spoiled her too much, this time ... i won't coax her anymore!

mu yichen's heart skipped a beat when he heard bo tingyuan's words.

he suddenly had a bad premonition.

however, he had already said those big words. it would be embarrassing for him to change his words in front of his brothers.

he still stubbornly said that he would not investigate.

seeing that he could not persuade him, bo tingyuan decided not to say anything more. he accompanied mu yichen for two drinks and went home.

in any case, he had already tried his best to persuade her.

if mu yichen was stubborn and continued to act like a tsundere, he would be the one who would regret it in the end!

mu yichen stood up immediately after bo tingyuan left.

he jinsi called out to him from behind, 'yichen, where are you going? you're not drinking anymore?'

boxn ov el. c o m

mu yichen's face was expressionless. " i'm not drinking anymore. i'm not in the mood to drink. "

he returned to the mu family's villa with a gloomy face.

tan yueru was still in the living room, knitting a sweater while waiting for him.

the moment she saw his drunk appearance, she was filled with anger.

"you really drank that much? what's there to drink? if you miss chenxi, quickly go and coax her back!"

mu yichen pouted. " who said i missed her? she's really too much this time. i've spoiled her too much. this time ... i won't coax her anymore!"

tan yueru was so angry that she threw her sweater away. " okay, okay, okay. then you'll never coax me! "

mu yichen's expression remained unchanged.

however, when he returned to the master bedroom and saw the dark and silent room, as well as the empty bed, his gaze clearly changed.

after lying in bed for a while, young master mu took out his phone.

" zhuofeng, go and find out what young madam went to yihe hospital's gynecologist yesterday. what was she doing there? "

.....

on the other side.

luo chenxi and the little dumpling had a good night's sleep in lu wenjun's small apartment.

luo chenxi felt that her mind was in a mess when she lay down last night. she was not sleepy at all.

however, listening to the rhythmic breathing of the little dumpling in his arms and looking at her peaceful and lovely sleeping face, the effect was better than sleeping pills.

luo chenxi fell asleep unknowingly. moreover, she slept all the way until dawn.

the next day, she woke up with the help of her alarm clock.

luo chenxi took a glance at the time and turned off the alarm clock. she went to make breakfast first before shaking the little dumpling awake.

the little dumpling didn't bring much with her this time. her little suitcase was filled with princess dresses and she had brought her favorite clothes.

luo chenxi helped her dress up and gave her a kiss on her tiny face before she sent her to kindergarten.

there was nothing much to do during the day. luo chenxi thought about it for a while before she took a stroll around SL holdings.

she had completed the design work for the new series that sheng yu had assigned to her a few days ago. however, so many things had happened in between that she had not found the time to report to sheng yu.

due to xing chen's current bad reputation, luo chenxi put on neutral makeup at home and changed into a male outfit in order to avoid unnecessary trouble. she only left the house after that.

sheng yu was not aware of mu yichen's failed proposal, so he did not feel that anything was amiss when he saw luo chenxi.

the two of them handed over their work.

sheng yu then assigned the next stage of the task.

after luo chenxi confirmed the details with him, she noticed that it was getting late and it was almost time for her to pick up the little dumpling from school. she quickly bade farewell to sheng yu and called for a taxi to head to yinyan kindergarten.

when she was at the mu family's house, she didn't have time to pick up xiao tuanzi, so she could let aunt chen and the others go.

Chapter 832: the little dumpling is the cutest child in the kindergarten with the best family background

now, she was the only one taking care of the little dumpling, so she had to be punctual.

even though luochenxi came out very early, she was unlucky to have encountered an accident on the way which resulted in a huge traffic jam.

when she arrived at yinpi kindergarten, she had already missed the end of school and was 15 minutes late.

luochenxi jogged all the way to the kindergarten to look for her.

“apple class ... where is apple class?”

as she mumbled, she looked around and saw a large red apple pattern hanging on the door of a classroom. she quickly walked over.

luochenxi frowned immediately when she pushed open the classroom door to take a look.

“luochenxin? what is she doing here?”

.....

boxn ov el. c o m

in the apple class, most of the children had already been picked up by their parents.

there were only seven or eight children left, and they were waiting for their late parents, accompanied by teacher ren.

teacher ren greeted luochenxin with a smile as soon as she entered the classroom.

“mrs. mu, you’ve finally come. little mu tianxin has been waiting for you for a long time, and she’s so anxious that she even ran to the door to take a look a few times!”

the little dumpling was the cutest child with the best family background in the entire kindergarten. luochenxi knew how to conduct herself well. not only was she polite and thoughtful, but she also often gave the teachers gifts.

therefore, when teacher ren saw luochenxin, who was impersonating her, she was very enthusiastic.

luochenxin was a little nervous when she sneaked in. she was worried that she would run into the mu family or be recognized.

in the end, everything went smoothly.

even the little dumpling’s teacher didn’t notice anything wrong.

luochenxin’s heart, which was suspended in mid-air, finally returned to its original position.

she raised her chin and put on the posture of a noble lady. she said rather impolitely, “i’m only late by ten minutes, what’s there to complain about? can’t you guys just watch? what’s the rush? it’s not like the kindergarten didn’t pay you guys your salary!”

teacher ren’s eyes widened in surprise.

she couldn’t believe that these words came from mrs. mu’s mouth.

usually, mrs. mu was the most easy-going parent. although she had married a husband who was as rich as a country, she was still very approachable. when had she ever been so rude?

however, although teacher ren was dissatisfied, he didn't dare to offend the mu family.

she could only smile and say, "mrs. mu, it's fine for us teachers to accompany the child, but won't the child be anxious from waiting?" look, mu tianxin is there!"

teacher ren pointed at the little dumpling who was sitting in the corner building blocks.

then, she called out in the direction of the little dumpling, " mu tianxin! little mu tianxin, your parents are here to pick you up!"

when the little furball heard this, it suddenly raised its head and its eyes shone with excitement.

she threw away the half-finished building blocks in her hand and ran toward the two.

luo chenxin's eyes glowed with pride.

he had thought that it would be difficult to abduct the little dumpling, but he did not expect it to be so simple.

now, as long as he could take the little dumpling out of the kindergarten and secretly stuff her into the car parked at the entrance, he could take her back to the luo family.

with the little dumpling by her side, how could young master mu ignore her?

the more luo chenxin thought about it, the more proud she became. her lips, which were covered with bright red lipstick, curled up, and her smile was a little scary.

the little furball was rushing toward luo chenxin with its short legs, but it stopped when it saw the expression on luo chenxin's face.

Chapter 833: she was such a gentle and patient person ...

the smile on her toot little face also disappeared.

luo chenxin was still confused. when she saw the little dumpling stop, she took the initiative to greet him.

"tang tang? tang tang, big sister is here to take you home! today, your uncle sent some delicious cherries over. let's hurry back and eat them."

in order to abduct the little dumpling, luo chenxin suppressed the impatience in the depths of her heart and tried to smile at the little dumpling.

at the same time, he stretched out his ten fingers, which were painted with nail polish, and tried to pick up the little dumpling.

however, before luo chenxin could touch her, the little dumpling had already taken a few steps back to put some distance between them.

luo chenxin was stunned for a moment and then frowned.

“tang tang, what’s wrong? hurry up and come to big sister’s place, we need to hurry home ...”

however, the little dumpling had already identified the difference between her and luo chenxi. her little face was filled with wariness as she kept avoiding her.

boxn ov el. c o m

luo chenxin reached out to hug it a few times, but the little dumpling dodged her every time.

she didn’t have much patience for children, and as time went by, the anger in her heart suddenly rose.

she couldn’t even pretend to be gentle and loving anymore, and her tone suddenly became stern and fierce. ” mu tianxin, i told you to come here. didn’t you hear me? hurry up and come over!”

the little furball was obviously even more afraid after being yelled at by her.

a look of confusion flashed across her fair and tender little face. immediately after, her eyes suddenly turned red and she began to cry.

“wuwuwu! you’re not my big sister! stinky auntie, go away! hurry up and go away! tang tang wants a big sister!”

luo chenxin looked embarrassed.

she was not the only one in the classroom. other than the children and teacher ren, there were other parents who had come to pick up their children.

everyone was surprised to see that luo chenxin had made the little dumpling cry.

that was because everyone knew that mrs. mu and her daughter had a very good relationship. she was the standard good mother. every time the little dumpling saw her, he would take the initiative to throw himself into her arms and try his best to act coquettishly.

he had never seen mrs. mu make the child cry.

moreover, mrs. mu looked a little different today ...

“if i didn’t see mu tianxin, i almost wouldn’t have recognized mrs. mu! she hasn’t come to pick up her daughter for a long time, has she?”

“isn’t it? why was mu tianxin crying? it’s so heartbreaking to see such a cute child cry!”

“i don’t know. did mu tianxin make her mother angry? i heard mrs. mu shouting at the child just now, and her tone was so fierce!”

“what? mrs. mu was fierce to the child? that’s impossible, right? she’s such a gentle and patient person ...”

the crowd was in a heated discussion and looked at luo chenxin in surprise.

although they had deliberately lowered their voices, everyone could still hear each other easily because they were all gathered in a small classroom.

luo chenxin was furious when she heard that.

these people kept addressing her as mrs. mu. it was apparent that they were not referring to her but the impostor, luo chenxi!

what's so good about that little b\*tch who grew up in an orphanage? she would just pretend to be a kind mother to gain sympathy and goodwill from young master mu.

this was all an act, it was fake!

moreover, there was no technical difficulty in doing this kind of thing. it was not like she, luo chenxin, could not pretend.

thinking of this, she forced a smile that she thought was 'gentle and loving'.

Chapter 834: chen, why are you here?

then, he waved at the little dumpling.

"tang tang, i was too anxious just now and my tone was a little fierce. i'll apologize to you, okay? hurry up and come over, we really should go home."

luo chenxin had used all her patience. she pinched her throat and spoke in a soft voice on purpose.

she felt that she was particularly friendly, so she didn't notice that the parents around her were frowning when they heard her speak.

they were all parents with children. how could they not know what kind of tone was unique to a mother who truly loved her child?

luo chenxin's performance just now was too pretentious!

anyone with a brain could tell that it was fake.

the little ball was more sensitive than the adults and would not be fooled.

in the face of luo chenxin's threats and promises, she raised her head decisively and shouted, "i'm not leaving! you're not my big sister! i want to wait for daddy and grandma to come and pick me up! stinky auntie, get out of the kindergarten! our classroom is going to stink from your smell!"

boxn ov el. c o m

the little dumpling's words were so funny and cute.

many parents couldn't help but laugh out loud.

even teacher ren was not spared.

however, teacher ren clearly knew that he shouldn't laugh at this time, so he immediately lowered his head and covered his mouth to hide it.

however, her trembling shoulders betrayed her true thoughts.

luo chenxin was so angry that she almost vomited blood!

'this damned girl is as annoying as her mother, luo chenxi!'

just you wait, whoever dares to go against me, i will definitely get rid of them one by one or take revenge!

luo chenxin told herself to bear with it. she suppressed her anger and continued to pretend to be a kind mother.

"tang tang, what are you talking about? your dad and grandma are busy, so let's not trouble them. let's go back first, okay?"

"of course it's bad!"

luo chenxin did not wait for the little dumpling's answer, but she heard a low, clear, and neutral voice behind her.

this voice ... sounded a little familiar.

luo chenxin had an ominous feeling. she quickly turned around and saw chen xiluo, who was dressed in simple casual clothes, appear behind her.

in order to coax the little dumpling, she had been squatting, but chen xiluo was standing.

the distance between the two of them, one high and one low, was so great that it was as if she was kneeling in front of chen xiluo.

luo chenxin's expression changed when she saw him, and she stood up immediately.

"chen xi luo, why are you here?" he turned to chen xi luo and asked sternly.

luo chenxi glanced at her nonchalantly and spoke with a faint smile, " i'm here at yinyan kindergarten on someone's request to pick tang tang up, of course. do i even need to tell you that? "

"you? take tangtang?"

luo chenxin felt very guilty when she first saw chen xiluo.

on one hand, it was because she had fallen into chen xiluo's hands a few times in the past, and she was already traumatized.

on the other hand, it was because chen xiluo had a good relationship with the mu family. many people even said that he was mu weiwei's boyfriend.

today, chen xiluo had seen her trying to abduct the little dumpling, and he would definitely tell young master mu about it.

this way, everyone would be on guard.

the next time she wanted to take advantage of a loophole to kidnap someone, it would be as difficult as ascending to heaven!

luo chenxin's face turned pale. she knew that she only had one chance today, so she decided to go all out.

Chapter 835: tang tang wants to go home with big brother!

she pointed at luo chenxi's nose and began to curse loudly.

"chen xiluo! how can you show up here? no one in the mu family has agreed to the matter between you and my sister-in-law, and you consider yourself the son-in-law of the mu family? she even dared to secretly come and take tang tang? what are you planning? are you trying to kidnap tang tang when we're not paying attention?"

as soon as this was said, the surrounding parents were in an uproar.

wasn't it just picking up a child? why did it have to be a kidnapping?

however, in terms of relationship, it was obvious that " mrs. mu " luo chenxin was mu tianxin's mother. although the male model, chen xiluo, had heard that he was close to the mu family, he had no blood relationship with the little dumpling.

besides, there were many cases of acquaintances abducting little girls in the recent social news.

it just so happened that chen xiluo was a young man, and this made people's imagination run wild.

teacher ren also realized this and quickly stood in front of chen xiluo.

" mr. chen, i'm sorry, but mu tianxin's mother is here to pick her up. you don't have to pick her up, please go back. "

boxn ov el. c o m

teacher ren's attitude toward chen xiluo was also quite polite.

she had seen chen xiluo appear together with young master mu several times. she had also seen chen xiluo come alone to pick up xiao tuanzi.

she did believe that chen xiluo was not a bad person.

however, no matter what, a man who was not a relative was not as reliable as the child's mother.

a smile appeared on luo chenxin's face when she heard that. she turned around and glared at chen xiluo coldly.

"you heard that? hurry up and get out of yinpi kindergarten! if you harass my daughter again, i'm going to call the police!"

luo chenxi had been standing on the same spot with her arms crossed in front of her chest. she watched luo chenxin's performance in silence.

it was only at this moment that she coldly lifted her lips. " are you done? "

luo chenxin gave her a provocative look. " i'm done. why don't you get out? "

luo chenxi sneered, " i think you're the one who's getting out, aren't you? you still have the cheek to call yourself tangtang's mother? do you think that everyone is blind and didn't notice how scared tang tang was when she saw you? she doesn't want to go with you at all!"

as she spoke, she looked at teacher ren.

" teacher ren, you can ask mu tianxin yourself. which one of us does she want to go with? "

teacher ren was stunned for a moment. in the face of the arrogant luo chenxin and the extraordinarily handsome chen xiluo, her heart was naturally extremely biased towards this new male god.

however, luo chenxin was the child's mother after all ...

she hesitated for a moment, but in the end, she could not resist the temptation of the man's charm and listened to chen xiluo's suggestion.

"little mu tianxin, come and tell me, who do you want to go home with? with your big sister or uncle chen?"

although teacher ren didn't understand why the little dumpling called her mother 'big sister', the little dumpling had always called her that, so she just followed suit.

the little dumpling was already beyond excited when she saw luo chenxi.

had it not been for luo chenxi's gaze to stop her earlier, she would have pounced into her beloved elder sister's arms long ago.

when she heard teacher ren's question, she immediately puffed up her small chest and said loudly, " i want to go home with big brother!"

as she was saying that, she pounced on luo chenxi with her short legs and hugged her thigh tightly.

the little dumpling's choice was clear at a glance.

Chapter 836: the little dumpling pounced into chen xiluo's arms without even thinking

for a moment, from teacher ren to the surrounding parents, they were all in a daze.

everyone knew that mu tianxin and her mother were close.

what on earth happened today?

why did she not want her mother anymore? why did she run off to hug a pretty uncle's leg ...

isn't this too strange?

luo chenxi had already bent down and picked up the little dumpling before the crowd could return to their senses.

the little dumpling immediately wrapped her arms around his neck and gave him a big kiss on the face. " big brother, i miss you so much! let's hurry home!"

this time, the little dumpling kissed her loudly and even rubbed against her face and neck. it was completely intimate.

however, luo chenxi would have stopped her immediately if they were not in front of so many people. she would not allow the little dumpling to continue kissing her.

boxn ov el. c o m

her face was covered in a thick layer of foundation and shadow powder!

if the little dumpling were to scrape off a piece, she would be in deep trouble.

even if they couldn't, they didn't know if these cosmetics were poisonous or not. how could they let children eat them?

at the thought of this, luo chenxi did not want to stay in the kindergarten any longer. she turned around and was about to leave with tang tang in her arms.

luo chenxin did not expect the little dumpling to jump into chen xiluo's arms without thinking.

the two of them were so intimate!

she could still understand if the little dumpling liked the sl \* t, luo chenxi.

however, chen xiluo was a man. mu weiwei herself rarely returned to the mu family's villa, so the chances of chen xiluo frequently and closely contacting the little dumpling were even fewer. how could their relationship be so good?

an idea seemed to flash through her mind, but she did not grasp it immediately.

when he saw that luo chenxi and the little dumpling had already walked to the corridor, luo chenxin did not have the time to think. he immediately ran after them.

"chen xiluo! you're a man with evil intentions. how dare you abduct my daughter! hurry up and return my daughter to me, or i'll fight it out with you!"

when luo chenxin saw that the little dumpling was ignoring her, she simply gave up her plan to deceive her and snatched it directly.

she saw that chen xiluo's back was facing her and was completely defenseless. she felt that she had a great chance of succeeding.

he planned to first use the bag in his hand to break chen xiluo's head before snatching the little dumpling over.

even so, luo chenxi's years of taekwondo practice were not for nothing.

when she heard luo chenxin's scream, she had an intuition that something was wrong and was ready to deal with it.

luo chenxin caught up to her and was about to lift her bag when she tripped over something.

she was caught off guard and lost her balance in an instant, falling head first.

luo chenxi carried the little dumpling in her arms and took a small step to the right unhurriedly to give up the seat in front of luo chenxi so that she could fall more perfectly.

as expected, luo chenxin's entire body fell to the ground.

a loud bang was heard.

the ground shook a few times from the impact.

it wasn't just the parents of apple class, but the teachers and parents in other classrooms in the corridor were also attracted by the huge commotion.

"what's going on? what's going on? is it an earthquake?"

"that's not right, someone fell down in the corridor! pfft, he's still face-first on the ground. this is too tragic!"

"not only did her face land on the ground, but her skirt was also lifted up, and she was exposed! tsk tsk!"

"why can't you be more careful when you walk? what kind of mother is she, wearing such a short, tight-fitting dress and high heels to pick up her child?"

Chapter 837: she actually dared to come to yinyan kindergarten to abduct a child!

the crowd chimed in, and most of them felt that luo chenxin deserved it.

when picking up and sending children, one should dress as casually as possible so that the child could be taken care of.

moreover, in a place like a kindergarten where there were many children, it was common sense and basic etiquette not to run and make a noise.

luo chenxin's screaming and running in her high heels had long caused dissatisfaction among the other parents.

luo chenxin lay on the ground. for a moment, she felt that her head could not turn.

immediately after that, she felt a sharp pain in her forehead.

it wasn't as simple as the pain. she also felt dizzy, so dizzy that she almost couldn't get up.

this was obviously a symptom of a concussion.

luo chenxin lay on the ground for a while before she finally felt better. however, when she heard the discussion of the parents around her, she felt like she had been hit in the head.

boxn ov el. c o m

how embarrassing!

it was too embarrassing!

she knew that nothing good would come out of meeting chen xiluo. she was actually so miserable because of that pretty boy again!

at the thought of this, she didn't care about her face anymore. she used all her strength to support her body, enduring the severe headache and dizziness, and barely stood up.

seeing that chen xiluo had already walked a distance away with the little dumpling in his arms, she quickly cried out again.

"chen xiluo, stop right there! where do you want to take my daughter? don't think that just because you used some snacks to gain my daughter's trust, no one can control you! you're clearly abducting children, it's illegal! quickly put my daughter down!"

her words were said with great skill.

child trafficking was a very sensitive topic among the parents.

luo chenxin used this crime to criticize chen xiluo, and the effect was excellent. the onlooking parents who did not know the truth were enraged.

"so this lady ran to catch a child trafficker and even fell. she's so pitiful. i shouldn't have laughed at her just now."

"that human trafficker is too despicable and shameless. how dare you come to yinpi kindergarten to abduct a child!"

"catch him, quickly catch him! we can't let such a person get away with it!"

"right, catch him! send him to the police station!"

the parents were filled with righteous indignation as they blocked luo chenxi's path.

luo chenxi knew that things were not looking good when she heard luo chenxin's words. she could not help feeling disgusted.

how could there be such a disgusting woman like luo chenxin in this world!

although she had given birth to the little dumpling, what right did she have to call herself the little princess 'mother'?

why didn't she remember that she was tang tang's mother when she was abusing the little dumpling?

now that she saw that mu yichen did not want to pay attention to her, she thought of using the little dumpling as a bargaining chip?

luo chenxi was so angry that her eyes turned red.

she heard that mu yichen had confirmed lu wenjun's condition in R nation a few days ago. he knew that she was safe.

since that was the case, she would remind mu yichen that it was time to take care of luo chenxin. she could not allow her to continue courting death!

however, the premise of all this was that she had to leave this place safely with xiao tuanzi.

it would be troublesome if she was sent to the police station and xiao tuanzi was taken away by luo chenxin.

more and more parents gathered around, and even the security guards of yinyan kindergarten came over.

luo chenxi frowned ever so slightly. she decided to stop running. she stopped walking and turned around to face luo chenxin who was running toward her in a hurry.

Chapter 838: go to hell, human trafficker!

had it not been for the critical situation, luo chenxi would have burst out laughing upon seeing luo chenxin's style!

it was because luo chenxin's current appearance was too funny.

one of her black high heels was broken, and she limped as she ran, one foot higher than the other.

the red tight-fitting skirt also split open in the middle from the back, revealing the spring light without reservation for everyone to admire.

luo chenxi even saw a man with ill intentions not far away from her. he was following luo chenxi and taking photos secretly.

of course, the most exaggerated part was her forehead.

luo chenxin's forehead had a bump when she hit the ground with her face. the skin was broken and blood kept flowing out.

luo chenxin was so anxious to grab the little dumpling that she did not care about stopping the bleeding.

as she ran, blood kept flowing down. she could only wipe it with her hands, and it stuck to her face, covering her whole face.

boxn ov el. c o m

his face was covered in blood, and he looked like a zombie in a horror movie.

as she ran, she shouted, " "chen xiluo, stop right there! don't run!"

luo chenxi carried the little dumpling in her arms as she stood on the same spot in a calm and composed manner. she was dressed in a neat, elegant, and fashionable attire. she looked like a prince who had walked out of a fairy tale.

it was a stark contrast to the crazy woman with disheveled hair.

she glanced at luo chenxin coldly and pursed her lips. " when did i run away? " wasn't i waiting for you here?"

luo chenxin felt like she was going to faint at any moment. she reached out and supported herself with the wall on the side before she could stand up.

she stretched out her finger and pointed at luo chenxi's nose as she complained weakly.

"chen xiluo, quickly return my daughter! otherwise, all of us parents will not let you off!"

"yes, that's right! let go of the little girl!"

"go to hell, human trafficker!"

"go to prison!"

luo chenxi remained calm and collected despite being scolded by some agitated parents.

she smiled coldly. "luo chenxin, you're saying that i'm kidnapping children?" i think you're the one with bad intentions, trying to kidnap little mu tianxin!"

"bah! what nonsense are you spouting? i'm mu tianxin's mother, the teachers at the kindergarten can be my witness!"

the corners of luo chenxi's lips were curled into a mocking smile. she spoke in an unhurried manner, " "that's right, you're mu tianxin's mother, but mu tianxin's custody doesn't belong to you. it belongs to the child's father, the mu group's president, mu yichen! "

"i'm here today on behalf of mu yichen to fetch the child home on behalf of president mu who's too busy to attend to other matters. what about you? miss luo, did you get her guardian's permission to come and pick mu tianxin up?"

luo chen's heart choked when he heard that.

she did not expect that chen xiluo's emotions would not be affected at all when he was framed as a human trafficker and was yelled at to kill. he was still so calm and composed.

a few casual words were said so reasonably.

the onlooking parents could sense a hint of gossip in luo chenxi's words. they looked at each other in bewilderment at once.

"what's the situation? so this child was the mu family's little princess! no wonder she looked so cute! isn't that crazy woman with a head full of blood the one from the live broadcast last time ... the one who pretended to be the young mistress of the mu family and plagiarized the works of other designers ..."

"now that you've mentioned it, i can recognize her too. it really seems to be her!"

Chapter 839: young master mu is mu tianxin's only legal guardian

"isn't that the famous male model, chen xiluo, opposite us? i heard that he's the boyfriend of the mu family's young miss ..."

‘if it’s really that luochenxin, then i’ll have to stand on chen xiluo’s side this time! who doesn’t know that luochenxin is a hypocrite? her skin is thicker than the city wall!’

“that’s right, that’s right. didn’t chen xiluo say so? the guardian of the mu family’s little princess was young master mu. since young master mu had no time to pick up the child, it was normal for him to entrust chen xiluo to pick her up. she actually framed him as a human trafficker! tsk, tsk, what are they planning?”

“what other ideas do you have? he’s definitely trying to extort a sum of money from young master mu through his daughter!”

in an elite kindergarten like yinlong, most of the parents had some family background and had heard all kinds of secrets about the rich families.

many people were already imagining a series of melodramatic rich and powerful dramas.

they assumed that luochenxin was unwilling to be dumped by mu yichen, so she wanted to put in more effort on her daughter.

this kind of woman was the most hated in the rich circle.

all of a sudden, the direction of public opinion changed. everyone was looking at luochenxin with contempt.

boxn ov el. c o m

luochenxin panicked when she noticed this.

she quickly made up another lie to clear her name.

“you guys ... don’t be fooled by chen xiluo! i ... i truly do not have the custody of my daughter. however, chen xiluo is not a good person either! everyone thought, he was not a relative of the mu family. how could young master mu be at ease to leave his daughter in his hands? this was obviously unreasonable! the truth is, young master mu really asked me to pick up my daughter today! as for chen xiluo, he wanted to take advantage of young master mu’s absence to trick tang tang out. he wanted to kidnap mu tianxin!”

luochenxin’s words moved some people.

in some people’s eyes, the child’s mother must be the best person to treat the child.

therefore, no matter how outrageous luochenxin was, she would not harm her own daughter.

then, the remaining chen xiluo must be a bad person.

with that, the scene was in complete chaos.

some people supported chen xiluo, while some supported luochenxin. neither side was willing to give in.

moreover, luochenxin’s supporters seemed to be gaining the upper hand.

a glimmer of hope rose in luochanxin's heart again, and he immediately said, "chen xiluo, stop pretending. quickly give me your daughter!"

luochanxi remained silent and expressionless. not only was there no sign of nervousness at all, but there was also a faint smile on her face.

she raised her voice a little and said in a calm tone, "since we're both sticking to our own words and no one can prove that they're qualified to take mu tianxin back, why don't we find someone who's really qualified?"

"someone who is truly qualified? don't tell me ... young master mu?"

luochanxi nodded. "that's right. after all, young master mu is little mu tianxin's only and only legal guardian, isn't he?"

upon hearing this, the surrounding crowd became excited.

it was already exciting enough to witness the grudges and internal strife of the number one clan.

if he could see young master mu with his own eyes, it would be enough to brag to others for a lifetime!

luochanxi maintained her elegant demeanour and raised her eyes to look at luochanxin. luochanxin? didn't you say that you were entrusted by young master mu to pick up the child? then you can call young master mu directly and ask him to come over personally to testify for you."

Chapter 840: he actually "fainted" just like that ...

this time, luochanxin was really flustered.

she did not expect chen xiluo to have this trick up his sleeve!

he actually asked her to give mu yichen a call!

how could mu yichen possibly answer her call? even if he did, he couldn't have come to testify for her, right?

on the contrary, if mu yichen found out that she had come to the kindergarten to abduct the little dumpling, she would certainly die a horrible death!

luochanxin's face turned green and white, mixed with bright red blood, like an overturned color palette.

luochanxi watched from the side in a calm and composed manner. she waited for a while before she could not help but urge, "miss lu, why didn't you call? could it be that you're really afraid of making this call because you're guilty?"

because they had been waiting for a long time, the onlookers also felt strange.

they all looked at luochanxin with suspicion.

luo chenxin knew that she could not go on like this. she racked her brains and finally came up with an excuse.

“you ... what do you know? mu ... who was young master mu? do you think you can see her whenever you want? he’s very busy with work, and he’s having a meeting in the company right now! if not for this, he wouldn’t have entrusted me to pick up the child! he won’t come, don’t try to take advantage of the loophole and confuse us!”

after that, luo chenxin could not help but want to applaud herself!

no one could refute such a perfect reason.

luo chenxi chuckled softly and said, “ young master mu won’t be coming ... it’s alright if that person doesn’t come. give him a call and ask him to inform the teacher at yinpi kindergarten. he’ll be your witness. it’ll only take three minutes at most. ” no matter how busy young master mu is, for the sake of his daughter’s safety, he should be able to spare three minutes, right?”

“you ...!”

luo chenxin’s face stiffened again.

he simply wished he could pounce on chen xiluo and strangle him to death!

how could this pretty boy be so difficult to deal with, to think that he could even come up with such an idea!

how could she reject such a request?

luo chenxin gritted her teeth and waited for chen xiluo. she racked her brains to find a reason that was enough to perfunctory everyone.

however, after thinking for a long time, he still couldn’t figure it out.

when luo chenxi saw that it was about time, she said with a smile, “since you can’t invite young master mu here, i’ll make the call. i’m also very curious. is young master mu really in a meeting and can’t leave?”

as she spoke, she took out her phone and was about to make a call.

luo chenxin was so anxious that she couldn’t care about anything else when she realized that she was about to be completely exposed.

she suddenly raised her hand and covered the swollen wound on her forehead, letting out a weak moan.

“i ... my head is so dizzy, so dizzy ... i can’t, i ... i can’t ...”

as she spoke, her body tilted and she fell to the ground in an extremely unnatural position.

luo chenxi could not help but be convinced upon witnessing the scene!

in fact, she had said that she would call luo chenxin just now to scare her.

mu yichen was in a cold war with her. when she went to the mu group yesterday, young master mu did not pick up his phone. he would most likely not pick up today either.

therefore, if luo chenxin really waited for her to call, she might be exposed instead.

in the end, she did not expect luo chenxin to be so timid.

he had actually "fainted" from fear ...

when the surrounding parents saw this, they understood most of the situation. they pointed at luo chenxin's face and began to scold her.
