

## Sweetheart 891

Chapter 891: the woman he loved was married, but the groom wasn't him

he jinyan stopped in his tracks when he reached the entrance of the neighborhood. he glanced at mu yichen with a faint smile. " did you fight? "

mu yichen furrowed his brows. " how did you know? could it be that jingsi ... "

"he didn't say anything," he jinyan shook his head. " but when sister-in-law is talking to you, she doesn't even dare to look at you. this doesn't look like she's very close to you ... "

the corners of mu yichen's lips twitched.

was his stupid woman so unnatural when she was with him?

even outsiders could tell!

he jinyan looked at his disgruntled expression and shook his head secretly. " yichen, i treat you like my own brother, so i'll give you one more word of advice. no matter what misunderstanding there is, we must clear it up in time and not separate easily. otherwise, you'll learn from jingsi's mistakes!"

mu yichen said in astonishment,"is jingsi ... still thinking about that woman?" no way? it's been four to five years!"

"so what if it's four or five years?" he jinyan asked.

boxn ov el. c o m

" but ... " mu yichen frowned. " that woman's getting married next month. she's been on the entertainment news headlines for three consecutive days now. don't tell me that jingsi doesn't know about it? "

" the whole world knows, " he jinyan said faintly. " how could he not know? " jingsi was going to visit tang tang with me today, but because of this incident, i couldn't even get through to her phone, so i had to come by myself."

mu yichen was speechless for a moment.

the woman he loved was about to get married, but the groom was not him.

if this had happened to him and the stupid woman, he might have rushed into the wedding scene in anger, stabbed the groom, and then snatched him away.

"so, don't let yourself regret it," he jinyan said.

mu yichen hesitated for a moment. when he saw that he jinyan was about to turn around and leave, he quickly said, " " i don't want to quarrel with my woman either, but she always has all kinds of concerns. no matter how i say i don't mind, she can't let go and wants to break up with me ... "

he jinyan pondered for a moment and smiled. " maybe you're just too accommodating to her. if she really wants to break up, you should just agree to it. "

mu yichen was shocked. " how can i do that? what if she really breaks up with me?"

"you're going to break up now anyway, isn't it the same?"

mu yichen's expression darkened at once upon hearing this.

did it have to be so heart-wrenching?

he was the nation's husband, the prince charming that all the women in the country wanted to marry the most. how did he end up in such a state?

mu yichen fell into deep thought as he watched he jinyan's back as he left.

.....

the little dumpling's body was getting better gradually. she pestered luo chenxi to take her out to play every day.

mu yichen was unwilling to be left behind. he followed behind luo chenxi and the little dumpling every day and had already become a part of the scenery in the entire estate.

everyone knew that luo chenxi had married a handsome and considerate husband. the two of them were extremely in love.

it gave luo chenxi an illusion.

it was as if they had returned to the time before the proposal.

a few days later, the family doctor came to check on the little dumpling.

"congratulations, little miss. you've fully recovered. from today onwards, you don't need to take any more medicine."

"yay!" the little dumpling was so excited that it almost jumped up. " tangtang, don't ever take medicine again!! " i want to eat strawberry pudding!"

luo chenxi cracked into a smile as well.

mu yichen was the only one who did not utter a word.

luo chenxi noticed that something was amiss. she turned around and took a glance at him.

mu yichen took the opportunity to speak,"chenxi, since tang tang has already recovered, it's time for tang tang and i to go back." thank you for taking care of tang tang during this period of time. i've caused you a lot of trouble ..."

luo chenxi's heart suddenly sank. she looked at him in a daze. " you ... what do you mean? "

Chapter 892: she didn't even have the right to fight for custody against the mu family

mu yichen took a deep look at her and said slowly, " last night, my parents specially called to say that they miss their granddaughter and asked me to bring tang tang home to let them see her. "

luo chenxi heaved a sigh of relief upon hearing his words.

"then you can bring tang tang back today." she hadn't been home for more than ten days. her grandparents must have missed her. i'll pick it up tomorrow ..."

mu yichen shook his head gently and interrupted her.

"chenxi, you don't have to pick her up. after tang tang goes back, i don't think dad and mom will let her come again."

luo chenxi shuddered. she raised her head abruptly and glared at mu yichen with her big, bright eyes that were filled with panic.

he opened his mouth but couldn't say anything.

mu yichen's gaze fell on her face. " chenxi, i know you like tang tang a lot. however, tang tang is the mu family's little princess. she can't live outside forever. some time ago, she had fallen sick. for the sake of her health, her parents had agreed to let her stay here. now, her illness has already been cured ..."

upon hearing her words, the color on luo chenxi's face faded rapidly at a speed that was visible to the naked eye.

boxn ov el. c o m

he took two steps back with a pale face.

she had no way of refuting mu yichen's words!

this was because mu yichen was right.

the little dumpling was the mu family's little princess. her surname was mu, not luo. sooner or later, she would have to return to the mu family. that was the little dumpling's home!

more importantly, she was not the little dumpling's mother!

she didn't even have the right to fight for the mu family's custody.

of course, even if she had the right, she would not bear to let the little dumpling suffer with her outside, live in such a small house, and take the bus.

xiao tuanzi was such a cute little angel. she should be the little princess of the mu family, living a luxurious life and being held in the palm of everyone's hand.

luo chenxi lowered her head. her mood was getting worse.

mu yichen's heart ached when he saw the petite woman's pale face.

however, he resisted the urge to pull her into his arms and comfort her. he just stood at the side and looked at her without saying a word.

the little dumpling had a puzzled expression on her face. she tilted her little head and looked at luochenxi for a while.

he then ran to her side and pulled her sleeve. "big sister, we're going home. are you not happy?"

when she saw the little dumpling's innocent expression, luochenxi opened her mouth and uttered two words softly, "... i'm happy."

of course she was happy, and she had to be happy.

after all, the little dumpling didn't belong to her.

now, the little dumpling was just going back to where she was supposed to be ...

"big sister, are you crying? do you not like tangtang going home? then tangtang won't go back, we're fine staying here too!" the little dumpling said considerately.

the little dumpling didn't actually care where she lived.

although the apartment on tianhe road was a little small, she could sleep in the same bed as her elder sister, while daddy could only sleep on the sofa!

moreover, there was a children's playground below the apartment. every afternoon, many children would play with her. it was much more interesting than staying in cloud lake pavilion.

"tangtang, you're mistaken. big sister didn't cry." luochenxi blinked her eyes hastily and forced her gaze back into her eyes.

the little dumpling looked at her suspiciously.

mu yichen bent down and lifted his daughter in his arms. he turned around and left the room.

"alright, the car is already parked downstairs. let's go. don't make my parents wait."

Chapter 893: the little dumpling is homesick ...

luochenxi did not want to go to cloud lake elegance court anymore.

however, she still followed mu yichen into the car in order to stay with the little dumpling for a while longer.

along the way, the little furball was very excited.

she wrapped her arms around luochenxi's neck while her tiny mouth was mumbling non-stop.

"i want to eat strawberry cake, strawberry pudding, strawberry plate, strawberry ice cream, strawberry ... and sweet and sour fish, sweet and sour ribs, sweet and sour eggplant, sweet and sour ..."

xiaotuanzi pouted and ordered aunt chen's signature dishes one by one. her eyes were wide open and she was drooling non-stop.

these were all aunt chen's specialty dishes.

the little dumpling had been eating since she was young.

even though luo chenxi knew how to cook as well, there was still a slight difference in the taste between her and aunt chen's cooking.

boxnovel.com

moreover, the doctor had requested that the little dumpling refrain from eating anything too cold, sweet, or flavorful when she was sick a while ago. luo chenxi did not make any food for her.

luo chenxi's heart throbbed in pain when she saw the little dumpling's eagerness to return home.

as expected, the little dumpling was homesick ...

she shouldn't have been so selfish to take her away from the mu family.

however, once the little fellow returned to the mu family, would she still have the chance to see her? would he still have a chance to bring the little dumpling out to play?

in the future, what identity would she use to ask the mu family to meet the little dumpling?

mu yichen was sitting right beside her. he had been observing her reaction in secret.

seeing her uneasy expression, young master mu finally felt a little relieved.

this stupid woman still cared about them!

however, why did she keep looking at the little dumpling with reluctance and not even look at him?

was he that invisible?

or could it be that this stupid woman was only reluctant to part with his daughter and not him?

twenty minutes later, the car stopped in front of the mu family's villa.

mu yichen immediately opened the car door and got out of the car.

luo chenxi's heart skipped a beat when she heard the sound of the car door opening and closing next to her.

this man ... was he so eager to return home?

after he and the little dumpling returned to the mu family, they wouldn't have many chances to see each other again. he ... wouldn't he be reluctant at all?

on the other hand, mu yichen walked for some distance after he arrived outside the car. he noticed that not only did luo chenxi not follow after him to stop him, but she was also carrying the little dumpling and refused to get out of the car for a long time. his face turned even darker at once.

he endured it again and again, and finally, he couldn't take it anymore. he strode back to the side of the sports car and opened the door.

"what's going on?" why are you so slow?"

luo chenxi bit her lip and took a glance at him. she then passed the little dumpling into his arms. " mu yichen, bring tang tang in. i ... i'm not suited to be in the mu residence anymore. "

was he not even willing to enter the mu family's door?

mu yichen had a stomach full of pent-up anger. he really wanted to carry her home and lock her up. he did not care what difficulties she had and whether she was willing to marry him or not!

however, he still managed to remember his plan and forcefully controlled himself.

he took a deep glance at luo chenxi and said in a stiff tone, " "it's up to you. i can't force you. then i'll pack up the things you left behind and have them delivered to your apartment in a few days, so that you don't have to come back to get them in the future."

luo chenxi's face turned paler upon hearing that.

his words were like a sharp knife that was stabbed into her chest.

she was in so much pain that she almost couldn't speak.

'mu yichen ... he's actually going to pack all my things and send them away ...'

Chapter 894: directly tie him to the bed and teach him a lesson until he is obedient

even so, she knew that mu yichen was not in the wrong.

since they were going to break up, they should separate completely. there was no point in continuing.

it was not appropriate to leave her things in the mu family.

this ... was the best.

luo chenxi bit her lip and tried her best to control her trembling voice."that '@@ s ... that's the best. i'll have to trouble you ..."

"no trouble at all! it's no trouble at all!"

mu yichen was simply grinding his teeth!

when he was discussing with madam tan yesterday, madam tan had clearly said that this sentence was the most heart-wrenching and would definitely make the stupid woman cry on the spot!

in the end, she didn't even have a single tear!

boxn ov el. c o m

did she really not care about him?

luo chenxi blinked her eyes. her gaze swept across his tensed, handsome face slowly.

young master mu's face showed a cold and slightly arrogant look.

he had seen such an expression every day when she had just replaced luo chenxin to marry him. however, young master mu had changed since they gradually became attracted to each other.

no matter how cold and heartless he was to others, as long as he looked at her, there would always be a touch of gentleness in his eyes.

and now ...

luo chenxi pursed her lips tightly and did not speak when she met mu yichen's fierce gaze.

even though young master mu was obviously impatient, she still stared at him and looked at him carefully several times.

after breaking up, this beautiful face ... could only be seen in newspapers and magazines?

he couldn't bear to ...

however, no matter how reluctant they were, it was time for them to part.

luo chenxi gritted her teeth and said, "then i'll be leaving first. in the future ... if there's a chance, we'll meet again."

as she spoke, she turned around and left.

every step he took seemed to weigh a thousand pounds.

mu yichen felt like he was about to explode from anger as he watched her walk further and further away.

"damn stupid woman, you actually dared to leave!!"

he had really been dumped by his own woman!

mu yichen could only feel a surge of anger surging into his mind. he could not control his rationality at all.

just then, tan yueru walked out of the villa.

"how is it? chenxi has already left? is she very sad and can't bear to leave you? this was right! don't worry, she'll definitely regret it. just wait a little longer ..."

"what are you waiting for? i can't wait!"

she was clearly his woman, so why did he have to pretend to be cold, gentlemanly, and pretend to break up with her?

he must have been out of his mind to listen to he jinyan and use this so-called 'loosening the reins to grasp them better' tactic.

the best way to deal with this kind of disobedient and stupid woman was to tie her to the bed and teach her a lesson until she was obedient!

mu yichen completely forgot about the plan that he had prepared for a few days in his anxiety and anger.

he stuffed the confused little dumpling into tan yueru's arms.

"mom, help me look after tang tang!"

then, without any hesitation, he gave chase!

.....

luo chenxi appeared to be in a daze as she sat by the man-made lake in the nearby park.

the afterglow of the setting sun fell on the surface of the lake, reflecting the shimmering waves.

she looked at the scenery in front of her and was slightly lost in thought.

in reality, she regretted it when she handed the little dumpling over to mu yichen earlier.

she used to think that she was strong enough to be independent and treat men and relationships as a way to adjust her life. even if they broke up, she could still be dignified and calm.

however, she saw that mu yichen had truly turned so cold. he even took the initiative to hint at her to chase her away.

Chapter 895: don't let me hear those two words from your mouth again

only then did she realize that she was far from being as strong as she had imagined ...

when she heard mu yichen's cold and emotionless voice, she felt as if her entire world had collapsed.

she wanted to turn around immediately and throw herself into mu yichen's arms to tell him that she was already regretting it ...

however, just a second before she turned around, she recalled what happened four years ago ...

that dark past was right in front of her, blocking her from turning around.

'it's fine like this. mu yichen can find someone who's more compatible with him ...'

all of a sudden, luo chenxi felt her shoulder being clasped firmly by a large, powerful hand. she was pulled backward by a tremendous force that she could not resist.

" who ... who is it?!"

luo chenxi's expression changed abruptly. she started struggling subconsciously.

boxn ov el. c o m

she wanted to be alone for a while, so she deliberately took this deserted path.

could it be that he had met a bad person because of this?

did he have to be so unlucky?

"you let me go! let go!"

luo chenxi struggled with all her might. she bent her arm and elbowed the pervert behind her.

“f \* ck! you stupid woman, are you trying to kill your husband?”

mu yichen was caught off guard. he was hit hard on his ribs. he was in so much pain that he saw stars. however, his hands were still clasping her waist tightly. not only did he not loosen his grip, but he was exerting more force instead.

luo chenxi paused for a moment when she heard the familiar voice. she widened her eyes in surprise.

“m-mu yichen?”

mu yichen had a savage expression on his face as he glared at her ferociously. “you damned woman, so you still know who i am?!”

“you ... what are you doing here? didn’t we already ...”

never in luo chenxi’s wildest dreams did she expect that the man whom she thought she would never see ever again half an hour ago would appear before her eyes in the blink of an eye ...

she couldn’t be dreaming, right?

mu yichen was so angry that he wished he could bite her to death when he saw her dazed look!

“already what already? luo chenxi, i’m warning you. don’t let me hear those two words from your mouth again. otherwise, i’ll kiss you ferociously until you don’t dare to spout nonsense anymore!”

luo chenxi stared at his handsome face that was filled with anger. she had yet to come back to her senses.

” but, we’ve already ... already ... separated ... ”

as soon as she said the word ” break up, ” her chin was pinched by the extremely angry man.

immediately after, the man’s incomparably hot lips suddenly pressed against hers, blocking all her sounds and ruthlessly crushing her.

luo chenxi was about to push him away subconsciously.

however, in the next second, she felt a sharp pain on her lips and the taste of blood instantly filled her mouth ...

this man ... had actually bit her lips!

he ... was he a beast?

mu yichen completely ignored the woman’s feeble struggle in his fit of anger. he only cared about venting the anger in his heart.

he didn’t know how long it had been before he let go of the woman in his arms.

luo chenxi’s petite face was flushed red. she was almost out of breath. she raised her head and took a few deep breaths before she was considered to be alive.

she glared at mu yichen in disbelief. her voice trembled. " m-mu yichen, how could you ... how could you do this? we've already ... already separated ... wuwuwu!"

luo chenxi had yet to finish her sentence when her lips were covered once again.

this time, mu yichen was even more impolite. he pinned her down on the long bench by the lake and kissed her ferociously.

luo chenxi felt that her lips were already numb by the time he retreated once again.

Chapter 896: beast, he really is a beast!

she subconsciously raised her hand to touch her lips.

as expected, it was already swollen ...

beast, he was really a beast!

"mu yichen, do you understand what i'm saying? we've already ..."

mu yichen stared at her embarrassed and angry little face. he pursed his lips coldly and said,"if you continue, i can't help but suspect that you deliberately want me to kiss you a few more times. why? it's only been a few days since we last slept together, and you're already this thirsty?"

luo chenxi widened her eyes. she swallowed the words that were on the tip of her tongue at once.

mu yichen was actually capable of uttering such shameless words!

how could she still dare to speak?

young master mu saw that she had finally quieted down, and a satisfied smile gradually appeared on his lips.

boxn ov el. c o m

it seemed that only such a forceful method could control this disobedient little woman!

if he had known earlier, why would he have proposed to her?

he would carry her back home, lock her in the room, and teach her a lesson until she was obedient!

what a waste of effort!

mu yichen did it right away when he thought of that.

he bent down and held onto luo chenxi's thigh. he lifted her up and strode out of the park.

luo chenxi shrieked, " mu yichen, you ... you're crazy! put me down, put me down! you're kidnapping me!"

mu yichen did not take her accusation to heart at all.

he sneered, " go on, scream. you can scream even louder. it's best if everyone in the park can hear you! this way, we'll definitely make the headlines tomorrow, and i'll be able to directly announce our marriage."

upon hearing that, luo chenxi suddenly shut her mouth.

she had almost forgotten that young master mu was a public figure. usually, even the most trivial things could be gossiped about for a long time.

if someone found out that he was snatching a woman in the park ... it was hard to imagine what the consequences would be.

the little woman was finally quiet.

mu yichen tightened his arms and pulled her warm and soft body into his embrace. the familiar fragrance that wafted into his nose calmed his heart that had been feeling vexed for half a month.

at this time, he felt that he was really stupid.

to deal with this kind of disobedient woman, he had to use force.

young master mu carried her to the sports car, took off his tie, and tied her wrists behind her back.

within three minutes, he sped back to the entrance of the villa.

then, he continued to carry her and walked into the villa.

luo chenxi struggled a few times but failed to break free. when she saw that the mu family's villa was right in front of her, she gritted her teeth and suddenly raised her leg to kick mu yichen's lower body.

however, she was stopped by mu yichen's large and powerful palm just as she moved.

the man's cold voice rang in her ear. " try moving again? was the lesson i gave you not enough?"

luo chenxi shuddered for a moment. she was at a loss for words.

mu yichen took the opportunity to hug her and strode into the villa.

.....

in the living room, tan yueru was sitting on the sofa with mu yunfeng, looking at the door with a worried look.

"yunfeng, did yichen just run away? could something have happened?"

mu yunfeng patted her hand and comforted her, " what could have happened? at most, that stinky brat will be rejected again."

"how can we do that? yichen has such a strong self-esteem. if he's rejected again, maybe ..."

before she could finish her sentence, she heard a loud bang and the door was knocked open.

mu yichen walked into the room while carrying luo chenxi who was struggling endlessly on his shoulder.

tan yueru's eyes widened in surprise. " son, you ... what did you do to my daughter-in-law? "

Chapter 897: mu yichen, this is kidnapping, imprisonment, and ...

mu yichen did not even stop walking.

“mom, i’ll leave tang tang to you for the next few days. you’ve worked hard.”

after that, he strode to the second floor, ignoring tan yueru and mu yunfeng’s shocked eyes.

luo chenxi’s mind buzzed for a moment when she heard the word ‘a few days’. she immediately felt that something was amiss.

after she ran away from home the last time, her seven days and seven nights of tragic experience told her that once this man got angry, she would be in big trouble. backache was not a big deal, but if she couldn’t get out of bed, it would be ugly ...

luo chenxi was extremely anxious, but mu yichen was hugging her tightly. she could not break free no matter what.

in a moment of desperation, she could only turn around and ask tan yueru for help.

“mom, help! help me! ‘mu yichen, this is kidnapping! it was imprisonment! it’s ...”

“pa” sound!

boxn ov el. c o m

luo chenxi’s agitated and hurried words came to an abrupt end after a crisp sound.

the little woman’s fair face instantly blushed with embarrassment.

mu yichen actually ... actually hit her butt!

moreover, he did it in front of tan yueru and mu yunfeng ...

oh my god! he ... how dare he do this? he was too ashamed to see anyone ...

luo chenxi’s face was filled with annoyance. she dared not even raise her head anymore.

mu yichen scoffed coldly. “stupid woman, don’t spout nonsense. i’m just teaching you the house rules. who asked you to run around?”

“mu yichen, what family rules? why do you have so many ... family rules ...”

luo chenxi’s face was red with anger. she raised her head and continued to argue with him.

even so, she was still carried into the bedroom by mu yichen.

tan yueru, who was downstairs, looked up and saw her son and daughter-in-law disappear behind the door. she opened her mouth and couldn’t recover from the shock for a long time.

“yun ... yunfeng, you ... you pinched me? am i dreaming? that little rascal who was no different from a hooligan just now, who forcefully dragged chenxi upstairs ... is he really ... is he really our eldest son?”

tan yueru grabbed mu yunfeng's arm tightly and questioned him subconsciously. she couldn't believe what she had seen with her own eyes.

she could still accept it if mu yiling was the one who did it.

however, this man who was close to madness was her eldest son, mu yichen!

the mu yichen who had been calm, steady, and uninterested in girls since he was young!

mu yunfeng wasn't as surprised as she was. he even laughed when he heard her question.

"it's fine. when we were young, weren't we even crazier than them?"

tan yueru was stunned and blushed. she couldn't help but glare at mu yunfeng. " we've been married for a long time. why are you talking about this? " the point is, yichen isn't like this usually ..."

mu yunfeng laughed nonchalantly. " i knew it. this kid usually looks so arrogant and cold. he doesn't look like me at all. now, it seems like he's my son! "

when he saw a woman he liked, no matter what, he had to win her over first. he would not accept any rejection.

this was more like mu yunfeng's son.

he saw tan yueru still looking worried, so he walked over, put his arms around her waist, and carried her.

" alright, our son's matter has been resolved, and our granddaughter is asleep. we can also ... "

"alright my ass, get lost!"

.....

in the master bedroom.

mu yichen threw luo chenxi onto the bed as soon as he entered the room.

luo chenxi fell on the soft mattress. although she didn't feel any pain, she felt dizzy.

by the time she snapped back to her senses, mu yichen had already locked the door from the inside.

Chapter 898: i have to wear clothes to sleep with my wife?

the man's face was cold as he walked towards her.

he did not walk very quickly, but his body exuded an extremely cold aura. every step he took seemed to carry a sharp killing intent!

it was like a beast aiming at its prey and was approaching step by step, ready to pounce and give the prey a fatal blow.

the fine hairs on luo chenxi's back stood on end.

his little animal's intuition told him that mu yichen was in grave danger, extreme danger, and extreme danger.

she'd better run away as soon as possible. if she was one step late, she would be pushed to the ground and eaten until not even her bones were left.

she looked around in a panic and tried to get up with her tied hands on the mattress.

however, such clumsy movements were utterly useless in front of mu yichen.

young master mu didn't stop her. he just looked down at her like a cat catching a mouse.

boxn ov el. c o m

at the same time, he unhurriedly undid the tie around his neck and threw it aside. he then took off his coat, shirt, and belt ...

it took luo chenxi great effort to move to the bedside and was about to jump down.

suddenly, her waist was firmly grabbed by a strong arm.

immediately after, she bumped into a naked chest.

"m-mu yichen, y-you're not wearing any clothes!"

she almost screamed.

mu yichen curled his lips and spoke with a faint smile, "i have to wear clothes to sleep with my wife? or ... do you prefer that method? it's okay, we can try it next time, but today i'm going to teach you the family rules, so you must do it according to my preferences!"

as he spoke, he pressed luo chenxi's shoulder and pinned her down on the bed.

luo chenxi dodged to the left and right. " mu yichen, what are you doing? let ... let me go! you're raping me!"

"why do you think i'm strong? hmm?" mu yichen paused for a moment. he was so angry that he almost laughed. " if you're so capable, stop looking around! "

"you're talking nonsense. i ... i didn't look ... look ..."

luo chenxi's face was so red that it was almost burning up when she was exposed by him on the spot.

she ... she wasn't the one who liked to stare at this man.

who asked him to be so handsome and have such a good figure?

those strong and firm pecs, the standard eight-pack abs, and the sexy mermaid line ...

wuwu, she couldn't control her eyes at all ...

"luo chenxi, what are you looking at? and you're drooling?" the man's sneer could be heard.

luo chenxi shuddered. she quickly retracted her gaze. " no, i ... i didn't see anything ... there's nothing to see ... "

only then did she realize that she had been looking down along the mermaid line ...

“there’s nothing to see?”

mu yichen scoffed coldly as he felt that his dignity as a man was being challenged. his eyes suddenly became dangerous.

luo chenxi shuddered. her strong desire to live forced her to change her words immediately.”no, no, no, i was wrong. it’s ... it’s very good looking, very interesting! it was true! i ... i’ll send four!”

“it’s too late to flatter now! i’ll let you see it clearly now!”

mu yichen curled his lips coldly. he pinned her down on the large, soft bed and got on top of her.

“look ... look at your head! mu yichen, you ... you go away!”

the little white rabbit screamed in pain.

it was a pity that the soundproofing of the mu family’s villa was too good.

even xiao tuanzi, who was sleeping next door, was not woken up by them.

Chapter 899: this was the ideal married life he wanted

three days later.

on the king-sized bed, a slender woman was wrapped in a soft, snow-white blanket.

her eyes were tightly shut, and her long eyelashes drooped down, leaving a shadow under her eyes.

there was a faint blush on her fair face, and her hair was messily scattered on the pillow.

perhaps it was too hot, she flipped her body under the blanket and pulled the blanket down a little, revealing her delicate collarbones and shoulders.

the green and purple marks on it looked particularly fascinating.

the man sat by the bed and stared at her for a long time.

his gaze fell on her bare shoulders. his body tensed up and his adam’s apple moved up and down.

for a moment, he almost couldn’t hold it in and wanted to climb onto the bed and continue to pounce on his little woman to ” teach her the family rules. ”

however, the moment he turned around, he glanced at the alarm clock on the bedside table from the corner of his eye. when he saw the time on it, he suddenly woke up.

“i have important things to do today, so i’ll let you off for now. i’ll leave today’s punishment to you.”

luo chenxi hugged the blanket and slept soundly. she was even snoring in happiness.

he didn't realize that he had unknowingly been punished.

mu yichen stared at her for a while before he suddenly stood up and walked to the side of the bed. he pulled the curtains open gently.

the sunlight that was blocked out by the heavy curtains instantly shone in, lighting up the originally dark room.

the woman on the bed was obviously startled.

she frowned and rubbed her head against the pillow a few times, but she did not open her eyes. instead, she pulled the blanket up and covered her head, planning to be a happy ostrich and continue to sleep.

mu yichen watched her cute little movements. the corners of his lips could not help curling up. his heart was filled with tenderness.

this was the ideal married life he wanted.

his little woman was lying on the bed. she was cute, charming, and loved to act coquettishly.

he strode back to the bed, grabbed the blanket with his long and strong hands, and pulled it down.

luo chenxi clutched the blanket tightly to stop him from pulling it off.

however, being half-awake, she was naturally no match for the man who wanted to wake her up.

the blanket was lifted, and the glaring sun shone on her face again.

luo chenxi could not take it anymore. she opened her eyes at once. "can't you let me sleep?"

she subconsciously got up and sat up straight.

but the next second, she met the man's playful gaze by the bed.

luo chenxi's entire body stiffened. she soon realized that something was not quite right.

where was she now? it seemed like ... it seemed like he was at the mu family? when did she come back?

luo chenxi followed mu yichen's line of sight and lowered her head to take a look in a daze.

the blanket was stacked on her waist, and her upper body ...

"i'll go! 'mu yichen, you shameless, stinky hooligan!' get lost!"

she quickly hid under the blanket.

mu yichen put on an innocent expression. "how am i shameless? you're not wearing any clothes, so how can you blame me?"

luo chenxi was stunned for a moment.

she was almost fooled by his upright look.

but immediately after, she remembered what had happened last night, the night before, and the night before that ... her small face instantly flushed red.

on that day, she thought that she had completely broken up with mu yichen. she ran to the nearby park to relax in her despair.

whoever knew that mu yichen would find her in no time.

this man ignored the fact that they had already broken up and forced a kiss on her.

Chapter 900: the civil affairs bureau is going to close down if we delay any longer

moreover, he had even kidnapped her and brought her back to the mu family's villa without any explanation!

for the past three days, she had been locked up in the room by mu yichen and was punished by him with all sorts of strange reasons.

"mu yichen, you ... you still have the nerve to pretend to be innocent! it's clearly you ... you ..."

luo chenxi clenched her teeth in anger. she pointed at mu yichen's nose and started scolding him.

it was too light to say that he was shameless!

he was clearly a beast!

mu yichen raised his eyebrows and lowered his voice. "hehe, my dear, what do you want to say about me?"

the man's sexy, slightly hoarse voice entered her ears, causing an indescribable shiver to run up luo chenxi's spine.

the feeling of being overpowered by mu yichen a few days ago resurfaced in her heart once again.

boxn ov el. c o m

this time, the deterrent force was still very sufficient.

luo chenxi pouted her lips and looked at him in a huff, yet she dared not continue scolding him.

the corners of mu yichen's lips curled into a smile when he saw that. he got up and said, "alright, it's getting late, and the sun is already shining. get up quickly, get dressed, and eat! we have to leave quickly. if we delay any longer, the civil affairs bureau is going to close."

as he spoke, he tidied up his suit and walked towards the door.

luo chenxi stared at his tall and straight back. she blinked her large eyes in surprise. she only reacted to the situation after a while.

her expression changed instantly. "m-mu yichen, what are you saying? what civil affairs bureau?"

however, young master mu didn't answer her. he only said, "hurry up, i'll be waiting for you downstairs."

"wait, don't go, don't go! make things clear first!"

luo chenxi called out to him. she got up from the bed hastily in an attempt to chase after him.

however, as soon as the blanket fell, she realized that she was not wearing any clothes and could only shrink back.

it was during this half a minute that mu yichen had already walked out of the room. he even thoughtfully closed the door for her.

luo chenxi felt unwell all over. could mu yichen be thinking of ... oh my god! he must be crazy!"

luo chenxi was still feeling drowsy and drowsy at first. she had not really woken up yet, but she woke up instantly when she heard mu yichen's words earlier.

after young master mu left, she immediately got out of bed and rushed to the bathroom.

the large floor-to-ceiling mirror in the bathroom reflected her ambiguous body.

if it were any other time, luo chenxi would have cursed the beast at home in her heart. however, she was feeling so nervous that she could not be bothered to check on her body's condition at all.

she quickly washed up, grabbed a pair of jeans and a white shirt from the cloakroom, put them on, and rushed downstairs.

tan yueru and mu yunfeng were sitting on the sofa and playing with the little dumpling.

as soon as the little dumpling saw luo chenxi, she immediately cried out in surprise, " big sister, tang tang misses you so much! "

the little dumpling had not seen luo chenxi for the past three days. she was simply furious.

her father had told her that as long as she obediently cooperated with him, she would be able to bring her elder sister home and play with her.

whoever knew that she would obediently cooperate, and the elder sister would also be abducted home, but she would just disappear?

the little dumpling almost cried on the spot. fortunately, tan yueru had a way to get bo shaoxuan to come home and play with tang tang. only then did she manage to appease her.

"tangtang! big sister also missed you."

luo chenxi felt a surge of warmth in her heart when she saw the little dumpling. she quickly went forward in an attempt to carry her.
