

Sweetheart 901

Chapter 901: hurry up and get your marriage certificate, make cohabitation legal

however, before her hand could touch the little dumpling, someone grabbed her shoulder and pulled her back.

“alright, let’s not waste any more time. let’s go to the civil affairs bureau to get our marriage certificate. you have to keep tang tang company. you have plenty of time later.”

mu yichen retracted his arms and pulled luo chenxi into his arms.

he lowered his head and moved closer to her ear, his voice low and sexy.

luo chenxi’s ears were about to go soft.

this voice ... just listening to it would make one pregnant!

but what did he just say?

register their marriage?

get what certificate?

boxn ov el. c o m

luo chenxi turned around abruptly. she widened her eyes and looked at the man behind her. at the same time, she stretched out her hand and grabbed the shirt on his chest.

“mu yichen, what are you saying? what do you mean by that? what do you mean ...”

“we’re getting our marriage certificate.” mu yichen spoke with a solemn expression, “ we’ve been living together for so long. it’s not good for your reputation as a girl if you continue like this. you’d better get your marriage certificate as soon as possible and make our cohabitation legal. that way, mother-in-law will feel at ease when she comes back someday. ”

” as for the wedding, you don’t have to worry. with the mu family’s status, we’ll definitely make the wedding a grand affair. we won’t mistreat you. after we get the marriage certificate, you can raise any request you have for the wedding. i’ll definitely do my best to satisfy you. ”

” and tang tang, i’ve already discussed it with my parents. for her physical and mental health, we plan to change her household registration information. in the future, she’ll be your biological daughter ... ”

mu yichen went on and on.

the more luo chenxi listened, the more troubled she felt.

all of these arrangements were clearly arranged and seemed very reasonable, but ...

“wait! why don’t i understand what you’re saying? when did i say that i’m going to ... go to the civil affairs bureau with you to register our marriage?”

this sounded too horrifying, right?

her memory was still stuck at the night she was going to break up with mu yichen. she had yet to completely calm down from the throbbing pain in her heart.

who would have known that the moment she opened her eyes, it would be her and mu yichen getting their marriage certificate?

she thought this in her heart and unknowingly said it out loud.

mu yichen's expression darkened at once when he heard this.

"what's wrong? you still want to reject me now? and you want to break up with me?"

luo chenxi's heart skipped a beat when she saw his gloomy gaze. she recalled the brutal experience she had a few nights ago by reflex ...

her old waist and her old legs were still faintly twitching in pain!

she really didn't dare to provoke such a shameless stinky man.

but ... she couldn't just pretend she didn't hear such an important thing, right?

luo chenxi broke out in a cold sweat from his stare. she quickly said, "mu ... mu yichen, calm down ... calm down first. i ... i didn't say i was going to reject you ..."

"if you don't refuse, that means you agree! very good, i'm very happy that you've finally opened your aperture! let's go!"

mu yichen grabbed her wrist and tried to pull her outside.

luo chenxi grabbed the handrail of the stairs in a hurry to stabilize her body so that she would not be dragged away by him immediately.

"mu yichen, can you let me finish? i ... i'm not saying that i want to break up with you, but ... but i really have my own difficulties! there's something i'd like to tell you first. after you've heard it, if you still want to marry me, i definitely won't refuse ..."

said luo chenxi as she looked at mu yichen with a sincere expression.

Chapter 902: don't even think about shaking me off in this lifetime!

her words were definitely not meant to brush mu yichen off or to stall for time.

she really wanted to tell this man the truth.

on that day, luo chenxi sat alone in the empty park. she was no longer anxious when she thought about being separated from mu yichen. the heartache and fear that surged into her heart almost tore her apart alive!

it was at that moment that she realized how important mu yichen was to her.

he was so important that she had become extremely selfish. even though she knew that her existence would only drag mu yichen down, she selfishly pretended to forget everything and refused to leave this man's side ...

at that time, she thought that she had no more chances.

who would have known that mu yichen would suddenly chase after her? he did not even allow her to refute him and carried her back home.

what followed was three days and three nights of various 'punishment'.

during this period, she had wanted to speak up countless times to explain to mu yichen what happened four years ago.

boxn ov el. c o m

however, mu yichen would kiss her ferociously every time she was about to speak. all her unspoken words were stuck in her throat.

luo chenxi gave up after a few attempts.

in any case, it was impossible for a great president like mu yichen to lock himself in her room with her endlessly. she would find an opportunity to clear things up with him after the man had calmed down a little.

luo chenxi had already made up her mind to confess everything that had happened four years ago to mu yichen on her own initiative.

if mu yichen could accept it, then she would be thick-skinned and stick to him for the rest of her life.

yet, who would have known that mu yichen would drag her to the civil affairs bureau to register their marriage the moment she got out of bed? she had not even said anything yet.

mu yichen would not have any room for regret if they were to register their marriage!

if she didn't come clean about her past before marriage, wouldn't it be a marriage fraud?

luo chenxi was afraid that mu yichen would regret his decision if he found out the truth afterward. that was why she refused to leave with him no matter what.

"mu yichen, d-don't be in such a hurry. let '@@ s ... let's have a talk first, okay? just three ... no, no, no, twenty minutes would do! if you still want to get married, i'll go with you immediately ..."

"then you don't have to say anymore. i still want to get married. come with me immediately!"

mu yichen turned his head and glared at her. he interrupted her without the slightest hesitation.

luo chenxi was at a loss for words."you ... you still don't know what i'm trying to say ..."

"it's useless no matter what you say, luo chenxi!" mu yichen suddenly inched closer to her. he squinted his pitch-black eyes which were filled with a dangerous and persistent glint. " let me tell you, don't even think about shaking me off in this lifetime! no matter what you want to say, there are thousands of reasons, and none of them can change the fact that you are my woman!"

“no matter how many men you’ve had in the past, whether you’ve been married or had a child, i’m determined to have you!”

luo chenxi’s lips were trembling ever so slightly as she looked at the man’s extremely handsome face before her.

his cold and fanatical eyes were so contradictory, but also so ... moving.

luo chenxi could not utter a single word.

did mu yichen know that he had unintentionally revealed the truth earlier?

did he ... really not care?

or did he just blurt it out on impulse?

before luo chenxi could figure it out, mu yichen had already seized the opportunity when she was still in a daze to carry her in his arms horizontally. he strode out of the villa.

Chapter 903: the woman in his arms was his woman

luo chenxi did not expect mu yichen to act so rashly. he did not even have the interest to listen to her explanation.

he was simply like a bandit who snatched a woman!

“mu yichen, you ... you can put me down first. i want to tell you that i used to ...”

“shut up! i don’t want to hear about your past!”

mu yichen interrupted her rudely. an obscure glint flashed across his deep, dark eyes as he glanced coldly at the little woman’s face.

even though luo chenxi had never mentioned it explicitly, he could more or less guess that it would not be anything good. there was a 99% chance that it would be a heavy blow to him.

therefore, he did not want to know what happened at all.

as long as he knew that the woman in his arms was his, she would immediately become the rightful mrs. mu.

that was all.

boxn ov el. c o m

zhuo feng had already parked his maybach in the courtyard and was waiting for them to get in.

however, after mu yichen shoved luo chenxi into the sports car, he walked to the driver’s seat and said impatiently, “you can come down now. you don’t have to drive today!”

“ah? but ...”

zhuo feng was stunned.

young master mu was getting married. for such a big event, there should be a follower and a witness, right? was there anyone better than him as an assistant?

however, it was apparent that mu yichen did not have such an intention. he immediately furrowed his straight brows when he saw tang wulin in a daze.

zhuo feng shivered at the cold look on her face and quickly got out of the car.

when she got out of the car, she tripped and almost rolled on the ground.

luo chenxi could not bear to see zhuo feng's terrified expression, so she advised, "mu yichen, it's fine even if special assistant zhuo followed ..."

"shut up!"

mu yichen glared at her in an unpleasant manner.

he turned around and got into the car, slamming the door shut.

in the next second, luo chenxi finally understood why mu yichen had chased zhuo feng away and drove the car himself.

that was because ... he was driving too fast!

luo chenxi had never suffered from motion sickness in the past. however, her face was turning green and purple while her head felt dizzy when she was on his bus. she had been covering her mouth and enduring the pain with great effort. otherwise, she would have vomited.

at that moment, there was only one thought in her heart, and that was ... the maybach's performance was really great! he could actually speed it up to such a high speed in one minute!

moreover, it was not hard to predict how many tickets they would receive along the way!

at least, mu yichen's driving skills were still outstanding. otherwise, he would have knocked down countless people on the road by driving at such a high speed.

"mu yichen, you ... drive slower, drive slower! why are you driving so fast?"

are you in a hurry to reincarnate?

unfortunately, she did not dare to say the last sentence.

on the other hand, not only did mu yichen not slow down, but he also stepped on the accelerator continuously under the accompaniment of her shrieking.

the short journey felt like tens of thousands of miles to luo chenxi.

when the sports car finally came to a stop, her face was already pale and her legs felt weak.

mu yichen unbuckled his seat belt and got out of the driver's seat.

he walked to the other side of the car and opened the door.

even though the speed of the car just now was so frightening, it seemed that his suit was not even messed up. he still looked like a noble and elegant prince.

mu yichen stood still in front of her and stretched out his hand toward her. he said softly, "come out, we're at the civil affairs bureau."

Chapter 904: did mrs. mu save the entire universe in her past life?

luo chenxi was stunned for a moment upon hearing his words.

it was only at this moment that she finally felt a little more real.

they actually came to the civil affairs bureau and were really going to register their marriage!

she raised her head and looked at the huge words "civil affairs bureau of xxx district of T city" behind the man. she suddenly felt a sense of fear.

she looked at mu yichen who was dressed in a suit and leather shoes. he looked calm and composed.

he looked at himself. he was originally wearing a very casual pair of jeans and a white shirt. after the torment just now, he now looked even more messy.

"mu yichen, i don't look too well dressed today ..."

when she was washing up in her room today, she did not expect to be kidnapped to the civil affairs bureau as soon as she went downstairs.

if she had known that she would be here to register their marriage, she would not have dressed like this!

boxn ov el. c o m

'isn't the difference between me and mu yichen too great when we're taking our id photos later?'

this was a lifetime's worth of documents!

however, mu yichen was already traumatized by her hesitation. he thought that she was thinking of a reason to reject him again.

hence, he stopped talking nonsense, bent down, and picked her up again.

she turned around and walked toward the civil affairs bureau.

the director of the civil affairs bureau had been informed long ago that the young master of the mu family was coming to their bureau to get a marriage certificate today.

ever since he received the news, the director had been thinking about it all morning.

not long ago, young master mu had publicly announced his unmarried identity on the tv live broadcast. how long had it been? he had actually decided to get married?

he was the nation's husband, mu yichen!

he was a top-grade man with money, looks, and figure.

which woman was so lucky and capable that she could actually get him?

the curiosity of all the staff at the civil affairs bureau was piqued, and they had been waiting at the door since early morning.

in the end, he saw young master mu walk straight in.

his tall and handsome figure was even more moving than what was rumored or seen on tv.

in his arms, he was holding a tall and perfect woman.

“wuwuwu, too sweet! it’s so sweet that i’m about to die from hunger! young master mu actually couldn’t bear to let madam walk and directly carried her into the civil affairs bureau!”

“heavens! mrs. mu must have saved the entire universe in her past life!”

“that’s right, i feel so happy that i’m about to faint to be looked at by my idol. she actually made my idol marry her! and he pampers her so much!”

“look at her figure, her long legs are so seductive! no wonder she can charm young master mu. i wonder what her face looks like?”

the curious staff members stretched their necks out one by one, wanting to see what kind of peerless beauty could conquer the nation’s husband.

luo chenxi was sprawled on mu yichen’s shoulder. she no longer had the strength to resist, so she did not intentionally cover her face.

when everyone saw this, they were all stunned.

“i, i, i ... am i seeing things? i just saw it ... i saw it ... luo chenxin?”

“me too, i saw it too! my god, am i really not seeing things?”

“this, this, this ... what the hell is going on? didn’t young master mu just teach that thick-skinned young lady of the luo family a lesson a few days ago? why are you ... getting your marriage certificate with her so soon?”

“impossible! i won’t believe it even if you beat me to death! luo chenxin was a b * tch who stole other people’s designs. her character was so bad. how could young master mu like such a person? don’t tell me that men really only look at faces?”

Chapter 905: a certain someone had planned this for a long time

although everyone’s discussion had been lowered, it still inevitably reached the ears of the two.

on the other hand, luo chenxi did not have much of a reaction.

everyone was scolding luo chenxin anyway, not her, so she did not have any psychological burden at all.

on the other hand, mu yichen stopped in his tracks and swept a cold glance at the bureau chief. he had an unpleasant expression on his face. " i thought ... that my visit to the civil affairs bureau today was supposed to be kept a secret! i hope you can respect my wife's and my privacy."

the director shivered and quickly said, " " young master mu, mrs. mu, please don't worry. all the staff and i will keep your visit to the civil affairs bureau a secret. not a word will be spread to the outside! "

he said it with a face full of fear, and then secretly breathed a sigh of relief. he felt that his answer was quite appropriate and should be able to satisfy young master mu.

unexpectedly, mu yichen did not feel happy at all after he heard that. on the contrary, his expression turned gloomy.

"when did i say that i need you to keep it a secret? i'm getting married in broad daylight, not in secret! however, i don't want to hear anyone slandering my wife again. i don't want to hear a single word!"

"yes, yes, yes! young master mu, i ... i understand."

boxn ov el. c o m

the director said he understood, but he was even more confused.

rich people were really ... too fickle!

he was spoiling luo chenxin to the heavens!

he looked like a completely different person from the man she saw on the live television some time ago ...

mu yichen did not speak anymore. he carried the petite woman in his arms and walked straight into the hall of the civil affairs bureau.

the hall had already been cleared, and there was no one else other than the staff.

mu yichen then put luo chenxi down and made her sit in front of the table at the registration counter.

he pushed the marriage registration application form to luo chenxi and stuffed a pen into her hand. he spat out a single word in a concise manner, " "write!"

luo chenxi felt as if she was a little white rabbit that was being stared at by a ferocious tiger. she felt ill at ease.

"i'll write it then. i didn't say i wouldn't write it ..." she bit her lip and said helplessly.

although she gave a guarantee, young master mu obviously didn't believe her and still kept his eyes on her.

luo chenxi dared not delay any further. she gripped the fountain pen in her hand tightly and filled in the form swiftly.

[name: luo chenxi ... age: 23 years old ... occupation: fashion designer ... work unit: in the design department of SL holdings 'headquarters.

mu yichen heaved a sigh of relief when he saw that she had filled in the forms clearly with neat handwriting.

he took out another pen and started to fill in his form.

mu yichen took out their household registration booklets after he was done filling in the form.

luo chenxi could not be bothered to think about why her household register was in mu yichen's hands.

her household register had always been in the apartment on tian he road.

this man must have sneaked out of her house while he was staying there ...

in other words, today's marriage registration incident was not sudden, but ... someone had planned it for a long time.

the director took the forms from the two of them, glanced at them, and was stunned.

this was because the female's name on the form was not 'luo chenxin' as he had expected, but 'luo chenxi'!

"uh, mrs. mu, did you write the wrong name? or did you change your name? "then this former name should also be written clearly ..." the director subconsciously asked.

mu yichen squinted his eyes. his face was filled with impatience.

Chapter 906: mrs. mu is fresh out of the oven

"do i need you to remind me of my wife's name? hurry up and get me a marriage certificate!"

mu yichen's only request now was to see the marriage certificate as soon as possible.

although his stupid woman was already tied up by his side, as long as he didn't see the marriage certificate, he couldn't be completely at ease.

the chief was intimidated by his powerful aura and didn't dare to refute. cold sweat dripped down his forehead.

it wasn't that he wanted to gossip or meddle in other people's business, but ... but if he didn't even know the bride's name, he couldn't get them to register at all!

luo chenxi could tell that he was in a difficult position. she curled her lips into a faint smile. " director, you don't have to feel awkward. my name is luo chenxi. " luo chenxin ... she's my sister."

"eh? you ... you're luo chenxin's younger sister?" the station chief screamed and subconsciously pushed up the glasses on the bridge of his nose. he looked at her carefully and said, " you two sisters look too similar! are they twins?"

anyone who saw her and luo chenxin for the first time would inevitably have such doubts.

luo chenxi did not explain further but only said, " "i'm not registered under the luo family's household register either. you'll know once you take a closer look at my household register. my information is very

real and has not been altered, so you can rest assured. i'll have to trouble you to review it as soon as possible."

boxn ov el. c o m

luo chenxi's voice was gentle and sweet. she spoke at a moderate pace that was very pleasing to the ears.

the director couldn't help but look at her a few more times in admiration.

upon listening to her, the station chief realized that luo chenxi was completely different from the shrew on television ... he reckoned that they were not the same person!

even though the bureau chief was extremely curious about how mu yichen was related to the luo sisters, he dared not probe further. he quickly went to the side to verify the information.

mu yichen's clenched jaw finally relaxed a little when he heard luo chenxi's words earlier.

this stupid woman's tone ... it seemed like she was really going to marry him obediently ...

she's tactful!

under young master mu's aggressive gaze, the efficiency of the civil affairs bureau was surprisingly fast.

after verifying the information in a minute, he spent another two minutes getting them to pose and take pictures.

three minutes later, two red booklets were delivered to the two.

mrs. mu was fresh out of the oven.

mu yichen could not control the joy in his heart at all. the corners of his lips were curled up continuously on the way out of the civil affairs bureau with luo chenxi. he was smiling so widely that he could not even close his mouth.

luo chenxi could not help covering her face upon seeing this.

young master mu! your noble and cold image of the nation's husband has been completely destroyed!

mu yichen pulled luo chenxi's hand and returned to the sports car.

as soon as he sat down, his first reaction was not to drive, but to take out his red booklet, take a picture, and post it on his wechat moments.

he added a short message,"he's married."

almost in an instant, his messages exploded!

countless messages were sent to his phone, and for a time, the beeping sound was endless.

luo chenxi was utterly speechless when she saw that from the side.

isn't it just a marriage? was there a need to take a photo and post it on your wechat moments?

one must know that young master mu rarely posted on his moments and rarely revealed his personal secrets.

many people's impression of him was still limited to the gossip news of his divorce with luochenxin.

he didn't even know that he was dating a girl, let alone suddenly dropping such a heavy bomb!

Chapter 907: she must be jealous that he had such a good wife

nevertheless, mu yichen's childhood friends were aware of the matter between him and luochenxi, so they would not be mistaken about the bride.

everyone immediately sent their congratulatory messages.

baishixun thought, 'f * ck! you two are actually married? how was that possible? weren't they quarreling about breaking up a few days ago? why didn't you guys split it? didn't we agree to join the ranks of single dogs together? how could you secretly betray the organization?'

mu yichen replied with a 'hehe da' and blacklisted him immediately.

what kind of good-for-nothing was this? he couldn't settle the little secretary and couldn't get a girlfriend, yet he wanted to drag him down with him?

'it looks like my big brother's idea was pretty good,' he jinsi thought. 'i still have to congratulate you, but can i give you some advice? in the future, don't spread this kind of dog food around. we're all brothers, and you're not single anymore. it's not good to ignore other people's feelings.'

mu yichen said, 'i married my wife based on my own abilities. i also relied on my own abilities to show off my affection.' 'if you have the ability, why don't you do it too?'

with such a pretty and cute wife, it was impossible not to show off!

stupid single dog, wait for the critical hit of dog food!

he jinsi:

thus, young master mu was blacklisted.

only botingyuan was more normal. after saying "congratulations," he even praised luochenxi and said that they were a perfect match.

mu yichen finally felt a little comforted.

there was finally a reliable person among his childhood friends!

in other words, it wasn't his own fault that he blocked baishixun and he jinsi. who asked them to not have someone as good as first young master bo?

however, before mu yichen could be happy for a while, young master bo paused for a moment and asked about his son.

" since you've made up with sister-in-law, does that mean that i don't have to send shaoxuan to your house today? "

mu yichen was stunned for a moment."what? what does my reconciliation with chenxi have to do with your son?"

bo tingyuan raised his eyebrows in confusion. " didn't your mother say that your tangtang cried for a big sister every day and would only stop crying when she saw shaoxuan? so she asked me to send shaoxuan to your house to play with her every day? "

mu yichen's face darkened instantly. " no need. there's no need to send it over! don't listen to anything my mom says in the future, our tang tang doesn't like to play with your son!"

after saying that, he blacklisted bo tingyuan again.

moreover, he was furious.

however, when he saw the little woman sitting beside him, his mood instantly recovered.

needless to say, the three unreliable ones, two single dogs and one unhappy in marriage, must be jealous of him having such a good wife ...

the corners of mu yichen's lips curled into a devilish smile at the thought of this. he turned around and pressed himself against luo chenxi who was sitting in the front passenger seat.

luo chenxi had yet to recover from the series of unexpected events that happened today. she was still looking out of the window in a daze.

all of a sudden, she saw mu yichen's perfect and handsome face suddenly come close to her.

the man's big hand was on the back of her head, covering her whole body under him.

his sexy thin lips came close to her ear. " how do you feel? mrs. mu?"

luo chenxi's mouth was agape. " m-mu yichen ... "

young master mu's brows immediately furrowed when he heard this form of address. " stupid woman, what did you call me? we're already married and we've already collected our marriage certificate! you actually called me by my name? hmm?"

Chapter 908: what did he mean by afraid of disturbing their wedding ...

mu yichen's face was filled with displeasure. he raised one hand and pinched luo chenxi's chin to make her look at him.

"hurry up, i'll give you one more chance to scream again! if you call me by the wrong name again ..."

young master mu's gaze was extremely dangerous. it made luo chenxi suddenly recall the countless family rules ...

she quickly corrected herself and said,"well, that ... hubby!" i was wrong ..."

mu yichen raised his eyebrows. " didn't you have breakfast this morning? shout louder, i can't hear you!"

luo chenxi could not help rolling her eyes.

if he wanted to hear her call him hubby, he should have just said so. he actually mocked her!

besides, she really didn't have breakfast ...

mu yichen inched closer to her when he noticed that she was silent. his sexy thin lips were almost touching her lips.

boxn ov el. c o m

it was as if she could touch the man's lips if she breathed harder.

"hurry up and call him!" mu yichen urged.

luo chenxi stared at the overly handsome face before her eyes. her breathing was a little labored. " h-hubby ... "

mu yichen's mind buzzed for a moment when he heard this form of address. a gush of warm blood surged into his heart.

in the end, he could not help but lower his head to kiss luo chenxi's lips.

luo chenxi tried to push him away with all her might when he kissed her. she could not push him away at all. she wanted to speak, but she could only make muffled " wu wu " sounds.

instantly, he wanted to cry but had no tears.

is there a mistake?

they were legally married now. couldn't they go home and slowly kiss? did he have to be in a sports car? on the streets?

moreover, it was not her first time calling mu yichen 'hubby'.

in the past, when she was still impersonating luo chenxi, she would often hug mu yichen's arm and call him hubby in order to attack bai xinxin.

she did not see mu yichen being so agitated at the time.

mu yichen was very focused on kissing her. in fact, a simple kiss could no longer satisfy him.

his hand moved downward subconsciously. he exerted more force on the fabric around luo chenxi's waist in an attempt to pull her shirt out of her jeans.

luo chenxi was shocked. she hastily stretched out her hand to suppress the pressure.

however, he couldn't suppress it.

just as she was at a loss for what to do, a car horn was heard from behind.

at the same time, there were also rude curses.

“hey, what are the people in front doing? there’s only a small path here, what’s the meaning of you stopping?”

mu yichen let go of luo chenxi only then.

he frowned and subconsciously wanted to teach the person who had interrupted him a lesson.

luo chenxi quickly pulled him back. “that’s enough, hubby. don’t worry about others. let’s go home quickly! tang tang and mom and dad must be waiting anxiously at home!”

mu yichen’s expression turned gentle at once when he heard the word ‘hubby’.

“alright, i’ll listen to mrs. mu today.”

he smiled slightly and sat back in the driver’s seat. he stepped on the accelerator and drove home.

luo chenxi thought that there would be a lot of people waiting for them at home.

however, the living room was empty as soon as she entered. not to mention tan yueru and mu yunfeng, she didn’t even see the little dumpling.

aunt chen walked over and said with a smile, “congratulations, eldest young master, congratulations, young lady. master and madam were afraid of disturbing the two of you, so they’ve already brought little miss out to meet their friends. they told you two not to worry.”

luo chenxi blushed a little upon hearing that.

what did he mean by afraid of disturbing their wedding ...

he said it so ambiguously.

on the other hand, mu yichen’s eyes lit up. he turned around and looked at the newly-promoted mrs. mu.

Chapter 909: today is our real wedding night!

luo chenxi felt her back and legs go limp subconsciously as if she was feeling uncomfortable all over.

she placed her hand on her forehead and made an exaggerated expression as if she was about to faint.

“my dear, i suddenly feel a little uncomfortable. i’m going back to my room to rest ...”

the corners of mu yichen’s lips curled up while the gloominess in his eyes deepened. “that’s right. it’s time for us to ‘return’ to our room to rest ... ”

why did the same sentence sound so ambiguous coming from mu yichen’s mouth?

luo chenxi’s face blushed at once.

she quickly took a few steps back and said, “m-mu yichen, i was wrong. i ... i suddenly realized that i’m not tired anymore. let’s not go back to the room. let’s sit in the living room for a while ...”

however, every time she took a step back, the man took a step forward and quickly forced her to the corner of the stairs.

mu yichen sneered. he placed his hands on the railing of the stairs and pulled her into his arms.

boxn ov el. c o m

he gave her a sidelong glance and said, " since you're not tired, let's finish the exercise that we didn't finish in the car just now ... "

" y-exercise ... " your head!

luo chenxi was about to curse!

this man ... why was his mind filled with rubbish? no matter what she said, he could always associate it with that kind of thing!

the smile in mu yichen's eyes deepened as he looked at her petite face that was puffed up in anger. he grabbed her wrist and bent down to kiss her lips that were already swollen from his kiss once again.

however, luo chenxi suddenly pushed him away with force just as he was about to kiss the petite woman.

before mu yichen could return to his senses, luo chenxi covered her stomach with her hand and bent over.

"mu yichen, my ... my stomach hurts ..."

young master mu didn't get to kiss his wife, so he was in a bad mood.

with a long face, he glanced at her. " stupid woman, do you think i'm as stupid as you? you think you can fool me by pretending to have a stomachache? today is our real wedding night! i won't let you off no matter what you say!"

finally, he could eat meat in a justified manner.

even if he had eaten this meat many times in the past, it was still exceptionally delicious today. how could he miss it?

mu yichen made up his mind. he bent down and was about to pick her up.

however, he suddenly noticed that the petite woman's face was as pale as a sheet of paper just as he was approaching luo chenxi. there were even large beads of cold sweat on her forehead that were dripping down continuously.

this didn't seem like an act at all!

mu yichen panicked all of a sudden.

"stupid woman, you ... what's wrong with you? where are you feeling uncomfortable? does your stomach hurt? you ... just bear with it, i'll drive you to the hospital now!"

he carried luo chenxi in his arms and was about to walk out.

luo chenxi bit her lip and grabbed his collar hastily. " wait, mu yichen. i ... i'm fine! "

"you still dare to say you're fine with such an ugly expression! are you trying to scare me to death?" mu yichen glared at her in an unpleasant manner.

luo chenxi quickly explained, "i'm really fine!" just now, i just ... well, because i didn't eat breakfast and lunch today, my stomach isn't feeling well. i'll be fine after taking some medicine ..."

upon hearing her explanation, mu yichen was stunned for a moment before he immediately reacted to the situation.

then, a look of annoyance appeared on his face.

it was true that luo chenxi had not eaten anything since she woke up this morning ...

they had prepared breakfast at home in the morning, but he insisted on dragging luo chenxi out to register their marriage in a hurry.

Chapter 910: it's so dirty, married women are just different!

this back and forth made him miss lunch time perfectly again.

his stupid woman had always had a bad stomach. she would usually have a stomachache if she missed a meal. she had a stomachache on the second day after she replaced luo chenxi and married into the mu family.

and he had actually forgotten to feed this stupid woman ...

this was really his dereliction of duty as a husband!

mu yichen carried her up and placed her on the sofa in the living room. he said guiltily, "i'll get you some medicine, you sit down first."

luo chenxi's stomach medicine was placed in the bedside table in their bedroom. mu yichen was already familiar with the place.

in less than a minute, he came down with the medicine. he even poured some honey water for luo chenxi personally and watched as she swallowed the stomach medicine.

mu yichen heaved a sigh of relief when he saw that her complexion had improved slightly.

"i'll get aunt chen to prepare some food ..."

"i want to eat the noodles you cook ..."

mu yichen was halfway through his sentence when someone suddenly grabbed his sleeve.

luo chenxi's sweet voice was heard.

mu yichen frowned ever so slightly. he lowered his head to take a look. his little woman was staring at him with her big eyes. she had an ingratiating expression on her face.

he could never stand luo chenxi's act of acting cute and coquettish.

the male chauvinist who rarely entered the kitchen could only admit defeat at this time.

"alright, i'll cook you some noodles now. there's strawberry pudding in the fridge that tang tang didn't have time to eat. you can eat it first."

as she watched mu yichen's tall and straight figure disappear behind the kitchen door, luo chenxi stomped on her slippers and curled up on the sofa with her feet on the other end.

while eating the little dumpling's pudding, she took out her phone.

an unread wechat message popped up on the screen.

little qian qian,'little wei xi, you ... you're married to young master mu! you didn't even tell me!"

luo chenxi rolled her eyes and replied, " "i didn't tell you, so how did you know i was married?"

little qianqian coughed,"i just ... found out by accident ..."

little wei xi,"even if i found out by accident, there should be a source of information, right?" tell me the truth, did second young master bai tell you? it's the weekend today. what are you doing together instead of going to work? are you doing something embarrassing?"

fang ziqian flew into a rage out of humiliation. " little wei xi, you're too dirty-minded! married women are different!"

a second later, he sent another message. " seeing that you're in such a good mood, you still have the time to care about these things. you and young master mu must have really made up, right? "

luo chenxi pondered for a moment. " hmm, i guess we've made up. "

actually, she should have been "reconciled."

however, since they had already gotten their marriage certificate, she couldn't be calculative about this.

fang ziqian said,"young master mu is really a model good man!" he didn't say anything about what happened four years ago?"

luo chenxi's fingers trembled when she read the message. she suddenly remembered that she had yet to tell them about the incident that happened four years ago!

before she could reply, fang ziqian continued, " actually, i think what happened to you four years ago was really strange. you're not the kind of girl who likes to play, so why did you suddenly ... also, as soon as something happened, you were expelled from the school so quickly and even disqualified from the fashion show. i have a feeling that there's more to this than meets the eye. "

"if young master mu really doesn't mind, you can ask him to investigate what happened that year."

luo chenxi frowned as she read the news. she was lost in her thoughts.

” stupid woman, who are you texting?!”

the man’s deep voice suddenly came from behind her.
