

The Ancient Genes

Volume 1

Chapter 14 – Exchange

Suddenly a heavy pressure envelopes the cafeteria.

My knees start to bent. I feel sweat dripping down my forehead.

Turning around, I find a tall and handsome guy walking towards us along with a bunch of students following him.

Shit!

I forgot about him.

What do I do ?

How can I do anything, when I am having trouble to even stand properly.

I see the guy approach and stand in front of his lackeys before speaking.

‘ Now..Now, May I know what my friends did to anger you brother ‘.

I hear James speak as a sadness cover his features.

I literally couldn't believe my eyes and ears.

This guy was Acting.

But it wasn't enough to fool me.

‘ Look its him, James ‘

‘ OMG, he is so handsome ‘

‘ Finally, someone is here ‘

‘ Yeah, now these trouble makers will have their àsses kicked ‘.

Bpo ovu smahul I vufz hmrdaq mru ovare.

He was the hero here and we were the villain.

This guy is a beast in humans skin.

***** Wilson’s POV *****

This bastard is pissing me off from the very first day.

Looking at him, reminds me of that guy.

Today, I will beat the crap out of him and drag his true face out in front of everyone.

With that in mind, I step forward while speaking.

‘ James, I don’t want to hear anymore of your shit ‘.

‘ And your stupid acting might fool this bunch of bastards, but not me ‘.

I jfl rusuz f nuzlmr jvm jfl fdzfat md frwovare.

I release my aura to push back the pressure released by him.

***** MC’s POV *****

I see a terrifying pressure being released by Wilson.

As he moves forward, I could hear the sizzling sound of electric current around him.

Seeing the situation, all the students starts to move away from them.

I too along with fatty get away from the center of commotion.

***** James's POV *****

This guys are so useless.

They can't even handle a worm like him.

I easu ovuq f immc gudmzu opzrare omjftz Wailmr.

Today, I must make an example out of him. Even if it reveals a bit of my power, this bastard ruined my plan after all.

Seeing him walking towards me, I start circulating the mana within my body.

***** MC's POV *****

Seeing Wilson approach James, I feel nervous.

Obviously, I didn't want Wilson to get hurt.

After all, How many people are there, who stand for the weak.

This alone proves that, he is a good guy.

Probably.

Now, I understand the meaning behind Axle's word.

As I am busy in my thoughts, Wilson hastens his steps and I could see lightning covering his hands.

Within a second, he covers the distance between him and James.

Without waiting for any moment, he swings his hand in upward direction, going for an uppercut.

Bang!

I hear a loud noise of impact. The sound from the blow displayed the power behind it.

I can imagine myself getting hospitalized, if that attack had been directed towards me.

...

But, the next scene left my jaw hanging.

I see Wilson's punch being blocked by James with his bare hands, before it could reach his chin.

A laiurhu ursuimnul ovu hfduouzaf.

I couldn't help but feel despair.

But, at this moment, I hear a sound in the silent hall.

Crunch!

Hearing the sound, everyone turns to look towards it.

Following the sound, I find a person with short purple hairs and a pretty face munching on his snacks.

I couldn't help but feel his face a bit familiar.

As I try to remember the guy, I hear James voice.

' Sorry, I remember having some urgent work '.

With that, he releases Wilson's hand and walks toward the exit.

Al vu nfflul ovu npzniu vfaz epw, vu nfplul frt lnufcl.

' I didn't expect to meet you here. I thought you didn't like this place '.

And the purple hair guy does not respond.

But this doesn't affect James face even a bit and he continues.

' I don't have much time today or I would love to have a chat '.

' So, I will be leaving, until we meet again, Norek Blaze '.

And he leaves the cafeteria, while I remember this guys identity.

Norek Blaze.

The one considered to be the strongest out of the 4 tyrants.

Thank God

He was here, otherwise Wils-

Yeah, I forgot about him.

I turn to find him, but couldn't locate him.

So, I ask the fatty beside me and he replies.

' He just walked out of the cafeteria '.

***** James POV *****

' Boss, why didn't you taught that bastard a lesson '.

I hear Stain speak in frustration.

But, I give him a look and he shuts his mouth.

Since, when did anyone dare to question me.

Regarding Wilson, I will deal with him very soon.

I could have done it right now too.

But, I don't want that guy to know about my power.

And besides, I too don't know anything about him.

And Dad warned me too.

Deal with him only when you have a 100% chance.

I will let this bastards live this year. But, I can't say the same for next year.

A smile appears on my face on the very thought of my plan.

***** MC's POV *****

After splitting up with fatty, I walk towards my classroom.

Suddenly, I see a red hair guy, walking in a distance and turning around the corner of the hallway.

' Wilson '.

I give him a voice.

But he didn't seem to hear me.

I rush after him, after all, I didn't get a chance to thank him.

If he didn't interfere, who knows what would have happened.

I might have been lying right next to the fatty.

And to be frank, I didn't wanted to cause any trouble on the very first day.

But, I was being happy too early, because I forgot about my real enemy.

My Luck.

As I turn around the corner in a rush, darkness envelope my eyes and I feel a soft but sturdy impact.

I tumble down the floor and feel my head hitting something soft and a sweet scent fill my nose.

I open my eyes to find a other worldly beauty beneath me in black dress staring right at me.

Blonde hair, white skin and her eyes....

I knew those eyes. They were very familiar to me.

But I couldn't remember where have I seen them.

' You Pervert! , how long are you planning to stay on ' .

' Get off of Elly ' .

I hear a sweet voice.

Turning around, I am stunned to see another beauty.

Black hair, jade like skin and her eyes...

I knew these eyes too. They were the eyes filled with the intention to kill.

Looking at both the girls, I knew I was done for.

Looks like my bad day was just beginning.

BAM!

I feel a heavy impact on my side, which sends me flying 3 feet into the air.

Crash!

I tumble down the floor and an aching pain spreads through out my body.

Damn it.

It hurts.

I just hope, I will still be in a single by the time this ends.

As I struggle to get back at my feet, I hear some footsteps getting closer to me.
