Chapter 29 - Meeting in the Association (Part-2)

***** MC's POV *****

Central Area, Arcane.

‘ Stop around the corner ‘. I ask the driver to stop the car as the view of Association’s Office comes into my sight.

Since I hadn’t changed my get up. I asked the driver to stop a street away from the Association.

I get out of the cab after paying the driver. Checking my surrounding, I sneak into a dark alleyway and come out in my disguise as Shura.

Now, I am ready for the meeting. So, I headed for the Association and as usual, the entrance was crowded by hoards of people.

I could hear various voices in chaos. Some where here to issue a quest, while some where looking for help.

After walking through the entrance, I head towards the Mercenary Department and within a few minutes, a familiar sign enters my vision.

As I approach the reception desk, I hear a feminine voice.

‘ Sir, you are finally here. We have been waiting for your arrival ‘.

Hearing the familiar voice, I turn towards my left to find a beautiful and mature lady with a voluptuous figure walking towards me.

She was the same lady, I met the very first day on the counter.

‘ Sir, a person is waiting for you. Please follow me ‘.

She waves her hand towards the elevator beckoning me to follow her.

...

‘ So, who wants to meet me ? . I haven’t got much time ‘. I speak in a hoarse, pretending to be mysterious as I didn’t wanted to get treated as an average guy.

‘ I am sorry Sir. But the person this time is someone whom even the Department Head has come out to welcome. Sir, I request you to take out a bit of time from your busy schedule We assure you some benefit ‘.

Although I had no idea of the expression on her face, she sounded very sincere.

On the other hand, I was shocked from the realisation.

Damn it.

How can I forget such a thing.

It was obvious that a monster figure would appear if Mage king’s daughter is kidnapped.

Sweat starts to form inside my mask and I feel tensed.

Wfao!

Don’t tell me its the Mage King himself.

No that’s impossible.

Its impossible to reach Arcane from the Capital in less than a day.

At least that's the common knowledge.

What do I do ?

This is an opportunity to complete the Quest and rescue the girls at the same time.

I can't let my nervousness take over me. I need to create an image for myself.

As I am busy in my thoughts, a sound resonates in my mind.

« System's suggestion: Host's understanding of pretending and flaunting has reached 100%. Host can form a Basic skill « Acting » for 5FP »

Hearing the System's sweet and pleasant voice, though I didn't feel it to be right in some way, it didn't seem to be wrong either.

I didn't know if it would be any helpful or not. But at this time, having an extra trick in my arsenal wouldn't be a bad thing.

So I accept it.

...

Finally after a minute of walk, we reach the elevator with the No. 7 on it.

It was a bit odd as there were no switches inside the elevator. It seemed to be connected to a single floor.

It looked like the Association really has a big pocket for being so extravagant.

I mean isn't this a bit too much.

Ding

The elevator's door open as we reach the designated floor.

‘ This way Sir ‘ . The lady takes the lead and I follow after her.

Looking at the sight in front of me, I felt my body heating up a beat.

I couldn't help it. I mean she was hot and I am a man after all.

It was natural reaction and nothing more than that.

‘ Sir, please enter ‘ . She speaks as we get in front of a cabin.

Her voice jolt me up from my thoughts and I stutter in shock before calming down.

‘ Y...Y..Yes, thank you ‘ .

..

Oh! that was close.

Thank god, I created the «Acting» skill. I almost let out my original voice in panic.

...

After calming down, I finally push the door to the cabin, entering the room.
