## Chapter 34 - KILL (Part-2)

\*\*\*\*\* MC's POV \*\*\*\*\*

‘BAM’

The sound of gunshot resonated in the deserted alleyway along the smell of gunpowder as the guy in front of me pulled the trigger.

I could see the bullet leaving the muzzle of the rifle along with the smoke.

Feeling the danger and my life at stake, I pull my body towards the right while moving my hands in an upward swing. The momentum from the swing was enough for my cause.

With all my power, I released the Dagger towards the creepy guy.

‘ Phuuu !’

The moment the Dagger left my hand, the bullet reached me tearing through the air.

I couldn't avoid the bullet. But the boost in my strength was enough for me to avoid any fatal blow.

‘ Puchi’

As I pulled my body towards the right, avoiding the hit towards my chest. The bullet embedded itself in my left arm.

Damn it!

It hurts like hell.

I couldn't have ever imagined that it would hurt so much. I felt like screaming. But knowing my location, I held myself back.

' Thud '

' Ahhhh!!!!'

Hearing the scream, I look forward to find the tall creepy looking guy screaming at the top of his lungs with the Dagger embedded in his chest and his rifle on the ground.

Shit!

I couldn't let him scream any longer.

Seeing me dash, the guy tries to reach out to his rifle.

' No you don't '.

Before he could even bend, I was already below him.

' BAM '

I tackle him down with all my strength as blood flew out of his mouth, smearing all over me.

But at this point, I didn't have the liberty to care about my appearance.

Taking him down, I pulled the Dagger out of his chest and stabbed through his windpipe giving him a final blow.

' Huff..''

I let out a sigh of relief.

Looking at my trembling hands, I couldn't help but curse.

Damn

I thought I was prepared for it.

I clenched my hands into a fist.

I don't regret what I did. This is my life now. There will be such  
battles all along. This is the last time.

I won't waver again.
