Chapter 942

Su Nan looked at it, and her eyes sank.

She had the impression that Xu Yin, the daughter of the Twin Group, had provoked her without knowing what she was doing.

Later she used her family's power to suppress the Twin Group no more, and now it's just lingering.

"Mo Xian buried his name, is to avenge his father?"

Ning shook his head, "I guess not for revenge, he and Xu Guanghui did not have much dealings, this identity also did not bring him much benefit.

He is backed by his mother's family, Mo family before there is little foundation, especially in the first few years signs of decline is obvious, but in recent years has suddenly turned the situation, should be the credit of Mo Xian."

She did not expect that Xu Guanghui of the Twin Group had such a capable illegitimate son?

It was much stronger than that Xu Yin.

Ning Zhi Zhi paused before lowering her voice and sighing.

“This person is married, was married to the daughter of a wealthy family, it is estimated that the money is dedicated to the body, but I heard that the relationship is not good, he will not go to see his wife once a year.

Our Qin Yu really suffered a great deal!”

Su Nan nodded.

Although Qin Yu loves to play, but she never touches those moral bottom line.

Mo Xian put Qin Yu in such a despicable situation, it really made people hate her to the core.

After a while.

Shang Qian came in a hurry.

He still had an aggressive chill on him, as if the temperature outside had dropped.

In his hand, he carried a large Hermes handbag, which looked like he had used it for grocery shopping before.

He looked at Su Nan and handed over.

“I’m afraid you’re cold, brought you a few pieces of clothing.”

Su Nan took a look, the bag was for women, but the clothes inside were male.

Needless to say, the clothes were Shang Qian's.

Shang Qian paused, "I went out in a hurry, too late to go to your place to get, can only take my, you first make do."

Shang Qian helped her take it out and put it on, the two looked at each other with a smile

The two people looked at each other and smiled at each other. Ning Zhiyi gave a "tsk" at the side, "Looking at you guys like this, my teeth hurt."

Su Nan was surprised: "Why?"

"Acid!"

She really did not give face, Su Nan glared at her, and Ning Zhi Zhi sized up Shang Qian, with scrutiny.

Shang Qian tied Su Nan's button before he smiled and looked at Ning Zhihui.

"By the way, you guys haven't eaten anything, right? I'll go buy some, so when Miss Qin wakes up later, you can eat some too."

If it was Su Nan and Ning Zhi had been two people, they would definitely have refused.

In the middle of the night, which store can still be open?

So let him go out, is not difficult for people?

But he mentioned Qin Yu, just now at Mo Xian, heard him mention that Qin Yu refused to eat, it is estimated that out should also be hungry.

Su Nan nodded, "Don't go too far, just buy something, if you can't find it, come back, I'll have the housekeeper make it and send it over."

Shang Qian smiled and nodded, then turned and ran out.

Ning Zhi Zhi shook his head.

"Mr. Shang is really humble in your place, but be careful, don't be like Qin Yu, blinded by the sweetness of the moment."

Su Nan smiled, "I know, he's not that kind of person."

Ning Zhi Zhi frowned, wanted to say something but did not say.

Su Nan is not the same as Qin Yu, and Shang Qian is not the same as Mo Xian.

Qin Yu was pushed back to the ward by the doctor, the whole person's face was burning, red like a boiled crab, it looked really pitiful.

"Doctor, how is she doing?"

After Shang Qian heard her words, the corners of his mouth rippled with a warm smile.

He completely put his heart down.

From the beginning to the end, she never said "I like you", but she is ready to like him.

This is enough.

Fu Yechuan is not important, because no matter what he does, it is impossible to get Su Nan's heart again.

He kept holding her hand and didn't let go.

Su Nan was a little uncomfortable, but not uncomfortable.

Sending her to the door, Shang Qian did not go in.

He smiled gently and looked at her, "Good night, Su Nan."

He lived right upstairs, so close to her.

Su Nan smiled and waved her hand, "Good night."

The two people stood facing each other, no one left first.

"You go first?" Su Nan suggested.

Shang Qian: "It's better for you to go first."

.....

The two were torn for a while, and Su Nan's face was quietly red.

The phone in the room suddenly rang, and Su Nan sighed with relief, "Okay, I'll go in first!"

She ran in as if she had fled.

Hearing the sound of the door closing, she faintly froze, just forgot to close the door?

Shang Qian closed the door for her and stood for a while before slowly leaving.

The phone call was from Qin Yu, Su Nan hooked the corner of her mouth and picked up.

“Hello?”

The phone came from the suppressed crying voice, Qin Yu cried up and down.

“Su Nan, I’ve been mistreated, Mo Xian he has actually gotten married!”

Su Nan was stunned, before she had time to ask, she suddenly heard Mo Xian’s grumpy voice over the phone.

“Who are you calling? Didn’t I tell you that I will solve this matter?”

Qin Yu cried hysterically and scolded him.

“Solve my ass, what do you think you are, I want to break up with you!”

“Su Nan, come and get me, I’m in—”

Before the words could be finished, the phone was slammed on the ground and hung up.

She called back and was already reminded that the phone was off.

Su Nan's face sank, looking at the phone that had gone black, and turned around to go out in a hurry.

Mo Xian was at her side and looked to have taken control of her freedom.

Su Nan called Ning Zhi directly, "Qin Yu is controlled by Mo Xian, do you know where Mo Xian lives?"

I blame her for not paying attention to Mo Xian, if she had investigated in advance, she would not have been so helpless.

Ning was surprised when Su Nan briefly told her about the phone call just now.

She thought for a moment, "I remember before Qin Yu asked me to help her abroad to bring a gift by mail to Mo Xian, that address I still remember, I send you, we will meet at the door."

Su Nan answered, too late to say more, and took the elevator directly downstairs.

She went directly to the underground garage, drove out and rushed over to the address sent by Ning Zhiwu.

On the way, she directly contacted the bodyguard.

After she hung up the phone, Su Jin's phone call came.

Su Nan picked up.

Su Jin's tone was a bit anxious: "What's wrong? Why did you suddenly use the bodyguard?"

Su Nan wasn't surprised that Su Jin knew about this, and didn't have time to think much about it.

"Something happened to Qin Yu, she was controlled by Mo Xian, I'm going to her now to check the situation, so I need manpower."

"Be careful with everything."

Su Jin finished speaking and hung up the phone straight away.

Su Nan sighed, her heart was a bit complicated.

That address was not far away, and the setup of the high-end neighborhood was naturally stricter, and she was worried that she would be stopped outside.

When she arrived at the door, Su Nan looked at it and it looked somewhat familiar.

As soon as the security guards and bodyguards at the gate saw her car, they politely went over and opened the barricade for her.

"Miss Su, welcome home"

Oh, she remembered, she has a house here too

Su Nan and the other side of Ning Zhiyi.

Shang Qian's eyes sank slightly, and soon recovered well.

Not angry, even if it disturbed Su Nan's sleep, she did not mean to.

Su Nan got up and walked over to look at Qin Yu's face was rosy and lustrous, her eyes were firm and shining, but her voice was breathless.

It was probably because she hadn't eaten.

"You're awake? How are you feeling?"

Qin Yu seemed to be remembering what happened before, and her eyes dimmed down.

Her voice was weak: "I'm hungry."

Su Nan and Ning Zhiyi couldn't help but breathe a sigh of relief as Shang Qian handed over the prepared things.

Two people were setting up a small table for her, and Qin Yu mumbled and spoke.

"Is Brother Su not here?"

Su Nan gave a start, Qin Yu pursed her lips, her gaze flickered slightly: "I remember he saved me.

"I remember he saved me, and I want to thank him personally."

Obviously already let himself forget those painful crushes.

But the memory of Su Jin, that was the first time he protected her so much, the first time he hugged her, the first time he was so close to her.

Her dead heart wanted to come to life again

What if, what if he also has a little bit of interest in himself?

For this eventuality, she was willing to go out of her way to give it a try.

Looking at Qin Yu's expectant gaze, Su Nan paused.

"Big brother has something, but I guess he will come over to see you after a while."

She understood Qin Yu's mind very well and had no right to determine right and wrong.

Ning Zhiyi sighed at the side, "You, you have to polish your eyes, that Mo Xian doesn't look like a good person, I told you before, you still think I judge people by their appearance, now you've tasted the bitterness, right?"

Qin Yu's expression was slightly lost for a moment, and his voice was low.

"I was blind, all that I thought he did for me was just something he did to fool me.

When I was trapped in the mountains, he didn't have a helicopter because he would have alerted his wife by using it, so he would rather let me crawl out of the mud, I was so blind!"

Ning Zhiyi walked over and patted her on the shoulder.

"Well, break clean this time, and grow wiser after you've learned a lesson."

Qin Yu's eyes flashed a trace of hostility, Su Nan calmly looked at her: "If you do not want to just forget it.

"If you don't want to just let it go, we will also help you out until you are satisfied."

Proud Miss Qin Yu, there is no need to hold back her anger.

Qin Yu raised her eyes to look at her and pursed her lips, "I will say if I need to."

They don't need to be polite.

Su Nan smiled and Qin Yu took a deep breath, "Well, I'm going to eat, were you guys here all last night?"

She looked at Shang Qian behind Su Nan and blinked, "Mr. Shang wouldn't be here too, right?"

Shang Qian smiled and spoke in a hurry, "I was napping in the lounge next door, it was the two of them who worked hard."

Su Nan smiled and looked at him, "It's late, you go and get busy, I'll leave after a while."

Shang Qian hesitated for a moment, Su Nan tsked, went over and pushed him out.

"We are going to whisper, how can you say it here?"

Shang Qian laughed helplessly, it turned out that he had become a light bulb.

He was forced to walk to the door before he paused and turned his head to look at Su Nan.

“Then I’m leaving, call me if you need anything?”

Su Nan hurriedly and impatiently nodded.

Shang Qian smiled gently and did not move, a look of fondness.

Su Nan really can not take him, behind the Ning Zhiyi and Qin Yu blazing eyes watching the show, has made people’s faces rolling.

Shang Qian also saw her embarrassment, not more difficult, just reached out and pulled her hand, fondled a little, before releasing.

Su Nan’s face is red, this Shang Qian is taking advantage of her?

Chapter 945

But not waiting for Su Nan to react, Shang Qian has been as if nothing to let go of the hand, modest and polite nod with the people inside, eyebrows smiling, and then turned to leave.

The back is frank and warm, not the slightest sign of the small action just now.

Su Nan secretly cut a sound, before turning around.

A turn back.

The first thing you need to do is to look at Qin Yu and Ning Zhiyi and smile at her in a deep and meaningful way.

The two of you are now in the honeymoon, is it the next step to discuss the marriage matter?"

Su Nan glared at her in a strange manner.

"What are you thinking about? What you should be thinking about now is obviously Miss Qin's business, you're looking at the wrong focus!"

Qin Yu couldn't help but laugh, "You've grown in your ability to change the subject, Su Nan, are you planning to fall in love instead of pursuing your career?"

Su Nan opened her mouth in a serious manner.

"This is not exclusive, of course I am career-oriented, love, is the icing on the cake!"

"Scum girl!" Two people spoke in unison.

Su Nan touched his nose.

Watching Qin Yu eat all the rice, Ning Zhi Zhi received an emergency call from the company, as if something had happened.

“Qin Yu, I have to go to the company, I can’t accompany you, you have eaten enough also should be discharged, I send you back?”

Qin Yu’s eyes flashed, “I can’t be discharged, I still have to let my mother come to see how pathetic I am, otherwise she will kill me later.”

Ning Zhiyi looked at her helplessly and spoke to Su Nan.

“Then you watch, I’m leaving?”

Su Nan nodded, indicating that he was perfectly fine.

Ning Zhihui left on the first foot, and Su Jin arrived on the second.

Su Nan had texted him early to report his safety, asking him to come over and take a look when he had time.

She was not unaware that the reason Qin Yu had not yet been discharged from the hospital was because she was waiting for him.

She seemed obsessed with wanting a result.

Su Jin knocked on the door and came in.

Qin Yu's eyes lit up, only to see the person following Su Jin in, her eyes instantly dimmed.

Su Nan also followed and stood up, smiling naturally, "Big brother, Miss Wen Xiang, you are here?"

She was not expecting Su Jin to bring Wen Xiang, but she could not show any difference.

Su Jin nodded, his expression as cold and sparse as ever.

His eyes looked at Qin Yu, "Is Miss Qin feeling better?"

Qin Yu's expression seemed a bit tense, not knowing whether to rejoice or be sad.

She pulled the corners of her mouth and nodded, lowering her head, her voice a little faint.

"Much better."

Su Nan could see the loss she was concealing.

Behind her, Wen Xiang poked her head out, beautiful and gentle, smiling generously and decently.

"Miss Qin should get well"

Qin Yu paled and smiled, "Thank you, sister, I didn't expect you to visit me."

Wen Xiang eyes softly glanced at Su Jin and jokingly said.

"My car broke down, he came to pick me up, originally I wanted to wait down here, but he was probably afraid that I would drive away and had to drag me up."

Su Jin looked at her with a helpless and dotting gaze.

"You've left me behind not once or twice, so of course I had to guard against a third time."

The words were all cherished.

Wen Xiang smiled shyly, although the two people did not show much intimate actions.

But with just one look, Wen Xiang can make Su Jin's aura approachable.

Qin Yu's smile was suddenly flushed with bitterness, but it was quickly concealed.

She fiercely lowered her head to cover the flickering light in her eyes.

Su Nan sighed and smiled helplessly.

“Qin Yu’s fever has just gone down, she ate something, and her body hasn’t fully recovered, so she doesn’t have much energy.”
