

At The Bottom Chapter 15

Besides, at the entrance of the school building, when Lu Yuan watched Li Mengyao being carried to the car by Du Liang, his heart ached again.

Did cars attract girls that much?

Is a car so easy to get girls excited?

It was still just a Passat, ah.

Meng Yao, do you despise yourself that much?

Suddenly, Lu Yuan felt his arm being grabbed by someone and was involuntarily dragged along with that person for several steps.

Only then did Lu Yuan see clearly that the person who had grabbed his arm was Zhang Ya.

“Lu Yuan, what are you still looking at, you still can’t get over Li Mengyao, can you?”

The scene that happened just now, Zhang Ya was naturally also in the crowd.

Lu Yuan watched in disbelief as Li Mengyao got into the car and left, and Zhang Yao naturally took it in.

At this time, Zhang Ya’s face is a bit angry, as if angry that Lu Yuan still keep thinking about Li Mengyao such a greedy woman, but also a bit heartbroken, heartbroken that Lu Yuan was hurt so deeply.

“I

Lu Yuan did not know what to say, he knew that Zhang Ya was for his own good, but, Lu Yuan is a very emotional person.

Even though Li Mengyao is very scum, after the breakup, Lu Yuan recalls those images of Li Mengyao being good to him from time to time.

“Let’s go, to Parkside Garden, I must treat you to dinner today! Not until you’re drunk!”

Zhang Ya felt that now only wine could solve Lu Yuan’s current situation.

Troubled by love, so, borrowing wine to dispel his sorrow.

“No, I said it, I’m going to treat you to dinner, come on, let’s go to Michelin.”

Lu Yuan felt that he really had to treat Zhang Ya to a meal, no matter what, Zhang Ya was a good girl and a good friend, and opened up to him in such a situation.

There are not many people who know that they are poor students but still treat them well, and Zhang Ya is one of them.

Zhang Ya snorted and laughed: "Lu Yuan, are you coaxing me? You used this trick last time, but you're still doing it this time, can you do something different?"

Michelin? How could that be possible.

"Let's go."

Lu Yuan knew it was useless to explain, so he simply dragged Zhang Ya outside the school and took a taxi straight to Michelin.

When she got out of the car and stood at the entrance of Michelin, Zhang Ya still couldn't believe it.

"Lu Yuan, don't play around, it won't be good if you get kicked out later." Looking at the various luxury cars at the entrance of Michelin, and the luxurious decoration inside, Zhang Ya was terrified in her heart, and was even more worried that Lu Yuan was just teasing her.

"Let's go, go in."

Lu Yuan still didn't explain much to her and pulled Zhang Ya into the Michelin.

"Wait, I need to go to the bathroom."

When she entered Michelin, Zhang Ya was a little nervous, she naturally didn't believe that Lu Yuan had the money to invite her here for dinner, so although she had already entered, Zhang Ya felt the same as a thief.

"Well, I also happen to go and wash my hands."

The two of them went to the washroom and Zhang Ya went in, while Lu Yuan waited outside after washing and drying his hands.

It was at this time that suddenly, another pair of men and women walked over.

When she saw Lu Yuan, the woman was stunned, "It's you?"

"Yao Yao?"

Lu Yuan blurted out.

These two were none other than Li Mengyao and Du Liang.

The two of them hadn't finished eating, Li Mengyao said she needed to go to the washroom, so Du Liang accompanied her.

"Did you call Yao Yao?!"

Li Mengyao suddenly went forward and surprisingly slapped Lu Yuan, "Do I know you very well!"

Li Mengyao did so, naturally, to show her loyalty in front of Du Liang.

Today, Du Liang had really surprised Li Mengyao too much, he drove his car to pick himself up and even brought himself to Michelin for dinner, Li Mengyao naturally became even closer to Du Liang.

"Oh, why are you here?"

After typing, Li Mengyao looked at Lu Yuan with cold contempt again, her heart was wondering, saying that Lu Yuan came here to eat, beating her to death, since she didn't come to eat, "I see, you are working here! Haha, I told you, if you didn't come here to work, how could you possibly appear in such a noble place as Michelin."

Lu Yuan didn't bother to explain much to her.

He himself had only come here to invite Zhang Ya for dinner and hadn't expected Li Mengyao and Du Liang to be here, and he didn't want to show off in front of the two, so he didn't say anything and tried to walk away.

I can't afford to mess with you guys, can't I just avoid you?

But it happened that Li Mengyao also stopped Lu Yuan.

"We are here to eat, we are guests here, since you are a part-time worker, then I order you, go over there and draw a tissue and bring it over!"

Li Mengyao said in a condescending manner.

In a high-class restaurant like Michelin, the bathroom was also high-class, and there was special paper extraction in the bathroom.

Lu Yuan frowned, what's wrong? If we break up, we can just leave each other alone, but why did Li Mengyao act as if she was an enemy, making things difficult for her at every turn?

Lu originally wanted to ignore Li Mengyao and walk away.

But after thinking about it, it was better to do one more thing than another, and besides, it was just a tissue, so he really went over and took a tissue and handed it to Li Mengyao.

“Give it to me for what, did I ask you to give it to me?” Li Mengyao gave a cold laugh.

Then, however, she hugged Du Liang’s arm, “Honey, the tops of your shoes are dirty ah, let him wipe them for you.”

“Mm.” Du Liang put his arm around Li Mengyao, stretched out one foot and said to Lu Yuan, “Here, wipe my shoes!”

“Hurry up, you’re a part-time worker, you should serve us and do what you’re told to do! Otherwise, I’ll file a complaint against your supervisor!” Li Mengyao’s smugness was overwhelming.

This was a bit too much.

Lu Yuan was getting a bit angry in his heart.

At this moment, Zhang Ya happened to come out of the washroom, and when she saw this scene, she was first stunned, and then she was also furious.

“Hey, Li Mengyao, you’re going too far, you’re also too down on people, who said Lu Yuan was here to work, we just came to use the bathroom, why should he do this and that!” Zhang Ya was angry and blocked in front of Lu Yuan.

“Oh, you’re here too?”

Li Mengyao suddenly let out an oh, “I see, you guys came here to use the toilet, right! Haha, it’s really classless to not spend money and come to such an upscale place to use the toilet, what kind of place do you take this place to be? Do you think it’s KFC McDonald’s?”

Zhang Ya’s face turned red and white at the comment.

Originally, she thought that Lu Yuan had brought her here as a joke, but now she had run into Du Liang and Li Mengyao.

She was taunted by Li Mengyao.

She also knew that Li Mengyao was a woman with a poisonous mouth and was worried that if she continued, Li Mengyao would say something even more embarrassing.

So she ignored Li Mengyao.

She hurriedly pulled Lu Yuan: "Lu Yuan, let's go!"

At this moment, Zhang Ya only wanted to drag Lu Yuan out of this place.

Who would have thought that Li Mengyao would not give in.

When she saw that Zhang Ya and Lu Yuan were leaving, she became even more energised.

At this moment, Li Mengyao had gained power, so she could not let go of this opportunity.

"Someone come quickly, these two people are not here to eat, they are here to go to the toilet, everyone come and take a look, where is the Michelin shop manager, come and take a look!"

Li Mengyao shouted.

Soon, there were quite a few people gathered around.

The restaurant's manager was also alerted, a beautiful woman in her thirties.

"You all take a look ah, these two people, not to eat and consume, but to come here to use the toilet, this kind of people is not very shameless ah, people's bathroom, is for the restaurant guests, not just anyone can come in, people restaurant to hire cleaners, order incense, but also to provide paper towels and hand sanitizer, these are all costly, you If you don't come to eat, how dare you come here to enjoy such a nice bathroom!"

Li Mengyao saw the crowd getting bigger and bigger, and she was getting more and more energetic in her words.

Some of the guests were also brought up to speed by her.

"Yes, this is too bad, if it means that casually outside a person who is tired of walking comes to this restaurant to use a toilet, wouldn't that be too chaotic."

"That's right, the bathroom is also considered part of the service we pay for, what kind of people come, it's also too unhygienic too unclean."

The crowd was quite down on Lu Yuan and Zhang Yao when Li Mengyao said that.

Li Mengyao even took out her mobile phone at this time and started shooting videos up.

In her heart, she said, "Humph, I will send your ugly faces to the class group later, and bury you properly."

Although the shop manager would not humiliate people so bluntly as Li Mengyao.

But of course, he had to take care of the guests' emotions.

So when he saw that Li Mengyao and the other guests had objections, he also said to Lu Yuan, "Sir, our place is not open to the public casually, we have to serve the facilities for the guests, I hope you won't do that next time, okay? Now then, please leave."

Zhang Ya had already blushed to the roots of his ears, this was too humiliating.

She said, "Lu Yuan, this is too big a joke.

However, Zhang Ya did not blame Lu Yuan, because all this was actually the reason for Li Mengyao, if Li Mengyao had not shouted and added fuel to the fire, this would not have happened.

But now there is no need to say anything, it is better to go with the best of the 36 plans!

Zhang Ya was about to pull Lu Yuan out of here.

Instead, Lu Yuan pulled her back instead, then raised his head, his gaze awe-inspiring: "We're not leaving."

"Hahahaha, look at that, you guys, these people are really poor and unqualified, and they actually don't leave, as if they are justified." Li Mengyao was despising Lu Yuan to the extreme, "Shop manager, what's the point of talking to them, tell security to throw them out, these kind of people, really affect our dining mood, you have to think clearly, we are regular customers of Michelin, if you don't handle this matter properly, we won't come next time!"

Li Mengyao was also open-mouthed, today's visit to Michelin was the first time in her life, and in her mouth it became that she was a regular customer of Michelin.

"Sir, I ask you to leave."

The shop manager was also furious and, with the intercom snapped in his hand, seemed to have actually started calling security.

Li Mengyao was secretly happy, this would be an even better image if the security guards forced Lu Yuan and Zhang Ya out, she must record it!

"Why do we have to leave?"

Lu Yuan continued, "I've booked a table here."
