

## At The Bottom Chapter 17

When he returned from Michelin, Zhang Ya went back to the dormitory and Lu Yuan sat alone in the woods of the school.

Today can be said to be Lu Yuan's first real sense of pretending, he felt very cool, especially when he and Zhang Ya were sitting on the vip seat, Lu Yuan actually noticed that Li Mengyao's gaze kept casting over, that gaze was very complicated, Lu Yuan felt that there were many other emotions in the gaze.

Oh, today is still just an appetizer, Li Mengyao, you slowly wait to see clearly.

And Li Mengyao, at this time, also went back to the dormitory.

Her heart was depressed.

However, I am afraid that the most depressed person today is not her, but Du Liang.

Originally, Du Liang's plan for today was perfect, to pick up Li Mengyao after buying a car to go to Michelin, and then take her to a room in this luxurious and romantic atmosphere.

Who knew that there would be such a turn of events in the middle of the day.

Instead of having a happy meal, Li Mengyao had a stomach full of anger.

In the end, he could only send Li Mengyao back to school.

When Li Mengyao returned to the dormitory, the first thing she did was to look for Zhang Yao.

Li Mengyao and Zhang Ya were not in the same dormitory, so she dawdled and arrived at the door of Zhang Ya's dormitory.

Since the last time in the classroom, Li Mengyao and Zhang Ya had fallen out because of Lu Yuan's affair, and since then, they had not spoken to each other.

At this moment, Zhang Ya returned to the dormitory, "Sisters, come quickly, I've brought you a midnight snack!"

Zhang Ya was carrying the food she had packed from Michelin.

The dishes ordered by Lu Yuan were so many that in the end, Zhang Ya and Lu Yuan could not finish them, and many of them were not even touched, so Zhang Ya thought it would be a pity to just throw them away.

After all, any one of the dishes was worth more than two hundred yuan.

So she packed it back and brought it to her dormitory sisters to eat.

“Wow, Michelin hey, Zhang Ya, love you to death!”

The roommates were all a bunch of foodies and pounced on them like hungry wolves, their eyes turned green when they saw it was Michelin.

“Zhang Ya.”

Li Mengyao shouted with a thick face, standing in the doorway.

“By the way, Li Mengyao, you also posted a picture of you at Michelin in the class group just now, Zhang Ya also came back from Michelin, the two of you wouldn’t have gone to eat together, right?” Someone asked.

Li Mengyao’s face suddenly blushed and she was a little nervous in her heart.

She was worried that Zhang Ya would tell the truth about Michelin, and if that happened, she would be ashamed of herself.

But fortunately, Zhang Ya was not the kind of person who was stingy, and only nodded her head and passed it off perfunctorily.

“You’re looking for me?” Although Zhang Ya used to be good friends with Li Mengyao, but now, their relationship was very stiff, so Zhang Ya’s tone was a bit hard.

“Yes, come out for a moment, I want to ask you something.”

Li Mengyao said quietly.

“If there’s anything, just say it here.” Zhang Ya said.

“Aiya, don’t be like that, come out, we are BFFs.” Li Mengyao squeezed out a pleasing smile and shook Zhang Ya’s arm, I must say that Li Mengyao was also considered talented, she had fallen out with Zhang Ya before, but now she instantly changed her smile.

In this way, the two of them came to a secluded place in the corridor.

“Zhang Ya, you and Lu Yuan went to Michelin today, who’s treating you?” Li Mengyao said with a smirk.

“Lu Yuan.”

Zhang Yao said, thinking in her heart that she had guessed correctly and knew that Li Mengyao had come to her to ask about this.

“Ah, Lu Yuan, how did he suddenly become rich?”

When Li Mengyao finished speaking, her attention was fully focused on Zhang Ya, as if she was afraid of missing every word Zhang Ya said.

“Why are you asking this?”

Zhang Ya sneered in his heart, this Li Mengyao, she was really thinking about this.

“Just asking, to show my concern, after all, Lu Yuan and I used to be lovers, although we broke up, we still have some feelings, I just care about him.” Li Mengyao said.

Zhang Yao’s heart even sneered, what a nice thing to say.

This time there are feelings again, before in the classroom, when Du Liang came to pick you up, how did you humiliate Lu Yuan?

“Good Zhang Ya, good sister, just tell me.”

Li Mengyao said, her body pressed against Zhang Ya, as if the two were on good terms in the past, swaying Zhang Ya back and forth.

In the end, Zhang Ya was still a gentle type of person, and she had been friends with Li Mengyao before.

So she also told her.

“I told you, don’t tell others, Lu Yuan he won the lottery.” Zhang Ya said.

“Won the lottery? How much did you win?” Zhang Ya asked eagerly.

To be honest, this was similar to what she had guessed before, at that time in the Michelin, Zhang Ya guessed that Lu Yuan might have won the lottery.

It was also true that this hanger-on, unless he had won the lottery, where else would he get the money?

“One hundred thousand.”

Zhang Ya said, “But I hope you don’t bother him, Lu Yuan is very hard up, his family is poor, he usually eats and wears very poorly, this money is just right to subsidise his living allowance.”

“Don’t you worry, Zhang Ya. I won’t bother him.” Li Mengyao blossomed into a flower-like smile, “I just care about him, after all, I’m his ex-girlfriend.”

But even though she said that.

After she returned, Li Mengyao’s heart was beating with excitement, 100,000 ah, this is cash.

Although he had spent 20,000 at Michelin today, he still had 80,000 in his hand.

Thinking of this, Li Mengyao secretly regretted that if she had known this guy would win the lottery, she would have broken up with him later!

Li Mengyao knew that according to Lu Yuan’s character, if she was still boyfriend and girlfriend with him, he would have spent 90 percent of the 80,000 yuan on himself.

After all, Li Mengyao knew very well that Lu Yuan was indeed very good to her.

The things Zhang Ya said in the classroom before, Lu Yuan carrying himself to the hospital in the middle of the night and taking off his clothes for himself to wear, of course Zhang Ya remembered all of these clearly.

Since Lu Yuan can spend 20,000 to treat Zhang Ya to a Michelin, he will certainly spend 80,000 to himself.

After all, she was the woman he had loved!

Perhaps, he also loves himself now.

No, not maybe, but definitely.

Thinking of this, a smug smile appeared on Li Mengyao’s face again, and her gaze gradually became deeper and deeper.

The next day was relatively free, there were basically no classes.

Lu Yuan ate his meal in the canteen and followed the surging crowd out.

Just then, he heard someone call his name behind him.

“Lu Yuan!”

Lu Yuan turned around, and in the crowd, he saw Li Mengyao.

It was a rare occasion that Li Mengyao was alone.

You know, since Li Mengyao had dumped Lu Yuan, she and Du Liang could be said to be like glue, and the two of them were out in pairs, inseparable from each other.

Now, Li Mengyao was alone, which was a bit of a surprise to Lu Yuan.

Li Mengyao squeezed through the crowd and soon arrived in front of Lu Yuan.

“Yo, what a coincidence!” Li Mengyao’s attitude was intimate.

“What can I do for you?”

Lu Yuan asked cautiously, not knowing what Li Mengyao wanted.

Ever since the breakup, Li Mengyao could be said to have scorned herself, even as if she was an enemy, but today was a bit of an anomaly.

“What’s the matter, does something have to be wrong? Can’t I come to you if there’s nothing? How come we used to be together too.” Li Mengyao pouted in dissatisfaction, pouting as if she was petulant.

“Oh, there’s nothing, I’ll go first.”

Lu Yuan didn’t eat this from her now and drew back and left.

Li Mengyao’s face instantly changed and she stomped her feet, “This guy, his wings are hardened!”

Originally she thought that if she approached Lu Yuan, pampered him and said something soft, he would immediately behave like a cat and listen to her.

After all, Li Mengyao prided herself on knowing Lu Yuan like the back of her hand, and that Lu Yuan loved her as much as a slave loves his queen.

Who knew that this guy would walk away.

Li Mengyao wanted to chase after him, but how could her feet catch up with Lu Yuan.

“Lu Yuan!”

Li Mengyao suddenly shouted at a high decibel.

This was so sudden that it startled all the students who were coming and going, after all, it was the peak time for eating.

Everyone looked at Li Mengyao curiously.

“Good for you, Lu Yuan, you heartless man! Do you still have love and righteousness! I didn’t care that you were poor, that you didn’t have money, that so many people were pursuing me, but I chose you, when I was with you, I cared for you in every way, I took care of you in every way, I didn’t even care that other rich kids came to pick me up in their cars, but I could walk you step by step through the school, we went out to get a room, we could only stay in a \$50 a night pheasant hotel, I didn’t care, I got pregnant for you and went to a private I went to a private clinic to have an abortion for your pregnancy, and I didn’t blame you! But what’s wrong now? You dumped me and you won’t even look at me! Lu Yuan, you are a man! I loved you so much, and now you’re throwing me away like a rag!”

Li Mengyao was like a woman who was abandoned in a romance drama, rushing in Lu Yuan’s direction, roaring loudly, and by the end of her sentence, her eyes were already red and tearful.
