

At The Bottom Chapter 18

This was a good thing, the students who gathered around, immediately pointed all the fingers at Lu Yuan.

“Wow, scum!”

“What a slag, so irresponsible and desperate.”

“Sisters, stop him!”

At once, hooting and hollering, four or five girls rushed up and surrounded Lu Yuan, pulling his arms and tugging his clothes, not letting him go.

The boys, on the other hand, surrounded Li Mengyao's side.

“Beauty, don't cry, why retain this kind of scum, there are plenty of good men in the world.”

“Yeah, like me.”

“Beauty you are so beautiful, whoever is your boyfriend will faint with happiness, that slag really doesn't know how to cherish.”

How could Lu Yuan have expected that Li Mengyao would use this trick?

He really had a hard time defending himself at this moment.

In all honesty, what Li Mengyao said was a lie, not only a lie, but also the other way round, as it was obvious that Lu Yuan had taken good care of her.

The two did go out to get a room, but never went to a 50 yuan hotel, Lu Yuan did not have much money, but also took all the more than a hundred fast hotels.

What makes Lu Yuan even more speechless is that Li Mengyao even said she had an abortion for herself, damn, she and she never had sex ah!

Now Lu Yuan was being held by several girls, there was no way to go.

Li Mengyao was in no hurry to catch up with Lu Yuan.

“Alright, thank you guys, you can let go of him now.” Li Mengyao said to the girls.

“Remember, scum, we let go, you can't run away again!”

“Yes, are you a man, what are you running for, look at the beautiful girl who still likes you so much, yet you still want to run, do you have any humanity at all!”

“If you dare to run again, a few of us will chase you to the ends of the earth!”

These few girls, who were all completely deceived by Li Mengyao, viciously threatened Lu Yuan.

“Let’s go.”

Li Mengyao suddenly took hold of Lu Yuan and secretly gave a boost.

Lu Yuan had no choice but to follow Li Mengyao.

“What the hell do you want?”

Finally, after walking for a while, the place was much quieter and there were not many people on the road, and Li Mengyao, at this time, also let go of Lu Yuan.

“I heard that you won the lottery and won 100,000, right?”

Li Mengyao’s tone was quite gentle.

“That’s right, yeah, but does it have anything to do with you? We’ve already broken up.”

Lu Yuan was happy in his heart, he had guessed correctly, Li Mengyao had really come to find himself because of this.

He wasn’t surprised that Li Mengyao knew this because last night, Zhang Ya had already sent him a message to inform Lu Yuan that she had told Li Mengyao about winning the lottery.

“This ……” Li Mengyao was speechless for a moment and her face flushed.

When Lu Yuan saw this look on Li Mengyao’s face, he was quite happy.

Simply make her regret a little more, so he added, “Li Mengyao, you know me well and you know my character, if we hadn’t broken up, this 100,000 yuan, I would have spent 90,000 on you! I used to be, if I had ten dollars, I would spend nine for you and only keep one for my own dinner, but now that we broke up, we’re okay!”

After saying that, Lu Yuan looked at Li Mengyao again.

Sure enough, Li Mengyao’s face became even uglier, and it wasn’t whether it was regret or shame.

Satisfied, Lu Yuan lifted his leg to leave again.

“Wait, wait.”

Li Mengyao was anxious, she couldn't let Lu Yuan go now, no matter what she said.

She directly from behind, a hug Lu Yuan.

“Don't you go, Lu Yuan.” Li Mengyao hugged Lu Yuan tightly, her face pressed against Lu Yuan's back, and said emotionally, “Lu Yuan, you don't know, in fact, I don't really want to break up with you, I'm breaking up with you for your own good.”

Lu Yuan laughed at this.

Break up with me for my own good? Are you being funny?

“Really, I didn't lie to you.”

Obviously, Li Mengyao also knew that Lu Yuan would definitely think she was being funny, and continued to explain, “You are too good to me, even though you don't have money yourself, but as long as I like, you will buy me, in order to buy me a mobile phone, you leave early and come home late every day, working day and night, you have lost a lot of weight, I am really heartbroken, in order not to let you suffer, so, that's why I want to break up with you! ”

“Really, really?”

Lu Yuan sighed in his heart, this reason for breaking up was really divine.

“Really!”

Li Mengyao nodded vigorously, “Since I broke up with you, I was unhappy day and night, I thought I was strong, but, Lu Yuan, I found that I really can't leave you, let's make up!”

“Don't you want to make up with me because I won the lottery?”

Lu Yuan said, “I'm afraid that after we get together and spend all the money, you'll break up again.”

“How is that possible!” Li Mengyao immediately shouted as if she had been wronged, “I, Li Mengyao, am never that kind of person, Lu Yuan, how can you think that! What do you take me for, I just like you, whether you're poor or win the lottery, it's all the same to me! I'm just following my heart!”

“Really?”

Lu Yuan turned around and looked at Li Mengyao in front of him.

Li Mengyao's face was full of grief and anger at this moment, and she was in tears, "Of course it's true, Lu Yuan, don't you still believe me?"

Looking at Li Mengyao's appearance, Lu Yuan's heart suddenly became really soft.

This woman was the one he had loved.

"If you don't believe me, I, Li Mengyao, can swear!" Li Mengyao's eyes were firm and she raised her hand, "I, Li Mengyao, hereby swear that I never want to get together because Lu Yuan won the lottery, if I ever tell a lie, I, Li Mengyao, would rather be struck by thunder and lightning for the rest of my life and be scorned by people and not have a good end!"

Lu Yuan was shocked after hearing this.

No way, could it be that Li Mengyao had really changed her mind?

"Alright, don't talk about that." Lu Yuan said, "I believe you still can't."

"Hmph, I thought you had changed your heart!"

Li Mengyao said and smashed Lu Yuan with her little fist, snuggling up to him.

Lu Yuan's heart was moved, Li Mengyao's every word and deed completely soaked into his heart, especially Li Mengyao's pampered look, which really made Lu Yuan have the thought of holding it in his heart.

Alas, how good would it be if all this was true?

"Yaoyao, this is what I won, the remaining 80,000."

Lu Yuan said, suddenly pulling out eight square stacks of banknotes from his arms, exactly 80,000 yuan.

Seeing this 80,000 yuan, Li Mengyao's eyes lit up.

But then, she said with a calm face, "Lu Yuan, keep this money, I have already said that I, Li Mengyao, am in no way greedy for your prize money before I make a deal with you, even if you don't win the prize, I will still do so."

"Yaoyao, you've really touched me."

With that, Lu Yuan went to the curb where a few students had set up a table with a collection box next to it, a voluntary collection set up that can often be seen in universities.

“Hello student, do you want to donate? We are collecting donations

These students saw Lu Yuan walking over and rushed up to introduce him.

“Hmm.” Lu Yuan nodded his head.

Then, he put the 80,000 yuan he had just put all of it on the table in one go, “I’ll donate 80,000 yuan.”

Ah?!

These few students were frozen.

They had set up a collection point here, and usually all the people who came and went were students, and the donations were usually like ten or eight dollars, and those who had some money might donate fifty or a hundred, but now there was someone who donated eighty thousand at once, and they were all shocked.

“Student, please, may I ask your name?”

It was only after a long time that a girl reacted first and hurriedly asked.

“No need.”

Lu Yuan waved his hand.

It was just 80,000 yuan, just donate it, he didn’t bother to use it to gain fame.

The group of students looked even more dumbfounded, no way, is this the legendary tycoon? Is this the legendary tycoon who donates tens of thousands of dollars casually and anonymously?

Lu Yuan didn’t care what they thought and went back to Li Mengyao’s side.

“Let’s go, Yao Yao.”

However, Li Mengyao did not move.

Just now, when Lu Yuan suddenly left her behind and walked towards the fundraising set-up, Li Mengyao still didn’t know what Lu Yuan was up to, and then, she saw Lu Yuan donate the 80,000 yuan in an instant.

At once, Li Mengyao was frozen.

The speed of Lu Yuan's donation was too fast and it all came too suddenly, Li Mengyao didn't react at all, let alone to stop it.

"You, you donated the money?!"

Finally, Li Mengyao came back to her senses.

"Yes, you just said that you didn't get together with me because I won the lottery, and all that money came from winning the lottery, it's a windfall, so it's best to spend it quickly, besides, there are still many people in the world who need help, so it's most appropriate to donate it to them."

Lu Yuan said, taking Li Mengyao's hand and looking at her emotionally, "Yao Yao, I didn't expect you to be a noble woman who doesn't love money, thank you for making me understand that there is something more important in the world than money, and that is two people being together. ..."

"My cakes, your grandmother's head!"

Li Mengyao slapped Lu's hand away, her face twisted and distorted in anger as she pointed at Lu Yuan, "You, you're such a psycho!"

After saying that, Li Mengyao turned around and left.

"Yaoyao, Yaoyao!"

Lu Yuan was still shouting after her.

"Get lost!"

Li Mengyao's lungs were about to explode with anger at this point.

How could she have ever thought that the ending would be like this.

Obviously, the reason why Li Mengyao approached Lu Yuan, what with all the goodwill and vows, was all fake, and the purpose was naturally for the 80,000 yuan bonus.

Li Mengyao also knew that everything should not be rushed, so she took her time. Therefore, when Lu Yuan took out the 80,000 yuan, Li Mengyao pretended to be benevolent and said those words, naturally, it was still a slow tactic.

Who knew that this psycho would just donate the money! I'm so mad at her!

Looking at Li Mengyao walking away, Lu Yuan also sighed in his heart.

Alas, it seemed that it was really all a set-up.

In fact, how could Lu Yuan not know Li Mengyao's true heart?

After all, he had loved this woman, so if Li Mengyao really came back to him for love and affection, as she said, how good would it be?

However, after just a small test, Li Mengyao's original form was revealed.

To Lu Yuan, 80,000 yuan was no money at all.

Yaoyao, do you know that although I have donated 80,000 yuan, I still have countless other 80,000 yuan!
