

At The Bottom Chapter 29

Lu Yuan turned around and the girl who spoke was called Fan Wen Yan, who was also in the tennis club.

At this moment, Fan Wenyan looked at Lu Yuan, the contempt on her face could not be hidden.

Fan Wenyan doesn't have any bullying, but Fan Wenyan is good at following bullying people, like in the tennis club, Fan Wenyan is the president Bai Dye's little follower, what Bai Dye likes, she likes, what Bai Dye hates, she also hates, what Bai Dye says is good, she also says is bad.

By Fan Wenyan's side, there was Bai Yan standing.

"What are you doing?"

Surprised to run into Lu Yuan here, Bai Dye was also quite surprised.

"I"

Lu Yuan wanted to say that I had come here to pack grilled fish, but saying so would inevitably lead to more questions.

After all, this fish farm was very high class, and in Bai Dye's opinion, there was no way he would ever come here to spend money.

"Hey, Dye, can't you still see this?" Fan Wenyan's big mouth started blah blah blah again, "Look what he's holding in his hand, waste cans, ah, must be out collecting rubbish, 20 cents a piece."

Bai Dye nodded his head, agreeing with Fan Wenyan's guess.

Yes, if he wasn't a rubbish collector, what else could he be, did he come to eat at the fish farm? That was even more unlikely.

With his hands in his trouser pockets, Bai Dye cocked his head and looked at Lu Yuan, dressed in shabby clothes, with dusty shoes and a deflated can in his hand.

He was born with the look of a rubbish collector.

The cousin chose him to pretend to be her boyfriend, so she really had an eye for him.

After all, if Bao Hao saw his cousin walking with such a person, he would not be stimulated to vomit blood.

The more dangly this guy is, the greater the chances of success for cousin ah.

It's just that cousin is training in the bank these days, so she hasn't had time to go out with this guy.

When cousin has time to date this guy and then find a chance to be seen by Bao Hao, as long as Bao Hao is greatly stimulated to pursue cousin, the plan will be successful.

"Alright, hurry up and go back to school!"

Bai Dye waved his hand and gestured for Lu Yuan to go away.

To be honest, it is only for the matter of cousin, Bai Dye will speak a few normal words with Lu Yuan, usually, naturally is not willing to talk to Lu Yuan, even if we talk, but only to order Lu Yuan to do something.

At this time, Bai Yan naturally does not want to stay with Lu Yuan.

Lu Yuan was a bit depressed, he originally wanted to go to the fish farm to buy a grilled fish to take back to Zhou Yun.

Now that he ran into Bai Dye, he could forget about it and go to another restaurant.

But the pain in the ass was that his car had just been taken to the parking lot by the parking attendant, so how could he just walk away?

And then look at Bai Dye and Fan Wenyan.

The two seemed to be waiting for someone in front of the fish farm and hadn't left either.

These two people were blocking the place, so they couldn't go to the car.

For a moment, Lu Yuan was also in a dilemma.

"Why don't you leave yet?!"

Bai Dye was indeed waiting for someone, at this moment she saw Lu Yuan still standing here stupidly, at once, Bai Dye was a little sulky in her heart.

In her heart, she suddenly realized, could it be because last time she introduced him to her cousin as her boyfriend, and then her cousin also pretended to accept it, this guy still really thought he was her cousin's husband?

So he was pestering herself?

Thinking of this, Bai Yan despised Lu Yuan even more in her heart, this guy, we are just using him, he can't really think that cousin and I think he's good, right!

Bai Dye was about to reprimand Lu Yuan a few more times.

At that moment, a slender girl came across the bus stop, wearing a white wide shirt with the hem tucked inside the bubble trousers and a pair of Converse shoes on her feet, looking very literary.

"Dye!"

The girl waved wildly as she carefully crossed the road.

"LING LING!"

Bai Dye also left Lu Yuan behind.

The one who came was none other than Feng Ling.

When Wind Linger came to follow, her gaze was instantly placed on Lu Yuan.

"Lu Yuan!"

Feng Ling rushed over in surprise, "I really didn't expect that you would come too!"

At once, Bai Dye's face became a little unsightly.

"Linger, you misunderstood, Lu Yuan didn't come with us, we just happened to meet him here." Bai Dye said.

"Well, Dye is right, Supervisor Sun didn't invite Lu Yuan, and Lu Yuan never gathers with us, he's here to pick up rubbish." Fan Wenyan also came up and said, while saying that, she also pushed Lu Yuan, "Lu Yuan why aren't you leaving?"

"Hey, what does it matter, Lu Yuan knows all of us, since we are all here, let's go in and have a meal together, isn't it just right."

Feng Ling insisted, and Bai Dye had no choice.

"Whatever, just don't be embarrassed." The four of them went into the fish farm and found the private room they had booked long ago.

In the box, there were already quite a few people there.

They were all from the tennis club, men and women.

Sun stood out in the crowd, a linen wristless suit, a glorious gold watch on his wrist, his hair combed and slicked.

When he saw Bai Dye, Sun pushed aside the crowd and walked up quickly: "Dye, when you came, the whole box glowed."

The last time, Sun took the Audi A4 to the tennis court and picked up Bai Dye and the others for a ride, bringing the relationship one step closer.

Now, this meal was just the right time to strike while the iron was hot.

"Lu Yuan?"

Then, when Supervisor Sun saw Lu Yuan, he couldn't help but freeze for a moment.

"Why is he here?" Supervisor Sun looked at Bai Dye again, obviously, Lu Yuan had come in with Bai Dye and the girls, and Bai Dye was the president, so naturally he thought that Bai Dye had brought him.

Bai Yan also saw what Supervisor Sun meant.

She felt a bit resentful towards Lu Yuan, if she had let him get the wrong idea, it would have been more than worth it.

Since the last time Sun monitor drove the Audi A4, Bai dyed heart has a layer of meaning to Sun monitor.

The one that cousin found, Bao Hao, has been working for several years, but he is still driving a BMW3, while Sun is still just a student, he is driving an Audi A4.

The first thing you need to do is to get a good idea of what you're getting into.

"Forget it, come as you are, fortunately today is my brother's treat, if it was aa, huh." Supervisor Sun waved his hand and arranged for the crowd to start taking their seats.

Don't look at everyone as students, in fact, this seating, too, had its own rules.

Everyone knew that this time it was a friend of Supervisor Sun's who was treating him, besides, Supervisor Sun was the vice president and drove an Audi, and President Bai Dye seemed to be interested in him.

Naturally everything was led by Supervisor Sun.

Who and where to sit, Supervisor Sun and Bai Dye arranged one by one.

Everyone else just listened and obeyed.

“Lu Yuan, you can sit there.”

Bai Yan took the initiative to sit next to Supervisor Sun, and then pointed to a position and said to Lu Yuan.

Lu Yuan didn't say anything, although he was quite unpopular himself, Lu Yuan still felt quite good to have Feng Ling here.

“I'll sit next to Lu Yuan then.”

Feng Ling said, and naturally sat down next to Lu Yuan.

However, Bai Dye frowned, “Feng Ling, don't sit there, you sit next to me.”

Said Bai Dye, pointing to the seat on his other side.

“It's fine, this place is quite good.” Feng Ling smiled and said.

“That's the spot where you enter, later on the waiter will serve the food, he will bump into you and might get your clothes dirty!”

At once, the air was quiet.

Everyone looked at Lu Yuan and Bai Dye.

Naturally, the eyes that looked at Lu Yuan were all a bit mocking and gloating.

And Feng Ling's face reddened slightly, also looking a little unhappy, “Since this is the place to serve food, could it be that Lu Yuan can sit here?”

“Hey, Feng Ling, Lu Yuan is here to dine, he wasn't invited to come in the first place.” A boy said, it was Wang Dali, who had always despised Lu Yuan.

When he first saw him on the tennis court, he wanted to chase him, but he seemed to be more interested in Lu Yuan, a hanger-on, which annoyed him to no end.

“Besides, as far as Lu Yuan's clothes are concerned, if they're dirty, they're dirty, Feng Ling, you're different.” Wang Dali added.

“Come over quickly.” Bai Dye was in a hurry, pulling up Feng Ling and sitting next to her.

Feng Ling had no choice, after all, she and Bai Dye were good friends, so she sat over.

Wang Dali, on the other hand, was overjoyed in his heart and hurriedly ran to the other side of Feng Ling and sat down, saying loudly, “I'll sit here then!”

After saying that, he was pleased with himself.

In his heart, he was thinking about how he could get close to Feng Ling later on.

Such a good opportunity, we can't miss it.

However, at that moment.

"Wang Dali, get the fuck up! Get lost!" Supervisor Sun suddenly shouted loudly.

At this moment, everyone's eyes were immediately placed on Wang Dali's body again.

Wang Dali was also dumbfounded, but when he saw that it was Supervisor Sun who scolded him, he didn't dare to fight with him, but he was really reluctant and said, "Sun, President Sun, someone has to sit here anyway.

"Get lost!" Superintendent Sun didn't treat Wang Dali as a human being at all, "Is that your seat? That's for my brother, my brother will be here soon, you should find which seat to find!"

As soon as he heard that this seat belonged to Supervisor Sun's brother, Wang Dali did not dare to sit down again, he could only move his buttocks with a red face full of shame and obediently.

At this moment, the crowd was all seated, leaving only next to Feng Ling, with one seat still empty.

"Don't be in a hurry, my brother has just got off the plane after returning from abroad and is heading this way. To tell the truth, this meal is also on my brother's treat!" Supervisor Sun said.

"There's no rush, we're not hungry anyway, haha." Someone who was better at coming up with things started talking along with Supervisor Sun's words.

"Yeah, there's no rush, President Sun told your brother to take it slow and not rush, after all, he just got off the plane and is quite tired."

"Yes, we can afford to wait."

The crowd said one thing to you and one thing to me.

As they were talking, the compartment door opened.

"Hello!"

In came a boy wearing a square yellow hipster sweatshirt, with a big mouth monkey hat on his head, showing his dyed yellow hair underneath the hat, with a thin face and a bit of a pointy beak at first glance.

“Here, let me introduce to you all, this is my brother, Tian Kun!”

Supervisor Sun said as he stood up excitedly.

At once, the box erupted in applause.

“Tian Kun, this is the seat reserved for you, have a seat.” Supervisor Sun pointed to the seat beside Feng Ling.

Tian Kun sat down on his buttocks, then his gaze was instantly placed on Feng Ling, that gaze wandered over Feng Ling’s body for a while, then Tian Kun smiled heatedly, “Beauty, you are Feng Ling, right?”

At The Bottom Chapter 30

“Oh, hello.” Feng Ling didn’t seem to have much interest in Tian Kun either.

Moreover, at this point, anyone with a discerning eye could see that Bai Dye and Sun Supervisor, were deliberately trying to set up Feng Ling.

Of the four of them, Tian Kun and Sun Supervisor were brothers, Bai Dye and Feng Ling were girlfriends, and Sun Supervisor had just scolded Wang Dali away, specifically leaving his place out just for Tian Kun.

Now, without introducing himself, Tian Kun directly said Feng Ling’s name.

This is not all plainly obvious, isn’t it?

And Tian Kun is not stupid, this guy took the initiative to find Feng Ling to chat, and Feng Ling has been just some out of courtesy to respond a little, does not seem to have the will to interact.

Not only that, Tian Kun also noticed that Feng Ling’s eyes kept glancing at Lu Yuan’s direction from time to time.

His heart became even more upset.

Damn, I just returned to China, and I’ve encountered obstacles in picking up a girl?

Where did this hanger-on looking fool come from?

How could he be even more attractive than himself?

Thinking, Tian Kun pointed directly at Lu Yuan: “Haha, Supervisor Sun, who is this handsome guy? You can introduce him to me.”

Tian Kun only knew Supervisor Sun, but the others were all new to him.

As for Feng Ling, he had seen the photos that Sun had sent him.

The day Bai Dye took Feng Ling for a ride in Sun’s Audi, Bai Dye and Sun were having a fling, and at the same time Tian Kun called Sun and said he was going back to China and asked Sun to introduce him to a girlfriend.

The first time Bai Dye called Sun Kun, he said he was going back to China and asked him to introduce him to a girlfriend.

He then sent the photo to Tian Kun without telling him.

The first time Tian Kun looked at Feng Ling’s photo, his mouth watered, and he said, “Oh, my God, this girl is hot.

The first time I saw the photo, I decided to invite Sun and the tennis club to a dinner.

The first thing you need to do is to use your own charm.

But now, I thought I had it in the bag, but I lost to Lu Yuan.

Of course Tian Kun couldn’t stand it.

Although there was nothing wrong with what Tian Kun said, the tone of his voice was that he was not happy with Lu Yuan.

“Oh, he’s from our tennis club, Lu Yuan. He wasn’t on the list of invitees, but he came here to eat.” Supervisor Sun said.

“Hey, this guy, in the tennis club is dedicated to picking up balls for us, look at his raggedy clothes, he can’t even afford a tennis racket.”

The crowd all knew that now Sun Supervisor and Tian Kun were the core, seeing Tian Kun squinting at Lu Yuan in a wrong tone, while Sun Supervisor directly buried Lu Yuan for a while, naturally they also echoed.

“Oh, so that’s how it is.” Tian Kun sneered, and sighed, “Alas, it does not matter if you are poor, you must have some ambition, if my family is poor, then I must study hard, soak in the study room library every day, where there is time to come out to dine, do not be greedy for pleasure ah.”

“That’s right, Tian is right.”

There was another chorus of agreement from the crowd.

“That, Lu Yuan, today is Tian Shao’s treat, you are here to dine out, you should toast to Tian Shao!”

Suddenly, a boy called out.

It was no one else, but Wang Dali.

This guy liked wind lobbying, but he only dared to play with Lu Yuan.

Now everyone could see that Tian Kun had a crush on Feng Ling, so Wang Dali faced Tian Kun, and he himself was also distracted.

Not only did he lose his cool, he even made a show of being nice.

It was also cheap enough.

“Yes, yes, Lu Yuan, pour wine for Tian Shao!”

“That’s right, stand up, hold the cup with both hands, toast understand.”

The others also said with coaxing.

Lu Yuan did not want to compete with them, he was low profile, that was true, but he could not be insulted by them like that.

Toasting is fine, I will toast when I want to, it’s fine.

But to single out yourself in such a frenzy is not an insult.

Lu Yuan was no Bodhisattva.

His face changed slightly and he naturally sat still.

“Well, forget it, it doesn’t matter, just eat, I Tian Kun can still be eaten poor?”

A remark that caused the crowd to laugh.

Of course Tian Kun was not being kind himself, but he noticed that Feng Ling’s face had changed next to him.

When Feng Ling saw how the crowd was ridiculing Lu Yuan, she was naturally unhappy.

Moreover, Feng Ling knew that she had brought Lu Yuan in herself, and now that he had been insulted in this way, she was also responsible.

Tian Kun is also a veteran in picking up girls, and when he saw that Feng Ling was not looking well, he knew that if the situation really went on, if Feng Ling really got angry and took it out on himself, then he would not be able to pick up this beauty again.

Gradually, the dishes were served one by one.

Everyone ate and drank again.

He picked up his chopsticks to pick up the spicy chicken in front of him, but just as his chopsticks reached the plate, the turntable suddenly turned.

The spicy chicken in front of him turned into a plate of fried dried fish.

Lu Yuan went to pick up the dried fish again.

As soon as he put his chopsticks on the plate, the turntable started spinning again and the dried fish turned into a plate of fried shredded potatoes.

Lu Yuan was a bit stunned, damn it, who was messing with him?

When he looked up, he saw Bai Dye's hand, resting under the glass turntable, glaring at himself with displeasure.

This was Bai Dye's intention.

That's right, Bai Dye was now extremely resentful of Lu Yuan.

Because Bai Dye was now interested in Supervisor Sun, who was friends with Tian Kun, and if Feng Ling could get together with Tian Kun, he would be doing Supervisor Sun a favour, and naturally, he would be able to further his relationship with Supervisor Sun.

But now, because of Lu Yuan's appearance, Feng Ling's attention is not on Tian Kun at all.

What's more, Bai Dye knew that his cousin was going to pretend to be Lu Yuan's girlfriend.

Although the cousin is pretending to be his girlfriend, in order to achieve the effect of stimulating Bao Hao, so Lu Yuan has to really like his cousin Zheng Yue.

However, now that we look at it, this guy Lu Yuan seems to have quite a crush on Feng Ling as well, which naturally doesn't work.

As women, sometimes revenge tactics are so ridiculous, Bai Dye deliberately turns the glass plate to prevent Lu Yuan from eating the good dishes.

In Bai Dye's opinion, these dishes might not mean much to them, but to Lu Yuan, they might be a once-in-a-lifetime delicacy.

This guy had the cheek to come and dine here, wasn't that what he was doing?

So in the end, it was this plate of the cheapest shredded potatoes that was placed in front of Lu Yuan.

Oh, it didn't matter, Lu Yuan didn't bother and went to clip the shredded potatoes.

At that moment, the glass turntable spun again, and the plate of spicy chicken pieces was back in front of Lu Yuan.

Lu Yuan was stunned and looked up.

He saw that Feng Ling's hand was also on the turntable, and it was she who had turned the spicy chicken pieces in front of Lu Yuan.

At this moment, Feng Ling looked at Lu Yuan, her gaze slightly shy.

I have to say, sometimes, a girl's mind is just so delicate.

Lu Yuan was happy in his heart, this nee-san was interesting.

"Right, Ah Kun, didn't you say before that you had arrived at the airport long ago, why did you still come so late, I thought you would arrive earlier than us? Is it bad to get a taxi?"

Supervisor Sun suddenly said.

At the table, it was actually Sun Supervisor and Tian Kun who were chatting, after all, they were the main characters and had the highest status.

The others were just eating and drinking, and then echoing a few words.

"What's wrong with taking a taxi, I drove here!" Tian Kun's voice increased a few points.

"My God, you're not at the airport, how come you drove here?"

"I already had a BMW 5 series, then I let my dad's driver drive it to the airport for me, and I drove straight here." Tian Kun said smugly, "Actually, I wouldn't have been late otherwise, it's just that this fish farm is so hot that parking spaces are hard to find, I

searched and searched before I managed to find a parking space, which delayed me a little.”

“Holy shit, Tian Shao is a BMW 5, bully!”

“BMW 5, it must be 500,000 to 600,000, admire and admire, really is a handsome rich man from the sea!”

The crowd was again full of compliments and flattery.

“The BMW 5 is very comfortable to sit in, and I heard it has a heated seat system.” The company’s main focus is on the company’s business, and the company’s business is on the company’s business.

The company’s main business is to provide a wide range of products and services to the market.

BMW, that is a good tool to get girls.

Just when Tian Kun was enjoying the admiration of the crowd, he said.

“Well, if you drive here, don’t you have a parking attendant to come and park, why do you have to find your own parking space?” Lu Yuan suddenly said, to be honest, Lu Yuan did not want to do anything, just casually said so.

With these words, the air was suddenly quiet again.

Tian Kun was already unhappy with Lu Yuan, and at this moment, when Lu Yuan said that, he became even more annoyed and sneered: “What the hell do you know, you think the parking staff is your family, just come and park a car for you? I’m telling you, they don’t park cars that don’t cost more than a million dollars, you know?”

“That’s right, my Audi A4 is also parked by itself, your car is not classy enough, they won’t come over at all, this turd doesn’t know anything, come on, Ah Kun, drink and drink.” Supervisor Sun also came in a nonchalant way.

“Really, if you don’t see anything, then don’t say anything.”

“Don’t blame him, after all, he’s never driven a car before, haha.”

The crowd could see that Supervisor Sun and Tian Kun were not happy with Lu Yuan, so naturally they were all sorts of echoes and suppression of Lu Yuan at this point.

After eating and drinking for a while longer, it was almost time to break up.

“Let’s go, let’s go to ktv again, or my treat!”

Tian Kun stood up and counted the number of people, "Eight people in total, two cars for me and Supervisor Sun, enough to sit in, no problem at all, let's go!"

The crowd naturally cheered again.

But actually there were nine people in total, Tian Kun naturally did not include Lu Yuan, completely ignoring him.

"Forget it, I'm not going to the ktv, I'm going back too."

After the people came out, Feng Leng looked at Lu Yuan and said.

"Aiya, how are you going back here, it's not easy to get a taxi here, you have to wait for the bus too, why not take Tian Kun's car, let's finish the song and let Tian Kun drive you back in his BMW, isn't it better?" Bai Dye said.

"But, Lu Yuan"

"That guy, he took the bus back by himself, but according to his urine, maybe to save those few dollars, and walked back to school, do you also walk with him ah? Come on, come on."

With that, Bai Dye pulled up Feng Ling, and the others, and followed Tian Kun, without any further ado.

Then Bai Dye turned back and impatiently made a gesture towards Lu Yuan to drive them away, "Lu Yuan, what are you still standing there for, to take the bus or to walk, you hurry up!"

Tian Kun led the crowd in front, and after circling around the car park for most of the day, he finally arrived at his white BMW5 following him.

"Tsk, it's so grand!"

"It's handsome!"

The crowd praised one after another.

Tian Kun became even more smug, raised the key in his hand and pressed it in a pretentious motion, biubiu, "Okay, you all give way, I'll reverse the car out and we'll go to the ktv!"

Saying that, Tian Kun got into the BMW5, started the car and began to reverse.

Rewind

Reversing

BANG!

Bam!

This guy's skills were not up to par, and just as he was about to reverse out, he brushed against a car next to him.

"Holy shit!"

Tian Kun's face was red, he hurriedly got out of the car, and also relieved himself, and continued to say very pretentiously, "Day, stayed abroad for a long time, not skilled, but it's okay, small scratch, we can afford to pay, huh."

"Tian, Tian Shao." Someone next to him pointed at the car that was scuffed and stammered, "That, that seems to be a Mercedes."

"Yeah, it seems to be, a Mercedes g500," said Wang Dali, who didn't have a car but still knew a bit about it.
