

## At The Bottom Chapter 6

One supercar, one hundred dollars.

[And you deserve to teach me to be polite? You're Zhang Hui, right, and that Lu Yuan, you're just three big hangers-on.] The vicious young man of Jinling looked arrogant.

But arrogance has its own capital.

[Golden Evil, give away a supercar!

"The villain of Jinling, a supercar!

"A supercar for the villain of the Golden Mile!

"A supercar for the villain of the Golden Mile!

"A supercar for the villain!

Five consecutive swipes, \$500!

"Brother Evil Young Man, please calm down, who are you?"

When Yin Yi saw the evil young man's generosity, she couldn't help but pout too.

[Li Hongfei.] Jinling Evil Youngster said.

"I knew it was this guy." Song Chun grunted.

Li Hongfei was a rich second generation, rich and rampant enough, local to Jinling, knew a lot of people, and could often be seen with different people.

"Ah, it's you, thank you Li Hongfei, well, mua mua!"

Yin Yi said happily, "Thank you Fei for swiping so many sports cars!"

Song Chun said sourly.

The kind of happiness that Yin Yi had just thanked him for had also dissipated a lot.

"It's not normal." Zhang Hui comforted, "If you swiped half a million, she could call you her husband."

"What, Song Chun, you're still not a hangman ah, have the ability to come and than swipe gifts ah, three hangmen in your dormitory together, call that Lu Yuan to come too, come on!" Jinling evil young man came to energy, and said again.

[The evil young man of Jinling, send a supercar!

“The villain of Jinling is giving away a supercar!

“A supercar!

“A supercar for the villain of the Golden Mile!

[The villain of the Golden Mile, giving away a supercar!

Brush up.

After saying that, Li Hongfei swiped out five more sports cars.

“Ah, Brother Fei thanks so much! Brother Fei you’re awesome!” Yin Yi was all overjoyed and hurriedly made all sorts of pouty and pleasing expressions.

[Brother Fei is awesome!

[Yes, Brother Fei is a real rich kid, unlike us, we have to eat less buns in the morning for a gift.

After all, most of the people in the live stream were classmates.

At this point, some people immediately began to flatter and praise.

【Where is Brother Fei? Some people would come and ask.

[Oh, at Lamborghini Bar, partying with some good buddies from the road, tsk, you guys must come and play sometime, there are many young models here, gah. The words of Li Hongfei were filled with a strong sense of pretentiousness.

[System prompt, Jinling Vicious Youngster upgraded to Live Room Administrator].

“Brother Fei, I’ve upgraded you to administrator, so you can watch out for me.” Yin Yi revealed a spring-like smile.

“Okay.” Li Hongfei said, “I’ll help you brush up when I have time. It’s just a few hundred dollars, don’t be like some people who give a scarf and call it a big deal, and even give your name, even a hanger-on wants a goddess, save it!” Li Hongfei said.

“Damn, this bastard is talking about me.” Song Chun’s heart didn’t feel good, and his face turned red.

“Shit, a bit of stinking money makes you great!” Zhang Hui also cursed.

Cursing was not the only thing they could do, but as they watched Li Hongfei and Yin Yi flirting with each other and a bunch of people blowing up about Li Hongfei below, Song Chun and Zhang Hui could only be envious and jealous.

[Xue Nu, send out a yacht! Suddenly, the system prompted.

“Holy shit, someone’s giving away yachts! One thousand dollars a piece! This is too fucking rustic!” Song Chun stared at his phone screen, his eyes wide.

“Holy shit, who’s this Xue Nu? Is it from our class? There can’t be anyone with more money than Li Hongfei!” Zhang Hui exclaimed in shock as well.

At the same time, the live stream, too, went crazy.

[Who is Xue Nuo!

[It’s too cool, a yacht, a tycoon, take me with you!

[Is he from our class? He’s an invisible tycoon, he’s hiding something!

[Is he Yoonee’s boyfriend?

[Nonsense, Yoonee doesn’t have a boyfriend!

In the live video, Yoonee looked frozen too.

Even now, Yoonee forgot to say thank you.

Because, she couldn’t believe it.

A yacht, a thousand dollars!

“Thank you, thank you brother Xue Nuo, thank you .....” At this moment, Yin Yi was not as relaxed as she was just saying thank you and saying mua-da, and looked surprisingly a bit rushed.

This is because, she is now trying to leave a good impression in this Xue Nu’s heart, so her speech is a little bit incoherent.

[Xue Nu, send out a yacht!

[Snow Snow, send a yacht!

“Snow Snow, send a yacht!

“Snow Snow, send a yacht!

[Snow Snow, send a yacht!]

Snow, send a yacht!

Snow, send a yacht!

Snow, send a yacht!

Snow, send a yacht!

[Snow Snow, send a yacht!]

The system suddenly swiped out another crazy prompt.

Yachts, ten in a row!

“Holy crap!” Zhang Hui and Song Chun both jumped up, “Lao Lu, Lao Lu are you watching the boobies live, someone swiped 10,000! Oh my god!”

At this moment, in the corridor, in the other dorm rooms, they were also wailing.

After all, these were the dorm rooms that belonged to Lu Yuan and his class.

The live broadcast room, too, went even crazier.

[It's too harsh, 10,000 yuan!

[Oh my God, I'm going crazy!

[Xue Nuo, are you in our class? Please tell me, I'll hang out with you!

He must be a good friend of Yoonee's, and he must be very close, otherwise he wouldn't have spent so much.

“Xue, brother Xue Nu, you, thank you, thank you, Xiao Yi really thank brother Xue Nu oh, Xiao Yi so want to hug brother Xue Nu!”

Yin Yi at this time, her eyes were glowing with a kind of peach blossom, looking at the camera, cute, as if she was a kitten, seemed to want to curl up in this Xue Nu's arms.

[Yoonee, tell us who Snow is!

[Yeah, tell us!

“I, I don't know, brother Xue Nu, who are you? Oh, I know you, tell me, will you, Yi will treat you to dinner.” Yoonee was also extremely curious in her heart.

[Ah, no, Yoonee doesn't even know who Xue Nuo is?

[No, it's just a little gift.] Finally, Xue Nu spoke up.

[I just want to tell everyone that there is nothing great about being rich, because there is always someone richer than you, remember the saying, don't bully the young and poor, no one should look down on anyone. Xue Nuo went on to say.

"Well said!" Zhang Hui and Song Chun both slapped their thighs in excitement.

"This Xue Nuo, is a real rich kid, look at his quality, he is a top rich kid, which is not like Li Hongfei's kind of rich man." Zhang Hui lamented.

"Yeah, Xue Nuo is my idol, that's great to say." Song Chun was also excited.

He said, "I don't want to bully the youngsters, but I think you're a big bully when you give a gift of a thousand dollars.

In the live broadcast room, there was also a chorus of compliments.

[What Brother Xue said was too good.]

[Yes, Brother Xue is definitely the son of a family, otherwise he couldn't have said it so well.

[At first glance, Brother Xue is a man with a story.

And at that moment, Li Hongfei had long since stopped speaking.

"Xiao Yi, what happened, I heard someone gave you a gift?"

Suddenly, there was an additional person in the live video.

It was also a girl, and she was also pretty.

However, this girl's pretty was not the same as Yingy's pretty.

While Yin Yi was cute and adorable looking, this girl was a bit like a car model with a bit of a flirty look.

"Holy shit, Li Mengyao, that bitch!" As soon as Zhang Hui saw this girl, he immediately cursed.

That's right, this girl was none other than Lu Yuan's ex-girlfriend Li Mengyao.

Li Mengyao and Yin Yi were from the same dormitory.

At first when Yin Yi was live-streaming, Li Mengyao didn't care, after all, there were many people who were doing live-streaming now.

However, when she heard Yin Yi incoherently thanking some brother Xue Nuo there, Li Mengyao also got curious and came over.

"Wow, no way, eleven yachts! Who is this!"

Li Mengyao's face changed all of a sudden, mixed with surprise and envy and jealousy.

You know, eleven yachts, that's eleven thousand dollars!

"Where's my brother Xue Nu." Yingyi said as she nudged both of her cheeks with her index fingers in both hands, shaking her head and playing cute.

"Who's Xue Nuo, your friend?" Li Mengyao couldn't help but ask.

Li Mengyao thought it was normal for Xue Nuo to be Yinyi's friend, after all, if she wasn't a friend in reality, how could she swipe so much in one go.

You know, this was the first time that Yin Yi was doing a live stream ah.

"No ah, I just met brother Xue Nuo too." Yoonee was quite honest.

Ah?!

At once, Li Mengyao's heart twitched.

Eleven yachts for just meeting? Is this Xue Nuo rich and stupid?

"Brother Xue Nuo, are you there?"

Li Mengyao suddenly, asked to the camera.

In the live broadcast room, Xue Nuo was silent for a while.

"In." Xue Nu finally replied back, very briefly.

"Ah, brother Xue Nuo, you answered me back, so happy!" Li Mengyao cupped her hands on her chest, looking very happy, and then said, "Brother Xue Nuo, if I also start a live stream, will you come to support me?"

"Holy shit, this bitch, she's even come to seduce Xue Nuo!" Song Chun said in annoyance.

"Old Lu is so wise to split up with her!" Zhang Hui also said indignantly.

In the live broadcast, Xue Nuo continued to be silent.

[Do you have a boyfriend?] Xue Nuo suddenly asked.

“Huh?”

Li Mengyao was stunned, and then shook her head, revealing an innocent smile, “Brother Xue Nuo, where would I get a boyfriend oh, you really love to joke.”

“Mengyao, why are you saying you don’t have a boyfriend, didn’t you just break up with Lu Yuan and get together with Du Liang!” Next to her, Yin Yi looked a bit dissatisfied.

Girls are like that, sometimes they don’t like each other.

When Yin Yi heard Li Mengyao say that she didn’t have a boyfriend to cheat on brother Xue Nuo, she was also upset and immediately broke her down.

After all, there are actually very few real friendships between girls.

“Aiya, Du Liang and I, we’re just on better terms, we haven’t really established a relationship yet, and as for Lu Yuan, I broke up with that hanger-on a long time ago!” Li Mengyao blushed and hurriedly defended herself.

However, obviously being exposed by Yin Yi so much, she was also a bit embarrassed and returned the live broadcast to Yin Yi.

“Brother Xue Nuo, are you still there?”

In the live stream, Yin Yi softly shouted, “Huh, offline.”

And at this time in the boys’ 306 dormitory, Lu Yuan threw away his oppo phone and lay on his back on the bed, with an indefinable feeling in his heart.
